**NHPA PRESIDENT'S MESSAGE**

by Wally Shipley

**I'M A NEW MEMBER**

I see you at the courts  
 but you never say hello;  
 You're busy all the time you're there,  
 with those you already know.  
 I sit or pitch amongst the members  
 and yet I'm a lonesome person;  
 The new ones are as strange as I  
 but you old members pass us by.  
 But, darn it, you folks asked us in,  
 and talk of fellowship;

You could just step across the courts,  
 but you've never made the trip.  
 Why can't you nod and say hello,  
 or stop and shake my hand;  
 Than sit or pitch among your friends  
 Now that, I'd understand.  
 I'll be at your next tournament  
 perhaps a nice time to spend.  
 Do you think you could introduce  
 yourself?  
 I want to be your friend.

**How many of "US" are guilty of the above?**

Front Runner to 1979 World Tournament site reports. Bernard Herfurth called me two hours after his arrival home from Statesville the last week in April. Bernard had two people from Massachusetts on his committee — Ed Domey, his co-chairman and Russ Gaduory as their secretary.

From the brief report I received from Bernard and Russ by phone, it was a successful trip. This is the first venture attempted of this type. It appears on the surface it will be beneficial to all of us. If so, let's hope we have "Front Runners." However, I would suggest it be planned earlier so those attending can better plan their trips and stay at W.T. An article from this committee is printed elsewhere in this issue. A job well done Bernard, Ed and Russ and on behalf of the NHPA and myself, thanks.

Willie Stephens, Regional Director of North and South Carolina, asked to be replaced. He recommended several qualified candidates.

Bryan Fuller of North Carolina was selected and accepted after being approved by Jack Springer, Secretary of North Carolina and the Executive Council. Bryan's address is Route 2, Box 660, Asheville, North Carolina 28805.

Lloyd Frederickson, Regional Director of Minnesota, North and South Dakota is resigning effective July 1, 1979. His area was one of several under consideration in adding additional Directors because of the large area involved.

After talking to the Secretary of both North and South Dakota, I decided each state needed their own Director because of the mileage. The Executive Council approved my appointments and a new Director for Minnesota. Those people are: Gene Anderson, 1437 Talisman, St. Paul, Minnesota 55113; Henry Wisness, 918 South 20th Street, Fargo, North Dakota, 58102; George Paulson, R.R. 6, Box 388-A, Rapid City, South Dakota 557701.

**MESSAGE — (Continued)**

To have an orderly and smooth change over, I made their appointments effective April 15, 1979. I felt this was in the best interest of the three states. So the new Directors could get their feet wet, so to speak, at the beginning of their respective seasons.

On behalf of the NHPA and myself, thanks to the four new Directors for accepting these very important positions in our sport. In addition, thanks to both Willie Stephens and Lloyd Fredrickson for their efforts in progressing and promoting our sport of horseshoes.

All 1979 Convention delegates will again receive a package containing: 1978 minutes, financial statement, convention agenda, tournament schedule, and proposed by-law changes.

**LETTERS TO AND FROM THE WHITE HOUSE**

Mr. Jimmy Carter  
President of the United States  
Washington, DC 20500

Mr. President:

We cordially invite you to attend the 1979 World Horseshoe Tournament and convention. It will be held in Statesville, North Carolina, July 26 thru August 5.

The National Horseshoe Pitchers Association would be honored if you would be the First President of the United States to attend our annual event. We have been conducting official World Tournaments since 1909.

You may or may not know President Truman had horseshoe courts at the White House during his time. He was an NHPA honorary member.

If you need further information on the schedule of our events and convention, let me know. Will look forward in hearing from you.

Sincerely,

Wally Shipley, NHPA President

## STATESVILLE "FRONT-MAN" NEWS

By **Bernard Herfurth**

As the first "front'man" for the World Tournament, I want to thank Edward Domeyowner of Heritage Recreation Center, for volunteering to assist me during my April visit to Statesville, N.C. His business expertise was most helpful in fulfilling my plans.

Russ Gadoury NHPA League Coordinator and Mass. secretary, who acted as guest secretary. His was the important task of preparing the report of our mission to Statesville for the June issue of the News Digest.

