Henry and Dolores Preimesberger  
 Route 2  
 Genola, Minnesota 56364

Dear Henry and Dolores:

On behalf of the NHPA thanks for hosting the 1981 World Horseshoe Tournament in your Beautiful — Fantastic — Super Preimesberger Horseshoe Arena. Our sports dream being on the inside looking out while it's raining, windy and hot.

Give my regards to the entire World Tournament Committee for a job well done. Including the Minnesota membership.

You have a beautiful campground area. The hospitality of the communities was very nice. Please give them our regards.

My hats off to the marathon 6-man team for their 144 hours of continuous pitching horseshoes. Breaking the old Guinness Book of Records of 130 hours.

Appreciate you providing the trailers and space for our games related items. The additional trailer office, arena office, and space for all the meetings.

Please give my regards and thanks to the two Radio Stations for all their interviews and exposure.

To Bob Wright editor of the daily tournament update, thanks for a job well-done.

Last but not least thanks a bundle to your entire family for all their efforts, long hours of hard work and cooperation. They deserve a big gold star.

Henry and Delores thanks again, best wishes for a healthy and successful year.

Sincerely,

Wally Shipley,  
 President, NHPA

## PRESIDENT'S MESSAGE — (Continued)

Following is one of the letters awaiting me when I returned from the W.T. I thought, what a great way to start a new year by having our sport introduced into the Boy Scout organization. Our thaks go to Bernard Herfurth for his efforts in getting this program started.

August 9, 1981

Mr. Wally Shipley  
2646 Basswood St.  
Newport Beach, CA 92660

Dear Mr. Shipley:

I am writing to thank you, as President of the National Horseshoe Pitching Association of America, for the outstanding assistance and cooperation your association accorded me in preparation for the 1981 National Boy Scout Jamboree.

I saw the Association's address in a sports equipment shop and wrote. Since time was short, I requested a response by collect phone call, and heard shortly from a most helpful gentleman by the name of Bernard Herfurth. Mr. Herfurth provided me with some buttons and flyers as well as some historical information on horseshoe pitching. My staff used this material to good purpose at the Jamboree.

Horseshoe pitching was one of five events we used to tie the Scouts to the Jamboree theme of "Reunion with History." During the eight days of the Jamboree we introduced horseshoe pitching to an estimated 5,000 to 7,000 Scouts and Scouters. It was well received.

Thanks to N.H.P.A. and Mr. Herfurth, the horseshoe pitching areas at the 1981 National Boy Scout Jamboree were more attractive and informative.

Most appreciatively,

CAPT. D.W. "Si" Simons, USN (Ret.)

Capt. D.W. "Si" Simon, USN  
1981 National Scouts Jamboree  
Operations Officer  
3840 Little Neck Pt.  
Virginia Beach, VA 23452

Dear Mr. Simon:

On behalf of the NHPA and Mr. Herfurth thanks for your appreciative letter.

Certainly enjoyed talking to you on the telephone and getting additional information concerning the Scouts and our sport.

I am glad our association played a helpful part in your Scout Jamboree in Frederickson, Virginia which is held every four years in various areas. Happy to hear many of the Scouts were interested and even requested a replay of horseshoes. After all, the grass roots in all sports and in our country is our youth. As we say in our sport "Let's keep them on the courts".

"Si" as I told you on the telephone please notify the 400 Scout Councils that the National Horseshoe Pitchers Association is more than willing to help promote our sport within the scouts if any one is interested.

**PRESIDENT'S MESSAGE — (Continued)**

Have any of them write to me and I will refer them to their locate NHPA representative. Good luck in your Scout work and thanks for including our sport of horseshoes in the National Boy Scouts Jamboree.

Sincerely,

Wally Shipley  
President, NHPA

**JOYCE DAHLBERG SUPERLATIVE IN CAMDEN, N.Y. LEAGUE**

On July 27, 1981 Monday Nite, Joyce Dahlberg pitched a total series of 304 in her Co'Ed League. In only her second year of pitching, she had games of 109, 95, and 100. Each game consisted of fifty shoes, count all. She had 56.2% ringers. Pince Grove Courts is proud of their member. Good pitching, Joyce.

