

# *The Daily Shoe*

**Day 3 - July 21, 2021**

## BEGINNERS YOGA CLASS

There will be a beginners Yoga Class that will be held in the Event Complex (Shoe Check Building) beginning at 2:00 p.m. on Friday July 23, 2021. You can sign up at the NHPF Booth and Tina Hawkins will be your instructor. Donations to the NHPF are appreciated. Depending on the interest, there may be other classes scheduled.

## JUKSKEI EXHIBITION

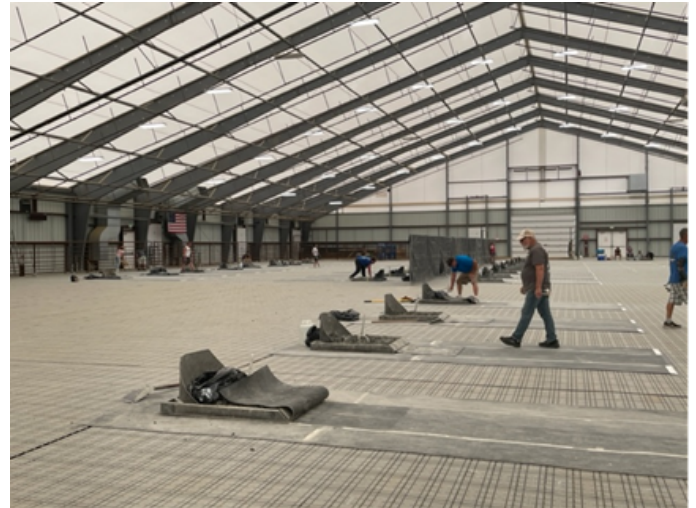

Gary Roberts will be hosting a Jukskei exhibition today July 22nd from 2:00 p.m. - 4 :00 p.m. in the Practice court building located on the North side of the Event Center. This how the game is played:

The object of the game is to knock over a peg that is planted in a sandpit over a distance of between 11 and 16 m (depending on age and gender). It is played in teams with usually four members each. Each member has two skeis (and thus two turns). The playing field consists of two pits juxtaposed in opposite directions, so that play can take place in both directions.

Each time a team member knocks over the peg, he gets three points. If the peg wasn't knocked out, the team lying closest to the position of the peg, scores as many points as they have skeis closer to the peg than their opponent's closest skei. The first team to get exactly 23 points first wins the game. If the team gets more than 23 points, they start from 0.

## PRACTICE COURTS

The practice courts are located on the North side of the Winnemucca Event Center. The courts are open 24/7 to practice. We ask that when you are finished practicing to please water, turn and cover your pits to keep the clay soft.

## BLUE CLAY FOR SALE

If you are interested in purchasing any of the clay that will be left over from the World Tournament, you can purchase the clay for \$10.00 per 5 gallon bucket. You must bring your own buckets and it will take 8/5 gallon buckets to fill 1 pit. If anyone is interested, please stop by the registration booth as you enter the Event Center and they will give you the information.

## JUNIOR OUTING

Each year, our host will sponsor a Junior outing for the Juniors, Cadets and families. This year, the event was held on the front lawn of the Event Complex. There were several fun things to do such as "Pie" in the face, along with a dunk tank, water slides, and corn hole. There was an Ice Cream social with various flavors of Ice Cream and toppings. Thanks to the Winnemucca Convention Authority and NHPA Junior Director, Dalton Rakestraw for putting the fun activities together.
