## FROM YOUR PRESIDENT . . . DAVE LOUCKS

Just over one year ago, shortly after taking office, I used this publication to mention some of my ideas on how we might improve Communication. One of those thoughts was a newsletter that would be sent to State Officers but, primarily, directed to Charter Presidents. The time and opportunity to initiate such a newsletter is now at hand.

Webster defines communication as "a process by which information is exchanged between individuals." That statement very well says what I want the newsletter to accomplish. However, pay particular attention to the key word, "exchanged." The newsletter, to be successful, has to be a two-way street of communication. It will not become the intended forum for communication unless you, the Charter Officers read and, from time to time, contribute your comments and ideas to the newsletter.

Initially, the plan is to publish about 6 times annually. The actual frequency and content will for the most part, be dependent upon you, the Charter Officers. If you support and use the newsletter as it is intended, it can be a very valuable and informative tool for all State Charters and the NHPA. To get the first issue off the ground, I not only need your support, but your input as well. One of our first subjects is to be the discussion of a pitcher's average; how it is established and maintained. Many states arrive at a pitcher's average by a method not used by a neighboring charter. The NHPA hopes to change this by starting a centralized Stat Center where all NHPA Members will have their average established and maintained in one format common to all Charters.

I have now given all Charter Officers a subject on which to reply. This is a test case and the reply of all Charters is important to determine the extent of your interest and support for the Newsletter. By December 30th, please send to me, as a minimum, your reply to the following: 1) the most recent name and address list of your current Charter officers and when they change; 2) How does your Charter determine a member's current average? 3) How do you think it should be established? 4) Would your charter support an NHPA central Stat Center and abide by averages that it published for interstate, regional or national tournaments? Charter Presidents, let me hear from your or your designee.

COVER PICTURE . . . From the land of the Midnight Sun (Alaska) we present this month Larry Hettrick of Wasilla, Alaska, Alaska's Men's Champion and Karen Sutton, Alaska, who retained her title as Ladies champion.

## CORRECTION FOR ERROR MADE IN W.T. SITE VOTE

In the vote tally for the bids for the 1988 W.T. the Florida State Association 8 delegates cast their entire delegation in favor of Ohio instead of the 2 that were printed in the October Digest. A line was skipped and as a result the Georgia vote was also wrong. Although they had 3 delegates to the Convention, they only cast two votes for California instead of three as noted in the October issue. The count printed for East New Mexico should have been 1 vote for California instead of 2. Your editor regrets this error.

## MINUTES — (Continued)

President Loucks explained the trust for juniors and the lack of entries.

Publicity Chairman, Bob Champion, addressed the delegates going over the names of his committee members.

Ed Domey, NHPA Nation Buyer, addressed the delegates and called for NHPA members to buy all game related items from NHPA dealers. Please do not buy from others as the NHPA gets no benefit. Several national ads were mentioned plus a more visible NHPA in the form of a motor home to travel nationwide.

President Loucks discussed subjects. He pointed out that the world entry fee was up but so was the prize money. This was the first year for prize money in all classes. More pages and increased type size were mentioned as improvements in the Digest. The trust fund for juniors was explained.

President Loucks explained a new voting format to the delegates. A ballot for each state chairman was explained with all seven Constitution and By-Laws changes listed on it. After the changes are presented and discussed the state chairman will tally the vote for his state and record the vote.

The Constitution and By-Laws proposed changes were presented to the delegates with the following results:

1. ARTICLE II, Section 3, Delegates... added the statement that the Charter spokesperson must be a current subscriber to the NHPA News Digest. The vote was 186 Yes, 32 No.
2. ARTICLE II, Section 4, Delegates... The Proxy Vote passed 178 to 40.
3. ARTICLE II, Section 7, Delegates... related to the Proxy Vote, each Charter will now be allowed to vote its maximum delegates providing it has a spokesperson in attendance. The vote was 201 Yes, 17 No.
4. ARTICLE VII, Section 17, Tournaments... all future bids for a World Tournament must be in the hands of the NHPA Secretary by the 15th of April. 5. ARTICLE IX, Section 6, Compensation Allowance... The amount allowed Vice Presidents is increased to \$400 annually. The VP chairman of RD's and the Publicity Director are to receive a \$400 allowance. The NHPA President will receive \$100 a month. The vote was 196 to 22.
6. ARTICLE IX, Section 7, Publications... The 12 month subscription cost of the NHPA News Digest was raised to \$12.00 for non-members; \$11.00 for a member and \$10.00 for a household with 2 or more related adult members. The vote was 196 Yes, 22 No.

