## TOURNAMENT TRAVEL CONTACTS

The following is a list of all NHPA Regional Directors and the states or territory they cover. Those of you who travel and want to get out-of-area tournament information, are encouraged to contact the appropriate Regional Director. Each RD maintains a full list of all NHPA sanctioned tournaments in their area. If your travel plans call for stops in several states and you need multiple site information, you might want to write the NHPA 1st Vice-President who is in charge of all RDs. He should have copies of all the state schedules. The address for the 1st VP can be found on page 3 of this publication.

## PRESIDENT'S MESSAGE by Paul Stewart

World Tournaments bring horseshoe pitchers and friends together year after year – usually under weather conditions that are "never like this". Bakersfield turned out to be one of those weather extremes. But being the tough and hardy group we are, we just enjoy each other and compete the best we can.

And compete he did! Alan Francis went 23-0 for a record eleventh time Men's World Championship. Alan shared the ten-time World Champion record with Ted Allen and Vicki Winston for only one year before breaking the record this year. Not only did Alan go undefeated, he pitched a perfect game to go with his perfect record of 23 wins. Three weeks prior to the World Tournament, Alan pitched another perfect game at the Ringer Classic. Wow! What a Champion we have in Alan Francis; and he is just as nice a person as he is a Champion.

Congratulations to: Alan Francis, Sue Snyder, Tom Westbrook, Paul McCreery, Angeline Moisan, Matthew Corpela and Amy Horton. You all are deserving champions and will represent our sport well in the coming year.

Sunday was a break from the competition allowing for our National Convention. The meeting was a little lengthy but we covered a lot of ground. The Rules re-write was deferred until the 2006 Annual Meeting. This delay will not only provide additional time for staff and the general membership to have input and study early re-write drafts; it will perhaps better accommodate the handling of rule changes that involve some by-laws which may need to be moved to the rules document, since by-laws reviews are normally scheduled for even numbered years.

For the first time in history we had a tie in voting for the 2007 World Tournament location between Ardmore, OK and Decatur, AL. After the tie was announced the Council met briefly with the two bidders. Decatur agreed to accept the 2008 World Tournament if the delegates would approve the two years. The vote was put to the delegates and an overwhelming majority voted to award Ardmore, OK the 2007 World Tournament and Decatur, AL the 2008 World Tournament. Council feels that the delegates were in fact voting to override the bylaw when they voted to award a World Tournament to both bidders. After the convention, we had several delegates tell us how well they liked the way the council and delegates handled the tie situation.

Sunday evening we held our annual Hall of Fame and Awards Banquet where we inducted two very deserving candidates into the Hall of Fame, Jesse Gonzales and Reinhard Backer.

Jesse is a very pleasant person to be around and was very happy and appreciative to be inducted into the NHPA Hall of Fame. Jesse said horseshoe pitching is in his blood and he will always love the game and the people in it. In attendance were about fifteen of Jesse's friends and family members which seemed to add to Jesse's happiness. Jesse's daughter Lisa gave his introduction speech.

Reinhard Backer's son, Bill, gave the acceptance speech for his father who is deceased. Bonnie Seibold, Hall of Fame member and 27-year member of the NHPA council was presented the Arch Stokes award which is considered to be the NHPA's most prestigious award. Achievement awards were presented to Bob Reese, Jim Gorth and Roy Evans. The President's award was awarded to Genevieve Lavett. Membership awards are as follows: Connecticut, largest adult membership increase from 2003 to 2004 (149). Minnesota, most 2004 Junior members (105). Ohio, largest Junior membership increase from 2003 to 2004 Delaware, largest increase in membership by percentage 2003 to 2004 (308.00%). 2005 Bob Pence Memorial Award, presented to Minnesota, most 2004 adult members (959). Club & League, and Regional Director of the year are listed in other articles in this issue of Newsline.

I am sure most of you noticed that the action shots that we usually have on the website during the World Tournament were not there this year. We apologize; lighting in the buildings was not conducive to good picture taking and taking flash photos bothered most pitchers; thus, the lack of photos. We should be back to plenty of action shots next year in Gillette where we will have ample lighting.

We would like to say "Thanks" to Jim Gorth and his Tournament Committee and workers, Don Yeager and the Bakersfield Convention & Visitors Bureau, the Bakersfield Horseshoe Club, the Southern California Horseshoe Pitchers Association, the Kern County Fairgrounds, the NHPA Council and their spouses, all of the Program Directors and their spouses, computer room workers, our Web Master, Regional Directors & Assistant RD's, score keepers, judges, Game Related sales and their workers, Burly Burlingame and Don Weaver and everyone else that I missed that helped to make the 2005 World Tournament a success. Thank you all!

## SANCTIONED CLUB/LEAGUE REPORT by Lorraine Sternberg

The 2005 World Tournament is now past. As usual, the two weeks seemed to fly by. There is a lot of pre-planning and many man-hours in putting on a World Tournament. The host club and CBV did a great job and were super to work with. I would like to thank all the scorekeepers and judges that helped us make this tournament a true success. Without these people taking part of their vacation time to do these jobs we would not be able to have the tournament work. My thanks to all of you!

As a shift director there are some things that I have noticed while watching the tournament; one of those things being that many of the players don't seem to carry a measuring tool. You can save a lot of time, plus keep your timing going much better by measuring your own shoes when at all possible, rather than waiting for a judge to come. Of course a judge should be called when you and your opponent can't reach an agreement on a call. Please remember that a measuring tool should always be part of your equipment, not just your horseshoes.

