FROM YOUR PRESIDENT . . . DAVE LOUCKS

It continues to surprise me how many people will speak out for or against a subject under the cloak of anonymity. Apparently, such people are so unsure or weak in their position that they cannot face an issue in head to head discussion for fear the other side may have some valid counter arguments.

At the World Tournament, we have a suggestion box. Many people use it for the intended purpose: to submit a suggestion with reasonable thought that might add some element of improvement to the tournament. These are generally signed by the responsible individual and for the most part, discussed and considered by the NHPA Executive Council. On the other hand, we have those who use the suggestion box as a means to vent personal gripes or make unfounded attacks on others. Almost always, these submissions are unsigned and poorly thought out. In these cases, the anonymous writer feels safe for they are able to criticize without fear of hearing an opposing viewpoint. Issues such as these generally get little attention from the Council.

Several suggestions this year touched on the subject of bumper stickers. We have gotten away from these in recent years but will take them under advisement and discussion with 1988 host, Pleasanton. Other reasonable suggestions were submitted on the subjects of: stronger enforcement of the foul-line rule; checking shoes for legal weight and measurements; announcing high percentage or interesting games for spectators; making all games uniform length for better scheduling; establishing more stringent rules and conditions in order to be eligible for World Tournament registration.

The most controversial subject against appeared to be method by which one was able to advance. A year ago in Ainsworth, there was much discussion and suggestions on how to move up. Most spoke out against percentage as it encouraged "cheatifying" and gave no reward for winning games. The Council considered these comments and decided to use Wins & Losses as the basis for selecting class finalists from this year's section prelims. Percentage would break ties and be used to fill the open spots on the Championship prelim sections. The process worked pretty well except for the groups that had a pacer or two in one section but an uneven number in the other. This provided an imbalance that we did not anticipate and could not always solve to the satisfaction of all. Obviously, there remains two very different points of view on the issue of move-ups. Neither is totally right nor wrong. It is incumbent upon us to find the one best for the greatest number and improve upon it.

DAVE'S COURT REPORT

SUBJECT . . . Liability Insurance. At the Eau Claire Convention the delegates gave overwhelming support to pursue the possibility of obtaining Liability Insurance for the NHPA. At the meeting, I gave some preliminary information and have just returned from a 600 mile trip and meeting where further details were discussed. As an organization, we are not easy to

MESSAGE—(Continued)

insure because of many different states being involved. However, one company, Oak Charter Insurance Ltd., has given us a tentative OK with some details still remaining to be discussed and agreed upon. Basically, we are talking about a "SPECTATOR LIABILITY" policy that would be a secondary policy to any homeowners insurance individuals might have. It would cover Sanctioned Tournament play only in which all NHPA members participating had paid the insurance fee. It could cover Sanctioned League/Club play only if all pitchers were full NHPA members. At least, I haven't been able to find a way around this as yet.

The insurance company is talking about an auditable policy whose fees are set on membership, each paying the same. It cannot be less for those who play fewer sanctioned tournaments. The limits of Liability can be \$500,000 or \$1,000,000. For about 40 cents per member per year more, the higher \$1,000,000 policy is recommended. At this stage, it looks like the cost would be between \$2.10 and \$2.40 per member per year depending upon Deductible. The lower premium is now estimated based on a \$5,000 deductible.

This is inexpensive liability insurance. The low rates have been quoted based on the NHPA doing much of the administrative paper work. Since the delegates empowered me to pursue and obtain this, I am working toward this end. I shall keep the membership informed as we are looking at a \$23,000-\$25,000 annual premium that will have to be shared based on current membership.

JOE DUBIE ELECTED TO NHPA HALL OF FAME

(Photo not available)

Joe was one of two player-organizers elected this year. He got his start in horseshoes in Butte, Montana and was the Montana state champ from 1925-1935 except for one year. During part of that period, Joe was employed by the U.S. Government to teach athletic activities (particularly horseshoes and baseball) in the Butte school system. In 1935, he moved to Peoria, Illinois and was active in that region for 5 years. He finished 17th in the World Tournament in des Moines, Iowa in 1940.

In 1941, Joe moved to Toccoa, Georgia. Over the next several years he was instrumental in getting activity started in the southeast. In 1965, he organized the North Georgia Horseshoe Club and got it affiliated with the NHPA. He served as its president for many years. He also started an "Old-Timers" club, helped get indoor courts built and helped coach many newcomers in learning the game. In 1967, he became the first official Georgia State Champion. He was 81 years old at the time. He served as the Georgia state secretary in 1970-1971 and at the 1971 World Tournament in Middlesex, New Jersey he received special recognition as the oldest competitor there.

