Eureka, California Awarded 1973 Tournament

Eureka, Calif. was awarded the 1973 World Tournament by a very close vote by the NHPA convention delegates on the basis of the \$10,300.00 bid submitted by the Redwood Empire Horseshoe Club by Ray Williams. The tournament will be held on an 18 court indoor set up with an additional 12 outdoor courts and several other indoor courts available for use.

A bid of \$7,500.00 was presented by the Lions International club of Keene, N. H., represented by members of the Keene Horseshoe Club and this was a very attractive bid because of the support from an international organization outside the confines of the NHPA. The Keene group indicated they would renew their bid next year for the 1974 tournament.

Butterfield's Third Try Wins Vallejo (No. Calif.) Class D

Larry Butterfield didn't succeed the first time when he lost a play-off to fellow club member Bob Blow back in March, and he didn't win the play-off against Harry Hufford another club member in May, but he didn't have to win a play-off this time as he swept through 7 opponents without a loss to finally nail down a tourney championship. Not only did Larry win his first tournament in Northern California competition but he jumped up to Class C in the process. Ed Brazzi of Vallejo was second winning 5 of 7 games with Al Lewis of the new Stockton Club third with 4 wins in the 8-man championship group. Group II was presided over by Sonny Hatsme, former midwest flyweight boxing champion, who pitches for the Vallejo Club. Sonny won 6 while losing 1. Paul Jensen of Seaside was second to Hatsme winning 5 of 7 games.

1971 Canadian National Tournament Won By Hohl At Toronto, Canada — August 21

For the first time in the history of the National tournament, representatives were present from Ontario, Saskatchewan, Prince Edward Island and New Brunswick. The tournament was conducted in the Horse Palace, Canadian National Exhibition, Toronto, Ontario and was witnessed by many hundreds of spectators. As in recent years, the Schummer scoring system was used whereby only ringers are counted, no cancellations and contestants pitching thirty to fifty shoes per game depending on the class. The use of this system permits the completion of the tournament, consisting of eight different classes, in less than ten hours. The tournament was a great success and the Canadian National Exhibition, sponsors of the tournament, increased the prize money substantially with the possibility of a further increase in 1972.

Gonzales 8th Straight No. Calif. Tourney (Livermore Open)

Jesse Gonzales added tourney number 8 to his fast growing list of accomplishments, but had to share the limelight with Lloyd Potter of the Santa Clara County Club as Lloyd administered the first loss to blemish Jesse's Northern California record since March. Lloyd was in charge all the way in stopping the flip-flop artist's streak at 44 games, and won going away 51-31. Jesse's loss threw the tourney results into a tie between the two Seaside giants, Gonzales and Fred Lavett. Fred put up a valiant fight in the play-off but lost 40-52. Fast improving Andy Olivero of Stanislaus County showed championship mettle in winning 4 of 7 games to place third. Sam Jensen continued along his winning ways to post another 7 wins as he ran away with Class A honors. Herb Rushing, local Livermore pitcher, was unstoppable in Class B as he too went through the 8-man grouping without a loss. Monty Jones came in second in Class A and it's good to have Monty back on the tournament trails after an illness.

Knisley's Eleven Straight Wins Tops In Hill City Open At Lynchburg, Virginia

In taking his first Hill City Open title, Jim Knisley from Bremen, Ohio won all eleven of his scheduled games. However, it was no breeze by any means. Stan Manker gave Jim a real run for his money before bowing 52-47. The southpaw pro, Al Zadroga, had Jim 41-27, but finally succumbed to Knisley's consistency, 52-47.

The real game of the tournament developed between Knisley and James Burns from Chattanooga, Tennessee. The game went 134 shoes with Knisley winning 51-47. Knisley had 111 ringers (82.8%) while Burns had 110 ringers (82.1%).

Total prize money amounted to \$400.00. Knisley was awarded a trophy and \$60.00, Zadroga was awarded a trophy and \$45.00, and Ralph Maddox of Poca, West Virginia, was awarded a trophy and \$30.00.

Some records were set here this week-end — one for the longest game played in any tournament in Virginia, one for the highest percentage in the longest game and one for the highest percentage for the tournament winner.

The PHA In Action

by Roger N. Vogel

The objectives of the Professional Horseshoe Association (PHA) are to develop the highest caliber of horseshoe pitching throughout the world and to promote horseshoe pitching as a healthful recreational activity for people of all ages. In order to enable us to attain the goals we have set, we must educate sports writers and the general public through publicity, exhibitions and top-notch competition. The following statement was made at a press conference in Anderson, Indiana:

"If every sports writer could hear what I have heard this evening, horseshoe pitching would be covered on the sports pages of every newspaper. I had never considered horseshoe pitching to be a sport."

