TOURNAMENT TRAVEL CONTACTS

The following is a list of all NHPA Regional Directors and the states or territory they cover. Those of you who travel and want to get out-of-area tournament information, are encouraged to contact the appropriate Regional Director. Each RD maintains a full list of all NHPA sanctioned tournaments in their area. If your travel plans call for stops in several states and you need multiple site information, you might want to contact the NHPA 5th Vice-President who is in charge of all RDs. He should have copies of all the state schedules. The address for the 5th VP can be found on page 3 of this publication.

STATE CHAMPIONSHIP RESULTS ISSUE

PRESIDENT'S MESSAGE by Stu Sipma

The 2014 World Horseshoe Tournament was held at the Hamburg Fairgrounds Event Center July 14 - 26, 2014. One thousand two hundred and sixty five (1,265) pitchers competed for cash and prizes worth over \$160,000.

The NHPA would like to recognize certain individuals who were involved in the set up of the courts for this event. I first want to recognize the individuals who were involved in the bidding for this event with Chuck Giglia, Director of Sport Sales, and Lindsay Carucci, Sports Services Manager of the Buffalo Sports Commission. Second the members of the New York Horseshoe Pitchers Association consisting of Frank Kwiatkowski, Lyle and Diane Dorler, Jim & Ellen Perry, and, Paul and Lorraine Thomas. Two other major volunteers Kaye Kennedy, Linda MacDonald and all the other members who were present during the set up and tear down. Last but not least, we cannot forget about the Hamburg Fairground Event Center staff for their efforts in making sure the facility ran properly. Some of these individuals included Annette Mathews, Event Center Director, and Jeff Rapini, Event Center Manager. On behalf of the NHPA, thank you for a job well done!

The Council would also like to recognize two of our NHPA Officers who also were instrumental in the court set up, Jerry LaBrosse and Bill Marvin. Thank you for taking time out of your busy schedule to assist in this huge undertaking. Last but of not least, I need to thank the NHPA Council, NHPA Directors, and all the NHPA staff and volunteers for their many hours of work during the two week event. None of this would have been possible without the efforts of everyone involved.

Two new items which were added to this year's event consisted of qualifying our judges to judge the games. This involved having individuals go through a classroom training course and having to pass a written test. I would like to thank all of the instructors along with the members on the committee and especially Rich Altis for the time spent making mock-ups of horseshoe pits with horseshoes to be used for teaching the judges on the proper way of measuring ringers and points and how to use the proper judging tools.

The other item new to this year's event was the "drop cam" cameras. The NHPA purchased four cameras that were set around the perimeter of the courts for live viewing of the games over the two weeks. During the end of the second week, the cameras were moved for better viewing of the Championship games. Special thanks to Rob Hagman for the idea of the cameras and the placement of these cameras over the two weeks of pitching. It was overwhelming the number of positive comments I received. It was reported to me that during the two-week event our website had over 400,000 hits.

Pertaining to the business side at the delegate meeting; four sites consisting of Cabarrus County, NC, Wichita Fall, TX, Spokane, WA, and Montgomery, AL competed to host the 2016 W.T. These

sites came in as early as the first day and stayed throughout the first week in a booth handing out information and promoting to all the members and delegates why their city would be the best fit for hosting the World Tournament. At the delegate meeting, after a second round ballot between Spokane, Washington and Montgomery, Alabama, the delegates ended up with a majority of the votes going to Montgomery, Alabama. Congratulations to these folks; we look forward to a great tournament in 2016.

Also at the delegate meeting, the delegates had to vote for a new Secretary/Treasurer; choosing between Rob Hagman and David Sidles. The winner and new Secretary/Treasurer taking over January 1, 2015 will be *David Sidles*. Congratulations to Dave. The Council would also like to thank Rob for his interest in this position. Rob will continue as our Natstats Director, at which he does a fantastic job!