Proper dress attire is another thing. Your name and state on the back of your shirt is a requirement and this should be professionally done. This is stated in your schedule that is sent out to you. This is the World Tournament, the best of our tournaments, let's look our best!

As always when I go to the World Tournament, one of the things I enjoy the most is visiting with everyone and talking to all the league directors who attend the tournament. It was great visiting with all of you.

One of the things discussed at the league meeting was the Sanctioned Club/League Tournament coming up October 8<sup>th</sup> and 9<sup>th</sup>. Just to remind all of you, the deadline is September 1<sup>st</sup>. The first 24 teams will be accepted. This is a league tournament; therefore all members of your team must be from the same club. If you have any questions about the tournament, give me a call (262) 677-3300. If you are in need of a list of motels and camping, I have one available.

At the Awards Banquet I awarded Jeannie Manns Director of the Year. Jeannie is the league director for the Painesville Horseshoe Club in Ohio. The Painesville HSC was formed in 1974 and has been a sanctioned club since 1988. They have had leagues most every night of the week and a junior league for at least 20 years. She has been the league director since they first sanctioned the club. Jeannie and her husband, Oscar, also ran the junior league with usually ten juniors or more. There were a

few years that they had two shifts of juniors because there were so many.

She has enjoyed the game of horseshoes for over 25 years. Jeannie won the Ohio State Tournament in 1986 and pitched in the Champion Division at the World Tournament in 1986. She was inducted into the Ohio State Hall of Fame in 1996.

Jeannie was unable to attend this year's World Tournament. She wanted to thank the NHPA and added that she did not earn the Director of the Year award alone. She stated that it also belongs to the club because without all of their help they would have no club. She accepts this honor with sincere appreciation on behalf of the Painesville HSC.

I wish to congratulate Jeannie for the fine job she has done as league director for the Painesville Horseshoe Club!

In closing on the 2005 World Tournament in Bakersfield, CA, I would like to congratulate all of the winners! We watched some really great games. It's always fun to go to the World Tournament and a little sad when it is all over and we have to say good bye.

Hope to see all of you in Gillette, Wyoming in 2006!

## NHPF NEWS VIEWS & DONATIONS

by Dave Loucks

At the 2005 Convention of Delegates in Bakersfield, it was confirmed that a great majority approve of the proposal to relocate the Hall of Fame and Museum to Missouri. Expected construction costs of \$500,000 - \$600,000 were mentioned and it was explained how these costs would be paid. Initial money will come from the NHPF treasury with the balance of proceeds coming from the sale of the Joelton, Tennessee property that is owned by the Foundation. Should the Missouri project be completed before the Joelton property sells, which is a real possibility, the NHPA will provide the NHPF with a low interest loan until it can be repaid by the property sale.

The Joelton property will be put on the market just as soon as the NHPF and St. Charles County officials agree on the wording of the ground lease agreement which the attorneys for both sides are now working on. We will also await a confirmation of insurance on the Missouri project, something that we have been unable to obtain in Tennessee. Two different brokers have been contacted and things are looking more promising than at any time in Joelton. It is realized and has been extensively discussed that selling Joelton will mean the loss of a premier indoor pitching facility. Unfortunately, the Tennessee membership is small with no active club in the immediate Joelton area. Thus, any expectations of growing a club sufficient to care for the Joelton pitching facility, manage and maintain the Hall of Fame and Museum and create a source of income to cover operating expenses are unrealistic.

Contributions to the NHPF and Hall of Fame project have slowed noticeably since the shutdown of the Joelton facility some 18 months ago. This was discussed in convention and many expressed the feeling that there would be a turn for the better with a commitment to move to Missouri. The Foundation Directors certainly hope that will be the case. The bulk of financial support continues to come from seven of the eight states that top the list of contributors. Since my last report, a total of \$2,750 was received with just \$2,193 coming from individuals. Interest accounted for \$187 and \$370 came from a 50-50 drawing at the Hall of Fame Banquet. Of the total that came from individuals, 56% live in those top seven states while 44% came from nine other states. Overall, those that have given continue to do so. Unfortunately, it seems that the big majority of the membership looks the other way, apparently content to receive but loathe giving back something to the game.

Once again I ask that you support the NHPF, the needed endowment fund and the Hall of Fame project. By its non-profit tax-exempt charter, the NHPF works for you, the NHPA and the development of Horseshoe Pitching. Make it a point this year to support our sport by sending your tax-deductible contribution to the NHPF at P.O. Box 1628, Penn Valley, CA 95946. Those that donate \$25 or more will receive an acknowledgement letter of thanks.

## 2007 WORLD TOURNAMENT UPDATE

by Stu Sipma

Hats off to both Ardmore, Oklahoma and Decauter, Alabama for winning the bids for the 2007 and 2008 World Tournaments. I suppose many of you are asking yourself how did this happen? At the delegate meeting this year at Bakersfield, both parties gave their presentation to the voting delegates and at the end of their presentations, all voting delegates cast their ballots. There were one hundred twenty-four (124) voting delegates and when the ballots were counted, each party had received sixty-two (62) votes. Paul Stewart, President, called for a short recess to discuss. The NHPA Council met and decided to award both parties the world tournament if the voting delegates agreed. When the meeting was called back to order, Paul Stewart presented to the delegates the recommendation from the Executive The recommendation was presented to see if the delegates would agree to let Ardmore have the 2007 bid and Decauter the 2008 bid. The delegates at the meeting agreed to this proposal. After working with these sites for the past year, I am very happy for

both locations and am honored that they will be hosting the 2007 and 2008 World Tournaments.