**HENRY FRANKE WINS SUPER-SENIORS MATCH AT W.T.**

Henry Franke, 81 years young of Centralia, Illinois, defeated Harry Stromgren, 82 of Cedar, Minnesota in a special Super Seniors exhibition on Aug. 4 at the World Tournament.

Franke, a NHPA Hall of Famer, won three consecutive games — 50-31, 50-15, and 50-32 to win the best three of five game series. Franke pitched 51 per cent for the three games with the high single game in game No. 2 of 62 percent.

## 1981 CHANGE FOR PROGRESS

By SOL BERMAN

In 1976 Pres. Wally Shipley appointed me as chairman of a committee called "Change for Progress." The two things we concentrated most of our effort on were: finding a better method of qualifying and do away with the time consuming, boring, inaccurate 200 shoe qualifying method, that due to point padding had become a disgrace. Our other main objective was to find a way to shorten the game.

These two changes were made in 1981. This year will go down in history as the year that the NHPA made the most progress.

In 1962 Harold Craig NHPA Pres. appointed me as chairman of a committee to study alternate methods of qualifying. We submitted a format that was very similar to the one used at the 1981 tournament. It only took 18 years to make that change.

We now need a better method of seeding the players. About 8 or 9 years ago I started a list in the digest of the top 100 players. I turned the job over to Walter Ray Williams. He enlarged the list to 200 and added the boys, girls and women. The averages were calculated by taking the pitchers' best 2 or 3 tournaments (at least 20 games) and using them to get one's average.

The best 2-3 tournaments were used because facilities vary, bad weather, especially windy days would cause the averages for a tournament to be very low.

Now that we have shortened the game to 40 points, I'd like to suggest another change that would improve the game.

When the count-all system is used or when we qualify, all shoes within 6" of the stake count one point. That is, they are all of equal value. As soon as we start our games, only the closer shoe counts a point. The point I'm trying to make is, why should one poorly thrown shoe be worth more than another poorly thrown shoe.

The change that I'd like to suggest is that all shoes within 6" of the stake be of equal value. The game between Walter Ray Williams and Ben Wiedrich reached the score of 49-49. Each one had the same number of ringers and each had scored one single point. On the last pitch each one had a ringer and a shoe within 6" of the stake. Ben's shoe was closer and thus he scored a point. Under the suggested change, the two shoes within 6" would be of each value and thus no score. The game would continue and most likely be won by a ringer.

Ray Martin and Danny Kuchcinski had a game at Fargo, N.D. in 1967 that reached the score of 49-49. Ray had a ringer and second shoe that needed measuring. Danny's first shoe was a ringer. The second shoe was at least a foot short but it rolled up against the stake for the winning point and what proved to be the deciding game for the 1967 title. Using the suggested rule change the game would have remained a tie.

The change would also speed up the game since fewer shoes would be measured.

## GRANT POWERS OF MARYLAND WINS MILLER OPEN IN FREDERICK, MARYLAND

**ADVANCE NEWS ON THE 1982 W.T. AT HUNTSVILLE, ALA.**

By **BERNARD HERFURTH**

As advance man to the 1982 World Tournament I am already looking forward to returning to Huntsville, Alabama to again receive that good old Southern hospitality. It will be held from July 28 through August 10th.

Again we will be held at Brahan Springs Park where your good looks will admit you free of charge. Preparations will be made to host the tournament by Glen Wallace, Park Superintendent, and his Assistant Ken Gipson and committee. At the 1980 Tournament, every request by the NHPA was promptly taken care of by these two fine gentlemen and their park workers.

In 1980 the heat was not overbearing. The average temperature at that time of year is 79°.

The new Brahan Spring Park Courts are in the Central part of the city. There are numerous motels and eating places within two or three miles from the courts. They are excellent facilities.

Plans are being made to work with the "Huntsville Convention Bureau Housing Plan." It was a good plan as the convention bureau reserves your requested motel with a guaranteed price, which is a great help in these times of inflation.

Campers must take their own reservations. A list will be in a future Digest issue.

Continental Trailways has many arrival and departures daily. There is no train service.

Ken Gipson told me that Huntsville has added a couple of new tourist attractions in the past year.

There is no parking problem at the Brahan Spring Park.