The Council would like to thank Dick Hansen for the 21 years of service on the NHPA Council and also his wife, Paulette, for being by his side every one of those 21 years. ---- Thank You ----

With Dave Sidles taking over for the position of Secretary/ Treasurer January 1st, 2015, this will leave a void in the 3rd VP position. Per By-Laws ARTICLE V Section 10 which states; "any vacancies in office, except that of President, shall be filled within thirty (30) days, by the President, and with a majority approval of the Executive Council". After much thought and consideration of potential candidates, I recommended to the NHPA Council to fill the 3rd VP position by appointing Jerry Smith of Idaho to the Council. The Council unanimously agreed. Congratulations to Jerry Smith; we look forward to having you on the Council.

This was also the year that the delegates voted on the new By-Law proposal changes. Refer to the section in the Newline by Dan Sanders pertaining to the results of the By-Law changes.

At the Hall of Fame Banquet, Glenn Jamieson (deceased) was inducted into the National Horseshoe Pitchers Hall of Fame. A speech was presented by Jerry Smith with Gail Sluys receiving the plaque on behalf of Glenn's wife, Shirley.

In closing, I also want to thank the NHPA Council, Directors, and NHPA staff for their many, long hours of working this World Tournament over the 2 ½ weeks. Not many people know what goes on behind the scenes, but I want to make sure their work does not go unnoticed. I feel in my heart, this is the best the NHPA Council has worked together in all of my years of serving on the Council. ----THANK YOU----

To conclude my article, I want to apologize if I have missed mentioning anyone specifically. Please know it was not intentional and none of this would have been possible without your assistance.

REGIONAL DIRECTORS REPORT by Bill Marvin

My first World Tournament as an NHPA officer is history. As 5th Vice President, my area of responsibility includes shoe check on Monday and Thursdays; and did we check shoes!! With the help of several Regional Directors and others (looking at you Ken Walters!!!), each shoe was weighed and fit in the NHPA fixture to be sure they were in specification. We found some that needed to be "trimmed" with the grinder, and confiscated a few that could not be brought into the legal limits. Overall, there were no major issues, just long days, and thanks to everyone who was able to assist.

Even though I have been involved with the Illinois State Tournament for 20 years (averaging 200 pitchers), running a shift at the World is quite a different stage: scorekeepers, judges, and other details can seem overwhelming. In spite of reading day 3 announcements on day 2, overall it went quite smooth. Special thanks to the other NHPA officers for their help and encouragement. The highlight of having this responsibility is being involved in the awarding of prize money and trophies. Smiles and congratulations all around make this ceremony very special.

One addition to this World Tournament was the web cams that brought the event into the homes and offices of millions of viewers. From set up to tear down, all the action was seen in every corner of the world (my daughter in Guam was watching), and the positive comments were overwhelming. There are plans to add more cameras, with one focused on the leader board, to keep everyone up to date with the action as it happens. It is not exactly the same as being at the courts, but for those unable to attend, it gives a sense of the being a part of the tournament.

The Hamburg Event Center staff and members of the New York Horseshoe Pitchers Association spent untold hours working to make the Tournament successful. Their can do attitude and willingness to go the extra mile is exactly what it takes to put on an event of this magnitude. In spite of a few wrinkles along the way from start to finish, we were able to stay on schedule and keep the ringers flying. Thanks to all.

Though it may seem like a long time off, it is not too early to start thinking about Topeka. Early indications are that the Kansas folks are primed and ready to put on a great tournament in 2015. Now is the time to recruit new members and get them qualified for next year's World Tournament.

Easy does it.

PUBLICITY / PROMOTION by Tina Hawkins

Another successful World Tournament has come and gone and the camaraderie of being among so many people who share the same passion is put on hold for another year. Many ideas, suggestions and improvements are brainstormed during world - over a cup of coffee or a waffle, or in this case, perhaps a "wing!"

