No. 1

**FROM YOUR PRESIDENT . . . DAVE LOUCKS**

A new year has been ushered in and many have put their pitching shoes aside for the winter months. It is a time to reflect and renew goals that we perhaps did not attain in 1986. A year ago in this column, I listed ten challenges that I felt we needed to address. To that end, we made some very good progress. 1) The delegates approved the "Proxy Vote." 2) World Tournament cash bids and awards have substantially increased. 3) The responsibilities of our Regional Directors have been expanded. 4) More recognition and opportunity is being given to the low percentage pitcher. 5) The News Digest readership has increased modestly as has 6) National membership.

The preceding six accomplishments supported some progress in two other areas; improved communication and unification of State and National goals. There remains however, much to do in these two areas as well as new challenges we haven't even attacked yet.

Two 1986 goals were not achieved but we did make progress. By just 2 delegate votes, we missed getting the two-thirds majority needed to regionalize the World Tournament on a rotating basis. The other was the task of obtaining national media recognition. Despite much hard work and some success at local levels, we have been unable to interest a major sponsor or network in our World Tournament. Just six weeks ago, Turner Broadcasting System, who at least opened their ears to us, reported that they were unable to become involved due to a full schedule of programs.

By my measure, 1986 was a successful year for the NHPA. A near 8 out of 10 isn't too bad in any endeavor. There is however, much more that can be done. Most of us pick up our pitching shoes in the Spring with renewed enthusiasm and the challenge of making this year better than the last. It is with this in mind that I announce my intention to seek your support and re-election as President of the NHPA for another two years.

**DAVE'S COURT REPORT**

The Fourth Annual Las Vegas Hacienda Horseshoe Pitchers Extravaganza was a huge success. With a 64% increase in entrants over the previous year, we had a record turnout. A total of 315 pitchers (254 men, 61 women) representing 36 states and Canada took part in what was the largest tournament ever held next to our World Tournaments.

Pitching indoors on 18 rubber surface courts, the format of mixed "Dutch" handicap is proving to be very popular. There were 13 classes, all of which shared equally in the \$22,250 prize money that was awarded. Due to an added purse donated by the Hacienda Hotel and Nevada Beverage, we were able to pay 14 of every 24 pitchers in each class. Think of it, nearly 60% of all entrants received at least \$50.00 in

prize money. With the beautiful trophies, plaques and special prizes, the total value of awards exceeded \$30,000. If you missed this one, be sure to make your plans for the 1987 event, scheduled for Nov. 15-20.

### RINGERS REMEMBERED

By KEVIN CONE

The man whose career has spanned the longest in regards to when he first made the championship class of the World Tournament to his last is surprisingly Harold Darnold of Burlington, Iowa. Harold first made the Championship group in 1941 at 16 years of age. He last made the top group in 1984. That is a span of 43 years. Darnold also was in the championship class five other times. He made it once in the 40's, once in the 50's, three times in the 70's, and so far twice in the 80's. An amazing career that has spanned five decades with Harold still going strong working towards his sixth decade of championship pitching.

Ted Allen's span was 40 years 1933-1973. Fernando Isias 37 years 1933-1970. Guys still going strong also Don Titcomb 39 years 1947-1986. Carl Steinfeldt 32 years 1952-1985. Our own vice-president Earl Winston 34 years 1952-1986. But the most amazingly durable career has to be that of Frank Stinson's of Minnesota.

Frank was the first person to ever win World Titles in two different divisions. Frank won the Jr. World title in 1924, then 52 years later, in 1976, he won the Senior World title. Stinson, as of last year, ranked 27th on the Men's all-time world tournament victory list, 36th on the boy's list and 7th on the Seniors list and he is still pitching in World tournaments. Hats should go off to this outstanding pitcher and tremendous individual.

The only other people to win World titles in two different divisions are Paul Focht, Men's 1962, Intermediate 1976; Carl Steinfeldt, Men's 1976, Inter. 1978; Tari Powell, Girls 1976, Women's 1984; and the only two people to win multiple championships in more than one division are Walter Ray Williams, Boy's 1971, 72, 75 and Men's 1978, 80, 81, 85; and current Men's Champion Mark Seibold, Boy's 1966, 69; Men's 1979, 1986.

