LEE HORSESHOES

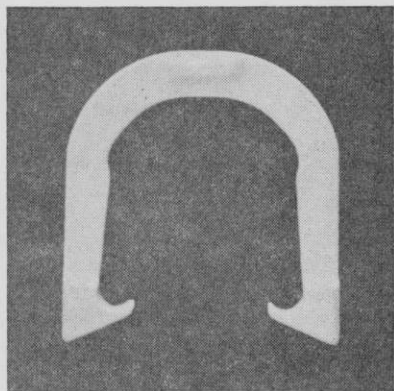

The demand for shoes this year has increased so much that we ran out twice, and had to reorder.

This takes time, and we have to wait our turn at the forging company. This winter we will have a larger supply of shoes made, hoping they will meet the demand.

Those who order now, will be sure of getting shoes when they want them.

Place your order, but SEND NO MONEY. This will give us an idea of how many pair to make.

To change a DIE, and put the finger hold in the Lee shoe has been a big expense, but since so many have asked for this, the change has been made. The DIE is now being cut, and we should have shoes by the first of the year. Due to the increase in POSTAGE, STEEL and CHANGE OF DIE, the price of shoes will be:

1 to 5 pair \$6.50 per pr. post paid
CANADA..... \$7.00 per pr. post paid

Available in 4 TEMPERS:

DEAD SOFT — WITH OR WITHOUT HARD POINTS.
MEDIUM SOFT — WITH OR WITHOUT HARD POINTS.
MEDIUM HARD and HARD.
(dead soft with hard points — 25¢ extra)

For larger quantities write for price list

“Operation Publicity”

(This is the first in a series of articles written by Will Gullickson of Moorhead, Minn., in the NHPA's "Operation Publicity" for 1967. It is hoped the articles will serve to give horseshoe pitchers an insight of how to secure improved publicity on the sport throughout the nation. Any questions on publicity should be sent to Will Gullickson, 1608 17th St. S., Moorhead, Minn.)

What do you think could be done to improve the game of horseshoe pitching?

Eight out of 10 pitchers answering a questionnaire sent to some of the leading pitchers around the nation answered by saying they believe increased publicity is the game's biggest need.

I have written sports for daily newspapers for 20 years and have pitched horseshoes even longer. In some way I hope to help you give the game a shot in the arm through more publicity by way of all media.

It's not an easy task to secure more "ink" in the newspaper and more time on radio and television stations. But, handled right, improvement is not out of reach.

So, let's get in there and pitch — not only shoes, but publicity too.

Just like the game of horseshoe pitching itself, it takes patience. But it will pay off.

First, take a look at your local, hometown situation and see what can be done. This varies, of course, in regard to the size of city and the newspapers, radio and television stations servicing the city and area.

The ever-expanding professional sports calendar demands more and more space and time for sports pages and sports time. The easy way out of course is for horseshoe pitchers to say the sports writers and sportscasters care nothing for their sport.

This is not the case. Presented properly, the horseshoe program, including weekly reports and tournament reports will usually be used.

In order to attempt to cover all aspects of improved publicity, this series will include the following articles:

1. Introduction (this article).
2. Keep the Digest informed with stories, pictures.
3. Selecting publicity director — and his duties.
4. Coverage of local leagues, tournaments.
5. World Tournament coverage.
6. Special gimmicks, features.
7. General wrap-up and plans for 1967 World Tourney.

(Note: Please contact Will Gullickson, if there is any newspaper or magazine in your town or area which may be interested in a story on horseshoe. I'll attempt to supply such stories).

Your Editor Speaks Reflections of 1966

It is with humility that I acknowledge my gratitude to the many friends and members of the National Horseshoe Pitcher's Association, for the many courtesies that were extended to me during the year just past. For the many beautiful cards, and remembrances I received during the Holiday Season, and I can say, from all over the world.

It was my pleasure to meet many new friends, as I travelled to different parts of the country, visiting at tournaments and competing in some. I paid a call to the Casey Jaycee Open tournament at Casey, Illinois, but due to a conflict of dates, I was a week early, however, I did meet several fine players while there, among whom was James Wilson of the Jaycees. I continued on my journey, going to Clinton, Illinois, July 5, where the Clinton club was initiating their new courts with an open tournament, conducted by Bernie Thorpe, a very energetic promoter of the game in that area of Illinois. On August 7, I attended and competed in the Mississippi Valley Fair Open tournament at Davenport, Iowa. Here again was another fine tournament, under the direction of Russell Sheetz and his tournament committee. The Galesburg Open Tournament at Galesburg, Illinois attracts many of the nation's top players, and under the tutelage of that genial personage, Andy Horn. I enjoyed a fine visit with all of these wonderful players during my stay there on August 13 and 14. As this tournament is a prelude to the annual Illinois State tournament at Springfield, Illinois during the Illinois State Fair, I continued on to give it my personal attention, being the state secretary, on August 15-16 and 17. We had a most successful tournament which was culminated with Gary Farnsworth and Ellis Griggs playing in the last game of the tournament, with Griggs being crowned the champion.

