Official Publication of the National Horseshoe Pitchers Association VOL. 21, NO. 5 SEPTEMBER/OCTOBER 2009

TOURNAMENT TRAVEL CONTACTS

The following is a list of all NHPA Regional Directors and the states or territory they cover. Those of you who travel and want to get out-of-area tournament information, are encouraged to contact the appropriate Regional Director. each RD maintains a full list of all NHPA sanctioned tournaments in their area. If your travel plans call for stops in several states and you need multiple site information, you might want to write the NHPA 1st Vice-President who is in charge of all RDs. He should have copies of all the state schedules. The address for the 1st VP can be found on page 3 of this publication.

PRESIDENT'S MESSAGE

by Paul Stewart

The National Horseshoe Pitchers Association celebrated the 100th anniversary of the World Horseshoe Pitching Championships in style. From the set-up, to the opening ceremonies, to the final game and tear-down, everything was nearly perfect.

Having served for the past fourteen years on the council I must say that this was the greatest World Tournament that I have had the privilege to be part of. Not only was the competition record-setting, the entire tournament went as smooth as the much talked about clay and as close to perfect as one could ask - thank you Springfield for extending the hospitality of your beautiful and historical city. I'd like also to extend a special thank you to Bill and Deanna Marvin, the ILSHPA, the Prairie Capital Convention Center, the Springfield Convention & Visitors Bureau, the NHPA Council and their spouses, Glenn/Shirley and the stats workers, Steve/Paula website and Newsline directors, Ernie/Andy for the pictures, Quail Ridge Horseshoe Club for Game Related Sales, all shift directors and their workers, all judges and score keepers and everyone that helped. And an extra special thank you to the young lady who sang all three national anthems in our opening ceremonies to the delight and amazement of all.

Our annual Convention & Business meeting went very well. Thanks to all of the delegates and visitors for an orderly and productive business meeting. Congratulations to Stu Sipma, our new NHPA President. Stu will make a good President for all of us. Also congratulations to Debbie Michaud our new NHPA 5th Vice President. Thanks to the two incumbent officers, Lorraine Sternberg, 3rd VP and Dan Sanders, 1st VP for accepting another term to their offices.

Congratulations to West Monroe Louisiana for winning the bid for the 2011 World Tournament. Also many thanks to the three other cities, York, PA, Florence, SC, and Knoxville, TN, who spent a lot of time and money bidding for the 2011 World Tournament.

The Hall of Fame & Awards Banquet was a sell out. I

had more people come to me saying that this was the best banquet that they had attended in recent years. The meal was wonderful and all recipients of the awards were very deserving. Money was raised at the banquet to help with upkeep of our Hall of Fame in Wentzville, MO, and three new members were inducted into our Hall of Fame. (More on the inductees and award winners in other articles in this issue of Newsline)

Congratulations to all World Champions, the Cadets, Jr. Girls, Jr. Boys, Men's, Women's, Sr. Men, Sr. Women, and Elders, and to all World Class Champions, you all were great. After all the tournament stats and records have been digested and gone over, I am sure there will be many new world tournament records that were set at this world tournament. Just a few that come to mind are: the record setting 40-point game between Alan and Brian - 140 shoes; Alan winning his seventh WT in a row; Alan setting a new WT record with an average over 90%; the record setting nine games of over 100 shoes in the Women's Championship Class; and, in the Senior Women's Division a second place finish with an average ringer percentage over 82%. Finally, and in closing, how could anyone have a better World Tournament than Joan Elmore? Winning another world title and being inducted into our NHPA Hall of Fame in the same year. Wow! Congratulations Joan!

NATIONAL SANCTIONED CLUB/LEAGUE REPORT

by Lorraine Sternberg

The 2009 World Tournament in Springfield, Illinois has come to an end. It was a great tournament, thanks to the Springfield people. As always, I enjoyed visiting with the many league directors that were there. I think the best part of the tournament is seeing and talking to the many friends that I have made over the years.

Congratulations to all of the class and world champions! There were some great games pitched and it was fun to watch. I would also like to congratulate those that received special awards at the Hall of Fame banquet.

For those who were not able to attend the sanctioned league meeting, one of the subjects that I brought up was the scholarship program for juniors who pitch on sanctioned leagues. I want to encourage all juniors who are eligible for the scholarship to apply.

Those juniors who are eligible must be in grades 7th through and including 12th. A junior must also be a minimum of 12 years of age and no older than 18 years of age.

The pitcher must maintain a scholastic grade point average of 3.00 or above on a scale of 4.00.

All junior members are required to pitch on a sanctioned league; pitching a minimum of two-thirds of all scheduled matches. The deadline to submit your application for scholarships is November 15th. The scholarship program is a great part of the sanctioned league program, so take advantage of it.

Once again it was a great tournament and I look forward to next year's tournament at Cedar Rapids in Iowa.

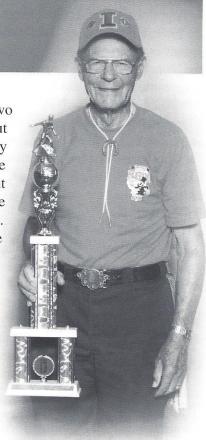

YOU'RE NEVER TOO OLD TO PITCH

At 92 years of age, Donald Boyer from Martinsville, Illinois pitched in his first World Tournament this year in Springfield with his wife Arlene cheering him on. He was at the World Tournament in Lafayette, Indiana in 1982, but only to visit; he did not pitch.

Don has been pitching for about 30 years, but started pitching seriously when he used to winter in Florida. He would pitch two or three times a day and participated in two tournaments a week. Now he does his winter pitching in Casey, Illinois two mornings a week where about eight to fifteen people come to pitch. Don won his class at two Illinois tournaments in 2009.

What is even more impressive than the fact that he was the oldest pitcher participating in this year's World Tournament is that he did it while still pitching from 40 feet and won Senior Men's Class H. Don won his five games on the first day and began the second day with another win. He then lost the next two games, but finished out the day and the third day without another loss. He entered the tournament with a 26.78% average and pitched 27.50%. Don's final record of the tournament was 13-2 and he had a high game of 35%.

Congratulations Don and thank you for showing us that you're never too old to pitch!

NHPF

NEWS VIEWS & DONATIONS

by Dave Loucks

NHPF fund-raising went very well at the Springfield World Tournament. In addition to our regular brick sales, we gave away for a \$10 donation, some 400 special towels commemorating the 100th anniversary of the World Tournament. We also gave away for \$5 and \$10 donations, some souvenir items from the Hall of Fame and auctioned off two large horseshoe pitcher silhouettes cut from wood by Joe Faron of the Quail Ridge Horseshoe Club. A dunk tank arranged by NHPA 2nd VP Tina Hawkins proved to be popular, as some NHPA officers and yours truly took a soaking...many times. The annual banquet, paid for by the NHPF, along with its 50/50 cash drawing brought in addition funds. A total of \$15,576 was raised for the NHPF. Thanks to everyone who contributed.

For the Hall of Fame Banquet, I had the honor of preparing and presenting the induction speech for one of the three people being inducted this year. Jack Freeman, a name you've all heard, was a very big contributor to the National Hall of Fame building project. Without his initial gifts of land in Joelton, TN, which the NHPF later sold for cash, it is doubtful that the Hall of Fame in Wentzville would yet be built. Unfortunately, Jack's untimely death in late 2003 meant that he never saw "the dream become a reality" but the banquet audience was moved by the attendance and acceptance of the award by his son, Jack Freeman Jr.

Maintenance and upgrading the Wentzville HOF facility is an ongoing process. The latest work just completed was the installation of a hanging acoustical ceiling in the kitchen eating area and the two offices. This work, undertaken to help reduce heating and cooling costs, also necessitated the lowering of fluorescent ceiling lights and the installation of new ductwork for heat and air. Together, this was about a \$9,000 improvement to the building that many of you who visited during the World Tournament, said was much more impressive than expected. A great deal of thanks goes to those members of the Quail Ridge Horseshoe Club who clean and maintain the Hall of Fame facility and the 16 indoor courts. During the W.T., the club kept the building open each day and ran a special tournament, keeping score for more than 175 entrants who pitched 100 shoes.

The NHPF appreciates your brick order or monetary contributions as the funds help support the operation of the Wentzville facility along with the issuing of grants to improve courts that might be in your area. If you itemize your tax return, contributions are tax-deductible and you will have the satisfaction of knowing that you are giving back something to the sport and association. Send your contributions and/or brick orders to the NHPF, P.O. Box 1628, Penn Valley, CA 95946.

During the months of June & July, contributions and brick orders mailed in totaled \$7,060. World Tournament income was \$15,576. The following breakdown does not list every W.T. contributor, as many are unknown and donated cash. A donation known to us or made by check is mentioned here.

HALL OF FAME

by Vicki Winston

Another World Tournament is history and it was good to spend a few days in Springfield, IL renewing old friendships and making new ones. The position of Hall of Fame Committee chairperson makes me feel a little bit like the man who rings doorbells for Publishers Clearing House and presents those \$10,000,000 checks. I ring telephones instead, but the people I call are really pleased to hear from me.

