# TOURNAMENT PITCHING HORSESHOES

Both backyard pitchers and pros catch and hold the stake better with DIAMOND's new advanced design "Tournament" Shoe. It features a grip positioner, hardened tips, an increased radius, a dead soft center, and a wider, deeper calk. Same drop-forged solid steel construction as DIAMOND's popular Double Ringer and Super Ringer Regulation Shoes. All American made.

Contact your nearest NHPA club or sporting goods store for DIAMOND pitching horseshoes.

# President's Message

For many, the horseshoes have been put away for the winter months when we will dream of better games and reflect on our 1991 play. For some who took to the change early, play was affected by the new NHPA 3 highest tournament percentage rule. For others, change to this is only starting as some charters have waited until their state tournament to implement the rule. Wherever you are in the NHPA, 1992 should be the year that all members and charters are fully abiding by this percentage rule.

Like any change, not everyone likes it. That is to be expected, but for now it is the rule and everyone should abide by it. Overall, acceptance has been good and the majority of comments favorable. Yes, there are other ways to determine a player's pitching average and for those who pitch in a lot of tournaments, perhaps you are entering a bit higher average than you normally pitch. But, horseshoe pitchers should strive to pitch against the best competition they can and the 3 highest average does indicate their pitching ability. Perhaps one can't always maintain that performance level but what has been accomplished three or more times should not be a surprise when it is done again.

Unfortunately, not everybody pitches the same amount of shoes, games or tournaments over a season. Some say to average all the tournaments is a truer measure and it may be but this has its drawbacks as well. A pitcher who starts the season in cold, wet or windy conditions can soon find himself in a percentage hole out of which he can never climb. Poor percentage tournaments that are dragged along for a year often can keep the overall average well below what a player is pitching at World or State Tournament time. Maintaining

the percentage from all tournaments also allows those who are inclined to "sandbag" to keep an artificially low average.

Keeping percentages based only on the most recent 3-5 tournaments pitched is another way, but like all methods, this too has drawbacks. The infrequent pitcher and occasional sandbagger normally will carry an average lower than their true ability. They use this average to enter the World, State or Vegas and because some good prize money is available, practice for weeks beforehand, come in and clean everyone's clock. The most notable drawback is that one bad tournament can reduce the overall average to a lower class and bring about despair, let alone the little comments of others who complain because they know the individual's true ability doesn't belong in their group. In fact, the most frequently mentioned positive comment I've heard about the new "3 highest" rule is, "I like it because a bad tournament or two doesn't affect my average and drag me down. I can just put it out of my mind and wait for the next one."

The point of this article is that there just isn't any "best way" to maintain averages. What we have was proposed by the membership and accepted by the majority of delegates. We used it for the 1991 World Tournament and while very few exceeded their entering average, nearly one half of the pitchers came within 3% and we had some of the closest percentage groupings we have seen in a long time. The first year of any change is always the hardest. I'm confident that if we give the "3 highest" rule 18-24 months to work, we'll see a leveling of things and more confidence in its ability to work in the best interests of the greatest number. If we don't, steps can then be proposed to modify it.

## Dave's Court Report

■ Many who watched him cannot forget the easy smooth pitching style of 8-time World Champion, Fernando Isais. Three years ago, Fernando had a heart operation. Complications caused poor circulation and on June 19, 1991, Fernando had his right leg amputated just below the knee. He is coming along well, but I know Fernando would enjoy hearing from some of his old friends. If interested, you can drop him a card or note at: 8788 Coral Springs Court, #207A, Huntington Beach, CA 92646.

■ The Horseshoe Measuring Gauge is free to any charter requesting one. Just send a request signed by the Charter President or Secretary to: Ed Domey, NHPA Game Related Sales, Box 298, Sutton, MA 01590. Limit 1 per charter.

■ On August 3, at a sanctioned tournament in Coffeyville, Kansas, junior boys' pitcher Vorn Ven pitched a perfect game of 16 shoes.

■ In somewhat of an oddity, Iowa pitcher Mel Letcher showed competitors what consistency means. Mel entered the Erickson Open in Maxwell, IA, on July 28, 1991 with a 40% average. He pitched five 50 shoe games and got 20 ringers in everyone of them, 40% five times in a row.

■ Upon returning from the Biloxi World Tournament, I was invited to Japan by the Japanese Sports Authority people I met in Stone Mountain during their visit in 1990. Unfortunately, personal business obligations prevented me from accepting, but it didn't take much coaxing for Donnie Roberts to go in my place. He reports having a great time and I'm sure represented the NHPA and horseshoe pitching well. Donnie will have a report for *Newsline* at a later date. By the way, some folks, even charter officers, are still sending mail to Donnie at an old address. Mail to Donnie should be sent to NHPA, P.O. Box 7927, Columbus, OH 43207.

■ Members wishing to run for an NHPA office in 1992 should send their announcement to *Newsline* prior to March 31st. We will vote on the Second and Fourth Vice President spots as well as the Secretary/Treasurer position. Donnie Roberts has announced that he will seek reelection.

■ Did you know that last year, individuals lent the IRS nearly 70 billion dollars interest free? That's the total amount of tax refunds from the IRS this year. Now, if 10,000 members would each lend the NHPA \$1000 for one year, interest free, think of the possibilities we could provide the sport and association with the \$500,000+ interest earned.

# Letters to the Editor

Dear Dave,

Our sincere congratulations to our friends in Biloxi, Gulfport, and Ocean Springs who put together one of the best World Tournaments that we have ever attended.

From the first time we talked to them and during their campaign in Spearfish, we felt that Mississippi had such great enthusiasm, they could not help but do a terrific job! For all of you that missed Awards Banquet show — too bad — you missed one heck of a program. Try not to miss the next one.

We express our thanks to the NHPA Council for their dedication to the sport of horseshoe pitching. They certainly put in more time than they're given credit for.

We are proud to be able to invite all of you back to the beautiful Black Hills Area and Spearfish, South Dakota in 1993. I'm sure you'll enjoy the South Dakota hospitality and the town of Spearfish is anxiously awaiting your return.

**Gene & Yvonne Ficek, Spearfish, SD**

Dear NHPA,

I would like to thank you for the scholarship I have received. I was delighted when I learned that my hard work in school and on the courts was paying off for the second year in a row. I was also happy to hear that my fellow pitcher and friend, Heather, had won the girls' NHPA scholarship.

Thanks again for the \$200 scholarship and the beautiful plaque that accompanied it. I proudly hang the plaque on my wall and will put the money to good use when I begin college. *Sincerely,*

**Reed A. Filley, West Fargo, ND**

Dave,

Just wanted to let you know how much I enjoyed the World Tournament this year. The changes that were made were right on target. That's the way tournaments are supposed to be. I didn't have to compete with pitchers, whom I didn't pitch against, as last year. Also my % wouldn't have got me in the finals, as last year. But my 8-3 record got me in 3rd place this year. This was my fifth W.T. and I am looking forward to Columbus next year. Thanks.

