1967 World Tournament Drive, Underway At Fargo, North Dakota

A drive is under way in Fargo, North Dakota, to land the 1967 world horseshoe pitching tournament at the city's classy, Oak Grove Park courts.

Preliminary plans are under way through the cooperation of the Fargo Park District and the Chamber of Commerce, according to Will Gullickson, National Horseshoe Pitchers Association north central states regional director.

Will Gullickson, a sports writer for the Fargo Forum, said the Red River Valley League is leading an active campaign in getting the tournament to North Dakota for the first time.

Meanwhile, the annual Red River Valley Open tournament is planned at Fargo, July 2 and 3. One of the largest open tourneys in the area, the RRV has annually drawn the leading players from a wide area.

Frank Stinson of Minneapolis, Minnesota, is the defending champion in the Class A division.

Horseshoe interest has zoomed in the Fargo and Red River Valley area in recent years. The 12-court lighted layout at Oak Grove is considered one of the best in the upper midwest. Space is available for six additional courts to be built.

Gullickson has been in contact with NHPA officials Robert Pence and Harold Craig in regards to the world tourney. The possibility of Fargo as a tourney site was sparked by Ellis Cobb, editor of the Horseshoe Pitchers' News Digest, who played in the Red River Valley tourney last year.

Fargosans are hopeful of strong support from the city as well as neighboring Moorhead, Minn., across the Red River, along with horseshoe clubs throughout North Dakota, South Dakota and Minnesota.

Fargo, the largest city in North Dakota, and Moorhead have a combined population of more than 80,000. A recent All-America city, Fargo boasts excellent hotel and motel accommodations as well as excellent airline, train and bus service.

Fargo-Moorhead has always been known as sports-minded and once was one of the leading minor league baseball cities. It is known for golf and softball as well as horseshoe pitching.

The cities are served by The Forum daily and Sunday newspaper (Circulation 60,000), three television stations and five radio stations.

Fargo is located only 45 miles from Detroit Lakes, one of the most popular resort and fishing areas in Minnesota.

The 36-acre layout at Oak Grove Park includes a shelter which seats 250 along with restrooms. Playground facilities, tennis courts and ample parking are also included in the park along with picnic tables.

Fargo has two swimming pools and other parks and recreation areas. Fargo-Moorhead has six movie theatres, including two outdoor theaters.

The Fargo Park District has always held an active interest in the sport of horseshoe. C. P. Reed is the superintendent. It was estimated that more than 10,000 used the horseshoe courts last year.

Annual Sterling-Rock Fall, III. Spring Warm-Up, May 30

The Sterling-Rock Falls, Illinois club will open its season with their annual Spring Warm-Up Open tournament on Memorial Day, May 30 on the Lawrence park courts, midway between Sterling and Rock Falls, Illinois, on the beautiful Rock river.

Qualifying will begin at 2 p.m. on Sunday, May 29 until 8 p.m. and will resume at 8 a.m. on Monday, May 30 closing promptly at 12 noon, central daylight savings time. Each contestant will pitch 100 shoes for placement, or a previous qualifying score, signed by some club officer may be brought along. Tournament will start at 1 p.m.

The 32 highest qualifiers will make up the tournament. Class A and B will be made up of 12 men each, being divided into groups of six. The winner of each group in these classes will play for first place trophy, with the runner-up in each of these top 2 groups, playing for third place trophy. Class C will have 8 men playing a round robin.

There will be a total of 8 trophies awarded, but there will not be any cash prizes. Three trophies in Class A and Class B, with 2 trophies being awarded in Class C.

Entry fee will be \$1.00 with an additional fee of \$1.00 for those in the top 32. Don Grove is president of the club and extends a cordial invitation to all to attend. The tournament will be managed by Les Long assisted by Mrs. Wilma Long and Mrs. Mary Wuebben, as the official scorers.

Rademacher In Clean Sweep Of Plant City Warm-Up

John Rademacher of Plant City, Florida made a clean sweep of all opponents in the Plant City, Florida Spring Warm-Up tournament held at the Sansone park courts in Plant City, on April 24. Sixteen players took part, including 4 juniors. The men played 6-man round robins. Carl Lundgren of Michigan copped the second division crown.

