NHPA PRESIDENT'S MESSAGE

By Wally Shipley

I'm sorry to tell you P.D. Riley of New Mexico passed away. He was our outstanding NHPA Regional Director for Colorado and New Mexico.

Under my administration I had the privilege and honor of working with P.D. for seven years. In my opinion he was a very dedicated supporter and hard worker for the NHPA and horseshoes. He will be a great loss to our sport.

On behalf of the NHPA, I thank his wife and family for allowing him to devote so much time to the NHPA. Our sympathy is extended to the entire family.

What a difference a year makes. In 1980 the Valley of the Sun Tournament in Mesa, Arizona was completely rained out for the first time in twenty-four years. This year we had 80 degree weather for the tournament and for the entire ten days I spent there.

Again a record-breaking 192 entrees, including twenty-four women. Walter Ray Williams, Jr. won Class A while I won Class Q (ha!ha!). It was a well-run tournament in ALL the various court sites. I personally toured each location. Officers of Mesa and Arizona as well as the helpers, a job well done.

While there, I had the honor of being invited to the Annual Awards Dinner by the Rock Shadow Club in the Apache League. It was again proven what a small world. In 1941, I left Edgar, Nebraska and came to California. In 1940 Frosty and Shirley Mulinix left Edgar, Nebraska.

We had not seen nor heard from each other until that awards dinner (40 years later). There I was NHPA President seeing Frosty receive a most improved player award. It was great and an honor for Frosty and Shirley.

Wayne Rienhard, Chairman; Wayne Jones, Co-chairman; Sigrid Jones, Secretary and Merv Deanie Reheis — thanks for the invite and for all your support as well as hard work for our sport.

ATTENTION ALL STATES — We need your state flags on display at the 1981 World Tournament. I have been informed we are missing the following flags: Alaska, Arkansas, Colorado, District of Columbia, Florida, Georgia, Hawaii, Idaho, Louisiana, Mississippi, Missouri, North Carolina, North Dakota, Rhode Island, Tennessee, Utah and Vermont.

We would appreciate the efforts of all Regional Directors and State Officers in seeing that all state flags are flying at the 1981 and all future World Tournaments. Let's keep flag sizes uniform — 3 ft. x 5 ft. or 3 ft. x 6 ft.

The 1981 Proposed By-Law Changes approved by the NHPA By-Laws Committee and Executive Council are listed elsewhere in this issue.

In Mesa, Arizona, I was informed by Leo Fitzpatrick that Sue Williams, 1980 Junior Girl World Champion, was critically injured in a car accident on January 2, 1981.

Anyone wishing to send cards, send them to: Sue Williams, 204 Parker Street, Cement City, Michigan 49233.

Get well, soon, Sue. We will all pray you will be able to defend your title in top style at the Preimesberger Arena in Genola, Minnesota.

COVER PICTURE. . . In order to promote horseshoes in Ainsworth, Nebraska and elsewhere in the area, Al Hodge has strongly promoted horseshoes among the Junior Boys and Girls and has held many tournaments during the past several years. For his outstanding work, Al was presented the Ralph Fleharty Award at the 1980 Nebraska State tournament. This is a travelling trophy to be given each year to a player giving outstanding service to horseshoes.

WORLD TOURNAMENT ACTIVITIES COMMITTEE

By Alice Moran, Chairman

Greetings from lovely Minnesota to all horseshoe pitchers and their families. We are anxiously awaiting visitors for the World Horseshoe Tournament in Genola, Minnesota starting July 30, 1981.

It is our hope that you will make the trip here your family vacation in 1981. There are dozens of lakes, with great fishing, surrounding Genola which is situated in the beautiful Minnesota North Woods country. It is between St. Cloud (pop. 40,000) and Brainerd (pop. 15,000). We will have busses to both for shopping tours. Also, in Brainerd is the Paul Bunyan Park, a family amusement area. We also have buses going to Little Falls, 13 miles away, to tour the Charles A. Lindbergh Museum — his childhood home.

We have planned many family activities with special events for every age group.

Within one mile of the arena is a golf course, tennis courts, a bowling alley and a swimming area. These are for everyone.

Right on the grounds we will have tents with movies, Bingo and other activities. There is a river flowing through Preimesberger Park and we are having a kids fishing contest. The kids can participate in a field day with wheelbarrow races, etc. or go on a nature walk through the arena grounds, too.

There will be a Miniature Horseshoe Course with obstacles and challenges similar to miniature golf. We are having a long ringer contest with a winner each day and an over-all champion.

Teens can enjoy their own special dances and roller skating in addition to all the other activities.

We have planned an outdoor dance, under the stars, for everyone. It is very informal — come as you are!