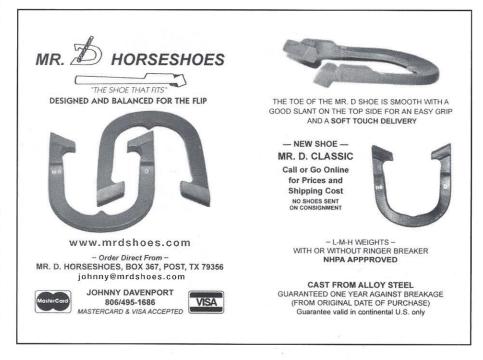

The annual NHPA Hall of Fame and Awards Banquet was well attended and it was so nice to have two of our inductees present to accept this high honor in person. Several family members escorted 94 year old Frank Bohun to Springfield, IL so that he could be present for the occasion. A niece gave his induction speech at the banquet. Joan Elmore was delighted to have both of her daughters present for a World Tournament and one of them gave her induction speech at the banquet. This must have served as an inspiration for Joan, as she captured her third World Championship after winning a playoff game with another Hall of Famer, Sylvianne Moisan. Dave Loucks gave the induction speech for the late Dr. Jack Freeman and it was very nice to have Jack Freeman Jr. come from Georgia to accept the plaque on behalf of his father. Knowing there would be many people visiting the Hall of Fame facility in Wentzville, MO at sometime during their travels to or from the World Tournament, I shipped the photo plaques of our newest inductees to Wentzville prior to the World Tournament and they were put on display prior to the

induction ceremony. I thought that would be a nice touch for those who may never have the opportunity to tour the Hall of Fame again.

On Tuesday, August 4th, the members of the HOF Committee that were present in Springfield, got together for a business meeting. One of the things you should know is that the nomination process is going to change slightly. We are going to have only two categories for nominations in the future. One is the Player category and the other is the Promoter/Organizer category. As soon as I have time, I will be changing the Nomination Form and will have Steve Summerlin post the new form on the Hall of Fame link of the NHPA website. If a candidate has been active in both categories, the candidate should be

nominated in the category in which he/she has been most active. The new nomination form will list some brief criteria to be considered when nominating someone for election into the NHPA Hall of Fame.

The HOF Committee has received some sad news. After many years of service, Charles Killgore has requested to step down as a voting member due to health reasons. Charles has done so much for the NHPA and horseshoes in general and has done it so quietly that most people are probably unaware of all that he has done. Besides his years of service on the Hall of Fame committee, he has transported the NHPA storage trailer and also helped the NHPA purchase a new trailer a few years ago. He hauled at least three loads of clay from Kentucky to the new HOF facility in Wentzville. He has also served in various Missouri charter offices, including president, during his 50 plus years of NHPA membership. He has helped construct new horseshoe courts and has done laborious tasks during many large tournaments. I thank Charles for his many years of service to the NHPA and to our sport and wish him well. His place on the HOF committee will be filled by the new NHPA President, Stu Sipma, when he takes office on January 1, 2010.

2009 NHPA WOMEN'S WORLD CHAMPIONSHIPS - A TOURNAMENT TO REMEMBER

by Tina Hawkins

The Championship Women's division of the 2009 World Horseshoe Tournament was one of high percentages, long games and a few surprises.

The ladies put on a great show, with the top five finishers averaging over 80% ringers through the 19-game finals.

After the first day of pitching, four women remained undefeated – Sylvianne Moisan, PQ; Joan Elmore, TN; Sue Snyder, IN; and Marlene Ray, TN.

In day two, Vicki Kunde of Maryland started off the day by providing the first major upset, giving defending champ, Sue Snyder her first loss of the three-day competition. Snyder had a ringer percentage of 82.6 for the game, but it was not enough against Kunde's 84.8%

That left three undefeated until Marlene Ray's 12th round, one-point loss – also at the hands of Kunde.

Day three saw Texas' Debra Odum give a scorching 89.5% round 15 performance against Elmore's 81.6% delivering Joan's first loss, leaving Quebec's Sylvianne Moisan as the sole undefeated leader. Elmore did not let Moisan hold the top spot for long. In round 17 she raised the bar with a marathon 102-shoe, 91.2% effort to beat out Sylvianne's 83.3%.

Round 17 also brought Sue Snyder's second loss to Tennessee contender, Marlene Ray, who by that time had suffered three losses to Kunde, Judy Curtiss, MI and Brenda Tawney, OH. Sue's third loss came in the next round to Sylvianne in the longest game of the ladies championship play — 130 shoes. Snyder and Moisan both gave outstanding performances with 86.2 and 87.7 percentages, respectively. This loss effectively eliminated Sue's chances for a repeat title.

Going into the final day, two ladies sat at the top of the leader board with only one loss each – former champions Joan Elmore and Sylvianne Moisan. Joan's last round would be against defending champ, Sue Snyder; Sylvianne's against Marlene Ray, who had previously defeated Snyder and pitched ten 80+% games and one 96.2%.

A loss for either lady could hand the title to the other. Wins by both would force a playoff. Elmore defeated Snyder by a score of 42 - 28 in Snyder's lowest percentage game of the event while Moisan had a tougher go against Ray's 80%. Sylvianne cinched the playoff berth with a 91.4% victory over Marlene.

In the playoff game Sylvianne, perhaps feeling the effects of her previously pitched 1,384 shoes, had her weakest

Continued on page 10

2009 NHPA WOMEN'S WORLD CHAMPIONSHIPS

A TOURNAMENT TO REMEMBER continued

performance of championship play with an even 75% game which couldn't stand up to Joan's 83.3%. After 60 shoes, Elmore wrapped up her third championship title with a call of "3 ringers 3" and an exuberant celebratory leap at mid court.

The top seeded ladies brought out the best in their competition, drawing out some incredibly high percentages from their opponents. Fourteen games saw losing percentages over 80%. The highest losing percentage in a single game of 86.154 belonged to Sue Snyder in her loss to Sylvianne. Others losing games with percentages over 80% include Joan Elmore, TN; Sylvianne Moisan, PQ; Marlene Ray, TN; Judy Curtiss, MI; Debra Brown, VT; Sharon Chiddister, IN; Brenda Tawney, OH; Pam Aiken, WI; and Maxine Griffith, TN, with her 84.3% loss to twin sister, Marlene Ray.

Seventeen games were thrown over 90%, the highest being Judy Curtiss's 96.4% win against former junior girl's champion, Shalee (Sebastian) Cason. There were nine games lasting more than 100 shoes, all of which contained percentages over 80%.

The top five finishers boasted overall ringer percentages of more than 80%. They were champion Joan Elmore, 84.99; Sylvianne Moisan, 85.66; Sue Snyder, 83.26; Debra Odum, 81.71; and Marlene Ray, 82.80.

With nine ladies posting games over 90% and 15 with games over 80%, no game was a "sure thing" in one of the most exciting ladies championships I have ever witnessed.

THE NATIONAL HORSESHOE HALL OF FAME & MUSEUM

HORSESHOE PITCHIN' MAN SILHOUETTE

by Jeanette Claas

On our trip to the 2007 World Tournament in Ardmore, we were first introduced to the great state of Oklahoma by the silhouettes that ran along the hillsides of the interstate highway. There were silhouettes of Indians, pioneers, covered wagons, pony express riders, etc., telling us a little about the history of the state's earlier days. Surely, they pitched some horseshoes back in those times, but I didn't see any horseshoe pitchin' silhouettes. I got to thinking wouldn't it be great to have a horseshoe pitchin' silhouette along the roadside or anywhere for that matter.

Someone else thought of this idea long before I did. His name was Sonny Saak, an original member of the Ballwin Horseshoe Club in St. Louis County. Sonny's friend knew he liked to pitch horseshoes so he made a Horseshoe Pitchin' Man silhouette and presented it to Sonny. Sonny would hang it on the fence during horseshoe tournaments at the Vlasis Park in Ballwin. Sonny joined the NHPA in 1992 and became a member of the New Melle Horseshoe Club in which he became a very active and useful member. He decided to make a silhouette to hang on the wall at the NMHC – and painted it solid white. While working on the courts for a State Tournament in Springfield, MO, Sonny decided to make another silhouette and raffle it off at the State Tournament. The lucky winner, Nile Abbott ("the Nilelator") of Liberty, MO donated it to the Liberty Horseshoe Club where it is now displayed on the wall at the Don Harris Arena for all horseshoe pitchers to admire. We then had two Horseshoe Pitchin' Man silhouettes in Missouri.

After the NMHC moved to its new facility, the original silhouette also found its new home. Joe Faron cut a pattern and made another one to hang in each the north and south courts – it was painted solid brown to match the décor of the building. Many people who pass through the building will always comment on it.

Mr. Stealey, who originally owned the grounds of the Quail Ridge Park where our facility is located, took a liking to the silhouette and decided he would like to see one put on the outside of the building to depict what actually is taking

place inside the building. The outdoor silhouette had to be constructed from material that would be weather proof and would not rust or deteriorate throughout the years. The cost would be \$400. Mr. Stealey, in his late eighties, said he would be glad to pay the cost and donated it to the NHPA/NHPF facility.

At the Dedication Ceremony of the Hall of Fame building in 2007, Bob Champion and Mel Yockstick of Colorado, decided they wanted one of the silhouettes to hang at the Knaub Horseshoe Arena where they pitch shoes north of Denver. Joe cut a pattern for them and it flew home on an airplane. Someone there made two, painted them blue. One hangs on the inside, the other on the outside of the building. We then had a Horseshoe Pitchin' Man silhouette in Colorado!