**Clayton Bushman, Fayetteville, Ohio**

Dear Dave,

It is my belief that we need to spend more money in advertising in newspapers and magazines. Unless you are currently a member of the NHPA, or know someone who is, you have very little chance of hearing about the game of Horseshoes.

I wonder what the 40 foot pitchers would say if they had to pitch under the same conditions as the 30 foot pitchers. I have not played on courts in any other state, however, here in Iowa, the 30 foot pitchers have to contend with wet grass, gravel, mud, holes, etc. It is a rare occasion when a 30 foot pitcher has a level, smooth surface to pitch from. I would also like to point out that bowlers do stand from the same place, however, women, children, and most older people use lighter balls. In golf, women's tees are usually several yards closer to the green. In both cases, the men normally carry a lot higher average than the women.

Let's just enjoy the game and encourage other people to get involved with horseshoes so we have a continuing line of new pitchers to challenge our "expertise."

*Yours in Horseshoes,*

**Don Wilson, Norwalk, Iowa**

Dear Dave,

I've been pitching horseshoes for about 45 years, and I have been refining my opinion about pitching distances and foul lines for some time.

Clearly, 30 feet for women and men over 70 gives them a much needed advantage. However, what about the poor guy who is 80...shouldn't he be allowed to pitch at 20 feet? Or the junior of about 15 or younger? If as agreed, 30 feet is equitable for 17 years olds, shouldn't the 15 year old also be allowed to pitch 20 feet?

Regarding the foul line, isn't that just an anachronism? Since the rule about fouling is almost impossible to administer, wouldn't it make sense to just eliminate foul lines altogether? We could line up alongside the stake and take one or several steps (like bowling) before delivering the shoe. A big advantage is that we won't have to construct 30 foot and 20 foot courts inside the antiquated 40 foot layout.

Handicaps? That's another story. Who's the better pitcher? You can't tell now from the won/lost column. Ah, but that's another story, and I said I had refined opinions only on distances and foul lines. When my handicap opinion is properly fermented, I'll write you another letter.

*Best Regards,*

## ATTENTION STEINFELDT STA-ON HORSESHOE CUSTOMERS

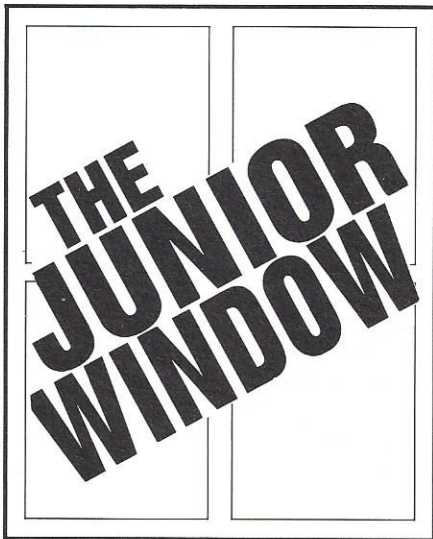

Effective September 1, 1991

**Hi Temp Refractories Co., Inc.  
and Bill Courtwright  
will no longer manufacture or sell  
Steinfeldt Sta-On Horseshoes.**

We will, however, continue to honor the 1 year guarantee on all shoes purchased prior to September 1, 1991 while supplies last.

We would like to express our regrets and sincere appreciation to those who tried the Steinfeldt Sta-On.

*Thank You!*

# "It's O.K. To Promote Horseshoe Pitching To Youth"

by Bob Dunn

It's O.K. to promote Horseshoe Pitching and the NHPA to youth. That was sure proven out during this past year. It always has been! There have been some Junior leagues with Junior promotion, but not widespread, not with overall emphasis, and certainly not publicized. Junior promotion is now publicized, is now emphasized and is picking up momentum.

Over the past year, the foundation for an organized NHPA Junior recruiting project has been implemented. Twenty-eight charters have responded by establishing Junior Program Directors. There had been only three like positions before this.

Each club has been requested to establish a Junior Coordinator position. Many have followed through. Some charters had 100% success in establishing Club Coordinators. And we have the *Newsline's* "Junior Window."

What's in store for next year? Surely we need to continue securing the program's foundation of establishing Charter Junior Program Directors for all charters, and Club Coordinators. Charter officers need to be involved to the point of seeing these appointments are made. Some of the remaining charters have responded, agreeing with the program, and are in the process of searching for appropriate candidates. Some charters have not responded at all. Hopefully those charters can make a commitment to follow through.

An additional focus should begin in 1992. That is to go beyond being proud of the youth in our organization, and the Junior members not only being our future, but also being an asset for today. We all understand that membership responsibility goes beyond just paying our dues. This is the same at the Junior level. Our Junior leagues, Junior tournaments and other events, need to include the Junior members accepting responsibility, accepting some of the workload in keeping league statistics, in conducting leagues, in keeping score at tournaments and in promotion and recruiting efforts. We need to include our Junior members in our chores. Not only are the youth a resource, they are an asset, and will bring an even stronger future.

*There are many family stories in our NHPA to be told and shared with our members. Write them up and send them to our editor.*

**Check Your Mailing Label** for the expiration date of your *Newsline* subscription. If it is less than 90 days away, fill out the renewal form and send it now with your check to the NHPA Box 7927, Columbus, OH 43207.

# Junior Jottings

by Bob Dunn

■ Lorraine Sternberg (Wisconsin JPD), provides an overview of their charter's scholarship program. Our program was started about six years ago by Howard Voiles. We would ask all tournaments in the state to put out containers for donations. Howard would usually make a few announcements throughout the tournament to get the people to give to the fund. We now have about \$7,000 in our fund with \$2,300 in allocated liabilities. We give four scholarships out each year, totaling \$900, at our State Tournament. \$300 to the girls Class A Champion, and a like amount to the boys Class A Champion. We also give \$150 scholarships to second place in each Class A division. The recipients have until the age of 25 to use the scholarship and receive the money if they go on to any form of school after high school. We raise money by donations from clubs, private donations and we still put out containers at tournaments. Usually at tournaments I will try to run a 50-50 raffle, then half of the money goes in the scholarship fund and the other half goes to the winning number. This seems to work pretty well and I try to get some of the Juniors to help me. Last year at the State Tournament, the host club gave a most generous donation of \$450. One of the ideas for this year is to have a Junior Scholarship Tournament with the Junior members doing most of the work. I'm sure they can do it. There are some people who say that the Juniors don't show much interest in helping raise money, so I have been trying to get them involved. We are very proud of our program and it's going well. If anyone has some other ideas I am always interested in hearing them.

■ There have been several orders for the *How To Start A Junior League* tape. Tapes are still available, so don't let the \$3.00 cost get in your way. Jim Rutherford (Louisiana JPD) enclosed \$10.00 with his order. The additional \$7.00 helped out in purchasing more new tapes. Thank you!