The culmination of it all will be the annual banquet with home-style cooking and an old time dance.

The committee is also working on other events tailored to family fun. These activities were not designed to take away from the enjoyment of horseshoe but to enhance it for everyone.

Many people have put in a lot of time and effort to make this the best World Horseshoe Tournament ever. Come on up and sample our warm "Northern Hospitality."

INDOOR COURT INFORMATION

By Bernard Herfurth

I received many requests for information regarding "Indoor Horseshoe Courts" from my January NHPA Publicity Article in the "Digest."

I am going to try to get the NHPA to put out a format concerning the erecting and managing of an indoor facility.

The following suggestions are from my observations of Ed Domey's successful 10 court Heritage Recreation Center at Sutton, Massachusetts and from information from smaller facilities.

A good first approach to playing indoors perhaps would be the possibility of renting space in local building, manufacturing warehouse, or what have you. Perhaps a couple of portable courts could be tried out.

I would personally suggest a private enterprise in erecting a building. With an organization or a group managing such a complex could cause problems with difference in opinions. Contrary to this thought, Jim Woodson, of Texas, was successful in organizing a group to build a "Horseshoe Country Club."

A small building housing four courts perhaps would be the best approach, with the option of adding on courts in the future. It certainly would be more practical to have four courts operating on an almost full-time basis rather than eight or more running part time.

After determining how much floor space would be needed for four courts it would have to be considered how much extra space would be needed for rest rooms, snack bar, and spectator seating. Most buildings are the "Steel Structure Type" which are perhaps the most reasonably

INDOOR COURT — (Continued)

priced. It should have cement floor throughout with the courts set at floor level (not raised). It is possible that a large wood stove would take care of the heating. Depending on the plumbing perhaps heat could be set a minimum when not in use.

A stove should be set close to the plumbing. Some have good luck keeping the clay from freezing by mixing anti-freeze in a radius of a foot and half around the stake. It is suggested that you experiment with only one box at first to test the results.

Plenty of height is needed in a building to allow for players with high shoes. A few players are like "Wild Baseball Pitchers" that try to pick a man off base by throwing the ball into the "Press Box."

Sometimes a plastic ceiling can hold down the heat. "Heritage Recreation Center" uses ceiling electric fans to push the rising heat back downward.

Concerning the operation of an indoor facility, from "NHPA Sanctioned League Programs"; Tournaments monthly on weekends, handicap or classes formed by percentages; unused competition time should be reserved for practice pitching.

Bringing the sport indoor would be more impressive to unorganized players to play under the "NHPA Sanctioned Handicap League Program." There is only a minimum fee to belong to this program. Full details concerning this successful program can be had by a request for such information from the NHPA League Coordinator, Russell Gadoury, 44 Edward Road, Watertown, Massachusetts 02172, Phone 617-924-8068. Leagues can be formed from shops, stores, organizations, churches, etc. The handicap league allow unexperienced players equal chance against seasoned players. These can be sanctioned mixed leagues with women, boys, and girls throwing 30 feet with the men at 40 feet.

A practice time so much per hour is charged with a lesser charge after the first hour. Some facilities have a "Volunteer Membership Plan" with donations on an annual basis to help maintain the building.

Ed Domey, owner of Heritage Recreation Center, invites anyone to "drive to" or "fly to" Sutton, Massachusetts on a weekend of a monthly tournament. Ed will sit down with you and answer questions and give advise from his 7 years of successfully operating his 10 court facility. Write or call **Ed Domey, Route 146, Sutton, Massachusetts. Telephone: 617-865-3657.**

PRACTICE FACILITIES FOR WORLD TOURNAMENT PITCHERS

By Tony Reuter

The World Horseshoe Tournament being held at Genola, MN this summer is expected to be one of the largest gatherings ever in World Tournaments.

Many of the World Horseshoe Tournament artists might be wondering what facilities might be available for practicing to keep that sharp edge for tournament play.

Several courts have been made available for World Horseshoe Tournament practice: Genola, the sight of the tournament, will have around seven or eight portable courts located on the grounds of the arena.

Tri-County horseshoe league located at Sauk Rapids (about a 30 minute drive from Genola) will have 12 courts available (all concrete and lighted.)

Rice will have 6 courts all lighted and concrete (Correll Bar nearby and about a 20 minute hop from Genola). Anton's Supper Club at West St. Cloud has 4 courts called 'Adults Have Fun' (all lighted and concrete, about 35 minutes travel time from Genola).

If anymore courts become available they will be posted at the Arena sight. For more information contact: Anthony (Tony) Reuter, 9409 Elliot Avenue., Bloomington, MN 55420. 612-888-3745.

DOGWOOD FESTIVAL INDOOR OPEN — MAY 2 — QUINCY, ILL.

