PRESIDENT'S MESSAGE

by Stu Sipma

Knoxville, Tennessee, site of the 2012 World Horseshoe Tournament, played host to 1,230 entries. And what a host Knoxville turned out to be; led by the staff of the Knoxville CVB/Visit Knoxville including Kim Bumpas, Jennifer Morris, Mary Blair, Keli Gibson and all the other staff who assisted to make this event a success. Also included from the Knoxville Convention Center, Events Manager, Kate Jackson. What a great job these folks did making this event one we'll never forget.

I would like to thank all the NHPA Officers, Directors, spouses, and support staff for the great job of running the 2012 World Horseshoe Tournament. Everyone did a great job in the coordination and preparation to assure this tournament ran efficiently. Also, a special thanks to Bill Marvin, Ronnie Miller, Dave Sidles, Jerry LaBrosse, and Rob and Ann Hagman for coming early to assistance in the court setup.

Congratulations to all the Division and World Champions. Seven of the eight championship divisions saw the title going to different individuals from the previous year. Only Joan Elmore was able to repeat with a perfect win/loss record and averaging 84.62%. This is Joan's sixth title. Alan Francis won his 17th title with a perfect win/loss record. Alan Francis of Defiance, OH, who is listed in the 2011 edition of the Guinness Book of World Records for most world championships in horseshoe pitching, added another title to this record. In the Senior Men's Division, James Cooper had a perfect win/loss record averaging 69.58%. For the Senior Women's Division, Gert Wilcziek also had a perfect win/loss record averaging 81.97%. In the Elders Division, Rich Pintor had a 13/2 record and averaged 78.86%. In the Junior

Girls Division, Brianna McCormick had a perfect win/loss record averaging 60.53%. In the Junior Boys Division, Dalton Rackstraw had a perfect win/loss record averaging an outstanding 83.48%. In the Cadets Division, Ryan Schepers had a perfect win/loss record and averaged 49.40%.

The 2014 World Tournament will be held Buffalo, New York. The dates will be July 14nd – July 26th, 2014 and will be held at the Events Center located at the Hamburg Fairgrounds. The facility is air conditioned and should be a very nice facility for our event. Congratulations to Chuck Giglia and Frank Kwiatkowski for a successful bid.

At the Hall of Fame Banquet, one new member was inducted into the National Horseshoe Pitchers Hall of Fame. Will Gullickson who was honored in the Promoter/Organizer category. Roc Gullickson was there to receive the plaque in Will's honor. During the banquet, a number of donated gifts were auctioned off. Paul Stewart was appointed to be our auctioneer. Thanks to Paul for doing this for the NHPF. You always provide some additional entertainment to our events!

In conclusion, I just want to say to everyone that the NHPA Council works hard at organizing all the events at the World Tournament. I encourage those who were not able to attend this year in Knoxville, try to attend the 2013 World Tournament in St. George, UT which will be held July 22th – August 3rd at the Dixie Center. St. George will be great city to visit with many attractions and things to do.

NHPA SECRETARY/TREASURER ANNOUNCEMENT

by Dick Hansen

I have been your NHPA Secretary/Treasurer since 1995. I have decided that this will be my last term. Paulette and I have talked about this for a long time now and we both feel that after 20 years it is just time to hang it up and let someone with perhaps new and better ideas take over. By no means has this been an easy decision, as I still so much enjoy dealing with the day to day operations of the NHPA and all the members.

I am making this announcement two years in advance in order to get the word out to anyone that may be interested in this position. Any that are, can call me at any time and I will be more than willing to explain the who, what and how's of just what it is that I do all year. I would recommend that the person taking my place be retired, as it is almost a full time job. I know that because I did not retire from my job with AT&T until almost a year after I was elected Secretary/ Treasurer. Those were some very long days that first year.

The second thing is that this position takes a lot of your personal time and if you don't have the backing 100% from your spouse, don't even consider it. I have had that backing and without it I would never have lasted this long.

In the coming years I think the delegates should consider a change to our bylaws with regard to this position. I would like to see it a council appointed position with a four-year term. I would not want to see a situation where the only person running was not qualified, but wins by default because of the way our system of elections is set up. The NHPA has had just two people hold this position dating back to 1976, yet we have elections every two years for the position. I am not proposing a bylaw change, just planting the seed.

It has been my honor to serve the NHPA.

Dick

WINSTON THEATRE DEDICATION SPEECH by Stu Sipma

It is with great honor for me to be here today to speak on behalf of the late Earl Winston. Over my years as a NHPA Officer, I really never got to know Earl when he was a player or when he was involved in the National Organization. What I did get to know about Earl and what he did for horseshoes was through all of his friends, and trust me there were a lot of them. Vicki, you have to be very proud of Earl as a husband, a player, and promoter for the game of horseshoes.

Earl was born June 4, 1927 in rural Knob Noster, MO. He was the eldest child to Wayne and Leona Winston who had a total of six children; all the other siblings were sisters. He was probably a little spoiled and definitely became the apple of his mother's eye, as the girls all left home and he didn't until he was 33 years of age.

At the 1959 World Tournament, Earl got better acquainted with a young woman from Portland Oregon, Vicki Chapelle. A long distance romance flourished keeping the postman busy. There was one time Earl made a short visit to Oregon during the winter holiday season and Vicki's finger sported an engagement ring when he departed. The couple married June 10, 1960.

Earl came from a long line of horseshoe pitchers, so it was only natural for him to follow in their footsteps of his dad, his grandpa Ernest, and several uncles. His Uncle K.C. Winston was once a Junior State Champ. After retiring, K.C. moved back to Missouri and took up horseshoe pitching again. He enjoyed pitching for as long as his health would let him. Earl's dad, Wayne, was the first World Intermediate Champion winning that title in Fargo, ND in 1967. As a young boy Earl watched the competition at the MO State Fair until he was finally old enough to join in.

Earl accomplished much during his horseshoe pitching career. He won the Men's State Championship in 1955, and there were several years he qualified into the Men's Championship Class at the World Tournament attaining some 70% plus averages. His best tournament was an 80% plus, when he won a Tournament of Champions at Phelps Grove Park in Springfield, MO. In 1995, he won the Senior Men's State Championship and when the computer paired him with his wife that year in the State Mixed Doubles play, he also became a State Doubles Champion.

