MESSAGE FROM OUR NEW MEMBERSHIP CHAIRMAN

By HOWARD J. WHITE

I would like to take this opportunity to address all members of the National Horse-shoe Pitchers' Association of America and to express my thanks to all of the delegates at the convention for electing me as 3rd Vice President in charge of the membership committee.

I feel very honored to succeed my two predecessors, Cletus Chapelle, and Curt Day,

the former holding the titile, I believe in 1956 and the latter in 1957.

I am appointing all state secretaries and regional directors to serve on my committee to assist me in their undertaking as it will be impossible for me to visit all of the states

and push memberships.

In the coming issues of the News Digest I will be using an honor roll listing the top three or four states and their membership totals as this should stimulate states memberships that are close to the honor roll figures, to try and make it. Of all states listed, this will include the names of the state secretaries as well.

Speaking for my State of New Hampshire, we signed up 52 members this year, an increase of 22 over last year. This was due largely to our three tournaments this year, The Portsmouth Jubilee; New England States Championship; and State Tournament so it just goes to prove that tournaments have much to do with increasing memberships.

I would now like to comment on the September issue of the News Digest. On page 3 pertaining to the Eastern National placement for 1959, it was noted that the pending decision will be determined by the Portsmouth New Hampshire group whether or not it will be held in Portsmouth. Speaking for the group, I would like to add that due to the circumstances involving lighting, additional courts, etc., it would be impossible to reach a decision at this time. Also, their is one interested sponsor but nothing defininte as yet. So' I would advise that any states that are interested should make their views known in the News Digest.

On page 15, Kansas Shoe News by Alvin Dahlene, was an interesting article in which I find him 100% correct in stating that the "GREEN STUFF" is the life blood

of the sport.

I would like to make the suggestion that I think raffles an excellent way to raise horseshoe money to run tournaments. This year I circulated raffle tickets to the various players in New England to try and sell for the New England Association and I had very good luck with this as we were able to raise enough to give \$200.00 in cash to the top pitchers as this definitely is what the boys like.

Ralph Forrstrom newly elected Mass. Secretary told me at the New England this year that his club in Springfield will do the same in order to sponsor the New England next year. Porter Clark who finished 2nd in the N. E. this year said that Maine plans to sponsor their state meet with a raffle next year as well as the rest of the New England

States as this certainly should add to our membership.

ORCHIDS TO DOUG FOGAL OF NEW JERSEY ASSOCIATION

All horseshoe pitchers who have had the job of directing any tournament, large or small, can properly appreciate how Doug Fogal of New Jersey feels after winning the championship of the state of New Jersey recently. There has to be a strong power of concentration on the part of the manager-player in order to take care of all the details that go into the promotion of a tournament and still maintain his equilibrium on the courts.

Doug is a wonderful fellow and has done a great deal for horseshoes in New Jersey. Besides serving as President of the state association, he is also officer and the main "cog" in the handicap league. The basic ideas in both our league handicap system and

the cancellation handicap system were his.

It is therefore a fitting season's conclusion to be the proud possessor of the coveted state championship, and especially for one who has contributed so much to the game.

NORTHERN CALIFORNIA CHAMPIONSHIP

By CZAR MARCEVICH

An estimated crowd of 1,000 spectators who were highly pleased upon leaving, gathered at the Oakland Horseshoe Club courts in Mosswood Park, Oakland, California, on Labor Day. Mr. Harvey Clear, former National Secretary, did a wonderful job of handling the tournament. He introduced all the players who entered the tournament and announced games on the public address system.

Mr. Harry Neilson, club treasurer and tournament chairman presented the following people who gave short speeches, and Mr. Czar Marcevich club president and also Northern Association president and Earl Davis, secretary of the Northern Association.

Czar Marcevich commented on the fine cooperation the committee had, too make the tournament a great success. He congratulated all the ladies who did so much work on the refreshment committee and had decorated the club house with flowers. Refreshments were served to all horseshoe pitchers, guests and families.

Czar remarked on how beautiful the courts looked since being newly painted by Clarence Peterson, Mosswood club past-president and congratulated the grounds committee on looking after the courts so well.

Movie Cameras were going on by Mr. Bud Ittel and television pictures were taken to be shown later.

Earl Davis introduced the queen, Miss Judy Stevenson from San Bruno, California. Everyone spoke about how beautiful our queen was. She is the daughter of Mr. and Mrs. Bob Stevenson. Mr. Bob Stevenson finished in a tie with Ira Allen, Fresno, California who is a brother to Ted Allen. Allen won from Stevenson 50 to 24.