A lot of those ideas will be put in effect between now and Topeka!! Several names were collected as possible members of a "Sponsorship Committee" whose purpose will be to help research and ultimately secure a major corporation as a National sponsor for the NHPA. Those people will be contacted soon to begin laying out a plan. If you have interest in joining this group, email your name and qualifications to NHPA 2nd Vice President, Tina Hawkins at publicity@horseshoepitching.com.

Comments and suggestions were garnered in other ways in New York, as well. The comment box is always a source of ideas. These comments and suggestions will be reviewed by the Executive Council during its annual winter meeting.

Visitation with the crowd can prove very enlightening as well. Those who had meaningful conversations with NHPA officers and directors during the course of the World Tournament, please follow up by sending an email to the staff member involved.

Many times, while the council and staff are totally on board with your idea, the business and demands of the event take over - causing the conversation to fade from memory... And no good idea should be allowed to die!

As always, your input for the betterment of our event and the NHPA is welcome and encouraged! After all, it is YOUR association!

One very big addition to this year's event – which will likely GROW for the Topeka tournament – was the live video feed on our NHPA website! Hundreds, if not THOUSANDS of people were able to watch the pitching action from home. This exposure will greatly enhance the possibility of landing a major sponsor for the NHPA, as it will show worldwide visibility of a corporation's branding!

With this, eNewsline, eNewsblasts, electronic scoring and MORE – the National Horseshoe Pitchers Association is truly joining the world of technology and becoming modern, exciting, and appealing to all ages!

SANCTIONED CLUB/LEAGUE by David Sidles

I decided to look back on last year's WT edition for inspiration and of course, I gushed about the stunning scenery in St George. All my life, I had not put Niagara Falls on my bucket list. I was so wrong. Carla and I did find time to take it in and I'm sure like many others we were in awe of the sheer power and beauty of it all. I could easily go back and spend a weekend in one of the hotels on the Canadian side with a view of the falls. I also hope many of you found Mulberry Italian Ristorante, a place featured on the Food Channel's Diner's, Drive Inn's and Dives. Simply outstanding cuisine.

All this was just icing to what was a nearly perfect two weeks for me. I was fortunate, and I really mean fortunate, to win my first Class Championship at a WT. I was also successful in my bid to become Dick Hansen's successor. It all made walking around with my broken big toe a lot less uncomfortable.

A lot of knowledge and experience will be leaving this council.

It's my hope that this transition is smooth and that you'll be patient with me as I begin my new role. I in turn will be working with Jerry Smith to see that the Sanctioned League Program continues uninterrupted and in good hands. I look forward to the challenge of the position of Secretary/Treasurer, but also realize that this was in all likelihood, my last WT as a pitcher for awhile. The upside is that hopefully in 2015 I will be able to actually play in the Sanctioned League Tournament as we just sanctioned our indoor winter league here in Omaha. We will probably add 50 to 60 new NHPA members by doing so.

Finally, I just want to say how much I enjoyed working with the members of this Council to do our part in putting on this World Tournament. I have never been around a more devoted group of individuals. Thank you to each one of you for the effort that you put into making this tournament the event that it is. May they keep getting better every year.

HALL OF FAME

by Vicki Winston

Another World Tournament is in the record books, and I am grateful for the opportunity to have once again been able to spend a few days with other members of our horseshoe pitching family. While I was in Hamburg, NY someone asked me how many World Tournaments I have attended, so I started counting. I haven't pitched in all of them, but to the best of my knowledge have spent at least a few days at every World Tournament since 1953, with the exception of four. If my math is correct, that is 58 World Tournaments. There probably aren't too many people who have been as privileged as I have been and who have seen all of the World Tournament venues that I have seen during my lifetime. God has been good. My experiences continue to cause me to be in awe at all of the people who are willing to work so hard to make sure the World Tournament happens each year. My late husband was a NHPA Vice President for 28 years, so I've been involved myself and I know what it takes. From the NHPA officials to the tournament hosts, this is a huge undertaking to get everything set up and ready to go on time. With the continuing addition of more electronics each year, it takes even more hours than in previous years. I applaud everyone, including the numerous volunteers, who worked many long days so that many horseshoe pitchers from the United States and Canada could have an enjoyable World Tournament experience in 2014.