Joe spent over 50 years in playing and promoting our sport. He was known as a fine gentleman who lived a good clean life, abstaining from alcohol and tobacco. He passed away several years ago, but he is not forgotten. With the help of Al Sandham and some other Georgia members, his son was located and presented with Joe's plaque and certificate at the 1987 Georgia State tournament over Labor Day weekend.

NORTH CAROLINA DID NOT TURN IN A BALLOT (4 votes)

COVER PHOTO . . . Shown this month are the three living inductees of the 1987 NHPA Hall of Fame, Shown holding their Hall of Fame trophies are: Ed Domey of Mass.; Jim Knisley of Ohio; and Don Koso of Nebraska. Joe Dubie of Georgia (now deceased) was also inducted into the Hall of Fame. Life story of Knisley and Dubie appear in this issue of the Digest. The other will follow in a later issue.

JIM KNISLEY ELECTED TO HALL OF FAME

Our 1987 player inductee into the NHPA Hall of Fame is Jim Knisley. Jim was our 1984 World Champ and gave another creditable performance this year, finishing second.

Jim started pitching horseshoes as a 15 year old in 1958 in Gremen, Ohio, where he now resides with his wife and family. He started his organized pitching in 1961, joined the NHPA and attended his first world tournament in Greenville, Ohio in 1962 and organized the Bremen club and built four outdoor lighted courts in 1963. Since then, he has pitched horseshoes on a regular basis. He played in Class "B" in the World Tournament in 1964-1967 and won Class "B" in the World Tournament in 1964-1967 and won Class "B" in Fargo. He also was elected as an NHPA Vice President during those years. In 1967, Jim bought a building and installed three indoor courts for play during the winter months.

Jim's career really blossomed in 1968. He made Class "A" in the World Tournament for the first time (at Keene, New Hampshire) and surprised everyone with a second place finish and 82.8% average. Since then there have been no surprises, as Jim has been a top contender for the title most every year. He has missed the top class only once (in 1972) and has had several outstanding performances, capped by his championship in Huntsville in 1984. Other great accomplishments include averages of 83.8% in 1977 and 83.7% in 1981 and second place finishes in 1979, 1983, and this year. He has now

played in 24 consecutive World Tournaments and has finished in the top 5 ten times and the top 10 fourteen times. He is currently tied with Don Titcomb for seventh place on the all-time victory list with 435 wins. In a 1981 game with Ron Simmons, they had fourteen consecutive four-deads.

In addition to an outstanding record in World Tournament play, Jim has won many events in state and regional play. He has won ten Ohio state championships and finished second seven times. He has won the Greenville Ringer Classic 4 times, the Raymond Frye Memorial 3 times, the East Coast Tournament of Champions twice and the Levi Garrett Classic 7 times. He has won the Marietta Open, the small Ohio tournament, 22 straight years and averaged over 80% every time. In tournament play over the last 25 years (he plays in 25-30 events a year), he has averaged 80% or more over 250 times, with a high tournament of 89.6%.

A couple of other items in Jim's career are worth mentioning. In 1974, he went with several other horseshoe people to South Africa to demonstrate our sport over there. And, in 1983, Jim was the youngest player ever elected into the Ohio Horseshoe Hall of Fame.

Jim credits his good nature and polite manner to his idol, Curt Day, who was an exemplary sportsman as well as a great pitcher. He is recognized today as one of the true stylists of the game, with his high 1¼ shoe and effortless swing. Congratulations to Jim for this deserving honor as our 1987 Hall of Fame inductee in the player category.

In Memoriam

It is with sadness that we report the passing of Elmer Hohl, 68 of Rte. 1, Wellesley, Ont., Canada MOB 2T0 on September 4, 1987 in the Kitchener-Waterloo, Ont. hospital. He succumbed to pneumonia after a two week's illness.

It will be remembered that he won the World title six times during his career. He will be sadly missed by his many friends and associates.

To his lovely wife Hilda and family the sympathy of the National Horseshoe Pitchers Association is sincerely extended in their hour of sadness. (Further details will appear in the November issue.)

Word has been received of the sudden passing of Rolly Cicirelli of 2410 East 290th St., Wickliffe, Ohio 44092 on July 1st of a heart attack. He was a member of the Painesville, OH club. Rolly was always willing to help in any way that he could at club tournaments and was a great fan of horseshoe pitching. It was a joy just to know him. We will miss him.

To his loving wife Vernie and his family we extend our sincere sympathy in the loss of their loved one.

In Memoriam —(Continued)

The Emerald Valley Club of Eugene, Oregon lost a devoted player and promoter of the game when Leo Connolly passed away on Feb. 15 of this year. He was the founder and charter president of the club in 1977. He was instrumental in the construction of 16 courts in the Eugene area. At the age of 77 with only two years' experience he captured the Class I title in the 1978 Oregon state tournament.

His enthusiasm for the game was an inspiration to all and we will miss him. Our heartfelt sympathy is extended to his surviving family.

