## DIXON PORTABLE HORSESHOE COURTS

2616 49th Street  
Des Moines, Iowa

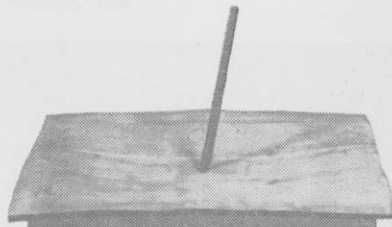

Dixon Portable Horseshoe Courts (Patent Pending) are now available. I have received many inquiries on these courts, but have not been able to present them at a price I felt would be attractive. I have been able to purchase the rubber pads in large quantities and can pass the savings on to you. The new nylon suspension system has eliminated some cost and improves the efficiency of the rubber pad greatly. The life of these pads should be at least ten years and are guaranteed for two years.

I have eliminated painting to keep the price down, so you will have to paint them to suit your own taste.

Each end of the court is boxed separately and weighs approximately 38 pounds - 76 pounds for the complete court. They are available in 2" and 4" heights, and a conversion that can be used to set over your present clay court. The same pad is used on all styles and is interchangeable, which means that it can be used on clay and boxed in the portable for mobility.

Court Without Rubber Pad

Complete Court Ready For Use

The 4" portable will give you maximum performance and can be converted to any desired height by ripping off the top side.

The 2" is not as effective in holding close shoes, but will hold the ringers about the same.

The convertible will be as effective as the 2" portable, but the rigid stake will not hold the ringers nearly as well.

Either of the portables are easily stored in the trunk of your car, and can be set up ready to go in 5 minutes in your yard, on your drive, at the park, on the beach, at the lake while you are waiting for the fish to bite, in your basement (if you have enough room), in the barn (if you are on the farm), in gymnasiums at school, or anyplace where there is enough room.

I qualified on these courts at the state tournament at the Iowa State Fair and threw 84 ringers in 100 shoes and never lost a ringer. Practically every pitcher in the tournament tried them and admitted they were better than clay courts.

I hope these courts will make you a better horseshoe pitcher and I will guarantee the ringers you throw will stay there. Every shoe will feel the same every time you pitch it. No mud - no dirt - no maintenance - no more, "barnyard golf."

*Dale E. Dixon*

## Henton Still Reigns As Monarch Of Iowa State Ringermen

Glen "Red" Henton, still reigns as monarch of the state of Iowa horseshoe pitchers. He suffered one loss as he moved in on the Iowa title. In the opening ceremonies, Rev. David Shaeffer of Lenox, Iowa, presiding as master of ceremonies, introduced Mr. Fulk, secretary of the Iowa state fair board, who responded with a few short remarks of welcome to the many pitchers and other fair visitors. He then placed the sparkling crown on the head of Monica Jeter as "Queen" of the Iowa state tournament. Other horseshoe personalities were also introduced. Ronnie Burgess of Marshalltown, Iowa and the 1964 World's Class "B" Junior champion, won the Junior title with 5 straight wins. Tournament was played at the Iowa state fairgrounds at Des Moines during the 1964 Iowa state fair.

## Hill Defeats Harvey in Oregon State Title Play-off

In a playoff game in the Oregon state championship meet held at Avery Park, Corvallis, Oregon, Lauren Hill of Portland, Oregon threw 82.4% ringers to defeat Eldon Harvey of Canby, Oregon, 1963 champ. 51 to 40. The game went to 108 shoes and at 100 shoes Hill had thrown 82 ringers to Harvey's 80.

This tournament also was the first time that we were able to field 6 players in the Junior Class and though percentages were low in this class 4 of the boys had never competed in a tourney. We look forward to a continuation of this class and to a much higher ringer percentage.

The carrying case advertised in previous issues will be forthcoming in the future. At the present it has reached an unfortunate snag. This ad may be discontinued for the time being until a large supply of cases are made.

The shop which is to make them, became involved in a good money making project of a business machine. It was to make the cases in spare time, but is too busy at the present. All we can do is wait.

## Mass. State Championship Captured By E. Landry

Edgar Landry of Fall River won the Mass. State championship at Moxie's Grove.

Outside of Landry's game with Kaddy of Fitchburg, there wasn't much doubt as to who was going to win. Edgar is back in the form he showed five years ago, when he won every meet he played in without losing any games. For the first time in the history of the Mass. State association, a women's and a boy's division were included in the state championship.

