COVER PICTURE From Westfield, Massachusetts, came Bill Babinski to win the Massachusetts Open tournament. From left to right: Bill Babinski, 1960 champion; John Renfro, co-director; Ralph Forrstrom, co-director; and Joe Zichella of New York, runner-up.

ILLINOIS STATE ASSOCIATION CROWNS NEW CHAMPION

After surviving the first day's preliminaries with a 4 and 3 record, Frank Polka, a Chicago greenhouse worker, came back strong on the second day with 10 wins and only one loss to win the 1960 Illinois state title. All those who have seen the new champ in various meets throughout the midwest know that he is "tireless." It can be said that there was never a more thrilled and happy man than Frank when he finished his last game and was declared champion. Ellis Griggs of Plainville finished in the runner-up spot. David Hamilton of Potomac registered 6 wins and 1 loss to take home his first state championship in the Boys' State Tournament held during the second day of the men's division.

HORSESHOE PUBLICITY

Horseshoe has received some very good publicity from different sources during the past few months.

Following the World Tournament at Muncie the magazine section of the Indianapolis Star ran a special feature of two full pages including a great number of pictures on the World Tournament.

The Gear-O-Gram, employee magazine of the Warner Gear Corp., also ran a fine three-page article complete with many fine pictures on the tournament. Warner Gear is the biggest industrial plant in Muncie.

The September issue of the American Recreation Journal ran a one-page summary of the N.H.P.A.'s program and activities in an especially fine article outlining the association's aims and purpose.

MONASMITH TOP DIVISION WINNER IN WASHINGTON STATE

John Monasmith of Yakima, Washington, topped all divisions of the annual Washington state tournament held at Woodlawn park in Seattle. Taking home the blue ribbon in the Junior division was Earl Kettleson of Spokane. Other class winners are as follows: Al Miller of Yakima, winner of Class B; Ralph Taylor of Seattle, Class C; Howard Shatto of Malaga, Class D; Chuck Damm of Spokane and Washington state secretary, Class E.

SIDELIGHTS ON THE 1960 BOYS' NATIONAL TOURNAMENT

Hal Brown is the 12-year-old son of Nelson Brown, one of the top pitchers in the Hoosier state association. Gary Roberts celebrated his 13th birthday during the tournament and is the brother of Donnie Roberts who was the 1959 winner. Bob Brumfield's dad finished in fifth place in the Men's division. There were 24 entries in the Boys' tournament. Wayne Casteen of Orange, Massachusetts, was just shy of being among the eight high qualifiers.

Left to right: Gary Roberts, Ohio, second; Bob Brumfield, Indiana, sixth; Hal Brown, Indiana, 1960 champion; Jim Ostrander, Michigan, seventh; Clarence Giles, president of Utah state association and Boys' tournament manager; Richard Backer, Utah, third; Billy Campbell, Ohio, fifth; Eddie Hinshaw, Indiana, eighth; and Jim Atwell, Indiana, fourth.

W. J. LILLY PITCHES 85.4 IN PLAY-OFF TO WIN NEOSHO OPEN

With daylight fading "fast away" the final two games in the Neosho Open meet held at Neosho, Missouri, were played in semi-darkness. Under such conditions the playoff games were extremely difficult. The 85.4 game thrown by W. J. Lilly was instrumental in his winning the playoff games between Lilly, Long, Winston and Reheis.

JOHN FULTON NEW PENNSYLVANIA STATE RINGER KING

Pennsylvania crowned a new State Champion this year when John Fulton, well-known Carlisle player, came through almost unscathed, with Al Zadroga, Elizabeth, Pa., lefty, being the only man to leave his mark on the Champion. Not, however, until the last pitch was the trophy clinched, as Jim Ohler, defending champion, had fallen only to Herb Pinch, Sharon newcomer, and smooth-pitching Bill Porter. Thus, a win for Ohler would have meant the third pitch-off for the championship in the last four years. Fulton, however, was not to be denied the crown he had dropped four years previously, as he turned back Ohler 50-46 in a see-saw battle.

Frank Bohun, Erie, former outstanding semi-pro basketball and baseball player who took up horseshoes only last year, won the Class B Championship with a creditable 64.5 average. Milt Richael went unbeaten for 11 games to take the Class C crown to West Mayfield.

Achievement plaque was voted to Herb Pinch for his fine 4th place finish in his first Penn. Tournament. Sportsmanship trophy was awarded to Joe Peters, Northwest Invitational Champion, for his "philosophic" acceptance of 13th place. (Next year, Joe, work less and pitch more.) "Best Horseshoe Widow in Pennsylvania" plaque went to Mrs. Jack Potter because "There are a lot of worse places he could be living than at the courts."