For the Six Pac Tournament held at the QRHC in May of 2009, Joe made two more silhouettes to be used as a fund-raiser for the club. One he painted black, and the other he decided to add some color. This one he dressed up in a red shirt and blue jeans with a blue cap. To give him a little more character, Jeanette Claas, added some hair and facial features and Presto! This guy looked like he was out to win a horseshoe contest! The silhouette was won by the Beagles from Michigan. They packed it into their car and the silhouette found its new home on a barn at the Beagles' farm. The Howards, of St. Charles, won the black one. Carol informs me it is still inside the house and she occasionally trips over it every now and then; waiting for Jim to install it by their outdoor courts. We then had silhouettes in three states.

The Horseshoe Pitchin' Man made its debut at the 2009 World Horseshoe Tournament. In fact three silhouettes made the trip to Springfield; one laid on the bed in Bob Cutright's camper, one rode in the back of Alan Stark's pickup, and one accompanied the Claas's in their van. The first was purchased by Bill Weaver of Arkansas. The second silhouette caused some added excitement by the high bidders of Paulette Hansen, Bill Marvin and Rick Wright at the WT

HORSESHOE PITCHIN' MAN SILHOUETTE continued

Banquet as it was auctioned off by Kurt Whaley of North Dakota. lette won the silhouette at the price of \$300! Dick could hardly believe it! We then had a silhouette in Wisconsin. During the second week of the WT, a silent auction was held at the NHPF booth with the lucky winner being Terry Hlavac of Illinois for \$195! We now have silhouettes in three more states; Arkansas, Wisconsin and Illinois! By the

way, all proceeds went to the NHPF.

After all the commotion at the banquet, I woke early the next morning with "silhouettes on my mind." Wouldn't it be great for this Horseshoe Pitchin' Man to appear all across the United States? He could become our mascot! And what a great way to advertise our sport! Shipping this guy could be an expensive problem though. Joe Faron, who has made and donated each silhouette, is willing to make more. To avoid shipping and handling cost, Joe says he could cut out paper patterns and mail them to you for the small fee of only \$25 with full instructions! Just think of it – now this Horseshoe Pitchin' Man can be everywhere! I was just wondering if the Horseshoe Pitchin' Man will find a ride to Cedar Rapids next year? He's sure not particular who he rides with.

But there is one more thing needed to complete this picture. This Horseshoe Pitchin' Man has got to have a name! Why not hold a nationwide contest among the horseshoe pitchers to name the silhouette? A committee at the QRHC will select the name from the entries. In case of duplicate names, the earliest post-marked entry will be the winner. See the entry form in this issue of Newsline Magazine. WOW, I am excited! But please do not get this contest mixed up with naming the newborn elephant at the St. Louis Zoo!

Unfortunately, Sonny Saak, passed away in 2004 after suffering with a brain tumor. We lost a great friend and member of our club, but he left us something that we will always remember him by. At the time he came up with the silhouette design, I'm sure Sonny had no idea that his creation would cause such great admiration. Something just tells me that Sonny is mighty proud that his work of art now hangs in the beautiful NHPA Hall of Fame building and spreading throughout the United States like wildfire.

HR 175 316K6 304 0928

Lots of people in our horseshoe family have come up with many ideas to add to our sport. Let's all leave something that we can be proud of by promoting our sport, just like Sonny did; be it something big or small. Keep on supporting the NHPF – it is the only way to preserve the history, showcase the present and build the future of horseshoe pitching – the game we all love and enjoy. Donations and brick orders can be sent to the NHPF, P.O. Box 1628, Penn Valley, CA 95946.

NHPA HALL OF FAME CLASSIC TOURNAMENT

WENTZVILLE, MO

by Jeanette Claas

While the exciting 2009 World Tournament in the Land of Lincoln was taking place, there was a plenty of action going on across the Mississippi River as the Quail Ridge Horseshoe Club was hosting possibly the longest horseshoe tournament ever. The tournament lasted 16 days, from July 25th - August 9th. The facility was opened from 10:00 a.m. – 6:00 p.m. daily to accommodate the traveling horseshoe pitchers for a total of 128 hours. There should have been a "Before and After" picture taken of Tournament Directors Joe Faron & Gary Buehler as they were looking a little older and more haggard towards the end of the tournament.

Due to the short 120 mile distance to Springfield, IL the idea came to mind as a way to spark more excitement while the horseshoe pitchers visited the Hall of Fame facility. To determine if there would be any interest in a tournament to be held at the same time as the World Tournament was taking place, I ran an article in an earlier issue of Newsline Magazine for response. I received an email from Zane Goggin, of Georgia, suggesting an interesting plan which would allow everyone the flexibility in visiting the museum with an added incentive to come by to practice and participate in the tournament. I quickly turned over the idea to Joe Faron & Gary Buehler who were "winterizing" in Florida and had nothing more to do than sit on the beach all day enjoying the Florida sunshine. Joe contacted Dick Hansen who offered his ideas and a plan began taking place. Banners were donated by Anheuser Busch and displayed at the World Tournament and at the Hall of Fame facility. To help advertise the tournament, Steve Summerlin put it on the NHPA website. Bill Marvin did all he could do to promote the tournament by offering a shuttle bus to take the pitchers to and from the Hall of Fame facility. Thanks to Debbie Kennedy who designed a beautiful ad which was placed in the World Tournament Program Book.

The tournament format consisted of a NHPA member pitching 100 shoes, count-all score, using an 85% handicap. The TD's used the same Natstats average as was used in the World Tournament. That ringer percentage was multiplied three times then subtracted from 300. The difference was multiplied by .85 to determine the pitcher's handicap. A pitcher could enter as many times as

they wished, as long as they paid an additional entry fee. The top 10% of the total of entries split the prize money and the grand champion also received a championship patch and a 4 x 8 brick for the Jack Freeman Memorial Walkway.

Holding a tournament of this sort for the very first time was very much anticipated, not knowing what kind of response it would receive. As it turned out it was a howling success. Of the \$15 entry fee, \$3.75 would go to the NHPF, \$3.75 to the Quail Ridge Horseshoe Club and \$7.50 to the prize money fund. There were 179 pitchers who entered the contest (some entering more than one time) meaning that 17 of the entries would share evenly in the prize money. The variety of ages entering the contest included: 1 Cadet, 33 Mens 30 foot, 78 Mens 40 foot, 37 Women and 4 Junior Boys. Of the 153 pitchers in the tournament 37 different states were represented!

TD Gary Buehler was kept busy on the computer calculating the pitchers handicap system using the frozen Nat-Stats percentage and totaling running scores and standings of each of the players. Tamara Burke of WV threw a very impressive game of 90%, coming in with an average of 80%. Some former and current World Champions who pitched in the tournament included: Rivers Prewette, Sheila Shepard, Ed Arionus, Debby Michaud and Ron Deckard. Many Hall of Fame Inductees passed through the Hall of Fame doors such as Barry Chapelle, Curly & Bonnie Siebold, Mark Siebold, Dick Hansen and Paul Stewart.

The winners were determined after the final day of pitching on August 9th. The Grand Champion of the tournament was Kelly Combs of the Quail Ridge Horseshoe Club. She came in with a ringer percentage of 43.63% and pitched 63 ringers/100 shoes. Kelly had been saving aluminum cans to purchase a brick and she was very thrilled to have won the brick. The top 10% of the 179 pitchers won \$79.00 each. Proceeds of \$670 went to the NHPF and the QRHC received \$685.00. Additional contributions were made to the QRHC from horseshoe pitchers visiting the Hall of Fame facility.

Continued on page 14

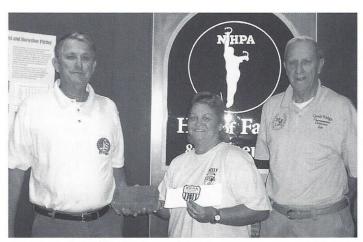

NHPA HALL OF FAME

CLASSIC TOURNAMENT continued

Even more than participating in the contest, the visitors were most happy just to visit the Hall of Fame. Many were surprised by what they saw, claiming that it exceeded their expectations. After visiting the Jack Freeman Memorial Walkway, many left purchasing bricks so their names would be included in the walkway. So many were impressed by the 16 outdoor courts and how the QRHC members had worked hard keeping the place so clean and neat. Beverly Hittle of Ohio, left a donation to the QRHC. Also, Zane Goggin of Georgia left his tournament winnings to the club. Over 200 visitors came through the Hall of Fame doors during the duration of the World Tournament. So many of these visitors expressed their wishes that if they only lived closer they would love to be able to pitch there and to help out.

The Tournament Directors thank all the QRHC members who helped keep score, those who served food from the concessions and those who gave tours to all the visitors. Thanks to all who helped to promote the tournament and in anyway to support the tournament to make it a success. We appreciate each and everyone who came to visit and

to participate in the tournament. It was our privilege to host the tournament for you. The QRHC is so very proud and honored to show off the NHPA/NHPF Hall of Fame and Museum to all the NHPA members across the country. Y'all come back!

Kelly Combs, of Wentzville, MO is presented a \$100 brick, a check for \$79 and the Championship Patch by Tournament Directors Gary Buehler and Joe Faron.

Frank Bohun, Dale Lipovsky, Curly Seibold, Jack Freeman, Jr.