The Illinois State Association suffered a great loss in the sudden passing of Floyd Hammitt of a heart attack on July 31. He lived at 621 So. Memorial St., Pittsfield, Illinois 62363 with his loving wife, Ursula, of 50 years. He promoted tournaments in Pittsfield for many years one of which was the Illinois State Championship.

Floyd Hammitt was a small man who had a large sports heart. Hammitt was not just only a booster of sports; he participated in many sports activities.

Hammitt played a vital part in the horseshoe tournaments held in Pittsfield, including having Pittsfield host the Illinois state championships.

If not participating in the sports, the Hammits were on the sidelines cheering not only high school events but every sports event they could attend.

Through the years, he emphasized the importance to young people of the true meaning of sportsmanship in his coaching and support.

He was a credit to our game and added honor and integrity not only to horseshoes but to all the other sports that he was involved in down through the years.

To his devoted wife Ursula and family we extend our sincere sympathy in the loss of a dear one.

Dear NHPA Members:

A special event is planned with you in mind!

On October 27-29 at Happy Trails Resorts in Surprise, Arizona, National Horseshoe Pitchers Association members are invited to attend the Thousand Trails "Family Fall Fiesta" rally. Three days of fun, friendship and fellowship. You'll find action packed days featuring a wide variety of recreational activities, exhibits, booths, lifetime learning seminars, dances, contests, classes, sidewalk shows and entertainment (Yes! The Rogers Family will making an appearance!)

One special event is an officially sanctioned NHPA Tournament under the direction of Dr. Holland Paine, former NHPA Regional Director.

As you may know, NHPA co-sponsored the Thousand Trails '87 Summer Horseshoe Tournament. It works--NHPA promotes the sport and recruits new members, and Thousand Trails now has a pool of qualified folks to help run their tournaments. The relationship is a good one!

But let's get to the tourney. Dr. Holland Paine, Tourney Director, has set up three days on the court:

- * Tuesday, October 27th, is "Demonstration Day" and "Announcement Time." The rally's first day gets started at 1:30 p.m. with a Horseshoe Pitching Demonstration. At 3:00 p.m., it's Fun Play, featuring contests such as "Draw Poker" and "Most 8 Ringers" ... prizes for all winners. At 4:30 p.m. Dr. Paine will conduct a General Tourney Announcements Registration Session.
- * Wednesday, October 28th is "Single's Play." Registration begins at 9 a.m. with singles play commencing at 10:00 a.m. This is a double elimination, no handicap, no qualification tournament played according to NHPA rules. Prizes include:

\$100.00	First Place
50.00	Second Place
25.00	Third Place
10.00	Fourth through Sixth Place
5.00	Seventh through Sixteenth Place

All sixteenth place finishers will receive 7 free nights at a Thousand Trails preserve.

NHPA Members
Page Two

Thursday, October 29th is "Doubles Play." Registration begins at 9 o'clock and play at 10 o'clock. Pairs will be drawn by number.

\$ 50.00	First Place (split)
25.00	Second Place
15.00	Third through Fifth Place
10.00	Sixth through Twelfth

Please come. Join the 1,000 rigs that will be on hand to share in the wonderful amenities at the Happy Trails Resort - the Olympic-sized swimming pool, Whirlpool spa, golf course, tennis courts, shuffleboard courts, horseshoe pits, ice cream parlor...the list goes on! You'll find a wide range of recreational activities, classes, sidewalk shows, seminars, and exciting entertainment to choose from each day.

As a member of NHPA, you'll be treated as a special friend, and the \$5.00 per person "non-member" fee (of Thousand Trails) will be waived. This applies to your family and friends, too, so bring them along!

Take a moment to review the pre-registration form -- for those of you who live locally, you'll find the day use pass a bargain for all three days. Dr. Payne and I are looking forward to seeing you there!

Warm regards,

George Lanegraff
National Recreation Director
Thousand Trails, Inc.

P.S. Word has it that Donnie Roberts, NHPA Secretary/Treasurer will attend also. Come meet him!

JIM KNISLEY REGAINS OHIO RINGER CLASSIC TITLE

F. CARNAHAN RETAINS LADIES TITLE—SANC. 21-87-002

Jim Knisley and Alvin Perry have developed the style of competition on Greenville Courts in the 1980's that Ringer Classic aficionados associated with the 1970's Curt Day-Elmer Hohl title trading. 1987 was Knisley's year as he pitched to a 10-1 record for the two day event topping Perry's 9-2 finish. Both men finished with a 80.6% average for the tournament. Eldon Sarbaugh tossed the high single game of 95.8% against Ralph Maddox.

In the Women's Division Fran Carnahan retained her title for the third year after besting Renee Cowan in a pitch-off.

In the Junior Divisions Julie Walters captured the Girls and brother John the Boys Championships.
