

PRESIDENT'S MESSAGE

written by Stu Sipma, President

The NHPA Council would like to welcome Coyce Allen (TX) to the NHPA Council. Coyce was appointed September 14, 2017 to replace Bill Marvin who gave his resignation on August 22nd, 2017 as your 5th VP. Coyce duties will pretty much be the same as the duties that Bill's was in charge of. Coyce will be the Director for the Regional Directors, assist in the World Tournament set up, and serve as a Shift Director/Shoe Check at the World Tournament. For more information about Coyce, please read his article.

The NHPA Council would like to thank Jerry LaBrosse and Tina Hawkins for their years of service on the Council. Their terms will end December 31, 2017. The Council would also like to welcome Rob Hagman (MN) and Laurie Lampkin (KY) to the Council. Their term will be January 1st, 2018. I know both Rob and Laurie have already been assisting the Council since the past world tournament.

The NHPA Council would also like to thank Steve Summerlin for his many years serving as our NHPA Web Master. The Council wishes you a great retirement, and wish both him and Paula the best.

As the 2017 pitching season comes to an end for many Charters, I hope everyone had a great season of horseshoe pitching. I know many Charters hosted their State Tournament Labor Day weekend. Congratulations to all State Champions and those participants who competed.

Just a reminder, elections are open for President, and 5th VP. Per the By-Laws, incumbents running for a NHPA office must announce their candidacy in writing to be received by the President and the Horseshoe Pitching Newsline Editor no later than February 1, 2018. NHPA members who want to run must announce their candidacy in writing to be received by the President and the Horseshoe Pitching Newsline Editor no later than April 1st, 2018.

Each year the NHPA votes to award an individual to receive the Arch Stokes award. This is the NHPA's most prestigious award and is awarded to an NHPA member who has done the most during the preceding three to five years to promote, foster and build the sport. We also vote to award an NHPA Achievement award to a member who the Council feels has worked at promoting and growing the sport of horseshoes. For Charters who feel they have members worthy of being nominated to receive one of these awards, please contact me and I will send you a nomination form or you can find it on our NHPA website. The deadline for the Stokes Award is March 31, 2018 and the NHPA Achievement Award deadline is, March 1, 2018. One other nomination for members to consider is the NHPA Hall of Fame. If any of you have an individual who you feel is a candidate, please contact myself or Vicki Winston at horshuvicki@socket.net for a nomination form. Nomination forms must be received by Vicki Winston by January 31, 2018.

The 2018 World Horseshoe Tournament will be held July 9th – 21st, 2018 at the Florence Civic Center. The NHPA trailer has already arrived from St. George and plans are being finalized for the preparation for this event.

The NHPA Council would like to thank Jerry Smith and all the other who assisted with Jerry on hosting the Sanction League Tournament at our HOF Building Sept. 30th – Oct. 1st, 2017. It sounds like everyone had a great time and the tournament was another great success. --- Thank You ---

In conclusion, don't forget to start making preparations to attend the 2018 W.T. Information is already posted on our website. The Council will be finalizing the entry form after our winter meeting in January. Many of you have asked me if we were planning on having the same format and schedule. It is our intentions not to change anything at this time however each year is a challenge when working with different groups in different locations.

I want to wish everyone a Merry Christmas and a Happy New Year, stay warm and keep pitching. Remember to sign up one new member to grow our sport.

Thank You,

Stu

RULES, BYLAWS, & SPONSORSHIPS

by Gary B. Roberts, 1st VP By-laws, Rules, Grievance Director

I am honored to serve as 1st Vice President of the NHPA. However, I feel obligated to make genuine contributions to our sport rather than just to occupy the position. I have been pleasantly surprised to see that our current NHPA Officers are a very dedicated and industrious. My major responsibilities include rules, bylaws, and developing sponsorship.

Bylaws proposals were acted upon at the 2017 NHPA Convention in St. George, Utah. The NHPA Bylaws can be amended at every third NHPA Convention but amendments must be published in advance and approved by a two-thirds vote of the delegates at the Convention. However, emergency

amendments can be made at any NHPA Convention but require approval of three-fourths of the delegates. The 2020 Convention will be the next regularly scheduled time for amendments.