The Horseshoe Widows Club of Erie put on a wonderful turkey dinner at the courts for the players and their families. Erie will again host the State meet in 1961. Several new courts will be added and the lighting system improved. Officers elected for the coming year were: Frank Bienaisz, President; Ralph Cougenour, Vice-President; and Glen Sebring, Sec'y-Treasurer.

ALLEN TO CONTINUE SHOE MANUFACTURE

There have been a few reports that I was quitting the making of horseshoes. On the contrary, not if I can help it. In spite of the excess work attached, it has been a great hobby with me. There are too many players, now, who have become down right fond of the shoe, including me, to give it up. When difficulties are straightened out with the forge, or arrangements made with another one, I will continue.

FLORIDA SUNCOAST OPEN TOURNAMENT

Plans are being made for the third annual Florida Suncoast Open Tournament on February 16-17-18 at Bradenton, Florida. This meet opens the Florida winter tournament season. Each year this event attracts more and more top pitchers from the midwest and eastern states. Inquiries from Tennessee and North Carolina indicate a number of fine pitchers from that area are planning to attend this NHPA sanctioned meet. Following closely will be the annual Florida Open on February 22-23-24

Following closely will be the annual Florida Open on February 22-23-24 at St. Petersburg, Florida. This arrangement of dates will allow visiting pitchers to finish both tournaments and reach home for the beginning of their work week on Monday.

Remember the date, February 16-17-18 at Bradenton, Florida. A postcard to Charles A. Stephens, Florida state secretary, 118 - 52nd Drive West, Bradenton, Florida, indicating your intention of attendance, will greatly help to plan a better tournament.

DARKE COUNTY (OHIO) CLUB HOLDS MEET FOR MEMBERS

The Darke County club of Greenville, Ohio, concluded its season with a tournament for its own members. This has been the custom for the past several years, and was held on Saturday, October 2. Thirty members took part, being divided into five classes. Cash prizes were given to each player with trophies going to the winners of each class. The service award trophy was presented to Mr. E. J. Coppock. Charles Coppess, the Drake county champion, also received a trophy.

INDIANA-OHIO OPEN

Curt Day dropped his first game to Bill Neilson and came back to sweep the remainder and take the title from a field of 84 entrants in the Indiana-Ohio Open at Heekin Park in Muncie. Neilson had the high ringer percentage for the day but dropped two games to finish second. 80-year-old Maxwell's 68.6% ringers was low in the ten man Class "A" field.

Charlie Cummings averaged 67.9 to win Class "B". Other class winners were as follows:

In Memoriam

"They sleep as gently as they lived; and high Among the trees, and underneath where blow The swelling buds, the green earth seems to know And grieve - and hush - and softly say 'goodbye' And all who loved them, when the blossoms bend. Lean low to hear all nature whisper 'friend.'"

Again the horseshoe pitching world has been darkened by the passing of Edward Patnie on November 5, 1960 at Newark, Ohio. He was vice-president of the Ohio Buckeye State Association. For many years Ed had been a zealous supporter of organized horseshoe pitching in his home area and an ardent advocate of the Ohio State Association and the NHPA. He was a fine gentleman and a true sportsman. Our sincere sympathy is extended to his loved ones.

We also learn of the passing of Burleigh Warner, a former member of the Bradenton, Florida club who passed away recently. He had been in ill health for over a year, and had not been active during that time. Our sympathy is extended to his bereaved family.

We extend our sympathy to Fred Hart, an NHPA member in Jackson-ville, Illinois, whose mother passed away on November 27th.

CALIFORNIA INTERSECTIONAL MATCH WON BY SOUTHERN ASSOCIATION

The Roeding Park courts at Fresno, California was the scene of the Third Annual Intersectional match between the Northern and Southern associations of the NHPA. By virtue of winning 35 to 29 in close games, the Southern association gained the privilege of taking home the Roeding Park perpetual trophy for the next year. This being Fresno City's diamond jubilee celebration many visitors were in town and the tournament had a very large gallery throughout the match. A banquet and party was in the evening following the tournament, thus bringing the season in Fresno to a very successful conclusion.

KAMMAN & LEAVER ARIZONA STATE CHAMPS

Art Kamman of Mesa won the 1960 Class "A" Championship Horseshoe title, November 6, at Daley Park in Tempe, Arizona. Kamman breezed through all opposition and finished the Round Robin without a loss. Russ Shaffer, the left-handed ringer artist from Scottsdale, won the runnerup trophy. This is Kamman's second time to hold the championship, having won it in 1957.

is Kamman's second time to hold the championship, having won it in 1957. The Class "B" pitchers found that they had to "Leave It to Leaver", as the nearly-70-year-young Mr. Leaver, pitching smoothly and consistently, annexed the title without a loss. Bill Hunt, from Tolleson, gave a good account of himself and was the runnerup, edging out Vanzanten in their play-off in the Class "B" division.