In every category Earl has excelled, giving his time and energy and helping and promoting the game that he loved. Along with years of service to the State of Missouri, Earl was elected NHPA 3rd Vice-President in 1972 where he served until he was elected the 1st Vice-President in 1983, spending a total of 28 years as a NHPA Vice President. He also served on the NHPA Hall of Fame Committee and the NHPA Rules

Committee, spending a period of time as the chairman of each. Earl also was named as one of the original directors of the NHPF when it was formed to oversee the property in Tennessee that was being donated by Dr. Jack Freeman. For his pitching, and especially for his years of service, Earl was inducted into the NHPA Hall of Fame in 1988 and has been a recipient of the NHPA's most prestigious award - the Arch Stokes Award in 1992.

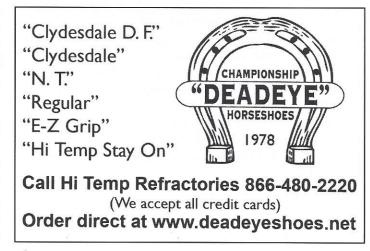

Earl, not only was a great horseshoes pitcher and promoter, but will be remembered for his attendance of over 50 consecutive years at World Horseshoe Tournaments.

When Earl passed last fall, we all felt emptiness in our hearts. It's because we all knew we had lost a true icon in the game of horseshoes. When word got out about Earl passing last August and what should be done with the memorial money, it wasn't long before I got an email from Vicki requesting that there would be nothing more honorable than to have the memorials go towards improving the Hall of Fame Theater with the addition of a touch screen TV. The NHPA Council approved this expenditure in his honor; especially for all he has done for the game of horseshoes, both at a State and National level.

There were many people involved in making sure it happened and I would like to thank them for all their hard work. This tournament today is a perfect occasion for this dedication of the theater room on behalf of Earl Winston.

Thank You. Stuart Sipma NHPA President

Editor's Note: This was to be published in the last issue, but was inadvertently "pasted over" resulting in Bob Roger's article being printed twice.

PUBLICITY PROMOTION by Tina Hawkins

Another fantastic World Tournament has gone to the record books! I hope all participants and their friends and families had a great time in Knoxville! As an NHPA officer, there really isn't an opportunity to "get out" and "see the sites." For us, this two-week (three for some) "vacation" is mostly all about the tournament and making YOUR experience the best it can possibly be.

We always have high hopes of "this year I will take the time to go do something," but then nothing seems more important than getting that newsletter out or talking to one more reporter, or showing up early on your day off to make sure the shift director has plenty of judges and score keepers.

Many NHPA members are not aware of the time and effort (and expense) your Executive Council pours into this premier event each and every year.

You were all extended the invitation to come early and help set up... Next year, you are all also invited to STAY LATE and help tear down and pack everything into the trailers! While some of you were already halfway to the house, officers and staff members were still loading the equipment – and only then did they get to finally head for home! (Some as late as 1:00 a.m. Sunday morning.)

It takes a certain amount of ambition and a whole lot of passion - for the NHPA and the sport of horseshoe pitching - to enjoy being an NHPA officer or a member of the staff. There is no glory and you certainly won't get rich doing it... It is done strictly for the love of the game!

But the work doesn't end simply because the World Tournament is over! It is now time to start planning and arranging for the NEXT World Tournament – along with all the daily duties of an NHPA officer.

Now is also the time for all of YOU to go to work, as well – RECRUITING NEW MEMBERS into the NHPA! Here are some ideas for you to try:

Fall carnivals — many elementary and middle schools and churches host fall (or Halloween) carnivals. They are always looking for new and interesting activities that can be enjoyed by people of all ages. Contact your local school or your own church about running a horseshoe pitching booth. You won't need a full court — just one end. Let players throw a few shoes down for a ringer and you bring them back. Prizes can be awarded just as in any carnival game. Be sure to have plenty of NHPA handout information with your local contacts for those who may be interested!

Football tailgates — Tailgating is a growing pastime in our culture. Most will want to do something besides eat or drink to pass the time. They may as well be pitching horseshoes instead

of tossing washers or bean bags! Talk to your high school or local college and offer to set up a horseshoe pitching activity before the big game! You could even hold a small tournament with team apparel as prizes! And again – handouts, handouts, handouts!!!

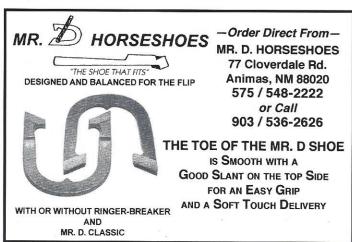

Fall League – With summer-time activities drawing to a close, people will be looking for something to take their place. Now is the time to publicize your Fall League. To increase participation, have each of your existing members bring a BRAND NEW member for a partner! Hold a short league (maybe 4 weeks) so the newbies won't be reluctant to join. Remember that membership cards purchased in October will be good for the entire upcoming year!

Off-season club activities — If you are in a region where pitching is not an option in the winter months, hold other club activities to keep your members involved. A Score keeping clinic that teaches HS Scorekeeper would be a great idea! Or a "movie night" complete with popcorn and Jujubes — the viewing, of course, could be Walter Ray Williams "How to Pitch Horseshoes!" It and other videos are available through Game Related Sales.

And don't forget about the upcoming NHPA sponsored events at your Hall of Fame facility in Wentzville, Missouri!! League players will surely want to compete in the National Sanctioned League Tournament! Those with a more frivolous nature may prefer stepping out on the wild side in full Halloween gear for the HALLOWEEN BASH! And of course, the Red, White and Blue Walking Doubles Tournament is on the horizon!

There are still items available for your promotional use — bumper stickers, rack cards and NHPA handouts. Please contact me with your mailing address in time for them to arrive in the mail for your next event. And, as always, keep telling me about your successes so they can be shared with others! Send those, as well as comments and suggestions to tinahawk@msn.com.

See you on the courts!

REGIONAL DIRECTORS REPORT by Debby Michaud, NHPA 5th VP

What a great World Horseshoe Tournament! We have just recently returned home from Knoxville, TN where we watched over 1,200 pitchers compete in the wonderful Knoxville Convention Center. It was an inviting city to walk through and it was a very nice venue for the competition.