Bill Heaton, manager of the Franklin Square Indoor courts in Quincy, Illinois announces the last indoor tournament of the winter season will be held at the Franklin Square courts on May 2. Entry fee will be \$10.00 per player. First 36 players will make up 6 classes of six men each. \$3.00 per game won will be awarded plus trophies. Send ringer percentage and score to Bill Heaton, 609 South 19th, Quincy, Illinois 62301. Phone: 217-223-7137.

In Memoriam

It is with sadness that we report the sudden passing of Lowell Kinkle of Middletown, Indiana who passed away at his home on February 4.

Lowell was a long-time member of the Indiana State Association and of NHPA.

He was a participant in many of the major tournaments held in Indiana and elsewhere. A fine competitor and sportsman.

To his loving wife Gwen and family the sympathy of the Indiana State Association together with that of the National Association is extended in their hour of bereavement.

* * * * *

The New Mexico NHPA and the Albuquerque Horseshoe Club Members extend our sympathy to the family of P.D. Riley, who passed away February 17, after a long illness. P.D. was 69 years old. He retired from the Government in 1975. He leaves his wife, daughter and 2 grandchildren.

Riley was the Regional Director for New Mexico and Colorado. Although his health wouldn't let him pitch horseshoes the past 2 years, he will always be remembered for all he had done. He organized the first Club in Albuquerque in 1959, was the coordinator in getting the present courts in, and just this fall helped get the \$24,000 new lighting system put in, which he never got to see. He was the local representative with the State Fair Board, had courts installed at the Fair Grounds where several tournaments are held every year, including the State Tournament held in conjunction with the State Fair every September.

P.D. was a great promoter of the sport, and was always anxious to help anyone learn the sport. He attended as many tournaments as he could, always had a joke or story to tell and will be missed by all who knew him for all he had done and what a truly great guy he was. We also hope to carry out a dream of his, and that is to hold the Spittoon Tournament every year.

* * * * *

The North Carolina State Association lost a staunch supporter of the horseshoe sport in the person of Otto Klauba who passed away last August 28th, according to word just received.

Otto participated as long as his health would permit, his last tournament being at Weaver-ville, NC last May. He dearly loved the game and those associates that he came in contact with. He won a few meets and was very proud to have been able to have played with many champions.

He was an active sportsman but he chose horseshoes as his favorite.

His wife always accompanied him on his horseshoe trips and will miss him dearly as will all those who knew him.

The sympathy of the North Carolina Association and the NHPA is extended.

TRI-COUNTY (MINN.) LEAGUE REPORT ON 1980 SEASON

By Don Slomokowski

The 1980 league season of the Tri-County Horseshoe Pitchers Association of Sauk Rapids, MN concluded with an awards dinner at the East Side American legion post 76 in St. Cloud, MN.

A delicious ham and chicken dinner was enjoyed by the group which included State President Larye and Mae Ambrose, State VP Lloyd and Brooks Henrikson, Henry and Dolores Preimesberger, owners and operators of the beautiful arena at Genola, MN, which will be the site of the 1981 World Tournament, an event which is eagerly awaited by horseshoe pitchers in the area. Also present were Phyllis Negaard, former world champion and present state champion and husband Ronn and Jerry and Rosie Binsfeld, who made up all TCHPA trophies and awards, including the Minnesota state tourney awards. Larye commented on changes in state horseshoe regulations for 1981 and complimented Dennis Carlson, Tournament Director and the TCHPA on a fine job in hosting the 1980 state tournament. Phyllis thanked Dick and Rosie Leyk of Leyk's Mobil for their help at the world tourney.

48 TCHPA pitchers participated in the 1980 state tourney and the club is proud of the success of these people. The 22 trophies included 6 championships, 9 seconds, 6 thirds and a 4th in 12 pitcher Ladies Class "A". The first four places in Ladies Class "A" were taken by Phyllis Negaards, Sandy Karasch, Rosie Leyk and Lu Cave, all TCHPA pitchers, while Corine Cave, Julie Hollencamp and Cheryl Nathe, TCHPA pitchers, took the top three paces in Girls Class "B". Corine and Cheryl were participating in their first state meet, while Julie won first place in Girls Class "B" in 1979, in her first state tourney. Other first place winners were Fred Volkens, I-2, Ron Ruhoff N-2, Allan Winscher T-2 and Dale Bergstraser in Boys Class "E".

A plaque was awarded to Les, Lu, Corine and Kevin Cave as Horseshoe Family of the Year and Harvey Heinen was presented a plaque as Promoter of the Year. TCHPA Secretary Kathy Stueve and Mary Jo Massmann, Treasurer, were presented horseshoe pendants for a job well done.

