Just a reminder, below is listed the new method of calling the score (which was passed by the convention delegates):

**WORLD TOURNAMENT — JULY 27-AUG. 7 — HUNTSVILLE, ALA.**

*By Bernard Herfurth*

As the advance man for the 1982 World Tournament, I urge everyone that enjoys such a tournament, not to miss this year's event as it promises to be an excellent one.

It will be held at the Brahan Springs park in the heart of Huntsville, Alabama. It is an easy city to find your way around. Memorial Avenue is a short freeway running

## W. T. — (Continued)

north and south through the city. An easy accessible service road is on either side of the freeway, with many motels and eating places available, all about two to four miles from the courts. Parking for cars and campers.

Donnie Roberts and the tournament committee have arranged an excellent schedule. With the 200-shoe qualifying round being eliminated four days have been saved. The extra time being used for round-robin competition. There will not be any playing during the heat of the day. Some extra time can be used for relaxation and other activities at your motel or for shopping in the air-conditioned mall or for sight-seeing.

Newspapers, TV stations, and radio stations will give excellent coverage of the tournament.

A delicious buffet will be offered at the NHPA dinner, Hall of Fame ceremony and dance. Everyone is invited to attend this event at 6 p.m. on Sunday, August 1. Ruth Hagen, chairlady of the Hall of Fame Committee will be in charge of the ceremonies.

On page 11 of the News Digest it was suggested the World's Fair at Knoxville, Tenn. as an added incentive for attending the World Tournament. It is an official international exposition with major industries, nations and associations world wide being represented. Daily spectaculars, parades, celebrity appearances, fun fair amusement, showcase of rides, games and arcades. Also a chance to sample culture, cuisine and shopping from far away places.

Getting back to the World Tournament activities, each contestant in the World Tournament will be notified by Donnie Roberts as to the exact day and time they will complete so that they may plan their trip accordingly.

## JULY — "PITCH HORSESHOES FOR HEALTH" MONTH

July is the month that the NHPA promotes "Pitch Horseshoes for Health" throughout the United States and Canada. NHPA Publicity requests that all Regional Directors, State Associations, local clubs and members help in getting our sport special publicity during the month.

You can help in the following manner: give articles to your local newspapers, TV stations, radio stations, calling attention to the World Tournament, activity in your area this summer, location of your courts and who to contact for information. Offer a copy of the 12-page flyer from the NHPA. Copies of which may be secured from Donnie Roberts, 9439 Camp Creek Road, Lucasville, OH 45648.

A big boost would be to conduct a Novice Tournament, new players, no entry fee, 20 or 30 count-all games. Have a club member or NHPA member on each court to instruct, each scorekeeping, divide into two classes, those who have pitched before and strictly beginners, even mixed classes.

NHPA Publicity is interested in how you cooperated with this publicity. Send details to Bernard Herfurth, 17 Fort St., Northampton, Mass. 01060.

## STEINFELDT RETAINS FLORIDA "POW-WOW" OPEN TITLE

Horseshoes in Seminole, Florida is on the increase. Everything is beautiful! The weather smiled while Mr. Wind's gentle breeze was caressed by the warming rays exuding from Mr. Sun's heated fury. Exultation was blazing in the eyes of the entrants, and the air was filled with anxiousness and expectation while a total of 70 men and 4 women waited the command to start play. For the first time in the tournament history a women's class was incorporated into the tournament. They along with the men battled, vied for prizes in twelve different classes. These stout-hearted gladiators all desired to claim the title of "Mr. Iron-Tamer" in their respective classes. During the two-day Seminole Pow-Wow Tournament, and 80 plus degree temperatures, the participants walked 77 miles, pitched 20,338 iron horseshoes weighing a total of 3,177,81 pounds. Competition and exercise is the name of the game.

Carl Steinfeldt of Clearwater, Florida, Past World Champion and defending Pow-Wow Champ had little trouble winning the over all Championship winning all his games over eager opponents with a fine 70 percent average ringers. His name will be engraved on the Mayor's plaque and returned to the Mayor's Office at Seminole City Hall.

