A large, stylized horseshoe is the central focus of the cover. The interior of the horseshoe is a solid dark circle. Inside this dark circle, the words "THE HORSE SHOE WORLD" are printed in a bold, white, sans-serif font, stacked in four lines. At the bottom point of the horseshoe, there is a small, circular globe showing the Americas. The entire horseshoe shape is rendered with a grainy, stippled texture, giving it a hand-drawn or etched appearance.

## Isais Crowned Champion In Des Moines

Another world's championship meet has been held—the National Horseshoe Pitchers Association staged its 1941 tournament and convention in Des Moines and the championship crown now rests upon the head of Fernando Isais.

Isais is a good pitcher. He has figured in national meets for many years, but not until this year was he able to take the crown from Ted Allen, who won the championship in 1933.

Ted Allen has done the horseshoe game a lot of good. He isn't a spectacular pitcher but he is a good pitcher. His conduct has been such that he gave the game prestige wherever he went and all will join with us in saying he has been a good ambassador for the game. He won his title at the World's Fair tournament in Chicago in 1933 and has been able to keep it all these years, some of which did not develop a national meet which gave him some extra time to wear the crown.

### Convention Is Held

There was some objection to the short notice given for the tournament and convention.

However, a meet was held and a tournament was held, and it is the consensus of opinion that the officers elected will do everything they can

to eliminate the bickering which has gone on for some time. The Horseshoe World subscribes to this viewpoint and will do its best to support the new administration as long as it does reasonably well in its endeavors.

Harry (Pop) Woodfield, of Washington, D. C., is at the helm now. He has made quite a record in arousing interest in the East and he should make a good president. He has a big job on his hands, however, and needs support.

The secretaryship went to the other side of the country with Archie Gregson taking on that position, succeeding J. Robert Tompkin.

The report given in this issue of the Horseshoe World is as complete as can be given under the circumstance, since no representative of the World could attend the meeting.

berships in the amount they wish.

2. By Tompkin. That the association accept Mr. Gordon's offer to publish a book.

3. By Dixon. That the association hold a world's championship tournament every year even if there is no money for prizes, but that a highest bidder should still be given first consideration in the event there are bids.

4. By the writer. That the executive committee shall have power to sanction a special match for the world's championship with the arrangement anywhere between 4 out of 7 games, and 6 out of 11 games. There shall be no fee due the association for such a sanction.

5. That the offices of secretary and treasurer shall be combined into one office of secretary-treasurer.

6. That the secretary-treasurer shall be paid \$50 a month if there is enough money in the general treasury with which to pay it.

### Election of Officers

1. President, Harry Woodfield, 734 19th St., N. E., Washington, D.C.

2. First vice president, Clayton Henson, Arlington, Va.

3. Second vice president, Dale Dixon, 2820 Logan St., Des Moines, Iowa.

4. Third vice president, Rossellet, New Jersey.

5. Secretary - treasurer, Archie Gregson, 213 S. Everett, Monterey, Park, California.

## RALPH TRAVIS WINS TEXAS TOURNAMENT

Here are the results of the 1941 Texas Amateur Athletic Federation Horseshoe Tournament which was held on the courts of the East End Horseshoe Club in Houston, Texas, August 31 and September 1.

Mr. R. Q. Swann, of Houston, Texas, was winner of the qualifying round with 27 ringers out of 50 shoes pitched.

### Round Robin Singles Playoff

The Serf Indians, who inhabit an island in the Gulf of California, are among the most primitive of all the earth's peoples.

## THE NATIONAL CONVENTION MEETINGS

By Leland Mortenson

August 22, 7:30 to 10 P. M.

The following were motions that were defeated or withdrawn, or they were opinions voiced by members:

1. Recommendation that in event another horseshoe book is published that the officers look into the possibility of getting ads from large business concerns instead of just depending on the horseshoe manufacturers.

2. Offer by John Gordon to publish the association's book at his own risk if the officers would collect data from each of the 48 states. He stated that the book should be of several hundred pages and should contain pictures, charts, etc., but that he was opposed to especially long articles.

3. Dale Dixon stated that if he had sufficient time he would make an effort to secure ads to publish a book written last winter but not yet sent to press.

### Second Meeting, August 24

7:30 P. M. to 1 A. M.

These were also motions or opinions that were not passed.

1. That 20 per cent of the stamp fund be placed in the general fund.

2. At least 60 days time must be

allowed between date sanction is given and date of tournament.

3. When there is a sponsor to a national meet that the association be prohibited from putting in more than 30 per cent of the total amount of prize money from the stamp fund.

4. All votes requested by board members must be worded the same and be marked either vote or ballot.

5. By Harry Woodfield. That contestants at a national meet be required to wear N. H. P. A. caps, and be required to wear them on the streets and other places.

6. By Ervin Hosier. That national tournament courts be set off with a huge banner.

7. By Mr. Gordon. That not one cent of stamp funds can be used for a single thing except as prizes in a tournament upon one court where the pitchers meet in person and decide by games who is the one and only greatest horseshoe pitcher in the world. He said he made the motion on the 5-cent stamps in 1939, that the rule had never been changed, and that he always meant it to be that way.

Rules and Constitutional Amendments that were passed:

1. By Dixon and Gordon. That beginning June 1, 1942, and lasting until January 1, 1943, membership dues shall be \$1.00, and that after that they shall be \$1.00 per year. The states can charge for their mem-

## BRIDGEPORT MAN NEW CHAMP OF OHIO HORSESHOE PITCHERS

Grover Hawley, Steam Shovel Operator, Undefeated In Tourney Here; Canton Men Second and Third.

Grover Hawley, a steam shovel operator from Bridgeport, today held the Ohio horseshoe pitching championship, scoring a clean sweep of 15 matches in the three-day tournament which closed here Labor Day before a crowd of more than 500.

GROVER HAWLEY

The new titlist, who pitches at least 100 shoes a day on his lighted courts at Bridgeport, tallied a total of 2,899 points. He had 885 ringers and 328 double ringers for a percentage of 73.75 on the 1,200 shoes he tossed.