CARL STEINFELDT REGAINS NEW YORK STATE RINGER CROWN

Carl Steinfeldt of Rochester, New York, regained the New York state pitching crown, thereby making him champion of that state for the eighth time in his career. Following in second position was Tony Natale, also of Rochester, who was the defending champion. Leif Erickson of Corning, New York, won Class C, which was probably as one could wish for because the tournament committee only a few hours before had voted to hold the 1961 meet in that city. Wilbert Hyland was elected president, succeeding Larry Proudman of Levant, New York. Leif Erickson was elected to the secretarytreasurer position. Merle Alexander of Falconer, New York, had a 12 and 3 record to cop high honors for Class B.

BOB WEST IN FOURTH CONSECUTIVE WIN OF OREGON STATE

Bob West of Salem, Oregon, was forced to win the Oregon state ringer crown by doing it the hard way. At the end of regular round robin play he was tied with Eldon Harvey of Canby, Oregon, each having 7 wins and 1 loss. In the playoff for the crown, West came out on top 52-47. This made four straight years that he was able to capture the coveted trophy.

THE 1961 WORLD TOURNAMENT

The N.H.P.A. has received many inquiries concerning plans for the 1961 World tournament.

A definite site has not yet been selected but the tournament will again be held at Heekin Park in Muncie, Ind. the last weekend in July unlss some other suitable location is found within the next 60 days.

In event another location is found the dates will be the same, so N.H.P.A. members who must make their vacation plans in advance can count on the above mentioned week. This is one week earlier than last year's affair in order to avoid conflict with the annual Delaware County Fair in Muncie.

The drawback to a definite announcement at this time is, as is usually the case, financing, but your N.H.P.A. officials are at work on the problem and expect to have definite plans announced in the January issue. Meanwhile, plan on the last week in July at either Muncie or some other midwestern location.

ARIZONA VALLEY OF THE SUN OPEN

Mesa will again be host to the Valley of the Sun open horseshoe tournament. It will be held at Rendezvous Park in February.

The Class "B" 16-man round robin, for pitchers with averages under 50%, will be held on Feb. 18 & 19. The tournament will be sanctioned and 1961 NHPA cards will be required. The entry fee will be \$3. The prizes will be for first place, \$15.00; 2nd, \$10.00; 3rd, \$5.00; plus trophies for winner and runnerup.

Class "A" will be played on Feb. 25 & 26, and will include those with averages over 50%. The entry fee will be \$5.00. The winner will receive \$50.00; 2nd, \$25.00; 3rd, \$15.00; 4th, \$10.00. The winner and runnerup will also receive trophies.

Anyone wishing to participate in either class should send his average to the Arizona State Secretary by January 20, 1961. Send no money at this time. The secretary will then notify you of your qualifying position by Feb. 1; then send your entry fee to secure your entry to reach the secretary by Feb. 10. This will let each one know where he stands and no one will be disappointed.

We had entries from Kansas, Iowa, Montana, Wyoming and California last year. Why don't you plan your vacation for February and come along and represent your state? Why not send a card to Walter Stearns, 332 West 9th Street, Mesa, Arizona, indicating your intention?

MEMBERS EXPRESS OPINIONS

During the past year a huge number of suggestions, plans and ideas contributed by individual members have been received by N.H.P.A. officials. Without exception these suggestions are designed for the betterment of the game and the N.H.P.A. and contain many valuable and worthwhile ideas. This is a healthy and welcome sign of interest and vigor in the game and the organization.

None of these ideas are cast into the wastepaper basket or ignored. Your officials living in widely scattered locations in the U. S. and having only a limited amount of time at their disposal are seriously handicapped in their ability to consider, approve and put into action many of these plans.

Other very worthwhile plans and ideas have been expressed which take more administrative manpower than the N.H.P.A. now possesses. Every plan that is worthwhile needs some person or persons to put it into operation and make it work. So very much could be accomplished if the N.H.P.A. had a full time person or staff to handle administrative and promotional work.

The idea of a graduated system of membership dues has been suggested in various forms by Bob Pence (Ind.), Claude Benedict (O.), Czar Marcevich (Calif.), Ralph Forsstrom (Mass.), and others during the past year. This definitely needs consideration.

Regional setup plans have been discussed by Al Hudson (R. I.), Claude Benedict (O.), Amos Whitaker (Mass.), among others.