— Sports Editor of The Indianapolis Star.

On September 1, Dan and Sue Kuchcinski left for Florida to set up the first pro-tour for the newly formed Professional Horseshoe Pitcher's Association (PHA). As tournament directors, Dan and Sue will contact sponsors in selected cities throughout the state. These tournaments to be held this fall will be open to any associate member of the PHA. Associate memberships are available to NHPA and CNHPA members for a fee of \$25 by contacting Dan Kuchcinski, P. O. Box 35, Bryant, Indiana 47326.

More than fifty individuals pledged their support to the PHA at the World Tournament in Middlesex, N. J. by requesting associate memberships, donating money and portable courts, and offering to assist in procurement of sponsors. Anyone desiring to bring the world's top horseshoe pitchers into his area who has an interested sponsor, or wishing to donate funds to promote horseshoe pitching, please write to Dan Kuchcinski, (secretary-treasurer) at the above address.

A pro-tour is being planned for the west coast after the first of the year. Several sponsors have expressed interest already and others will be contacted soon.

F. Ellis Cobb, Editor
Horseshoe Pitcher's News Digest
P. O. Box 1606
Aurora, Illinois

Dear Ellis:

The 1971 World Tournament is over. From the comments from all over the country it was very successful. But success in such an undertaking requires the help of many people. And many of these people were those dear, lovable, friendly, generous people called horseshoe pitchers and their families who came from all over this broad land. For their generous help in so many ways (such as helping to restore the courts to playable condition after the Sunday, August 2nd parade of showers). Hal Hanania and I, for the Club and State Association, are especially grateful. We wish we could write each of you an individual letter of thanks.

On August 11, I went to the Ivory Towers Motel to pick up a package left for us by Bob Pence. At the desk they told me that people from many different organizations and group have stayed there but they never had a group as nice and friendly as “the horseshoe people”. We've been telling the Middlesex folks the same thing ever since we knew the World Tournament was coming here.

Many people must wonder what happens to a club and place when the big tournament is over. I want to tell you what happened in Middlesex. First, our active membership has grown by more than 50% during and after the tournament. An equal or greater number has shown active interest and many will become members. Secondly, our courts have been busy day and evening with boys, girls, men, women and sometimes whole families trying to become a Curt Day, a Ruth Hangen, a Danny Kuchcinski or an Elmer Hohl. At times, club members have had to wait for a court. To solidify this enthusiasm and promote horseshoes, the Middlesex club scheduled a tournament for August 29 for “all those who had never pitched in a formal tournament” with no age limit, no entrance fee and with trophies (donated by Ron Vogel) for winners in each class. Unfortunately, it was drowned out by the biggest flood in memory but was re-scheduled for September 12. We'll let you know about it later.

Many of you who came to Middlesex remember the rains of July 29 through August 2. Four weeks later, in a 30 hour period ending at dawn, Saturday, August 28, more than 9 inches of rain fell on Middlesex, nearly half due to hurricane Doria. This gave us the worst flood in memory. All of Mountain View Park was under water. The four foot high fence around the courts was completely submerged. We had a monstrous clean-up job to get the courts in shape for our State Tournament on Labor Day. We've breathed many prayers of thankfulness that this did not happen during the big tournament. Let me hasten to assure you that rains like these are about as common to New Jersey as is the World Tournament.

Sincerely yours,

DALE R. EBERHART
President

SPOTLIGHT

on

Local Clubs

Omaha, Nebraska — The recent expenditure by the Omaha, Nebraska City Parks and Recreation Department of \$3,200 for horseshoe court lighting facilities at Dewey Park has served to call attention to the resurgence of interest in horseshoe pitching. The lights were made possible as part of the beautification grant awarded to the city of Omaha, and the lighted horseshoe courts at Dewey Park were quickly utilized by a Labor Day week-end tournament in which over 100 horseshoe pitchers from five states vied for honors.

The rapidly growing popularity of pitching horseshoes in the Omaha area is typical of the national interest in the sport. Loren D. Kelley, who is president of the Platte Valley Horseshoe League, feels that the Dewey Park lighted courts will greatly accelerate local interest in pitching shoes and envisions, with the "right breaks," a world championship horseshoe tourney being held in Omaha within possibly ten years.