Second place went to Andy Stolarik, of Canton, who defeated his city rival, Johnny Sebek, in a pitch-off. They finished their 15 matches with 13 wins and two losses apiece and then competed in three additional games, throwing 80 shoes in each match.

Sebek won the first game with 194 points to 188 for Stolarik, the winner scoring 60 ringers and 22 doubles. Stolarik took the next two games. He tossed 63 ringers and 24 doubles for 203 points against 194 in the second match and had 58 ringers and 18 doubles for 187 points in the third game. Sebek had 54 ringers, 19 doubles for 182 points.

Hawley received \$50 and a trophy while Stolarik was awarded \$45, Sebek \$40 and Robert Cash of Cleveland, who finished fourth, \$35. The

12 competing in the finals received \$10 each.

The others finished as follows: William Yocum, of Zanesville, nine victories against six losses; Ralph Lackey, of Middletown, 8-7; Kenneth Allison, of Fostoria, 8-7; Elmer Stuckey, of Canton, 7-8; Verne Andree, of Cleveland, 7-8; Cliff Todd, of Zanesville, 6-9; Dan Borden, of Lancaster, 6-9; Ernest Pry, of Galion, 6-9; Myron Ferguson, of Columbus, 5-10; Clyde Fulton, of Ashland, 4-11; Eugene Thomas, of Cincinnati, 1-14; C. A. Benedict, of Johnstown, O., 1-14.

Stolarik lost to Lackey by one point, and to Hawley by six points, while Sebek lost to the champion by 19 points and to Stolarik by 14.

Stolarik scored the most points in any one game with 217 out of a possible 240. Sebek was second with 203. Stolarik had 30 double ringers in one game for high and also high ringer percentage in one game with 69 out of 80 shoes for a ringer percentage of 86.2. The latter was scored against Stuckey, Stolarik also pitching 30 double ringers for a total of 217 points against 205 for Stuckey who had 64 ringers and 25 doubles. Sebek had 29 doubles in his game with Pry.

Ellis Hannah, who won the Stark county championship last year, didn't compete in the state event because of an operation he underwent in July.

The Buckeye State Horseshoe Pitchers' Association held a business meeting Sunday night when officers were re-elected. They are: C. A. Benedict, president; F. M. Brust, vice president; D. O. Chess, secretary, and Stolarik, treasurer. Sebek was named commissioner of the 14th district which includes Stark, Tuscarawas, Carroll, Jefferson, Harrison and Columbiana counties.

The association awarded the 1942 tournament to Galion and also ruled that Hawley must defend his title at least twice before the Galion tourney. Twelve of the 16 districts in the association were presented at the meeting.

### Coldest Substance

The coldest of all known substances is solid or frozen hydrogen.

### Tallest Animal

The world's tallest animal is the giraffe. They grow to 18 feet in height.

## SECRETARY'S COLUMN

### TO ALL HORSESHOE PITCHERS:

As new secretary of the National Association, I feel it my duty to inform you of plans which I propose to follow this year.

The Horseshoe World will be the largest means of communication. I am sure Mr. Howard will co-operate on this and give us a reasonable amount of space each month.

I also expect to try to make the Association self-supporting. Mr. Tompkin did a lot along this line last year, and if I see where I can save the Association any money I will endeavor to do so.

### We Must Get Out of the Red

There is a lot of distance between Mr. Woodfield, our new president, and your new secretary. One is on the east coast and the other on the west, but if we co-operate (and I have every reason to believe that we will) a lot can be accomplished for the benefit of the game, regardless of distance.

There is one thing certain, we fellow members and officers are faced with a dark year, as so many of our group are lined up with defense work and a large number are in the army. This means less pitching for some, but those fellows in the army may make contacts from which we, the Association, might be greatly benefitted in the future.

If there is any dissention and hard feeling over the recent tournament and convention in Des Moines, as to short notice, not enough prize money, etc., let's forget it, boys, because it's past and we can't do any more about it. We need the Association and the Association needs ALL of us.

Yours for a larger Association

ARCHIE J. GREGSON,  
National Secretary

### HIGHBRIDGE WON

The Williamsbridge Horseshoe Club played Highbridge Horseshoe Club, the latter winning the contest by one game.

Chas. Keenan, of the Williamsbridge Club, a gentleman in the early seventies, pitched a game against E. Bryns, of Highbridge, with the following score: 52 points, 17 ringers, 5 doubles; his opponent, no points, 1 ringer, no doubles; each pitched 26 shoes.

Pitch Only Official Horseshoes,  
Bearing the National Red Stamps.

*The Horseshoe World*

## PARTING WORDS FROM RETIRING SECRETARY

I should like to take this opportunity to acquaint you and the readers of the Horseshoe World with a few highlights of the National Tournament and the Convention, and to say a few parting words as a retiring secretary.

Attempts there were made to place a National Tournament in the East. In early summer I authorized John Rosselet, Jr., secretary of the New Jersey Division, to place a world meet in the East. John tried hard but was unable to find a spot. A bid of \$1000 was received from Goodland, Kansas, but was repudiated two weeks later due to inability to raise the funds. An attempt to stage the tourney in conjunction with the Illinois State Meet fell through. On August 3 the Des Moines Horseshoe Club suggested that they be allowed to stage a National Tourney in cooperation with the National Association. The tournament was to be held August 22, 23 and 24, at the Birdland Park Courts in Des Moines, Iowa. The executive council passed the measure by a five to one vote.

The tourney was publicized more extensively than any previous National Meet in the history of horseshoe. The story was carried by the Associated Press and International News Service. It was broadcast over three radio programs. Over 200 letters were written to players and state secretaries.

Six hundred and seventy dollars was divided among the 24 qualifiers. In addition to this about \$35 was spent for trophies, and about \$60 for miscellaneous expenses of the meet. This money was derived as follows: \$180 in donations from Des Moines business men, \$50 donations apiece from the Gordon and the Diamond Calk Horseshoe Companies. The balance was supplied by the stamp fund of the National Association.

