## EDITORIAL

As this issue goes to press, the Editor is still recuperating in the hospital. However, with typical bedside manner the "old man" is looking over his son's shoulder to make sure the "mag." retains its usual standard.

Along these lines, we would like to take this opportunity of acknowledging with thanks the fine and able assistance of Norman Compton, Assistant Editor and the many folks whose articles and score information were contributed for this issue despite the slow down in answering correspondence from this end.

"The Boss" also wants to thank the people too numerous to mention by name, who wished him well through cards and letters. You can be sure they served as a lift and helped to keep him in good spirits.

I know we all hope the next issue will have the usual "Business As Usual" sign out. Thanks again.

Julian Jaskulek

## SECRETARY'S MESSAGE

Once again tournament time is upon us and we're beginning to get things lined up for the big show at Murray, Utah.

July 20th through the 27th are the dates. Qualifying will begin July 20th and continue through that day. As usual, if weather permits and there are enough officials on hand for proper scoring, qualifying will be permitted the evening of the 19th. Two hundred shoes will be pitched consecutively—total points will count. There will be a scorekeeper (from a state other than that of the qualifier) at each end of the court.

The high 35 men plus the defending champion will play a round robin of 35 games—7 games per day—starting at 5 P.M., July 21st. There will be no play Sunday, July 24th. On July 27th, the top four men in the 36 man round robin will play a final round robin to decide the championship.

A consolation tournament or "B" Class tournament will be played by the next high 24 qualifiers. This will probably be played the mornings of July 22nd, 23rd, and 25th. It will be a round robin tournament.

The Junior Tournament will be played the mornings of July 22nd and 23rd.

The Women's Tournament will be played the mornings of July 26 and 27.

Prize list for the various tournaments is as follows:

### CLASS A

1. \$475	10. \$122	19. \$65	28. \$53
2. 375	11. 112	20. 62	29. 52

According to our Constitution, our convention will be held the morning of the last day of the tournament which will be July 27th. It is hoped that everyone will stay for this most important meeting.

Among the important items on the agenda will be to select a new secretary. Although I still have one year left in my present term of office, I shan't be able to finish my term. Because of business reasons it will be impossible for me to continue.

I am sorry to have to quit in mid-term, but under the circumstances, it would be too much for me to handle.

This secretary's position has come to be a most time consuming operation. I haven't done justice to the office, although I have honestly tried. It is really a full time job and I simply don't have time to do it properly.

I hope each of you will think seriously about whom you put into this office. Be thinking of someone who has plenty of time and enough interest in the game to really do the job right.

We were very sorry we were unable to get out a report in March as we had planned to do, but we expect to get one out this month.

The state secretaries are to be commended for the fine job they are doing in sending in membership reports giving mailing addresses with the names. That is a big help.

While we are on the subject—be sure and send in all new members

names and addresses as soon as you can so that your state may be properly represented in convention. Try to get them in by July 15th.

Prospects look good for this year. Several secretaries have sent in for more cards and the early returns are better than usual.

Our Junior program has aroused a great amount of interest. We are referring all correspondence on that to C. A. Benedict, Johnstown, Ohio, as he is Chairman of the Junior Horseshoe Pitching program.

We will continue to give sleeve emblems to state champs this year. Our plan is to send one to each secretary whose state is affiliated with the National. In that way they will have the emblem to present when their champion has won the tournament.

We were extremely sorry to hear of Jake's illness and trust that he is well on his way to recovery by now.

Thank you all for your wonderful cooperation during my years in office.

ARCHIE J. GREGSON, Secretary

Guy Zimmerman was injured in both legs just below the knee the day before New Years and is very lucky to have his legs as the Doctor said that if it had been 1 inch higher they would of had to amputate both legs.

He was working behind his truck with the doors open when a station wagon which was parked on the wrong side of the street behind him backed up and caught both his legs between her back bumper and Guy's back bumper injuring both legs.

He is still under the doctor's care. He took three kinds of Therapy treatments for 3 months, every 3rd day. He is feeling good now and is coming along O.K. Guy hasn't tried to pitch any horseshoes as yet.

We are very pleased with the first Class "D" turnout and quite sure that we will have still a better turnout for the next "D". The fellows received 5 beautiful trophies and were enthusiastic. There were several close games which made it interesting. In the finals George Lowe and Gunnar Hansen played off for first with Hansen winning.

Through the faithful effort of Elmer O. Beller, President of the S.C.H.P.A. and 3rd Vice President of the National we now have 4 scoring machines which we feel has helped from the spectator's standpoint. They are the type which are used at the National.

We would like through this medium to thank all wives who have turned out so far to help and watch in our tournaments also the gentlemen who have given their support as to scoring and tabulation. Hats off to you.