The Platte Valley Horseshoe League first saw light of day in January, 1970, when nine men, brought together by their mutual love of horseshoes, met and formed a charter. The uniqueness of the league is that it is the only traveling horseshoe league in existence. Last year, eight towns in five counties came together and the success of the league led to an organization of 14 teams extending from Lincoln to Mondamin, Iowa. (217 playing members and anticipating 400 members next season).

Applications for 1972 are already on file from 24 teams. Hoping to extend their activities throughout the year, the league has purchased a two-story brick building and is renovating it to provide for year-round pitching, dancing and other social activities.

The league has also purchased 16 sets of professional horseshoes and 16 stakes and presented them to the Omaha Parks and Recreation Department to be used by the city's senior citizens.

Maintaining a team in the Platte Valley Horseshoe League is strictly business, with overall operation reminiscent of big league baseball. Each team pays an entry fee, maintains a team of fifteen men and follows a pre-established schedule. At present the league is divided into north and south divisions, with the South Division represented by the Chek-Inn, Omaha; Dort's Bar, Papillion; Friendly, Sarpy and Trojan Taverns, Omaha; Gretna and Lincoln. The North Division is represented by the KB Typesetting Company; the Dewey Park Horseshoe Club; Jerry's Bar, Elkhorn; Lacy's Cafe, Blair; Ray's Gulf, Blair; Shorty's Tavern, Omaha; and The Travelers, Mondamin, Iowa.

Lest the reader get the impression that horseshoe pitching is strictly for the men, Betty Karasek, 3816 "S", is quick to point out that pitching shoes is for the ladies too. Betty was a participant in the recent Dewey Park tourney and plans to field a ladies' team in the Platte Valley League next year. Rules are the same for the ladies as for the gents, except that men throw from 40 feet away, while ladies throw from 30 feet. A fine Junior's and Senior Citizen program is a part of the activities.

The suspense of competition, the enthusiasm of participants in the ancient and revered sport of horseshoe pitching mirrors that of the major sports. Ex-Governor Morrison, Governor Exon and John Hlavacek are all horseshoe pitchers of long standing and are honorary members of the league.

Greott And Chickenoff Are One-Two as George's Do It At Mosswood (Northern California) Class B

The Sonoma County Class B George twins put together an excellent play-off effort to place 1 and 2 in the rugged Mosswood Class B tourney. George Chickenoff of Santa Rosa could only garner second place in spite of an 84.2% game in the 4-man play-off as he lost to fellow club member George Greott in the final game. The play-off was necessitated when Greott, Chickenoff, Herb Rushing and Joe Sadowski wound up knotted at 5 wins and 2 losses each in the 26th tournament of the Northern California season. Rushing came in third and Sadowski was fourth. Earl Blanton, president of the Mosswood Club, blasted through 6 of 7 opponents to wrap up the Group II title with newcomer Bill Fiddler of the Santa Clara County Club second with a 5 win 2 lost record.

New England Director Reports

by Peter Shepard

Have just returned from the State of Maine Horseshoe Tournament and my only comment is "it simply was a great tournament". Mr. Porter Clark and Al Lord had a first place play-off, and once again that old adage prevailed, "experience counts" and Porter Clark won it. The Maine Association was kind enough to allow me to make presentations of trophies and I wish to thank them for that.

A new system of paid scorekeepers has been initiated by Mr. Roger Bolduc which is a great improvement, since it gives all pitchers more time to watch the game. We wish to thank the Portland, Maine Horseshoe Club for their part in our system of improving and enlarging horseshoe courts in the New England area. The State of Maine Juniors deserve a round of applause for their beautiful games. Great pitching for such a young group. Mr. and Mrs. Wood, President and Secretary of the state have done an excellent job of exchanging information, as requested, to the other New England states.

We urge the states to be a little more alert when scheduling their meets. Lately we have had occasions where three state meets have fallen on the same day. It is almost impossible to visit all. Your cooperation would be appreciated.

We owe a grand salute to the host Club of the State of New Hampshire Tournament. The Franklin Horseshoe Club did a wonderful job considering that this was their first meet. There were some firsts here also. Their club courts are built back to back. They displayed three flagpoles, one of the state, one national, and one of their club. Lastly, they had paid scorekeepers. I personally enjoyed talking with the Juniors and was pleased with their determination to improve their game so that they will be better prepared for future meets. Mr. Walter Pielitz received the Governors trophy in Franklin, this again is a first. The members of the Franklin Horseshoe Club are to be congratulated for a great effort.