First and foremost, I HAVE to thank all of the Regional Directors and their designees who helped make every 'shoe check at the World Tournament smooth and efficient. It worked out very However, if any of the pitchers or workers have any suggestions to improve on what we do during the 'shoe checks, please send those suggestions along to me - thank you!

Before I talk about anything else, though, I do have a topic that I want to write about that has nothing to do specifically with the World Tournament, but has everything to do with safety for all pitchers and their families at every tournament. It is this......

We had an emergency situation at our courts a few weeks prior to the World Tournament. The person who had the emergency recovered well and was even able to compete in the World Tournament. However, while he was ill, he could not talk and we knew nothing about his medical history or his medications. That day, we strongly encouraged all of the other pitchers to carry a list with them at all times. This list should include the names of all of their medications and the reason they are taking them, their medical history and their full name and date of birth. We also encouraged people with diabetes to carry their glucometer (a machine to measure blood sugar) everywhere they go. At least one of the pitchers who was there that day did listen - and when HE had a medical issue at the World Tournament, he pulled out his medication list to show us.

valuable thing to have – some people even carry their EKG's with them as an EKG is as individual as a fingerprint. This medical information gives all medical personnel the information that they need to give care more quickly and accurately. Having the glucometer allows personnel to determine if the blood sugar is or is not the cause of the problem. That is all I will say for now. Just, please, print up a list of your medications, laminate it, and carry it. Then, print up another one, laminate that, and give it to the closest member of your family for them to carry. Good for you!

Getting back to the World Tournament, this year there were SO many people who spoke to the officers with words of appreciation and even praise. This was so thoughtful, and believe me, these kind words help to motivate us to continue trying to improve and streamline our game. We DO want constructive criticism but we, being human, also appreciate the positive comments. As a matter of fact, we like ALL comments.

The convention proved to be quite interesting with some good discussion and some good disagreements. discussion is not over although the voting, at least for this year, is done.

In future columns, I will touch on some new ideas that have been mentioned. I would like for us all to share fresh ideas about our sport. If you have something to offer, a new idea that you have been thinking about, please contact one of the NHPA officers or one of your state or local officers. You can contact me at: loonpond@verizon.net or at: 508-822-9610. Good luck in your State tournaments and have a great Fall!

A HORSESHOE FAMILY

by Laura Johnson

Gregg Craven is not new to horseshoe pitching with 21 years as a sanctioned horseshoe league director. He and his wife Audra are seen quite often with horseshoes in hand either at home, Don Harris Arena in Stocksdale Park, Liberty or many other cities and states for tournaments. Gregg won Missouri State Champion in 2011 in the 30 Foot Class and has been in the World Tournament 30 Ft Men's Championship Class in 2010 and 2011. Audra has been in the Missouri Women's Top 10 for the last four years with 2nd in 2010 and 3rd in 2011.

With all this championship pitching in the family it's not surprising to see the Craven's are passing on the love of their sport to their grandchildren. All seven; Ashley 17, Nickel and Toby 15, Mia 12, Merissa and Sophie 10, and Audrey 9 will be competing in the World Horseshoe Tournament in Knoxville, TN. The tournament is held from July 30 to

August 11th and the pitchers will be divided up into eight divisions, Open Men, Open Women, Senior Men, Senior Women, Elder Men, Junior Boys, Junior Girls and Junior Cadets.

There are sixty-seven boys and girls competing for spots in their own championship finals. Nine boys and girls age nine and below are vying for the top Cadet honors. It looks like several of the Cravens' will be pitching each other for a chance at being a World Champion.

SANCTIONED CLUB/LEAGUE REPORT by David Sidles

On June 4th my wife and I had the honor of representing the NHPA at the National Veterans Golden Age Games. This annual multi-sport event for veterans 55 years and older was held in St. Louis and hosted by the Quail Ridge Club. Horseshoe pitching was one of the 14 sports or games that the veterans participated in. Out of a total of 787 veterans, over 350 entered the horseshoe event. They were classified into three groups; ambulatory, visually impaired and wheelchair. The tournament was run as double elimination, 20-shoe count-all games.

The veterans only pitched from one end, meaning someone had to read the score and bring back the shoes. Lots of volunteers cycled through during the day helping with these duties. I worked outside and my wife Carla worked inside. It was a bright sunny day and the temperature was starting to soar! It was a challenge keeping 16 courts playable all day.

I asked Carla to share some of her memories of the event. "I had an opportunity in July to go with Dave down to Missouri and volunteer for the Veterans game. I stayed inside to see how I could assist and ended up keeping score and being a walker to retrieve the shoes. What an inspirational experience. There were Veterans, men and women, on the indoor courts that were in wheel chairs or visual impaired.

We would line them up and they would throw away- "watch out I'm dangerous" they would yell and more times than not - ringers would go on. If they didn't make it they would say - "I'm here for the fun." There were a few that stood outwe helped the visually impaired on the courts so they wouldn't bang their heads on the beams. Then I would tap the stake so they could hear where to throw it and off they went. A gentlemen from Oregon was amazing, one or two ringers for every three he threw. I finally asked if he had played before he lost his eyesight and he said "Oh Yeah" it was great, the thing I miss the most is playing horseshoes. I told him he still did very well. After the game was over he handed his opponent and an apple pin, just like the real Olympics he indicated. A gentlemen in his wheel chair would line up and then lean over so far I thought he would fall out. "Don't worry" he said, "I just have to get good aim" and he would. He smiled and he won, you could tell he really was enjoying himself. One lady was so excited when she won her match she cried, "I don't believe it"

she said. The organizations in Missouri did a great job of feeding the vets and had a very nice program before it all started. The buses just kept coming and there was lots of fun, but there was competition as well. Never give up, never give in and enjoy every moment that is what I went away with that day. Volunteering is so rewarding - do it when you can."

As it got later in the afternoon, a huge thunderstorm developed just east of the building. There were only a few games left and it appeared it would miss us. But as it passed, a huge inflow gust of probably 60 mph wind came from out of nowhere, the flags around the courts stood straight out and the little portable tents that were set up over the metal bleachers didn't stand a chance. A couple blew clear over the hill and one hooked a metal bleacher and tipped it over. No one was hurt though and we moved indoors for the remaining championship matches.

We met many wonderful veterans that day including one gentleman celebrating his 93rd birthday. He had served in WW II, Korea and Vietnam. It was truly a rewarding day.