I do know that the addition of the webcams seem to have been a big hit. I received e-mails from people who were watching. I even received a phone call from someone who was watching as he talked on the phone. He was giving me a pitch by pitch description of a few innings of the game in progress as he talked. I know people who don't even play horseshoes who were watching the webcams from time to time.

Sunday, July 20, was a very busy day with the NHPA Convention taking place for the first few hours of the day. The convention was followed by the annual NHPA church service put together by the

NHPA Chaplain, Ken Heinritz. This is one of my favorite times during a World Tournament and all of the people who take part in the service are members of our horseshoe pitching family. I really look forward every year to attending the church service. Last, but not least, was the annual Hall of Fame and Awards Banquet. The caterers did a good job with the food and with moving everyone through the serving lines in a timely manner. There was lots of room and it was easy to move between the tables. Several deserving people and charters were presented various awards and then before we came to the grand finale for the evening, the comedy duo of Paul Stewart and Kurt Whaley conducted an auction of several items that had been donated for the occasion. We had a lot of fun while they were raising money for a good cause. I haven't laughed so hard in a long time. Then it was time for the induction ceremony for the late Glenn Jamieson, who was elected to the NHPA Hall of Fame this year. It was my privilege to introduce Jerry Smith, who gave the induction speech for Glenn. As Glenn's widow, Shirley, was unable to be with us in New York, Gail Sluys accepted Glenn's Hall of Fame plaque on Shirley's behalf.

I stayed in New York through Tuesday, July 22nd, so that I could hold a meeting of Hall of Fame Committee members. Unfortunately, many committee members were unable to attend the tournament this year and another had to leave New York because of illness. This left just six of our 15 member committee for the meeting, but we had some good discussion and I will be taking up some business with all committee members via e-mail and snail mail at a later date.

The Good Lord willing, I will see everyone next year in Topeka. I have my raffle tickets purchased so that I can win the free hotel room. Smile! In case I should happen to win a free World Tournament entry, I will give that away to someone who can put it to good use.

PROPOSED BYLAW CHANGES AND CONVENTION VOTING RESULTS By Dan Sanders

Hello All... I just recently returned from our most successful World Tournament, held in Buffalo, NY and I must say that in all of the WTs I've attended, since my first back in 1983, this one stands out as one of the very best in my memory! From the pre-planning to the set-up, to the running of the tournament, from the vendors to the Convention and Banquet, to the tear-down... all of it ran so very smoothly, and this was due to the many responsible people who were involved and who all 'did their jobs'. My heartfelt thanks to every one of you... you know who you are!

Please find below a *summary* of the NHPA Convention delegate voting for each of the 10 Proposed Bylaws Changes that were discussed and voted on. A 2/3 majority vote (76 votes) was required for proposals to be passed. If you wish to see a more complete copy of the text information, please check earlier issues of Newsline Magazine or the NHPA Website. This same information was also included in each of the delegate packets.

PBC #1 – **Article III**, **Sec. 8** – Any member may be suspended for:

Discussion... Should Sections f. and g. be added? Section f. Un-sportsman-like conduct while participating in or attending a sanctioned event.

Yes votes = 109 or No votes = 5 **PASSED**Section g. Violating agreed-to NHPA forum guidelines when submitting/responding to posts to the NHPA forum.

Yes votes = 36 or No votes = 78 **FAILED**

PBC #2 – Article III, Sec. 9 – (On Length of Suspensions) Change "may be suspended for one year." to "may be suspended for *up to* one year."