TOURNAMENT 2009

Even with the passing of a week, it is difficult to believe the World Tournament has come and gone. Those of us in Illinois take pride in the fact that the 2009 World Tournament may have been the best ever. Comments like "Wonderful place to pitch", "Best clay I have seen in my 30 years of pitching", "So nice to have the courts next to my hotel", "Great to be able to see all courts at the same time", "Best World Tournament ever" were heard every day. Without exception everyone agreed that the people of Springfield opened their arms to the pitchers and made them feel welcome in Mr. Lincoln's home town. Much thanks goes to the Capital Area Sports Commission, Springfield Convention and Visitors Bureau, and the staff at the Prairie Capital Convention Center.

It is the tremendous job done by the members of the Illinois Horseshoe Pitchers Association and their families that we will remember most. Whatever needed to be done was done without hesitation. Setup was completed in record time; done so smoothly that we were able to have a "World Tournament Warm-Up" tournament the Saturday before the WT; 91 PITCHERS!!! Throughout the two weeks, whenever

there was a need for volunteers, "Team Illinois" stepped up and answered the call. Selling 50/50 tickets, straightening courts, filling water buckets, answering questions at the registration desk; whatever the task, a volunteer was there. This is what we will remember the most.

The NHPA officers did a marvelous job of keeping this WT moving and staying on schedule. All pitchers appreciate the fact that virtually every session started on time and ran smoothly. A huge thank you to the score keepers and judges; your efforts are vital in keeping things on time.

The pitching was great; the final games in the Women's and Men's divisions were a fantastic finale to two extraordinary weeks of competition. Congratulations to all entries at every level. We hope your time in Springfield was enjoyable and hope you will come back and visit soon.

SEE YOU ALL IN CEDAR RAPIDS!!

DR. JACK FREEMAN'S HALL OF FAME INDUCTION SPEECH

by Dave Loucks

It was 1966 when the first seven charter members to the NHPA Hall of Fame were honored. Since that start, 140 additional names were added to the Hall of Fame list and tonight, we honor three more distinguished people making a total of 150 inductees to date. For 42 years the NHPA went without a permanent Hall of Fame to honor those inductees. It is now my privilege to speak about the man whose gifts helped bring a dream to a reality.

Jack Freeman was born June 16, 1934. One of thirteen children, Jack was raised in Danville, Kentucky. After graduation from Danville High School in 1953, he went to the University of Kentucky on a full football scholarship where he played under the legendary coach, Bear Bryant. In 1957, his college graduating year, Jack won the Samuel L. Huey Award given to the senior athlete in all sports who obtained the highest scholastic standing. Four years later, in 1961, Jack graduated from Vanderbilt University Medical School, his medical education having been paid for by contributions in his hometown during "Jack Freeman Day". After four more years of medical internship and residency, he was Board Certified in Pathology in 1965.

During the Vietnam War years of 1966-1968, Jack served as a captain in the US Army stationed near Tokyo, Japan. After his military service, he began his civilian practice in pathology and was the owner of Nashville Pathology Associates until his retirement in September 1998. During this time, Jack married and became the father of four sons.

It is unknown when Jack first became interested in horse-shoe pitching, but he played in his first NHPA sanctioned tournament in 1988. Jack and I first became acquainted in 1989 when he was attending his first World Tournament in Spearfish. He won the Men's 1990 Class B World Title in Stone Mountain, GA, pitching a 1-1/4 turn with the Imperial Original horseshoe while averaging 68.9%.

By 1991, Jack had acquired two parcels of land in Joelton, TN, and built an 18 court indoor pitching complex, which was among the best in the country. His first sanctioned tournament at the Joelton courts was held March 16, 1991. Jack had a vision of Joelton becoming the horseshoe pitching capitol of the nation and the possible home of the long dreamed of, "National Horseshoe Pitchers Hall of Fame". Gradually, local interest in the game expanded

as Jack sponsored local club and state sanctioned tournaments including an annual home and home team series with the New Melle, MO, club and a special team event that brought in pitchers from as far away as California.

Jack Freeman received an NHPA Achievement Award in 1993 for outstanding contributions to the sport and in 1996, the Arch Stokes Memorial Award went to Jack for doing the most in the preceding 3-5 years to promote, foster and build the sport of horseshoe pitching. Early in the year 1995, when he was elected President of the Tennessee HPA, Jack approached me about the possibility of donating his land and then expanded 38-court complex providing he could receive a tax-deductible write-off for the contribution. An agreement in principal was reached with the NHPA and during the convention in Perry, GA, the delegates approved pursuing the plan. Since the NHPA was not a charitable non-profit corporation, a yearlong project to establish the National Horseshoe Pitchers Foundation was undertaken. It was September 1996 before the NHPF was incorporated in the State of Tennessee and May 1997 before the IRS granted exempt status under section 501 (c)(3) of the Internal Revenue Code enabling the NHPF to be recognized as a Public Foundation.

By that time, Jack had learned through his tax people that the IRS would not allow him to donate all his land and the courts in one gift. It had to be divided into three gifts, one being donated and written-off before the next. The first gift of some 55 acres of open land was gifted in December 1996. The second gift of 3.5 acres holding the covered outdoor arena with 20 courts was gifted in December 2000. The third and final gift of 3 acres and 18 indoor courts was scheduled for the end of December 2003 but didn't happen because Jack suffered a massive heart attack and died on December 28th.

With Jack's death, horseshoe pitching at Joelton and the plan of a Hall of Fame at that site came to an end. It took nearly two years before the NHPF was able to purchase the last Joelton parcel and receive permission from the Tennessee State Attorney General to sell the property. It was sad to leave such a wonderful facility but without Jack's leadership there, the NHPA realized that a new site had to be found. Fortunately, Jack had visited and formed a friendship with Joe Faron of the New Melle horseshoe club. Jack had told me on more than one occasion, if the

DR. JACK FREEMAN'S HALL OF FAME INDUCTION SPEECH continued

Hall of Fame is not built in Joelton, the New Melle, Missouri, area should be considered as an alternate site.

We all now know that the dream of a Hall of Fame has become a reality in Wentzville, MO. Thanks in large part to the generosity of Dr. Jack Freeman, the NHPF built and opened a 21,000 sq.ft. facility housing 16 indoor courts and the National Horseshoe Pitchers Hall of Fame. This is the second "House that Jack Built", one that commemo-

rates his memory with the beautiful Jack Freeman Memorial Brick Plaza just outside the building entrance.

For his dedication, vision and gifts that made it possible, the NHPA is very grateful for what Jack Freeman did. While he is no longer with us, his deeds and tonight's Hall of Fame induction shall forever keep him in our memory. Ladies and gentlemen, please join me in the honor of presenting this Hall of Fame Award to Jack Freeman Jr.

REGIONAL DIRECTORS REPORT

by Dan Sanders

New Regional Director

Gail Sluys has handed over her duties as Regional Director to her husband Casey. Gail has been the Northern California RD for many years and will now have more time to devote to her other Charter duties. Thanks Gail for all of your excellent work, and thanks also to Casey for agreeing to assume this important job.

Shoe Checks at World Tournament

I'd like to extend a big "thank you" to all of the Regional Directors and others who helped with all the shoe checks at Springfield, IL this year. Please find below a summary chart for all horseshoes that were checked this year. Of the 4,832 shoes that were checked through, 256 shoes (about 5 ½ %) did not meet one or more of the required specifications for maximum width, length or weight. Most all of these requirements could be brought back into specs with a little strategic grinding, however. All of the sanctioned horseshoe specifications can be found on the NHPA Website or in the RGS Book (see page 33, I - Equipment Specifications, Section A).

JUNIOR CADET'S WORLD TOURNAMENT CHAMPIONSHIP

Miller Holds On to Become Cadet's Newest World Champion

By Justin Sipma

This was the seventh year that the World Tournament recognized a cadet's division for young pitchers under the age of nine. So isn't it fitting that seven of the best 20 foot pitchers from around the world descended on Springfield, Illinois for the 2009 World Horseshoe Tournament?

It would be a tournament filled with great pitchers and great pitching. In all, we witnessed 289 ringers thrown by these youngsters and once the dust had settled we were able to crown Daniel Miller the 2009 Cadet's World Tournament Champion.

The pitchers in this class came in seeded one through seven. They were seeded as following: 1. Dayton Campbell – 37.18%, 2. Daniel Miller – 19.09%, 3. Ben McCaulley – 7.50%, 4. Matthew Trader – 5.90%, 5. Tyler Brakhane – 4.80%, 6. Keith Jones – 1.25%, and 7. Blake Lazaris – 0.00%. They would pitch each other once as well as a pacer for a total of seven games over two days. The winner of each individual game would be the first one to 30 points or would end once 50 shoes had been pitched.

The night started with our overall number one seed, Campbell, shooting a 35.4% against the pacer. Also starting 1-0 was Brakhane as he took down Trader 21-18 and McCaulley who shot a 12.5% against Jones. Court 46 saw Miller beat Lazaris 32-10; both shot very well as Miller won with a 43.8% and Lazaris boast a 25.0%. Game two would end with Miller, Campbell, and McCaulley remaining unbeaten. Miller pitched a 42.9% against Brakhane, Campbell shot a 36.4% against Jones, and McCaulley got paired against the pacer. Lazaris would receive his first win after beating Trader 31-5. Winning game three in convincing fashion was Campbell and Miller as they would improve to 3-0. McCaulley would even keep pace after 50 shoes and a three point victory over Brakhane. Trader would get on the winning side of things as well with his victory over the pacer.