CHARTER COMMUNICATIONS by Jerry LaBrosse

Personal Comment

Each year I write an article following the world tournament, and describe the countless things that go into planning, setting up, running, taking down, and the follow up of the world tournament. I decided not to duplicate the same theme today, but rest assured there are a lot of dedicated people who put in a lot of hours to plan and implement the largest horseshoe tournament in the world for you. The NHPA staff has received tons of positive comments regarding this tournament, and we thank every one of you for that. Without the feedback, we wouldn't really know if you all were truly enjoying the tournament or not. We are always looking for ways to improve the world tournament experience, and we invite your feedback. The suggestions you placed in the suggestion box will be reviewed at our winter meeting.... and yes....we DO read every one of them.

World Wrap Up

Another smoothly run world tournament is in the books, and what a great tournament it was. The Knoxville Convention Center was truly a great place to stage our event. Kate and her staff did a wonderful job of taking care of all of our needs. The setup went smoother than it ever has, thanks to the help from several individuals; Bill Marvin, Ron Smith, Bob Beagle, Ann & Rob Hagman, Mary & Jennifer and the whole Tourism Center crew, and also folks from the Tennessee HPA. With a little fine tuning, we were able to provide 12 indoor air conditioned practice courts. And I would also like to extend a special thank you to all of the NHPA officers for helping with the tear down of the equipment when the tournament ended.

Congratulations to all the world champions, and to all of the class champions. Also, congratulations to all the award winners at the banquet.

And a huge THANK YOU to all of you who helped as judges, scorekeepers, shift directors, stats room assistants, office help, daily maintenance, and anyone else I may be forgetting. Without you, the tournament

would be impossible to run.

And how about that electronic scoring, huh? We are getting better at it each year, making improvements along the way. I know there is still a minor issue to deal with concerning the monitors and which way they are facing. We feel the solution may be adding a third monitor to each scoring station. Another possible "fix" would be a large monitor at the end of each "bank" of courts with all the game scores showing on one screen. Either way, we will be attempting to solve the problem in the most efficient and economical way.

The Knoxville area is beautiful and full of

fun things to do, and I hope to return someday to enjoy some of the things there wasn't time for on this trip. All in all.... THANK YOU KNOXVILLE!!!

Now we're looking forward to St George. I can predict a good turnout for next year's event...although I'm not ready to put out a number yet. The Dixie Center facility looks like it will be a great place, and the red rock canyon country is absolutely beautiful. And....it is a golfer's paradise. © The staff hosting the event is very enthusiastic and excited to host this event, and will be working hard to provide our members with a memorable experience.

A St George promoter named Blaine Scott has a Facebook page setup just for the tournament. If you would like to join the group and be notified of all the updated information leading up to the tournament, simply search for "world horseshoe tournament 2013" and you can join the group.

Charter Communications

We had a fantastic and productive state officer's meeting in Knoxville. In the coming months we will be discussing some of the ideas that came out of that meeting, and share new ideas on how we can help your charters grow. To do this effectively, I want to once again invite every charter to establish a communications director, and to create a state wide email list of your members. The power of communication is alive and well in the NHPA and I intend to use it!

If you do not receive regular Charter Communication emails, perhaps your charter does not participate in the system. If your charter does not have a communications director, and you wish to be included on all the activity on the CC network, then simply send me an email with your name on it and ask to be added to the CC email network. Everybody receiving CC emails are always Blind Carbon Copied, to protect your identity from hackers. We are always looking for good ideas on how to use the CC network to its full potential, so please contact me with any new ideas you may have.

2012 NHPA STATE OFFICERS MEETING

August 3, 2012 - 1:00 p.m. Knoxville Convention Center

Jerry LaBrosse presided over the meeting. 24 states were represented.

Jerry reported that Charter Communications is reaching over one half of our membership. Jerry would like a spring up-date on all State officers so he can keep a current data base. All comments on the Charter Communications were positive. Jerry also recommended that each state have a Charter Communication director.

State membership was discussed. Having a promotion director was highly recommended. Twelve states in attendance already do have a person designated. Ideas to target new membership were: advertising, new member packets available which include

rules, etiquette & dress code, give a free tournament entry for new members, have business cards to hand out for all officers (Vista Print is a very reasonable online business to get cards, etc. made), use Don Titcombs 'Pitch & Win' program at state and local fairs and get on your Community Activity Calendars – usually published by the local Chamber of Commerce.

We briefly discussed the medical exemptions. There is no "Temporary Exemption". Once it's done, it's done. If any change needs to be made, a review by the State officers is necessary.

Jerry asked that all take these ideas home and share with their membership and for all to feel free to contact the NHPA officers with any needs.

Meeting closed at 2:10 p.m. – Phyl Quist, Recorder

NATIONAL HORSESHOE PITCHERS

HALL OF FAME AND MUSEUM by Jeanette Claas

Welcomes Veterans from Across the Nation

The warm summer breeze touched the 150 American flags, gently waving them through the air greeting the Veterans as they arrived at Quail Ridge Park. The color alert for the day was Red, White and Blue. Bunting was placed on the fence

throughout the outdoor courts and balloons were scattered throughout the indoor fencing. Red, white and blue tents were placed in the

front and back of the facility. The atmosphere was now set to welcome our National Veterans to the National Horseshoe Pitchers Hall of Fame. What an impressive site it was; bringing a tear to the eye and a smile to the lips; making us feel proud to be an American. It gave us the opportunity to pay our respect to all Veterans who have served our country in war time and in time of peace.

In 2010 St. Louis was chosen to be the site of the 26th National Veterans Golden Age Games for the year 2012. This event is held for Veterans 55 and older who receives care from the VA. It is the only national multi-event sports and recreation senior's competition program designed to improve the quality of life for Veterans, including a wide range of abilities and disabilities. It is a national showcase for the preventive and therapeutic value of sport, fitness and recreation for Veterans. Over 1,000 Veterans traveled to St. Louis for the event.

When the St. Louis VA Medical Center won the bid to host the Golden Age Games, they began searching places to hold each of their 14 events in which the Veterans would be participating. Searching the website for horseshoes, they quickly found the NHPA Hall of Fame facility. They were impressed with what they saw on the website and lost no time in contacting the QRHC. They paid their first visit to the facility in July 2010. Upon this visit they were in awe of the facility and said that the horseshoe event had never been held indoors. They couldn't wait to inform the horseshoe pitchers of the venue they had chosen for them.