Also my thanks to the Statesville committee headed by Kenneth Wooten, Jack Springer, Danny Hearn, David Williams and the others for their fine hospitality and cooperation during the three meetings held. Also to Donnie Roberts, for being present after his return from his trip to South Africa.

My thanks to Marvin Burnett, manager of Hardee's on East Broad Street in Statesville for the donation of 50 free hamburgers and 50 large sodas for the players during the Dogwood Festival tournament. You will read more of his special offers to the NHPA later on.

Although the report states that there are no local tourist attractions near the courts, anyone wishing to take a day's trip can take a ride on the famous "Sky Ride" in the Blue Ridge mountains, also visit the falls and caverns, lakes and other sites of interest.

All New England members going to Statesville should take I-84 out of Hartford. This is a toll-free and lightly travelled super-highway. I-84 west to Scranton than I-81 south to I-77. Total miles, approximately 780 from Hartford.

## ELMER, HILDA, STEVE — THE HOHL SHOW AT HERITAGE

The amazing part of the Heritage National Open was not that Elmer Hohl won. It was not, to paraphrase the E.F. Hutton commercial, that when Elmer speaks, people listen. No. The amazing part was that Elmer showed up at all! And not for fear of the competition. A week previous Elmer had said he would be here, come hell, high water, or a Canadian spring blizzard. Guess what turned up?

Thursday night they looked out the window. "Hey, I can't see the clothesline." Friday, the day they were to leave for Heritage, all provincial officials, from transportation to weather forecasters, said, "You can't get there from here." Friday night, same dire warnings. Finally, Saturday morning at 6 a.m., they decide, "We'll try." Hilds is so nervous she's topping off the coffee thermos with tea, and vice versa. But off they go. Ten hours later, after drinking some of the vilest coffee (tea) they ever had, they pulled into Heritage. Four hours later Elmer is coasting through his first six games. It actually took him three whole games to hit 90%!

The idea behind the Heritage National is to import an out-of-town talent to give the local folks something to talk about. One way or another, things seem to get reversed. The April 7, 1979 weekend is one of the Hohl's will also long remember.

Working backwards from my introduction, let's clear up the E.F. Hutton remark. Have you ever noticed the real mark of a champion? The real mark of a champion is that if he is asked a question, half a dozen people tune in on the answer. Elmer Hohl is a champion.

Oh, yes. Elmer is also the latest Heritage National Open champion. Thirteen straight wins. High games of 90, 90.9, and 94.4 percent. Joe Schultz came the closest, losing 25-35. Longest four dead stretch, five consecutive with double flipping Charlie Bonani. Biggest lead overcome, George Trabucchi had him 10-3. Most interesting statistic, 80 of the 182 games pitched in Class A were over 70%. Runnerup Art Tyson had five games in the 80's, Bob Domey had three, Joe Schultz had three, Don Weik and Norm Rioux one each. Elmer had five plus those 90's.

This author is convinced that the best way to find out what the pitchers are really like is to talk to the wives. A half hour conversation with Hilda Hohl was the best part of this event, as she reminisced about the early days of Elmer's pitching career. From practicing with unsanctioned shoes (Clydesdales), to beating Dean McLaughlin the first time they played (with Dean having to convince the official that Elmer had won the game), to the nice way the top players helped them feel at home during his first World Tournament, to the time Elmer looked at all five trophies, thought it would be nice to have a complete set, and then finished fifth the

**ELMER, HILDA, STEVE — (Continued)**

following year (and the trophy was different), to the tale of their adventures trying to get here. Elmer's discussion of various players' psyching techniques was also very interesting.

In April, two tournaments in one are held. Class A is the Heritage National Open. The lower classes are the Easter Ham Shoot. A Hohl won this one, too. Steve Hohl outduelled Ray Peloquin in a Class 2 playoff. The entire class showed us some heavy hitting, as these two plus Walt Deuster and Bill MacIntyre averaged over 60 percent. The biggest hitter in Class 3 was Joe Merritt, who averaged 61.3%. Our greatest sympathy goes to Karl Jernberg. Paul Schultz walked all over him in game 1, hitting 73.3%. Then Joe Merritt added 85% salt to his wounds in game 2.