Although it received 144 votes in favor and 74 against, the proposal to separate the country into three regions and rotate the World Tournament failed by 2 votes.

*Seasons Greetings*

**MINUTES — (Continued)**

Pleasanton, California won the 1988 World Tournament bid with a \$40,000 bid. Huntsville, Alabama bid \$30,000 and Sports Enterprises, Inc. bid \$75,000. The vote count was California 118, Ohio 87, and Alabama 3.

Walter Ray Williams expressed concern that we had no waiting list this year for late entries to replace drop-outs. He, also, expressed concern over the Deadeye Flip Shoe which the officers had failed to approve.

Another delegate stood and spoke about the ability to move up. A Donnie Roberts statement about no limit to how far you can go if you pitch well enough was the source of his concern.

President Loucks asked for bids for Regional Tournaments. No interest was shown.

Barry Chapelle to a two year term as Second Vice-President, Bonnie Seibold to a two year term as Fourth Vice-President, and Donnie Roberts to a two year term as Secretary-Treasurer were the NHPA Offices up for election. All three candidates were elected unanimously and ran unopposed.

The meeting was adjourned by President Loucks.

Respectfully submitted:

## REPORT FROM ELLIS COUNTY OKLA. LEAGUE — SANC. 85-122

By BEVERLY BORN, DIR.

Our first full year as a sanctioned club has now drawn to an end. We are proud, of our 30 members, their pitching, sportsmanship and their support. We had a ten week spring league and a seven week fall league and four great tournaments.

I am very pleased to announce that our entire 1986 membership will be full NHPA members in 1987. The memberships will be paid from our club treasury, an incentive to our loyal supporters and appreciation for everyone's hard work.

Wish I could list all our members, with praise to each individual. Since I can't, I do want to say that each of them are outstanding, from the newest beginner, to our most proficient pitchers. THEY ARE ALL WINNERS.

## KENTUCKY METRO LEAGUE CLOSES SEASON — SANC 82-100

The Metro Horseshoe League finished the 12 week schedule with a picnic and mixed double tournament. All league games were 50 shoe count all, 90% h.d.c.p., each player pitching 4 games. Tony Hankins, the World Junior Champion, won the Men's division. He also won high game and high average. John Hankins, 2nd; Robert Cook, 3rd; Jim Noble, 4th.

**WOMENS DIVISION** — Charlotte Knable won 1st place and also had high game and high average. Marie Guthre, 2nd; Cathy Nockert, 3rd.

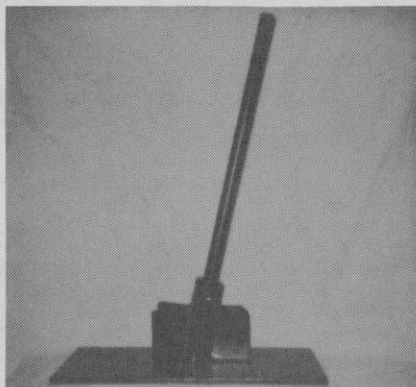

The Doubles was a mixed tournament. Following are the winners: John Hankins and Helen Blacketer, 1st; Jim Noble and Bessie Lane, 2nd.

## TIPS FROM THE TOP

**Lorraine Thomas** — Coordination, concentration and consistent determination and practice. As to the actual act of pitching, for me it goes like this: To get a sight of the target stake I bring the shoe up to eye level then, at the count of one, I bring the shoe down, at two I step forward, and at three I pitch. Perhaps the greatest advantage I derive from the foregoing procedure is this, it enables me to shut out all distractions.