■ Horseshoe Canada is pleased to announce the first ever official provincial horseshoe pitching championship among high schools. The British Columbia Horseshoe Association broke new ground as "the first" in Canada,

by recognizing and sponsoring this event. The B.C. Association put up two "Provincial Cups" for the competition. One cup for the boys, and another for the girls. The provincial final playoff was held May 11, in Vernon, B.C. The two high schools which met in the playoff were: Clarence Fulton Secondary of Vernon and Yale Secondary of Abbotsford. Both boys and girls teams participated. All players were high school students. They played 50-shoe cancellation games, with five players on each team. Fulton school of Vernon won the Girl's Championship and Yale school of Abbotsford won the Boys' Championship.

■ The 1991 annual Robinsdale Whiz Bang Days Horseshoe Tournament was well into the heat of competition, yet many eyes turned to watch a stunning fellow strut across the grounds to the court area. You could hear the crowd buzzing, that's "Mr. Perfect." Yes indeed, none other than WWF Intercontinental wrestling Champion, "Mr. Perfect." The Robinsdale, Minnesota native, Curt Henning, is a frequent visitor of the four courts in Sanborn Park. His familiarity with the sport goes back many years to his youth. He talked about when he was a kid, listening to the klinking of horseshoes and walking a few houses down the street to watch none other than Hall of Famer, Art Holter, practice in his backyard. He also recalled coming to Sanborn Park with the Meyers boys for games of horseshoes. No matter what endeavors and successes a person claims as an adult, here is case in point, that the sport of horseshoe pitching can provide lasting memories for youth. More reason for us to tend to our recruiting

efforts. Many wrestling viewers may have seen "Mr. Perfect" pitching horseshoes on a WWF presentation last winter. Curt talked about the filming of himself pitching "Four Dead." Following the tournament, he joined Bob Meyer in some challenge matches of doubles, to prove out he is "Mr. Perfect" in the ring or on the horseshoe courts.

■ My mistake...previously I referred to Bernie Kylo as NDHPA president. Bernie is secretary/treasurer, and Jerry Black is president.

■ Minnesota's "Junior Only Open" (#23-91-03) was a big success. Paula Maahs, previous Junior Girls State Champion, defeated Missa Rosival, defending Junior Girls State Champion 22-17 in a playoff game to win Minnesota's first Junior Only tournament. The Class B Champion was Penny Steinke, Waukesha, WI, and Val Hollingsworth, Forest Lake, was the Class C Champion. Twenty-four Juniors from Minnesota and Wisconsin participated. The top 12 pitchers formed Class A, and pitched an 11 game round robin of 30 shoe games. Classes B and C had 6 pitchers each and pitched a double round robin of 30 shoe games. The entry fee was \$5.00 and trophies were provided the top six places in Class A and the top three finishers in B and C. Many members deserved a thank you for helping conduct this event, including the West St. Paul Horseshoe Club, Norm Gage (Minnesota JPD) who sang our National Anthem, and of course the Tournament Director, 15 year old, Jessica Dunn.

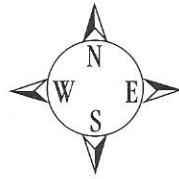

■ Let's hear from the Junior members — What do you like about our sport? What do you like about the NHPA, and what might you like to see improved?

■ Congratulations to new Charter Junior Program Directors: **Dave Brown** (Oregon), and **Jerry Michalek** (Florida)

# Sanctioned Club/League News

by Bev Born

Before I start my Commentary, would like to remind all of you of a couple of things. Top Ten forms must be submitted by the 15th of November and any received after that date will not be considered. Secondly, if your club Sanction number starts with 82 or 87 it will be eligible to receive a five or ten year Continuous Sanction plaque. That is, if I have received your complete 1991 membership report and all members are full NHPA, as required.

There are now available, while supplies last, a limited number of men's belt buckles for Most Improved awards. To receive a buckle, you must write the request for it in place of the bolo (string) tie, on your Material request form. These will be sent on request only until the present supply is depleted. The supplier used for these is now out of business. If you do not specify buckle, you will be sent the Tie and once sent, no adjustment/exchange can be made.

Using Sanctioned league play as one of the 3 events required for tournament entries: I believe this privilege should be considered and made legal by all Charters. Even though I would very much like to see all pitchers participate in 3 or more sanctioned tournaments, I realize that there can be extenuating circumstances to prevent some from being able to do so. NHPA, mandatory

membership in all sanctioned club/leagues, should give these dedicated pitchers as much rights as those that are able to travel to tournaments. One must remember, that to be used, the league average MUST be one of the 3 highest events. If not, or if the average is not for more than 400 shoes, it can not be used. Non-league pitchers can always form a league, have it sanctioned, or join an established one. Perhaps a pitcher that is dedicated and faithful enough to support a local club, pitches in one to three leagues per week and MUST be a full NHPA/Charter member, should have an edge.

If a league pitcher is also a tournament pitcher they will continue to go to every tournament they possibly can. Some tournament-only pitchers will make just the 3 mandatory events required per year. Then they will practice in their back yard or in unorganized matches at the local courts, improving from entry date to event. Pitching, perhaps, higher averages than used for entry, they sometimes walk away with their class. Isn't this more of an advantage than using recorded, verified league averages?

Let's take the World Tournament for an example. Pitchers can enter this tournament six months in advance. This allows them all of this time to improve maybe 20% or more. Especially

true for the lower average pitchers. If you are one of the fortunate ones that has lots of time to practice, I envy you. May you all improve as reward for your efforts. Perhaps along with a tournament entry deadline, there should also be a date set for entries to be accepted. Entries would not be allowed, say more than 30 days before entry deadline or even event date. Anyone, if allowed 2 to 4 weeks to enter an event, could do so, if they really wish to attend. re: If World deadline is May 15th, allow no entries before April 15th or 30th. With the event starting on July 15th, this would still give determined pitchers one to two months to improve and hopefully most would, to some degree.

We should all also keep in mind that someone that shows a marked improvement from entry to event, is not always what we have a tendency to peg as a sandbagger. A great number of us will become upset with anyone in our class who averages 10 or more percent above their entering average and perhaps, unjustly, accuse them of sandbagging, when in reality they have only taken the time to put their heart and soul into the game and their own personal improvement. No one should be condemned for this effort. **THINK ABOUT IT!**

The opinions expressed here are solely mine, and are not meant to offend anyone personally or put down one who practices diligently. I sometimes wish I had the time and energy to put in hours practicing every day.

The bottom line is, I am extremely proud of all of the sanctioned cl/lg members who have graciously converted over to full NHPA, rather than lose their sanctions. They are, after all, TRUE NHPA supporters of our great sport. They should be commended. They are hard workers in the area of recruiting new pitchers to become members of their local, Charter and National Associations. We need to give them our support, not deprive them of any NHPA privilege.