The fourth and final game of the day would see one of our leaders go down. Thanks to Lazaris's highest game of the night, a 28.6%, he would rout McCaulley 32-5. On the other side, Campbell and Miller would remain unbeaten even after both of them shot their lowest games of the tournament. Unlike Campbell and Miller, Trader was beginning to heat up as he improved to 2-2 with an 11.8% game against Jones.

The final day started off with our co-leaders still in a slump. Both of them would shoot their lowest games of the tournament and barely escape defeat. Trader couldn't quite take down Campbell and McCaulley had to accept defeat to Miller. Meanwhile, Lazaris would win his third game thus far with a 29.2% against Jones. That would be Lazaris's high game for the tournament as he would improve to 3-2.

It wasn't until the sixth game that Campbell and Miller would awake from their slump. Both of them would win in convincing fashion as Miller would shoot a 45.0% and Campbell would toss a 39.3%. Both McCaulley and Jones would shoot their highest games of the tournament in a losing effort. McCaulley threw a 14.3% and Jones had a 4.2%. During this time, Lazaris was trying to stay in contention for the title as he would beat Brakhane 31-16 and move to 4-2.

During the final game, Lazaris would lock up third place after beating the pacer and Brakhane would win his last game to end in fourth place. McCaulley and Trader battled for the fifth and sixth position and in the end McCaulley would be victorious. Jones would end this year's world tournament taking home the seventh place award.

Now this left one game. Campbell and Miller were both 6-0 and headed for an amazing finish. People began making their way over to court 44 as all eyes were on these two youngsters in a battle to be crowned this year's Cadet World Champion.

The game started with Miller grabbing a hold of an early 3-0 lead. Following a four dead, Campbell would gain control of the lead at 8-3. Then Miller gained a little steam and tossed on nine ringers in the next 14 shoes to regain the lead at 21-9. Back to back to back doubles by Campbell gave him fifteen quick points and a 24-21 lead. Another two dead three by Miller and three points by Campbell made the score 27-24 in favor of Campbell. Now they were on shoe 44 and Campbell left the pit open for Miller. Like any good pitcher would, Miller took advantage and put on a double to earn a 30-27 victory. There you have it, after four lead changes we were able to crown Daniel Miller the 2009 Cadet's World Tournament Champion.

Congratulations to these seven cadets on their performance at this year's World Tournament: Daniel Miller of Minnesota, Dayton Campbell of Virginia, Blake Lazaris of Wisconsin, Tyler Brakhane of Illinois, Ben McCaulley of Missouri, Matthew Trader of North Dakota, and Keith Jones of Illinois. Good Pitching!

JUNIOR BOY'S WORLD TOURNAMENT CHAMPIONSHIP

Bowman Cruises on Way to Second Consecutive World Title

By Justin Sipma

What does it take to beat the best horseshoe pitchers in the world? I have been around the game of horseshoes for a few years now and quite simply, the best answer is to throw more ringers than your opponent. And that's exactly what Michael Bowman accomplished at this year's World Tournament. Of the eleven games Bowman pitched, eight of his games were in the top ten for highest games of the tournament. That's certainly a good approach coming into this tournament, if you are planning to capture your second straight world title.

Due to the large number of entrants this year, the championship boys were scheduled to pitch their first day of play hours after finishing up the qualifying segment of the tournament. So maybe he was a little exhausted but the first game proved to be Bowman's most difficult task of the entire tournament. It would be Alex Roberts who would push the reigning champ to 60 shoes before Bowman would claim a 42-23 victory. The game would end up being Bowman's lowest game of the tournament with a 63.3%. Afterward, Bowman would be on the mark for the rest of the day, never giving up more than six points in his last five games.

Likewise, Matt Fuller and Gavin Kahrig went through the first round undefeated. Kahrig was tested right from the start by Joshua Wright as well as his fifth game against Dalton Rakestraw. In those games he won 40-34 and 40-36 needing 54 shoes to beat Wright and 70 shoes to finish off Rakestraw. On the other hand, Fuller seemed to be in control the entire day winning every game quite easily. Fuller would end day one with four games in the 70's and his highest game topping out at 85.0%. So at the end of day one, three were tied for first place: Bowman – 81.0%, Fuller – 74.6%, and Kahrig – 61.2%. Close behind the leaders was Joshua Bowerman who started the day quite slow but still went 5-1 and averaged 58.9%. Most of the top games of the day were occupied by either Bowman or Fuller but Rakestraw threw an impressive 70.7% during the last game of competition.

The next day we saw Fuller and Bowman remain perfect at 7-0 as Bowman beat Clayton Bonham III 44-14 and Fuller took down Martin Ross Williams 41-14. Bowerman proved to be on top of his game at the beginning of the day as he shot a 69.6%, his highest game of the tournament, against Kahrig. Bowerman and Kahrig would be one game off the leader at 6-1. Game eight began with Tyler Howard throwing his highest game of the tournament with a 73.5% against Rakestraw. As good of a game as it was, that would only be the 16th highest

game of the tournament. That just goes to show the level that these kids were pitching at during this tournament.

Games eight, nine, and ten saw Bowman make quick work out of Kahrig, Williams, and Bowerman as he averaged an intimidating 80.6% during those games. Likewise, Fuller got through the likes of Bonham, Bowerman, and Kahrig shooting a 73.5%. With those three wins, both Fuller and Bowman were 10-0 with one game remaining. Two of the classes' veteran pitchers, Bowman and Fuller, would move to court 35 where in a few short moments, one would be crowned this year's Junior Boy's World Champion.

Last year in York, Pennsylvania the two battled in an epic 90 shoe game that saw Bowman beat Fuller 41-36 and lead to Bowman's first world title. Would Bowman make it two in a row or would Fuller get his revenge this year?

Now it was game eleven and all eyes were on Bowman and Fuller. It would come down to one contest to decide who really was the best junior horseshoe pitcher in the world. The game started slow by both competitors' standards. After six shoes Bowman had a 5-0 lead with three ringers while Fuller had two ringers. It was at this point that Bowman picked up some steam building a 21-0 lead by only missing one shoe of the next 12. Fuller would get on the board after 20 shoes to make it 21-3. Again, Bowman was still firing ringers and even with Fuller capitalizing on every one of Bowman's mistakes, the deficit was too great to overcome. Bowman finished off Fuller with a two dead three on the 42nd shoe. Bowman shot an 81.0% while Fuller ended with a 59.5%. The applause soon followed as Michael Bowman was this year's Junior Boy's World Tournament Champion.

Bowman finished the tournament with a perfect 11-0 record and ended up averaging 79.9%. Fuller ended up in second place for the second straight year while third and fourth was awarded to Bowerman and Kahrig respectively.

Congratulations to these twelve boys on their performance at this year's World Tournament: Michael Bowman of Missouri, Matt Fuller of Washington, Joshua Bowerman of New York, Gavin Kahrig of Ohio, Tyler Howard of Kentucky, Dalton Rakestraw of Missouri, Clayton Bonham III of Michigan, Martin Ross Williams of Missouri, Joshua Wright of New York, Jermiah Hamilton of Missouri, Nathan Scott of Utah, and Alex Roberts of Missouri. Good Pitching!

ELDER MEN'S CHAMPIONSHIP

Walters wins Second Title with Perfect Record

By Chad Hyatt

The fastest growing division in the NHPA is also one of the most competitive divisions. Knowing this, it seems nearly impossible that someone could go undefeated through 11 games at the world championships in this division. Nonetheless, Herschel Walters of Indiana was able to go undefeated against some fierce competition and claim his second world horseshoe pitching title in the Elders Division.

Herschel Walters won his second title by pitching a steady 81.25% average for his 11 games in the finals. This has become a common characteristic of the champion as he has pretty much dominated this division all year long. Herschel was challenged several times in the finals. On day one, he met his match against Ralph Adrian (OH). Herschel managed to win this game 42-39 while throwing his lowest game of the finals, a 74.4%. On day two, Herschel outpitched Bobby Fields (TN) and Paul McCreery (TX), winning only after his opponents had reached more than 30 points in the game.

Herschel's high game for the tournament was 90.6% against Marvin Kramer (IL). This was not the highest game in the division, though. Paul McCreery pitched a scorching 91.3% with 42 ringers out of 46 shoes against Bob Vandivier (IL).

The competition in the Elders Division was stiff this year. The lowest percentage in the division for 11 games was 68.75%. This was higher than 12 guys in the Open Men and all of the players in the Senior Men. Only six games out 132 were under 60%. Bob Vandivier (IL) and Tom Hall (FL) threw at least one 80% game only to lose to their opponents, Ed Arionus (TX) and Ralph Adrian (OH), respectively. Congratulations to all twelve finalists in the Elders Division: Herschel Walters (IN), Ed Arionus (TX), Bobby Fields (TN), Paul McCreery (TX), Ralph Adrian (OH), Robert Moulin (FL), Marvin Kramer (IL), Bob Vandivier (IL), Tom Hall (FL), Robert "Zoomer" Zumbahlen (FL), Ervin Starwalt (IL), and Roy Bowers (OR).

SENIOR MEN'S CHAMPIONSHIP

Deckard wins 3rd World Title

By Chad Hyatt

The Senior Men's Championship came down to the last game this year before Ron Deckard of Florida was able to clinch his third consecutive title. After struggling in class play, Ron returned to form in the finals averaging 64.6% and going 8-3. Ron only dropped one game the last day and won the last three to make it final. The drama was building up to that point though.

