COMMEMORATIVE STAMP PROJECT—WILL YOU HELP?

By NHPA Promotion Committee

Horseshoe Pitching deserves a U.S. Postal Commemorative Stamp.

Such stamps are issued on the basis of requests received. Will you drop a line to the Postmaster General (Wash. D.C.), requesting same? Either a letter or postcard would do nicely.

Those of you residing in Canada may want to consider contacting the Canadian Postal authorities, with the same idea in mind.

JULY — "PITCH HORSESHOES FOR HEALTH" MONTH

It has been decided to observe "Pitch Horseshoes For Health" month rather than a week. This is the second year that this publicity program is being tried out.

All NHPA volunteer publicity workers and all members, are requested to do their part in helping to observe this publicity month.

Once or twice during July they are requested to put articles in their local newspapers. Ask the Sports Editor if he will use the article, if not try to get a "feature article" with a regular reporter. Use the following as excerpts for your articles, family sport, boasts of a men, women boys and girls national champions, one of few sports that can be played in one's backyard. Physical fitness aspect, walking, bending, and reaching out are integral parts of our sport, year-round, many indoor facilities. Origin goes back to the days of the Roman Empire, soldiers pitched discarded shoes from horse driven chariots. Soldiers in the American Revolutionary War pitched Horseshoes on the Boston Common for recreation. The Duke of Wellington has remarked in history, "the war was won by the pitchers of steel (horseshoes).

Mention your state tournaments and leagues. Mention human interest stories of your players and organizers.

Please mention the 1981 World Tournament to be held at the first indoor arena specifically built for indoor horseshoe pitching. 18 indoor courts located at Genola, Minnesota, approximately 100 miles north of Minneapolis. Date is July 30 - August 9. Budweiser Clydesdale Horses to be on exhibition.

If some states feel that August or September for some reason is a better month, make that the Publicity Month. Please send me a copy of any article you get published: **Bernard Herfurth, 17 Fort Street, Northampton, MA 04060.** Perhaps your radio station will give you publicity.

It would be an ideal time to run a Novice Tournament. Be sure to publish the name and address of a local member for readers to contact for further information concerning future participation.

 COVER PHOTO. . . Featured this month is 1980 NHPA Player of the Year, JIM STYLES, secretary of the Merrimack, NH, Horseshoe League. Jim was selected for this honor from among all the sanctioned Players of the Year. We could tell from his state of shock that he regards this award as the greatest honor he has ever received. (P.S The error on the plaque has been corrected).

WORLD TOURNAMENT ACTIVITIES

By Alice Moran

We are looking for talented horseshoe pitchers to join in our "All Horseshoes Enthusiasts Band" at the World Tournament. If you play a musical instrument, please bring it to the World Tournament. We have a professional musician to lead your group.

We'd also like anyone interested in doing some roller skating to remember to bring their skates (padding if you need it, too).

Do you have any old Bing card games lying around the house? We would welcome them to use for our Bingo tent. We are trying to make this a family occasion that isn't going to be too expensive for you, so any help you can give us will be much appreciated.

Finally, a member of the committee is trying to work out treks in our area for all you rock hounds. All in all we should have a good time.

In Memoriam

The Ohio Buckeye Horseshoe Pitching Association regrets to report the passing on of Frank Sumpter on April 20, 1981 at the age of 80. Frank is survived by his wife, Lula Belle, one daughter and three grandchildren to whom we offer our condolences in the passing of so good a man.

On the State level, Frank appeared in 9 State Tournaments. Four times he finished runnerup in his Class. His total of 31 victories ranks him in Ohio's Top 100 of all time. Frank, who spent his winters in Florida, honored the NHPA by serving as a judge in a number of World Tournaments.

* * * * *

Our sport has lost a great enthusiast with the passing of Gilbert Brinkman of West Springfield, Massachusetts. He was one of the few 50-year players and organizers in horseshoe pitching circles.

He was a member of the Forest Park team back in the 1930 era. Also he played with the team through 1980. In earlier days he played in the Class brackets and kept on pitching regardless of physical ailments that beset him.