Orton Cushman won a three-way split in Class 4. The fellow some wag said had "more doubles in his name than in his game," Paul Morrissette, won Class 5 outright. Newcomer Bill Lee had the time of his life, even though he lost to champion Harry Schricker, 32-36, in a Class 6 playoff. New papa Dick O'Brien celebrated by beating Ted Poisson in a Class 7 playoff. Every time Bud Whitehouse averages 23%, he wins. He won Class 8 for his second champ patch of the winter.

We have our fingers crossed. This may be the last year you will see scorekeepers here at Heritage. The prototype electronic scoreboard is supposedly ready for trial. If all goes well the players will soon be punching buttons instead of calling four deads. The device is supposed to have a paper tape for permanent record and two-inch lighted numbers for spectator interest. More later if it works out.

## MORE ON STATESVILLE — 1979 W.T.

A committee of three - Bernard Herfurth, Ed Domey, Russ Gadoury attended the Dogwood Festival tournament in Statesville, N.C. on April 25-29. The purpose of this trip was to look at accommodations and facilities available during the upcoming World Tournament, see if there would be any difficulties obtaining rooms or campsites, determine latest or probable prices, and try to get discounts. This report summarizes our findings.

Statesville is located at the foothills of the Blue Ridge Mountains, with scenic, heavily wooded terrain. The sponsors — City of Statesville, Merchants Association, Chamber of Commerce, and J.C.'s — are backing the tournament 100%, as is the Recreation Department. The tournament committee, headed by Jack Springer, is making every effort to assure a noteworthy event. During our investigations we met with the committee and offered some suggestions on improvements in areas where we felt there were weaknesses, or where potential problems could arise. These suggestions were well received.

### General Findings

1. Statesville catches the overflow tourist business from the Blue Ridge Mountains. A Babe Ruth baseball tournament is being held the same week. The motels and camps will be operating at capacity whether we show up or not. Therefore, you should make your reservations as early as possible.

2. Conditions at the court site. Parking at the site will be limited to official business only, using a pass system. Some parking permitted along side streets, one side only, and at nearby armory. Principle parking area is 0.6 mile from courts. The city will provide a shuttle service. Newly installed rest rooms appear adequate. Concession stands are about 200 feet from court, with smaller stand at the courts. The court site is known as Lakewood Park. Concession stands are beside lovely man-made lake. The area is heavily wooded to within 80 feet of the courts. Courts are 100 feet from I40, but traffic noise should not be much of an inconvenience.

3. Directions and distance. The courts are beside I40, and about 2 miles west of I77. From I77 take I40 west to first exit, U.S. Route 21. Motels described below are located immediately off Rt. 21 exit. The KOA camp is just off I77, six miles south of I40. The motels are about 1.2 miles from courts. Take Gaither Road on the north side of I40 or Carolina Avenue on the south side of I40, to Radio Road. Turn left, then right onto Virginia Ave. Courts are at end of Virginia Ave. Most motels have city map. Look at upper right corner of main map to locate yourselves.

4. Camping. Camping appears to be the most critical factor. No camping will be permitted at the court site. The closest camp, a very nice KOA, is 8 miles away. As of April 26 there were only 60 water and electric hookups and three full hookups left. They are installing four horseshoe courts. This was the only camp we visited. The next closest, Lake Myers, is about 15 miles from courts. They charge more and for every little thing. When calling, ask lots of questions about extra charges, including entrance fees. They do have several amenities such as a water slide. The other camps are 20-40 miles from courts. The mileages given in the February Digest appear to be directions. Add all mileages given in directions to get approximate distance.

5. Weather and water. Normal temperatures are in the 85-90° range with high humidity. Municipal water supply is chlorinated.

6. Motels. We investigated five major motels — Holiday, Days Inn, Masters Inn, Scottish Inn (all in same general area at I40 and Rt. 21, about 1.2 miles from courts) and Ramada Inn (about four miles from courts, just south of I40 on I77). A sixth major motel, Sheraton, is in Hickory about 28 miles west on I40. Prices shown below may increase \$1-2, seasonal adjustment only—no rip-offs. Prices shown in Digest were winter rates in effect at time of publication and will be higher in July. We also looked at two smaller motels, Hallmark and Clines, for price and appearance, as representative of the others. Hallmark said they were full (possibly due to Babe Ruth tournament). Clines had a few rooms available, \$12 single, \$16 double, \$4 each extra except kids. No pool. The major motels have pools, gas stations, dining rooms, Food Store, and laundromat, all within easy walking distance. All rooms two double beds. Some short on roll-a-ways, so bring sleeping bags for kids, to be safe. Deposit on reservations should be one night's rent, including a 4% tax.