I am sure there were other sites interested in bidding for 2008 World Tournament. I am hoping the interested sites will consider adjusting their calendars for hosting the World Tournament in 2009.

### 2006 World Tournament Site – Gillette, Wyoming

At Bakersfield, the staff from the Cam-Plex was on site for the two weeks handing out information pertaining to the community of Gillette. As most of you know, in 1996 Gillette hosted the World Tournament with an entry of 1,536 participants. The NHPA is hoping to break 2,000 entries for this tournament; to make this happen we need for everyone to start making his or her plans now! The dates are July 10-22, 2006.

### 2007 World Tournament Site Ardmore, Oklahoma

The Ardmore Chamber of Commerce and the Ardmore Horseshoe Association

has offered to NHPA the Hardy Murphy Coliseum as the host site for the 2007 World Tournament. The proposed dates are July 23–August 4, 2007.

### 2008 World Tournament Site – Decatur, Alabama

The Decatur-Morgan County Convention & Visitor's Bureau, the Decatur Parks & Recreation Department and the Alabama Horseshoe Pitchers Association are teaming up to host the 2008 World Tournament. The Celebration Arena in Decatur is the proposed site. The proposed dates are July 14-26, 2008.

In conclusion, I am very happy that both parties won the bids for 2007 and 2008. In times like these where everyone's budget is tight, I am honored and thankful for the delegates and the Executive Council to let this happen for these two sites.

# 2005 JUNIOR WORLD TOURNEMENT REPORT

By Bobby White

Mixed Class Play and the 9 and Under Class:

Mixed junior class play in the 2005 World Tournament opened on Tuesday, July 19th, kicking off what was to become a very memorable week of junior play (on and off the courts) for many of the players. Conduct on the courts was very sportsmanlike and it seemed like all the players represented their states very well. Their parents should be proud... they've taught them well and it certainly showed through. A special thanks goes to all who helped keep score and judge throughout the five days of pitching, making it a very smoothly run event, especially those who helped in the 9 and Under division. Next year, we'll be sure to post more judges/volunteers to help the young ones learn how to figure out their score, which should help speed up play in that group.

The number of junior entries was down from previous years, as was the case with the whole tournament in general, but the competition amongst the kids was as good as it's ever been. Tony White of Pennsylvania took the top honors of mixed play by winning the Class A World Title with an 11-2 record and pitching the high average of the first three days... 73.08%-- Smooth! Fellow Pennsylvanian, Coby Sebastian was victorious in Class B, winning his world title with an almost flawless 14.5 - .5 record, pitching 10% higher than his entering average, finishing with 41.33%--Nice! As amazing as was Coby's performance, Class C had an even bigger surprise with its world champion—Ryne Lund from North Dakota... Ryne won the group with a 14-1 record and pitched 38.17% which more than doubled his entering average... Fantastic!! How many players can say they did that??? Kevin Turnbull from Washington squeaked through class D by only 1/2 a game! His 11.5 1.5 record put him on top and his outstanding 19.23% ringers over three days of play made the difference on his way to winning the world class crown in the D group way to go! Congratulations go to every player... If you look over all the stats, you'll see that the majority of them pitched higher than their entering averages, even under the tough conditions and pressures of a world tournament... the mark of true champions!

The age 9 and under mixed junior division (pitching from the 20 foot foul line... half court) played alongside the championship junior boys and girls groups and once again, put on quite a show for the crowd. This year's Age 9 and Under World Champion was Jason Beach from Kansas. Jason went 7-0 and swept through the field pitching 31.07% ringers... nice job Jason! The tournament's youngest competitor also pitched in this group... Matthew Williams, age 5! All in all, the 20 foot pitching is really proving to be a success... the younger they start, the better they'll be... who knows??? Maybe we just witnessed the start of a fine pitching career or two here! Wouldn't that be really cool?

### **Championship Girls:**

With just a few percentage points separating most of the girls in this group of six finalists, there was no doubt that we were in for a good show and these girls did not disappoint in the least! They were all veteran players and amazingly, every one of them pitched over their entering average; so there was no doubt they were all there to win it... Going in on top was Amy Horton from California. Kiri Cook from Wisconsin earned the number two spot and following right behind in the third post was her sister, Aleena. South Dakota's Shaina Stover followed up in the fourth spot... with Katie Thomsen of Nebraska and Tina McQueen of California rounding out this select group of six.

Tina McQueen came out firing in game one, giving number one, Amy Horton a strong challenge...nearly upsetting Horton in the 52 shoe match. Katie Thomsen proved she was serious about this as well, by nearly defeating Kiri Cook, losing by just four points in their 58 shoe opening bout. The third game in this round was also a long, close one, with Shaina Stover prevailing in a slight upset over Aleena Cook, winning by just five points in the 54 shoe game. Well, so much for the usually short and lopsided games that typically happen in the first round of most round robins... These girls were serious and it definitely showed!

Amy Horton carried her momentum into game two, picking up another win over Katie Thomsen. Shaina Stover cleared another high hurdle by defeating Kiri Cook in a hard fought 60 shoe match and Aleena Cook evened her record by defeating Tina McQueen. The high game of the round went to Amy Horton... 53.3%.

Kiri Cook picked up her second win against Tina McQueen in round three. In an upset victory, Katie Thomsen picked up her first win of the night by smudging Shaina Stover's up to then perfect record. Amy Horton stayed in control by picking up her third straight win and staying undefeated in the win over Aleena Cook, throwing 50% in the match (and needing all of it!).