Throughout the last two years the QRHC received many local, state and national Veteran Administrators touring the building, making plans for the upcoming horseshoe event. The QRHC was also making plans to figure out how

we were going to get 350 Veterans pitching horseshoes in one day. But it happened and we did it! Not only that, but we fed meals to over 300 people during the course of the day from our small

concession area. We didn't know if that was possible, but it happened and we did it!

Chief Brandel of the St. Charles County Parks Department rose early at 4:00 a.m. on June 4, 2012 to open the park gates at 5:30 a.m. Volunteers from the QRHC began arriving early to uncover courts, put towels out, began preparing food, etc.

Soon our dignitaries and Veterans arrived for the Opening Ceremony at 7:30 a.m. An impressive Presentation of the Flag was presented by the St. Charles County Sheriff's

Honor Guard. The National Anthem was sung by Catherine Pescarino, and the Pledge was led by Navy Veteran Norm Pierce. Bettie Yahn-Kramer, Director of St. Charles County Parks, welcomed the Veterans. Maura Campbell, of the VA Hospital, and Dave Sidles, NHPA 3rd VP, expressed their sincere thanks to the Veterans. Ray Nadler, WWII Veteran and QRHC member, spoke of the time when he received his greetings from President Roosevelt in 1944 and was drafted into the U.S. Army. Ray was dressed in his soldier's hat and carried the banner with him that his parents displayed

in the window while serving his duty during wartime. Ray served in General McArthur's Honor Guard during his service time. It was a touching moment as he recited a poem comparing an old veteran to the shattered banner of yesteryear.

At 8:00 a.m. competition began on both indoor and outdoor courts. Wheelchair Veterans and other handicapped Veterans pitched indoors while the ambulatory Veterans pitched outdoors in the beautiful weather that Mother Nature created just for them. Buses would come and go during the day, taking some Veterans to other events and delivering other Veterans to our courts. There was activity all day long and many

NATIONAL HORSESHOE PITCHERS

HALL OF FAME AND MUSEUM Continued

stories to be told by the Veterans that were shared with the QR volunteers. All volunteers received a lime green T-shirt with all the sponsors on the back of the shirt. The QRHC

was among the 15 sponsorships. The Veterans were so appreciative to be pitching in this beautiful facility and to all the work the QR members put into the event. The Gold, Silver and Bronze Medals

were presented to the lucky winners during their events. The QRHC was presented with a trophy depicting the St. Louis Arch and medal on it. It will be forever kept on display on the trophy case.

The final bus left around 7:00 p.m. as the last Veteran boarded the bus. The American flags were taken down, the tents were down, and the day was over. The last of the volunteers sat and talked about the day long event. Yes, we were tired, but it was a labor of love and it did us all good to know that we had given them back a little something that each of them gave to us.

We were invited to attend the Closing Ceremony of the National

Golden Games at the St. Louis Convention Center on June 5th. Approximately 1,500 Veterans and family members attended. St. Louis's Major League Baseball Hall of Famer, Ozzie Smith was the Master of Ceremony. Rocky Sickmann, Iran hostage from Missouri, told of his 444 captivity days in 1979. A movie presentation of the Veterans participating in the 2012 events was shown. The National Games will be held in Buffalo, New York in 2013.

We wish to thank all our guests for taking their time to come and speak to the Veterans. We also wish to thank those who contributed to the event: the St. Charles County Sheriff's Honor Guard; the St. Charles County Parks Dept. for their assistance in this event; VFW Post #5651 in New Melle for the display of American Flags;

the Woodmen of the World of St. Charles which presented an American Flag and patriotic book to each Veteran; the Financial Supply Company for the red, white & blue

buttermint candies; to Boy Scout Troop #853 for their assistance; St. Pierre Mfg. Co. who donated 30 pairs of horseshoes to the Veterans; Schnucks Supermarket in Lake

St. Louis for donating plastic bags; to Bill Wade who supplied dozens and dozens of cookies for the Veterans; and to all Volunteers who made this event possible.

To all our NHPA members reading this

article, we want to thank you for your donations you have contributed to the NHPF. It is with your support that we could donate the usage of this facility to salute our Veterans. Keep on supporting the NHPF with your donations and brick orders by sending them to the NHPF, P.O. Box 1628, Penn Valley, CA 95946. It is the only way to preserve the history,

showcase the present and build the future of horseshoe pitching — the game we all love and enjoy. God bless you and God bless America.

It is the Vet, not the preacher who has given us freedom of religion;

It is the Vet, not the campus organizer who has given us freedom to assemble;

It is the Vet, not the lawyer who has given us the right to a fair trial;

It is the Vet, not the politician who has given us the right to vote;

It is the Veteran who salutes the flag;
It is the Veteran, who serves under the flag.
Eternal rest grant them, O Lord, and let perpetual light shine upon them!

YOUTH FOR UNDERSTANDING by Micah Snead

Attention Horseshoe Pitchers!

Youth for Understanding (YFU) is an international high school exchange student program. They are one of the oldest and largest such programs, annually exchanging approximately 4,500 students worldwide from over 50 countries. The students involved in this program are often very outgoing, positive young people, looking for new experiences and are taking a big step in leaving their home countries to study a year in the United States learning about our cultures and heritage. YFU is always looking for caring, loving, supportive families to volunteer as well as to become Host Families for the arriving students. Most of these students have been planning for up to a year or more to come to the US and have put a lot of time, effort, and money into this opportunity. Schools in other countries don't always start as late as in the US, so their commitment is locked in whether they find a Host Family or not. Being a HF, you are able to temporarily adopt a child, welcoming them into your home for the school year as one of your own. It gives you a wonderful opportunity to help build and strengthen international bonds and understanding of our country and its culture.

The students are also encouraged to join sports teams to get to know different people, and to learn something new. This is a perfect opportunity to introduce them to the world of Horseshoe Pitching and help give the sport a chance to blossom worldwide! If you still have children of your own at home, it can offer them a lifelong friendship and give them a once in a lifetime view of life in foreign country. Whether or not you have

children, it also gives you a wonderful opportunity to experience or reexperience local and statewide events and locations such as festivals, parks, restaurants, government buildings, museums, theme parks, sporting events and so much more. When you have a student that is in the US for the first time, almost everything here is new to them, and through them you can find new appreciation for things that you may be used to or have overlooked. Many students return later to visit with their HF, and all of their friends that they make during their year, and often welcome the same friends to visit them in their own country. With social media, email, and services like Skype, it is becoming increasingly easy to keep in contact with these young people as they grow into their own place in the world. If you have any comments or questions, or would like more information, please contact YFU at http://www.yfu.org/.