All four juniors were from Plant City. Wayne Warner, state junior champion defeated Gary Gatliff in a play-off match. Johnny Rademacher was third and Steve Warner came in on the end.

This tournament was conducted as an experiment, with the winner of points in one inning, having last pitch in the following inning. All concerned were of the opinion that this system could bear investigation. There seemed to be a better equalization of having to pitch on iron on the man pitching second. It was suggested that a better experiment could be worked with a larger or some major tournament where more pitchers would be involved.

Northern California Association Conducts Series of "No Qualifying" Tournaments

The Northern California Association has been conducting a series of tournaments using a "no qualifying" system which will be the style they will use during 1966. From the results of the first four meets, the idea has turned out real successful, producing many favorable comments.

COVER PICTURE . . . The picture shown this month was taken by an amateur photographer at the 1965 Red River Valley Open tournament, held on the Oak Grove park courts in Fargo, North Dakota. It was sent in by Will Gullickson of the Fargo, North Dakota Forum who received it. The photo is most unusual and shows Ellis Cobb, editor of the News Digest, whose shoe appears about to encircle his head, as he was engaged in his qualifying round in that annual tournament last season. It is on these courts that the Fargo club is making a strong bid to hold the 1967 World tournament.

Kindred, North Dakota Open — June 11 and 12

The seventh annual Kindred Open horseshoe tournament will be held here June 11 and 12 at the 12-court layout at the Wildlife Park.

Defending champion is Joe Anzaldi of St. Paul. The tourney annually draws the leading pitchers from the tri-state area of Minnesota, North and South Dakota.

Rudy Lykken will again serve as the tourney manager. He was encouraged to continue in the post after announcing he would like to step out.

Members of the Kindred Club have assured Lykken they will give him assistance in conducting the event.

Lykken and the club have assured Red River Valley League officials they will give Fargo strong support in the bid to become the site of the 1967 world tournament.

Lykken said the Kindred courts will be available for practice and any emergency which might arise. Kindred is located 25 miles south west of Fargo.

Lykken said he has signed 11 members to the NHPA for 1966 and will have more.

Will Gullickson, NHPA regional director from Moorhead, Minn., met with Lykken to discuss plans for the 1967 world tourney bid. Gullickson said Kindred (population 600) was recognized as one of the most horseshoe-minded towns in the nation. Kindred has held the state tourney twice and has developed two of the area's leading pitchers — Gene Lykken and Bill Lybeck.

Gullickson noted that Kindred's backing will be an important factor in securing the world tourney.

The seven charter members of the newly formed Hall of Fame will be officially honored and installed at ceremonies during the 1966 World Tournament in Murray, Utah, next August. Their names and pictures will be inscribed on a permanent plaque which will be placed on display at major tournaments all over the United States in the future.

★ Additional members will be selected and honored each succeeding year. Selections are made in two different categories; those who have brought prestige by their playing record on the courts and those who have made significant and outstanding contributions to the game in an administrative capacity as promoters, organizers and NHPA officials.

The seven charter members date back to 1909 and include three players who have dominated the game ever since its organization. Four were selected from the administrative category. The balloting was very close in this category, making the selection of four necessary, when a clear cut difference could not be established. This imbalance between players and non-players will be corrected in future selections when two players will be selected to each non-player.

★ The selection committee made a thorough study of horseshoe history in making their selections from a list of nominations made by the general N.H.P.A. membership. Only three of the seven selected are living today, and only one of these was still active in the game last year.

Ted Allen of Boulder, Colo., holder of 10 official World titles, has ranked as the Babe Ruth of horseshoe ever since he won his first World title at the 1933 Chicago World's Fair. He holds more records than any other player, and has given exhibitions all over the United States including one in Madison Square Garden.

embers Selected Hall of Fame

Frank Jackson, an Iowa farmer, is the legendary figure of the game, but his exploits on the court were very authentic. He won the first recognized World Tournament in 1909 and the 1915 event, the first sanctioned by a national horseshoe group. He completely dominated the game until 1920 and is credited with holding the title each year although no other official tournaments were held. He won the World title in both 1920 and 1921 and again in 1926. His last World Tournament was at the age of 65 in the 1935 event at Moline, Ill. when he finished 5th with a 72.9 ringer average. He barnstormed all over the country until 1940 and old timers will still insist he was the greatest of all time. A rugged, husky individual he originally pitched a $2\frac{3}{4}$ turn, but as the game improved he changed to a $1\frac{3}{4}$ in 1926 and regained his World title. He pitched from a stationary position without a stride. His three sons, Hanford, Carroll and Vyril were all top ranking players. Frank Jackson died in 1955 at the age of 85.