Katie Thomsen evened her record at 2-2 by defeating Tina McQueen, throwing the highest game of the championship round for the girls... 53.6%! Shaina Stover charged at Amy Horton but couldn't catch her as Amy added to her string, staying undefeated at 4-0 and now sitting just one win short of the title. The Cook sisters battled in this round and Kiri came out on top, improving her record to 3-1, moving into position to work towards stealing the crown from Horton, hoping to force a play-off with a win over her in the last game.

Yes, as expected this title was not going to come easy to the eventual winner. Kiri Cook did what she needed to

continued on page 9

do and handed Amy Horton a loss to set up a play-off for the title between the same two... Amy had her low game of the night at absolutely the wrong time and Kiri totally capitalized on that, winning in just 38 shoes. Katie Thomsen finished with another strong percentage game and picked up her third straight win, defeating Aleena Cook. It's too bad Katie had a slow start... the way she was pitching the last half of that tournament, she'd have won the thing if she could have started that way... don't we all know that feeling??? By the way, Katie came in at 27% and averaged 37%... not bad, eh? ...proof that you can still make something out of an 0-2 start to the day... she sure showed us her stuff-tough stuff, that is! Although her 1-4 record doesn't show it, Aleena Cook let everyone in that group know she was there... She was competitive in every game, but her shoes simply weren't falling right... so many shoes that barely missed for her... She could have just as easily been 4-1 and in the play-off, but it just wasn't her day. Shaina Stover rebounded after two consecutive losses by defeating Tina McQueen. If it weren't for that slight lapse in that middle game, Shaina would have been a part of the upcoming play-off round... oh so close! Tina McQueen had a rough ride, playing the role of the underdog all the way through... but as a silver lining for her, she did improve her entering average by more than 7%... proof that playing with better players does bring out the best in someone.

## On to the play-off...

All I can say is what a game! It was a classic battle all the way with numerous lead changes and in the end, it came down to a tie game in the mid thirties where either player could win in one pitch... numerous clutch shots were made (and missed) by both players and Amy finally put up the winning points after 68 shoes, winning 41-36 in dramatic fashion... You couldn't have scripted a more exciting game than that... a great memory for all who were there to witness it, I'm sure! It was fitting, I suppose for the home state girl to win... but you can't take anything away from the gutsy performance of Kiri Cook to force the play-off and then nearly pull off the upset win... any other day, it might have gone her way, but not that day... That's horseshoes, and win or lose, you won't find a better sport about it than Kiri, being the first to hug and congratulate the 2005 Girls World Champion, Amy Horton.

## **Championship Boys:**

The group of twelve boy finalists featured a nice mix of seven vets and five rookies. Pennsylvania champion Tony White cruised into the championship group in the number one spot coming off an 80% performance the night before in the last round of play in Class A. In the second spot was Ontario, Canada's Drew Becker, a two-time world champ and former Canadian National Champion... obviously a top contender. The number three spot was earned by Adam Garver, a newcomer to the world tournament, but a veteran player from Ohio... two-time state champion and winner of this year's Greenville Ringer Classic. Coming into the number four spot was Minnesota State Champ, Matt Korpela, a true gentleman and champion. The

number five place went to Lee Siebold, Indiana's current state champ. Matt Fuller from Washington came in at number six and guess what??? Surprise, surprise, Matt is their state champ too! The seventh spot went to the current Eastern National and New York State Champion, John Perry. Nathan Heinritz, a past Wisconsin State Champion, earned the eighth spot. The ninth and tenth spots went to the Sipma brothers from North Dakota, Trevor and Justin respectively... two brothers in the world's top twelve, now that's cool... not many families can say that! WT rookies Trent Filley and Aaron Meade both of Minnesota rounded out the top twelve... if you could have seen these two boys pitching, you would have seen some amazing potential for future championships with these two... they both have very smooth deliveries and perfect timing... a little more work and lookout Alan Francis!

There weren't too many surprises on the opening night of the championship play for the boys. After six games, there were three undefeated, Tony White, Drew Becker and Matt Korpela. Tony continued his 80% pace from the night before and surely looked like he was going to cruise to a repeat performance of what he did in Class A ... which he basically did do, but fell a touch short this time around. A high note for Tony was game five where he threw the highest percentage game thrown by any player in the finals... 41 ringers out of 48 shoes for 85.4%. Drew Becker was winning games, but not with the 80%+ style we've come to expect... he was off his game and it was about to catch up with him. Matt Korpela, however was gaining ground almost every round and looked like he was going to put the other two to the test on day two.

The next night started out with an immediate upset victory for Matt Korpela over Drew Becker and set up a major confrontation between himself and Tony White in the ninth round. Both managed to stay undefeated through eight games and they put on a great show in round nine... The game had a rocky start for both players but once they settled in, Korpela had the lead and stayed there most of the way. White caught him when they got into the low 30's of the 40 point contest, but an unlucky break for White, bouncing off several ringers at the end of the match gave Kopela the victory... This was White's lowest percentage game of the tournament and his only loss, but it turned out to be enough to make the difference as Matt Korpela squeaked through rounds ten and eleven to become the undefeated 2005 Boys World Champion throwing an impressive 73.1% ringers... what a competitor! Hats off to Matt as he rose to every challenge, improving game by game, getting those big percentage games at the perfect times... a true champion, to say the least! Also, congrats to runner-up and high percentage player Tony White, 10-1, 74.2% in his last performance as a junior player.... Now that's going out in style!