Students will be arriving throughout August and some students still do not have a HF locked in at this time. It is a very nerve-wracking time for those that do not have a placement as they are hoping that their planning and effort is not in vain. If you or someone you know at your work, church, school, local horseshoe club, etc is able to host a student this school year, or even provide an emergency placement, please contact the website ASAP. Emergency placements are short term, but very beneficial, as it allows the student time to enter school in the US and begin looking on their own and with volunteer support for friends at school, in sports, or the community that can provide them with a more permanent placement. Any help is greatly appreciated by the YFU community and the students it supports! Thank you for your time.

WORLD RECORDS

By Mel Yockstick – The Statman

The NHPA World Tournament players were "Itchin' to start Pitchin'" on July 30th. The Elder's division this year (22 Classes) helped kicked off the first week. The 2012 Elder's set a new World record with entries at 351. The old record was set at 329 during the 2010 Iowa World Tournament. Soon the Elder's entries will surpass the Men's group for the most pitchers. If you would like to see past 40 point era entries by each division since 1982 to 2012, go to NHPA website and click on WT and then World records then click on "WT Entries by Divisions". Data on the 50 point era to follow.

Many thanks to the Tennessee State Clubs who put in many hours making sure the courts where ready for pitching. Also, many thanks to the NHPA officers for keeping the World Tournament running so smoothly. Thumbs up to the Stat Room for keeping the computers working and getting the printed results out to the pitchers. Kudos to the "Daily Shoe" for the good information. I might add that it's always fun to run across old acquaintances.

The 2012 NHPA Hall of Fame and Awards banquet was a hit as many players received awards. This year two men received 90% patches for pitching 90% games in the 2011 world tournament. Dan Watson (Men's Division) from Alabama pitched a 91.18% game and Paul McGee (Elder's Division) from Maryland

pitched 93.18%. Also, other 90% patches were handed out to past recipients.

Congratulation to Joan Elmore from TN and Ralph Adrain from OH for their perfect game award. Joan pitched her fifth perfect game (22 ringers out of 22 shoes) and Ralph pitched his second perfect game (16 ringers out 16 shoes). Super performance by these pitchers.

Congratulation goes out to Ottie Reno for his 53rd World tournament. Ottie, who is 83 years young, finished tenth in Elder's Class C1 (4-11, 46.33%).

The States winning the most 1st, 2nd, and 3rd place trophies at the 2012 World are: Ohio takes the top spot with 28, Missouri 17, Tennessee 16, Kentucky 15, and Illinois 13.

See attached chart for player highlights on all Championship Divisions.

WORLD TOURNAMENT SENIOR MEN'S CHAMPIONSHIP By Chad Hyatt

Jim Cooper wins his First Senior Men's Title

I have had many opportunities over the years to compete against Tennessee's, Jim Cooper. However, it was a practice session earlier this year that was the most influential. While pitching together in Waterloo, New York at a Horseshoe Pitching Pro Tour event, Jim talked about what appear to be the "magic" in his game. It was amazing. If he could reach out and be up on his toes, then his shoe would be up in the air and smoothly floating along landing on the stake for a ringer. The more I listened to him, the more I started experiencing that magic. It was great to watch that magic, but even better to see it pay off big for Jim in Knoxville as he captured his first World Championship in the Senior Men Division.

From the start, Jim Cooper was looking strong at the tournament. He outpaced everyone in the Class Play rounds and easily secured the number one seed with a 67.68%, well in front of the next closest competitor, Raymond Bedard of Massachusetts with a 62.88%. As the Championship Finals began, Jim came out a bit cool against Jon Harris of Colorado, but heated up nicely after that, ending the first day with a strong 74% game against Dennis Wilson of Pennsylvania and a perfect 6-0 record. However, it was looking like the final day of the tournament would be one to watch as four-time world champion, Ron Deckard of Florida, enjoyed a perfect

record on the first day, as well. Not too far behind were Bedard and Rich Knerem Sr. of Ohio.

On the final day, it seemed that Cooper knew his destiny. He fired all but one game in the 70's and left no doubt about his intentions on winning this event. This day started with Deckard looking especially strong against Knerem as Deckard threw 80.36%. Cooper blasted Mick Gillette of Missouri with his own 76.19% game. The second game (eighth round of the tournament) matched the two undefeated stars against each other, but it was Cooper stepping up the pace with a 78.85% game to claim the win. It wasn't over yet, but Cooper had put himself in the driver's seat with this win. He finished the day by knocking off Tom Westbrook of South Carolina along with Knerem and Bedard. In the end Jim averaged 69.58% and worked his magic to an undefeated tournament and a well-deserved World Championship title. Congratulations Jim Cooper. You deserve this title!

The finalist in the Senior Men's Championship Class were: Jim Cooper (Tennessee), Ron Deckard (Florida), Raymond Bedard (Massachusetts), Rich Knerem Sr. (Ohio), Larry Knop (Illinois), Tom Westbrook (South Carolina), Dennis Wilson (Pennsylvania), Stan Leis (Ontario, CA), Mick Gillette (Missouri), Roy Buhler (Utah), Troy Stapler (Georgia), and Jon Harris (Colorado).

WORLD TOURNAMENT ELDER MEN'S 30' CHAMPIONSHIP By Chad Hyatt

Pintor Pitches His Way to First Elder's Title

Some people used to say that Rich Pintor pitched off of the wrong foot, but what they should have said is that he pitched off of the other right foot. No matter how you look at it, everyone now knows Rich Pintor is the 2012 Elder's World Champion.

Many people would argue that the Elder's division is the most competitive division in horseshoe pitching today. It took a 70% ringer average to qualify for the championship finals and then, with all of that pressure on them, no one averaged under 70% in the finals. This division saw every player in the group throw at least one game of at least 79.5%, ten games over 85% and two of those games were over 90%. The top game in the group was 95.35% by Virgil Rife who threw 82 ringers out of 86 shoes. His opponent, Rich Altis, threw 81.4% the same game. As you can see, competitive horseshoe pitching was certainly on display as these top 16 Elders matched talents against each other.