As an organizer he was a tournament director many times. He had charge of the horseshoe events at the Eastern States Exposition for many years. He was also active in Grange activities and was always ready to give instruction to new players.

He was a member of new New England and Massachusetts Hall of Fame.

The presence of this fine gentleman and his sportsman will be sadly missed by his many friends and associates. To his bereaved family we extend our most sincere sympathy.

JULY PUBLICITY — COMMERATIVE STAMP

By Bernard Herfurth

Good groundwork has been made this year in requesting a commemorative stamp from the United States Postal Service honoring our sport.

Former Ambassador Robert Ryan, and Former Assistant Secretary General to the United Nations has offered his guidance in the proper procedure in requiring such a stamp. One of his duties while Sec./General was to obtain a commemorative stamp for the United Nations. It took several years before it was given to the United Nations.

I was advised by Mr. Ryan to send a request by June 2 to Mr. Donald McDowell, who directs the section in the U.S. Postal Service Dept. that handles commemorative stamps. Mr. Ryan contacted Mr. Dowell by phone in our behalf. He told Mr. Ryan that the Citizens Advisory Stamp Committee meets on June 2.

Mr. Ryan approved of the letter I wrote to this Committee stating why our organization, representing approximately 30 million organized and unorganized, believed that our sport was deserving the honor of receiving a Commemorative Stamp. I sent the letter to Mr. McDowell, requesting that he present our request in writing at the June 2 meeting. Mr. Ryan plans to call Mr. McDowell following this meeting.

There is no doubt that our initial request will be turned down. Almost never is a request honored the first time around. Mr. Ryan will offer his suggestions when we re-submit our request in 1982. With patience and persistence our sport should receive a stamp in the future.

NHPA Publicity thanks all the members that wrote in a request to the Post Master General. There is no need to keep on writing this year. Several letters are as effective as thousands. I am advised that the committee does not submit to pressure in the early stages of a request.

INTERNATIONAL "HORSESHOE PITCHING" DIPLOMACY

By Bernard Herfurth

Ping-pong started grassroots diplomacy between China and the United States.

Horseshoe Pitching recently promoted grassroots international diplomacy between Togo, West Africa and this country. The Togolese players received 12 pairs of American shoes, courtesy of St. Pierre Mfg. Co and the NHPA in a special ceremony in Lome, Togo. Our lady ambassador and her aides will present the shoes with Togo government officials taking part.

One June 4, a luncheon was given by the NHPA Publicity Director in honor of Mr. and Mrs. Robert J. Ryan's visit to Northampton. Milt Cole, Sports Editor of the Daily Hampshire County newspaper was also a guest. Former ambassador Ryan, who was also Assistant Secretary-General to the United Nations for six years under the Lyndon Johnson administration is involved with the NHPA in the Horseshoes for Togo project and also an advisor to our publicity request for a Commemorative Stamp. Mr. Ryan has had the experience in acquiring such a stamp for the United Nations.

At the luncheon an informal meeting took place discussing horseshoe publicity. Mr. Ryan suggested that our organization consider an "international horseshoe pitching diplomacy plan". It would be modeled after the Horseshoes for Togo Project. The plan would involved the NHPA and the "Youth and Sports Movement" in foreign countries.

Mr. Ryan is familiar with the agencies in the State Department that help promote such grassroots diplomacy activity. He will make proper government contacts requesting the approval of the NHPA plan to introduce Horseshoe pitching in foreign countries on a diplomatic level.

Further information regarding this publicity plan will be made only after initial groundwork is completed.

APTA SPIRIT AWARD PRESENTED TO JOHN WALKER OF TENN.

(Association for the Preservation of Tenn. Antiquities)

By Mrs. Charles Gray

Our "Spring Fling" is five years old today, May 2, 1981. Five years ago, I had no idea what a horseshoe pitching tournament consisted of. But I knew I wanted to preserve not only Glenmore Victorian Mansion and grounds, but some aspects of our traditional games.

I thought I had some really hard work ahead of me in the area of horseshoe pitching, until I met John Walker. In Jefferson County, I know now, if you mention horseshoes, the next word is John Walker.