Others who have contributed various ideas and suggestions include Harold Blackman (Can.), Al Smith (Mo.), Elwin Smith (N. Y.), Lee Davis (N. J.), Carl Steinfeldt (N. Y.), Mrs. Hopkins (Ia.), and many others. Still other plans that have been suggested need the official approval of

Still other plans that have been suggested need the official approval of the annual Convention to make them meet with the requirements of our constitution and by-laws. Your officials do not have unlimited power.

Some ideas have been put into operation. The registration of horseshoe courts for a comprehensive directory of courts is one example. Other ideas are in the process of being worked out. Sol Berman's (N. J.) idea for a concession booth at the World Tournament and Joe Anzaldi's (Minn.) idea for an official N.H.P.A. shirt insignia for example.

The real groundwork of promoting the game must be done locally however. The N.H.P.A. can not do this job for the local groups. All it can do is assist. In this line the work of the Falconer, N. Y. Rod and Gun Club. the Keene (N. H.) club, the big Junior tourney in New Jersey, the publicity efforts by Glen Sebring in Erie (Pa.), the beginners tournament by Stan Manker in Ohio, Herman Boyer's work in the Beaver Valley (Pa.) league, Randall Jones' plans for a Southeastern Open in North Carolina, Ed Edwards' work in forming a Florida East Coast team league, and Harold Falor's industrial horseshoe tournaments in Akron, O., have all been outstanding in the past year.

Ed Edwards of Ft. Lauderdale, Fla., has designed an electric scoreboard and constructed a working model which has been used by the club at Holiday Park in Ft. Lauderdale. He has also written what he hopes will become the official song of the N.H.P.A. which goes to the tune of "Peg of My Heart."

THE CHALLENGE AHEAD

By CLAUDE BENEDICT

Our Job — Any Job — is different today . . . far More Demanding . . . more Outreaching . . . and it calls for a broader perspective than ever before . . . our horseshoe Game is no exception. These facts must be recognized now—by everyone if we wish the game to advance as we want it, as it should —and could—and will—once the pattern is set—which must be started now in order to accomplish our goal. Yes — we have a building and a rebuilding job to do as each of us face our share of the challenge of the sixties.

During the next ten years — our ten-point ten-year plan of action will see our membership grow to heights unknown and to the extent we make it grow with proper plans properly executed and all will be an automatic natural growth by the proper incentive program of interest to all would-be horseshoe pitchers — the results of which will be almost unlimited when we realize the potential among the youth alone today who will be the men of tomorrow or ten years from now to take their place among any and all sports of their choosing. It is up to us to help them choose our horseshoe game as their sport — which they can use for health and pleasure as long as they live whether TEN Years or 90 years of age. Our graduated scale of dues will be a great aid toward this development. Let's give the boys a chance to participate and then graduate on up through the different levels as their proficiency dictates for we all know what happens once the bug bites and keeps biting. The rest will be up to all of us in our respective locality to keep up the momentum as it should be — for it will be then, and only then, that each and every one will fully realize the full possibilities from a well correlated program from the low levels to the high. From such there is every reason to believe that the game can and will be made into a selfsupporting proposition whereby each phase could and would look after its own finances from their own field of operations — on a certain under-writing plan favorable to all, and by all, once they know the fundamentals of the operational plan, whereby a set program of operation is set up for all levels on a 5-man team basis to be operated on similar plan of bowling leagues where certain receipts and expenses are derived from properly con-stituted leagues and all other activities which would eventually lead to properly organized and operated world and other tournaments the like of which has never been approached in the history of the horseshoe game.

Yes - generally speaking — Horseshoe pitchers are real sports, unequalled perhaps in many ways in any other sport. We can make them even better sports by the adoption of certain operational plans beneficial to all and especially the average, and below, pitcher for his or their participation, on a National scale, along with all others. It is the feeling of this writer, and many others, that pitchers will gladly stand their share of the financial load — once given a reasonable chance at the stakes, financial or otherwise, along the way, which means from the lower level to the highest.

Let's make our program one of collectivism and by so doing we will make for a better program of individualism — for out of it all will come, under proper guidance, what we all want — the UTOPIA in our favorite sport, THE HORSESHOE GAME, with hundreds and more potential world champions contending for the title the country over — at least, this is the logical viewpoint of the writer and of many in other states who feel it the only logical way for sustained success in this or any other endeavor. Much more could be said to substantiate all the above — but we feel actual operation, experience and results in the field will prove these statements, which never will be evident until given the proper test of plans to make it so.

So all of the above, and more too, constitute the great challenge to all of us for now and the SIXTIES, what we do about it will depend on our immediate course of action. All that is asked is that each of you share your part in this great challenge and then eventually see for yourself — the results of a unified, universal program — then we will have the answer to the challenge. All for one — one for all —