The 2018 NHPA Convention in Florence, South Carolina will entertain all new rules proposals. Any member can submit a proposal but it must be submitted to me no later than November 30, 2017. I would ask that each proposal be submitted by first quoting the current wording followed by the proposed wording along with the reason for the proposed change. The proposals can be submitted to me at gbroberts5542@yahoo.com or by mail to 638 Salem Cave Road, Beaver, Ohio 45613. Once I receive the proposals, they will be reviewed by the Rules/Bylaws Committee to assure they are appropriate and properly worded. I have a very knowledgeable and experienced Committee consisting of Dan Sanders, Jerry Labrosse, Clarence Lassiter, Debby Michaud, Gail Sluys, and Richard Altis. Once all proposals are finalized, they will be made available to the NHPA Executive Committee at the Winter Meeting in January 2018. Once approved by the Executive Committee, all proposals will be published in the Newsline and will be included in all delegate packets to assure that all voting members will be familiar with the proposals. Some proposals that are being considered by NHPA members include a definition of what constitutes a sanctioned tournament, a minimum number of shoes for a league to be Natstats eligible, and a clarification of the forfeit rule. If you have any questions about this important process, feel free to contact me at 740-835-1925.

Sponsorship is a subject that all of us talk about on a regular basis. It frustrates many of us when we see the success of the American Cornhole Organization in getting sponsorship for their major tournaments, and we ask ourselves why we cannot be successful. Casey Sluys made many efforts in the past to get some major companies to get interested in sponsoring us, and he can attest that getting sponsors will not be an easy task. I do not claim to be an expert in this area, but I know that it must be a priority as we move forward. I am recruiting capable people to assist me in this process. I've had a few people volunteer to help. We must develop a formal strategy and procure the assistance of capable people. If you have experienced people in your Charter that are willing to lend their expertise, please have them contact me. I will keep the membership informed of progress in this area.

I look forward to continuing to work toward the long-term survival and improvement of our sport.

Rules Proposal Deadline Nov. 30

Rules proposals will be voted on at the 2018 NHPA Convention in Florence, South Carolina. In order to get a rules proposal on the agenda, the proposal must be submitted to Gary Roberts at gbroberts5542@yahoo.com no later than November 30, 2017.

Proposals can be mailed to Gary at 638 Salem Cave Road, Beaver, Ohio 45613.

Proposals should include current wording, proposed wording, and the reason you feel the rule is needed.

Once the proposals are received, they will be reviewed by the Rules Committee and those recommended will be forwarded to the NHPA Executive Council for consideration. Finalized rules proposals will then be published in Newsline and will be included in the 2018 delegate packets. The delegates at the 2018 NHPA Convention will vote on each proposed rule.

If you have any questions concerning this, please contact Gary Roberts at 740-835-1925.

FINALE

by Tina Hawkins, 2nd VP, Publicity and Promotions Director

Here it is! My final *Newsline* article as 2nd Vice President of the National Horseshoe Pitchers Association!

Serving the members of the NHPA for the past 9 years has been quite an experience. I've learned so much about the organization, as well as the people...Hopefully, what I have contributed has made some sort of difference. I'm sure that is the hope of each and every member (past and present) of the Executive Council.

The decision to run for National office is not one taken lightly. One does not enter into the role seeking fame or fortune or glory, but rather the opportunity to contribute ideas and expertise with the goal of improving the association and creating a better experience for all members.

Every one of your officers started out just like each of you... as a horseshoe pitcher and member of the NHPA. Just like you, they have a love of the sport.

Over time, however, for these men and women, "a love of the sport" has developed into a passion and desire to make things better! They have chosen to sacrifice many hours of their personal, vacation and family time for the good of the association and they deserve your support.

There are a lot of great ideas in the minds of your executive council - but they can't think of EVERYTHING!! You, the members, are full of ideas as well. I encourage you to share those concepts with those who have dedicated themselves to the jobs.

Remember that "the council" is made up of regular people, just like you, with thoughts and ideas and – yes...FEELINGS – who are putting forth the effort to improve and grow the NHPA.

Please, collaborate with them and offer your suggestions (rather than criticisms) for the good of the association. They are all there to work for YOU!

Though I will no longer be working for you at the end of 2017, I will still be around and will still be boasting about our association everywhere I go. Now, perhaps I can actually enjoy all the fabulous vacation destinations that play host to our World Tournaments. I may even manage a debut in the Championships some day!

WT Bidder

Progress Report

The NHPA is very popular on the sports events conference circuit! Three such events are attended by NHPA representatives each year for the purpose of promoting the association and seeking the most appropriate venues for the World Tournament - and every timeslot for appointments is always filled!