Fernando Isias

Fernando Isias, of Los Angeles, won eight World titles including a string of six consecutive. His ringer duels with Ted Allen were classics. Fernando used a $1\frac{3}{4}$ turn and was a picture of rhythm and grace in action with his high arching toss. His last World Tournament appearance was at South Gate in 1963 when he finished in a 6th place tie. His last World title came in 1958 and it is hoped he will again be a contender at Murray this year in a comeback attempt.

Arch Stokes of Salt Lake City, Utah is the Grand Old Man and probably the most beloved figure of the game. It was he who put the game on its feet and gave the World Tournament a home following World War Two. His efforts built the beautiful 18 court layout in Murray and brought the World Tournament there in 1947 and again in 1948 and every year thereafter until 1960. During these years he served four terms as NHPA President and was always the guiding father of the organization. He passed away in 1957 but his influence is still

felt in the form of the Arch Stokes Memorial Award given by his family each year to the outstanding contributor to the game. His wife Mary has been a familiar figure at almost every World tourney since 1945 and his daughter Maurine is Secretary of the Utah Association and one of those responsible for this year's championships on the courts her father built.

David D. Cottrell of North Cohocton, N. Y., designer of the first horseshoe scoresheets and an orderly system of tournament results, served as NHPA Secretary from 1925 through 1933. A brilliant organizer and promoter he published the first comprehensive book on the history of game and how to play it in 1927. It is still our primary source of historical data and information. He was a world traveler and spent his winters in Florida promoting the World Tournaments of those days. In private life he was the owner and founder of a magazine distribution agency which is still in existence today. He died in 1937 at which time he was still active in horseshoe in New York State.

Archie Gregson of Crestline, Calif., served both as Secretary and as President of the NHPA at various times dating back to 1940. His contributions to the game were many and varied as player, administrator, organizer, tourney manager and master of ceremonies. Along with his wife Katie they formed the most valuable husband-wife team in the history of the game. At the time of his death this past winter Archie still maintained an active interest in the game and was regarded as the NHPA's elder statesman.

Raymond B. Howard of London, O., published the Horseshoe World for more than 20 years from 1920 until the start of World War Two. Seven of these years he was NHPA Secretary-Treasurer, but his greatest contribution was bringing cohesion and unity to the game by means of game's first monthly publication, The Horseshoe World. Without it the NHPA would never have achieved the status of a

Horseshoe Hall of Fame

national organization. Recently Mr. Howard has held a high position in the Secretary of State's office in Ohio and helped renew the NHPA's non-profit charter a few years ago. He still lives in London, Ohio.

Former World Champions Charlie Davis, Putt Mossman and Guy Zimmerman along with many time, near champion, Casey Jones had considerable support in the balloting and are certain to make the Hall of Fame in the next few years. Among non-players support was also given Ben Leighton, who brought about the merger of two National horseshoe organizations in 1921 and later fashioned the first ringer percentage chart, and Harry Woodfield, NHPA officer from Washington, D. C. around 1950. Votes also went to Ellis Cobb, Elmer Beller, Bob Pence and Leland Mortenson, all of whom are still active in the game.

Fred Brust of Columbus, Ohio, 1920 World Champion, one of the NHPA's

founding fathers and the first to manufacture horseshoes for playing the game, had the distinction of being the only individual considered both as a player and non-player. He is sure to be a future selection.

Three ladies were among those nominated for consideration by the membership. They were present champ Sue Gillespie, five times champion Vicki Chapelle Winston and Esther James.

Others who received nominations from the membership included all former World Champions along with Curt Day, Jimmy Risk and Frank Robinson in the players category and non-players Harvey Clear, Byron Jaskulek, Clyde Green, Ottie Reno, Roy Smith and Katie Gregson.

The Selection Committee was headed by Carl Steinfeldt of New York. Others were Elmer Beller of California, Marvin Chrisman of Indiana, Leland Mortenson of Iowa and NHPA Secretary Bob Pence.