Yes votes = 110 or No votes = 4 **PASSED**

PBC #3 – Article III, Sec. 10 – (On Suspensions, this PBC adds more complete information about suspensions and allows for more direction to Charter Officers for dealing with minor Rules violations)

Yes votes = 112 or No votes = 2 **PASSED**

PBC #4 - Article IV, Sec. 2.c 4. – (Duties of Secretary/ Treasurer, re fiscal year reporting)

A change of wording for Sec.2.c 4, to allow for an easier change of dates for our fiscal year, thus making it easier for our members to better understand our annual income and expenditures.

Yes votes = 109 or No votes = 4 **PASSED**Addition of NOTE: – The addition of this NOTE will provide access information about a more detailed Secretary/Treasurer

Job Description.

Yes votes = 114 or No votes = 0 **PASSED**

PBC #5 - Article V, Sec 3.e - Time and Expense...

This slight change to Section 3.e will provide for a new and different (but required) formula for determining the amount of compensation for our current and future eNewsline editors.

Yes votes = 114 or No votes = 0 **PASSED**

PBC #6 - Article V, Sec 7 (re deadlines for announcing candidacy)

This change of date will allow more time for interested candidates to announce their intent to run for offices that are being vacated by incumbents.

Yes votes = 114 or No votes = 0 **PASSED**

PBC #7 – Article V, Sec 8 – a,b,c, and d – Terms of Office Should the office of Secretary/Treasurer become an *appointed* position, by the NHPA President and Council? (If so, also some slight changes/adjustments for when VPs would be elected).

Yes votes = 22 or No votes = 92 **FAILED**

PBC #8 – Article V, Sec 8 – a, also b,c,d – Terms of Office Should the term length for NHPA Officers be changed from 2 years to 3 years? (If so, also some slight changes/adjustments for when VPs would be elected).

Yes votes = 83 or No votes = 31 **PASSED**

PBC #9 - Article IX - Convention

Shall the time limit for Charter Presidents to provide a delegate list to the President be changed from 72 hours to 12 hours, and also allow this to be done via e-mail correspondence?

Yes votes = 110 or No votes = 4 **PASSED**

PBC # 10 - Article VII - Charters

Shall States be allowed to apply for an additional Charter, based on 50 *current* members, or shall they still be required to produce a list of 50 *new* members?

50 new members (current wording) = 38 votes, OR 50 current members (proposed wording) = 76 votes PASSED

IMPORTANT REMINDER... This next year (2015) is the year for proposed RGS changes, and our NHPA Bylaws state that, "All member-proposed changes to the NHPA Bylaws and RGS Book shall be submitted in writing to the respective Committee Chairperson (currently Dan Sanders) and shall be post-marked no later than December 31st of the year (2015) preceding the appropriate Convention. And so in the next

few months, please review the RGS Book and if you would like to submit a proposed change for our Rules Committee to consider, please submit this change in writing to me (US mail or by e-mail) by the end of December, as follows: Please include the page number, current wording, your proposed change to the wording (with new wording underlined or italicized), and the reason(s) for this proposed change. Please find my US mailing address and e-mail address listed on page 2 of this Newsline Magazine. A copy of the RGS Book can be found on our NHPA Website, or can be requested from your State Secretary or by contacting Dick Hansen, NHPA Secretary/Treasurer.

World Tournament Judging Clinics... A Big Success! Although Judging Clinics have been offered at past World Tournaments, this Clinic was unique in that it included a 'classroom session' where 20 selected True/False — Yes/No questions were selected and used as a basis of discussion for situations that are more likely to occur during the course of tournament play. A power-point presentation was also developed and was very useful during this discussion. In addition, several table-top 'pit models' were available for demonstrating and discussing