Your comments are welcome and can be sent to me or the *Newsline* as Letters to the Editor. I wish everyone good health, a mild winter and a *Very Happy Thanksgiving!*

**Your Friend for Horseshoes!**

# News Release

VERMONT  
# 83-C-84

This year the **Sodbusters Horseshoe Club** celebrated their 25th year. We celebrated with a banquet dinner dance at the Main Event in Middlebury with 113 Sodbusters and guests from South Carolina, New York, New Hampshire, Massachusetts and Vermont. Rollie White, one of the three original founders, was guest speaker. Ken Downer and Roger Forgues, the two original founders still in the club, were presented with gift certificates. The Theme for the evening was "remember when."

A specially-made trophy was presented to the Sodbusters from the Green Mountain Horseshoe Club from Bennington.

A "Round the World Quilt" was made by Bev Forgues and names of

all the past and present members were written on it with the help of Deb Brown, Connie Selleck, and Anne Godard. 176 members have been in the club over the years. Our membership was 49 this year.

The Sodbusters ended their 25th year with a picnic at the club on Sunday, September 29, with about 20 members and their families. Fourteen members braved the 44° weather and played a doubles elimination singles tourney in the morning and doubles tourney after the potluck picnic in the afternoon.

Our league awards sent to Deb Brown first place Tuesday singles. Second place went to Andre Bergeron, Sr. Third place was tied and went to Reid Brewster and Stan Bigelow. High Game patch went to Deb Brown 84%. Most Improved went to our

rookie Bill Bearor, and Sportsmanship award went to Mickey Bedard along with High game over Average. Thursday Singles 1st Place went to Reid Brewster. 2nd place ties went to Connie Selleck and Alan Curler. Most improved award went to Myron Selleck. High game went to Bev Forgues 80% and high average Deb Brown. We also gave First Place Trophies to John Coffey and Lorenzo Gagnon for our doubles league. A Special Recognition Award went to Bill Boutwell for the many tasks he has done to help the Sodbusters.

# 1st Annual Quartzsite Main Event Tournament

**QUARTZSITE, ARIZONA • JANUARY 23-26, 1992**

ENTRIES CLOSE JANUARY 9, 1992 • ENTRY FEE \$10.00 (Additional fee possible for A-D)

**All entry fees returned as prize money PLUS an additional \$2,000.**

NHPA or Canadian Card required.

All groups will be 12 man classes - pitch 2 days. 30' pitchers may be mixed.

**Classes A-F pitch Sat.-Sun. Classes G-L pitch Thurs.-Fri.**

**Pits are located at the Main Event Grounds, Quartzsite, AZ  
(Interstate 10, Mile Post 17)**

Motels are located in Blythe, CA or Free dry camping available near the pits.

**SEND YOUR ENTRY FEE TO:**

Virginia Chalberg, 13118 E. 47th Dr., Yuma, AZ 85365 (602) 342-0426

Make checks payable to: Y.A.H.P.A. Also send your 3 highest tournaments in the last year and your pitching distance.

# Regional Director's Report

by Gary K. Minnick

At the 1991 World Tournament, I was blessed with plenty of help from the Regional Directors and a few tournament pitchers. If not for them, it would have been a long tournament for shoe-checkers. A total of 22 people checked shoes at different times and days. We also had 109 pair of shoes that required grinding which produced 13.8 ounces of shavings. The two types that required most grinding were the "M&M", 16 pairs, and "Allens" 16 pairs. The least number of grindings were the Clydesdale "DF", G.G., and Dean, with 1 pair each.

**Sue Johnson** of **Arizona** reports that Prescott, AZ has 12 sanctioned courts. Now we will have year round pitching in AZ. **Wayne Minnick** of Prescott has been appointed Assistant Regional Director to replace Harry Perry of Mesa. Our thanks to Harry for a job well done over several years. Yuma Club again this year participated in an annual school fair and had a horseshoe tournament and exhibition. **Gary Chalberg** is ARD in Yuma and he and wife Virginia, are doing an excellent job of promoting the NHPA down there. We hope to see many of our snowbird friends in the fall with our first sanctioned tournament in Tucson on October 26, 1991.

**Jim Shilling** from **Indiana** reports that a National Horseshoe Pitching Classic was held at the award winning Deer Creek Music Center near Noblesville, IN over two consecutive weekends: June 14-16 and 21-23. Indiana pitcher Dick Sheean served as coordinator. Reynold's John Deere Farm Equipment and Waste Management, Inc. sponsored the event. Ninety-six pitchers competed for a purse of \$3000 plus trophies. The Championship Class was won by Tari Powell from Illinois.

**Bob Walters** reports that things are happening in **Iowa**. They had the largest tournament ever in Cedar Rapids and Ron Burgess with crew did a great job. There seems to be a lot of growing interest in IA. Cliff Kenney, Rick Voshell and Leo Buell are doing things in style. They have

a 70' x 170' building, all steel, insulated, floor all poured, up and in place, with some interior work and electrical to finish. About \$4,600 of their goal of \$30,000 has been raised as horseshoe people contribute. Good luck.

**Chuck Arnold** from **Oklahoma** reports that the Yukon Club will host the 2nd Annual Festival of the Horse Horseshoe Tournament on October 19 and 20, 1991. The winner will go home \$500.00 richer. This tournament is being sponsored by the *Daily Oklahoman*. A total of \$4000.00 will be awarded. A special congratulations to Bev Born, NHPA League Director for receiving the Presidential Achievement Award.

**Clint Bryson** from **ND/SD** reports that Bob Ketterer from Sioux Falls, SD passed away on May 31, 1991. He was, for several years, the RD for South Dakota. They held their first spring tournament with 54 entries of which 3 were new players. Also had several Junior pitchers.

**Bob McCharen** from **TX/AR** reports that things are going well there. He feels he should step down at the end of the year. I wonder what the Charter Officers think? They completed the Houston Livestock Show and Rodeo Tournament in Feb. with 16 courts in the Astrodome next to the Astrodome. They had 58 men's teams, 56 women's teams, 43 junior boys and 41 junior girls teams from the 58 surrounding counties. Each county has a local event to select their teams. This was the 9th year to run this tournament. It starts at 8 a.m. and finishes around 10 p.m. World Champ Celeste Polak and her partner won the Junior Girls group. The Houston Club again ran a successful tournament for the Sr. Olympians in April with a good turnout.

**Bud Schardine** from **Utah** reports that at the Northern Utah HPA Awards Banquet, they are cooking steaks for \$5.00 per person. The profit money from this will be used to make portable courts.

**Gary Wood**, ARD from northern **Utah** reports that it is a good year for horseshoes in northern Utah. He is pushing for more Friendship and Sportsmanship at the Ogden Invitational.