From Franklin we travelled to Springfield, Vermont. It was wonderful to drive up a dirt road and you can see heaven above you as you start to level off at the top of the hill. The beautiful horseshoe courts are located at the ideal spot where you can sit under the shade of the trees and view the sport. I wish to thank the State Association for a beautiful tournament and to express my pleasure in meeting all the fine players.

We are aware of the problem that exists at times with the length of some games, we wish to inform you that we are looking into it and hope to come up with some constructive betterments in the future.

The last meet visited was the Massachusetts State Tournament in Westfield, Massachusetts. We wish to thank Mr. Kaddy, Mr. Sweeney and Nelson Brake for arranging for the Schaefer Brewery to donate trophies for this meet. The Schaefer representative, Mr. Keating, was a great help and without his assistance we could not have achieved our goal. My personal thanks to Mr. Keating.

We all have a job to do. Let us get our boys to indulge in sports. Remember our NHPA slogan, "KEEP THEM ON — NOT IN THE COURTS".

Curt Day Playoff Victor Over Seibold At Marion, Indiana

Curt Day, Frankfort, won the championship in a playoff with Mark Seibold, Huntington. Day's only loss was to his son Paul. All other playoffs were figured by ringer percentage due to lack of time.

This year was a first for the Marion club, which has lots of shade for warm days.

We wish to take this opportunity to thank the Marion Horseshoe Club for the smoothest run tournament this year, the services of the scorekeepers, and all of the other outstanding help they provided.

Open Letter To:
President Ralph E. Dykes
Secretary Robert G. Pence and All NHPA Members

Now that the World Tournament has come to its successful conclusion, I wish to take this opportunity to personally thank each and everyone of the most wonderful people who contributed so much of their time and of themselves for making it all possible. When you consider the rainy, miserable weather conditions that we were forced to endure in the beginning, and the manner in which you all cooperated, it is most gratifying that our event turned out to be such a success.

My sincere thanks to everyone who thought me worthy of receiving the Special NHPA Award. I shall always cherish this wonderful award and display it whenever possible for everyone to see. I am proud to be a part of such a great organization. Let us encourage each other in every way possible, we need all of our people pulling together for a bigger and better organization.

Yours in horseshoes,
 PETER SHEPARD
 New England Regional Director

In Memoriam

The Texas State Association suffered a great loss in the passing of Berlin Sipple on July 19. His loss to the Association of Horseshoe Pitchers of Texas is a severe blow to our state organization as he was our President Emeritus and the most avid supporter of organized horseshoe pitching within the state. In 1941 he helped obtain a state charter from the NHPA, and from that time to 1964 he held the position of Secretary-Treasurer for the Texas organization. In 1944 he won the Texas State title.

But that's not important, really, when compared to the loss of a friend that some of us suffered. Berlin Sipple offered us his game, his time, and his friendship. Those of us who accepted his friendship must now pay the price that goes with the loss of a good friend. We take consolation in the knowledge that his God will treat him kindly because on this earth his church always came first, even over his beloved game of horseshoes.

Maine's Al Lord Winner Of Massachusetts Open

Al Lord, of Mechanic Falls, Maine, set the pace and became the winner of the 1971 Massachusetts Open Tournament held at the Westside Club, West Springfield, on June 20 and 27. The weather man, unlike recent years, furnished clear and sunny skies on both weekends and the conditions were enjoyed by the 108 entrants. Al Lord had a ringer percentage of 70.9 and also pitched the high single game, 80.6%. The (14) classes were closely matched and play off games were necessary to determine the winners of five classes.

Chuck Tucker Wins Baldwin Park California Handicap

In a 22-man round-robin tournament which included pitchers of varied ability from 35% to 76% ratings, Chuck Tucker 59% emerged the victor and earned \$250.00 after a first place tie play-off with Newell Flann 41%. This game was tied going into the last frame, and was won by Tucker with 4 very important points. Flann, however, piceked up \$125.00 for 2nd place. Wally Shipley 39% was sole possessor of third place and \$75.00. Ronnie Simmons 76% and Mike Velarde 48% tied for fourth place and agreed to split \$50.00 fourth and \$30.00 fifth place monies. Jerry Schneider 73% and Jim Lowes 35% tied for sixth place and \$20.00. One of the most interesting aspects of this 30 point games tournament was the fact that it required only 660 shoes for Tucker to complete the 22 games including the play-off. This was the first tournament of this type played in California, and shows promise of becoming a fixture in the Southern California schedule.

Thanks to the Baldwin Park Club for this tournament. Clem Birkenbach had its original idea two years ago and he made his dream come true. Clem worked out the formula for the handicap score sheets in the distribution of the points. The games were 30 points.