the use of measuring tools, including the 'bridge tool' (ever hear of this one?) These sessions lasted from 45 minutes to an hour, depending on participation and questions. Over the two-week tournament, no less that 56 pitchers attended one of these sessions, and the overall response was very favorable. Someone even said, 'Every pitcher should be required to attend this clinic, whether they plan to become a judge or not! If they did, there would be a lot fewer problems out there on the courts." And so, if you ever have an opportunity to attend one of these Judging Clinics, please do! All of these written materials, and also most of the 'pit models', have now been sent to 5 different Charters where qualified members will be offering these Clinics to you and to other members! Please plan to attend one of these Clinics! Special thanks are extended to Rich Altis, Roy Evans, Bob Bastel, Bob Beagle, and Stacy Robinson/Sanders for the development of these materials, and for helping me with these presentations. Thanks also to our many Judges for attending these clinics and helping to advance the qualifications of our World Tournament Judges!

CHARTER COMMUNICATIONS by Jerry LaBrosse

Another great world tournament is in the books, and congratulations to all of crowned world champions, and also individual class champions!

Many thanks go out to all of the volunteers that helped put this show on ... from setup to two weeks of competition, and then to the tear down and loading of the trailer. The staff of the Event Center was outstanding. I've been involved in setting up this event for the past seven years, and I haven't seen a more professional and cooperative group to work with. My heartfelt thanks to you all. Thanks to the New York charter members and also Chuck and Lindsay of the local CVB, who all worked many hard hours throughout our time there. And thank you for providing such great clay this year!!!

Thanks also to all of you who took the time to stop and meet me – to chat or just to compliment our staff. Fortunately, we hear 25 compliments for every one complaint. We've been putting out a suggestion box for the past few years, and it actually works well. Tina Hawkins manages the suggestions and compiles them in a report for discussion at our winter board meeting. There are funny ones, angry ones, and cute ones. But there are some good ones that get attention and discussion, and may eventually add to the betterment of the overall event.

I made many new friends this year, both American and Canadian, and have become their information 'connection." I had one gentleman from New England say he was amazed at how much work goes into putting on the world tournament, and then he asked "why do you do it?" I just quietly said "basically for the love of the game." That exchange stuck in my head all day and night, and after thinking about it, I realized there's much more to it than just the love of the game. Being an officer at the world tournament exposes you to a lot of people you wouldn't have met otherwise. I have made way more friends after becoming an officer, and

to me that's what it's all about. Being a part of the team that plans and conducts these fantastic world tournaments, and also plans and shapes the future of our sport gives me great pride.

At the convention, I addressed the delegates regarding the new eNewsline that begins in January. We talked about the importance of collecting as many of our memberships email addresses as possible, so that everyone would receive Newsline right to their inbox for free. They will also receive other important information and announcements sent out regularly. We stated that anyone can unsubscribe anytime they want, and that their email addresses are secure and will not be shared or sold ... guaranteed. We are asking all charters to gather their members' addresses, sending them to Newsline@horseshoepitching. com. Ideally, the list will be an Excel document, but we will accept files in just about any format. And, if you happen to add some new members to the list, you can send the whole list in again, and we will simply merge the files. We greatly appreciate your cooperation with this request, and look forward to providing you an online publication that is professional, in color, easy to use, and a very effective recruitment tool ... at no cost to you.

One last request is for your support of the World Tournament Experience Raffle. You can win a package of goods for the 2015 World Tournament in Tokepa; including your entry fee, lodging, and others goods. Raffle proceeds are directed toward expanding our equipment. This year we added live streaming video from the tournament and it was an overwhelming success. We started this year with only four cameras, but have plans to expand that next year. Look for the raffle tickets at your own state tournament or contact me directly to buy. You could win AND help support our future!

2014 NHPA STATE OFFICERS MEETING By Debby Michaud

3 P.M. - Saturday, July 19, 2014 in Hamburg, NY

Thirty-two State HPA officers representing 20 charters met during the World Horseshoe Tournament. This annual meeting was presided over by Debby Michaud, MA HPA secretary and former NHPA 5th VP. Notes were taken by Phyllis Quist, Promotions chairman in the WA HPA. This meeting annually offers various charter officers the chance to compare notes, discuss concerns, and share success stories.