News coverage was outstanding in 1980. Highlights were having the "Today T.V. cameras present on the film day, coast to coast U.P.I. radio broadcast and also to the armed services overseas, as well as having as many as three different T.V. crews on the courts at one time and also having Tony Triano broadcast the 10 o'clock T.V. Sports News direct from the courts two nights.

It's never too early toward making plans for the 1982 World Tournament.

## NEWSPAPER PUBLICITY FOR OCTOBER

By **BERNARD HERFURTH**

All volunteer publicity workers and any other members interested in giving our sport newspaper publicity are asked to use the following suggestions for an October article.

In areas where October ends the outdoor season it is suggested that you summarize a write-up giving the highlights of the outdoor season. (1) Offer a write-up of all the state tournaments and the names of the champions, (2) Include a write-up on your league programs, (3) Newspapers are more interested in human interest stories than scores. Try to get one or more feature stories on players in your area, (4) Write-up any progress of the sport in your area and state, (5) Any special plans for 1982.

Please put an article in your local newspaper during October. Visit your sports editor, write out a few notes. They will write an article in their own style. Call on the phone or send in an article by mail. It always pays to take the reporter to a noon luncheon if possible.

I would appreciate it if you would send me a copy of the published October article, Bernard Herfurth, 17 Fort Street, Northampton, Mass. 01060.

## NHPA HALL OF FAME MEETING HELD AT 1981 W.T.

By Bernard Herfurth

The NHPA Hall of Fame Committee held it's annual meeting during the World Tournament.

President Wally Shipley thanked the committee for their interest and work during the past year.

The committee congratulated Wally on being re-elected for a record fifth term of office.

Lee Davis reported on a small special plaque with the names of pioneers of our sport. These names undoubtedly would have been candidates to the Hall of Fame if one had existed in the early days of our sport. When any of the names on this plaque are elected to the Hall of Fame their names will be taken off of the special plaque. This plaque was designed to ensure that these pioneers would not be forgotten.

Starting next year the committee will elect one player, one organizer and two 70 year or over candidates. The reason being that the over 70 category is large and the player category is getting smaller in qualified candidates.

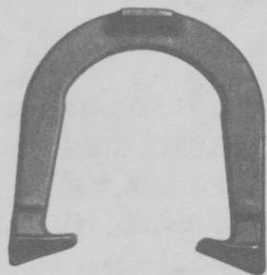

A motion was passed to reword the rule that a candidate must be a member for ten (10) years to be a qualified candidate. The rule now reads: the candidate must be a member in a specified category for ten years.

For 1982, it was decided after the tournament schedule is arranged, that the executive council shall decide when an opportune time would be to have the Hall of Fame induction take place on the courts.

After being chairman for ten (10) years Bernard Herfurth is stepping down and will be replaced by Ruth Hangen. Ruth has been a faithful member for many years. This will be the first time that a lady member will head a committee for our association.

Herfurth thanks the NHPA for the beautiful plaque that he received for his service and thanks the committee for their kind remarks.

## TRIBOUT & TEETER FIRST PLACE WINNERS AS ST. LOUIS, MISSOURI WED. NIGHT LEAGUE CLOSSES FIFTH SEASON

By Robert Voss

The League closed out its fifth season on August 19, 1981. Mark Tribout and Jerry Teeter took first place with 47 wins and 24 losses. Each of them received individual trophies and will have their names inscribed on the Danny Tribout Memorial Trophy. Mark was the most improved player, had the highest percentage of ringers in one game (80%), and led the League with a 39.5% average. Bob Voss had the highest percentage of ringers over average in one game (70%). The Sportsmanship Award went to Terry Tribout, who had to use substitutes for half the season.

## TULK, SMITH & PEXTON CAPTURE DIVISION TITLES IN LARAMIE, WY. OPEN TOURNAMENT

Tulk, a cagey Colo. pitcher, always prepared to trounce opponents did that very thing to all but one member of the men's championship class. As a result of Tulks victories the manager awarded him the first place trophy. Evelyn Smith the queen of Wy. lady pitchers added a first place trophy to her collection by defeating all opponents in her class. Jed Pexton the Colo. state junior champion out-pitched all Jr. opponents to take first place but brother Terry nearly pulled an upset in the final game. Stemple of Wy. emerged the winner of men's Class B with a single loss to Boss of Colo. Whitmer of Wy. defeated all but one Class C opponent to win the first place trophy. Class D title went to Wellborn of Colo. However, two of his opponents tagged the Class champ with losses. Olson of Colo winner of Class E suffered one loss to a fellow Coloradan. A newcomer from Neb. by the name of Lohry captured the Class F title. He defeated all opponents.