Mr. Walker is four times state champion, became a professional in 1957, and was honored in 1980 Who's Who In Horseshoes. But more than his own talent for the sport, he gives so much of himself in the promotion of the game for others to enjoy.

So what I thought would be such a task five years ago has instead been no task at all. Mr. Walker not only judges, he prepared the pitching area, furnishes all official scoring sheets, and anything else that needs doing.

The prime example of his great contribution to us here at Glenmore, is the fact that even though the State Tournament is being held today on the grounds of his home, he couldn't let not even one group of people who wanted to play horseshoes down.

He recruited and trained friends and managed to be here throughout times in the day so our FLING '81 Tournament could go on.

I cannot possibly adequately express my gratitude to him. ON behalf of myself and the Jefferson County APTA, we are very honored to present this year's APTA Award to Mr. John Walker, our Mr. Horseshoes.

LAKESIDE LEAGUE CLOSES SPRING LEAGUE AT SAN ANTONIO

By C.A. McBreaty

The league play ended after twelve weeks of pitching. The league play was on Sunday afternoons to take advantage of warm weather. There will be a fall league with night pitching, but this will not start until early September.

The league championship was won by a team composed of Jesse Brown, Pat Emerson and Tom Lockwood. They had an impressive record of 45 wins and 27 losses out of 72 games.

The high average for league play went to Hal Mineer with a 76. Hal Mineer also enjoyed pitching the high scratch game of 99. A newcomer to the club and to pitching horseshoes pitched the high game over average, Scott McBreaty who pitched 31 points over his average.

All members of the league enjoyed the fellowship that is present in an activity of this kind.

The friendly competition also helped the members improve their accuracy and game them courage to enter some area tournaments. They were able to bring home some trophies for which we are all very proud. The league play has been instrumental in adding some new members to our club. The addition of new blood is stimulating activity within the club and appears we will enjoy more growth in the near future.

ZADROGA WINS HERITAGE-BUDWEISER NATIONAL OPEN

Al Zadroga, featured pitcher in the 1981 Heritage National Open in Sutton, Mass., displayed his national ranking skills to full effect. Zadroga opened proceedings with a powerful 90.6% game, average 86.0% for his first five games, and finished the 11 game competition, having previously pitched against the likes of Joe Schultz, Art Tyson, and Ed Domey. However, he hadn't met Ed's kid brother, Bob Domey, but he knows him now. Bob handed Al his only defeat.

Bob Domey was tournament runnerup at 9 wins, 2 losses. The real surprise of the tournament was Vivien Deuster, who also won 9 games and finished third! Her only losses were to Zadroga and Schultz.

Al and his lovely wife, Emma, were treated to a Saturday night (11 p.m.) supper at Carries Restaurant, and were joined by two dozen other pitchers plus (get this, now) two first time horseshoe spectators.

Art Wayne should have played in Class 1. He walked away with Class 2 averaging 66.4%, including a bombastic 93.8% game. His most serious competitor was Joe Festa, insofar as "right back at you" goes. It seems Wayne had thrown about three straight doubles, and Festa injured whether he was ever going to miss. Wayne's retort was, "Why should I? You covered all of them."

Joe Merritt won a playoff over John Belsito to capture Class 3. Belsito had averaged 63.4% to Merritt's 60.6%, but was unprepared for young Merritt's 79.4% playoff onslaught. Russ Gadoury came out of enforced semi-retirement and squeaked out top spot in Class 4.

Fran Norman got himself untracked long enough to sweep Class 5. Gerald Labrie didn't lose until it didn't matter in Class 6.

Bill McMahon, who, along with Belsito, had been one of the year's amazing stories, won Class 7 for his third straight. Ernest Levangie narrowly edged out NHPA Player of the Year Jim Styles for Class 8 honors. Percy Howe continues to set a great example of how to overcome physical handicaps and defeated Moe Bernier in a Class 9 playoff.

The Heritage National was co-sponsored by the NHPA and the local Budweiser distributor. Sponsorship and entry fees added up to a big \$1,000 in prize money.