Pamela Stowell of New Bedford won the women's championship and Bob Gore of Orange won the senior boys and Edward Barrett of Springfield took the junior boy's title. Rain stopped the tournament late in the day, with three classes still unfinished. Class A was finished two weeks later, during the New England meet, but Class C and D had to be limited to five games and the trophy winners decided on that basis.

## Saeger 1964 Top Ringerman In Wisconsin State Meet

Wally Saeger of Ixonia, Wisconsin proved himself to be the top "ringerman" for 1964 when he put 10 wins together to win the Wisconsin state title. He suffered 1 loss on his way to the title. There were 75 entries in this year's meet held at the Wisconsin state fair. There were many new pitchers indicating that horseshoe pitching is getting more popular each year. Plans are in the making to try and send 1 or 2 top pitchers to the National tournament next year. Ed Schimek, 1963 champion appeared on TV as did Bob Klement, the Badger state president. There was also very good radio and TV coverage as well as newspaper publicity.

## Missouri State Tournament

The best state horseshoe tournament played since 1940 was just completed with record entries and a new record in ringer percentage was set by Paul Lattray of Webster Groves hitting 78.9% to break Bob Bales record of 76.6% set in 1940.

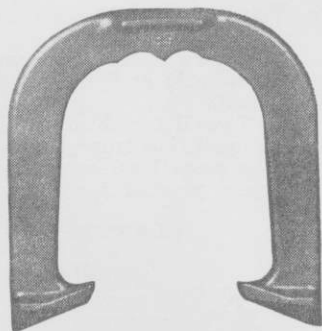

In Class A we established a new record for ringer percentage. Paul Lattray went undefeated for the 11 games. This is the first time this has happened since Bill Kempfe of Alma did it in 1959. Lattray also broke a percentage record that has stood since 1940 and held by Bob Bales of Kansas City. Lattray's new record for 11 games was 78.9% against the old record of Bales 76.6% for 15 games.

In the play-off for 2nd place. Cavin defeated E. Winston by 52-29. Vicki Winston is the 1st lady horseshoe pitcher to ever compete in the state championship Class A finals. She is a five times world's women's champion. Other place ties were settled by total points on the losing games.

## Ochsner, 3-Time Winner of Colorado State Title

Harvey Ochsner successfully defended his state title for the third time and came within one shoe of equalling a world record in his state title defense. Tournament was held on the City park courts in Denver, Colorado. The only thing that marred Ochsner's afternoon was that his 6-year-old daughter was run over by an automobile and suffered a fractured leg.

The 50-year-old Burlington, Colo., farmer defeated Dick Wetherbee of Colorado Springs 50-37 in a playoff for the Class A division crown after the two tied for first place with 11-2 records in the round-robin competition.

Ochsner made it into the playoff by scoring a 55-0 victory over Jim Taulk of Greeley, Colo., by throwing 29 ringers out of a possible 30. His only miss came on the next to last toss and appeared to be a sure ringer until it caught the mud surrounding the post and stopped less than an inch away. His ringer percentage for the record game was a fantastic 96.7.

## Burgess Retains Title As Texas Champ

Marvin Burgess successfully defended his title in a Double Elimination event at Ballinger's city Park on Labor Day.

The real competition showed up in the B class which was won by Bob Graham of Houston, the most improved pitcher in Texas with only two years experience.

The Doubles Event was won by Burgess and Roberts and the Junior title went to D. Paske.

Many thanks must be given to one of our old timers, Mr. B. E. Sipple for keeping the tournament moving. Being unable to compete because of a bad ankle he devoted his time to records and assignments.

The 1965 Tournament site was awarded to the city of Houston and to be held at Mason Park on Labor Day week-end, 1965.

## Utah State Crowns New Champion

After years of dominating the championship in Utah, Clive Wahlin was defeated in this year's tournament by Roger Parsons. The popular and likeable former champion, who placed 17th in Class "A" at the World's Tournament in Greenville, Ohio with a ringer percentage of 76.1%, returned to lose the crown with an almost identical 75.7%. Parsons, a participant in Class "C" at Greenville with a 62.5%, was not to be denied this year and posted an 80.7% to relieve Wahlin of the championship.