In the July issue of the Digest it was stated that Elmer Hohl, Floyd Toole, and Curt Day were the only men to ever pitch three consecutive 90% games in World tournament play but with further research I found that there are two more to add to this list. In rounds 6-8 of the 1948 world tournament Guy Zimmerman also accomplished this feat pitching 90.3, 93.3 and 90.0% consecutively. Also, Casey Jones had three straight in rounds 10-12 90.0; 91.0 and 91.2%. Jones had 13 90% games in this tournament, a record he shares with Elmer Hohl who tied it in 1968. In the first twelve games, Jones pitched eight 90's, 89.9; 89.4 and 88.9 but round 15 of this 1948 World Tournament held in Milwaukee, WI was the greatest of all-time when the "Big Four" all pitched over 91%. Isias 91.2; Allen, 93.3; Jones 93.5 and Zimmerman who became the first to accomplish the ultimate — a perfect 44-44 for 100%. Don't we all wish these outstanding feats were recorded on film to see today.

One perfect game to announce, Vicki Winston gets her name in the history books once again with an 18 shoe perfect game on September 13, 1986 against Brenda Mahnken. Congratulations, Vicki!

**Trivia Question:** In the history of the World Tournament, who is the only man to have pitched every game over 80% for a complete tournament?

## NHPA PROMOTION COMMITTEE REPORT

By SOL BERMAN

**PBA TOUR — W.R. WILLIAMS, Jr.** — Walter Ray qualified second and finished third Nov. 8, 1986 at the Kodak Invitational in Rochester, N.Y. He won \$8,000.

On Nov. 15, 1986 at the True Value Open in Indianapolis, Ind. he qualified 1st and finished 2nd winning \$11,000.

His total for the year is \$143,490. He is the leading money winner. He's second in the averages at 214.62.

His closest competitors for bowler-of-the-year honors are Steve Cook and Dave Husted.

Cook is second on the money list. He has four titles to three for Williams. He is tenth in the averages at 212.62 (as of Sept. 15).

Dave Husted is fourth on the month list. He has two titles and leads the averages at 215 (as of Sept. 15).

With the above two tournaments he now appears to be the leader in the race for bowler-of-the-year honors.

**DID YOU KNOW THAT** — Carolyn Schultz Decker, 1986 inductee into the NHPA Hall of Fame writes: "I received a nice letter from Mr. John Davis, Pres. of Sports Enterprises Inc. telling me that he was putting up a building in Stow, Ohio that will have 60 horseshoe courts and all the many things that will be helpful to all that will take advantage of these wonderful surroundings.

"He said he will advertise on T.V. The prize money will be as much as golf, tennis and many other sports."

"I also received a letter from the Vice-Pres., Mr. Steven T. Wynberg.

"On August 17, 1986 they sent two young ladies to interview me for their magazine that will be on the newsstands in June of 1987."

"They presented me with a large bouquet of red roses. After a two hour interview, my sister took them to her home and ran all the video tapes for them. They took a lot of pictures here at the nursing home.

"It's a nice feeling to know that you have not been overlooked after all these years."

**DID YOU KNOW THAT** — The "Skins Game" (golf) at LaQuinta, Calif. held on November 29-30, 1986 paid \$450,000 in prize money, and was televised nationally by NBC. The event, sponsors say, drew the highest television ratings of any golf telecast in 1986.

So if you have any ideas for playing or scoring horseshoes differently than what has been used, do not hesitate to try it out. You will never know how good it is until you try it.

## ART FELGEHAUER 1986 NHPA SANCTIONED CLUB & LEAGUE DIRECTOR OF THE YEAR

(SEE COVER PICTURE)

In 1986 Art Felgenhauer of Berwyn, Ill. was by far the outstanding Administrator of the Sanctioned Club & League Programs. All reports to this office were always on time, all information included, and neat, but besides this, Arthur promoted the Junior Programs, the NHPA and the Illinois State Association, directed his own club, and formed and ran a second club, and is now working on a third club.

His clubs have grown in membership through his promotion and he has spent extra hours traveling throughout his area, promoting the game of horseshoes, the Illinois State Association, the League Programs, and the N.H.P.A.

The N.H.P.A. and its Officers and members congratulate Arthur for his dedication to the game of horseshoes and the National Association and its programs.