## REGIONAL CHAIRMAN'S SEMI-ANNUAL REPORT

By Claude White

**Archie Roach**, our RD from Texas states that Texas has kept to her schedule and that they have had very good tournaments; in Stephenville they had six full men's classes and two women's classes, the latter particularly reflecting increased participation by the women over previous years. Four leagues that are doing very well are Arlington, San Antonio, Del Rio and Stephenville.

Rice University has asked for information on how to install eight lighted courts. This will be a boon for the Houston pitchers as well as for the intramural program for the University. Stan Smith, Assistant RD is handling the details and has an appointment to meet with the responsible officials on the campus. Archie has located a site, Arlington, that he has a mind to host the first Regional Championship tournament for Region A, which is now scheduled to be held next year. Archie is asking for patches (Regional) for this tournament. He hopes to generate some money from this tournament to replace the \$75.00 the NHPA sends to RDs, or just add to it for their own activities. Archie, yo see, gives out part of this money to his Assistant RDs for postage, etc. Good idea, Archie!

**Jim Burrow**, the Assistant RD from North Texas has been extremely active this year. Jim, who is also State Coordinator, has written letters to the State Division Directors of the various clubs asking them for reports on their activities, plus he is trying to start a newsletter. The following is a report on club activities which Jim sent to all State Division Directors:

**Blackwell, Oklahoma** had nine tournaments in 1980 with only 25 members in their local club. Jim received reports that they had pitchers from Oklahoma, Kansas, Texas, Missouri and Arkansas pitching in their tournament which indicates that they may have had good turnouts.

**Waynoka, Oklahoma** with 25 to 30 local club members in 1980, may have had three tournaments with pretty good turnouts; also had some pitchers from Kansas competing.

**Ponca City, Oklahoma** has about 30 members in their local club; they also have a handicap league. They hosted the 1980 Oklahoma State Tournament and the Annual Donut Open, which to Jim's understanding was the biggest tournament in the country this year, with cash and prizes worth over \$10,000. Jim says they had pitchers from Nebraska, Kansas, Missouri, New Mexico, California, Oklahoma and Canada. It would be nice if you could make this tournament next year.

**Marshall, Oklahoma**, to Jim's knowledge, has not organized club, although they held one tournament there last year with a pretty good turnout, about 54 pitchers. Jim held their Annual Spring business meeting there. The City of Marshall was having a celebration of Prairie City Days and the local pitchers of Marshall built a float for the Oklahoma HPA. The State Champions, Officers and Jim rode this float in the parade with the rest of the pitchers walking behind as a group with their horseshoes. Marshall has no regular courts at this time. They just drive stakes in the ground and build boxes and fill them with sand, and they had a lot of fun. Their local pitchers go to a lot of work for this one event. They believe after the good turnout that they had, that the City will now build them some official courts.

**Bartlesville, Oklahoma** has no organized club and held one tournament in 1980 with a good turnout. Not known if they had any out of state pitchers or not.

**Guthrie, Oklahoma**, to the best of Jim's knowledge, has no organized club. They held two tournaments in 1980 and in their spring tournament they had a good turnout with about 25 pitchers, although due to lack of communications, their fall tournament had a very poor turnout.

**Sallisaw, Oklahoma** has a local club although Jim does not know how many members they have. They had three tournaments last year with no word on the kind of participation they had.

**Yukon, Oklahoma** has about 13 local club members. In 1980 they had a handicap league with about 24 pitchers. They also had two tournaments in 1980.

**Edmond, Oklahoma** is interested in horseshoes, according to Larry Fordyce, the West Central State Division Director, who is trying to get something started in that city. Good luck, Larry.

Recently, cooperation has developed between North Texas and Oklahoma by Archie Roach and several Texas HPA officers. For the first time in history, the Texas and Oklahoma pitching schedules were coordinated so that no dates are in conflict. This should mean a better turnout for the tournaments in both states.