It is apparent that there has been much progress made in a very short time in the NHPA. Several previous topics of discussion are no longer on the table. However, we do still have some common concerns, the most important being the concern that we need to add, and keep, more members who love to pitch horseshoes. Various ideas were presented. A new idea was to contact local Home Schooling Associations - parents in these groups are often looking for more activities for their home schooled children. These children would be very good candidates to become horseshoe pitchers. Their numbers are growing and their parents are very involved. Another opportunity to explore is to request funds from a local or regional Recreation Commission or Recreation Board - these funds can be used to run an instructional program for new pitchers of all ages, providing horseshoes, measuring tools etc. for the new pitchers. Other avenues to try are to work through the local Boys' Clubs or Girls' Club, summer recreation programs in towns and in cities, and organizations such as the Future Farmers of America and 4-H clubs. The young people that are in these organizations might be a good fit for us and our sport. We agreed that if we can get the young parents in, we might get their children as well. Reaching out to adult basketball and softball groups

is another option to reach those who are ready for a "quieter" sport but who still crave competition. We agreed that we must utilize the modern social media such as Twitter and Facebook, etc. to obtain and keep new members as well.

Next topic was that, in several charters, there are pitchers who do NOT have a current NHPA card who are pitching in sanctioned tournaments. We agreed to encourage every tournament director to ask to see the pitcher's current NHPA card, especially in the earliest tournaments. It is effective for each charter to post an updated list of all current NHPA members on its website and to update that list frequently. Any tournament director can check this list prior to any tournament to be sure that all who entered have a current card. tool to help us is for ALL sanctioned leagues to send their membership report in to their State secretaries when they send it to the National League director. Officially, this membership report is supposed to be sent in to the National League director when the league starts in order for the NHPA insurance to cover the league. When that is sent in, please send a copy to your state secretary so that the secretary can cross check the list to make sure that all of the league members are current NHPA members.

Dave Sidles, NHPA 3rd VP in charge of Leagues and candidate for the position of NHPA Secretary/Treasurer did come in to answer questions. Ideas for improving communication among the Leagues, their charters, and the NHPA VP in charge of Leagues were verbalized and those ideas will be shared with the next League Director and with Dave Sidles. (Mr. Sidles was subsequently elected to the position of NHPA Secretary/ Treasurer, beginning on January 1, 2015. At that time, Jerry Smith of Idaho will become the interim League Director.)

Prior to adjourning, we all agreed that the Newsline going online is timely. We encourage all charters to maintain an e-mail list to help this process. Although we would have been able to talk more, the meeting was adjourned at 4 P.M.

NHPF WORLD TOURNAMENT REPORT by Casey Sluys

\$59,181.71

This past WT the NHPF booth/table probably had the best location we've ever had. Thank you for those who chose this particular area. At future WT's we can only hope to duplicate this fine location.

Although the intent of the NHPF was and is to increase awareness of who we are and why we exist; it seemed to some that most of this years effort was focused on raising money. Although this is an important aspect of the foundation, increasing awareness remains our primary focus.

There has been an idea floating around that was first presented by Gary Roberts of Ohio. It is called, "The \$10.00 Per Month Club" For a mere \$10.00 per month for one year you will receive a certificate naming you a Bronze supporter of the NHPF. Of course this can be accomplished with one donation also if you prefer. The \$10.00 per month donation lasting two years would receive a certificate naming them Silver contributor and so on through 5 years or more. Upon completion of your fifth year not only will you name be added to the \$500.00 donors plaques hanging in our Hall of Fame, but you will also receive a nice engraved plaque stating that you are a Platinum contributor. Some details of this plan still need to be worked out, but if you wish to begin you may do so at anytime.

We have asked for and been granted permission to add two more Directors to the NHPF Board; they are Ron Deckard of Florida and Jim Scully of Connecticut. We welcome these two to our board. Our thoughts on this were to cover the geographical area of the United States as best we can. We hope these two new directors will add visibility to the NHPF. If you ever have any questions regarding the foundation and its existence. please ask any of us. We would love to talk to you about it.