The division was looking competitive beginning on the first day. By the end of these early rounds, Pintor, Rife and Bobby Fields were undefeated and looking strong. Not far behind was defending champion, Russ Phillips at 4-1. The long game of the day came between former champion, Ed Arionus and Barry Chapelle. The game was 110 shoes and Chapelle came out on top, 40-28.

As day two started, things took a bit of a turn. Field dropped his first game, Rife dropped his first two games, and the eighth game was unlucky for both Pintor and Phillips. By the end of the second day,

Pintor was 9-1, Rife and Fields were 8-2, and Phillips was joined at 7-3 by Rich Altis. This day saw a couple of long games, both in the seventh round. First, Arionus battled in a 106 shoe game with Rife and won his second 100+ shoe game of the tournament. In the longest game of the division, Lawrence Hinton bested Herschel Walters in 114 shoes with both players throwing over 80% ringers for the match.

The stage was now set for day three to roll out some epic battles for the title. The first round of the day added to the drama as Pintor was dropped by Tom Hall and Fields was beat by Walters. We now had Rife and Pintor together at 9-2 while Fields, Phillips and Altis were 8-3. The twelfth game of the tournament would pit Pintor and Fields against each other, with Pintor winning what was one of the lowest percentage games for both players. Rife kept pace, as did Phillips and Altis, by winning. This set up the match that everyone was anticipating on this final day, Pintor vs. Rife. Both players were on their games, but it was Pintor with an 81.71% game edging Rife, who threw 79.27% in losing 40-30. Now, it was Pintor's to finish, which he did by knocking off Walters and Phillips. It was as if Pintor really wanted that title as he blistered Phillips with an 89.06% game in the finale to secure the title.

Congratulations to all 16 finalists in the Elder's Championship: Rich Pintor (CO), Virgil Rife (OH), Richard Altis (MO), Tom Hall (FL), Lawrence Hinton (MI), Russ Phillips (WA), Bobby Fields (TN), Roy Dugger (OH), Ralph Adrian (OH), Ed Arionus (TX), Herschel Walters (IN), Paul McGee (MD), Jesse Hough (IN), Barry Chapelle (OR), Charles Gray (TN), and Charles Dougherty (OH).

WORLD TOURNAMENT MEN'S CHAMPIONSHIP By Chad Hyatt

Despite the List of Fierce Competitors, a Familiar Face Takes Men's Title

For the 2012 Men's World Horseshoe Pitching Championships in Knoxville, Tennessee, the stage was set for the strongest level of competition in recent years. The top six players in NATSTATS had entered the tournament and they all had reasons to believe that they could compete for the title. Former world champions, Alan Francis and Brian Simmons, were certainly ready for their annual battle. Among the other players was Jim Walters, who had recently beat Francis in a thrilling display in Ohio. Tom Williams was feeling strong this year after maintaining a ringer average over 80% all season. Dan Watson had been steady and strong all year and Charlie Meredith was putting in the practice hours to raise his game back to the levels of mastery he displayed in the 1990's. With these six players believing in themselves and ten other fierce competitors not willing to be counted out, this would certainly be an entertaining championship.

As Championship Play got started, the field quickly worked into two groups as one set piled on the wins and the others seemed to pile on the losses. After Day One, seven guys had totaled 33 wins and just two losses. The other eight guys had scrapped together just seven wins and amassed 38 losses. It was becoming very clear who the main contenders were in this championship. However, compiling these wins didn't come without some challenge. Rick Howe pushed Francis and Walters to extended games. Williams was challenged a bit by Jerry Dean, Austin Bailey and Ken Jones. Gerald Bernard made Meredith dig in to remain undefeated. Always tough Tony Hankins got focused against Walters and matched up nicely with Jim as they both pitched well into the 70 percent range that game.

The second day of competition was shaping up similar to the first as the top players continued to win, until starting to match up against each other in the final games of the day. By the end of the second day, it was Francis all alone at the top and undefeated. Meanwhile, the other top competitors had been knocking each other off in the final two games. Williams handled Meredith, but was slowed down by a 90% game from Walters. It looked like Walters was taking

some frustration out on Williams after Watson beat Walters the game before playing Williams. Watson went undefeated on Day Two, beating Meredith and holding on against Walter Mullins, to stay near the top with only one loss for the tournament. Defending champ, Simmons, had his first setback in the tenth round against Mark Smith and Shannon Foster dropped his final two games of the day to drop back from the lead. As the second day settled, Francis was 10-0, Simmons, Williams, Walters and Watson were all 9-1, Meredith was 8-2 and Foster was now 7-3. The great divide in the class was still evident as these seven gentlemen accounted for 87% of the wins for the class. It seemed a bit lopsided, but it sure set up the final day for a number of possible outcomes.

With five games left to play, the third day drama was ready to play out. However, it never materialized until early in the final game. The early games saw Walters stop Simmons and Francis stop Walters. Francis and Williams then knocked off Simmons and Watson over the next two games to set up the finale between the undefeated Francis and Williams, who just had the one loss to Walters. The game lived up to the hype early on as both players stayed fairly even with the score moving into the late 20's. Williams slipped up with a double miss and Francis pounced. "I don't think I missed a shoe after that." noted Francis. With a score of 41-29 and a final game percentage of 83%, Francis regained the title and increased his record number of championships in the Men's Division to 17, further etching in stone his mark as the "Greatest Horseshoe Pitcher of All Time."

Congratulations to all of the Championship Men in the 16-man Group. They were Alan Francis (OH), Tom Williams (MI), Jim Walters (OH), Dan Watson (AL), Charlie Meredith (KY), Brian Simmons (VT), Shannon Foster (TN), Walter Mullins (KY), Jerry Dean (MD), Tony Hankins (KY), Gerald Bernard (NY), Gary Roberts (OH), Austin Bailey (IL), Mark Smith (MN), Rick Howe (MA) and Ken Jones (NM). The states of Kentucky and Ohio each had three representatives in that group and the Midwest can boast that eight players reign from that area. If you want some tough competition at the 40-foot distance, take a trip to the Midwest and try your luck with these great players. It won't be easy!