While contracts to bid have not yet been signed, extreme interest has been shown by several great destinations for hosting the 2020 event. Some of those sites are in the states of Alabama, Texas, Florida, Missouri and Illinois. Extensive communications are ongoing with all of these cities and site visits being arranged.

Though my term officially ends December 31, I intend to follow up with all interested sites until the bid deadline, March 15, to ensure there are sufficient appropriate and fully qualified choices for delegates to consider at the 2018 convention in Florence. Bidders will be announced in more detail following that deadline.

NATIONAL SANCTION LEAGUE CHAMPIONSHIP TOURNAMENT

by Jerry Smith, 3rd VP, Sanction League Director

The National Sanctioned League Championship Tournament was held on September 30th and October first at the NHPF Hall of Fame Building in Wentzville, Missouri. The 20 teams battled for over \$3,500.00 in prize funds over the two days of pitching. The three person teams were cross seeded into two classes, the Scarlet and the Gray. Each three-person team played another team each round in a round robin format. Games were 50 shoe count-all and were handicapped at around 92%. Any team winning two or three of the games in a round were awarded a bonus point for their efforts. The winning teams from each class played each other for the Championship. The Scarlet division finished in a tie for first place with the Cedar Rapids and Rice Park teams each scoring 23.5 points. This required a set of playoff games and the Cedar Rapids team managed to win two out of the three games when Glenn Warden and Larry Purcell picked up wins. Susan Fulton won for Rice Park making the playoff exciting and competitive. The Scarlet division also had a three-way tie for third place. Since the tournament pay-outs go down four places, total points were used to separate third, fourth, and fifth place. The standings were as follows:

GRAY DIVISION

1. Jim's Four Courts-AR	29 pts
Wendy Hayes	
Hiram Chaffin	
Jim Brandenburg	
2. Effingham-IL	22.5 pts
3. West Des Moines-IA	20.5 pts
4. Shep's Crew	20 pts
5. Bonner Springs-KS	18 pts
6. Missouri #1-MO	17.5 pts
7. Quail Ridge Wedsday Nighters	14.5 pts
T8. Marengo IA	13.5 pts
T8. Heart of America-MO	13.5 pts
10. Beloit Ringers-WI	11 pts

SCARLET DIVISION

1. Cedar Rapids-IA	23.5 pts (Won playoff)
Bert Logsdon	
Glenn Warden	
Larry Purcell	
2. Rice Park Ringers-KS	23.5 pts (Lost playoff)
3. Topeka-KS	20.5 pts
4. Springfield-IL	20.5 pts
5. Missouri #2	20.5 pts
6. Crossville-TN	17.5 pts
T7. Nelson County-KY	16.5 pts
T7. The Good Guys-MO	16.5 pts
9. Arkdale-WI	9.5 pts
10. Waterloo-IA	7.5

In the Championship games, Jim's Four Courts (AR) squared off against the defending champions, Cedar Rapids (IA). In Class One, Wendy Hayes (AR) bested Bert Logsdon (IA) 106 to 82 as the playoff game may have worn Bert down a little. Wendy pitched 60% in the win and Bert shot an even 50%.

In Class Two, Glenn Warden (IA) shot 66.0% and beat Hiram Chaffin (AR) 114 to 103. Hiram shot 58%.

In Class Three, Jim Brandenburg (AR) got the best of Larry Purcell (IA) 108 to 95. Jim shot 64% and Larry shot 56%.

With two wins, Jim's Four Courts from Arkansas won the 2017 National Sanctioned League Championship. \$75.00 was awarded to the pitchers in each class who threw the highest percentage game above their average. Hiram Chaffin from Arkansas won the Gray class with a 21.24% game above his average. Terry Cuthbertson of Kansas won the Scarlet class with 20.57% above his average.

I wish to thank those who helped me with the tournament particularly; all those that kept score, David and Carla Sidles, Austin Bailey, Dalton Rakestraw and the entire Quail Ridge Horseshoe Club. It was a great tournament as always as teams left either happy or not-so-happy, but hopefully all enjoyed themselves.

The 2018 Sanction League National Championships are scheduled for October 6th and 7th and the Wentzville Hampton Inn has been selected as the host Hotel. The new hotel is located very close to the Hall of Fame facility and is very nice. Plans are in the works to increase the prize fund next year if things work out. As always, the first 20 teams to sign up get in to this fun tournament. Make your plans early.