Our next stop was at the Cornbelt Open tournament, at Burlington, Iowa, another major tournament, with players from several states taking part. Harold Darnold and his associates conducted this great ringerama on August 20 and 21. For a ten week period during the summer I played in a singles league, at the close of which I was fortunate enough to win the Northern Illinois Open crown. Meet was played at Elgin, Illinois.

On Labor Day weekend, having a further desire to see what was going on elsewhere, I journeyed to the Michigan State tournament being conducted at Burr Oak, Michigan. Altho I was only to stay a few hours, I enjoyed the hospitality of Maurice Hecht and the friendly greeting of many new players, among whom were, Mrs. Irene Grable, Pat Smith, James Compton, Dyke Cowell, Vern Fuller, and many others in that Fine Michigan association. From Burr Oak we continued on down to Greenville, Ohio where the Ohio State tournament was in session, under the supervision of Sam Goodlander, Emma Focht, Leo McGrath and members of the Darke County club. Thus ended my summer travels, until I got the urge to resume my sojourning by going to Florida in late October. While in Florida, I visited the Bradenton Club on one sunny afternoon. While there I pitched a few games with some of the fellows who were on hand, getting ready for qualifying in the Florida State tournament, to be held the following weekend. Hal Porter, the main publicity man for the Florida club was on hand, as was John Davis, Asa Drinkwater, John Ellis, Chris Hansen, Joe Kelly, Horace Kemp, Robert Lavelleur, B. E. Mulhern, Les Peary, Henry Spiess. The entire group was busy getting the new Bradenton courts in shape for their annual state meet.

All in all, it was most inspiring to me to see the progress that is being made in horseshoe pitching activities around the country. I am sorry that time would not allow me to visit more areas, but perhaps as time goes on, I will be able to do so.

Again I want to express my gratitude to everyone for all the courtesies extended to my wife and myself as we travelled the "horseshoe circuit" this past year. May God's richest blessings be with each of you during 1967 and the years to follow.

Are You A Believer? — Plattsburgh, N. Y. Pitchers Are

For many years inquiries were made in and around the greater Plattsburgh, New York area concerning the activity in horseshoe pitching as to whether there was enough enthusiasm to schedule a tournament. The city Recreation department came to the conclusion that there was. Thus plans and preparations were made to conduct the first "Plattsburgh Open" Tournament.

The tournament, a venture undertaken by Ralph and Larry Lucas of Plattsburgh, and working in close conjunction with the City Recreation department, got the tourney underway on Saturday, August 20, 1966 and concluded it on Sunday, August 28, 1966. Sixty men and eight women took to the courts, on Our Lady of Victory field in Plattsburgh. Altho the courts were of a temporary nature, due to the fact that the field is used for other daily activities the Lucases, together with 70 of their enthusiastic associates are in hopes that in due time the city fathers will support a move to build a battery of courts appropriate to the size of Plattsburgh. The fact that one of the city's enthusiasts is Mr. Frank Steltzer, mayor of Plattsburgh, is one point in the club's favor. Mr. Steltzer is a capable pitcher in his own right and was entered in the first annual Open tournament.

All entrants had to pitch 50 shoes to qualify, with the top thirty being divided into three groups — A, B, and C with trophies being awarded the top two in each division. All groups played a 10 man round-robin, with winners being determined by standings. The Ladies group also played a round-robin.

Ralph Lucas, in reporting results to Joe Pollack, secretary of the New York state association, stated that Class A was won by Larry Lucas: Class B honors went to Leonard Harper while Walt DuFour wrapped up Class C. In the Women's division it was Bernice Miller who turned up in the winner's circle.

As time goes on with the enthusiasm now being generated in Plattsburgh, the upsurge of activity will be felt both by the New York state association and also in the ranks of the NHPA. We extend our heartiest congratulations.

Indiana-Ohio Open At Heekin Park, Muncie, Indiana

Curt Day of Indiana swept the field to win the Indiana-Ohio Open at Muncie, Indiana for the ninth time. The Muncie Horseshoe Club was the host of the tournament with Bob Boyer, Ray Howell and Harold Craig in charge.

Red River Valley Pitchers Honored

Horseshoe pitchers from the Red River Valley League, Kindred and Cooperstown, N. D., were honored at a program held Nov. 11 at the Loyal Order of Moose, Fargo Lodge No. 1410.

A turnout of 50 included pitchers and their wives.

Wally Rislov of Cooperstown, who won the 1966 North Dakota state tournament championship at Bismarck, received his National Horseshoe Pitchers Association championship patch during the program.

Mary Mickelson, secretary and manager of the Moose Lodge, congratulated the RRV League pitchers on landing the 1967 World Tournament. He said the Lodge will sponsor a team during the 1967 season if a sponsor is needed.

The Moose Lodge is located on Broadway, the main street in Fargo and is a popular meeting place of pitchers.

Will Gullickson of Moorhead, Minn., second vice president of the NHPA and secretary of the RRV League, introduced RRV League officers and outlined plans for the World Tournament.

Henry Wisness, president of the RRV League, presented Rislov with the NHPA patch. He also introduced Gene Lykken of Kindred, former N. D. state champion.