Going into the final game, there was a chance for a three-way playoff. Ron and Larry Knop (IL) had three losses and Elbert Shifflett (MD) and Gerald Stangland (MN) had four losses. The final game had Ron playing Mick Gillette (FL), Elbert was playing M.O. Turner (MO), and Gerald and Larry were playing each other. Elbert won his game early and Ron finished shortly after. By winning, Ron had

eliminated Elbert and Gerald. The only one left was Larry. After 70 shoes, Gerald finally defeated Larry and sealed the tournament win for Ron. The percentages were very competitive. Half of the class averaged above 60% and everyone averaged over 55%. The high game of the group was 85.7% by Charlie Webb and the longest game was 76 shoes between Mick Gillette and M.O. Turner.

Congratulations to all of the players that competed: Ron Deckard (FL), Elbert Shifflett (MD), Gerald Stangland (MN), Larry Knop (IL), Paul Lacrosse (CO), Tom Westbrook (SC), Charlie Webb (IL), Rich Knerem Sr. (OH), M.O. Turner (MO), Daniel Dunn (IN), Mick Gillette (MO) and Richard Altis (MO).

SENIOR WOMEN'S CHAMPIONSHIP

By Debby Michaud

The 2009 Senior Women's Championship Finals was notable for the high percentages and for the high number of entries. There were eight women in the Finals this year, earning their way in by pitching the top eight percentages among the 40 women who entered that division. It turned out to be a very competitive group, with seven "flippers" and one "turner". The favorite going in may have been Rivers Prewette of North Carolina, the defending champion and the top seed after Class play. As if to verify that, she cruised through the first six games, averaging 85%. In contrast, Colorado's Sheila Shepard started out slowly, pulling out a win in a tight first game against Marlene Cooper. Her highest game came in the fifth round against Verdell Woolard, pitching a neat 96% game, 48 ringers out of 50 'shoes. In the next game, Rivers countered with a 93% game, also against Verdell Woolard, pitching 39 ringers for 42 'shoes. This set up a meaningful final game between Rivers and Sheila. In a tight 86 'shoe game, two 'shoes off the record long game for this Division, Sheila won her first Senior Women's Championship, 41 - 39.

Along the way, several records were set. Both Sheila and Rivers pitched the highest games ever recorded in the Senior Women's group, while Sheila also set a record with Verdell Woolard for highest combined ringer percentge in a game -84%. That record was challenged in the next game between Rivers and Verdell when they combined for a 79.8% game. In addition, Rivers pitched the highest tournament average ever recorded in the group, pitching 82.9% overall. Gert Wilcziek added to the records demolition by losing a game to Sheila Shepard with a 74.44%. Edi Holland may not have set a record but she was "steady Edi" with the difference between her high and low

games only 11.3% while Verdell Woolard certainly "earned her stripes" for hanging in there!

Thank you, Ladies, for a great competition!

MEN'S CHAMPIONSHIP

Francis Wins Title in a Thriller

By Chad Hyatt

As usual, Alan Francis won the world title in the men's division this year. As usual, he set more world records that will be difficult for anyone to ever surpass. As usual, Alan put on a pitching performance that most people could only dream of accomplishing. However, this title is the one that Alan will remember for the rest of his life and one that horseshoe pitchers will talk about for a long time. Why? Well, let's just start at the beginning and literally, save the best for last.

The world tournament was very special in the men's division this year. Recently, it has been a rare event for the top players in NATSTATS to all compete in the world tournament. However, this year we were privileged to have the top four players competing and the majority of the other highly-skilled players. Due to this, the class play and the championship finals were all worth watching.

In class play, the forty shoe format created challenging scenarios even for Alan Francis. The big highlight coming out of these rounds was Alan suffering a rare defeat. Dale Dean of Maryland beat Alan in their forty shoe match by throwing 80% ringers to Alan's 77.5% ringers. As class play finished, Alan beat Brian Simmons in their match to create a one game playoff for first place. Alan also won that playoff match and secured the #1 seed going into the championship finals. Joining Alan Francis (OH) in the finals were: Brian Simmons (VT), Jim Walters (OH), Gale Greene (VT), Jerry Dean (MD), Tom Gallina (ON), Tom Williams (MI), Dan Watson (AL), Dale Lipovsky (MN), Art Tyson (NY), Dale Dean (MD), Andre Leclerc (PQ), Gary Urish (IL), Drew Becker (ON), Ken Heinritz (WI), Raymond Bedard (MA), Ronald Walker (VA), Walter Mullins (KY), Darrell Sherrard (IN) and Jacob Fimbres (AZ).

In the Championship Finals, the competition was exciting from the start to the finish. Day one of the championship finals went pretty much according to schedule. Alan Francis, Brian Simmons, and Jim Walters were each undefeated. Alan threw four games over 90% and Brian threw one himself. Additionally, Gale Green and Tom Gallina dropped a couple of games early in the day before settling in and finishing with games over 80%. Gary Urish was especially competitive losing only three games the first day and scoring 35 or more points in each loss. Another player throwing fairly well the first day was Ronald Walker.

He pitched four games over 70% but only won one of those games.

As the finals moved into day two, it was Alan and Brian all alone in the top spots and undefeated. Jim Walters lost back-to-back games against Dale Lipovsky and Tom Williams. Gale Green won all of his games to move himself into a tie for third. Jerry Dean made a strong run losing only one game all day and throwing four games over 80%. Also, losing only one game was Tom Gallina to move him into fifth. Unfortunately, he still had the top group to play the last day.

The final day would be the day to remember. Jim Walters would drop two more games, but they were to Brian and Alan, respectively, and bring his record to 15-4. Gale Green would drop three games to the big three (Francis, Simmons, and Walters) dropping his record to 14-5. Jerry Dean continued to improve his placing by winning four games and moving to 12-7. Tying with 11 wins and eight losses after the last day were Tom Williams and Dan Watson to finish 7th and 8th respectively. The other finishers were: Dale Lipovsky 10-9, Art Tyson 10-9, Dale Dean 9-10, Andre Leclerc 9-10, Gary Urish 7-12, Drew Baker 7-12, Ken Heinritz 7-12, Raymond Bedard 6-13, Ronald Walker 5-14, Walter Mullins 4-15, Darrell Sherrard 4-15, and Jacob Fimbres 0-19. Congratulations to all of these gentlemen and their fine finish.

However, the final match between Alan and Brian, both undefeated, stole the show. This game had to be a good one. Both of them only had one game under 86% all day. This game was not just a good one, it was a record breaker. Both players were unbelievable through the first 100 shoes. Brian had 94 ringers out of the first 100 and Alan had 90. Brian had a stretch of 30 in a row, before missing one and throwing 16 more in a row for a stretch of 47 ringers out 48 shoes. The score at 100 shoes was 28-18 with Brian leading. After 114 shoes, Brian had 106 ringers and a lead of 37-21. He was looking unstoppable. Unfortunately, he was playing Alan Francis and the scoreboard had not yet turned to 40. Alan continued firing at his unbelievable pace, while Brian dropped off a little. Alan did miss one more time at 126 shoes with a shoe that was just slightly short and left about 1/2 inch from the stake. Brian pitching second

MEN'S CHAMPIONSHIP

Court

threw the shoe wide open and in line with the stake, but about two inches short. Alan's shoe was closer and scored the point. Alan would not miss again and at 140 shoes, he would score his 40th point. The final score was 40-37. Alan threw 126 ringers and Brian threw 125. Alan's percentage was 90.00 and Brian's was 89.29. They threw 44 four deads and had 226 cancelled ringers total. The 140 shoes is a new record for a 40-point game. In many of our lifetimes, we have never witnessed a game like this.

Alan's journey to another world title was memorable. After it was all over, he had set a new record for tournament percentage. He averaged 90.26% for the 19 games. Alan's win was also his seventh in a row, breaking the record held by Fernando Isais. This was also his 15th title overall improving his own record. Congratulations Alan Francis. You are one amazing pitcher and a really nice guy, too.

Ted Allen Horseshoes

Since 1938

Designed and pitched by Ted Allen
10 Time World Champion & record holder of
36 Consecutive Doubles (72 Ringers)

REPORT YOUR 2009 STATE/PROVINCIAL TOURNAMENT RESULTS IN THE NOVEMBER/DECEMBER ISSUE OF

"NEWSLINE"

Results of your State or Provincial Tournament may be submitted for publication in the next issue of "Horseshoe Pitching Newsline".

Please submit your results in Word, Excel or text format via email if possible. Send results to: psummerlin@cablespeed.com

Please submit your results in the following format.

All Championship groups – Submit name, win/loss record and percentage for all pitchers in the group.

Submit only the winner of the classes other than the championship groups with the same information as above.

If submitting reports via regular "snail" mail, send to: Paula Summerlin, "Newsline" Editor, PO Box 536, Webberville, MI 48892-0536

Deadline for results to be submitted for publication is October 1st.

SUPPORT THE NHPF

The only horseshoe pitching related charity needs your tax-deductible donations to support many programs of the sport including the Hall of Fame and Grants to install new or upgrade existing courts.

Deadline for Grant Applications: March 1st and September 1st

Mail inquiries & contributions to:

NHPF PO Box 1628 Penn Valley, CA 95946

Phone: 530.432.2103 Email: 3ringers3@att.net

SURPRISES OF THE TOURNAMENT

A Wisconsin Family and McCormick shine at this Year's World By Justin Sipma

The 2009 World Tournament has been over for three weeks already for all the junior horseshoe pitchers. That has given me plenty of time to crunch every different number you can think of when it comes to the game of horseshoes. Like, during the tournament exactly 37,218 horseshoes were thrown by the juniors and 12,078 found their way around the stake. That brings the ringer percentage of all the juniors to 32.45% while the incoming average was only 24.32%. Needless to say, there were juniors at the tournament that pitched well above their averages. So who in particular brought their "A game" to this year's world tournament?

