No. 4

FROM YOUR PRESIDENT . . . DAVE LOUCKS

The NHPA is saddened by the passing of our 5th Vice President, Gene Van Sant. Gene, a personal friend and a very hard and dedicated worker for the game of horseshoes, left us on February 19, 1988. The last 18 months had been tough ones for Gene and his wonderful wife, Mary. Major surgery shortly after the Ainsworth World Tournament with a second serious operation last summer, took a lot out of Gene and recovery was slow. Nonetheless, with the strong support of Mary, he continued to carry out the responsibilities of the office in a very professional manner. While he is gone, his contributions are still with us and, for the time being, Mary Van Sant has assumed the VP responsibilities.

I'm pleased to announce that Jerry Holt of Medford, Oklahoma, is the new NHPA Chaplain. Jerry is taking over for Marvin Burgess who has stepped down after many years of service to the NHPA. Jerry Holt is the pastor of the First Baptist Church of Medford. Holding a Doctor of Theology Degree, he has pastored churches in Oklahoma and Kansas and traveled extensively in this country and abroad preaching. Jerry is a very fine horseshoe pitcher who has played in the championship group of the World Tournament and was the 1986 Oklahoma State Champion.

DAVE'S COURT REPORT

INSURANCE UPDATE . . . As of March 10th, 42 Charters had paid their insurance assessment in full while 3 others have made partial payments. Unfortunately, we have yet to see anything from Connecticut, Delaware, Florida, Eastern Maryland, Mississippi, Eastern Montana, Eastern Nebraska, Nevada, North and South Carolina, North Dakota, Rhode Island and Northern Utah. Until the insurance assessment is paid in full, members from these charters will not be covered and will not be eligible for sanctioned tournaments or League play. No one wants to see this happen so, members in these charters should see to it that their officers quickly make payment.

NHPA membership again took a nice increase in 1987. We were nearly 11,400 in total which was up 11% over the previous year. . . . Winners of the 1988 Pleasanton W.T. fund raising raffle have been announced. They were: 1st & \$225, J. W. McCauley of Massillon, Ohio; 2nd & \$175, Leo Ouellette of Brooklyn, New York; 3rd & 100, Jessie Astor of Reno, Nevada. . . . NHPA Constitution and By-Laws have been reprinted in a new size suitable for putting in an envelope or using as a self mailer. The print size is larger for more ease in reading. . . . Delegates in Pleasanton will have a fun time as there will be some 37 proposals to consider. A total of 54 were submitted but 17 of these rejected by the review committee. . . . Charters are reminded that they need only one appointed spokesperson to represent and vote all delegates. The spokesperson is to be a News Digest subscriber and must be named by letter to the NHPA Secretary prior to the convention. . . . The NHPA offices of 2nd and 4th VP plus Secretary/Treasurer are up for election this year. Members interested in running must announce their candidacy by May 1988.

DELINQUENT CHAPTERS

By **DONNIE ROBERTS**

Each charter is required to submit final 1987 reports to the NHPA Secretary-Treasurer by December 1, 1987. As of March 1, 1988 Northern Utah and Eastern Maryland have failed to comply with that requirement. These reports are now three months late.

We request the help of the membership in those two charters in getting your charter officers to respond to this requirement. Reminders have been sent many times but still no reports.

1988 NHPA membership cards cannot be issued to these two charters until these reports are submitted.

CORRECTED DATES FOR 1989 WORLD TOURNAMENT

The dates for the 1989 World Horseshoe Tournament are July 18 through July 30, 1989. In recent issues it has shown other dates.

WHAT HORSESHOES TO BUY

By **DONNIE ROBERTS**

One question that is asked of me every day is, "What horseshoes should I buy?" Pitchers are always looking for a shoe to help them pitch better. Pitchers usually want a shoe that has an 80% ringer guarantee, a magnet in it, or that will last 200 years. Sorry, guys, no shoe has any of these qualities. There are pitchers who throw 75% with every brand of shoe and there are pitchers who hit 2% with those same shoes. Carl Steinfeldt threw 80% with Americans, Curt Day threw 80% with Gordons, Mark Seibold throws 80% with Ohio O's, Jim Knisley throws 80% with Imperials, Glen Henton throws 80% with Hentons, Dale Lipovsky threw 80% with Diamonds, Elmer Hohl threw 80% with Hohls, Walter Ray Williams, Jr. throws 80% with dead-Eyes, Fran Carnahan throws 80% with Renos, and so it goes. Every sanctioned shoe has 80% ringers in it if it is in the right hands. All sanctioned shoes will flip, do a three quarter turn, and do a one and three quarter turn.