The entry list was comprised of players from the East, the West and the Middle West. A world's championship changed hands as Fernando Isais fought off the field to emerge undefeated in the finals. Ted Allen, who has held the world's crown since 1933, pulled up in second place, having bowed to Casey Jones and to Isais. Casey Jones suffered his third reverse of the meet in his final game with Sydney Harris, Nebraska State Champion. Harris finished in fourth place. The finalists finished in the following order:

Place	Name	Prize
5	Alvin Dahlene, Kansas .....	\$40
6	Ervin Hosier, California.....	35
7	Roland Kraft, Kansas.....	30
8	Earl Bomke, Illinois.....	28

9	Clayton Henson, Virginia.....	25
10	Dale Dixon, Iowa .....	22
11	Eddie Packham, California.....	20
12	John Paxton, Iowa .....	19
13	Theo. Harlan, Iowa.....	18
14	W. Taylor, Iowa.....	17
15	Clarence Barton, Iowa.....	16
16	Robert Tompkin, Iowa.....	15
17	Russell Sheetz, Iowa .....	13
18	Archie Gregson, California.....	13
19	Russell Butterfield, Iowa.....	13
20	Paul Saffell, Iowa.....	13
21	W. Darnald, Iowa.....	12
22	Howard Robinson, Nebraska..	12
23	David Carter, Iowa.....	12
24	Harvey Kohlenberger, Illinois	12

Isais received \$100 and a \$30 trophy, Allen was awarded \$75 and a medal, Casey Jones in third place won \$60 and a medal, while Sydney Harris wound up with \$50 for his fourth ranking.

All players expressed satisfaction at the way the tournament was handled and at the extensive arrangements which had been made to insure the success of the first sponsor-free tourney. Much praise must be given to Harry Woodfield, of Washington, D. C., for the efficient manner in which he managed the event. He was ably assisted by Mr. Otto Anderson, of Des Moines, the head score keeper.

Considerable credit is also due to Mr. Dale Dixon, of Des Moines, for his unceasing efforts in behalf of the meet. Mrs. Katherine Gregson, national treasurer, spent all her time during the tournament compiling the statistics. In behalf of the National Association I wish to thank these people and the several other persons and companies whose willing assistance has made possible this successful tournament.

The National Convention was held in conjunction with the tourney. Due to business reasons it was impossible for President Claves or the vice presidents to be in attendance. The writer, as secretary, presided at both meetings, while Mrs. Gregson, National treasurer, took the minutes.

The first meeting convened the evening of the 22nd. The prize list was approved, the number of finalists was approved. The resignation of the secretary was tendered, and old business was completed.

The second meeting convened Sunday evening, August 24. This was an extremely interesting session which adjourned about 1:30 o'clock in the morning. After awarding the tournament prizes, new business was taken up. It was decided that a committee be appointed to choose an emblem for the National Association. The office of secretary and treasurer were recombined. The yearly membership dues were increased, ef-

fective June 1, 1942. It was decided that any member who would not support the Association under increased dues was not loyal enough to warrant consideration. With higher dues, it will be possible for the National Association to present a program of activity which will embrace even the 25 per cent pitchers.

Election of officers resulted in the election of Harry Woodfield, of Washington, D. C., as president; Clayton Henson, of Virginia, as first vice president; Dale Dixon, of Des Moines, as second vice president; John Rosselet, Jr., of New Jersey, as third vice president, and Archie Gregson, of California, as secretary treasurer. This places one officer in the West, one in the Middle West, and three in the East. I am personally acquainted with the achievements of all these men, and I am elated at the thought of the Association's welfare being entrusted to these individuals.

The meeting was made even more pleasant with the serving of refreshments. Before adjournment a motion was carried which provided for a national tourney being held every year regardless of amount of prize money available. The success of this year's meet proves that a large prize fund is not necessary. The purpose of the meet is to enable the horseshoe lovers to get together again and exchange a few ringers with all the old friends.

I wish to thank all persons present at the convention for the fine cooperation they afforded me in carrying on the meetings in an orderly fashion.

President Woodfield has appointed me to continue handling the National Mail Tournament. This meet, designed to provide a program in which players from 30 to 70 per cent may compete against players of their own caliber, is receiving widespread acclaim. I have received but one objection as against dozens of endorsements. The executive council passed the event unanimously. At the date of the writing I am a bit disappointed at the meager turnout of Class D, but the results in the two upper classes are quite encouraging. It appears that the thousands of pitchers who pitch from 25 to 45 per cent either do not want competition with each other or refuse to take advantage of it.

I would like to express my sincere appreciation for the kind letters of encouragement I received from a few of you. Thanks for criticism, constructive and destructive, and suggestions which were offered. Please believe me, I bear no ill will toward

(Continued on Page 8)

## MICHIGAN NEWS

The annual Michigan State Tournament was held on August 30, 31 and Sept. 1, at Wines Field in Ann Arbor, Mich., and Joe Lasgo, of Flint, successfully defended his championship by winning his third consecutive title. Lasko sailed through the round robin play with 13 wins and two defeats, hanging up an average of .703 in a high wind, and then won 10 out of 13 in the finals with an average of .750. His opponent in the final series was Bobby Hitt, of Plymouth, making the fourth consecutive year that these same two have reached the title series. Carl Gothard and Carl Lundgren, both of Detroit, took third and fourth respectively. Others to place in the finals were, fifth, Elmer Raab, of Ann Arbor; Al Field, of Detroit; Dan Lasko, of Flint; and Phillip Carra, of Kalamazoo.

Carl Lundgren and Joe Lasko played in a record-breaking game in the finals with the following result: Lasko .....50 84 36 98 .857 Lundgren .....29 76 31 98 .775

In the Detroit District Championship Tournament held Aug. 16 and 17, Carl Lundgren became the new champion by winning 23 consecutive games without a single defeat. He averaged .630 in the thirteen games in the round robin, and .640 in the ten games of the finals.