It was one of the most successful tournaments ever held in Utah. Because of our limited membership, the tournament was arranged so that the top men in the lower classes would advance into the higher classes and thus insure a solid twelve-man Round Robin for the "C", "B" and "A" contests. The additional participation for those moving up was greatly enjoyed. While this method of play is not new, it is the first time we have experimented with it. As a stimulant for interest and participation, we can certainly recommend it to clubs and associations where membership is not too large.

## Kansas Has A New Champion

Merlin Potts, a young farmer from Leonardville, is the 1964 Kansas horse-shoe pitching champion by virtue of his 13 wins and 2 losses. The terrific wind that blew both days at Abilene was just suited to Merlins type of delivery; he throws a low hard shoe that never gets more than 4 feet off the ground. He started off in good style by trimming Marine Tamboer, a National finalist, 50 to 22. He won 5 straight games before losing to Dahlene 50 to 25. High percentage pitching was not to be had in such a continuous gale and the many players became very tired by the time the 15 games were over.

## Roy Smith Remains On Michigan State Throne After Successful Defense Of Ringer Title

Roy Smith of Muskegon, Michigan successfully defended his state title after a long hard struggle. At the end of the sixth round, it was still possible for a 6-way tie for first place. However, only Ken Jensen, former state champion, was able to maintain the torrid pace. Ken and Roy played off for the title. All the other classes saw new champions crowned. Tommy Smith, 1963 Junior champion did not defend his title. First place in that division went to Gary Sewell, pitching the regulation 40 feet. Bobbie Clinton won first in the 30 foot distance. Catherine Vinkle won the Ladies' crown with Ruth Hammond in second spot.

## Pickering Posts Perfect Slate To Cop New Hampshire State

Don Pickering of Swazey, New Hampshire is the newly crowned champion of New Hampshire as he posted a perfect slate and dethroned 3-time champion, George Buskey of Keene, New Hampshire. Runner-up spot went to Art Wayne of Manchester as he invaded Class A and provided the surprise of the tournament. Wayne swept through 6 games while losing only to the new champion in an extremely close match. Darrell Flagg out-pointed Al Rockwood 50-49 to win Class B play-off game for the title in that section. Mike Donovan of Manchester was the top runner in Class C, winning the title play-off game from Cy Opet also of Manchester. In Class BB, Mike Moniz, Charles Godzyk and Paul Brassard finished in that order, with trophies to fit the occasion. Ed Firman took Class CC. Class D honors went to Roland Prince, who was making his first tournament appearance. Don Lessieur went undefeated to take Class DD.

"Shorty" Cayer, New Hampshire state association president and Ed Sweeny, Park Commissioner of Nashua presented the awards. The fine competition reflected the hard work and cooperation of tournament director, Norman Durand and the Nashua park department and the local club.

The 1965 World tournament will be staged on the 24-court layout at Keene, New Hampshire. Manchester has 20 brand new courts and with the Nashua facilities, New Hampshire pitchers are enthusiastically predicting a banner year in 1965.

## Fortenberry In Second Straight Tennessee State Title March

This year we had 43 qualify for the state contest. Contestants were divided into 7 groups with 7 players in each of Groups 1 and 2, 4 players in each of Groups 3 and 4, and 7 players in each of Groups 5, 6, and 7. There were entries from 14 cities.

For the second straight year Charles Fortenberry won the State Championship and Miller Trophy but he had to win a play-off with O. D. Lebow who beat him in regular play. Roger Norwood, runner-up from last year, had the highest ringer percentage 69.4, but lost 2 games in regular play.

Charles Jarnigan was the dark horse, losing only to Fortenberry and Norwood. He received the trophy for the most improved player, increasing 19.3 percentage points over last year.

Four players in the lower groups had high ringer percentages in regular play than their ringer percent in qualification.

Appropriate trophies were given to each player in each group.

**Jimmy Solomon Captures Pennsylvania State Crown**

James Solomon of Uniontown became the Keystone State champion with a blazing 81.2% ringer average, the highest ever attained by any pitcher in the history of the Pennsylvania State Tournament. Jimmy won all of his games but was nearly upset by Albert Zadroga of Elizabeth during the closing rounds of the competition. No fewer than nine pitchers threw over the 70% ringer mark, again setting a new Pennsylvania high.