**Shirley Steffen**, ARD from southern **Utah** reports that they have been working with the people in Moab and are finally getting somewhere. *Sound familiar?* They have 16 courts with pegs in only three. After discussing this with Parks and Recreation and offering to have UT pitchers come over and pitch a couple of tournaments, the park's director was highly impressed and said he would complete the rest of them. Shirley also reports that they have been asked to work with the kids in high school lifetime sports this fall. Should be around 100 kids total. 25 at a time each day for two weeks. Sounds like a lot of good things are happening in Utah.

**Jack Adams** from **Canada** reports that Paul Carriere, Chairman of Horseshoe Canada coaching program held his first Technical Clinic in Calgary, Alberta, April 26-28, 1991. A similar Technical Clinic in Saskatchewan was scheduled later this summer. The 1991 Canadian Horseshoe Pitching Championships were held at Trenton, Ontario from August 7-10, 1991. Andre LeClerc, Montreal, Quebec, won the men's championship. His wife, Sylvianne Moisan won the Ladies Championship. It was a successful event and congratulations must go to the Trenton Club, the Mayor of Trenton and many other volunteers for their hard work and dedication to our sport. At the general meeting held on August 6, 1991, Sharon Ellison, Box 548, Raymore, Saskatchewan, Canada, SOA 3JO was elected President for a two year period. A well earned applause was given to Ed Murray, the outgoing President of three years. Clayton English, Ninette, Manitoba was elected into Horseshoe Canada Hall of Fame. Congratulations. The 1992 Canadian Championships will be held in Maniton Beach, Saskatchewan August 5-8.

## Spearfish to Host 1993 World

Spearfish, South Dakota will, for the second time, be the site of the NHPA World Horseshoe Pitching Championships. Spearfish was selected by the Executive Council after no bids were timely submitted for the delegates to consider at the 1991 Convention. With the passing of the \$3.00 increase in dues to support the World Tournament and the reduction of a minimum bid to \$15,000, three sites submitted offers by the special August 30th deadline announced at the convention. Huntsville, AL and Virginia Beach, VA both submitted \$15,000 bids. Spearfish bid \$18,000. The seven member Executive Council selected Spearfish by a 5-1-1 vote.

There appears to be a lot of member sentiment to return to Spearfish where our largest ever World Tournament was last held in 1989. It is a beautiful vacation spot, centrally located and after 3 consecutive years of World Tournament play in the east or southeast, it is time for a move to ensure the continued support of our Midwest and Westerly members.

The 36 outdoor court will possibly be expanded to 40 or more if entries run

high as they are again expected. Much of the clay will be replaced so as to have uniformity, the lighting and PA systems will be improved as will many other things. With a couple of new motels in town and gambling in Deadwood, Spearfish promises the July 19-August 1 event to be bigger and better than before.

## No Vegas Tourney

The tournament directors regret that they were unable to negotiate a reasonable contract for tournament play in Las Vegas this winter. They hope to return in the winter of 1992.

## An Executive Council Recommendation

The NHPA Executive Council encourages the physically handicapped to pitch horseshoes if they are able and we ask our membership to welcome and assist them. We do not yet have groups or classes specifically for the handicapped but we feel they should be allowed to pitch a shorter distance if the normal 40' is too much for them. Therefore, we are asking all NHPA Charters and clubs to encour-

age and allow the handicapped to pitch from the shorter 30' distance even if by age or sex, they don't meet the printed rule.

Charter officers can make a determination in their state on an individual by individual basis and so notify other charter members and the NHPA. If sufficient interest and participation by the handicapped is seen, we will then propose some sort of written rule to cover them.

Bob Champion's

# Charter Chatter

The main pitching season is over, but those lucky enough to live in warm climates or have an abundance of indoor courts will be able to furnish bits of news for Charter Chatter during the winter months.

May I urge all charters to send in news notes for publication, including some feature notes about horseshoe pitchers in your area. Only about 25 charters have newsletters, but I urge those who do not have a publication to give your pitchers a break and send news frequently.

Send to Bob Champion, 5505 Valmont #176, Boulder, Colorado 80301. Phone number is (303) 449-8395.

## ALABAMA

The Alabama Horseshoe Pitchers Association and the Huntsville Club held a benefit tournament and barbeque dinner for the North Alabama Arthritis Foundation in June at Brahan Springs Park...a regular tournament in the morning open to the public and a fun-type tournament in the evening between the County Commissioners and City Council members.

Mrs. Jib McClain, from the Arthritis Foundation, donated the use of her condominium located on the Gulf Coast near Gulf Shores, four days and three nights, to the winner of each class.

All of the organizers of the events were excited with the results and the media coverage by the television stations. It is possible that the Arthritis Foundation will continue to receive benefits from the publicity.

## CALIFORNIA

The new Don Titcomb Library at the San Jose Courts already has served a useful purpose; therein, stacked in its allotted space, was an old 1977 issue of *The Horseshoe Pitcher's News Digest* with story and photo of the legendary Ted Allen, written by Stu Snyder.

Annual stats of all Northern California pitchers are available to view and many items of interest are filed there dating back to an early period of this century — before rules and regulations brought the game to its present status and acceptance. One 1920s newspaper article mentioned that participants in a local tournament qualified by "Dirt on their shoes"; no mention of the kind of "dirt."

The Library is open to view during all San Jose Tournaments and Tuesday and Thursday afternoons from 12-5.

## CANADA

Horseshoe Canada reports they have concluded the first ever official provincial horseshoe pitching championships among high schools.

The British Columbia Horseshoe Association broke new ground as "The First" in Canada, by recognizing and sponsoring this event.

The B.C. Association put up two "Provincial Cups" for the competition, one for the boys, another for the girls. The playoff was held last May in Vernon, B.C.

The two schools meeting in the playoff were Clarence Fulton Secondary of Vernon and Yale Secondary of Abbotsford. Both boys and girls teams participated with Fulton win-

ning girls title and Yale winning the boys championship.

All players were high school students. They played 50-Shoe cancellation games (singles) with five players on each team.

## COLORADO

Paul LaCrosse fired an 87.5% game in the final contest against Rich Pintor to dethrone the defending Champion in the 71st Colorado State Tournament. It was Paul's tenth state title to tie him with the legendary Ted Allen for high number of championships. LaCrosse went 7-0, 72.5%.

Virginia Sandoval successfully defended her title with a 7-0 record and 70.4%. 11-year old Walter O'Dell, son of the 1992 president-elect Dave O'Dell, won the junior crown, 7-0, 35.4. At his young age, Walter could become the first junior to win over two State Junior titles.

Elected to the Colorado Hall of Fame were five-time women's champion, Margaret Tarket for Pitching Excellence, and Ed Knaub for Service. Knaub had an 8-court indoor facility on his farm, constructed five years ago.

