San Bernardino, Calif. Horseshoe Pitcher's Club Tournaments

The San Bernardino Horseshoe Pitcher's Club has completed the first half-year 1970 tournament schedule.

The San Bernardino Club with 50 members (more or less) is active throughout the year, both locally and in the Southern California Association and many of our members are subscribers to the News Digest which we cannot do without in order to keep current on events throughout the U. S. and Canada and the many other interesting articles therein.

The San Bernardino courts (8) are located at Perris Hill Park, are playable and in constant daily use throughout the year. The popularity of the courts are also evident in that the Southern California Association has scheduled five of their tournaments here this year.

This year, the Club officers organized "team matches" with computed handicaps for each player. Play every Wednesday night, each team composed of 5-8 players and alternates. Period runs for 10-weeks and two trophies or suitable awards at stake — one for the player attaining the highest score for the entire period and one for the player with the highest weekly score first three times. Two players pitch together, 100 shoes, all points counted for each player. This has proved to be very popular and draws out approximately forty-five per cent of the members into this contest.

TED ALLEN HORSESHOES

Exclusively designed by Ted Allen in 1938 with all its features, the side notch and weighted ends, included. First to introduce hard points and hooks. At once it became a leading shoe for 29 years. Figured in the top records of all states and in the National tournament.

So far ahead of its time that finally, recently, other manufacturers admitted it by trying to copy it.

Ted used it, traveling year round for 33 of the 37 years in all kinds of show business, including the tops of three nations. A truly lifetime career.

H. Anthony Wins Waterwonderland at Burr Oak, Mich.

Harold Anthony, Arcanum, Ohio, emerged the winner in a very hotly contested playoff battle with Bob Williams, Cement City, Michigan, at the annual Waterwonderland N.H.P.A. meet at Burr Oak, Michigan on June 14th.

Anthony, who annually competes in the elite top 36 at the World tourney, expected his toughest challenge from Roy Smith, Muskegon, 7 times champion of Michigan, who finished 5th at Erie last summer.

The first place tie situation began to develop when young Bob Harold, Kalamazoo upset Anthony in the fourth game in a torrid contest. Bob Williams then came on strong after losing his only game to the Ohio tosser early in the competition. Anthony jumped into a quick 6 point lead and stretched it to 12 to 3 before Williams began to chip away at the Buckeye pitcher's advantage in the playoff game. Williams made his bid during the middle portion of the game, reaching a 36 to 44 score before Anthony, pitching with monotonous consistency, went to victory.

Oscar Hope, Lansing, won in Class B; Norris Shepard in Class C; Howard Johnston, Nashville, in D; other class victors included L. Hirschman, Montrose, E-1, Don Drake, Colon, E-2, Art Zeis, Lansing, F group, which had a four-way tie for first place. Bill Stephan, Kalamazoo, won in G.

Michigan women's champion, Marge Buhler, Byron Center, won the Class A crown, while Irene Ostrander was master of the Class B group. Billy Smith, Dimondale won the junior boy's competition.