Scottish Inn. \$15.60 single, \$18.67 for 2 to 4 persons, 20% discount for persons over sixty

**STATESVILLE — (Continued)**

showing driver's license. Prices include tax. Manager guaranteed price.

Days Inn. Present prices are \$16.88 single, \$20.88 double, \$3 each extra, \$1 kids under 18. July prices may be \$1-2 higher. We arranged a 10% discount from price at time. We reserved a block of 50 rooms that will be held until July 1. To qualify for discount tell them you are horseshoe pitchers and give either Ed Domey or NHPA as a reference. If rooms are still available after block of 50 is filled, discount will be honored (80 available as of April 26).

Masters Inn. \$17 single, \$24 double, \$3 each extra except kids. Need sleeping bags for kids. No discounts.

Holiday Inn. \$19 single, \$25 double, \$3 extra except kids. No discounts, even if renting two rooms. Prices were best guess of rates for July.

Ramada Inn. \$24 per room up to four persons. Price may be slightly higher after June 1.

Motels and Hotels reservations: Statesville Travel Service, 149 E. Water St. 704-872-3686.

Auto rentals: Avis toll free 1-800-331-1212; Hertz toll free 1-800-654-3131.

Airlines and airports — consult your local airlines.

Our conclusions on accommodations — Motel rooms within reasonable distance will be easier to obtain than camp sites. We brought the camp situation to the attention of the tournament committee. They may be able to come up with some alternate camping areas, but don't get your hopes too high.

Some specials and discounts will be available at several eating places. Information will be provided when you check in at the courts.

Hospital is nearby. At least one church of each faith is available.

No major tourist attractions in immediate area.

Recreation. Lakewood Park is essentially a picnic area. There are no pools, swings, recreational facilities, or "tot-lots." Because of limited parking at courts you may wish to bring bicycles.

This committee is of the opinion that this World Tournament will be enjoyed as much as any other held in recent years. Each area has its weaknesses and strong points, and so does Statesville. We plan to attend — so should you.

We hope you found this report helpful. It is the first of its kind. We recommend that all future World Tournament sites be visited by an advance committee such as ours. We could ask questions and seek discounts that the host would be reluctant to do, for obvious reasons.

## A HAPPY MOMENT IN THE EDITOR'S LIFE

In an endeavor to publicize horseshoes, your editor has for the past several years used another means of advertising. His daughter Terri being a top lady bowler in Aurora, approached her dad (the editor) on the question of sponsoring her bowling team. So in the name of horseshoes our story begins.

The first season her team won the league championship which happens to be a mixed couples league. From that time on the sponsorship grew to three teams an an entire league.

The latest venture was his daughter with her team, entering in the Women's International Bowling Congress tournament held at Tucson, Arizona. Her date of play was April 14-15.

Now the proud moment, bowling in this team event, she rolled a 543 series, going to the doubles event she rolled a 662 series combined with that of her partner Mary Geers with a 592 series they laid claim to the first place position with a total of 1254 pins. In the singles event Terri rolled a 546 series giving her a grand total of 1751 pins to take over first place in all the events.

As we go to press word has come back from Tucson that Terri has been nudged out by 3 pins and is now in second place. However, the doubles event is still held by her and her partner, Mary Geers.

Left to right: Team members, Joyce Degelman, Karen Konen, Terri Cobb, Mary Geers and Betsy Roscoe.

## BUSKEY, GASEAU, JOHNSON, VOTED INTO FLA. HALL OF FAME

The Florida Hall-Of-Fame Committee recommended the following three men George Buskey, Norman Gaseau and Earle Johnson be inducted into the Florida Hall-Of-Fame at our annual meeting on Sat. April 21, 1979.