Our mascots were Jimmy and Bobby Lindhout and each wore white T shirts with Oakland Horseshoe Club emblems. Both boys pitch horseshoes and are very good considering their ages 10 and 11 years.

All players and many spectators spoke very highly of the event. The entire membership of the Oakland Club were very pleased and thanked everyone for their fine cooperation.

TED ALLEN WINS SOUTHWEST NEBRASKA OPEN

By RICHARD L. HERRICK

We had a wonderful little tournament with an overflow crowd and great enthusiasm, here in Curtis, Nebraska, Sept. 20 and 21.

I must say tho, that I was a bit disappointed that so many Class B players who

could have come without much trouble just didn't show up.

I wish to express, thro the magazine, great appreciation to Earl Winston and Chester Banes of Missouri for their unselfish contribution to our tournament and to Glen Anderson of Illinois, who left home midnight, Friday, Sept. 19 and got to Curtis, Saturday afternoon, a distance of 650 miles.

Ted Allen of Boulder, Colorado, won the trophy, although he did it the hard way,

as Sid Harris of Shelton, Nebraska, beat him 51 to 49, in the Round Robin.

Allen won the playoff with Don McCance of Cozad, Nebraska.

The percentages were rather low due to the poor quality clay. We plan to remedy that before next year.

"GUIDO GIORGETTI DAY" — MANCHESTER. CONNECTICUT

By MICKEY VECCHITTO

Guido Giorgetti of Manchester, Conn. was honored by the Conn. Horseshoe Pitcher's Ass'n, at Beardsley Park, Bridgeport at their annual outing with their families on September 14, 1958.

Among Giorgetti highlights of horseshoe pitching was of winning the Conn. State Championship in 1933, 1934 and 1948, winning 32 while losing only one game. Also pitching for the Manchester club in the state league in 1939 and 1948, he had a remarkable record of 105 wins and 1 loss. In the 1939 New England tournament held at Colt Park, Hartford, after failing to qualify in class A, Giorgetti won the class B title winning all his games and an even 70% ringers.

A beautiful trophy was presented to Giorgetti by Frank Wagner, president of the Conn. H. P. A. Dwight Smith of Southington was honor last year.

MESSAGE FROM THE NATIONAL SECRETARY

There has been an almost complete turnover of National officers and an unusually large turnover in State Secretaries for the coming year. That means for the most part the N.H.P.A. will be operating under new leadership for the next twelve months.

The responsibility of the general membership does not end with the installation of new or the re-election of old officers. Your cooperation, your suggestions and your active aid is needed to maintain and increase the strength of the N.H.P.A. and its vari-

ous state affiliates.

Membership and activities go hand in hand. You can't have one without the other. Increased memberships means increased activities, while more activities in the form of tournaments and league play always leads to more names on the membership roll. So get busy and help your officers in both fields.

One way to maintain and stimulate interest during the off season, would be for local clubs to show the films of the 1958 World Tournament to as many people as

possible.

1959 membership cards are now in the hands of the State Secretaries. In the past far to large a portion of the N.H.P.A's membership does not materialize until late in the season. Since membership runs from January to January this deprives those who sign up late of the full benefit of their membership. Since it has been the practice to give each member 12 issues of the News Digest regardless of when they take out membership this late signing puts a heavy burden of work on the office of Secretary-Treasurer and the Editor of the News Digest.

Lets all of us obtain our 1959 membership card in the next couple of months and thereby insure our getting the full benefits of our membership and at the same lighten

the work of our officers and News Digest editor.

In Memoriam

Lou Siebenaler

Sept. 9, 1958

... "I am the resurrection and the life, he that believeth in me, though he were dead, yet shall be live, and whosoever liveth and believeth in me shall never die." ...

Horseshoe pitchers and friends are deeply saddened by the death of Lou Siebenaler of Kimball, Nebraska. This is indeed a great blow to the horseshoe sport, as Lou had worked very diligently the past few years at Murray, Utah, trying to get a fine sequence of the tournaments and conventions so that others might be able to see it on film. It was while he was in the process of putting together the film of this year's 1958 tournament that he was stricken with a heart attack and passed away shortly afterward.

Lou was also doing a wonderful job of promotion in his own state of Nebraska. He was truly one of the "greats" from Nebraska in the horseshoe game. He travelled quite a bit, and had made a trip to Europe. At the 1958 National he showed some movies that he had taken during his trip to Alaska. He will be greatly missed and it will be hard to replace him.