### SOMETHING TO THINK ABOUT

By Al Dahlene, reprinted at the request of Walt Bagley

While it is a nice thrill to win a championship and a beautiful trophy—let us not lose sight of this fact; tournament promotion is the most important aspect of the shoe game today. Without a lot of hard work behind the scenes there would be no money—no trophies—no courts to toss on, and no far reaching advertising of the game we love so well.

Walter Bagley wants to see more tournaments held in Mass. and Rhode Island. Let's wake up and have more tournaments!

out various needed changes in Rules, By-Laws and Constitution, and offer definite ideas in The Horseshoe Pitcher magazine and other pertinent places, should not be ignored. Where else can one express himself by writing? If there is an N.H.P.A. Committee or Secretary where correspondence of this nature should be made, then this ought to be permanently indicated in our Official Organ The Horseshoe Pitcher, on some page such as the page taken in each issue by the N.H.P.A. We know from the experiences of more than one, that any effort for Rules, etc., benefit to The Game by different individuals, usually gets zero, and writing to different officers or committees on these matters gets no answer at all much of the time. This lack of consideration hurts The Game and hurts the N.H.P.A. Is the N.H.P.A. snobbish? Why doesn't it express itself in The Horseshoe Pitcher?

Such neglects as the courtesy of a reply to a letter is one of the reasons that my own State of Maine has withdrawn its association affiliation with the N.H.P.A. for the past year or two. We love our State and we want to be loyal to the N.H.P.A.

A Forum in The Horseshoe Pitcher might be a constructive and productive means to place anyone's ideas before everyone. Answers could be made by some N.H.P.A. Officer or Committee or Veep, so the earnest efforts of anyone would not be disregarded, but would get satisfactory recognition and would have some consideration. There should be tangible means of contacting the N.H.P.A. If this Forum thing would add a page or two to the magazine, there should be also a result of more interest among a wider spread of potential subscribers. And "land knows" our dear editors can welcome an added list of subscribers.

Everyone has or should have beside his own or self interests, these 5 Aims for Good: 1 His Club; 2 His State Assn.; 3 The National Assn; 4 The Horseshoe Magazine and 5 The Game. No one of these should harm or be a detriment to the other. Not one should be omitted. Each ought to build up and support the other: Club, State, National, Magazine and Game, in that order. There you are.

In May yours truly had a four-hour visit and consultation on horse-shoe matters in his front room on this concern and other matters relating to The Game, without picking up a horseshoe. So don't think that you or You are the only one, who has a spirit for the good of Our Sport. It was my, and our, good friend, Herbert G. Bowman, who made a two- or three-hour drive from Hebron, Maine, to Kitterypoint, in order to spend a hopeful 4-hour counsel over the good of The Game.

Some day Maine will see the wisdom of belonging in the fold of the N.H.P.A. But in the meantime let's have the N.H.P.A. be so useful, good, necessary and downright wholesomely helpful to the lower associations, that Maine and every other state just cannot afford to be out of it. The N.H.P.A. can't afford to have Maine or any other state on the outside. We don't want Maine or any state to be a Horseshoe Orphan. So let's have the N.H.P.A. be a Good Daddy.

## OHIO

By CLAUDE A. BENEDICT

Concerning the Eastern National Meet. The Ohio State Fair will not bid on same this year due to several reasons but mostly money, in that

they prefer to devote more time and money toward the Youth program as that is their main program, in all activities at the fair the Junior fair, which is taking well at this early stage and by 1956 and 1957 we will see great strides in Ohio from the youth program as outlined by the writer and which, so to speak, is my pet and we are going all out to make it work, and to date is working on schedule, or ahead, as planned and we expect by 1956 to have it working National in scope with a National Championship in '56 or '57 of the F.F.A., or sooner if they want it so.

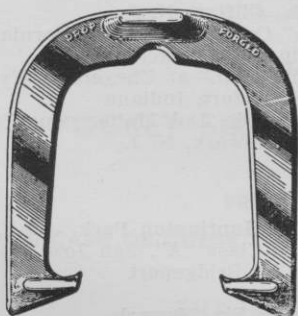

We will have several districts, of the 16, in Ohio operating this year and should be Statewide in 1956 in the F.F.A. according to the interest shown at this early date, which is only the start.

Any other States desiring information on this program may write me for information as to contacts and other information relative to contacts in connection with all matters. Will be able to give a good report in next issue or so as to progress made in Ohio which will, I am sure, be of interest to all.

Now back to the Eastern National—Any State desiring to hold same kindly send bid to C. A. Benedict, Johnstown, Ohio so plans can be made well in advance for those who will conduct same.