WORLD TOURNAMENT SENIOR WOMEN'S CHAMPIONSHIP By Phyllis Quist

Eight great ladies competed in the Senior Women's Championship. They were Gert Wilcziek, Sheila Shepard, Jane Jordan, Ruth Rife, Marlene Cooper, Connie Reimer, Jane Shrantz and alternate Oralee Jeardoe.

At the end of the first days' pitching, three were undefeated – Gert Wilcziek, Sheila Shepard and Jane Jordan.

Ruth Rife had a high game of 84.62% and the longest game was between Oralee Jeardoe and Jane Schrantz at 72 shoes — a hard fought game with a win for Oralee 41-36. Oralee also had the shortest game of 30 shoes against Gert.

It really became a "Gert Wilcziek Show" as all but one of her games was in the 80% range – high being 88.89 and averaging 81.97% for the tournament. Five out of her seven opponents only scored single digits against her. Sheila kept up with her in wins until the final game between the two, where Gert won 40 - 17.

Jane Jordan claimed the third place trophy, Sheila Shepard stood in second place and the Championship Senior Women's trophy was presented to Gert Wilcziek. Gert has been a long time challenger in past world tournaments and we share in her tears of joy at winning that coveted championship title as the Best in the World. Congratulations Gert!

WORLD TOURNAMENT WOMEN'S CHAMPIONSHIP By Phyllis Quist

Practice, practice and concentrate, concentrate, concentrate. Those are the two elements that our champions adhere to. And who says this is not a strenuous and dangerous sport!!! Three of our top pitchers were unable to compete - Tamara Burke had to withdraw due to a back injury, Debra Odum fell after the second day of prelims and had a severe ankle break and Marlene Ray had to drop out the third day of championship competition. We send our best wishes to all three for speedy recoveries.

On the first day of championship competition Joan Elmore started the day with 90.54% and 93.18% games and she never looked back. Also the first day, Vicki Kunde hit 27 of 28 for a 96.43% game which was the tournament high. There were many hard fought games. Jane Cordingley's first five games were all won or lost on that last pitch which averaged out to 70 shoes per game. The longest game of the rounds went 98 shoes between Joan Elmore and Vicki Kunde. Some other notable stats were: the most shoes pitched was 914 by Sally Mullins – the most ringers was 721 by Joan Elmore – the most games with a score spread of six points or less was Amy Hall with seven such games. At the end of day one, four ladies were undefeated - Joan Elmore, Vicki Kunde, Debra Brown and Brenda Tawney. Day two saw only Joan Elmore with that no loss record.

And as day three came to a close, Brenda Tawney had captured the number three spot and Debra Brown took claim to second place - and with a perfect 15 - 0 record, Joan Elmore again retained her title and is our 2012 Ladies World Champion.

We congratulate all the ladies who qualified for the championship playoffs – 16 of the very best. And to Joan – you are an inspiration to us all and your calmness and grace both on and off the courts exudes a great champion and far exceeds championship status.

WORLD TOURNAMENT JUNIOR'S CHAMPIONSHIP By Aleena Cook

Junior's Rocky Top Ringers

The world tournament was a very exciting year for the juniors. With seventy-nine junior pitchers, they started off their tournament with a meet-n-greet where the juniors were able to get to know new pitchers and catch up with old friends.

The two day prelims started with everyone pitching four to five games. The crowds were large, as spectators filled chairs and bleachers to watch the cadets and juniors. Games were long and nerve racking as pitchers tried their hardest to outplay their competition.

As day two started, pitchers knew what they had to do to win their classes and to hopefully make the championship class. The only playoff game was a three-way tie for first in juniors class E between three young Kentucky men. The bleachers were filled with blue shirts as Andrew Anness and Zach Hankins pitched the first game. With a thirty-two to twenty win, Zach moved on to pitch against Alec Craven. The crowd was on the edge of their seats as Zach and Alec battled it out. After some intense shoes, Zach ended up the victor with a thirtyone to twenty-one win. Other class winners included Travis LaMothe from Iowa - class F, Jacob Cox from Michigan - class D, Kelcee Davault from Missouri - class C, Heather Feavel from Wisconsin - class B, Dalton Rakestraw from Missouri - class A, and Ryan Schepers from Missouri - Cadet A. After the eight boys, six girls, and four cadets were announced for the championship playoffs, everyone went home for a good night's sleep.

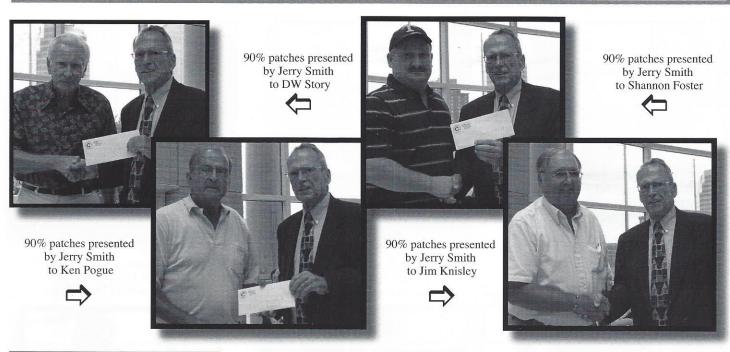

The cadet championship class pitched a double round robin. Family, friends, and fans of these young men were on the edges of their seats during every shoe. Games were back and forth as each cadet pitched their heart out. In the end, every proud parent, grandparent, and fan had a big smile and hugs to give. Ryan Schepers from Missouri became the 2012 Cadet's World Champion averaging 49.40%! Many people were impressed by every cadet who pitched in the tournament. The junior girl's championship class was just as intense. No one could tell who the new champion would be until the last shoes were thrown. Cheers were heard and tears were shed as Brianna McCormick from Vermont won against Heather Feavel from Wisconsin. Brianna came into the tournament averaging 49.90% and won the junior girls world title averaging 60.35%!

The games for the junior boy's championship class were long and intense as each young man competed to be the ultimate champion. With the longest game being 74 shoes, it was obvious that everyone was fighting until the very last point. Dalton Rakestraw from Missouri won the 2012 junior boys world title averaging 87.65% with a high game of 90.32%!

Overall, this was one of the most exciting years for the Cadets and Juniors. New friends were made by all, and almost all said they would be returning for next year's competition. I would personally like to congratulate all junior pitchers, and can't wait to see you all again! Thank you for making this an exciting year for all of us.