Official 1967 World Tournament Emblem Is Released

Here's a birds-eye view of the official World Horseshoe Tournament emblem for the classic scheduled July 30-Aug. 8 at Fargo-Moorhead.

This emblem is being used on the tournament buttons which are being sold by the tournament committee for \$1. The button admits the buyer and his family to all tournament sessions and will help advertise the tournament and the sport.

Tournament committee members in Fargo-Moorhead point out that the Red River Valley League members are raising the entire \$4,000 guarantee through their own efforts. Unlike some other tournament cities, the RRV League is not being backed financially by the two cities or their park boards.

The tournament emblem is also used on the T-shirts which are on sale at \$2.50 each. Buttons and shirts may be secured by writing Will Gullickson, 1608 17th St. S., Moorhead, Minn.

Work is under way on the 1967 World Horseshoe Tournament program which will be available at the classic scheduled in Fargo-Moorhead July 30-Aug. 8.

Members of the tournament committee are soliciting advertising in the Fargo-Moorhead area and are happy with the early response.

The attractive program will include color on the outside cover. It will also be packed with information and pictures on leading horseshoe pitchers.

Special sections in the program will include information on the Red River Valley, its great farming area; the three colleges in Fargo-Moorhead and pertinent information on Fargo-Moorhead.

Anyone wishing to advertise in the program should contact Will Gullickson, 1608 17th St. S., Moorhead, Minn. 56560. Rates are 2½ x 2½ inches \$15.; 2½ x 7 ½ inches \$35.; 3½ x 4 inches \$40.; 5 x 5 inches \$45.; 5 x 7½ inches \$60.; 5 x 8½ inches \$70.; 7½ x 10 inches (full page) \$100.

1967 - TED ALLEN HORSESHOES - 1967

Mail order shipments will start in February. Orders will be accepted any time, now. They will be taken care of as fast as work on shoes can be kept up, and made ready.

Still retaining the fine model so popular, especially the last few years, 1962 through 1966.

Original designer and maker of the features on this shoe, finger grips included. First to share hardened points with the customers. Enough tourney titles and records in all levels have been won with them to fill a 50-page book. Great compliments by word and letters claim it to be the best shoe they ever used.

Note how many attempts have been made to duplicate it, an open admission as to its greatness.

Both the men's and women's world titles won with it in 1966. In addition there were other years.

It pays off in many ways to pitch the best. At the very least, none can be better. No one can be wrong in trying a pair.

Clair Bruce, New Lawrence County, Pa. Champion

Clair Bruce of New Wilmington had "clear sailing" on a wet and cloudy day to win the Lawrence County Pennsylvania championship from defending champion, Clyde Gilmore of Volant, Pa. Bruce's only hurdle was to win the play-off with Bob Morris of New Castle, as at the end of regular play, they had each a 4-1 record. Bruce showed no hesitation in jumping out into the lead and staying there, winning the game 50-27. Bruce's only loss was to Merle Brightshue, who placed fourth (53-40)

Class B went to Scott Davidson of New Castle, who won all his games, with Opal Corbett of New Castle coming in second, losing only to Davidson and that was the last game of the round-robin.

For the first time there was a Junior Davidson for the City of New Castle championship. The City's Recreation Board furnished the trophies, which were presented to the youngsters by Opal Corbett.

Randy Bara age 14 was the winner in the first group after defeating John Hartman age 12, in the play-off game, 25-9.

Mike Delliquadri won all his games to win 1st. place trophy in the second group. Mike, age 16, was the oldest boy in the Jr. division.

Kevin Bortnyik, age 15, won the second place spot. The boys were all evenly matched and regular rules N.H.P.A. were obeyed throughout play except just 25 point games. The boys spent all the previous week in practicing and qualifying and learning to "keep score". They all show great promise and may someday fulfill their goal — to be as good as "Danny" (Kuchcinski) their Hero!

The Ultimate . . . in Horseshoe Pitching Equipment

DIXON PORTABLE HORSESHOE COURTS (Patent Pending) are now available at an attractive price. The new nylon suspension system has eliminated some cost and improves the efficiency of the rubber pad greatly. The life of these pads should be at least ten years and are guaranteed for two years. These courts will make you a better horseshoe pitcher and we guarantee the ringers you throw will stay there. Every shoe will feel the same every time you pitch it.

Complete Single Court Ready For Use
Length of pad 36" x 27" wide x 5/8" thick.

Single Court Without Rubber Pad
Length of box 32" x 21 1/2" wide x 4" deep.

Each end of the court is boxed separately and weighs approximately 38 pounds — 76 pounds for the complete court. A conversion court that can be used to set over your present clay court is also available. The same pad is used on all styles and is interchangeable, which means that it can be used on clay and boxed in the portable for mobility.

The portable is stored easily in the trunk of your car, and can be set up ready to go in 5 minutes in your yard, on your drive, at the park, on the beach, at the lake, in your basement (if you have enough room), in the barn (if you are on the farm), in gymnasiums at school, or anywhere where there is enough room.