## There were a few other notable feats in this exciting round of play...

John Perry just about threw the whole thing into a major tie by almost defeating Matt Korpela in game ten... coming from way behind and tying the game at 38 points

# 2005 JUNIOR WORLD TOURNEMENT REPORT continued

and finally missing after a nice long streak and some consecutive four deads to add to it all... what dramatics! Incidentally, although John was 5-6 overall on wins and losses, he was actually just a handful of points away from winning the title himself! He scored 35 or more points in four of his six losses and never scored under 28 points in any game... a few more ringers for John in each game and this would be a whole different story... expect to see some fireworks from John next year!

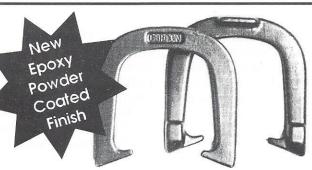

After playing the top players on day one and winning just one game, Lee Siebold quietly worked his way up from near the bottom to fifth place overall by winning all six games on day two... pretty impressive, to say the least! It's hard to turn it on like that when you're starting with a 1-5 record... Lee surely showed what he was made of there... lookout for Lee next year!

Also extremely impressive was Trevor Sipma's overall performance... Trevor came into this tournament averaging 57.5%, but pulled out an amazing 67.5% in the championship finals—a 10% improvement in just a couple of days... truly amazing! What's more, Trevor only lost to the three players who finished ahead of him in the standings and to day two's indestructible Lee Siebold... by one measly point, I might add! By any standards, that's about as good of a performance as anyone could hope for, shy of winning the title... nice job Trevor!

### The days after:

Don Yeager and the Bakersfield Convention Bureau arranged a great junior party on Sunday, the day after the finals, at a place called "John's Incredible Pizza..." More than 40 kids attended this party and I'm sure they all had a great time. There was something to do for kids of all ages there, so it was really a great outing for this group. Bus transportation to and from the place was provided, so the whole thing went very smoothly. As is always the case, many of the kids stayed in town while their parents pitched for a number of days following their own pitching... This is when they actually have most all of their fun together! Playing horseshoes is just a small part of the world tournament experience for most of the kids... It seemed like the big "hang-out" this year was the pool at the Bakersfield Holiday Inn Select... maybe that had something to do with the 110 degree F average temperatures? Do ya think??? Well, anyways, we need to send a special thanks to the Holiday Inn management who agreed to leave the pool open late at night for the kids to use after they finished pitching... what a difference that made for all of us! It was nice to get to know these fine young men and women a little better during those days after their pitching... The more I get to know these kids the more I like all of them... not a bad one in the bunch from what I can tell... you've trained them well! Thanks goes to all the moms and dads... You've made my job an easy one and once again, I thank you for that.

# OPEN MEN'S CHAMPIONSHIP

by Ward Lutz

The 2005 edition of the Men's Championship was marked by historic performances.

The pitching venue at the Kern County Fairgrounds in Bakersfield, California consisted of two adjacent arenas. The buildings were cooled by evaporative air conditioners (affectionately known as Swamp Boxes). In spite of the 100 + degree temperatures, these devices kept the pitching conditions comfortable. I even noticed a scorekeeper or two in long sleeves. The clay, light brown/reddish in color, I am told came from the Sacramento area. If appropriately watered and turned it seemed to serve well. I have often wondered how thick the clay is around the stake on the portable after two or three ringers. Although spacious, the pitching facilities in Bakersfield contrasted with the cavernous Holt Arena, the site of last year's event in Pocotella, Idaho. A third building housed NHPA staff offices, awards theater, gamerelated sales, booths for 2007 World Tournament bidders and a booth for next year's host of Gillette, Wyoming.

The championship group of 24 pitchers consisted of eight seeded players and 16 pitchers who qualified based on ringer percentage established in games pitched prior to the championship. It was gratifying to see young pitchers Buddy Dyrda and Keith Boone in the group who not long ago were competing in the junior ranks.

The 23 40-point games were pitched over four days with six games per day the first three days and five games on the final day. On day one four pitchers went undefeated (Alan Francis –81.3%, Walter Ray Williams Jr. –74.4%, Gale Greene –74.8%, and Andre LeClerc –69.6%). The highlight of day one was the amazing left-handed performance by Walter Ray, which included games of 90% and 91.2%. In past World Tournaments Walter Ray had occasionally thrown a few shoes left-handed between games, but this year he committed to the south-paw mode establishing a left-handed entering average of 74.42%. This is an amazing display of athletic ability especially to those of us who are so inept with our off hand. Alan and Shannon Foster each tossed 90% games on day one.

On day two Alan, Walter Ray and Andre remained undefeated. Gale Greene dropped one game and was tied with Shannon Foster after the section session. Alan elevated his game on day two with three 90%+ games and averaging 87.9% for the session.

Day three was a historic day as Alan pitched a 30-shoe perfect game against Buddy Dyrda. Welcome to the Open Men's Divison, Buddy. This was the first perfect game in the Open Men's Championship since the legendary Elmer Hohl pitched a perfect game in Keene, New Hampshire World Tournament in 1968. Elmer averaged 88.2% for the tournament, which stands as the highest average pitched in the Men's Championship. On day three Walter Ray lost his

first game to Gale Greene, leaving Alan as the only pitcher with an unblemished record going into the final day.

The meeting of Alan and Walter Ray highlighted Day four. Walter Ray could pull even with a victory over Alan and possibly bring about a playoff. It was not to be as Alan won handily as Walter Ray did not have a good game. Both pitchers garnered their remaining games. This gave Alan his 11 titles moving him past the legendary Ted Allen with the most Open Men's Championships and Walter Ray the runner-up spot. Both outcomes were historic.

