MEMBERSHIP CHAIRMAN LAUDS MEMBERS FOR YEARS' EFFORTS

This is my final message as an officer of the N.H.P.A. At the Convention, new officers will be elected to carry out the policies and do the duties demanded by the organization. I have enjoyed my work, small though it was. I sincerely hope that it was received in the spirit in which it was given. I wish the best for my successor.

Bob Pence surely gave us a wonderful message in the June issue. All State Secretaries should be able to profit from his advice. Every pitcher, regardless of his ability, must be made to feel that he is an important part of the group. When that stage is reached, the future of our organization is assured. It is with that in mind that your officers have directed their

activities this past year.

I have talked the N.H.P.A. whenever I could this past year and it has been a pleasure to serve the members. While everything hasn't been a bed of roses, definite progress has been made. The new officers will accomplish still more, I am sure. So as a final word I will say thanks for bearing with me and I hope I will see all of you at Murray.

The Golden Gate club of San Francisco held their annual Memorial Day Tournament on their courts June 1 and 2.

Congratulations are in order for all the members of their club; they did a remarkable job of putting on a wonderful tournament as usual.

The tournament itself was a great success not only for the players but the spectators as well as they witnessed some marvelous pitching.

The tournament ended in a three-way tie for first place between Don Titcomb of Sunnyvale, Paul Mori of San Francisco and Bill Blexrude of Oakland. Each of these players had 13 wins and 2 losses.

Our next major tournament will be held at the Pleasenton Fair, June 29th and 30th for the Alameda County Open Championship.

PAUL MORI "FRISCO" ACE, CAPTURES ALAMEDA COUNTY FAIR TOURNAMENT - JUNE 30th

The only loss that Paul Mori suffered was at the hands of Wm. Blexrude of Oakland. Wm. Blexrude pitched an outstanding game in defeating former World's Champion Guy Zimmerman 50 to 46. Out of 100 shoes pitched Guy Zimmerman had 85 ringers and Wm. Blexrude had 86. There were 21 times that all four ringers were on the peg.

The Fair put up \$500.00 for this Tournament and therefore the players

had only a qualifying fee of \$2.00 each.

The Final Standings were as follows:

Horseshoes in Northern California is having its best year with league play every two weeks and two good tournaments under completion as of June 9. This is the first year that tournaments have been staged which included players below "B" classification. Several more are planned including the Northern California "C" Championship and the Northern California "D" Championship. This has resulted in many players under 40% turning out as they have the opportunity to compete with players in their own class. We have over 125 players, and many new potential National members, active in the game.

By W. J. WOODS

The Annual Lakeside Ohio Open Horseshoe Tournament was held on Friday and Saturday, June 28-29 and attracted many top flight players from the Mid-West. The Ohio Buckeye Horseshoe Pitcher's Association again conducted the tourney which was sanctioned by The National Association. Players were invited by The Lakeside Management to qualify on Friday, June 28, and stay overnight for the match play on Saturday, June 29. The tournament was open to all entrants regardless of residence.

The courts at Lakeside, near Port Clinton on Lake Erie, were ideal for this tournament and spectator comfort. Dale Carson of Baltimore, Maryland, was the defending champion. UTAH DIVISION OF THE NHPA

By RAY OHMS

We have had a very bad spring here in Utah as it has been so darn wet and cold for a long time, but it finally settled down and we have had some pitching. The Salt Lake City Club are operating a six team league for the third year now and we have been very successful in getting all the for the third year now and we have been very successful in getting all the fellows out for it. It runs like this — Each team has four players, and six teams in the league. We operate under a 15 week schedule. We use the count-all system and pitch just 50 shoes per game. After the first week of play each team match was set up on a handicap system, for example, the averages of Team "A's" members totaled 390 and if they played Team "B", who has a 420 average, Team "A" would get 75% of 30 for each game. A team can win 5 points in a night — four games and total points. All six teams have sponsors and here they are: Ferle Company Macmillan Oil Company Macmil teams have sponsors and here they are: Eagle Company, Macmillan Oil Co., Lawson Supply, West High Bakery, Jim Youngs Texaco Service, Manny's Tavern. Each player puts in 50 cents each night and the sponsors paid \$50.00 each. We plan to pay off point money and high series for team event and also high series and game for individual performance at the end of the season. As you can see this was patterned after bowling.

Rod Hatten, 20 years old and Jerry Keyes, an 18 year old, finished second and third. Clarence Bellman of Warsaw, playing in his first tournament, won Class "B" with 65.6% ringers.