On Sept 16, a movie company filmed a horseshoe picture at Northwestern Field in Detroit for the Firestone Tire Co., and Lee Rose acted as horseshoe adviser for the filming, and also acted as "ghost" pitcher for the actors, throwing the ringers while the actors were filmed pitching. The picture, to be released in November, is known as the 1941 Farm Film of the Firestone Co.

## SHANAHAN WINS FARM BUREAU TOURNAMENT

The Annual American Agriculturist Farm Bureau Horseshoe Pitching Tournament was held at the New York State Fair Grounds, Syracuse, New York, on August 26 and 27, 1941. Weather was favorable this year with the exception of strong winds that hampered the players greatly.

As is customary 50 shoes were pitched Tuesday morning with a fairly high average. Sixteen qualifiers started a round robin of 25 points Tuesday afternoon and finished Wednesday morning. The six high win-

ners pitched a round robin of 50 point games on Wednesday afternoon.

Seventeen-year-old Leon Shanahan, of Gloversville, N. Y., was the winner in the finals. Two were tied for second place and two for fourth place and in the pitchoffs the result was completed as following summary. A fine spirit of sportsmanship was shown and reflected the sponsorship of the American Agriculturist. Dr. H. H. Turner managed the tournament and Willard Nellis was an efficient referee.

First prize was \$50 plus a gold medal; second, \$40; third, \$30; fourth \$20; fifth, \$10; sixth, \$5; seventh highest of 16-man round robin also received \$5.

The Horseshoe World is making a subscription drive. It is necessary that we have the aid of all our readers in this matter. Won't you please give us the names of prospective readers? Or better yet, secure their subscriptions?

Advertising revenues on which a magazine ordinarily operates are not sufficient and unless we can interest greater numbers in helping us in this subscription drive the Horseshoe world will suffer in size and quality of service rendered.

### Auto Toll in U. S.

Fatal auto accidents increase 40 per cent in the northern half of the United States in winter and 20 per cent in the southern half.

## JOE WORS OF ST. LOUIS NEW MISSOURI CHAMPION

Bob Bales, a real campaigner, went down to defeat in a best two out of three match with Joe Wors, of St. Louis, at Sedalia, Mo., for the missouri state title. In the first game of the finals, Wors beat Bales 50 to 21; Wors throwing 58 ringers out of 74 shoes, to average .784, while Bales had 50 ringers and averaged .676. Bales then went on to win 14 straight. Wors lost to Brooks Denny of St. Louis, 50 to 43, in his sixth game, and then was victor 9 in a row. Each having won 14 with 1 loss each, they proceeded to pitch off the tie for the title, with the following results:

## THANKS TO THE WORLD

You put my ad in the Horseshoe World for match games. Well I got three replies from other clubs and I think if the other clubs would do this all over the States the better game it will be for all, as you know the very good ringer pitchers have their tournaments all over the states and they have a lot of fun and honor.

Well, what about the pitchers who are not so good? Why can we not get as much or more fun out of this game by getting a copy every month of the Horseshoe World, then write to our friend, Mr. Howard and he will oblige by printing your ad in the World as he did for me. Then you meet other people and have a good time whether you win or lose. It is fun; so let's wake up and make this a better game all over the country.

JOE REILLY.

*The Horseshoe World*

# MAINE STATE CHAMPIONSHIP SEPTEMBER 6-7

Played at Eastco Club, So. Brewer  
Class A

	W	L
M. Barnes .....	10	1
D. Havey .....	10	1
P. Clark .....	9	2
H. Goodier .....	8	3
L. Robichad .....	6	5
S. Rideout .....	6	5
F. Robie .....	5	6
C. Browning .....	4	7
G. Austin .....	4	7
B. French .....	3	8
B. Sibly .....	1	10
J. Strang .....	0	11
R. Golightly, eliminated by French		
S. Pond, Sr., eliminated by Strang		

Barnes defeated Havey 2 games to win his third straight championship, losing only to Goodier.

Havey's only loss was to Barnes, who came from behind, 48 to 29 to defeat Clark.

## Class B

B. French .....	7	0
E. Bartlett .....	5	2
W. Browning .....	5	2
F. Robie .....	4	3
J. McCue, Sr. ....	4	3
S. Pond, Sr. ....	2	5
L. Smith .....	1	6
A. Wing .....	0	7

French, by steady pitching in the pinches, won first honors. The veteran, W. Browning, hit his stride after two defeats but could not hold on long enough to beat Bartlett in the playoff.

## Class C

B. Silby .....	7	0
A. Whitney .....	5	2
H. Vanderwerker .....	5	2
J. McCue, Jr. ....	4	3
L. E. Scott .....	2	5
R. MacKinnon .....	2	5
C. Beale .....	2	5
C. Fournier .....	1	6

O. Whitney, O. Firlotte, W. Joy, D. Gibbons, G. York and E. Pooler were eliminated in the semi-finals.

Ben Sibly, of Oldtown, provided the upset in Class C by going undefeated pitching 51.6 per cent average with a 75 per cent for high game after pitching a mere 29 per cent in the State League play. Watch this lad next season.

A. Whitney defeated Van for second place in playoff.

The 1941 horseshoe pitching season in Maine having closed officially has shown much progress in a better grade of pitching over the 1940 ringer averages. Although Maine's membership quota is a bit under 1940, still over a hundred members, we are pleased to report many younger pitchers taking active

part in our game, while defense projects have cut down our ranks in the central and western part of the state, the eastern division has shown a remarkable increase and court building activity.

The Ted Allen Club, of Ellsworth, Maine, near Bar Harbor, has again led the way in numbers, having a membership of 52, 100 per cent National members, among them the former world's champ, Ted Allen. This club has recently purchased valuable property in Ellsworth and will start at once on their new ten-lane court to be second to none in the state.