LABROSSE SIGNING OFF

by Jerry Labrosse, 4th VP, Charter Communications Director

This will be my last *Newsline* article as 4th VP of the NHPA. There are several things I'd like to say, and many people I want to thank. Overall, being an NHPA officer has been one of the most rewarding things I've done in my life. Not only have I been driven to help advance our association, but have also experienced personal growth along the way. I can only hope that my efforts have helped the NHPA. Attending world tournaments is a wonderful way to see this great country of ours, and I've only missed one since 1996. The memories will last a lifetime.

The biggest benefit and reward that I have experienced, (and written about many times), is the friendships I've made, and working with the membership. I have often said that it's the people in our sport that really make it special. Some folks tell me that I have given a lot to horseshoes, but I argue that horseshoes has given me far more back in return. Our membership is like one big family. This past year I have had an amazing experience with the power of prayer and support from our horseshoe family. I had some pretty serious complications with a hip replacement, and there are several in my horseshoe family who literally pulled me through the nightmare. People who I've never

even met were sending prayers and support. I will be forever grateful to each and every one of you, and will be there for any of you if I possibly can.

Being an NHPA officer is not possible without your spouse's acceptance, patience, and understanding. They sacrifice many things in order for you to function the way you need to. All horseshoe spouses should be able to relate to what I am saying. I thank my wife Michelle, who has been and continues to be highly supportive of my horseshoe life, and has been my advisor on many things. Horseshoes has taken me away from many family functions over the years, and she has been very understanding about it.

I want to thank all of the officers and directors I've worked with over the years for their friendship and camaraderie. Paul Stewart was the president when I started, and he gave me a lot of advice and direction in my first years as an officer. His guidance proved to be very useful to me. The officers of the NHPA, past and present, are special people. They are willing to volunteer a large portion of their time and their life to making the NHPA stronger and more prosperous. They aren't in it for the money, they do it for the love of the people and the sport.

And finally, I want to thank all of the members I've encountered both at the world tournament, and in my daily horseshoe business. When members approach the officers at the world tournament just to say thank you, it is a very rewarding and gratifying.

I will continue to serve on the local, charter, and national levels. Gary Roberts has included me as a member of the NHPA Rules/Bylaw Committee, and I look forward to working with him and the rest of the committee members. Reminder: rule change proposals must be submitted to Gary by November 30th. I will also assist in equipment management as needed. Our equipment is aging and we must form a plan to stay ahead of the decay.

Being the Regional Director of the MN charter will also maintain a connection with the NHPA on a regular basis. I look forward to working with Coyce Allen, who recently replaced my friend and comrade Bill Marvin as head of the Regional Directors. Please join me in sending prayers and support to Bill for his success. The collective power of our prayers will carry him through.

In closing, I wish the current and future officers and Directors of the NHPA the best of luck, health, and wisdom in making the NHPA a growing and prosperous organization.

Thank you

Jerry LaBrosse

Meet Coyce Allen

I am Coyce Allen and currently serving as your NHPA 5th VP by appointment.

During my 33 years as a NHPA member I have served as the NHPA Regional Director for Texas the past seven years, Assistant Regional Director the four years prior and served on the NHPA Rules Committee. My experience at the charter and club level includes serving as THPA President, 1st VP, Chairman of Rules Committee, and a Tournament Director for the past twenty-two years. And have personally been instrumental with the development and construction of five pitching facilities across Texas. I also have the honor of being the 2013 inductee into the THPA Hall of Fame.

I was born and raised in Tyler Texas and happily married for 33 years. My wife Vickie is very supportive of my involvement in horseshoe pitching and we are currently preparing for retirement and moving back to the Tyler area in the next few months.

IMPORTANT NEWS FROM HALL OF FAME & MUSEUM

by Casey Sluys, NHPF

In the original lease (one thirty-year lease with three ten year options) between The St. Charles County Parks Department and the NHPA/NHPF reads - the Hall of Fame & Museum will be open to the public on Saturdays & Sundays (Noon till Five PM) and Monday's & Wednesday's (Two Thirty till Seven PM).

The St. Charles County Parks Department has amended the lease to read "It is NO LONGER MANDATORY THAT THE HALL of FAME BUILDING NEEDS TO BE OPEN TO THE PUBLIC ON MONDAYS and WEDNESDAYS.

This is great news for the QRHC as it takes a huge burden off the Club as they no longer have to provide club members for hosting on Mondays & Wednesdays.

The club has provided hosts on those days for some ten (10) years ever since the building has been in existence.

VISITORS or TOURS: There are three phone numbers posted on the front of the building that you can call for a visit to the building if traveling though Wentzville. Are you can call this number: 314-704-7082.