You should pick out a horseshoe that is priced to your budget, has a warranty to your taste, and feels good in your hand. No one can tell you the shoe that will work best for you. You should find someone who pitches a particular shoe, borrow it, and throw a few.

HORSESHOES—(Continued)

Many pitchers have a whole trunk full of different brands of shoes, a result of a wasted search for that magic pair. Get a shoe that feels good and stay with it. Of all the things that could make you better, changing shoes is the least likely to really help.

Horseshoe pitchers will look over the fence to see what kind of shoe a top class player is pitching. That pitcher would be throwing ringers if he used a mule shoe. The brand of shoe is not the crucial item. Look over the fence at the hours of practice and years of experience—not the brand of shoe.

You should pitch dead-soft shoes so they won't bounce off the peg. Horseshoes were never meant to be dinnerbells and those shoes which are dinnerbells were never meant to be pitched.

The maximum weight of a horseshoe is 2 lbs. 10 oz.; there are no minimums. Choose the weight that you are most comfortable with.

NHPA REGIONAL TOURNAMENT A REALITY

By **DONNIE ROBERTS**

For many years, the concept of NHPA Sanctioned Regional Tournaments has been in the works. It is good news to know that the first one of these is now officially approved and scheduled. You have received information on this event previously and more information is in this issue. The NHPA has received a cash bid of \$5000 plus 50% of the entry fees will be added to that pize list.

The North central Oklahoma Horseshoe Pitchers' association and the Ponca City Tourism and Convention Center placed the bid and will host the event. Ponca City is rolling out the red carpet for pitchers from all around the USA and Canada in preparation for this very first Regional. One of the pitchers has already dubbed it the "ORIGINAL REGIONAL."

This will be a fine, well organized event in Ponca City, Oklahoma. We look forward to seeing you there in May. Get your entries in soon and be sure to practice.

We compliment Homer Cain and all his people in Oklahoma for getting out and working to bring the first Regional Tournament to our pitchers. We hope that you will support the event and that this is just the beginning of NHPA Sanctioned Regional Tournaments all around the country. Regionals today, a Pro Tour tomorrow.

6th ANNUAL HACIENDA TOURN—NOV. 28-DEC. 2, 1988 HACIENDA RESORT HOTEL—LAS VEGAS, NEVADA

Yes, we are having our Sixth Annual Tournament at the Hacienda November 28 thru December 2, 1988. Please note these dates are Monday thru Friday. (It has been Sunday thru Thursday in the past.)

And yes, we are still working very hard to improve the courts. No, it will not be clay, but we are testing several materials that do look very promising. I plan and hope to have these on display and set up for your testing at several tournaments including the World Tournament at Pleasanton, California.

Our tournament format will remain basically the same as all will be assured ample practice time and a minimum of (2) days actual competition. Entry fee will remain \$50.00 and prize money at least the same, but hopefully better.

Final plans will be sent to you as soon as they are developed and the flyer entry forms are completed.

EVANSDALE, IA. INDOOR WON BY FOELSKE—SANC. 14-88-028

Wilbur Foelske picked up where he left off at the 1987 Iowa State tournament by taking the measure of the Class A pitchers at the Evansdale Indoor tournament held at Evansdale, Iowa, on February 21, 1988. He posted a 5-0-63.3 record.

The 6-court layout was nearly identical to those used at the W.T. at Eau Claire, Wisconsin, and was set up in a former ballroom of a bowling alley. It has made an excellent pitching arena for the snowbound pitchers of Iowa. Ringer percentages were not quite like they were at the close of the season back in October. Newcomer Les Torsrud was undefeated in the Class C division, with a 5-0-42.0 record.