## PLANS BEING MADE FOR ANNUAL CAROLINA DOGWOOD TOURN.

North Carolina had a good year in 1986 with more courts being added and new interest growing in most areas of our state. The annual Carolina Dogwood tournament will be held on April 11, 1987. It will be a one day event starting at 9:00 a.m. and will be pre-registered. Sunday, April 12 will be the rain date. We can accommodate 144 pitchers working in groups of 48, playing morning, afternoon and evening. Any extra latecomers will be put in a class by themselves with trophies awarded at the end of play. This worked out very well at our 1986 Autumn tournament.

We received a beautiful plaque from "Doc" Daugherty, N.H.P.A. Sanctioned Club Natl. Director, in recognition of our 5th consecutive year as a 'sanctioned' horseshoe club (1982-1986).

## WALTER RAY WILLIAMS VISITS BATAVIA, NEW YORK

By MIKE DIMARTINO

I have never had the pleasure of meeting you, but I am looking forward to. My name is Mike DiMartino from Churchville, NY and I thought maybe the enclosed data would be a good article material for the Digest.

Our great sport has afforded me the opportunity to pitch against and meet some of the most wonderful people in the world. There are none better in any sport like horseshoe people.

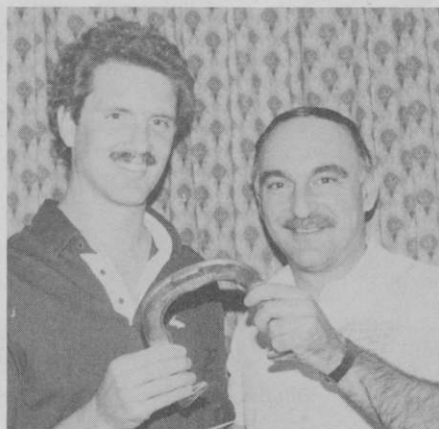

One of these is one that I am especially proud to know and it is my special friend Walter Ray Williams. We have pitched against each other in tournament play 6 times so far and we are 3 wins each.

I extended my friend Walter a challenge that when he came to Rochester, NY for the Kodak Bowling Tournament, that we engage in a horseshoe and bowling Fun Day. He called me and accepted.

The date was set for Nov. 1st and what a wonderful day it turned out to be. We had about 250 people who came and watched. Horseshoe pitchers and bowlers traveled from all

over New York State to see this event. With Walter's permission this was billed as a "Fun Day," a chance for all to meet the real Walter Ray Williams. A chance for all to see, meet, shake his hand and take pictures with this find champion.

The Fun Day was held in my hometown of Batavia, NY at Mancuso's Bowling

**WILLIAMS VISITS — (Continued)**

Lanes. (This is about 30 miles from Rochester.) We pitched horseshoes first, the best 2 out of 6 games on portable courts in the parking lot. Walter was great. He pitched 2 80% games and defeated me 35-15, 35-12. Then we bowled 3 games for total pins. I had the good fortune on this day (since I'm just a once a week 190 avg. bowler) to bowl 659 to his 645.

My goal was accomplished for this Fun Day, not to see who was the best at anything, and there is no doubt that Walter is, but all had a chance to see and meet this fine young man who we all see week after week on national TV.

To cap off this event, Walter did wind up in the TV finals for the Kodak Invitational Bowling Tournament the following weekend and he had the sports commentators Earl Anthony and Jay Randolph mention on TV about our bowling and horseshoe challenge.

Enclosed is a picture of me presenting Walter with a bronzed shoe to commemorate the day. His comment was when I presented him the shoe, "An American shoe." I thought it would be fitting to give "Deadeye" an American shoe. No pun intended.

The above listed youngsters, have shown their dedication to the NHPA by participating in fully sanctioned NHPA programs, and still maintaining a scholastic grade average of a B- or better.

Though many felt a B- average was too high, 28% of the total juniors participating in 1986 made this listing, and of those 12 years and older who were eligible, over 70% made the listing. These youngsters are true representatives of the NHPA.

The following members of the NHPA's Sanctioned League Program have made the National Top Ten for the 1986 playing year. It is with great pride that we list them for their achievements in 1986.