Trivia

Elmer Hohl of Canada won the 1977 World Horseshoe Tournament in Greenville, Ohio by defeating Glen Henton of Iowa in a playoff. As was the custom in those days there were 36 men in the Championship Class. The top five finishers were:

Elmer Hohl	84.91%
Glen Henton	83.21%
Al Zadroga	82.91%
Carl Steinfeldt	83.76%
Mark Seibold	82.88%

The amazing thing about this is that all of them except Elmer were left handed. This is the only World Tournament in which four of the top five finishers were left handed.

ON HER WAY TO THE TOP

by Aleena Lepak, Juniors Director

Each year at the world tournament we see a man with a new and fun hat on every day. Recently we have also started to see a young teenage girl wearing the same fun hats over the course of the two-week tournament. Bob Bloss is certainly rubbing off on his granddaughter Jessica Wilson. Jessica loves that her grandpa is her hero and the life of the party. "He brings the humor into any situation," Jessica stated. The duo love to wear fun, extravagant hats as it sets their family apart and everyone knows who they are. Jessica's fun, carefree attitude is not the only thing she shares with her grandpa. They also share a love for the game of horseshoes.

Jessica, who is 17 years old, started pitching only two years ago after watching her grandpa and sister, Megan McLeod. She kept score for their games, tried it, and found that she really liked the people she met. "It is good to be around pitchers who have good attitudes about the sport" she sated.

Jessica now practices in her backyard and competes in league for the Liberty Horseshoe Club along with her sister, Grandpa, Grandma Denise Bloss, Aunt Kelly Schilder, and her Uncle Chad Bloss. Family reunions are intense as a small tournament always seems to happen. Jessica hopes to beat her sister soon as the siblings are very competitive with each other. So far, Jessica has won two state titles and has placed in many tournaments.

Along with horseshoes, Jessica also plays softball, soccer, track, and is in cheer. Her favorite subject in school is Math, but she is really involved with FFA. She loves the leadership and contests that coincide with FFA. She has even judged soil and livestock. When Jessica is older she is unsure if she wants to be a veterinarian or a hair stylist but she definitely wants to stay with the sport of horseshoes for as long as she can. Continue to keep your eye out for the fun and crazy hats at the next World Tournament.

RENO HORSESHOE PITCHING FAMILY PERFORMS AT BOB EVANS FESTIVAL

by Gary B. Roberts

The original Bob Evans Farm is located in Rio Grande, Ohio. The house where Bob was raised is now a museum. In 1972 Bob decided to have a Farm Festival that featured arts, crafts, and activities that would reflect the culture of this Appalachian area. He felt horseshoe pitching belonged at the Festival. He contacted my uncle, Ottie Reno, about putting on a demonstration. Ottie, along with my

brother, Donnie Roberts, attended this first Festival and pitched on two stakes driven in the ground. Little did we know that we would return to the Bob Evans Farm Festival every year for the next 46 years.

The Bob Evans folks built a professional court for us and the demonstration developed into me throwing 13 different turns followed by a series of trick shots and audience participation. We had very large crowds, and we continue to be invited back each year. We perform three times on each day of the three day Festival. I threw in excess of 1000 shoes during the nine exhibitions. We have now performed more than 400 exhibitions at the Festival.

I'm happy to say that I have not injured any of my family members during the demonstrations. However, there have been a few anxious moments. We plan to perform at the 2018 festival.

NATSTATS: RESULTS & REMINDERS

by Wayne Callicoatte, NATSTATS Director

All you Tournament Directors remember that your job is a very important one and you don't always get recognized for what you do. Great job! Remember to get your tournament results sent in to NATSTATS as soon as possible by whatever process your charter says to do. The pitchers always want to see their percentages updated as soon as possible. I update NATSTATS every Wednesday evening. You are supposed to and should always check each pitchers card to make sure that they are pitching with a current paid up card (even if you know the person). Always notify all the proper people when a pitcher changes category or has a name change.

All TDs should download the new NATSTATS results from NHPA website (www.horseshoepitching.com) for their state before each tournament when using HSMaster to run your tournaments (even if you run your tournament on paper you should always check for correctness before your results are sent to NATSTATS), that way the results file will show the same as NATSTATS. These are updated each week.

If you have any questions about HSMaster or you are ready to start using it, you can go to www.hsmaster.info and read about all the options. Rob Hagman did an outstanding job of creating this website as a tool for HSMaster. It really isn't as hard to use as it looks and will save you a lot of time plus cut down on the errors. If you have any questions about HSMaster you can contact Rob or me.