Many county and special tournaments have been held this season throughout the state. Many of the pitchers entered the National Class B, C and D Mail tournament and enjoyed this new feature on their pitching schedule.

The Maine State Secretary wishes to thank Mr. Jack Claves for helpful suggestions that have made tournament work a pleasure.

The annual association meeting will be held in November with election of officers and plans for the 1942 season discussed. It is already evident that a growing interest will add to our National membership another year.

RAYMOND E. ADAMS,  
Sec. Treas, M. H. P. A.

\*\*\*\*\*  
\* THINGS WE WON'T FOR- \*  
\* GET ABOUT THE TOURNA- \*  
\* MENT AND CONVENTION \*  
\*\*\*\*\*

By Leland Mortenson

\*\*\*\*\*

1. Mrs. Archie Gregson, her devoted attention to the task of chief statistician, and her complicated chart.

2. The pride of Harry Woodfield in being manager of a tournament in which the world's title changed hands.

3. Frank Lundin, world's champion in 1922, sitting on the sidelines wishing he were able to pitch. (He has a crippled nerve or ligament in his wrist).

4. John Gordon, Dale Dixon, and several others arguing about the possibility of someone winning that \$250 offered for a 90 per cent ringer average.

5. Checks for \$50 received from Gordon Horseshoe Co. and Diamond Calk Co. for prize money; and special \$100 prize offered by John Gordon to anyone winning world title with Gordon shoes.

6. Carl Burges, of Marshalltown, Iowa, a ventriloquist and showman,

who failed to qualify, but who remained to put on daily acts for the audience, and assisted with the tournament.

Now and then he pulled a practical joke on some member. As an example, while standing near Mrs. Gregson in the scorekeepers' tent, he threw his voice, "Hey, Lady, come out here." For several minutes he had Mrs. Gregson looking around the tent.

7. Dale Dixon's hard work as tournament promoter. He raised \$150 from Des Moines business men, secured a public address system, and financed refreshments for the convention.

8. Announcing of Levine, a new man in our midst. He is second to none we have heard here.

9. John Gordon being near physical collapse after the Isais-Allen game. (Of course, you know that he brought Fernando here, and that Fernando pitched the Gordon shoe).

10. Ted Allen removing his Jersey which had these words on it, "World's Champion," and handing it to Fernando.

11. The man from Kansas who stepped up to Allen, and, with tears in his eyes, offered his hand, and said, "Ted, you were a great champion."

## Additional Notes

1. No world record was equaled. Perhaps this was because the stakes were Model T Ford axles.

2. Prizes amounted to about \$670.

3. Fernando received a \$30 trophy and a check for \$100, as well as a special \$100 check from John Gordon.

## VOGEL RETAINS TITLE

We are proud to announce that Paul E. Vogel, of Brackenridge, Pa., has retained his crown as champion of Allegheny County, at South Park, August 29, 1941. He lost only one game to Ted Lobur, of Arnold, Pa., and averaged around 68 per cent ringers.

Vogel will be competing for the state title in January at Harrisburg, Pa., and will pitch some of the best in Pennsylvania, namely John Fulton, Rudolf Bouret, and many others. He placed second in 1940, and fourth in 1939, and hopes to place first this year.

Allegheny County Horseshoe Team

## THE ARMY GOT HIM

You might be interested in knowing that Frank Koppitsch, of Dearborn, a good pitcher who stands 6 ft. 4 ins. and weighs about 240 lbs., is now in the army at Camp Livingston, La. You remember him, I'm sure. His address is Company D, A.P.O., 32nd Division, 126th Inf.

## THE BUCKEYE STATE HORSESHOE PITCHER'S ASSN.

6208 Quimby Avenue, Cleveland, Ohio

President: Mr. C. A. Benedict, Johnstown, Ohio.  
Vice Pres.: Mr. Fred M. Brust, Columbus, Ohio.  
Treasurer: Mr. Andrew Stolarik, 726 Mahoning Road, Canton, Ohio.  
Secretary: Mr. D. O. Chess, Cleveland, Ohio.

### TO THE HORSESHOE PITCHERS IN GENERAL, AND OHIO IN PARTICULAR, GREETINGS

Since returning from the National Meet at Des Moines, in 1940, the writer has, on different occasions, penned different articles for publication in the Horseshoe World. Each time, after due deliberation, said article would find its way to the waste paper basket. Perhaps it would have been better had other articles done likewise, in the past, before reaching the publisher, due to their destructive attitude; and perhaps the writer should again do the same with this one.

However, much water has gone over the dam since August, 1940. It would seem there has been too much wrangling in the past, without much thought of whether it was constructive or not. Some prefer to tear down rather than build up. They say Hitler is great, only with destructive methods. How much better it would be had he turned his activities into constructive channels. His destructive methods will not work out in the long run; others have tried it.

The same can be said of our horseshoe game today. There is nothing wrong with the sport, the trouble lies directly with we horseshoe pitchers ourselves, and those charged with its leadership. Yes, we could go on and on blaming this or that and doing nothing about it, and the game continues to go along with the lack of safe and sound business methods in our State and National Association activities.

Yes, we know the state and national officers have had their problems trying to satisfy all factions, yet we go along year after year in the same old rut, apparently satisfied, and hoping that some day somehow, a miracle will happen whereby the veil of doubt, dissatisfaction, selfishness, petty jealousies, and the like will vanish without our doing anything about it. We cannot wait, we must do everything in our power to bring about the desired changes.

Speaking of that old rut, we in Ohio know too well about that. The old bus, for some reason or other, bogged down in 1936 and practically rusted out. Until 1941, we salvaged some of the parts, jacked up the old

wagon, and started laying some new planks in order to get her back onto more solid terra firma. By 1942 we hope to have her running under her own power again, or at least hitting on a part of the cylinders, if not all. One year from now we will give a report on our record of accomplishments, when we expect to open the eyes of all those who refuse to believe anything else, other than that the horseshoe game and all those connected with it is slowly but surely dying a slow death.