The team from Ault won the fifth Annual Team League Tournament Sept. 22 at Knaub's Arena. Team members were Julie Romero, Karen Salzman, and Wanda Martinez.

## CONNECTICUTT

Amid the roar of airplane engines at the Danbury Airport, the clank of horseshoes can now be heard. Adjacent to the runways, twelve beautiful cement platform courts, with walkways, were dedicated in mid-June with room for many more when the need arises.

Built with tremendous effort from George Wooster, with help from Mike Pane and several others, George and Company have formed a league of approximately 70 pitchers, most of them new to organized horseshoes. There is a sprinkling of old timers, all of whom seemed to come out of the woodwork when George put out the call. Lights are in the planning stage. They played on Monday and Wednesday evenings with a doubles-count-all format. Tuesday was "Ladies" night.

## ILLINOIS

The new Horseshoe Club of Springfield, organized by Alan Jones, has the concept "Always trying to improve your average." To enhance this concept, the leagues sponsored by the club have some truly unique rules (some say unfair). The games are 100% handicapped. There are penalties for missing games (no make-ups) and penalties for not making your average. Averages are adjusted every week based on the pitcher's last week average only.

"It forces the conscientious pitchers to be relentless in their efforts to improve their averages. This is for the true "Die Hard" pitchers only, pitchers who always try to improve. No sandbagging." If pitchers have a tendency to complain when you lose, don't get in this club.

10 club members tested their abilities at the World last year and 11 pitched at Biloxi this year — Don Bailey, Joe Beneky, Ed Evans, Mike Green, Alan Jones, George King, Bill Marvin, Ross Hendrickson, Art Standage, Lee Watkins and Jack Green.

## IDAHO

The August 1991 issue of the Idaho newsletter *Four Dead* lists the "High Five" for the State. Top of the list is Linda Martin from Fairfield 57.63. In second place is Dean Curry from Lewiston with 57.1, Charlie Ault (formerly Colorado) from Sagle was third, Warren Stutzman, Rupert, was fourth and Jim Taylor of Caldwell was fifth.

Idaho's Top Ten in the Winningest category finds Clyde Marquez, Idaho Falls on top with 17 wins. Taylor and Joe Thompson of Wilder are tied for second with 14. Marie Fox, Arco had 13, Ruth Anderson and Wayne Schorzman, both from Idaho Falls had 10 each, Harry Chapin and Merlin Miller, both from Twin Falls, had 9 each, Loretta Kirk, Garden Valley, won 8, and Wayne Durnil, Twin Falls, and Gary Kollman, Nampa, carded 7 each.

This award is based on Wins regardless of class. Each win receives 4 points, 2nd gets 2 points, and third gets 1.

## INDIANA

Would you believe - two perfect games in one tournament? And by the same pitcher? 1991 World Champion Tari Powell from Rossville threw forty straight ringers against Karl Van Sant on Karl's home courts at Cayuga, Indiana, June 1 and 2. Then later on she tossed thirty out of thirty against Don Peters, but Don knocked one off, depriving her of a perfect game. But the tournament was not over.

On the last game, Tari threw another perfect game of 24 straight against Canada's Sandy McLachlin, the 1987 World Champion. Still with an average 87.57%, Tari did not win the tournament, with the title going to Sue Snyder.

This top class included Ron Powell from Kentucky, Cliff Baker and Peters from Illinois and Sue Snyder, Van Sant and Dale Henry from Indiana.

The average of all these pitchers in this class was 77.6%.

## IOWA

The State Championships at the Iowa State Fair in Des Moines have, once again, come and gone. Defending Champion Kevin Cone of Alta went 7-0, pitching 74.5% to win the men's title for the third year in a row, while defending champion Cathy Carter of Council Bluffs went 5-0, pitching 73.6% to receive the Women's Championship crown for a record sixth time. 116 men, 9 women and 6 boys competed.

Chet Foster, superintendent of Horseshoes at the 1991 Fair, reports a successful 12 days of horseshoes. There were not only the men's, women and junior championships, but the State Fair site also saw individuals participating in the Seniors, Farmers, Doubles, Mixed Doubles, Handicap and various open and ladder events. Cliff Kenney was tournament director.

## LOUISIANA

Louisiana State Horseshoe Pitcher Association president John Wilson had this to say in a recent newsletter.

"I have had a very charmed existence in the sport of horseshoe pitching, meeting countless amounts of fine people nationwide, being involved in the birth and raising of the LSHPA, lucking out and winning a W.T. championship and not having one bopped off my head, but in the last few years, with my percentage on the downside, I felt my lucky days were over. But not so!!! I was just ready to send in my renewal for the *Newsline* when the NHPA decided on reduced rates for extended subscriptions. Man, did I jump on that and save 6 bucks. Try it! You'll like it!! Every member should support not only

the association, but his fellow member by being informed.

For those of you who don't receive it yet, there is a ton of very good info and sometimes some things that you might not like, but needed."

## MICHIGAN

A big cheer for Team Michigan as they defeated Team Ontario, 183 to 141. Michigan jumped to the lead after the first round and never looked back. Group 4 was most dominating winning 59 games and losing only 22. The other three groups played even in hard-fought competition.

Next year's tournament will be held June 26, 27 and 28 at the K-W Kahki Club in Wellesley, Ontario.

Dean LeClair (5-0, 69.2) and Claude Shannahan (4-1, 58.8) were Class A winners in the Lake Orion Tournaments July 13 and July 14. Dorothy Falk had a high game of 87.5 in the Saturday affair.

Jack Pelton (5-0, 58.8) and Fred Smith (6-0, 55.8) were Class A winners in the Union City Tournaments July 20 and 21. Pelton had high games both days — 73.6 and 70.0.

## MISSOURI

Congratulations! Missouri was the largest Charter in 1990 with 773 adult members and 37 juniors. They were allowed 19 delegates to the World Convention in Biloxi, Mississippi. A revision in the NHPA Constitution and By-Laws may be in order before long, as our parent organization will not be able to find a room large enough for the Convention.

Some Co-workers asked a lady pitcher how many female members in the state. Missouri had between 75 and 80. Keep up the good work, gals. State Secretary-treasurer Vicki Winston remembers that less than 30 years ago, she was the only woman NHPA member in Missouri. Vicky says "It's nice to have some company."

Bob Hughes won Class A, Bob Reininger captured "B", Jim Johnson won Class C and Aaron Willis took the 30 foot Class in the first ever Sanctioned tournament in Leopold.

## WESTERN NEBRASKA

Bill Turechek from Gordon won his fifth Association Championship with a 7-0 record and 56.3 effort. He won titles in 1984, 1985, 1987, 1988 and 1991. Secretary-Treasurer Frank Madison was second with a 5-2 mark.

Other class winners were Bill Glassmick in Class B (7-1, 37.5) in playoff over Adam Heimback; Lyle Henning in Class C (6-1, 36.1); and Allie Fankhauser in "D" (6-1, 23.7).

