The Horseshoe Pitcher's News Digest Official Publication of THE NATIONAL HORSESHOE PITCHER'S ASSOCIATION OF AMERICA

SEPTEMBER, 1957

VOL. 1

NO. 9

MESSAGE FROM OUR MEMBERSHIP CHAIRMAN GREETINGS TO ALL MEMBERS OF THE N. H. P. A.

It take great pleasure in being able to address all the horseshoe pitchers of the National Horseshoe Pitchers' Association of America.

The 1957 World Tourney received good publicity. The method of play used at Murray, Utah was very successful. A lot of credit goes to Elois Standard, our World Tournament Manager for a job well done. Daily tourney results were sent out each night. Our local paper carried tourney results each morning.

As membership chairman I find that I need a lot of help. I am asking each State Secretary for that help. I will go along with Mr. Robert Pence of Indiana when he says it is up to each State Secretary to increase our N. H. P. A. membership. The N. H. P. A. received more than fifty new members from Indiana due to a newcomer's tournament held the first part of June. This type of tourney should pay off the same for other states. Indiana is lucky to have a Mr. Pence for their secretary. He really works overtime to promote horseshoe interest.

Would like to hear from any horseshoe pitcher concerning the growth of our membership in the N. H. P. A. Would like to see articles appear in the News Digest that will help the growth of our organization. I'm sure this would also please our editor, Mr. Cobb. It will take the help of all N. H. P. A. members to make the game grow and progress. Let's get our 1958 State and National card early. No one should miss a single copy of the News Digest. Curt Day, Chairman

On October 5th and 6th the San Bernardino County Fair tournament will take place, the prize list will be about the same as it was last year. So, horseshoe players, make this tournament a must. The San Bernardino County Fairgrounds are located in Victorville and

will be a 12 man round robin, qualifying up to 12 noon of the 5th.

Presenting.... Dawna Bridge "Queen" of 1957 Tournament

Brown-haired, brown-eyed Dawna Bridge, 19-yearold beauty from Salt Lake City, reigned over the 1957 National Tournament as "Miss Ringer." Her attendants were two equally striking blondes, Janice Kammerath and Jean Romney, both of Salt Lake City. The three were selected from among 17 lovelies in

The three were selected from among 17 lovelies in an exceptionally close contest sponsored by the Murray, Utah Junior Chamber of Commerce. They were formally introduced at the opening of the tournament.

introduced at the opening of the tournament. Miss Bridge is a student at the Salt Lake City School of Culture, Miss Kammerath is a senior at Granite High school while Miss Romney is in her Junior year at the University of Utah.

NORTHERN INDIANA TOURNAMENT CITY PARK — WABASH, INDIANA — AUGUST 4 AND 5

Harrison Maitlen of Berne won the Northern Indiana Tournament for the fourth straight year without the loss of a single game, tossing 80% ringers against second place winner Clarence Bellman of Warsaw.

Play in Class G was disrupted by a violent wind and rainstorm on Saturday afternoon, and Class F players were handicapped by very inadequate lights that evening, but otherwise playing conditions were perfect. The Tournament drew a total of 60 entries.

"From Out Of The Mail Bag"

Cincinnati, Ohio August 17, 1957

F. Ellis Cobb, Editor The Horseshoe Pitcher's News Digest 1307 Solfisburg Avenue Aurora, Illinois

Dear Mr. Cobb:

First, orchids to the Digest. I cannot see how any pitcher can consider himself well informed without the benefit of this publication.

The announcement enclosed constitutes a late notice, but we do want your office to know that we in Ohio are holding our regular Annual State Championship Tournament which will be at Greenville, Ohio City Park Courts over Labor Day week-end. The twelve courts are well located in the City Park and a large attendance is expected both as to entrants and spectators. Harold Reno, Sabina, Ohio, is defending champion, having won last year at Columbus at State Fair.

The Ohio Buckeye State Association is proud of the showing made by its members at the recent World's Championship at Murray, Harold Reno, Paul Focht, Harold Wolfe, Stanley Manker, Leonard Glass and W. O. Maxwell having been in the play-offs and in addition Paul Focht named a National Committee Chairman. Have also understood that our strong supporter, Denver Ford, was on hand.

The results of our State Tournament will be forwarded in due time to make the October issue of the Digest.

Sincerely, W. J. Woods

F. Ellis Cobb, Editor The Horseshoe Pitcher's Digest Aurora, Illinois

Dear Sir:

I read with great interest, the article by Harvey W. Clear, in the June issue, describing the colorful career of Guy Zimmerman.

In 1932, Guy came to Gas City, Indiana, as an exhibition pitcher and salesman for the Gordon Spin-on Horseshoe.