It is true, the old method in Ohio has passed on, but the spirit lives on and in its place a new day is awakening. We do not expect to set the world on fire right off; it will take some time for the readjustment which was begun at our recent state tourney at Canton over the Labor Day period, when we crowned a new champion with the all-count method, which apparently met with approval from all contestants, due to being so systematic in all phases. The play-off for second place by Stolarik and Sebek prove da real thriller from start to finish. Our former champion and ex-world's champion Nunamaker, did not defend his title due to illness.

Galion was awarded the 1942 tourney, they being the runner-up in district membership. This procedure will be followed in the future whereby the district which desires the meet and will work for it, will have two years in which to build it up, one year to secure same, and the next year to prepare all details incidental to the tournament. This feature in itself will guarantee a real successful tourney.

Many other matters are being worked out for the benefit of our game, which naturally are in the experimental stage, and which time alone will prove the wisdom of our judgment. However, if we are to advance, we must use modern business methods, coupled with proper enthusiasm and the full co-operation of all horseshoe pitchers. So, with that combination, Ohio bids fair to once again blaze the trail and become the pioneer of old.

In that connection Ohio challenges the other states in a 1942 membership contest for a cash prize of \$100

or more to be paid by the National Association to the state having the largest membership by August 1st, 1942, or an earlier date as the case may be.

Ohio will lead the way! Come on, you other states!

C. A. BENEDICT, Pres.  
Buckeye State Horseshoe Pitchers Association.

### LETTERS TO THE EDITOR

Dear Mr. Howard:

I am sending you, under separate cover my picture. I thought you would like to publish or print it in the Horseshoe World inasmuch as I am retiring for this year, both as a pitcher and a promoter of horseshoes, due to pressure of business.

Since 1935, when Tom O'Gara organized the Knickerbocker Horseshoe Pitching League of Greater New York, I have been its president, until this year, when Wm. P. Mullallev was elected in my place. Since 1935 the league has grown to be quite an organization and I like to feel that I was instrumental to that growth. Hence the picture.

To prove that I haven't entirely given up my interest in the game, you will find my check for \$1.00 for a year's subscription for the Horseshoe World.

Truly yours,

L. ZIEGLER,  
18 E. 236th St., New York City.

### PARTING WORDS FROM

(Continued from Page 5)

those whose views did not coincide with my own. I urge all who love the game to communicate all ideas and suggestions to Mr. Archie Gregson, the new secretary. His address is 213 S. Everett, Monterey Park, California. I ask all state secretaries to address future correspondence to him.

In closing, let me say that while my duties as Federal Statistician will not permit me sufficient time to discharge the duties of secretary, I will help wherever possible. Please do likewise, fellow members. If we all help the secretary, we can make this association so strong that every member will have his chance in tournaments of his own class, every member will receive an annual horseshoe booklet free of charge, and many other considerations. By all working together we can really go to town.

With kindest regards to you, Mr. Howard, and to all the horseshoe pitchers in America, and in other countries, I am

Yours in Horseshoe,  
J. ROBERT TOMPKIN,  
Former Secretary.

*The Horseshoe World*

San Francisco, July 21, 1941

Dear Mr. Howard:

Herewith is one dollar for another year's subscription and a communication which I hope you can find room for.

The old saying that too many cooks spoil the broth is what is the matter with our glorious horseshoe pitching game, and it's time to get down to hard pan and stop our fooling and get on the map properly.

Every one of these nurses or cooks or call them what you will is sincerely interested and each thinks his plan is the best, with the result that none of them are tried to their ultimate conclusion before some other one is injected and the first is lost sight of and finally we are in a wrangling muddle and are just muddling along and not getting ahead.

Some two months ago one of your contributors in an article mentioned that we had 60,000 members. Accepting that as a fact, let's go on from there.

Just so surely as we have 60,000 members, just so surely have we lost that same number every year for the past ten years. That is a tall statement, but I'll prove it. In our own club we started with ten or a dozen members; we grew to 40, to 60, to 90, and from that time on we kept getting in 30 or 40 a year and losing 30 or 40 others. That's too big a turn over, and from reading your World, and from direct information from other clubs, I find they are all doing the same. Let's stop that losing members.

We can do it. Why do they drop out? With us it happened this way, and again history proves that ours is only the experience of all the other clubs. When we started we were a dozen enthusiastic pitchers. We enjoyed our club and our social intercourse. Putt Mossman came along and put on an exhibition. Our membership climbed up to 40 almost overnight. And every one of these boys is still an enthusiastic booster for the game. Then along came Charlie Davis. He gave us another boost and our membership jumped to 75. He was of a different type from Mossman. Where Putt was strictly the showman, Davis was interested and enthusiastic in boosting the game. He helped us with our courts, with our stakes and in many ways.

Since that time we have constantly changed about 40 members a year.

They are now pitching just as enthusiastically as ever, but in someone's back yard court, instead of on our club courts. And why?

Because about six years ago or thereabouts every club got the notion in their bonnet that they had to have a club team and everything in the club was sacrificed to "the team." Now it is a fact, and you and we all know it that we can't all be 50, 60 or 70 per cent pitchers, but equally we should recognize that the ten per cent or the 20 or 30 per cent man gets just as much enjoyment out of his game as does the topnotcher. But when he comes to the courts on Saturday afternoon or Sunday, and finds that "the team" has possession and he can't get a court, or that he must keep score or wait on the table or shovel up the courts, he, after a while, says "to hell with it," and leaves the club.

What we have got to do right now is get down to simple fundamentals. Our national officers have got to forget their petty squabbles and resolve themselves into a sales force. Instead of monkeying with the different state charters and having them renewed, and with lots of useless red tape, once a year, we should be glad, tickled to death that any state or section of a state wants a charter. We should give it to them with instructions to boost the game, look after it for us, sell it, sell it, and form more clubs, and this charter is good until revoked.