CLASS A—W. Foelske, 63.3; J. Rousell, 52.4; L. Grant, 54.8; W. Wilson, 40.8; C. L. Buell, 50.8.

CLASS B—D. Holdridge, 47.5; Bet McGregor, 45.0; R. Martin, 42.0; J. DeLong, 41.3; R. Kamper, 42.5; D. Brandau, 39.6; B. engelman, 32.1; T. Smook, 33.2.

CLASS C—L. Torsrud, 42.0; M. Lepley, 27.6; B. Walters, 31.6; Al Fisher, 30.8; J. Lepley, 29.6; Al Hanson, 11.2.

CLASS D—R. McGregor, 33.2; B. Hottle, 22.4; C. Schwake, 35.6; D. Neunsinger, 33.6; G. Long, 18.8; R. Brock, 27.2.

BARRY CHAPELLE CANDIDATE FOR NHPA 2ND V.P.

NOW YOU KNOW!

By GLENN PORTT

Astronomy is defined as "The science that studies stars, planets, and other bodies in place and the phenomena that involves them." The small amount of knowledge that I have on this particular subject came as an Air Force navigator in the '40s when I used the stars, particularly the North star, to find my way here and ther. So I am no expert. However, the other night I read some thought provoking incomprehensible statistics that were very interesting . . . so here they are . . . for your contemplation . . . and comprehension.

If you were in Atlanta, Georgia, you would be on a piece of your Earth spinning west to east at about 860 miles per hour. At the same time, your Earth would be moving in its orbit around the Sun at 66,661 miles per hour . . . while the Sun is carrying itself and its planets toward the star Vega at 31,000 miles per hour. While this is going on, the Sun and Vega move around the Galaxy at 700,000 miles an hour . . . and the Galaxy is rotating at 559,350 miles per hour.

And as the barker at a side show would say, "And that's not all, folks!" . . . Our Galaxy moves in relation to all other Galaxies at a speed better than 1,000,000 miles an hour.

So, what's this all about? Just to let you know that as you stand on your horseshoe court, you are moving in *six different directions at one time . . . at an accumulated speed of two and one half million miles an hour.*

Can't throw a ringer when you need it? Now you know!

“From Out Of The Mail Bag”

Dear Mr. Cobb:

Look toward the future. Make long term plans. After being organized for only two years and completing both an eight court outdoor arena and a four court indoor facility, I proposed a plan to accumulate funds to enclose our outdoor arena at the Allen County Fairgrounds. We have been charging \$1.00 per person per league night for payment of the capital costs needed to build the courts. By continuing these payments enough money will be generated in ten to fifteen years to erect the needed building. The future of horseshoes rests in good indoor facilities. By using our method, even small communities can have the pleasant indoor controlled environment which will make our great game even more enjoyable. I urge all clubs to consider this plan. Let's not be shortsighted and participate only for our personal enjoyment. Let's plan for the future for the growth of our sport.

Yours truly,
James R. McBeth

WORLD TEAM TITLE WON BY ILLINOIS PITCHERS

PITCHIN' PALACE, STURTEVANT, WIS.—SANC. 16-88-001

World class team pitchers gathered at the Pitchin' Palace at Sturtevant, Wisconsin, on Feb. 12-13-14 to have a go at the gold. They found it was close by in Illinois. Two Illinois teams finished in the top four.

Illinois doubled down for the win at the Team World Tournament. Minnesota, the defending champions, had held Illinois to a 2-2 tie forcing a repeat of the final match. The last game of that match was never finished—called—as the Illinois team swept the first three for undisputed first place. Ralph Dykes handled the charts and statistics.

In the ladder finish, Minnesota had defeated Indiana who had earlier won from the fourth place Illinois #2 team.

The final four finished in the same order of their seed determined in the 35 preliminary team matches. Illinois, 44 wins; Minnesota, 38½; Indiana, 37; and Illinois #2, 35½.

Oscar Manns just watched as Sandy McLachlin piled on the first 48 consecutive ringers. The 50 shoe game was near perfect, 98%.