A new system of settling ties was used for the first time and proved very time saving. Two man ties for first place resulted in the man who won over his tied opponent being awarded first place. Ties resulting in more than a two man tie were determined solely by ringer percentage. Class standings were as follows:

## **\$2000.00 WORLD TOURNAMENT "GIVE AWAY"**

I have done enough talking and pleading and trying to be nice about it. Ten years is a long time for not getting results. I only have two choices now because years are catching up with me too. My choices are to put up or shut up. It is just impossible for me to shut up so I have decided to put up. Money is something that we don't like to talk about but sometimes it gets the job done. I do hope this will be one of those times.

### **LOCATION**

***Holiday Inn — Huntsville, July 28 thru Aug. 8***

I will be giving away \$2000.00 in \$100.00 bills to anyone that can help in any small way to improve our sport. It is hard to believe that there are so many good things to improve our sport that have never been given life. I have discovered over twenty and there has to be many more hiding on us. I will give away \$100.00 for every one of my twenty that anyone can point out are not needed or not a big improvement for the future of the sport. I will give \$200.00 for any improvement you can come up with on any part of my plan. I will give \$300.00 to anyone that can add to what I have. If more than \$2000.00 is needed, it will be my pleasure. Any money that is not given away will go the the NHPA.

### **TO-GETHER**

Only by pulling together can we achieve the maximum for our sport. We can harness horseshoe to give it the muscle needed to compete with any sport. I say this because it can be made into one with more to offer by far for all mankind. The time is ripe now for us to make our move. The whole wide toubled world is hungry and searching for the nourishment our sport can be made into to provide. . . How can we let them down?

Dear Mr. Cobb:

I do not like the proposed rule change of the Foul Line because I use two short steps to deliver each shoe, rather than one long step. I have to stand about one foot further back to comply with the proposed rule (to have to have both feet behind the stake before taking the last step forward in delivering the shoe.)

I like the Foul Line as it is now, three feet ahead of the stake.

Yours sincerely,

Joseph H. Templeton

Dear News Digest Readers and  
Horseshoe Pitchers Everywhere:

May 7, 1982

Well, it's the age old discussion again, the Foul Line. Unfortunately, in our game of horseshoes, very few people want to up-grade it. Each time there is something which will better our game, we end up shelving it because no one wants to try something new.

In reading the May 1982 Digest, I see a letter from W.A. Courtwright of Fenton, MO. Mr. Courtwright writes about a thing called "The Point of Release". I have no idea how long Mr. Courtwright has been pitching horseshoes, but to state that the point of release must be equal for every pitcher is an impossible situation. The physical make-up of a human being does not permit a person who's arm is two feet long to release the shoe at the same point that a person with an arm that is two and a half feet long. And to say that a foul line raised or otherwise, three feet in front of the peg will equalize the physical differences in humans is absurd.

In that same issue, I also see a letter from Walter Busse of Appleton, Mn. According to Mr. Busse, the pitching change or altering is not correct. It would seem to me that Mr. Busse would change a basketball games rules to such that if you shoot and score a basket, you should get the ball back to try again. Unfortunately, our game of horseshoes does that. If you are good or lucky enough to score you get the Mud. As any pitcher knows the mud is a definite advantage in any horseshoe game. I personally cannot see allowing any one to monopolize the mud. I'm sure you all will way, well, to get the mud, you have to throw two ringers on top of your opponent. That is true, but, you have to go a little further in that statement. To get the mud, you have to throw two ringers that stay on the peg. How many a game has been lost because you threw two ringers on, but lost one of them and three points put your opponent out?

I could go on forever with do's and don'ts about our game but the Digest doesn't

have the space and I don't have the time. So I will summarize my personal feelings as follows:

I hope that the governing body and the pitchers approve the changes in the Foul Line Rule and the Alternate Pitch Rule unanimously.

Dear Editor:

Re: By-laws Committee and proposed playing rules changes.

It seems to me very redundant to go backward in playing rules to some 40 years ago. The foul line change recommended by the committee was in the rules then and was taken out to make the Great Game of Horseshoes more pleasure and easier to play for millions of people. Among my acquaintances there are at least five people, who because of physical problems, will be unable to pitch horseshoes. If there are changes that cause even ONE person to be unable to pitch, I believe they should not be made. The sport has been going relatively trouble free, very easy to understand, and very enjoyable until now. WHY CHANGE IT. I believe if something works don't fix it. I think, as Bill Courtwright, that if there is trouble with the foul line that we should go back to the raised foul line.