There should only be the simplest of rules. All national, state, county or sectional championships must be played under national rules—40 foot pegs, cancel ringers, and 50-point games. Outside of that let the clubs do what they please. Let them play count all points, or throw left-handed or whatever they please, just so the club grows and does something for its members, so that they stay in the club.

Club dues shall be \$1.25 a year, and out of this 25 cents goes to the National. That 25 cents is divided three ways, 10 cents to the local, ten cents to the general fund for expenses and for prizes for national tournaments, and five cents for publicity in the Horseshoe World.

Our slogan should be, "We now have 60,000 members; by this time in 1942 we want 100,000, and 150,000 in 1943.

Get the boys to work on this simple formula of salesmanship and this game will be put up where it belongs. And make the professionals, all of them, Allen, Zimmerman, Jackson, et al., boost this program, because then, when they want to give

an exhibition before some club, instead of passing the hat, there will be enough funds in the treasury to pay them legitimately outright for the exhibition, and it will be on a basis where the particular club can charge an admission and not only put on a good show, but make something out of it. And all the three or four hundred thousand pitchers now unfiliated will have a reason for belonging to the National, because no club can exist and participate in sectional events unless it is a member of the National, and do away with individual members altogether. If there is no club in the town where the pitcher lives, then he joins the club in the nearest town.

I hope you can put in with me and I am sure on this simple program of salesmanship we can put our game up where it belongs in the eyes of the public.

F. F. HEUER.

**STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, OF THE HORSESHOE WORLD, PUBLISHED AT LONDON, OHIO FOR OCTOBER 1, 1941.**

State of Ohio, County of Madison, ss.

Before me, a Notary Public, in and for the state and county aforesaid, personally appeared R. B. Howard, who, having been duly sworn according to law, deposes and says that he is the Publisher of the Horseshoe World, and that the following is to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication, for the date shown in the above caption, required by the Act of August 24, 1912, embodied in Section 443, Postal Laws and Regulations, printed on the reverse side of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, Raymond B. Howard, London, Ohio.

Editor, Raymond B. Howard, London, Ohio.  
Business Manager, Raymond B. Howard, London, Ohio.

2. That the owners are (Give names and addresses of individual owners, or, if a corporation, give its name and the names and addresses of stockholders owning or holding one per cent. or more of the total amount of stock).

Raymond B. Howard, sole owner.

3. That the known bondholders, mortgagees, and other security holders owning or holding one per cent. or more of total amount of bonds, mortgages, or other securities are: None.

4. That the two paragraphs next above, giving the names of the owners, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company, but also in cases where the stockholder or security holder appears upon the books of the company as trustee or if any fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than so stated by him.

R. B. HOWARD, Manager.

Sworn to and subscribed before me this 26th day of September, 1941.

(Seal) MARGARET A. CONVERSE,  
Notary Public.  
(My commission expires Feb. 14, 1943.)

# Results Of Ohio State Tournament

Following is summary results of 1941 Ohio State Tournament held in Canton, August 30, 31 and September 1, 1941. Final statistics for each player in finals, then play by rounds as we feel those reading scores will like latter much better.

**METHOD**—Each player entering pitched 200 shoes, using the 100 with highest point score as his qualifying set. Flip of coin decided who pitched first, thereafter alternating turn with opponent throughout each game.

**SCORING**—Players name first (or above on score sheet) called score first each inning and the crediting of all points earned (3 points for each ringer and 1 point for each shoe within 6 inches of the stake) for each player. Used an XX for double, and an X for single ringers. Tie games—No further record made on score sheet beyond 80 shoes pitched except to credit 1 point and the game to winner when tie was broken.

**SYMBOLS**— W, Won; L, Lost; P, Points; PP, Point Percentage; R, Ringers; PR, Ringer Percentage; SL, Shoes Lost; PSL, Shoes Lost Percentage; DR, Double Ringer; SP, Shoes Pitched.

From point of interest shown by the players, spectators, the newspaper and the general public, this was no doubt the best tournament ever held in Ohio.

There are many highlights of the games that I have not got time to point out, however, it will be noted that in the 13th round Burden, who hails from Lancaster, did not lose a shoe, which is the only time this occurred.

The bouquet goes to the boys of Canton, Ohio, who, on all too short time, put the tournament on. In less than a month they built eight new courts and while we can only visualize in a small way how hard they worked to accomplish what they did, we would have them know that their work was appreciated by all as well as everyone who had any part in the success of the tournament, especially the Canton Repository newspaper, which was extremely interested, and we sincerely appreciate it all.

Officers elected at the convention were: C. A. Benedict, president; F. M. Brust, vice president; Andrew Stolarik, treasurer; D. O. Chess, secretary. John Sebek of Canton, becomes Commissioner of District 14, taking the place held by Mr. Stolarik, who was elected state treasurer.

Affiliation dues were raised to \$1.00, 15 cents to National and 85 cents to State. This was done to insure yearly tournaments. Delegates unanimously empowered the executive committee to re-write the Constitution, permitting the state champion to defend his title between conventions, and other parts of it needed for the best interests of the players and the Association. The secretary was instructed to send regrets to Henry J. Gunselman, who resigned as treasurer, thanking him for all he has done for the sport. He was also instructed to send sympathy to Blair Nunamaker, who is ill in Florida, and regrets that he was unable to defend his title as state champion in his usually friendly fashion. Messrs. Gunselman and Nunamaker to kindly note as you read results, 1942 tournament and convention was awarded to Galion, Mr. G. D. Roop, commissioner.

We are considering total points made instead of games won by the same method of play for 1942 in crowning the next champion, which will bring the sport right up to date in respect to other sports. It will be noted that had total points been used this year it would have effected standing materially, although no change for champion.