This little Hoosier community was a hot-bed of interest in the gentle art of Barnyard Golf. The one individual responsible for this interest, was a man who had established quite a reputation of his own in the game. He was Vinston Stevens, National Champion in 1920, and, I believe, co-founder of the present Ohio Horseshoe Co.

I was one of Steven's pupils and boasted a 50% average for the seasonwhich was a very respectable percentage in those days. During the exhibition, I became one of Guy's opponents — and victims. The way Guy mowed down the crack pitchers of our club was a devastating blow to our ego. But for Guy, it was a fruitful visit. We bought all the shoes he had with him. These were the first "hook shoes" that any of us had ever pitched, and

These were the first "hook shoes" that any of us had ever pitched, and our percentages improved by leaps and bounds. Guy visited us again in 1933, found a ready market for his shoes—and

Guy visited us again in 1933, found a ready market for his shoes—and a little tougher competition in the exhibition matches. He and I had a real "dog eat dog" match, until I weakened in the late stages of the game. We had 4-dead 5 times in a row—13 times in the game, we had 4 dead. Some

---8--

of the other pitchers did about as well against him. Guy was amazed and intensely pleased at our improvement.

For some unknown reason, Guy didn't come around in 1934. Then the following year interest lagged in the game, plus the fact that our club grounds was, sold as a building site, so we just sort of folded up and died. In this community, which also spawned the mighty Jimmy Risk, we have read isolated stories of Guy's feats around the country, and cherished the

memories of his visits to our hamlet.

We have an everlasting warm spot in our hearts for this great Guy, for it was he who lifted us from the status of "Backyard Pitchers" to the tough competitive level. Many of us, with this impetus, went on to win state-wide recognition in various tournaments through the years that followed.

> Yours Respectfully, Lester U. West 132 West North D St. Gas City, Indiana

> > August 18, 1957

F. Ellis Cobb 1307 Solfisburg Avenue Aurora, Illinois Dear Sir:

Should have written you long ago but have been just too busy.

First I want to congratulate you on the fine job you are doing with the magazine. Hope the motion I made at the meeting doesn't make too much extra work for you. I felt that was one thing we could do for the players that might create more interest. Also we should be on equal footing with any magazine and that is give a full year subscription when it is paid for.

Am enclosing the results of two tournaments held in our state this summer.

Hope you aren't working too hard and the best of luck to you.

Sincerely yours, Lee Davis N. J. H. P. A.

August 23, 1957

Horseshoe Pitcher's News Digest 1307 Solfisburg Avenue Aurora, Illinois Dear Mr. Cobb:

I enjoy receiving the magazine and reading about the clubs and states that are increasing in National memberships. I believe, as in bowling, all horseshoe clubs must give the beginners and enthusiastic 25% pitchers some tournaments and incentive to improve. I have never met a happy player who does not get an opportunity to play at a tournament. At our C. N. E. tournament this year, all play. If they miss the first 24, they played in a doubles tournament that had been arranged.

Of course we have to promote big tournaments for the top players. In the meantime, best wishes to all our friends in the U. S. A. Here's hoping that Earl Winston of Missouri writes and says that he has the biggest and best "corn" in the state this year.

Best wishes, Harold Blackman Toronto, Canada

HOOSIER SHARPSHOOTER TAKES TOP SPOT IN FOURTH ANNUAL CORN BELT OPEN TOURNAMENT

By HAROLD DARNOLD

Ed Sharp of Mulberry, Indiana, third place winner in the 1957 National tournament at Salt Lake City, captured the fourth Annual Corn Belt Open held at Crapo Park, Sunday, August 25th, in Burlington, Iowa. Truman Standard of Canton, Illinois was runner-up with Glenn Anderson of Moline, Illinois and Ellis Cobb of Aurora, Illinois, third and fourth. Anderson was high qualifier with 260 points to lead a field of 54 entrants from a five state area. Jim Johnson, Kentucky state champion shot the highest single game percentage of 91.6. Other top qualifying scores were: Sharp, 259; Cobb, 244; and Standard, 247.

	Qual.	won	Lost

TED ALLEN WINS TRI-STATE MEET AT CHEYENNE, WYOMING

By WARD ALBIN

Ted Allen of Boulder, Colorado, world champion, won the Tri-state meet held Sunday, August 18th on the Holliday park courts, Cheyenne. Earl Graves, Colorado state champion and Merle Palmer, Wyoming state champion, finished in second and third place respectively. Jim Tulk of Greeley, Colorado, won the B division after a playoff with Lee Laughlin of Cheyenne. C class honors went to Joe Clewell of Cheyenne.