Michigan's Dimondale-Capitol National Open

A brand new open tournament will get under way on May 28 through May 30, when the Dimondale, Michigan club will institute the Dimondale-Capitol National Open on their courts in Dimondale, Michigan. This being the Memorial Day week-end should bring out a bumper crop of ringermen and their friends.

Qualifying will begin and continue from 6:00 P.M. Friday, May 27th till 10 P.M. The period from 8:00 A.M. till 11:00 A.M. on Saturday May 28 will also be open for this purpose. Regular competition will start at 12:00 noon on Saturday. Percentages will be utilized wherever possible. Out of Michigan competitors should bring or send in their percentage record from his or her respective state championship tournament of 1965.

A person who has an acceptable percentage record, but insists on qualifying for a higher class group, may do so by paying a \$1.00 qualifying fee.

Registration must be in the hands of James Ostrander Sr. of 5717 Hilliard St., Lansing, Michigan. Jim is chairman of the registration committee. The time dead line is 11:00 A.M. on Saturday, May 28th.

In Memoriam

The hearts of the New Jersey state association and the NHPA members were saddened to learn of the passing of Mr. John Landers of West Orange, New Jersey, on January 16. Mr. Landers was instrumental in getting many youngsters in the West Orange area interested in pitching horseshoes, some of these included Bill Kolo, Joe McCrink, Frank Skinner and many others. Mr. Landers himself was an outstanding player in the late '30's and early '40's having won the Town championship for many years. He attained fifth place in the 1937 state tournament. It is men like Mr. John Landers that leave a fine example of leadership in our sport for others to follow and carry on. The sympathy of the New Jersey association and that of the National association is extended to the bereaved family.

* * * * *

Another link in the chain of horseshoe pitching friends has been broken, as we learn of the death of Grant Burgess of Lambert, Montana. Mr. Lambert was a member of the NHPA for many years and an ardent reader of the News Digest. The sympathy of the NHPA is extended to his family.

ATTENTION — Ted Allen Horseshoe Users

The war in Viet Nam has added greatly to the demand for steel and to the demand for time in the forge shops, where the heavy machinery used in making shoes, must be utilized. This has made it extremely difficult to get the materials. We had expected to have shoes at this time, but delivery date of shoes to you is unknown at this time. When news of delivery is definite, this space will carry it. Money is still being spent to do everything possible. There is no intention of going out of business.

Local Clubs

Winchester, Virginia — During the past Winter, a new horseshoe pitchers club was organized in Winchester, Virginia. The group is known officially as the "Winchester Horseshoe Pitcher's Association" and will, if they haven't already, become affiliated with the NHPA.

We old timers in Virginia are a little excited about this group for we feel that it is bound to stimulate new interest and result in more and better competition. They are already arranging Summer activities as the above tourney dates attest, including organized league play several nights each week.

Seattle Memorial Open Tournament — May 29-30

The Seattle Memorial Open tournament will be held in Seattle at Woodland park courts, on Memorial Day weekend, May 29 and 30. It will be state and National sanctioned in all classes. This tournament which is a memorial in honor of those who have unselfishly contributed much time, labor, money and good will for the promotion of our horseshoe sport and are no longer with us. We invite the participation of all pitchers in this event, which promises to be the biggest one yet.

Kansas City Hosts To National AAU Juniors Championship

Mr. Harry Strohm of the Kansas City club announces that the National AAU Juniors Championship will be held in Kansas City, Missouri Saturday and Sunday, July 30 and 31.

To clarify a point that may be mis-leading, the fact that it is called a "juniors" tournament does not mean that it is confined to those under 18. Because there is another meet sponsored by the AAU, which is the "Seniors" tournament and that is the major meet. Therefore, the Juniors tournament does not have any age limit, so anyone that does not play in the major event can take part in the Juniors meet. Further details will be available in the next issue of the Digest or from Mr. Harry Strohm, 419 South White St., Kansas City, Missouri 64123.

Foss Wins First Annual Daffodil Festival Tournament, Tacoma, Wash.

Bill Foss won the Tacoma-Pierce County Championship April 3rd by virtue of winning all his games in the top division of the 1st Annual Daffodil Festival Tournament. The tourney was for Pierce County residents only and sponsored by Pierce County and the Daffodil Festival, held in Tacoma, Washington.