EASTERN NATIONAL—JUNE 25-26—ERIE, PA.—SAN. 17-88-008

The 41st Annual Eastern National tournament will be held in Erie, PA, at the Kuchcinski courts at Glenwood Park Saturday and Sunday, June 25th and 26th. This Annual affair will be 50 shoe games, and only ringers will count no points. The new type self scoring score board will be used. It met with great success in last year's event, and saves the cost of score keepers. The tourney carries the N.H.P.A. sanction. Last year's event attracted pitchers from 7 states, and carried a prize fund of over \$2500. The Champion receives \$300 and a beautiful trophy. The entry fee for Classes A, B, C is \$25, and all other classes pay only \$15. Entries may be sent to Joe Abbott, 5840 Peck Road, Erie, PA 16510, phone 814-899-9796, or to Brad Ropey at 417 West 9th Street, Erie, PA, phone 814-455-9615. The deadline for entries is June 15. If necessary to call, please call in the evenings.

Mike DiMartino of Rochester, NY, is defending Champion. Hopefully Carl Steinfelt, many times Eastern National Champion, will participate. The Eastern National tournament each year is used by many top National Pitchers as a warm up to the annual World Tournament. Erie has many reasonable priced motels close to the courts, many are budget, and brand new. Good restaurants are handy. We also have food concessions at the courts. Erie has a lot to offer, Pennsylvania's only Lake port, and the beautiful Peninsula State Park extending 19 miles out into Lake Erie, with nice guarded sandy beaches. Plenty of facilities for family barbecues.

In Memoriam

It is with sadness that we report the passing of Gene Van Sant, NHPA 5th Vice-President on February 19 after an extended illness. He had undergone surgery twice which took much out of him. He was a strong and dedicated worker for our sport and put much time into the duties of 5th Vice-President. His wife Mary will assume his duties until further notice.

To his loving wife Mary and bereaved family the sympathy of the NHPA is extended to their hour of sadness.

* * * * *

The Ohio Horseshoe Pitchers' Association and the Whetstone Horseshoe Club expresses its sympathy to the family of Edward Pratt who passed away on February 12, 1988. Ed was an Army Veteran of World War II "Purple Heart Order" and is survived by his wife, Pauline. He will be sadly missed by his many horseshoe friends.

NHPA SANCTIONED LEAGUE PROGRAM

DIRECTOR OF THE YEAR 1987

Beverly Born, NHPA Sanctioned Club/League National Director, is proud to announce that Patrick J. O'Toole has been selected as Director of the year for 1987. This is a proud award that is earned through a tremendous amount of hard work at the league and club level. Our horseshoe hats are off to Patrick for this outstanding accomplishment.

As did most of us, Patrick started out pitching shoes in the backyard but his real involvement in the sport began after he retired from the Canadian National Railway in 1974 at the age of 55. His wife urged Patrick to take her to Florida in the family Fifth-Wheel shortly after retirement. She really liked it there while Pat was bored stiff.

Patrick's wife, Maria, had a friend who knew about horseshoe in the area and discovered that Patrick liked to pitch. One thing led to another and Pat met Frank Stites who took him to pitch.

Patrick has organized four handicap leagues and is still director of all of them. One is in Woodlawn, Ontario, at the West Carleton Royal Canadian Legion Branch 616. Through the hard work of Pat, there are 10 lighted courts with a nice chain link fence.

After a long struggle with the Manatee County Recreation people, there are 20 courts located in Bray Park providing pitching for three leagues.

Patrick runs the leagues at Bee Ridge Park in Sarasota, Florida.

Patrick has been recognized by the Florida Association as an outstanding member, has been nominated for the NHPA Hall of Fame, has been an outstanding promoter and contributor to our sport for many years. It is great that this fine award has been added to his accomplishments.

Patrick has three sons and three daughters. As Patrick would say, "They are cheaper by the half-dozen." When advised by the late Terrence Dougherty that he had been selected for this award, Pat said, "I was pleasantly surprised."

Patrick and his wife Marie are always out there working for horseshoe. A true example of this fine family sport. Congratulations, Pat.