Horseshoe has progressed considerably in Cheyenne this year. We have ten teams of six men each playing in a regular handicap league. They are sponsored by various business firms in and around Cheyenne. We also compete in league play with Denver, Boulder and Greeley teams. We have 12 beautiful courts equipped with 14,000 watts of lighting. All pitchers passing through or living in the vicinity are cordially invited to use the facilities at Holliday park, Cheyenne.

MAINE NEWS

By CHARLES GERRISH

That was a wonderful report and synopsis of the world championship games in Utah this summer, so promptly got out by our National secretary. The chief page in it for this fan was No. 10, which details the amazing game, pitch by pitch, between champion Ted Allen and Curt Day. 155 ringers each, 69 double ringers each, 89 percent each. Whew! 16 live ringers each and 139 deads each. Two close shoes counted for Ted and but one for Curt, to be the only difference in the game. Two runs of 6 straight 4-deads, and two others of 8 straight. Four-deads 54 times. Curt made 6 points but once, after 106 shoes, that being the only time that Ted missed with both shoes. Ted had only one six-pointer after 106 shoes, when Curt's only miss occurred. Thanks for giving all the scores of the game. We should have more of such.

Maine had its annual tournament on August 18th at Brewer, Maine with the state championship being won by your writer, C. S. Gerrish, whose next birthday will be seventy years. (Editor's Note: Orchids to you Mr. Gerrish, there are not many that are able to accomplish that feat.)

TED ALLEN HORSESHOE CO. — BOULDER, COLO.

Again winning the World's Championship, 1957. Almost yearly, now, Allen's have made new World's records, including several of 1957. Of the 18 major world's records now standing, all but three are currently held, or having had a hand in, by Allen's.

Several factors are involved in winning a title but the advantages of the Allen's played a major part.

- 1. Twice, in establishing world's qualifying records 1953, of 556 pts. or 90.5% ringers; 1955, of 570 pts., 187 ringers for 93.5% it requires ringers to stay on. Not a single ringer came off. And, too, to make 36 consecutive doubles, and to win close games.
- 2. Hardened points on soft shoes have a tremendous advantage over battered points. They get many ringers out of near misses.
- 3. Time and again Allen's were "on" in a close measure, on account of good points.
- 4. Hard points save ringer averages, money in winnings and longer life effectiveness. Makes the shoes good as long as the body lasts. In old days I used 2 pair for each tourney to have good points. But the past two tourneys were won by only one pair of shoes, and good for more, lasting many times longer for top playing.

"A NOTE OF SINCERE THANKS AND APPRECIATION"

On August 13th at the Illinois state tournament held at the state fairgrounds at Springfield, Illinois, one of the most pleasant experiences of my life took place.

The tournament was about to get underway when Mrs. Elois Standard, the 1957 World Tournament manager, asked if she might make an announcement over the public address system. She asked for me to step forward and at that time she presented me with a beautifully engraved plaque naming me as the recipient of the "1957 National Achievement Award for Outstanding Service to the Horseshoe Game."

It was a wonderful surprise to me and I want to take this means of expressing my sincere thanks and appreciation to the officers and members of the National Association for the honor bestowed on me, together with another honor given to me by the officers and members of the National Association and that was electing me to "Lifetime Membership" in the Association. No one will ever know the happiness it has given me by being so honored. I will do all in my power to keep faith with those who have had faith in me.

Ellis Cobb

FIRST ANNUAL MISSOURI TOURNAMENT OF CHAMPIONS

The first annual Tournament of Champions was held at Springfield, Missouri, July 27-28. David Baker of Wentworth, Missouri, went through the entire meet with a perfect record of nine wins and no losses. This speaks well of him as he is only 18 years old and was competing with players many years his senior. In his march to victory he defeated the current state champion, John Elkins of Stella, Missouri, 50 to 21. The results are as follows:

	Won	Lost
David Baker, Wentworth	. 9	0
John Elkins, Stella		2
D. E. Wommock, Springfield		3
L. Greenlee, Springfield		4
Lou Ross, Springfield		4
C. Long, Carthage	. 4	5
Neil Snelson, Springfield		5
G. Nixon, Springfield	. 3	6
L. Coffey, Joplin	. 2	7
T. Hubbs, Springfield	. 0	9

Shown below are the 14 happy finalists around the trophy table, together with "Miss Ringer," center, and one of her attendants, Miss Kammerath, third from left.

PAUL FOCHT, DAYTONIAN, WINS SOUTHWESTERN OHIO DISTRICT TITLE WITH ELEVEN STRAIGHT

In a perfect day at bat, Paul Focht of Dayton, Ohio, swept through to victory over a strong field, to win the Southwestern Ohio District tournament held at the J. W. Denver Williams, Jr. Memorial Park, Wilmingon, Ohio, on August 16-18. This district includes 18 counties. Harold Reno was the defending champion, and was the runner-up. Tournament was sponsored by the Clinton County Horseshoe League and was sanctioned by the National Association. Following are the results:

PERCENTAGE SYSTEM OF HANDICAPPING HORSESHOES

By VAIL RASMUSSEN

The writer has observed various methods of Handicapping used from Seattle, Washington, to California and Indiana. Has anyone ever tried the Percentage system of Handicapping.