Jimmy Ohler, the 1963 State Champion, was forced to leave the contest due to back trouble. Ohler had won his first ten games and was going strong when this most unfortunate incident occurred.

Probably the most improved pitcher was young (15 years old) Danny Kuchcinski. Danny, the 1964 Erie County Champion, defeated seasoned pitchers as if he had been doing it all his young life. Danny placed fifth with a not so long-ago championship average of 72.1%.

Class B was won by another smooth young man, Matt Voithofer of Uniontown.

## New York State Tournament

A most successful tournament held at the West William Street Park courts in Corning, New York saw defending champion Steve Fenicchia of Rochester lose his title to runner-up in the World Tournament, Carl Steinfeldt, also of Rochester.

The mayor of the city of Corning, Joseph Nasser, opened the tournament by tossing the first shoes against city attorney Philip DePumpo, after first welcoming the players and their families to the City, and after the first pitch it was decided by tournament director Bill Hyland, that a great deal of practice was needed them, and so, on behalf of the Corning and Hornell Clubs, both participants were presented with the shoes they used to open the tournament.

## NEW YORK STATE — (Continued)

The addition of an official women's division also shows the increasing interest in that division, as well as a contemplated junior division to be added to the tournament when it goes to a very active horseshoe town of Lockport in 1965. The tournament being awarded Lockport at the annual convention held at the courts Sunday morning September 6th. At the 1965 meet, it was voted to have 12 men in A class which was to be divided into two groups with the top 3 players of each group competing for the championship in a 6 man round-robin. It was also voted to expend all prize monies in this finalist group with trophies in all of the remaining groups which will be 8 men. The Miller High Life trophy plus others in each class were awarded.

## Florida State Title Retained By Rademacher

Sunshine Park, Orlando, Florida, was the scene of the fifth annual Florida State Horseshoe Pitching tournament on Fri. and Sat. Oct. 30 and 31st, 1964. John Rademacher of Plant City successfully defended the championship, this being the first time in the history of the meet that a player has won the title twice. Play in the Class A division wound up in story book fashion. Going into the final round of regular play the champion had one loss and was matched with the high qualifier, John Clingan of Apopka. Rademacher emerged the victor in a windy 86 shoe match 50 to 39. This resulted in a three way tie for first place, between Rademacher, J. Clingan and Al Pawella of Howey. Rademacher met Clingan in the first playoff game and won 50 to 25. Al Pawella who had earlier defeated the champion then lost to Rademacher 53 to 8, when the champ hit a 75% ringer game giving him the title and the Miller High Life trophy. Pawella then defeated Clingan 53 to 42 for second place, Clingan taking third place. Gusty winds which prevailed during the later matches affected all ringer percentages. Members from the Florida lower East coast dominated the Class B and C divisions and took home the trophies. Newcomer Bob Sommer of Gainesville won the Class D title. This was the first year that the state had a Class D division in the state tournament. The Diamond Horseshoe Co. donated two pair of Super Ringer shoes. Harry Laufer of Holly Hill received one pair for being the earliest entrant while the other pair will be awarded to the most improved player when complete results are compared. All officers were re-elected with William Packard of Venice added to serve as Vice-President.

## Ray Martin, New Champion of Illinois

Still all "broken out with ringeritis" contracted from 35 grueling games at the 1964 World tournament at Greenville, Ohio, Ray Martin of Philo, Illinois set a terrific pace at the 1964 Illinois state tournament of 81.6 percent in ringers to take possession of the beautiful Illinois association trophy and also the beautiful Miller High-Life trophy awarded by the Miller Brewing Company of Milwaukee, Wisconsin. It was necessary for Martin to play Ellis Griggs of Plainville, Illinois and a former state champion, a two out of three game match, winning two straight with scores of 50-44 and 51-43, both of them "thrillers."

## Art Kamman Repeats As Arizona State Champion

With a near-record field of entries participating, this year's Arizona State Championship tournament held at Tempe Park, (Tempe, Arizona) was a huge success and, was played under beautiful sunshiney conditions for which the Valley of the Sun is famous. For awhile the Crandell family of Mesa, after first winning the Class C and Class B trophies, seemed to be heading for a clean sweep of the tourney, but Art Kamman, also of Mesa, stopped Glen Crandell at the gate by defeating him for the championship of Class A, 52-34.