THE PIONEER (N.Y.) CLUB—1987 IN REVIEW—SAN. 82C21

By DAVE HARDEN

The Pioneer Horseshoe Club of Syracuse, New York, successfully completed its fifty year of pitching at the New York State Fairgrounds. Our Club is located on the west side of Syracuse and is easily accessible east and west from the state Thruway and Rt. 690 and north and south using Rt. 81. We have twelve indoor clay courts housed in building 69, located at the Fairgrounds. Stop by some Wednesday night or Saturday and see our Pioneer layout!

On behalf of our Pioneer Club, I would like to extend condolences to the family of Terrence "Doc" Dougherty who passed away in November. Doc was very efficient in carrying out the duties of National League Director. Although I never met Doc, I enjoyed corresponding with him during the four years that I have served as Pioneer League Director. Our club welcomes Oklahoman Bev Born and wishes her good luck in her role as the new National League Director.

The highlight of the horseshoe season occurred when two former World Champions, Carl Steinfeldt and "Deadeye" Williams, pitched at our club.

Carl Steinfeldt appeared first, returning last May to the Pioneer Courts and repeated as Class A Champion in our Second Annual Pioneer Open Tournament. For the legendary lefthander, it was business as usual as he stymied the opposition with an awesome display of ringer power. Steinie must like our courts, as he hasn't lost a game there in two years! Averaging around 78% this time around, Carl held spectators and opponents spellbound as he zeroed in with pinpoint accuracy. Golf has its Arnie; Horseshoes has its Steinie!

As he has for fifty years, Steinie will return again to face a tougher than ever field, ready to smoke 'em off the courts! As his old opponent, Steve Fennicha, once said, "When Carl starts throwing those darts, it's time to pack it in!" In 1988, he may have to face Mike DiMartino, Art Tyson, Joe Shultz, and the rest of New York's finest. John Bogardus, and State Champ Jim Lewis may head west to the Fairgrounds. Also, it's possible the New England Champ, Kevin Hollister, might make his debut.

Tournament Director Al LaRock and his able committee people, John Ruston, Lance Hinman, Dick Sposato, Caz Osinski, Chet Wilk and Harry Dunbar plan to move the tournament date back one week to June 4th and 5th. This will allow more people to make the tourney.

The other great pitcher to appear at our court was four-time World Champion, Walter Ray Williams. "Deadeye" was kind enough to stop by at the end of our pitching season in November, while on a promotional trip for Bowling.

Walter Ray arrived on a chilly November day with the temperature hovering around forty degrees in our indoor facility. He changed into his pitching jeans and attired in a rather cumbersome jacket, commenced firing on a foreign court. He quickly adjusted to cold weather and unfamiliar courts and surroundings in a short span of time.

With the determination and coolness that brought him four World Titles, Deadeye pitched three exhibition games with our Club Champ, John Ruston. In three-twenty shoe count-all games, Walter Ray pitched a blistering 51 ringers out of 60 shoes for 85%! Big John, also, had a fine exhibition, hammering home 43 out of 60 for 72%!

As the two stalwarts clashed head to head, tossing ringer after ringer with relative grace and ease, it became apparent they were performing on the highest of levels. Deadeye and John reached levels few of us in the audience would ever reach.

On his way out of the arena, Deadeye answered questions put to him by veteran Sports-writer Ed Reddy. He compared bowling with horseshoes, saying both were highly skilled games with bowling involving a greater amount of luck. He showed great interest in improving the game of horseshoes. He, also, possessed vast knowledge of the game's historical past. After explaining his delivery was styled after Hall of Famer, Don Titcomb.

PIONEER—(Continued)

Under the able leadership of the Board of Directors, 78 members competed in our Spring, Summer, and Fall leagues. Our total membership reached 90 over the span of the horseshoe season. For the third straight year, our league statistics were fully computerized under the able direction of Bob Grezelka. By using the computer, we save 12-15 hours of work a week. Also, joining our strong work force were Peg Wilkinson and Pat Kemp. They've just completed their first year as Treasurer and Assistant Treasurer respectively, and did a bang-up job.

Our pitching season is divided into three 8-week sessions lasting from April through October with a two week intermission during the State Fair. All pitchers play two 50 shoe count-all games every Wednesday night. Ours is a 90% handicap system.