D. O. CHESS, Secretary.

## HORSESHOE FUND DONORS

A suggestion was recently made by D. O. Chess, Cleveland, secretary of the Buckeye State Horseshoe Pitchers Association, that the Horseshoe World receive contributions of \$1 from pitchers and that their names be printed each month. The number in front of the name will indicate the number of dollars in the fund when that dollar arrived:

- D. O. Chess, 6208 Quimby Ave., Cleveland, Ohio.
- Jack Claves, St. Louis, Mo.
- R. B. Howard, London, Ohio.
- "Lefty" Steinmann, 7149 Lindenwood Place, St. Louis, Mo.
- Willard Ruse, Aledo, Illinois.
- Mr. and Mrs. R. A. Butts, Easton, Washington.
- Gordon Horseshoe Co.
- Ohio Horseshoe Co.
- John Sebek, Canton, Ohio.
- J. P. Moran, Box 6830, Pittsburgh, Pa.
- Ted Allen, 1045 10th Ave., Boulder, Colorado.
- C. E. Evans, 550 S. Ogden St., Denver, Colorado.
- Giant Grip Mfg. Co., Oshkosh, Wisconsin.
- A. W. L. Tilker, Clayton, Mo.
- Harry M. Duncan, 2064 S. Lincoln, Denver, Colorado.
- C. F. Jacobsmeyer, 7913 Forsyth Blvd., Clayton, Mo.
- A. M. Frend, \$2.00; St. Louis, Missouri.
- Alvin Dahlene, Lawrence, Kans.
- Ernest Mattola, 29 Central Ave., Madison, N. J.
- Gregg Rice, E. 16610 Ferry, Veradale, Wash.
- Carl Steinfeldt, 77 Martinot St., Rochester, N. Y.
- Frank H. Steinfeldt, 17 Hickory St., Rochester, N. Y.

- Carl von der Lacken, 2819 E. Fourth St., Tulsa, Oklahoma.
- Raymond Adams, Auburn, Me.
- Bert Duryee, 640 Ellis St., Wichita, Kansas.
- Henry Schlieff, 332 West Page, St. Paul, Minnesota.
- John Kos, 2866 E. 111th St., Cleveland, Ohio.
- R. W. Attig, 232 Lakewood Ave., Youngstown, Ohio.
- Harold Hubbell, Henderson, Colo.
- Harold Hubbell, Jr., Henderson, Colorado.

WHO IS NEXT? Your name will look good here next month! Just mail \$1.00 to the Horseshoe World and simply say, "Here is my dollar for the 1941 National Tournament Fund."

## LETTERS TO THE EDITOR

Dear Mr. Howard:

On Labor Day, September 1, the Central Labor Union, of Lowell, Mass., sponsored a field day of sporting events starting in the morning and carrying through to the afternoon.

The local W.P.A. Recreational Project supervised the various sporting events.

The morning was devoted to a varied list of events with the children of the city's playground being the participants.

One of the outstanding events was a horseshoe pitching contest for boys under 16 years of age. About 100 boys entered this event. Each boy was required to pitch ten shoes and the boy getting the most ringers would be declared champion. When the last shoe was pitched two boys were tied for first place, each boy had pitched five ringers. The two boys having this score were Samuel Matthews and Nick Paleologos, a couple of coming champions. Both boys were declared co-champions, and received \$3.00 merchandise awards. The pitching distance was 30 feet.

One of the amusing highlights of this event was the pitching of J. Au-

brey. After failing to land a prize in competition, he pitched eight consecutive ringers when it did not count.

The Central Labor Union in conjunction with the local W.P.A. Recreation Project, plans to make this Labor Day sporting event an annual affair.

## LOU ZIEGLER

Manager and Captain of the Woodlawn Horseshoe Club, Inc.; President of the Knickerbocker Horseshoe League of Greater N. Y., 1935-41; President of the N. Y. State Horseshoe pitchers Asso., 1937-1938.

## PLEASE EXCUSE US!

Just how much material will be crowded out by the National and Ohio tournament statistics in this issue we can't say. If your news was sent in but not printed, please excuse us as it will be in next issue.

## Write For Samples . . . .

of Horseshoe Club stationery, printed in one or two colors and sold at a price your Club can afford.

Don't forget The Horseshoe World is headquarters for the D. D. Cottrell Scoresheets and all kinds of printing.

## Here's the New DIAMOND SUPER RINGER

Diamond Pitching outfits are packed in sturdy wooden boxes as illustrated. Contain two pairs of shoes and a pair of pointed stakes, 27 inches long. A handy box to carry in the back seat of the car.

The finest pitching Horseshoe ever made. Cadmium and copper plated. A beautiful shoe with accurate balance, drop forged from special analysis heat-treated steel. Designed to catch stake with least possible chance of bouncing or sliding off. One size only, 2 lbs. 8 oz.

**DIAMOND OFFICIAL**  
Conform exactly to regulation of N.H.P. Association. Made regular or special dead falling type. Drop-forged steel will not chip or break. Come in weights 2¼ lbs., 2 lbs. 6 ozs., and 2½ lbs.

**EAGLE RINGER**  
Drop-forged from special Diamond Horseshoe steel. Furnished either hardened, or soft dead falling type—in bronze and silver. One size only, 2 lbs. 8 oz.

**DIAMOND JUNIOR**  
For ladies and children. Exactly the same as Diamond Official Shoes except lighter. Made in 1½ lb. weights only.

### THE MOST COMPLETE LINE OF ACCESSORIES ON THE MARKET!

**STAKE HOLDER**  
Official stake and stake holder for outdoor and indoor pitching. Stake is held at correct angle—rust proofed underground.

**HELPFUL BOOKLETS AND CHARTS**  
"How to Organize and Promote a Horseshoe Club," a 16-page booklet outlining complete procedure of activities. "How to Play Horseshoe" gives latest official rules. Free with orders for Diamond Shoes. Chart comes in book with 25 score sheets. Each sheet made for 25 innings—percentage chart for ringers and double ringers.

**CARRYING CASE**  
Genuine heavy black cowhide, convenient zipper with ball chain, leather loop handle. Neat, trim and handsome, long-wearing. A snug fit for one pair of shoes.
