SECRETARY'S MESSAGE

I realize it is difficult to fill the vacancy created by the resignation of your long time secretary. Archie, combined with his very efficient wife Katie, is a hard combination for anyone to equal. I will give the best I have. I will need the assistance of every official, and of each State group, and of every individual member in the organization.

So please be patient. Let's cooperate. Endeavor to move forward. Have faith we will have a successful year, and I believe it shall be achieved.

I am going to Crestline this week to get a briefing from Archie and Katie. After the National Tournament results are completed and mailed out, and after the necessary preliminaries are complied with, I will accept my duties.

THE BIG STORY FROM MURRAY, UTAH

Unapproved Minutes — 1955 Convention

The 1955 convention of the N.H.P.A. met Wednesday morning, July 27, 1955 at 9:15 A.M. The meeting was called to order by the President, Dale Dixon.

Minutes of the 1954 convention were read and approved as read. Financial report through July 17, 1955 showed a balance of \$1,400.39.

The following number of delegates were seated:

No. Calif., 1; So. Calif., 2; Colorado, 2; Illinois, 1; Indiana, 2; Iowa Hawkeye, 1; New York, 2; Ohio, 2; Kansas, 2; Utah, 3; Washington, 2; West Virginia, 1; Wyoming, 1.

Gandy (Kans.) made a motion regarding acquiring a quorum for convention: In order to assure a quorum in convention—if a man has a paid up card and the state does not have a charter one man should be seated and be allowed to vote in convention. Seconded by K. Gregson (Calif.), motion lost.

Motion by Standard seconded by McNeeley (Wash.) That we use the previous year's membership or the membership of the present year (whichever is the greater) to decide the number of delegates for convention. Motion carried.

Motion by McNeeley—seconded by Fishel (Wash.) That all shirts have letters at least 2 inches high so that they would be readable from the stands. Motion lost.

Motion by Gandy—seconded by Funk (Utah): That during qualifying and tournament play in a world's tournament, all contestants must wear shirts having bold, legible letters, giving name, town, and state, so that they will be readable at 50 feet. Motion carried,

C. Steinfeldt (New York) moved—Titcomb (No. Calif.) seconded: That the meeting of the convention shall be held on the morning after the close of the scheduled day for qualifying during the tournament instead of the morning of the last day. Motion carried.

Mr. Paul Rose, chairman of the Salt Lake County Recreation Commission said he was authorized to make the same bid of \$4,000 for the 1956 tournament. He stated also that the sponsors would make name plate or numbers to be worn by the contestants next year—if so desired.

Titcomb (No. Calif.) talked on the subject of creating committees in various sections of the country to help publicize the horseshoe game. Said committees would gather information on players, and events, and send articles to papers and magazines in their areas for publication. He moved: That the delegates in convention elect a committee of regional directors under the direction of the Executive Officers of the N.H.P.A., for the interest and furtherance of horseshoes. Motion carried.

The following regions were created and regional directors elected by a unanimous ballot cast by the Secretary:

Calif., Ore., and Wash.—Don Titcomb, Sunnyvale, Calif.

Kan., Mo., Ark., Neb., Okla., Tex., New Mex., Miss., La.—Alvin Dahlene, Lawrence, Kan.

Ohio, Ky., Ind., Mich., West Va., Fla.—Arner Lindquist, Morgantown, West Virginia.

Utah, Idaho, Nev., Ariz., Wyo., Colo., Mont.—Ray Ohms, Salt Lake City, Utah.

Ill., Minn., Iowa, No. Dak., So. Dak., Wis.—Charley Hopkins, Ottumwa, Iowa.

R. I., Me., N. H., Conn., Vt., Mass.—Charles Gerrish, Kittery Point, Maine.

N. Y., N. J., Penn.—George Hart, New York, New York.

Motion by Albin (Wyo.) seconded by Steinfeldt (N. Y.): That each regional director will have a maximum of \$50. for necessary expenditures. Motion carried.

Motion by Standard (Ill.) seconded by Gregson (Calif.): That we spend whatever is necessary to take moving pictures of the play-off. Carried.

Methods of play were then discussed. Motion by Steinfeldt, seconded by Gregson: That after qualifying, there be a championship flight of 16 men and a second flight of 16 men—both groups to play a double round robin (5 games per night—6 nights). That there also be a third flight of 16 men and a fourth flight of 16 men—these 2 groups to play a single round robin (5 games per night for 3 nights). Motion lost.

Motion by Standard—seconded by Gregson: That we have 32 men in championship play—20 men in second flight and a 6-man play-off of the first flight for the Championship. Motion lost.

Ted Allen suggested we have two flights of 18 men each to play a round robin and the top man in each flight play off for the championship. No action was taken on the above suggestion.

Motion by Gandy—seconded by Manker (Ohio) that we use the same method in 1956 as we used this year. (36-man round robin—top four play for Championship) Motion carried.

Steinfeldt moved—Hart (N. Y.) seconded the motion that we raise the entry fee for the World's Tournament to \$10.00. Motion carried.

Motion by Manker, seconded by Brownell (N. Y.): That we change Sec. 2 of Article V of the constitution to read: A state can, at the discretion of the Executive Council of the National Association be granted a second charter; if there is a second charter issued, they should show membership of 50 members, by sending in the membership money. (Continuing—"But if, at any time, etc.). Motion carried.

A letter from Walter N. Haring of New Jersey was read suggesting a plaque be given to the state with the largest membership each year.

Motion by Gandy—seconded by Brownell: That the N.H.P.A. give a plaque to the charter having the largest per cent of increase in membership during the fiscal year—the plaque not to exceed \$10 in cost. Motion lost.

Motion by Standard—seconded by Manker: That qualifying shall end by midnight of the first scheduled day of the tournament. Motion carried.

Steinfeldt moved—Titcomb seconded: That rule 4 of the Constitution be amended to read: That the pitcher who is not pitching must stand 3 feet or more behind the peg on the opposite side of the pitcher's box—when facilities are available. Motion carried.