## NHPA SANCTIONED LEAGUE PROGRAM — 1986 — TOP 10

Those members of the NHPA making this listing are registered members of a sanctioned Club or League of the NHPA, with all stats being verified as accurate by the respective Directors of each Club.

To make this national listing a person is pitching against over 5,000 other pitchers, those being NHPA Champions, Professional pitchers, and amateur novice pitchers, and with some of each making this listing.

Horseshoes is the only sport, with a nationally recognized sanctioning body where this can happen or is even permitted as a part of a National Program. This is the N.H.P.A.

entered to try their luck, not really for the money, but for the fun of it. One, Walter Ray, not in Tokyo or New Orleans or at some other distant city adding to his bowling glory, entered to demonstrate his continuing phenomenal finesse with iron shoes and a distant iron stake. In seven games (one, a tie playoff with his nemesis, Don Titcomb) he managed to scrape through with one 96 percenter and two at 94. This being a horseshoe pitching tournament (without horses) there were no bookmakers there that day treading on unsuspecting toes as Walter Ray reigned high.

The Master walked in His garden,  
Plucking flowers along the way;  
He plucked one of our loved ones,  
To add to His bouquet.

Our hearts at first were broken,  
At the loss of one so dear;  
The tears we shed just washed our eyes,  
'Till we saw His way more clear.

So we must try our very best  
To be more loving and kind each day  
So that someday we'll be worthy  
To be part of our Master's Bouquet.

The Hill City Horseshoe Club in Lynchburg, Virginia was saddened by the sudden death of Herman Carroll Torrence, November 22, 1986, after suffering a heart attack at age 75. He was associated with the Hill City Club for many years and was a great supporter of horseshoes in Virginia and surrounding states; he had many friends. Although he had not pitched in several years, he was always at the court working and fellowshiping with pitchers and other friends. The club expresses sympathy to his wife, Swink, and his three sisters. He will be sorely missed by all.

It is with deep sorrow that we report the passing of Carey Weaver of Reno, Nevada on November 22. He was an active member of the Nevada State Association and the Northern Nevada Association having held offices in both organizations. He also sponsored a team in the League for a number of years.

To his bereaved family the sympathy of the Nevada Association and that of the NHPA is extended in their hour of sadness.

Word has been received of the passing of Vernon Holland of St. Petersburg, Florida during August. Joe Holland, who was visiting in Michigan at the time, was summoned home for the funeral.

During his younger days, Vernon was active in promoting horseshoes in Indiana, Michigan and Illinois. He will be missed by all those many friends he was associated with. Our sympathy is extended.

Dear Mr. Cobb,

I will try to relate this little tale the way I remember it being told to me. Some of the names have been omitted to protect the guilty.

When our NHPA President Dave Loucks and his wife Cathie relocated from Rancho Murieta, Ca. to the Sierra foothills, they became very welcome members of the Gold Country Horseshoe Club in Nevada City, Ca. Now this little club has always had some darn good pitchers and they take their game pretty serious, too. But they have never had an NHPA President before and a few of them were a little concerned about how to behave on the courts while pitching with some important people. It wasn't long before Cathie got wind of this concern and she told them not to worry about it. She said, "Dave and I are just like any other horseshoe pitchers. We put our shoes on one ringer at a time."

Sincerely,

Lee Van Dalsen  
 No. Calif. Association

Dear Editor,

On October 26, 1986 the Iowa Hawkeye Horseshoe Pitcher's Association voted at their annual meeting to eliminate the split card and get back in the business of being among the leaders in the N.H.P.A. Without the leadership of our president, Marion Lange, this would have been very difficult. Marion was called out of retirement to lead our association at a time when we needed a person willing and capable of taking the fight directly to the membership. This he did with enthusiasm. He attended some fifteen tournaments during our short pitching season preaching the things he believed in and those things he thought best for the IHPA. He, along with our state secretary, directed the eleven day Iowa State Championships arriving early and most of the time leaving last. He also had a unification oriented message each month in our state newsletter.

Many News Digest readers know what kind of a man Marion is. As editor of our newsletter, I have had many opportunities to visit with him and have found him to be an extremely dedicated, sincere and caring person. We in Iowa and the N.H.P.A. as well can be very proud to have Marion as one of ours.

Sincerely,

Thomas L. Smock, Editor  
 I.H.H.P.A.