The officers and members of the National Horseshoe Pitchers' Association and The Horseshoe Pitchers' News Digest staff, extends to the bereaved family, its sincere and heartfelt sympathy.

Once again Allen's topped the World's tournament individual ringer average for 1958. An increasing number of contestants used it there and in other contests. More and more records and tourney titles are being dominated by Allens. There's a reason . . .

ELMER BELLER, FORMER NHPA SECRETARY RECEIVES "ARCH STOKES MEMORIAL AWARD"

One of the outstanding features of the 1958 World's Tournament held at Murray, Utah, this past summer, was the presentation of the "Arch Stokes Memorial Award."

The presentation was made by Mrs. Mary Stokes, widow of the late Arch Stokes, past president of the National Horseshoe Pitchers' Association. She was introduced by her son-

in-law Mr. Arvin Cook and his wife, Maurine, daughter of Mrs. Stokes.

Recipient of the award, by popular vote, was Mr. Elmer O. Beller, the retiring N.H.P.A. secretary. A more deserving person can not be found, who has spent many years working in behalf of the horseshoe pitching sport. He is one that gets the job done without any fanfare, working quietly behind the scenes. He seen that all the things that make the World's tournament run smoothly were in order before tournament time. His job entailed many endless hours correlating all the details that are involved in the National secretaryship. Along with that were many hours listing names for the "News Digest" and many more things too numerous to mention here.

Besides his adeptness at secretarial work, Elmer, as he is affectionately known, is quite adept at pitching shoes, competing regularly in the various tournaments conducted in and around Southern California. He is seen each year competing in the "60 years or

over" class conducted annually by the Southern California Association.

The officers and members of the National Horseshoe Pitchers' Association are proud

to have men of Elmer Beller's caliber within its membership.

Were we able to gaze upon the face of him, in whose memory the award was given, as he looks down from his celestial home, we would surely see a wonderful smile of satisfaction.

JIM OHLER SUCCESSFULLY DEFENDS HIS PENN STATE TITLE

By ALEX ZEBRUN

Even though strong winds prevented high pitching averages, James Ohler of Scottdale, Penna. won the Penna. State Horseshoe Pitching title for the third consecutive year at the Rainbow Garden Courts at Mt. Pleasant, Penn. on Labor Day, September 1, 1958.

A total of 36 pitchers tried to qualify for the 17 berths of the 18 man round robin championship round. The increase in the number of qualifyers shows the rapid growth of the Penna. State Tournament in the last 4 years when only 12 to 16 pitchers tried to

Ohler had a 16-1 record during the 3 day tournament. His only loss came at the hands of Carl Williams of Washington, Penna. who won by a score of 51-34 and eventually took second place in the tournament. In this game, Williams pitched 72% and Ohler pitched 68% in a game which went to a total of 100 shoes.

The meet was played under the most favorable conditions which accounted for some very good ringer percentages. Frank Brumek of New York City, swept through Class B without losing a game to win that division. Tom O'Gara did the directing throughout the meet. At the conclusion of the tournament, players, members and friends, adjourned to the club rooms for a very enjoyable social session.

MULBERRY RINGER ARTIST, VICTOR IN INDIANA STATE

By BOB PENCE

Ed Sharp is the 1958 Indiana State Champion. After being runner up seven times the lanky ringer artist from Mulberry in Clinton County finally reached the pinnacle . . . Wayne Nelson of Eaton, four times a State Champ in the past took second place in a Wayne Nelson of Eaton, four times a state Champ in the past took second place in a great comeback that forced the tournament into a playoff. Nelson broke his ankle three years ago and has been out of competition since that time . . . Curt Day of Frankfort, the defending Champion, finished third, but had the satisfaction of throwing the highest ringer percentage and also the greatest number of shoes in the tourney . . . Graydon McFatridge of Rushville, another ex-State Champ, was fourth . . . Bill Neilson of McFatridge of Rushville, another ex-State Champ, was fourth . . . Bill Neilson of Dugger, still another former Champion, finished fifth and took giant killing honors by defeating all three of the top ranking players. Neilson also tossed the highest single game, 83.8% . . . Sharp lost to Nelson in the opening round and then turned the tables on him in the playoff when he tossed 34 ringers in his first 36 pitches to take a lead that held up . . . George Johnson, Jr., of Indianapolis won Class B, sweeping 11 consecutive games with a ringer average of 70.5% . . . Lowell Edmondson of Danville, after winning Class C, filled in for a withdrawn player in Class B and almost won that one, finishing second . . Earl Van Natter of Kokomo won Class D . . . Dale Solsbery of Sharpsville took Class E honors . . . Bob Behr of Frankfort won a playoff from George Popejoy of Burrows for the title in Class E . . . George Sales, the big newcomer from Newcastle defeated Harold Bellman in a playoff for Class F . . . George Hinshaw of Modoc captured the Class H Trophy . . . Rodney Hatton of Indianapolis and Gilbert Lee of Marion are Co-Champions of the Consolation Division which was played in two sections to accomodate the large field of players. Hatton won at Indianapolis and Lee defeated the remainder of the field at Frankfort.