If you have any questions feel free to contact me. If I don't know the answer, I will find it for you.

HORSESHOE PITCHING FACT & FOLKLORE: THE DONUT OPEN

by Bob Dunn, NHPA Historian

DONUT OPEN (Ponca City, OK)

What distinguishes one tournament from another is generally the size of the event or the number of star pitchers entered. Or one single item could be the NAME. The Donut Open is one of those tournaments where one could never imagine where the name came from. This tournament may have a weird name but it certainly drew in the stars pitchers. And once it is known where the name originated from, even the name no longer seems weird. Homer Cain (OK) was the originator of this tournament and in an effort to obtain some sponsorship contacted an old time buddy who just happened to own a donut shop. Hence the Donut Open.

The first event was held in 1979 and may have not have drawn a great number of star pitchers or out of state players, but one great out of state player came and brought a whole family of pitchers, and this tournament included a Women's division, a Junior Boys division and a Junior Girls division. In second place in the junior girls division was Tina Cain, Oklahoma Junior Girls State Champion, later Oklahoma Women's state champion and currently a NHPA vice president.

OKLAHOMA'S FIRST ANNUAL DONUT OPEN

"Bud Hamilton of Miami, Oklahoma, was the winner in the first Donut Open sponsored by Love's Donut Shop of Tonkawa, during a very hot week of August at Ponca City, Oklahoma. Gerald Kahle, Bartlesville, was runner-up. Don Hanes of Albuquerque, NM was third.

Opel Reno, 1978 Women's World Champion, paid a visit to the tournament and averaged 82.4 percent to win the Ladies Class A title. Janet Walrod was second followed by Emmaline Pearce in third spot. Audrey Reno was tops in the Junior Girl's Class. Tina Cain was second and Brenda Reno third. Dempsey Reno won the Junior Boy's Class.

During the course of the tournament activities, Opal Reno showed her style in exhibition with Bud Hamilton, the current Oklahoma state champion. Although Hamilton managed to outscore Opal by tossing an 84% game hitting 42 ringers in 50 shoes (his highest game ever). Opal racked up 38 ringers for 76%."

Janet Walrod went on to be a ten-time Oklahoma Women's State Champion in 1974-1976, 1978, 1979, 1981-1983, 1986 and 1988. Opal Reno won the Women's World Championship again in 1980. Audrey Reno was the Junior Girl's World Champion in 1977.

The announcement for the second Donut Open was in the July 1979 News Digest:

ANNUAL DONUT OPEN – PONCA CITY, OKLAHOMA – JULY 21

“The second annual Donut Open tournament will be held at the Dan Moran Park Courts in Ponca City, Oklahoma on Saturday, July 21. Entry fee of \$5.00 and ringer percentage should be sent to Homer M. Cain, Route # 1, Marland, Oklahoma 74644 before July 7.”

The announcement did not include the amount of prize money available or any other incentives to pull in top notch pitchers, but they came. How about the reigning Men’s World Champion Walter Ray Williams Jr., and “Deadeye” brought three of his brothers. The top men players were put in the Pro Class; all expecting the champ too win, not the case. Hall of Fame pitcher Merlin Potts of Leonardville, Kansas went undefeated in a class that also included Jeff Williams and Ronnie Simon, 1974 California state champion.

1979 Donut Open Final Standings

PRO CLASS – Merlin Potts 5-0 75.7%; Walter Ray Williams Jr. 4-1 79.3%; Jeffery Williams 3-2 71.1%; Ronnie Simmons 2-3 65.4%; Bud Hamilton 1-4 55.2%; Charlie Brewer 0-5 50.4%

CLASS A MEN – Ron Martin 8-0 58.1%; Roger Potts 7-1 57.2%; Lloyd Potter 6-2 59.1%; Gerald Kahle 5-3 53.8%; Joe Krehbiel 4-4 44.4%; Bill Courtwright 3-5 53.1%; Chalmers McClain 1-7 45.9%; Gene Dixon 1-7 43.4%; David Belden 1-7 41.9%.

The research project has been completed and a book published that contains all the tournaments that have been covered in Newsline articles and of course many more. The book is 707 pages of historic tournaments dating back to the 1930s. The book “Tournaments to be Remembered” was available for sale at the 2017 World Tournament and was popular. The book cost is \$32.00 plus \$5.00 for postage. Just e.mail me at bobcharlesdunn@aol.com to place an order. This book would make a great Christmas gift for yourself or family member.