## NEW JERSEY

In each issue of the *Jersey Jargon*, the newsletter for the state, they honor some past Hall of Fame inductees, a tribute to those who have been active in their state's horseshoe activities.

The latest issue honors two inductees in 1973. One is Sol Berman, the other Joe Puglese (deceased).

Berman was State Champion nine times and Union County Champ several times. He was outstanding as a competitor and at present in the field of promoting the sport in the state and NHPA. He was president of the NJSHPA and was active in fund raising for the promotion of horseshoes. He is a member of the NHPA Hall of Fame.

Puglese was an outstanding pitcher, and aided in promotion of horseshoes by touring the state demonstrating the art of pitching in playgrounds, etc. He was the first to record an official 75% game which helped other pitchers to become

(continued on next page)

## Charter Chatter *continued...*

percentage conscious, by proving it could be done. He was active up to 1942 and also served as State secretary.

### OHIO

The Junior League has completed their sixth season. Mallory Blazetic from Mentor came in first losing only three games. A total of 10 juniors pitched in the league, the highest total since the league started.

The juniors pitch four games each night, 30 shoe count-all with 90% handicap. They pitch from mid-May until last week of June. They ranged in age from 5½-14 with pitching distances from 10-30 feet based on ages. The league was sponsored by the Painesville Horseshoe Club.

Final standings are as follows: 1 - Mallory Blazetic, 2 - Christopher Luce, 3 - Justin Spiesman, 4 - Kenny Stray, 5 - Bill Baer, 6 - Brian Dotson, 7 - Mike Melvin, 8 - Carrie Dotson, 9 - Matt Konchan, 10 - Jessica Spiesman.

Blazetic had high game of 113 and was the most improved pitcher. Luce was the most improved rookie.

A pizza party was enjoyed by all on the last night of league. Each junior was recognized at the club playoffs Sept. 18.

### OREGON

Lowell David of Creswell went 7-0, 64.23 to win the Class A division in the annual Juniper Open at Bend. Cliff Boyer, San Jose, California won the Class B and Terry Broderson, Bend, copped the Class C Crown.

In addition to Boyer, the tournament drew pitchers from Palm Springs, California; Orlando, Florida; Grass Valley, California; Boulder City, Nevada; Morgan Hills, California; Union City, California; Cincinnati, Ohio; Penn Valley, California; San Luis Obispo, California; San Rosa, California; Goldendale and Spokane, Washington.

Davis pitched the top game of 80%, followed by Nat Clark of Bend with 77.08. Third high game was a 76.31 by Ridge Leggett of Roseburg.

Phil Hendry and David Gorton went 5-1 with 50.71 to win the State Doubles Championship at Bend August 17.

### SOUTH DAKOTA

Doug Fast Horse from Rapid City is the state's 1991 winner in the Championship class with a 6-1 record and 46.9%. The Ladies Champion is Carlene Donnelly, Rapid City, with 6-0 and 62.7%

A brother and sister act took the Junior boys and girls titles. Michael Newton closed with 5-1 and 47.0% and Michelle had a 2.0 record and 14%. Michael was the Class A Boys winner at the 1991 World Tournament in Biloxi, Mississippi with an 11-1 record and even 50% figure. The Newtons are from Box Elder.

The State secretary-treasurer, Clifford Ziehl of Mitchell, was inducted into the State Hall of Fame.

### TEXAS

Bob Graham and Dee Daniels are the Houston men's and women's Champions. Graham defeated defending champion Jerry Zigrang, posting a 64% average, and Daniels defeated defending champion Dolores Zigrang with a 52.4 average.

Top five women ringer percentages are as follows: Mary Ann Kramr 67.8, Teresa Smith 54.0, Brenda Engelhardt 53.2, Diana Polak 52.4 and Jeanie Stewart 52.4. The top five in the men's division are Roger Vogel 63.6, Ed Arionus 62.0, Coke Bowker 61.2, Charlie Posey 59.95, and George Luketic 57.5.

Chris Paul leads the junior with 70.8, followed by World Champion Celeste Polak 64.7, Doug Macha 59.6, Jason Garcia 45.0, and Brenda Engelhardt 44.3

### WASHINGTON

Herb Criss fashioned an 8-0 record and 74.1% to best Art Sperber in the Class A division of the Lakefair Open in Olympia. Jack Raymond of Utah was the Class B winner (7-0, 48.0), Chuck Sackett won Class C (6-1, 42.56), Dick King was the Class D champ, Ahti Laine copped Class E in playoff over Dick Mueller and Don Annett (7-0, 24.85) reigned on top in Class F.

It was a repeat in Class A in the Seattle Open with Criss again taking the title from Art Sperber. Criss had a high game of 90% on the way to a 7-0, 78.83 record.

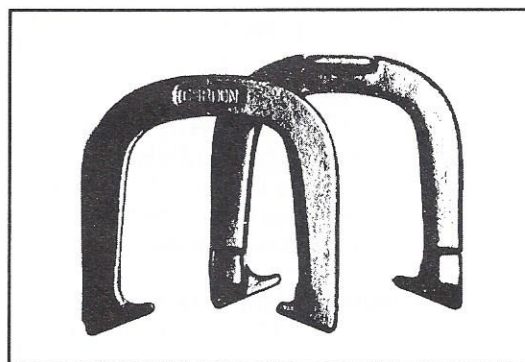

The Tri-City Open in Kennewick found Michelle Ives taking Class A with a 7-0 record and 72.76% including a high game of 81.58. Vickie McEnany won Class B (7-0, 39.19), George Schuster won Class C (5-1, 34.0), Eugene Stephenson won Class D (4-1, 35.9), and Jim Hackett took the Class E crown with 5-1, 22.09.

### WISCONSIN

Randy Rein is the Player of the Year and was presented the award by president Dick Hansen. Points accumulate for entering and placing in state scheduled events. They vary from 3 points for entering to 13 for first place. Randy pitched in 15 tournaments during the year.

John Udelhofen won the Men's State Championship for the third time with 7-0, 65.11%. Edi McKinney posted a 6-1 record to win the women's crown finishing with a 63.14 percent, Heidi Sternberg defeated Pam Steinke in a playoff to cop the girls championship and Mark Mauthe (5-1) defeated Jason Goldsmith in a playoff in the boys division.

Hall of Fame awards were presented to Wally and Cy Srenski and to Charley Christoplis (in absentia). His buddy, Leon Uhl, accept the award for the vacationing inductee.

# Freeman Hall *The House That Jack Built...*

by Donnie Roberts

Tennessee now has a lovely new horseshoe pitching facility which is appropriately called "Freeman Hall." The Middle-Tennessee horseshoe courts are located northwest of Nashville, TN near Joelton. Travel to the Louisville-St. Louis split (I-65N/I-24W), go W. toward St. Louis to exit 35 (8 mi. from split), exit right (N) on Hwy. 431 towards Springfield. The building is light tan, on the right, 2 miles from I-24.