The courts at the State Fair Grounds were far from satisfactory for a tournament

of the caliber of the Indiana State Championship.

They were installed at too late a date to have the finishing touches that were necessary put on them. It affected the caliber of play adversely to a great degree. To make matters worse the six classes that played on Sunday were handicapped by high winds.

Large crowds witnessed all the games, especially on Labor Day when the Class A boys were on the courts. Had bleachers accomodations been available the size of the crowd would have been astonishing. As it was only a limited number could get close enough to see the action and many others went away disappointed.

The State Fair Board has indicated that they will have the courts in tip top shape

next year and will start renovating them in plenty of time. Bleacher accommodations will also be added.

The fact that the tourney was so well received by the general public impressed the Fair Board, and the fact that so large a number of fans saw high caliber horseshoe competition for the first time should be a big boost to the game.

A field of 124 players qualified for places in the ten championship classes, a new record for the tournament. In addition the Junior Tourney at Lafayette attracted 11 boys and the Old Timers at Crawfordsville 8 players, making a grand total of 143 entries.

The Association had a total of 174 National members for the year and 100 Associate

State members, for a grand total of 274 members.

THE INDIANA STATE TEAM LEAGUE championship was won by CONNERS-VILLE when the Fayette County team defeated CLINTON COUNTY 28 to 21 in the playoff at Muncie on Sept. 7.

Members of the CONNERSVILLE team managed by Marvin Chrisman were Jim Kemple, Dave Craven, Harold and Graydon McFatridge, Ray and Dick Pitcher, D. O. Trent, Clinton Amyx, Sylvester Reed, John Parker, Bob May, and Ray Brockley.

Both CONNERSVILLE and CLINTON County were undefeated during league play. Kokomo, Noblesville, Frankfort and Lafayette were close behind with only one loss each. BOB PENCE of Gary, who has been the Secretary of the Indiana Association for the past few years, has been elected Secretary-Treasurer of the NATIONAL ASSOCIA-

TION, which maks it necessary for the State Association to elect a new Secretary. The State Association owes a big vote of thanks to Earle Wilmore and Mrs. John Shuck for the fine job they have done during the past few years at all tourneys in taking care of the charts, statistics and records duties.

As we go to press, word has come in that Walter "Bud" Horner of Farmersburg, Indiana, winner of the Florida State tournament last winter, suffered a heart attack. No

further reports of his condition are available at this time.

ANNUAL MEETING AND ELECTION OF OFFICERS WILL BE HELD AT FRANKFORT'S INDOOR COURTS, SUNDAY, NOVEMBER 16, 2:00 PM. At twelve o'clock films of the 1958 and 1957 WORLD TOURNAMENT will be shown. They will also be shown after the business meeting.

THIS IS AN IMPORTANT MEETING. Besides election of officers plans will be made for next season. BE SURE TO ATTEND. The World Tournament films alone will make the trip to Frankfort worthwhile. A FINANCIAL REPORT FOR THE

YEAR WILL ALSO BE SUBMITTED.

CONNERSVILLE WINS INDIANA STATE TEAM LEAGUE TITLE

By BOB PENCE

Connersville defeated Clinton County 28 to 21 at Heekin Park, Muncie on Sept. 24 in the playoff for the championship of the Indiana State Team League sponsored by the Indiana Division of the N. H. P. A. Fourteen teams from all over the Hoosier state took part in the season long schedule. A team consisted of seven players and alternates and substitutes.

Marvin Chrisman managed the winners, each of whom received individual trophies. Others on the team were Graydon and Harold McFatridge, Dick and Ray Pitcher, Jim Kemple, Dave Craven, Bob May, Clint Amyx, John Parker, D. O. Trent, Sylvester Reed

and Ray Brockley.