It may surprise you but it wasn't the top pitchers shooting above their averages as only four juniors in the A class managed that feat. Instead, this honor belonged to a family of junior pitchers from Wisconsin. That's right; Blake, Mike, Tim, and Samantha Lazaris were a few of the pitchers to top their averages at this year's World Tournament. To be exact, Tim was the highest over his average with a 30.42% over average, followed by Blake who went 21.61% over average, then Mike ended 21.04% over his average, and Samantha finished 4.38% over her entering average. The trio of brothers would end as the three who shot the highest over their entering World Tournament averages.

To help put this accomplishment more into perspective, I we will use an A class pitcher as an example. And who better to pick than this year's Boy's World Champion, Michael Bowman. He came into the World Tournament with a NATSTAT's of 80.43%. If he had tied Tim Lazaris by shooting 30.42% over his average, that would mean he would have averaged a 110.85%. As good of a shooter as Bowman is, you can understand why this feat is impossible even for someone of Bowman's caliber.

Before the tournament Blake, Mike, Tim, and Samantha were coming in with averages of 0.00%, 10.00%, 1.25%, and 5.62% respectively. Afterwards, Mike Lazaris would win the Junior E division losing only one game while averaging 31.04%. Tim Lazaris would go undefeated in the Junior F class with an average of 31.67%. Placing third in the Cadet's division was Blake Lazaris after posting a 21.61 ringer percentage. Last but not least, Samantha would place fifth in class Junior E while posting a 10.00% average.

Also, making the Junior Girl's Championship for the first

time was Brianna McCormick. Though she didn't pitch all that well during divisional play, she still managed to qualify as the fifth seed with a 29.72%. That story was about to change when McCormick and the rest of the girls took to the courts for one final day of pitching.

She got things rolling right off the bat by beating Lisa Atwell with a 50.0%. The game would go for 58 shoes and would prove to be Atwell's only loss of the day. McCormick was then paired up with former world champion Abby Green. Though McCormick would lose with a 52.1%, she would give Green a run for her money.

The next two games produced two wins as well as two 50.0% games. These games, only lasting 38 and 32 shoes, improved McCormick to 3-1. Oddly enough, all three of her wins proved to be her lowest games so far for McCormick at 50.0% while her 52.1% game would end with her only defeat. So four games were completed and she was tied for second with Atwell and behind the unbeaten leader, Green.

The fifth game against Aleena Cook would end after 66 shoes and prove to be McCormick's worst game at 40.9%. Still, shooting 11% over the average is pretty darn good and at this point in the tournament, all you are wanting are the yellow slips.

So with a 4-1 record she qualified as the third seed in a three way playoff race with Green and Atwell. Based on her average she would be paired with Atwell for the first round of the playoff. This time around, Atwell would prove to be too much as McCormick went down throwing a 45.2% game to end the tournament.

Overall, Brianna McCormick went through the championship division compiling four wins and two losses while posting a ringer percentage of 47.54. Comparing that to her average that qualified her into the championship class, she made a 17.82% improvement.

So there you have it, five junior horseshoe pitchers that went well above most peoples' expectations. With that said, there were still 11,478 ringers pitched by others in this tournament so you know there were a lot of good competitors out there. I just wanted to recognize a few on an outstanding performance!

JUNIOR GIRL'S WORLD TOURNAMENT CHAMPIONSHIP

Three Way Playoff Needed before Atwell Crowned Junior Girl's Champion By Justin Sipma

What is appearing to be a common theme from the Girl's Championship class, Lisa Atwell, another newcomer has been crowned the 2009 Junior Girl's World Tournament Champion. Shaking off a first round loss, Atwell battled back to force a three way tie for first place before proving that she should be this year's World Champion.

The 2009 Girl's World Championship class brought four new faces to the division. Making their first appearance was Lisa Atwell, Brianna McCormick, Billie May Bonham, and Jessi Whaley. The two veterans consisted of last year's winner Abby Green and the 2006 Champion Aleena Cook. All girls would have a day of rest and then be back on the courts ready to compete for this year's title.

After two days of divisional play, the girls with the top six averages would move on to compete against one another in the championship class. The top six girls with their averages included: Abby Green – 61.59%, Lisa Atwell – 52.73%, Aleena Cook – 49.77%, Billie May Bonham – 32.95%, Brianna McCormick – 29.72%, and Jessi Whaley – 27.50%. It should be noted that Courtney Lampkin of Kentucky qualified with a 32.50% but couldn't compete so the alternate, Jessi Whaley, agreed to pitch.

The first game was soon underway and began with Whaley taking on the defending champ. Even while throwing a 42.9%, Whaley's high game of the tournament couldn't stop Green and her 59.0%. Meanwhile, Cook beat out Bonham 40-11 thanks to a 55.9%. The last game consisted of two 50.0% games between Atwell and McCormick and in the end, McCormick would get the win thanks to four close shoes. McCormick then tried her luck against Green but her 52.1% couldn't thwart Green's 62.5%. Cook also joined Green at 2-0 by shooting a 52.5% against Whaley. Atwell would receive her first win with a 54.8% against Bonham.

The two undefeated girls met during the third round. Both girls shot phenomenal games consisting of a 57.4% for Cook and a 63.0% for Green. The game began with Green striking quickly, building an 11-0 lead by pouring on seven ringers in the first ten shoes. Cook would then go and narrow the gap to four at 14-10. Just like that, Green caught fire again and extended her lead to 39-19. The game lasted 54 shoes and a late comeback by Cook proved to be

ineffective as Green went on to win 42-32. On the other court Atwell won her second straight game 42-12 with a 56.3%. Lastly, McCormick got her second win against Bonham 42-21 with a 50.0%.

Now we came to the fourth game. Green was leading the group at 3-0, while Atwell, McCormick, and Cook all had one loss. Green then advanced to 4-0 as she beat Bonham while cooling off a little and ending with a 50.0%. Cook and Atwell then went head to head to try and stay within striking distance of the leader. In the end we saw Atwell take down Cook thanks to a 66.0%. That impressive game would go down as the highest game thrown in the girl's championship class this year. McCormick then kept pace with Atwell at 3-1 after beating Whaley.

One win was all that stood between Green and the 2009 Junior Girl's World Champion. Would she do it... again? She would have to go through Atwell who she had previously beaten in division play 38-16. However, this time around Atwell would beat Green and give both pitchers a 4-1 record. Atwell threw 36 ringers compared to Green's 35 ringers out of 62 shoes. On the other court, McCormick would edge out Cook in a 66 shoe game that would come right down to the wire. McCormick once again won thanks to four close shoes as both girls shot a 40.9%. Not to be outdone, the final game would be decided by two points as Whaley prevailed over Bonham after 62 shoes.

Three girls had a 4-1 record after completion of the championship class. That set up a playoff between the three leaders. The two girls with lower averages would play first with the winner moving on to the girl with the highest average. With that said, our first match would pit Atwell, who averaged 57.0%, against McCormick who shot a 47.9% for the tournament. The first playoff game would last 42 shoes and would conclude with Atwell winning after throwing a 64.3%. She would then move on to take Green who had averaged a 58.3% thus far.

It would be a rematch of the fifth game pitched just a little while ago. They had met twice already in Springfield and the third time would decide the 2009 Junior Girl's World Tournament Champion. Green started off smoking, hitting

Continued on page 30

JUNIOR GIRL'S WORLD

TOURNAMENT CHAMPIONSHIP continue

16 of her first 20 shoes to build a 21-5 lead. After some great pitching by both girls, Green's lead now stood at 33-18 after 52 shoes. It was at this point that former world champion Green seemed to fall apart, connecting on only seven of her last 18 shoes. Atwell made the most of her opportunity pouring on 13 ringers to win 41-36. After 70 shoes, we could finally crown the 2009 World Tournament Champion, Lisa Atwell.

Congratulations to these six girls on their performance at this year's World Tournament: Lisa Atwell of California, Abby Green of Ohio, Brianna McCormick of Vermont, Aleena Cook of Wisconsin, Jessi Whaley of South Dakota, and Billie May Bonham of Michigan. Good Pitching!

PUBLICITY/ PROMOTION

Tina Hawkins, 2nd Vice President

Prior to the 2009 World Championships in Springfield, IL, I found myself worrying and wondering if I would enjoy the event as much attending in an official capacity as I have over the past many years in a recreational capacity. The verdict is in – I believe I enjoyed this world tournament EVEN MORE than those of the past! All the NHPA officers and staff were so helpful to me in my first year "on the job" that it couldn't possibly have been a negative experience.

I thoroughly enjoyed visiting with each and every member who took the time to attend the Open House sessions and share their thoughts and ideas for the betterment and advancement of the NHPA. I am already working on items to make your future world tournament experiences more enjoyable based on comments received there and all around the tournament site.

My thanks and appreciation go out to all who made this wonderful event what it was - especially Bill and Deanna Marvin and the staff of the PCCC, who saw to our every need, as well as the local media for their fine stories and daily coverage.