# SENIOR MEN'S CHAMPIONSHIP

by Ward Lutz

Twelve pitchers competed for the 2005 Senior Men's Championship. All qualified on games played earlier. Tom Westbrook, long-time Open Men's Championship class competitor joined the Senior Division this year, marking him as the early favorite. Eleven games were pitched in six and five-game sessions in consecutive days. Bob Lautenschleger, the left-handed buckeye, and Charlie Webb, the Illinois sharpshooter, were clean the first day. Westbrook dropped his last game of the first session to the tough buckeye pitcher, Levi Miller. Oregon master promoter, Jerry Groton,

NHPA prez Paul Stewart, and proud grandpa Chuck Seal whose granddaughter took the Junior Girls Championship, registered four wins on day one.

The first two games of day two were decisive with Tom besting Chuck Seal and dishing out an 83% game to Paul Stewart. Bob Lautenschleger dropped his first two day two games to Gorton and Seal. Webb received his first loss from Stewart in day two's second game. Westbrook secured the title with a clean slate on day two and 67.1% average.

## ELDER MEN'S CHAMPIONSHIP

by Ward Lutz

As in the Senior Championship, twelve vied for the title. All qualified based on previous play. Texans defending Champion, Paul McCreery, and former Champion Ed Aronius were marked as the ones to beat. McCreery and Arionus and South Dakota's Roland Kleinschmidt were undefeated on day one. D. W. Story and Don Kies had one blemish on their day one card. As higher seeds played each other on day two, positions changed.

Day two opened with a key game involving Arionus and Kleinschmidt. Ed found himself trailing

Roland 28/16, he fought back holding Roland on 28 as he reached the 40 mark and shaved off a second loss. This allowed Arionus the possibility of a playoff if he could beat McCreery who was undefeated in the final game. Ed bested Paul with a 74-shoe 82.4% game. McCreery turned the tables in the playoff game with an 81.3% game to garner the laurels. Arionus registered the best tournament percentage with 79.1% to McCreery's 76.4%

## WOMEN'S CHAMPIONSHIP

By Phyl Quist

One step, two steps, hop, skip, jump or stand stationary – this is not a dance class – this is serious horseshoe competition. Pitching form is as varied as the kind of shoes pitched – from Becky Kemper's never changing three-swing rock to Marian Thomsen's left leg kick back. Seventeen of this year's top 24 women pitchers threw a flip shoe.

Competition was fierce throughout the tournament. After 12 games Joan Elmore, Sue Snyder, Debra Odum, Rivers Prewette and Sharon Paddock were all undefeated and Sylvianne Moisan, Gert Wilcziek and Sheila Shepard each had only one loss. However, after 18 games the field had changed considerably. Joan Elmore stood alone with zero losses and Sue Snyder was the only person left with one loss.

The first game of the final day found Joan and Sue head to head. The bleachers were jammed with spectators. After 104 shoes, Sue captured the win 42/33. Sue threw 84.6% and Joan threw 81.7%. It looked like a playoff was in store. The last game for Joan was against Sylvianne and after 102 shoes, Sylvianne won 40/34 and the championship was assured for Sue Snyder.

Here are a few stats from the championship rounds: five move-ups came from Women's Class B – they were Sue Helene, OraLee Jeardoe, Connie Symank, Patricia Strain and Jan VanLerberg. Five ladies posted 90%+ games – Sue Snyder, Joan Elmore, Sylvianne Moisan, Gert Wilcziek and Amy Francis. Joan Elmore had five 90%+ games and Sue Snyder had the high tournament game of 97.2% (35 out of 36). Kim Stockli pitched the most shoes of 1,322 and Joan Elmore's 912 ringers outdid all the others. A newcomer from Texas, Debra Odum, was a contender all the way but due to a fluky misstep, broke her foot during the 22<sup>nd</sup> game and was unable to pitch her last game.

Each of these pitchers stand in a very elite group of women and are examples of excellence. We congratulate each of you, with very special congratulations to the 2005 Women's World Champion, Sue Snyder, on her sixth World Championship.

# SENIOR WOMEN'S CHAMPIONSHIP

By Phyl Quist

A field of 23 ladies registered for the Senior Division and six entered into the championship round.

Angeline Moisan from Quebec, Canada was crowned the 2005 Senior Ladies World Champion for the second time in two years. The title was determined in the final game between Angeline and Mary Ann Peninger from Kansas. Each was undefeated coming into the game. Mary Ann pitched her lowest percentage game of 67.3% and Angeline her highest of 78.8%. The other four ladies in contention were Edie McKinney – WI, Edi Holland – MN, Joan Douglas – PA and Elaine Butcher – CA. Mary Ann pitched the high percentage game of 88.1%. It was an honor for each to reach the Championship class. Our congratulations to one and all.

In talking with the ladies after they had finished pitching, I found they were a little disappointed in that only five games determined the championship and of course that the prize fund was lower due to the few entrants. Hopefully at the next World Tournament the Senior Women's class will be much larger so they can compete on a more equitable base. My personal suggestion might be to have a minimum class size and if that is not met they would then automatically be entered into the open women's classes.

## STATE OFFICERS & SANCTIONED LEAGUE MEETING

By Phyl Quist

The meeting was chaired by Jerry LaBrosse, Minnesota State President, on Saturday, July 23, 2005.