Clinton County's Association deserves great credit for dividing its large membership into two teams and thereby passing up an almost certain championship. The runner up team consisted of players from rural Clinton County while the city boys represented Frankfort and tied for third place with Lafayette, Noblesville and Kokomo.

BERMAN AND McCRINK, NEW JERSEY DOUBLES CHAMPION

By LEE DAVIS

The struggle for the State Horseshoe Doubles Championship on September 13th wound up in a tie between last years champions Dr. Sol Berman of Elizabeth, N. J. and Joe McCrink of West Orange, N. J. and this years singles champion Doug Fogal of Ramsey, N. J. and his partner Lee Davis of Ridgefield, N. J.

The following week, under arc lights and ideal conditions, in Weasel Brook Park, Clifton, N. J., the former champions proved to be too much for their opponents and downed them 50-43 and 50-39. In both games Fogal and Davis made good come backs after being way down, but the champs always had enough to stave off the drive. The team of Kolb-and French defeated Takash and Courtock in a play-off for third and fourth position in the top flight. In the "B" section, Hoodiman and Pietranski took the honors followed by Fournier and Zangl in second spot, while Titus and Puglise landed in third blace.

"TOP THIS ONE"

By ERNIE DANIELSON, Middletown, Iowa

In a tournament held in Macomb, Illinois on Armistice Day back in 1923, I was playing a fellow by the name of Stonehivly in the last game of the tournament that would decide the championship. The score was 48 to 47 in my favor. I had the first pitch and threw a ringer and a close shoe, my opponent tossed his first shoe which was also close to the stake. His second pitch hit the bull's eye for a ringer, however, the stake being very loose fell back causing his shoe to be about one half inch short of a ringer. Walking down from the opposite peg my opponent saw what had happened so he took hold of the loose peg and moved it so that his shoe would measure as a ringer. We immediately disagreed and called in one of the officials who ruled it as no ringer thereby giving me the championship. At that time had we had a regulation court, that is, stationary stakes, the above incident would never have happened. In that meet the pegs were just driven into the ground. Many improvements have taken place in the horseshoe pitching sport since 1923, thanks to the official rules of the National Horseshoe Pitchers' Association.

By Guy Goddard, Oklahoma City

A couple of pitchers in our town have built a streamlined court which they claim has improved their ringer percentages. Their stakes are thirty feet apart. Directly back of each stake is a pitcher's platform providing the regulation distance of forty feet. They claim two advantages: 1st. The old crossfire bugaboo is eliminated. 2nd. The pitcher has two stakes to sight on assuring better alignment. The overall width and length of the court, three feet by fifty four feet. Back boards are used and do not seem to bother the pitchers.

MODERN, STREAMLINED COURTS AWAIT VISITORS TO BRADENTON, FLORIDA, TRAILER PARK

The Bradenton Trailer Park Horseshoe Club would like to bring to all pitchers' attention, the fact that there has come into being within the last three years a horseshoe pitching emporium that is attracting to its very beautiful setting, some of the better horseshoe pitchers of the country.

In the first place these courts are located in the world's largest trailer park, namely the Bradenton Trailer Park. The management of this court has seen to it that their court has become the most convenient, the most efficient, the most sanitary, the most ably managed and one of the most popular spots along the west coast of Florida.

By convenience, we mean it is located right on Highway 41 in full view of

all those travelling the Samiami Trail.

By efficient, we mean that the court manager is a paid attendant and is responsible in seeing that it is kept in first class condition. That the eight courts are mixed daily with blue clay brought directly from Michigan and that all bang boards are kept freshly painted and the entire court swept daily.

The court is paved in its entirety so that there is no dust or mud to contend with. There are also two sand courts for those who prefer that type.

Back of each court is a billard count type of score recorder and also blackboards to be used at tournaments so that all spectators may readily see the score of their favorites as they progress.

The man who manages this court should have a word of recognition for it has been through his efforts that this court has attained the popularity it so richly deserves. His name is Ray Middleton and he is probably the only salaried horseshoe court manager in the country. He is a retired employe of the Purchasing Dept. of Flint, Michigan where he worked for 30 years.

One more nice thing about the use of this "horseshoe pitchers' haven" is that it costs you nothing. Also those of Bradenton Trailer Park Horseshoe Club extend a most cordial invitation to each and every horseshoe pitcher in the U.S.A. to come stop in and enjoy their facilities any time they are down

on the Samiami Trail.