Many of you enjoyed the opportunity to dunk your "favorite" NHPA official in the dunk tank and many lined up for photos and autographs during the World Champ autograph session. I am proud to announce that between the two, \$1,213 was raised and presented

to the NHPF during the Hall of Fame banquet. Many thanks to Alan Francis and Sue Snyder for taking the time to meet you all in this capacity and to all the people who took a turn on the "hot seat" of the dunk tank! In addition to myself; they were Jerry Labrosse, Stu and Justin Sipma, Dan Sanders, Paul Stewart, Dave Loucks, Casey and Travis Sluys, Debby Michaud and Ron Kohn.

In honor of the 100th anniversary of the NHPA World Championships, a door prize was given by the NHPA to every 100th person who registered at the host booth for their welcome packets. Those winners were: Ree Cutright, Glenn Rippetoe, Dean Constance, John Bauer, Robert Washburn, Reuben Hopper, Abby Green, Larry Myers, Floyd Maxwell, Phil Plotke, Bert Logsdon and Stan Barney. They received NHPA golf towels or an NHPA car tag. Congratulations!

Several promotional plans were presented during the convention, which I will now present in this forum.

First, I would like to introduce a "National Horseshoe Pitching IS FUN Day." The idea is to put a horseshoe in the hand of as many people as we can on one particular day, Saturday, October 17, 2009. This will be a nationwide event that relies on YOUR participation to be successful.

Continued on page 31

PUBLICITY/ PROMOTION continued

The plan is simple. On that particular day, all active horseshoe pitchers should attend their local courts AND take portable courts to high traffic areas, such as WalMart parking lots, college or high school football tailgating areas, campgrounds, churches, etc... and get as many people as possible to throw some horseshoes. (Start now making arrangements and getting permission from the appropriate authorities.)

Names should be taken for future contact and NHPA information should be handed out. Have membership applications on hand for those who want to sign up on the spot. As an added bonus, memberships sold on this day will be good for the remainder of 2009 as well as through 2010 in its entirety.

The day will be publicized by each charter and local club in the weeks preceding, using means such as public service announcements on local radio stations and in newspapers, as well as flyers and word-of-mouth.

A flyer will be designed and sent to all Regional Directors to be copied for use in their charter. A bumper sticker has already been designed – it will look great on a T-shirt, too, if there is enough interest in such. The design was created for this event, but is not exclusive to it. It is a general design for promoting NHPA horseshoe pitching.

The success and growth of the NHPA is at the heart of this venture. The support of ALL NHPA charters and clubs will be needed to make it a success! We need to build our association from the ground up – at the local level. Your participation will help boost efforts to do that all across the country.

Also, I suggested and requested of the delegates in the annual meeting to go home and appoint or elect a Publicity/Promotions Director in each charter. This could be accomplished as simply as assigning the duties to existing charter vice presidents. The responsibilities of this person would be to make sure your charter events get proper promotion and publicity before they happen

and media coverage afterwards. I will work with each of these directors to give guidance, ideas and promotional materials from the NHPA – they, in turn, will work with each local club to assist them in the same manner.

Then, the topic of "Member Benefits" was presented for your consideration. Research is being done to determine what can be given to NHPA members upon joining, in addition to a membership card and tracking ringer percentages in Natstats, to help encourage new members and retain the existing.

Possible benefits could include Newsline Magazine for everyone, membership pins and/or patches, bumper stickers, magnets, window decals, DVD's of NHPA history, etc...

The intention is to help grow our association by offering marketable benefits for being a member of the NHPA.

Please provide feedback to me on this, and any subject discussed here. It is important that we, your Executive Council, know your thoughts and feelings throughout the year and not just on the convention floor.

And finally, I would like to extend my congratulations to Monroe/West Monroe, Louisiana for their successful bid to bring the 2011 World Championships to the south, and to Debby Michaud for winning the position of 5th Vice President. She has great ideas for the growth of the NHPA. I look forward to working with her in the upcoming years!

Please send your comments on the above items to Tina Hawkins, Rt. 4, Box 52, Marlow, OK 73055 or email to tinahawk@msn.com.

WORLD TOURNAMENT RECAP

by Jerry LaBrosse

I would like to make a few comments about this year's world tournament. Many are saying that it was the best ever, which may be true. If you consider the pitching conditions, the broken world records, and the smooth operation of the tournament, and the hospitality of the city in which it was held, it could very well be the best ever held. "The game" at the end between Alan Francis and Brian Simmons was certainly the best game of horseshoes that I have ever witnessed, that's for sure.

I would like to report to all of you that the new equipment performed to our expectations again this year. The front bumper pad "rebound" problem we had last year has been eliminated. We had far less box movement this year, and we've concluded that the flatness of the floor directly under these boxes is at least partly responsible for this movement. We have more ideas on how to improve this situation. The clay was perfect, on that I'm certain you all will agree. All in all, we are very pleased with this new equipment.

As the days went by in Springfield, I often wondered how many of the pitchers and spectators really understood how the tournament was conducted. Did they know how many details went into the preparation? What goes into setting up and running a tournament of this magnitude? I will briefly try to explain a few of these things so you can truly understand what a huge task this is.

Much of the work involved with any tournament happens well before a shoe is tossed; all tournament directors know this. But setting up a tournament of this size, with competitors from all charters plus other countries, is another story completely. Dick Hansen teams up with Natstats director Glen Jamieson to create a schedule for over 1,300 pitchers. Their entry averages are confirmed and the classes set up. The court assignments and round robins all have to be coordinated. Dick and Paulette Hansen are in charge of preparing the name paddles, scorekeeping tickets, score sheets, office supplies and equipment, and the list goes on and on and on. Glen meanwhile is preparing the computers to run the thou-

sands of scores that are entered throughout the tournament.

I'm finding it hard to be brief while describing this to you, and for that I apologize, so please bear with me and keep reading.

Anyhow, during the tournament most people see and hear the NHPA president and VP's running around the arena. The shift directors are well trained in their duties and have to coordinate several things at the same time, which is not always easy. But people like Glen and Dick do most of their work in the NHPA office. Be assured that they spend long hours doing the "behind the scenes" work that helps the tournament run smoothly. Paula Summerlin, Newsline Editor, spends countless hours assisting Glen in the stats room entering game results and handling any issues that arise during the tournament. Her talented husband Steve Summerlin is also hard at work posting photos, results, and other tournament information on the website. Steve is also hard at work on awards days taking all of the photos you see on the website.

Then there are the girls in the NHPA office doing the countless tasks needed to keep things going smoothly. Paulette Hansen, Sandy Sipma and Michelle LaBrosse take care of the awards checks, handling the zillion questions from members walking into the office, coordinating the banquet, assisting the shift directors, running score sheets, and doing anything they need to do.

Jane Smith from Wisconsin assembles a team of ladies each year to take care of the "scorekeeping room" functions. They make sure the scorekeepers boxes are full of sharp pencils and score sheets, and also pay scorekeepers and judges after every shift. Jane has also been acting as a shift director, as was Rick Wright, Minnesota charter president, and that helped lighten the load for the NHPA VP's.

Continued on page 33

WORLD

TOURNAMENT RECAP continued

If you've ever watched Ernie the photographer run around the arena you know how hard he works at our world tournaments. He and his son Andy are true professionals at what they do. They do a great job at providing our members with a photographic memory of your world tournament experience, on the courts, in the awards room, and at the banquet.

I know, I know, this is "brief"????....just bear with me and keep reading.....

This story would not be complete without mentioning the host staff, this year led by the fearless Bill and Deanna Marvin. Ask Bill how long the planning process is for a world tournament, and he will tell you it's about three years. Obviously most of the hard work is done in the weeks leading up to the tournament. I can speak intelligently about the job they and the entire Illinois staff did in setting up and taking down this tournament, because I was there to witness it. To my pleasant surprise, there were roughly 70 volunteers there on set-up morning. I arrived late Tuesday afternoon and they already had most of the NHPA trailer unloaded and sorted out. We put our heads together and came up with what we thought was the best possible set-up plan, and on Wednesday morning we went to work. To Bill's amazement we had about 90% of the setup done by suppertime on Wednesday. Thursday was merely spent putting the tarps and other final touches on the job. Deanna had a group of women unwrap all of the beautiful trophies (some assembly required) you work hard to win and had them all cleaned up, sorted and displayed in the awards room. They also kept a well stocked volunteer break

room organized throughout the event, as well as staffing the registration table in the front lobby. All the coordination that goes into the "welcome bag", program book, and local information assistance is too much to mention.

In closing out this "brief" description of setting up and running a world tournament, I want everyone to realize the many people and hundreds of tasks they perform, in making your world tournament experience the best it can possibly be. There is one other thought I'd like to plant in your heads. We are all human, and yes, some mistakes happen during this event each year. Try to be understanding when this happens. With this size of tournament there will always be some things that could be done better, and we really do try to identify those things and make adjustments where they make sense. Know that we cannot please everyone all the time, and that sometimes we need to do things to accommodate the majority. The officers, directors, host staff, and member volunteers work hard and do the best they can. Many members keep score and judge for many shifts. Most of you appreciate it and that's what keeps us coming back each year.

From my heart I want to thank every single person I've mentioned (and those I may regrettably have missed) in this article for all their hard work making this tournament one of the best (if not THE best) world tournaments I've ever attended. Working with all of you is the highlight of the year for me and I am truly honored to be a part of such a talented and dedicated group of horseshoe enthusiasts.