The alternative pitch rule is totally unacceptable as far as I'm concerned. That would cause no end to confusion in the game of horseshoes. First off, I and most other pitchers that I know want to EARN the right to first pitcher rather be given it free just because it happens to our turn.

Second, it would cause all kinds of confusion with spectators and scorekeepers as well. The way it is now spectators know pretty well who is winning the game or at least who scored on the play by the party that pitches first. This rule would also lend to confusion with the players as to who was to pitch first. Let's leave it, that we have to earn the right to first pitch.

I believe the committee could have spent their time to better advantage than trying to confuse the game and make it harder for some players to play and beginners to understand. They should be replaced with people who have the betterment of the game as their goal.

Yours Sincerely,  
Marion V. Hawley

## NHPA PROMOTION COMMITTEE REPORT

By Sol Berman

The U.S. Open Tournament in Clearwater, Florida Apr. 1-2-3 was a well run successful Tournament.

The highlight was Carl Steinfeldt's perfect game (50 straight ringers).

Col. Glen Portt won the Senior Tournament. Glen toured Michigan with Jimmy Risk in the early 1930's.

The finals of the Tournament was videotaped by CableVision of Clearwater. I arranged to get a copy of the tapes.

Medical Tribune News is preparing an article on the health benefits of pitching horseshoes. They send a photographer to my home to get some action shots.

### CORRECTION ON TEXAS INVITATIONAL TOURNAMENT

In the printing of the Texas Men's Class. Lloyd Viles name was inadvertently omitted and his results were shown with Bob Graham's name. Bob Graham did finish in second place and Lloyd Viles in third place. There results are as follows: Bob Graham, 6-1; score 209; ringers 179; Shoes 280; Percentage 63.9. Prize \$180. Lloyd Viles. 3-4; score 160; ringers 145; Shoes 280. Percentage 51.4; Prize 160.

### VINCE YANNETTI, CANDIDATE FOR 2nd VICE-PRESIDENT

I am running for the position of NHPA 2nd Vice-President and earnestly solicit the support of the NHPA membership during the 1982 Convention at Huntsville, Alabama.

After almost 41 years with American Cyanamid Company, I recently retired as a Production Superintendent. This management position honed my skills in working and getting along with people. Further, being retired, I would have the time to do whatever jobs are assigned me.

A brief synopsis of my involvement in horseshoes starts with my joining the NHPA in 1964. I have held almost every position in the New Jersey State Association, including that of President; I have been the State Statistician since 1969 and am presently 3rd VP, Statistician and Historian. I was awarded the NHPA Achievement Award in 1975, voted into the Middlesex HPC and the New Jersey State Association Halls of Fame in 1979. I have been a New Jersey Delegate several times and was recently appointed as Regional Director for New Jersey, Delaware and Maryland.

As most of you probably don't realize the strength of my devotion to horseshoes, let me say, that as Statistician for the NHPA I have been at every World Tournament since 1974 where, for a period of about 10 days, I've worked for approximately 16 hours each day. I think this speaks enough of my love and devotion for horseshoes, which I'll bring to the position as 2nd Vice-President, if elected.

It is my feeling that horseshoes may well begin to come into it's own sometime during the 1980's and I seriously believe that I am fully capable of contributing to the NHPA. I would appreciate your full support.

### ORLANDO CLUB COPS 3 FIRST IN FLA. SUNSHINE OPEN

Despite the heavy rain that cut short two of the four classes scheduled for two-day Orlando Sunshine Open held at Orlando, Florida on March 5-6, the legendary luck of Sunshine Park held out and all 62 pitchers got their money's worth.

The City's Recreation Bureau donated the trophies which visiting entrants acclaimed "tops for the FHPA season", and Orlando Club pitchers happily held on to win 1st Place trophies in three of the eight classes run off.

As an expression of appreciation for year-long assistance the Club gave a desk pen set to Sunshine Park Manager, Jenny Long inscribed, "Class A and Number One".

**SUNSHINE OPEN — (Continued)**