**Arlington, Texas** (Ironbenders) is a very strong club that is now participating for the third year in a row in the Fort Worth "May Fest". This is a charity event and the Ironbenders run a horseshoe pitching booth. The past two years they made more for the charity than any other game's booth in the May Fest complex. More than 300,000 people attend this fun festival each year.

Jim believes we are off to a good start this year and also thinks that we will be having more sanctioned tournaments than ever before. The NHPA will be helping to sponsor two of their tournaments. Yukon, along with Ponca are planning to have Handicap Leagues again. Jim says that they have many more tournaments this year and believes that, with their newsletter concept being approved, they will begin to have better turnouts for each tournament.

## REPORT — (Continued)

**Ed Severs**, our Assistant RD from South New Jersey says that Bridgeton is putting in four horseshoe courts and that Vineland is considering installing lights for their courts.

**Lee Davis**, our RD from Florida writes that their season was a complete success, with tournament participation running from a low of 24 pitchers to a high of 104 entries, for an average of approximately 60 players. The highlight of their season was the U.S. Invitational, which was a wonderful tournament and a complete success. The Clearwater Club can be very proud not only in holding this tournament but in the way it was conducted. The Club was grateful to Chief Charlie for making it possible. This tournament was an experimental one with the top eight men and top eight women in the world competing; the men played a double round robin and then an eight-person round robin. The ladies played just an eight-person round robin with Opal Reno winning the Championship. In this tournament, only ringers counted and only for one point. Mark Seibold bested Walter Ray Williams, Jr., the World Champion by one point in the final, in overtime. "Dead Eye" averaged 91.1% for his 14 games but only hit 82% in the final game of the ladder, ending up in a tie at 50 shoes. To break the tie, four more shoes were pitched and Mark had four ringers to "Dead Eye's" three to win by one point!

Even through this was an experimental tournament, all seemed to enjoy the type of play. The spectators also enjoyed it as it seemed easier for them to understand what was going on. By the way spectators kept going and coming, there was an average of over 2,000 most of the time. The Florida State HPA elected Carl Steinfeldt President for the coming season. Carl won the State Championship and was third in the Invitational Tournament. Carl has done more than his share for the Florida Association and under his guidance as President, the Florida Association is looking forward to a greater season than ever.

**Barry Chappelle**, our RD from Oregon reports that the Northwest area is off to its usual busy season. Idaho is having three sanctioned events, including the State plus some other ones. Oregon has a sanctioned event every weekend between May 3 and Labor Day, except for two, so Barry says he will be pitching quite a bit. Also on the Oregon calendar was an Old Timers Day (unsanctioned but well-attended and a lot of fun. They had 40 guys over 60 and all prizes were donated. Everyone received a prize and there was no entry fee) held on May 16, their annual State Doubles Tournament and a special North-South team match featuring the best six pitchers in the North against the best six pitcher in the South. In that one they played for \$200.00 which is donated every year by a lumber mill. One of their pitchers is a foreman there. Our big money event is held in the end of June each year and we are looking forward to it in Hermiston. Last year over \$3,900 in cash was given out — this year should be just as good. The NHPA donated \$300; our State put in \$100 and the rest is raised by Rick Rebman of the Hermiston Club. He would be a good candidate for some kind of NHPA award for his efforts. I'm sure that this is the largest money tournament, except for the World, anywhere. That \$3,900 given out was **all cash** - no merchandise. Dead-eye Williams will once again be in attendance. Barry has had some trouble with Washington Secretary Herb Okeson, in publicizing this tournament. Washington has a tournament the same weekend in the far opposite corner of the State, over 350 miles from Hermiston, but Herb still wouldn't publicize this event in their newsletter. He's fiercely protective of his State and thinks we will hurt the attendance at this other tournament but Barry is sure both events will go well. There are plenty of pitchers in Northwest Washington who have no interest in Hermiston and they will support the Washington event. Barry says that Herb is a crusty old goat, set in his ways, and unwilling to change, but he's also one of the hardest and most dedicated workers I've ever seen. We'll get good support from Washington anyway because Rick gets out a lot of publicity on his own and Washington has always attended well, anyway. Once again, Wally Shipley designated Barry as the official NHPA Representative at this event. Barry says that he is especially pleased to have his father elected to the NHPA Hall of Fame. Washington also has a packed schedule this year and things are going o.k. up there. The only thing their area needs is better weather. It's been a very wet spring.