## LEGEND OF HORSESHOES — CEDAR RAPIDS, IA. — SANC. 86-307

Wil Foelske pitched what may have been his finest tournament to date. He averaged almost 76% and did not lose a game. Wil was very cool. It is refreshing to see him rewarded as I know how hard he works at his game. Once again we had a tremendous turn out. There were at least three other tournaments in the state Labor Day and we still pulled 71 entries. Thank you all for coming.

**WARD EASES THRU T.R. LITTLE OPEN — CLEVELAND, TENN.**

Don Ward of Morristown is winner of T.R. Little Open held at Cleveland Sept. 13-14. Sanction 86-184. It was our annual Money Tournament and everyone enjoyed a beautiful weekend with \$1200.00 in money given. Stan Smith from Del Rio, Texas and Frank Jones from Chicago, Ill. were welcomed by the Tennessee pitchers. There were also pitchers from N.C. and Ga.

**T.R. "DOC" LITTLE REMEMBERED**

On Saturday, 9-13-86, at our Annual T.R. Little Open the Tenn. Horseshoe Pitchers erected a monument at the side of the courts in his honor. It was highlighted by the present of the Little family, a bouquet of purple mums and a silent crowd of concerned friends, relatives and pitchers. Dexter Stallings was the main speaker while Jim Adkerson had the honor of saying the prayer.

It was a crowd pleaser to have Mr. Little's widow "Lorane" to complete the ceremony with some kind words to the pitchers.

The Little family also had a chicken dinner for the pitchers and friends.

We "the Tenn. Horseshoe Pitchers" want to thank the Little family for all their work for horseshoe pitching in the Cleveland area.

## **IRIS SANDHAM OF GEORGIA GOES TO CLEVELAND, TENNESSEE LIKES WHAT SHE SEES — SHE WILL RETURN**

The annual "T.R. 'Doc' Little Open" tournament was held at the Cleveland Horseshoe pitching courts.

It was evident what impact the memory of Doc Little had on the Cleveland area pitchers who were on hand when the courts were dedicated to the memory of T.R. 'Doc' Little by installing a horseshoe plaque in his name.

The annual 2-day tournament was an event that no horseshoe pitcher should ever miss. Two acres of Tennessee shade trees surround the 12 lighted courts.

Spectators are treated to cool comfort in the shady stands. And if that's not enough, the event offers a complimentary dinner and cold drinks. Now you'd think that would be enough to satisfy most people but before and after the tournament bluegrass and gospel picking and singing fills the air.

This year the entertainers were: Don Ward (State Champ), Morristown, Tn., Dan Isaacs, Vilas, N.C., Grady Whaley, Butler, Tn., Bob Grindstaff, Elizabethtown, Tn., and Don Pritchard, Butler, Tn.

Pitchers from five states filled out the roster, Tennessee, Georgia, North Carolina, Illinois and Texas.

Now that I've let out the secret that this is one of the Southeast's friendliest tournaments, Regional Director Dexter Stallings can count on a good turn-out for next year's event. It's already marked on my calendar.

RENO HORSESHOES

## NHPA APPROVED TOURNAMENT SHOE

*The RENO Horseshoe is manufactured by the Queen City Forging Company of Cincinnati, Ohio. This company has been producing horseshoes for a lot of years.*

*The RENO Horseshoe has been improved in an effort to produce as durable a product as we possibly can. Although we cannot put a guarantee on breakage, our product has been designed to reduce breakage as much as possible.*

*The RENO Horseshoe is manufactured from C-1035 steel which is the best steel available to hold temper. All RENO shoes are medium-soft temper.*

*The caulks on Reno Horseshoes are all hardened so that they will never beat back at the end. This counts for many ringers during a contest.*

*The RENO Horseshoe has become very popular in recent years. It is pitched by State Champions, by former World Champions, by many top notch professionals, and by pitchers all over the world. Those of you who pitch a flip shoe will find the RENO Horseshoe just perfect. It is well balanced and works well with pitchers who pitch a turn.*