Under the various system used such as count all, it was necessary to have a fairly elaborate scoring system that made the game very difficult. Under the Percentage system proposed, scoring would be as is presently used for all Association Games:

a. Play would be a regular 50 point game.

b. Handicap would be based on percentages rather than on points.

Inasmuch as play would be a regular 50 point game, this would climinate one of the principle complaints heard about Count-All systems.

Following is a suggested method of play:

Basis of Handicap: Players Percentages.

Method of determining Handicaps: Handicaps would be based on a minimum of 3 competitive games. New Players or substitutes without prior competitive records of Percentages would play 3 games with own Club mem-

-14---

bers prior to participating in a Handicap Game; the resulting percentages would be certified by the Club Secretary and would be the basis for the player's first game Handicap. After the player has competed in a handicap tourney the new Competitive Percentage, brought up to date after each contest, would be the basis for handicaps.

Play: Shall be a regular 50 point game, but players Percentages shall be the basis for determining a win or loss.

Scoring: A 60% player competing against a 20% player will play a regular 50 point game and will record Shoes Pitched and Ringers. If the 60% player makes 60% and the 20% player makes 25%, the 20% Player will be the Winner:

Λ — Player60%	Game results:	
B — Player20%	"A"60% -	- 60 Points
	"B"25%	
40% is "B"	Handicap Handicap40 -	- 65 Points

Team Play: All the Players Percentages on "A" Team be added and All the Players on "B" Team be added. The difference would be the Handicap. At the end of a team Game, the Percentages actually made for each team be added and the Handicap applied to the Team with the handicap that was previously established and the winner be determined accordingly:

(a) 3 Players "A" Team Average 60% each — 180 Points
(b) 3 Players "B" Team Average 40% each — 120 Points

The 60 Points would be added to "B" for each series of Team Play to determine winner.

NEBRASKA STATE TOURNAMENT TO BE HELD IN SEPTEMBER

By RICHARD HERRICK

Horseshoe pitching enthusiasts will vie for honors when the Nebraska State Tournament gets under way on Friday, Saturday and Sunday, September 20-21-22, at Custis, Nebraska. The Curtis Chamber of Commerce is sponsoring this annual meet. \$100 in cash prizes is offered in addition to trophies which go to the winner of each class.

Qualifying begins on Friday continuing Saturday until 1:00 P.M. All qualifying must be finished by that time. Each player will throw 100 shoes. In the event that a second chance is desired, payment of an additional fee is required provided there is enough time left to do so. As many as possible are asked to qualify on Friday. The 30 highest qualifiers will be divided into three classes according to the way they place. Class B will start a round robin at 1 P.M. Saturday: Class C will start at 8:30 A.M. Sunday and Class A players will take to the courts at 1 P.M. Sunday afternoon.

The entrance fee will be \$3.00 and will figure in the prize money. All pitchers are requested to wear white outfits with name and town on their "T" shirts in large letters visible at a distance. Further information may be obtained from Richard Herrick, Curtis, Nebraska or Thomas Novacek, 1410 Garfield St., Omaha, Nebraska.

SEND IN THOSE BITS OF NEWS

To all of our readers who have any news such as might be of interest to members of the association please send it to the editor. Items such as weddings, births, special celebrations, personality stories, etc. Season's schedules listing tournaments also results of matches, are also requested as soon as they are completed.

ROEDING PARK (CALIFORNIA) ASSOCIATION STAGES FIRST SANCTIONED TOURNAMENT

By MAJOR DALTON

We here in Fresno have just held our first sanctioned NHPA tournament and it proved to be very successful. A number of spectators joined our club and helped keep score. Horseshoes is getting stronger here in the San Joaquin valley. Fresno is about halfway between San Francisco and Los Angeles. The Roeding club is in the Northern California division. The Fresno Bee, radio station KMJ, and TV station KFRE all gave us very good publicity. Once more all of us commend the good work of the "News Digest," long may it flourish.

BEG YOUR PARDON -

I wish to use this medium to apologize to Curtis Day for error in reporting his games won and lost in the final 14 Man round-robin for World Championship. This error appeared both in this magazine and in the mimeographed pages of complete results sent out by me to each member. It should have read 8 wins, 5 losses instead of 7 and 6. Curt and Tommy Brownell each had 8 wins, but Tommy had a few more total points, placing him in 5th position and Curt Day in 6th. My error all the way.

Elmer O. Beller National Sec.-Treas.
