## Ottie Reno Winner of Alabama State Meet

The 1969 Alabama crown went to Ottie Reno of Elberta in a storm shattered meet. Hurricane Camille forced postponement from the original date and moving the location from the KOA Kampgrounds on Perdido Bay. Participation was cut by the changes.

Twelve men and eight juniors managed to play. Reno won three regular games and two playoff games averaging 57% ringers. Matt Laws was second with 56%. Tommy Whisenant of Boys Ranch was the Junior Champion averaging 27% ringers.

Jerry Edmundson remained President, Ottie Reno Vice-President and W. C. Jones, Secretary-Treasurer of the Alabama Association.

## Thomas Defeats Ted Allen to Win Colorado State Title

The Colorado State tourney was held in beautiful Colorado Springs over the Labor Day weekend, with a magnificent backdrop of high mountains dominated by Pikes Peak, on brand new 12-lane courts, in a brand new Memorial Park. The local club, lead by Russell Neher, had worked hard with the City Park Dept. to get it ready for the play.

A new champion was crowned after many years of Class A competition, and coming in second the previous year, Bill Thomas took the final game from Ted Allen, 50-46. Neither had lost a game.

For the first time since 1930, a ladies tournament was held, as was a junior tournament.

## Lyman Cracks the Winners' Circle for Illinois State Title

After many years of untiring effort, Lynn Lyman of Pittsfield, Illinois emerged into the winner's circle to win the 1969 Illinois state championship held in conjunction with the Illinois state fair at Springfield, Illinois. Lyman was the 1968 runner-up. Roger Vogel, a consistent contender for the title, was in the runner-up spot this year followed by Les Long. Ellis Griggs, who was the defending champion was unable to compete because of a recent heart condition.

At the annual meeting of the association, Ralph Dykes of Lombard, Illinois, who was president of the state association for a period of twenty years was presented a beautiful clock trophy for his many years of untiring service. Ralph is now the president of the NHPA, an honor for which we in Illinois are most proud.

The Tuesday night tournament which was made up into classes from all the players who did not make the championship flights, was played under lights.

During the course of the two day tournament, several thousand spectators viewed the tournament which drew 70 entries this year.

In the annual Boys' tournament, Larry Staker of Peoria, Illinois swept the class with 7 straight wins, followed by his close rival, Tony Jarvis of Millstadt.

## Merlin Potts Strings 15 Wins to Take Kansas State Title

Merlin Potts, who has only one eye, used it like a "Kentucky squirrel hunter" September 1st (Labor Day) as he turned aside all 15 of his opponents with machine-like precision to capture his fourth consecutive Kansas State Championship at Gage Park. Marines Tamboer of Wichita, former state champion, won second, and Alvin Gandy, former State title holder, now deceased, won third. Marvin Reheis of Mulvane, another former state champion won seventh place.

Lauren Nash, Park Commissioner, officially opened the tournament with a short speech and assisted in the presentation of the trophies. The courts were in fine condition, and the Topeka Recreation Commission furnished the "band shell" platform and also broadcasting system. A total of 59 horseshoe pitchers qualified to play. Space will not permit naming them all but a special thanks to: Capitol Post No. 1, American Legion, Topeka; Stauffer Publications Sports Writers; WW1 Adjutant Mr. Vetter; all radio stations and WIBW TV Sports Department; all persons who handled the score-keeping jobs, etc. Perl Pepple, publicity director, expresses his sincere thanks to all who helped.

## Henn Triumphs In Kentucky For State Title

The Kentucky State Horseshoe Pitchers Association held its third state tournament on August 29, 30 and 31st. For the first time it was held on indoor courts, the Day-Bel Horseshoe Club courts located in the Wadsworth Building on Clay Street, Dayton, Kentucky. These courts are privately owned by Mr. Don Moore who will operate these courts during the winter months charging 50 cents per hour per man for their use. It is hoped that leagues of all kind for men, women and children will be formed to pitch on the eight pair of courts installed. The State Association certainly got Mr. Moore's investment off to a good start and we wish him every success. For the tournament, ten pair of courts were installed and considering this was our first attempt indoors, with the largest entry since our association with NHPA, we set many new records for pitching of which we can be justly proud. We are not only growing but we are improving our quality with it.

## Maryland State Championship Won By Carson

Dale Carson of Baltimore reaffirmed his consistent hold on the title as "King" by beating all leading challengers in the state. His winning streak was strongly contested by Ray Thielke when the two players met for their final and deciding game of a series.

Class B competition ended in a tie between Club President, Burl Vandergriff and Carl Puffenbarger. The play-off was won by Vandergriff who demonstrates an enviable coolness under pitching pressure.

The Wicomico Horseshoe Club of Salisbury has been in existence for several years and is sponsored by the Royal Crown Cola Company. Through the persistent and dedicated leadership of Dick Schleicher and club officers, it became affiliated with the NHPA this year. The success resulting from sponsoring this "trial-balloon" first state tourney was beyond expectations. After many years of inactivity, Maryland is again in a growth wave of horseshoe pitching.

## Don McCance 1969 State Titlist in Nebraska

There were 72 horseshoe pitchers who participated in the tourney which unfortunately was rained out causing part of the tourney to be held over. Don McCance of Lexington, Nebraska had a clean slate to win the 1969 title.