**Walt McGarvey**, our Assistant RD from Idaho reports that they had two sanctioned tournaments in 1980. There is a new club forming at Sandpoint, the North part of Idaho is really waking up. Priest River and Samuals are now together, with Priest River having one small tournament last year. Walt wishes they could get more sanctioned tournaments but the people are hard to convince. He stuck his neck out a few years ago and had a Boise tournament sanctioned but ended up having to pay the State and National dues for a lot of them out of his own pocket. Boise had two tournaments there, plus the State. Buhl also had two tournaments, as well as Idaho Falls. Idaho Falls and St. Anthony are now together, too. The largest, most active club in South Idaho now is at Fairfield, and they showed up en masse at the State Tournament. They would like to get the State Tournament for Fairfield in 1982. Pocatello had a club started, but it never got off the ground very far. Nampa caved in completely; there has been no horseshoe activity there since the later 1960s.

## OREGON TERRITORIAL DAYS OPEN TOPPED BY BEN WIEDRICH SANDY BARTEL LADIES' TITLIST; TOM GIBSON IN JUNIORS

Wayne Maag was the lucky winner of \$50.00 for pitching a game of 25% above his average. He entered the tournament at 43.48% and pitched a 69.44% game. Congratulations, Wayne. There were also several records broken for 1981 during this tournament. Ben Wiedrich had 13 consecutive doubles in his game against Barry Chapelle and they also had 6 consecutive 4 deads during this game. Ben also had a new high percentage tournament for the year — 82.55%. That's good pitching. Bill Hulshof had 12 boys and girls in the Juniors tournament. ## ADVANCE NEWS ON THE 1982 W.T. AT HUNTSVILLE, ALA.

By BERNARD HERFURTH

As advance man to the 1982 world tournament I am already looking forward to returning to Huntsville, Alabama to again receive that good old southern hospitality. It will be held from July 28 through August 10th.

Again it will be held at Brahan Springs Park where your good looks will admit you free of charge, preparations will be made to host the tournament by Glen Wallace, Park Superintendent, and his assistant Ken Gipson and committee. At the 1980 tournament, every request by the NHPA was promptly taken care of by these two fine gentlemen and their park workers.

In 1980 the heat was not overbearing, the average temperature at that time of year is 79°.

The new Brahan Spring park courts are in the central part of the city. There are numerous motels and eating places within two or three miles from the courts. They are excellent facilities.

Plans are being made to work with the "Huntsville Convention Bureau Housing Plan". It was a good plan as the convention bureau reserves your requested motel with a guaranteed price, which is a great help in these times of inflation.

Campers must make their own reservations. A list will be in a future Digest issue.

Continental Trailways has many arrival and departures daily. There is no train service.

Ken Gipson told me that Huntsville has added a couple of new tourist attractions in the past year.

There is no parking problem at the Brahan Spring Park.

News coverage was outstanding in 1980. Highlights were having the "Today" T.V. cameras present on the final day, Coast to Coast, U.P.I. radio broadcast and also to the armed services overseas, as well as having as many as three different T.V. crews on the courts at one time and also having Tony Triano broadcast the 10 o'clock T.V. sports news direct from the courts two nights.

It's never too early toward making plans for the 1982 world tournament.

## C. GILES WINS UTAH ARCH STOKES MEMORIAL OPEN

Horseshoe pitchers from many cities across Utah gathered at the Liberty Park courts in Salt Lake City, Utah to participate in the annual Stokes Memorial Tournament. This tournament is in honor of the late Arch Stokes who was the inspiration behind the great surge in horseshoe pitching in the state of Utah about thirty years ago. Murray, Utah became the horseshoe pitching capital of the World Tournament competition during that early period. The Murray group hosted the World Tournament for many years with much of the credit going to Arch Stokes. After his death, his wife Mary supported and sponsored the Arch Stokes Memorial Award in World Tournament competition as well as the Arch Stokes Memorial tournament in Utah. The tradition is still being carried on by the Stokes family, namely his two daughters, Mrs. Winna Erickson and Mrs. Maurine Cook.

A feature of this year's tournament was the 5 exhibition games put on by Jonathan Williams of Chino, California who is a brother to the World Champion, Walter Ray Williams. In the five games he averaged 85.5 percent with a high single game of 94.5.