Don Titcomb shared his 'Pitch & Win' Program for County fairs. Don has used this at fairs for 25 years. He sets up 3-4 portable courts – if you make a ringer you win a prize. Last year he gave away 1000 small pizzas donated by Round Table Pizza. Two well known members out of this program were Billie Sue Pennington and Teddy Guillotte – it does sell membership. Don has a video and brochure available for anyone who is interested. His passion for horseshoe promotion is unsurpassed. He cares so deeply.

Jerry LaBrosse reported on Minnesota's annual charity event for the Make-A-Wish Foundation. It is a highly successful fund raiser.

Lorraine Sternberg reported the National Sanctioned League Tournament will be October 8<sup>th</sup> and 9<sup>th</sup> in Edinburgh, Indiana. September 1<sup>st</sup> is the entry deadline. It will be limited to 24 three-person teams. The fee is \$105 per team. Lorraine asked league directors to be sure and check NHPA card numbers. Sanctioned leagues cannot be combined with non-sanctioned play. Lorraine also needs write ups from clubs on local happenings. Get membership reports in as early as possible – insurance coverage does not become effective until reports have been received.

Dan Sanders reported on the Rules Rewrite. They are twothirds complete. They are asking for a year's extension at the convention meeting. He said input from all charters is very important. Dan suggested that each state form a rules review committee. All changes in rewrite will be updated on the web site as they occur.

Promo Ideas: Casey Sluys encouraged everyone to tap into the Co-op Advertising Program. More need to make use of this excellent tool. Minnesota made banners to display on the fences at their tournaments. North Dakota made a color tri-fold brochure that they hand out at fairs, ag shows, sporting goods stores, etc. They have gained membership. Casey also suggested doing address labels with the www.horsepitching.com web site on them. Michigan has designed logo stickers for cars and trucks. Casey said every state should have a promo director and a news media director.

NatStats is encouraging all to send in tournament results electronically. Kurt Whaley's free program is on the web site to download.

Both Alabama and Oklahoma gave brief presentations on their facilities for the 2007 bid.

Jon Hustad, Ron Kohn and Dan Sanders also gave brief talks on their qualifications for 1st V.P.

Meeting attendance was down this year. Lots of good programs, membership and promo ideas were shared. Appoint someone to represent your state so more information can be shared. Wouldn't it be exciting to have every charter in attendance at this meeting next year???

## **World Tournament Thoughts**

Jim Gorth, Fred Briand, Mike Klingenberg and the rest of the Southern California Charter are to be commended for all their efforts in hosting the 2005 World Tournament. Despite the outrageous heat outside, the tournament went very smoothly. Thank you everyone for all your hard work!

Have you ever wondered how many Charters/Clubs get horseshoe articles published? I certainly have. It seems there are many more articles regarding horseshoe pitching than I first thought. My thanks go out to Chad Hyatt, Nevada and Kevin Smith, Michigan for enlightening me as to how to locate them. On the Yahoo home page simply click on NEWS and type in either horseshoes or horseshoe pitching. You'll be amazed at how much one can find there. Another way is to sign up for "Google Alerts" which sends you, in your email, the various articles it finds on horseshoe pitching. Go ahead and read these articles; they just might stimulate some ideas for an article in your local newspaper? Let's see how many articles we can get printed for the next few years. It's bound to help our membership, especially if you include the website address at the end of any article you submit.

The prospect of hiring a professional advertising agency is not proceeding very well. Most everyone I've spoken with needs more money that we can spend. Hmmmm, do we have a saleable product? If you answered yes to that question then let's get on with it and promote our sport from within. Who knows, in the years to come we may be able to sign up some of the 17,000,000 people who pitch horseshoes recreationally? If we simply got 1/2 of 1 percent of these that would equate to another 8,500 members!

Please allow me to constructively criticize the scorekeeping at this World Tournament. Yes, I realize they are at times difficult to get, but a few things should be remembered when keeping score; not only at World Tournaments, but also on your home courts. Did you know that you should roll up the score on the scoreboard first? Next comes rotating the scoreboard so spectators and players can see the score. This gives the pitchers ample time to correct any mistake that may have occurred. Then mark the score on the score sheet legibly. Last, but not least, look at the peg that the

pitchers are pitching to, not directly at the pitchers. It's somewhat unnerving having a scorekeeper stare directly at you. Sure, I understand that you'd love to emulate a good pitcher's style and release and perhaps pick up a few pointers, but the scorekeeper's chair is not the place for that.

We have judging guidelines available for those of you who would like to refine your judging skills. Simply ask for a copy and I'll send you one.

We in California sincerely hope that all those of you who attended this years World Tournament got to see some of the sights that California has to offer. I know Levi Miller and his wife did; he drove all the way up the coastal Highway 1 to San Francisco, then further north to Manchester. Ask him about Mountain View Road the next time you run into him. I won't even take that one on my motorcycle! They had dinner with us in Santa Rosa, then left to drive to Lake Tahoe and eventually back to Las Vegas for a plane ride to Ohio. Those two covered some of the most beautiful scenery that this state has to offer.

## **REGIONAL DIRECTORS REPORT**

by Allen Baptist

The Regional Directors meeting had a total of 20 Regional Directors and NHPA members in attendance. I covered a few of the items that had been asked of me during the year. The first question asked if a Regional Director could hold a position as an Charter Officer. The answer is yes; the RD job is a NHPA position and should not interfere with holding a Charter office. There is no conflict of interest.

Also, a sanctioned tournament can be held on non-sanctioned courts, as long as the courts meet the NHPA requirements.