Many prizes, which were donated by sponsors, were given out during the evening, and the sponsors who were present as guests of the club, were thanked with a round of applause. The evening closed with dancing by many of those in attendance.

In conclusion, this was a very successful season with the addition of the Junior League of 29 players, making a total of over 200 pitchers participating, our first invitational tourney at the Crossroads Mall in February, our 4th annual TCHPA Openn at Leyk's Courts in June, the success of our pitchers in the state tourney and the honor and pleasure of being asked to host the state tournament this year.

SUNSHINE OPEN AT ORLANDO, FLORIDA DRAWS NEW LOW ON THERMOMETER, BUT SETS NEW HIGH FOR ENTRANTS

By Joel Berrall

Undaunted by mercury readings in the low 40's on January 23 and 24 as they drove from all over Florida to Orlando's Sunshine Park, 69 entrants* gave Pete Peterson's club a new higher than ever attendance.

Checking the figures with Joe Berrall, club secretary, after the meet, leaders of the Orlando Recreation Department which co-sponsored the tournament and donated the trophies expresses satisfaction in noting that over 25% of the entrants were first-timers at an Orlando tournament. Local pitchers ruefully observed that out of the 30 trophies given out (1st, 2nd, and 3rd place) only three went to Sunshine Park regulars.

Steadiest pitcher of the tournament was Floyd Bartley of Bradenton who ran off a 7-0 wipeout of the competition in Class A with a 68.8% ringer average.

Significant of the quality of the competition in this meet nine men registered over 50% ringer averages (7 in Class A, 1 in Class B, 1 in Class C).

Winter Haven pitchers took firsts in three classes (Totten in B, Reeb in D, and Brown in J). Also two seconds (Howdeshel in B, Steimer in C) plus one third place trophy in Class D (Joe West). Two dropouts reduced original entry list from 69 to 67 actual pitchers but still a record.

SCHULTZ WINS TWO-WAY FIVE-WAY AT HERITAGE—MASS.

The two biggest stories in the Mid-Winter Classic held at Heritage Recreation Center, Mass., last February were the five-way tie that wasn't in Class 1, and the mis-assigned class designations in Classes 2 and 3. Going into the final round of play in Class 1 it was noted that if Bob Domey, Norm Rioux, and Ed Domey beat, respectively, Art Tyson, Joe Schultz, and Charlie Bonani, there would be a five way tie. They did. There was. Hidden away in the state secretary's head and the Mass associations' rules is a provision for resolving the tie. However, none of the pitchers were enamoured of the rule, and three of them had had enough pitching anyway. Thus, only Joe Schultz and Art Tyson were left to contend for the title. Joe made short work of it, firing 78.9% in just 38 shoes, for top honors. Tyson had to settle for 2nd spot and Rioux, Bob Domey, finished 3, 4, 5 on percentage.

The other big story was class 3. Five players in Class 3 averaged higher than anyone in Class 2, even though past performance predicted otherwise. Art Wayne won Class 3 with 58.6%. Ed Bodinski pitched 60.8% (his 2nd highest) good for second spot, and Ray Peloquin had to settle for third. Ray would have tied for first, but Dick Belanger patted him with a flat 80% in the final round. Belanger, who in previous years had never averaged higher than 39.9%, is now averaging 53.5% for his four winter tournaments this year.

Class 2 was won by #6 seed George Trabucchi, #8 seed Joe Merritt was second, and #7 seed Mike Donovan was third. These three tied at the end of regulation play. Merritt knocked out Donovan in the first playoff, yielding but 26 points. Trabucchi then held Merritt to the same 26 points in the second playoff game.

Greg Rutkowski had another big day and picked up the win in Class 4. Fran Norman, who had pitched miserably in his last couple of outings, came back with a "much more like it" 52.5% average, including a 77.8% game, to sweep Class 5.

Brenda McNeill has really arrived as a pitcher. She won a ten-person Class 6 by two strokes over her nearest opponent to sweep with a 44.8% average, a new high for her. Warren Hall stuck in a high game of 61.5% enroute to a Class 7 victory.

Larry Bernard pitched a new high of 30.4, but still needed a playoff victory over Charlie Rutkowski, who in turn had to beat Doug Tracy, to receive a three-way tie in Class 8. Franny Naples won Class 9 with a playoff victory over Mauno Petajasoja. By doing so this made him two successive tournament wins in his first starts.

KOEHLER NO. CALIF. D CHAMPB. WRIGHT E CHAMP**

Allowing 39 points to Ceres Perry in a 50-point game was Don Koehler's most charitable act of the day as the determined pitcher from San Francisco sailed through seven bewildered opponents on September 20th on his home Golden Gate Club courts to grab the 1980 No. Calif Class D Championship cup.