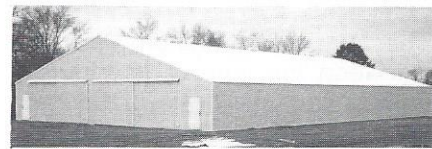

This lovely 10 court indoor pitching facility has perfect lighting, nice clay, gas heat, tons of parking, restroom areas, food areas, and plenty of seating for spectators.

Freeman Hall has already had tournaments and other activities with many more planned. All events scheduled are NHPA sanctioned. Pitchers should put Middle-Tennessee on their tournament schedule.

Jack Freeman M.D., of Nashville, is the owner of Freeman Hall. He has been an NHPA member for the past

several years and is an avid pitcher who throws 70% ringers. Jack, an M.D. in Nashville, purchased this 165 acre site and built the indoor courts. It is a great thing Jack has done for our sport. Middle-Tennessee is a very lucky group as are all of us.

During my visit, Jack continually expressed his appreciation to Marvin Bastian, long-time pitcher and promoter of pitching in TN, who has

been director of events at Jack's Place; Ron Powell; and others who had helped accomplish this project. Everyone is welcome to the horseshoe house that Jack built.

# The Toll of Time

## GEORGE RAYMOND LEAF

The Alaska Horseshoe Pitchers Association lost one of its charter members with the death of George Leaf on May 22, 1991. A member of the State Association since its establishment in 1983 and the Eagle River-Chugiak Club since 1988, George passed away at his Eagle River residence. He was age 60 and had contributed much time and energy to the sport and its growth in Alaska. George was the 1985 Alaska State Champion.

## RUDOLPH LIPOVSKY

Rudy, brother of Len and uncle of Dale Lipovsky, was born on a farm near Boyceville, Wisconsin June 24, 1921. He passed away September 30, 1991 in Chicago, IL having an apparent massive heart attack while working in his garden.

He was a well-known horseshoe pitcher in the Chicago area, was president of the Norridge Club, also played at Downers Grove, Berwyn & Wells Park. He loved the game of horseshoes, was one of our favorite sparring

partners. It was nice to see many of his fellow pitchers at the wake. Funeral services were held Wed., Oct. 2nd.

It was a great shock to all family members as Rudy appeared to be in good health until his death.

Sympathies are extended to his beloved wife Ann and son Ron and many other relatives and friends.

## ALTIN OLSON

Al Olson was a top pitcher in the Bloomington, Minnesota Club for many years. He also played in the Minneapolis League. Poor health, brought on by a recurrence of Cancer, curtailed Al's pitching in recent years and death finally came on May 19, 1991 at Fairview South Dale Hospital in suburban Minneapolis. Born in Thief River Falls, MN in 1922, Al loved the game of horseshoe and had many friends in Minnesota and California where he had spent the last four years living in Hemet. Al died shortly after his return to Minnesota. The sympathy of the MGSHPA are extended to his wife Lu and other family members.

## GEORGE STIFEL

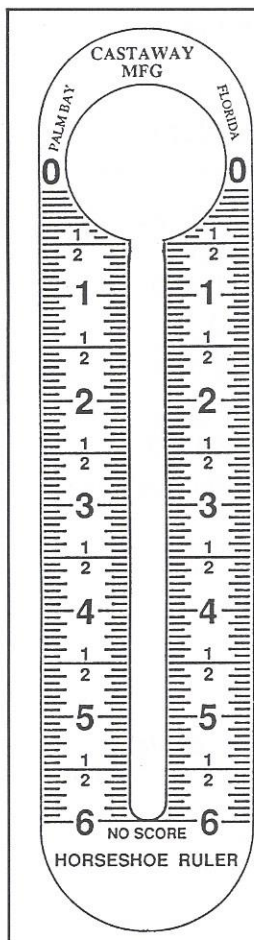

A long time NHPA and Ohio member was lost with the June 25th passing of George Stifel. George had many horseshoe friends and was reported to be an Ohio member for most of his life. No details have been given *Newsline* but our heart felt sympathy is extended to his surviving wife.

## OSCAR W. SYLVESTER

An automobile crash on June 29, 1991 took the life of New York and NHPA member Oscar Sylvester, age 69 and his wife Vivian, age 66. The couple, who lived on the Cattaraugus Reservation died after their car hit a tree. A Native American, Oscar was instrumental in getting eight lighted courts on the reservation, forming the Irriquois Club and assisted in the formation of the Cowboys and Indians club in New York. Oscar also helped establish a twice a year tournament with the Hamilton Club from Ontario, Canada and it was from this event on June 29th, that Oscar and his wife were returning when the accident occurred. On behalf of all horseshoe pitchers in western New York, the actual presence of Al will be deeply missed, but his inspirational spirit will forever walk among those who knew him.

## EUGENE WEBSTER

A great gentleman and promoter of horseshoe pitching was lost with the September 4th death of Gene Webster of Stamping Grounds, Kentucky. Gene was the presiding President of the Kentucky Horseshoe Pitchers Assoc. and was just this year inducted into their Hall of Fame. Cancer took Gene two weeks shy of his 50th birthday. He had been hospitalized for a month but had come home three weeks prior to his death. An Owen County, Kentucky native, Gene had been with IBM for the last 25 years and the NHPA since 1975. For the past two years, Gene had graciously provided two new IBM computer systems for NHPA use at the World Tournaments. A fine horseshoe pitcher himself, Gene could always be found watching and giving encouragement to his lovely wife, Lois, one of the best women pitchers in the world. The entire NHPA is saddened by Gene's passing and our deepest love and respect is extended to Lois and family members.

## Horseshoe Ruler

Pat. No. 5040307

No more guessing, straws, grass, shoes, rulers, calipers, etc., etc.

Simply place the HORSESHOE RULER around the stake and measure exact distance from the stake to any horseshoe within 6 inches.

\*Use as a straight edge to check ringers too!

Made of high impact, clear or white acrylic that will last for years and prevent many disagreements among your horseshoeing friends.

As seen, sold and used at the 1991 World Tournament in Biloxi, Mississippi

**\$6.98\*** each plus \$2.00 shipping & handling

## *The American* **TOURNAMENT SHOE**

### LOCKS IN RINGERS!

- Scientifically designed ringer breaker helps rotate shoe to lock in ringers.
- Finger positioner for throwing comfort.
- Heel caulks with more forged steel for better balance.
- Longer hooks to grab the stake better.
- EXCLUSIVE new high-tech powder coat finish for better resistance to chipping, abrasion, corrosion and weathering.
- Classic gold and silver in full outfits (four shoes and two solid-steel stakes) or four shoes only.
- Call or write today! (508) 853-8010