George Buskey has done an outstanding job as State statistician and also runs the tournaments that are held in Clearwater as well as help at other tournaments.

Norman Gaseau has no equal when it comes to doing his job as State secretary. Besides he handles all the game related items for the national and state. He also is Johnny on the spot helping at the tournaments.

Earle Johnson has been a workhorse for the Bradenton club for years and is always looking out for the underdog. He rarely misses a tournament and is always scoring when he isn't pitching. Even at age 76 he is seen with the shovel when the courts need turning.

After their names were read off the vote was unanimous that they be inducted into the Florida State Associations Hall-Of-Fame. Their names were added to the list on the Hall Of Fame plaque. Each man received a beautiful plaque showing he was inducted into the Florida State Horseshoe Pitching Association's Hall Of Fame.

## FLORIDA'S OUTSTANDING PLAYER AWARD TO FOURMAN

Florida's Outstanding Player Award for 1978 went to Jim Fourman of Sebring, Florida (and Arcanum, Ohio). This award is made annually to the member who has done the most during the year to promote, foster and build the game of horseshoes. Jim was cited for his efforts in obtaining horseshoe courts in Sebring. He and his club members solicited sponsors in the business community of Sebring which resulted in the installation of 9 fine clay courts on city property adjoining the city library. This was accomplished at virtually no cost to the city. In the span of one year, Jim now has 35 members in the Sebring Club... an outstanding accomplishment by a fine gentlemen and good competitor on the courts.

## GEO. CHRISTIAN "MOST IMPROVED PLAYER" IN FLORIDA

This award is made annually to the Florida Association member who has competed in at least 50% of scheduled tournaments for the year and improves his ringer average the most during that period. George Christian of Cleveland, Ohio and winter resident of Florida won the award for the 1978-79 season by improving his average 10.7%. George started the season with 33.6% and ended with 44.3% — a fine record George — Congratulations!

## BOB FULLER WINS STEINFELDT HANDICAP OPEN TOURNEY

In a tournament where only ringers counted, Bob Fuller of Belleair, Florida, posted a 5-game 250 shoe handicap ringer total of 274 to win the 2nd Annual Carl Steinfeldt Tournament in Clearwater on March 9 and 10. The 2-day fun event produced prizes for every contestant ranging from original design plaques to horseshoes, NHPA Digest subscriptions, paid Florida State dues, caps, beverage mugs and sport shirts. Professional NHPA clown, Herb Pinch, roamed the crowd and provided zest to the event with his antics. Really good to see Herb restored to good health.

The event attracted 84 players with many from states to the North. It was particularly gratifying to see two youngsters from Massachusetts — Rick Howe and Joe Merritt — who traveled 1,300 miles to play in the tourney.

All players were treated to free hamburgers, hot dogs and beverage — 6-man groups were awarded 2 points for each win, with 1 point to each player in event of a single game tie. In a 5-game tie situation with a group, position of players within the group was determined 5-game handicap ringer total of the players involved.

## STEINFELDT RETAINS FLORIDA FUN 'N SUN TITLE

Carl Steinfeldt successfully defended his title in the 4th annual Fun 'N Sun Tournament before a park-filled crowd at Ed Wright Park, Clearwater, on March 31, 1979. Runner-up was Marve Richmond who lost in a playoff, posting a high game of 82% and 73.5% for the day. Carl's high game was 87.5% with 79.4% for the day. It was good to see Jack Fahey back on the courts after several weeks of illness. City officials and Miss Clearwater greeted the spectators while Herb Pinch sought out youngsters in the crowd with a fresh clown make-up. The ladies did an excellent job running the concession with a complete sell-out of food. All in all, a lot of Fun in bright sunshine with all players receiving a prize.

Trophies and other awards were presented to the winners. Editor Mark Quigley announced that the Suncoast Beacon News would sponsor our league again next year.

## PETER CLARK SETS RECORD OF 42 STRAIGHT VICTORIES TO WIND UP ANNUAL WINETROUT WINTER CLASSIC

The final series of the 1979 Winetroutr Winter Open classic logged. A fantastic final game in Class A. Ken Elvig of Bellingham almost broke Peter Clark's perfect record of wins - 42-0.