Following the banquet, the meeting was held during which the election of officers was held. Rolan Jensen, Mason City, was elected as President and Kink Custard, Omaha, as First Vice-President. Don Koso will serve as Secretary-Treasurer. It was decided to have three more Vice-Presidents to help boost the membership and horseshoe interest in new areas of the state. These were appointed as follows: 2nd Vice-President — Willis Siems of Pickrell; Third Vice-President — Ralph Fleharty of Cozad, and Fourth Vice-President — Tom Durham of Madison.

Secretary Don Koso placed a bid to have the 1970 State Tournament in Falls City. No other bids were placed, so the tournament will be held in Falls City on the Saturday and Sunday before Labor Day of 1970.

## Marvin Burgess Regains Texas State Crown

Marvin Burgess regained his Texas State championship title that was lost in 1968. Marvin had his hands full during the championship competition but he was equal to the task. Defending champion Jim Woodson saw his crown slip away as he dropped a play-off game to Burgess after each had finished the regulation distance with identical 7-1 records. Archie Roach gave notice that he has serious designs on Texas State title in the coming years by posting an excellent 5-3 record. 1970 tournament will be held in Denton, Texas.

In the Ladies division, Linda McGuffin continued her winning ways to take the top position. Linda's mother, Kathy, finished in second place.

Johnathan Burgess won the Junior division by topping Tommy Self, who came in second. Both of these youngsters show a lot of promise and should develop into top notch horseshoe pitchers. Johnathan had a beautiful 66.7 ringer percentage in one of his games, while Tommy hit a 64.3 game.

## TED ALLEN HORSESHOES

Exclusively designed by Ted Allen in 1938 with all its features, the side notch and weighted ends, included. First to introduce points. Hard hooks for awhile, too. At once became a leading shoe for 29 years. Figured in the top records of all states and the national.

So far ahead of its time that finally, recently, other manufacturers admitted it by trying to copy it.

Ted used it, traveling year round for 33 of the 37 years in all kinds of show business, including the tops of three nations. A truly lifetime career.

THE RELIABLE SHOE. You can't better it, so why not use it?

## Knauff Captures State Championship in Tacoma, Wash.

"Someone got to Me" was the common phrase heard around the courts in Tacoma, Labor Day Weekend as the Washington State Tournament was under way. After the first round in Class "AA", every player had at least two defeats out of seven games and it looked as though the winner would have at least three or four losses. But dependable Henry Knauff came through with 7 straight victories in the second round to capture first place in Class "AA." Taking second behind Henry was Francis Winetrout, present World Intermediate Division Champion, and third went to perhaps the toughest competitor in the state, Herb Pidde.

## Lee Laughlin Top 1969 Pitcher in Wyoming

Daddy of 'em all, Lee Laughlin, Cheyenne, Wyoming, lassoed the Class A trophy in a six man double round robin tournament held on Burns Courts, Laramie, Wyoming over Labor Day weekend. Nestor Miller and W. A. Arnold, 1968 champ and runnerup respectively, each threw losses on "Lasso Lee" the first day. Merle Palmer and 1968 Champ Miller ended their feud in a tie for 2nd place. Palmer took the trophy home when he flipped a 1.8% double headed coin. Ted Chase, Laramie, Wyoming, a former state champ after suffering a few years from physical discomforts recovered his poise and won the class B title. Stewart Chester, Laramie, a newcomer with limited tournament experience, placed second in this class. The latter shows real promise as a contestant.

At the end of regular play three contestants were tied for 1st place in Class C men's division. Bob Burns, returned from a four year hitch in Iran with the Near East Foundation, now of Laramie, Max Ferguson and Ken Honeycutt, both from Riverton, competed in a round robin playoff. Bob won the title. However, Max Ferguson yielded only after a cliff hanger finish in the contest with Burns.

Six ladies comprised the Women's Division with 3 playing in Class A and 3 in Class B. Carol Ferguson, Riverton overpowered her sister, Dessie Holliday, Riverton and Dorothy Miller. Saratoga for the ladies coveted Class A trophy. Dessie carried away the 2nd place trophy, although Dorothy Miller, the third member, tied Dessie in games won. Inez York walked away with first place in Class B and in addition won the most improved player trophy. Beverlee Holliday, age 10, Dessie's daughter, scarcely heavier than the horseshoes she pitched, captured 2nd place in this Class.

Three young men participated in the Junior Division this year. Mike Marlatt, winner of Junior Class B last year, took 1st in the single class this year.

Rod Holliday, Riverton placed 2nd in the class by having lost one more game than Mike. Somehow our tournament was not like those in the past, mainly for the reason Charley Palm and his wife, Hazel, were not present. On August 19 Charley died and we miss him as a friend, a superb horseshoe player and mostly as a genuine lovable cowpoke.

## Henson Still Nation's Capital Horseshoe President

Once again, Clayton "Boo" Henson won enough game votes to continue in office near the White House at Washington, D. C. for another term as champion.

The runner-up or Vice President is Ray Thielke. He has also been an incumbent in this position for years and holds a similar title in the state of Maryland.

Another chief contender was Carl Puffenbarger, who together with his brothers have been active on horseshoe tours this season as enthusiastic trophy collectors.

John Burnham and Walter Bahnsen our two senior players, have been playing on these governmental courts for many decades. It is largely through their dedication to the sport and continuous occupancy of this highly valued piece of real estate that the courts still exist. The D. C. Metro players and our sponsor, Mayo Pittman of the Recreation Department are deeply grateful to these men for boosting horseshoes. Their public relations expertise, pitching guidance and overall help in tournament promotion make them true friends of the game.