Six-time State Champion Lew Getchell and Foss were both undefeated when they met in the final and deciding game. It was neck and neck for most of the game, and then Foss threw too many doubles for Lew. It was great to see Lew back pitching.

The weather was magnificent, warm and clear. However it was obvious the pitchers had not yet obtained their normal summer averages from lack of practice.

The tightest game of the day, which may have changed the outcome, should not go unnoticed. John Juracich bowed his neck against Bill Foss and the lead changed hands several times before the score finally became 49 to 49. Having the first pitch, Foss threw a close one against the peg and a ringer. Johnnie knew he had to have a double. The first was a solid ringer and the second went in the back of the pit. John threw one more ringer than Bill (60.5%) but lost just enough points.

Dave Wiltfong lowered the boom on all his opponents and won the Class B title. For sheer determination we all admired Emmett Torrence. He pitched the whole schedule with his wrist in a cast due to a broken wrist bone.

Class C was split in two divisions and Allen McCoy won the top trophy by sweeping both his division and the subsequent 3 game playoff.

As this was the first major tournament held in Tacoma since the State Tournament of 1949, it was a huge success. Henry Gilbo, Tacoma Secretary, is making efforts to get 4 more courts for a total of 16 to put Tacoma back in the tournament swing in a bigger way.

Southern California Pomona Open

The Pomona Open was held on Sunday, April 3, 1966 at Pomona. The tournament was well attended. Don Titcomb who just recently switched to Ted Allen shoes and pitched them in a tournament for the first time was in superb form. For the eight games, he averaged over 82%.

Ronnie (call me "Master") Simmons gave a good account of himself as he reached the playoff. He accomplished a rarity, when he defeated Jim Weeks in their game. Jim has not reached his stride yet this year, but when he does, look out! He is a great competitor.

In the playoff, Don Titcomb and Gerald Schneider each had won two games apiece when they met in the final game. The game went along nip and tuck right down to the wire, but Don was not to be denied.

Indiana State Association 1966 Tournament Plans

The "no qualifying plan" of last year will be used again in 1966.

Players will be placed in classes on the basis of their previous ringer percentage and this rating will change after each tournament.

New members and players without a 1965 record will pitch 100 shoes and send the scoresheet in the first time they enter a tournament as a basis for their initial rating. Thereafter their actual tourney record will be used. These 100 shoes may be pitched anywhere.

All entries must be made in advance of the tournament to the properly designated person by mail, phone or in person. Entry fee money must accompany the entry.

A deadline for entries has been established for each tournament and a person designated to receive the entries for each tournament. These have been listed in the schedule on the reverse side of this letter.

Each entrant will be notified by mail that this entry has been received and told exactly when his class will start actual play. This will apply to out of state players as well as Indiana members in Open events such as the Midwest, Indiana-Illinois, Indiana-Ohio, etc.

By this plan everyone will know in advance exactly when he will play in each tournament. No one will have to come early and wait around for his Class to take the courts.

Late entries can not and will not be accepted. Get yours in on time.

Two or more trophies will be awarded in each class of each tourney. Cash prizes will also be given in the State, Midwest and Ind.-Ohio.

A State-National membership card will be required in all tournaments. Membership fee is \$2.50 and can be obtained at your first tourney or from Secretary Earle Wilmore, 1350 Dearborn St., Gary, Ind.

Indiana State 1966 Fund Raising Raffle

You have been mailed a book of ten "Ringer Raffle" tickets as part of our 1966 Fund Raising project. The donation for each ticket is only \$1.00. Dispose of nine of them and the 10th is yours.

Last year this plan was a success. In addition to the \$100.00 first prize, 13 other prizes were given. \$356.00 was added to the State Tournament prize money while both Sue Gillespie and Curt Day, our State Champions, were given \$200.00 each towards their expenses to the World Tournament.

This year can be even more successful. We hope to add even more money to our cash prize list in the State Tourney and again will help defray the expenses of our champions to the World Tournament in Utah.

Sue won the world title last year and Curt posted the highest ringer average in the men's division. We can feel justly proud of their performances and knowledge we helped.

The fund raising chairman is Harold Craig, 809 Carson Street, Muncie, Ind. Turn your "Raffle Ticket" money in to him and when you have sold your tickets he will supply you with more.