As they have for the last few years, John Ruston and Bill Coleman averaged more than 100 points per game for the season! John averaged 107 points per contest for 48 games. His high point game was 126, and high ringer game 39 ringers. He finished the season averaging 63%! Bill averaged 103 points per contest for 30 games. His high point game was 122, and high ringer game 37 ringers. He finished the season with 60%! John Merrill, pitching only in the Spring League, also, went over the century mark. Merrill averaged 106 points per contest for 16 games. His high point game was 118, and high ringer game was 36 ringers. He averaged 63% in the Spring. Pushing the "tremendous trio" with 96 points per game was Lance Hinman, and Glen Brown, close behind, with 95 points. Glen rounded out his finest campaign with a 52% average for 22 games!

Our club received more media coverage in the local newspaper than horseshoes has received in this area in the last 25 years. Sterling articles by Bob Snyder, Bud VanderVeer, John Schwabe, Don Gates, and veteran Ed Reddy helped put us on the Horseshoe map. The *Syracuse Herald Journal's* Snyder wrote an article highlighting Walter Ray Williams and mentioning John Ruston and our Pioneer Club. The *Post Standard's* Schwabe followed with a fine article emphasizing the Pioneer Club itself, and its members. Ed Reddy and Don Gates both covered the Williams' exhibition and wrote follow-up articles comparing bowling with horseshoes. They, also, mentioned our Pioneer Club and its recent Hall of Famer, John Ruston.

The other main highlight of the horseshoe season was the induction of our Club Champion, John Ruston, into the New York State Hall of Fame. John was inducted on Labor Day, in a ceremony held during the New York State Horseshoe Tournament. Most club members and a host of other pitchers throughout the state felt that it was an honor long overdue. In fact, State President, Bob Sutton, emphasized that John's induction was unique, in that he was being honored as both a pitcher and promoter.

The rangy lefthander tantalized opponents with his rainbow 1¼ turn in a span of over 25 years dating back to 1960. He, of course, was a tough competitor on the state level as well, winning Class B at Lockport in 1967. His best showing was in 1971, when he finished a close second to Steinfeldt, averaging 76%. In 1970, he finished 8th in the Eastern National at Erie, also, averaging 76%. The Eastern National was composed of a field at that time which included Hohl, Steinfeldt, Dan Kuchinski and many others who were having banner seasons.

John was the main driving force behind the running of City and County Tournaments held at Kirk Park in the 1960's and 1970's. He initiated the Lafayette Horseshoe Club and directed the laying out of 4 clay courts behind the Lafayette Lanes Bowling Alley. Through his guidance and the inspiration of Alley owner Paul Vadala, the Club hosted the New York State Tournament at the Fairgrounds, 1969-1971. Currently, in the 1980's John has, again, been the dynamic force behind the establishment of the Pioneer Club at the Fairgrounds. Now, with a far stronger supporting cast of members, the Pioneers figure to be long-term tenants at the Fairgrounds!

When he was inducted on Labor Day, John joined two other Club members who are Hall of Famers: George LaRose and Tony Sauro. John is in good company, as "Frenchy" and Tony battled Steinie in the good old days of horseshoes. Tony still competes in our League and shows flashes of the old form which earned him a nearly 70% average in his heyday.

PIONEER—(Continued)

Completing her finest season in our mixed leagues at the Pioneer Club, was Lorraine Valentino. A hard-nosed competitor who has worked hard to improve her game, she received the Club's award for most improved player. Since 1986, Lorraine improved from 73 points per game and 35% average to 85 points per game and a 45% average in 1987. Her high point game was 108 and high ringer game an eyepopping 31! She continually had high games with handicap over 150 and put together big strings of ringers. Lorraine left many opponents gasping for air, and running up a white flag!

Showing the most promise among our young people is John's daughter, Jan Ruston. Coached by John, and throwing the same deadly 1¼ turn, Jan averaged 53 points per contest with a high point game of 97. Some of her stats were out of sight, as she compiled a high game with handicap of 185. This is a Pioneer Club record! Her high ringer game was 27, and she finished the year at 21%. with a little hard work, Jan appears destined for stardom!

After such a fine year, the Pioneer Club is anxiously awaiting the start of the 1988 season.