Discussion was held on how to name a new Regional Director. The Charter Officers must recommend a person to the Regional Director Chairman, who for now is the NHPA 1st VP, for approval. I stressed that all RD's and ARD's should be familiar with the NHPA guidelines and if they have any questions or suggestions, please let me know. Elwyn Cooper, Missouri RD, asked if running sanctioned tournaments in which the format was double elimination could be approved, and we decided that it could be allowed. I also asked that the RD's please give me their first patch order as an order that should be sufficient for the year and order any shortages at a later time. Partial orders in the beginning could create a shortage for me at the end of the year and I would have to search for extra patches from the other RD's. I would rather run low early and make another order, than scramble at the end of the year or order patches and have them left over in the end.

## **RULES REWRITE UPDATE**

by Stu Sipma

The rules rewrite committee was established to rewrite the existing rules for the sport of horseshoes. The main objective of this committee is to provide a new set of rules, guidelines and specifications to be used to play horseshoes. To reach this objective, I have listed goals that the committee has used to obtain our objective.

#### GOALS:

- Separate the current rules/rewrite into three sections Rules, Guidelines and Specifications.
- Simplify to make rules more clear and understandable for easier interpretation.
- Include information pertaining to league and tournament play.
- Include additions of horseshoe information agreed upon by the committee that are not currently in the rules.
- Transfer sections from the by-laws (agreed upon by the delegates) which the committee feels are rules and not by-laws.

#### COMMITTEE MEMBERS:

Bonnie Seibold – Indiana Dan Sanders – Ohio Phyllis Quist – Washington Jerry LaBrosse – Minnesota Roy Evans – Missouri Stu Sipma – North Dakota

To date, the committee has completed the restructuring of the rules and specifications sections of the rewrite. The committee is currently working on the guidelines and some drawings for the specification section.

At the delegate meeting in Bakersfield, it was recommended that each charter develop a committee with one spokesperson to communicate back to the rules rewrite committee members by January 1, 2006. The rewrite will be completed and a "draft" copy of the rewrite sent out to the charters by February 1, 2006.

Phyllis Quist will be contacting each charter president to assist in getting these committees developed. When these state committees are in place, it is our expectation for these groups to review and comment on the draft proposal.

The committee is asking everyone to please take time and read the "new" rewrite and if you have comments please go through your state charter and have them contact the rewrite committee.

Please note that any changes to the existing rules will be outlined into a separate section on the web and Newsline for everyone to review and comment. We are striving to make this document easy to use and understand.

If you have any questions regarding the rules rewrite, please contact me.

Thanks, Stu Sipma Rules Rewrite Chairperson

This is a brand new shoe designed and pitched by 10-time Men's World Champion, Alan Francis. Alan is building up a legendary career in this sport and we felt it was time he had a shoe of his own, so this is it... It even bares his signature to prove it! There was a lot of trial and error in the year that it took to nail down the design for this shoe but we're sure we've come up with something that matches up with Alan's incredible ability to make ringers. This is a traditional styled shoe packed full with all the latest technology in horseshoe design. It's made from the same dead soft alloy that has made Thoroughbred and Imperial horse-

shoes into our top selling shoes... We expect this shoe to out sell them all! We've incorporated our newest feature, hardened tips, into this shoe first, making it one of the toughest and most durable shoes you can buy. It's a very easy turning shoe with a narrow, pointed ringer break, making it easy to grip for the flip pitch too. The exceptional balance in this design makes it great for any turn or flip... It was well worth the extra effort that went its design. Like all our other shoes, it has a one year warranty... We were lucky to have one of the best players in the world to help us on this 10 Time World Champone and now we're passing that benefit on to you!

Invented and patented by Pete Donaho in the mid 1980's, the Cal-Flip was the first shoe to be specifically designed for the flip pitch. Pete was a top player in the Western US and he wanted a shoe that would land "cleats down", giving him the same advantage as turn throwers. His invention, the Cal-Flip horseshoe, put everyone back on even ground no matter how they threw the shoe. It was a revolution in the horseshoe world that totally legitimized flip pitching for the first time. Although Pete passed away in 1995, his shoe is still pitched in championships everywhere!

### **Tommy Bartlen** Wisconsin

Vince Bartlen, to other than horseshoe pitchers, passed away in his 88th year early in July 2005. He had been confined to a nursing home for the past few months.

"Tommy," by his horseshoe name, was the Wisconsin State Champion five times, the last in 1967. Recently we observed that his horseshoe box was autographed by Casey Jones, Fernando Isasis and Ted Allen. He liked being associated with those three great pitchers and really was of their era.

He began his pitching career in California and shall be forever remembered as part of a famous doubles match there with Dean Brown.

He was known as the czar of dartball and commissioner at Milwaukee's Washington Park Dartball Club for many years where he also served as everlasting president of the horseshoe club.

Fortunately, several years ago he was feted at an appreciation banquet in his honor by the Washington Park Dartball Club for his many years of service.

He was inducted into the Wisconsin Horseshoe Pitchers Hall of Fame in 1979.

Just as Tommy measured his life associating with famous pitchers, we too value our friendship with Tommy.

He is survived by his wife, June, who continues to live in West Allis, WI

I was telling the group at league last night that I looked back at the May Natstats sort that I did in 2004 and Sam was still listed in Kansas Natstats with a 25% average and four tournaments pitched in the preceding months at the age of 86. I hope I can pitch horseshoes that long. If the truth be known, he was probably already working it out with St. Peter to construct new courts at a prime location just inside the Pearly Gates!!!" said Larry Collette, member of the Topeka, Kansas Horseshoe Club.