This year an older gentleman walked up to us and handed a folded sum of money to us stating he hadn't pitched in 6 years, but wanted to support the Hall of Fame. He did not want credit for it, but we talked him into giving us his name so we could adequately recognize him. This is exactly why we man this booth at the World Tournaments. Such a warm feeling of gratitude was nearly overwhelming.

WORLD RECORDS

By Mel Yockstick – The Statman

The 2014 NHPA World Tournament, in Buffalo, New York was a barrel of fun over the Horseshoe Falls.

The number of pitchers competing this year was 1,264; representing 46 US States and six Canadian Provinces. The Niagara Falls area is a sight to see. I hope you all had a chance to travel to the falls. I want to say "Thanks" to all the World Tournament leaders and workers for a super job at the Hamburg Fairgrounds and Event Center. Special thanks go out to Jerry LaBrosse and his team for setting up and tearing down the courts. Having the new live video streaming available to those not at the event is a plus (job well done).

At the NHPA Hall of Fame and Awards banquet, it was good to see so many past and current award winners. Awards went to last year's Perfect Games pitched at St. George during championship play-Alan Francis with two (32 shoe and 28 shoe games) and Joan Elmore with (26 shoe game), the first women to pitch a perfect game in a world tournament. We also had two other pitchers hitting that perfect mark during the year; Brian Simmons from Vermont (14 shoe game) and Nick Diraimo from Missouri (14 shoe game). Congratulations!

This year the World Tournament produced seventeen 90% games. See the chart for 2014 World Tournament 90% games.

The States winning the most 1st, 2nd, and 3rd place trophies this year:

New York 177 pitchers with 43 wins. Pennsylvania 117 pitchers and 18 wins. Ohio with 87 pitchers with 27 wins. Ontario with 102 pitchers with 18 wins. Michigan with 45 pitchers with 14 wins.

Ottie Reno attended his 55th, World Tournament which makes him the record holder for pitching in the most World Tournaments. Earl Winston once held the record for his 54 world tournaments. Mark Seibold pitched in his 51st. World Tournament. See the NHPA web site (World Tourn-50 + Participants).

Be sure and go to the NHPA website –Click on (World Tourn-WT Statistics) to review updated world records.

Congratulation to all open class and championship winners!

MEN'S CHAMPIONSHIP REPORT By Dalton Rakestraw

The Men's Championship was shaping up to be a great class from the beginning. Of the sixteen men who made the cut, thirteen states were represented. Those pitchers who made the cut in class order were... Alan Francis-Ohio; Brian Simmons-Vermont; Dan Watson- Alabama; Jim Walters-Ohio; Mike Creek-Pennsylvania; Tony Hankins-Kentucky; Gary Bearpaw-Oklahoma; Williams- Michigan; Rick Howe-Massachusetts; Gale Greene-Vermont; Robert Faidley-Pennsylvania; Jacob Fimbres-Arizona; Marcus Santillana-California; Ken Heinrtiz- Wisconsin; Jerry Dean-Maryland and Kenneth A. Fraser-New York.

The first day of competition started out rough for defending champion Alan Francis. Two games under 80! We were all shocked. From the looks of it at the start, we may have had a new champion. But as all good pitchers do, they find their groove and he then pitched the next thirteen games over 82.1%. I believe Amy Francis (Alan's wife) is who we can thank for the better pitching. She said she takes full credit. So after the first day of competition we focus on these leaders.

Alan Francis, Brian Simmons and Mike Creek at 5-0 Dan Watson, Gary Bearpaw, Tom Williams and Rick Howe at 3-2

Jim Walters, Marcus Santillana, Jerry Dean, Jacob Fimbres and Robert Faidley at 2-3

Towards the end of day two, we see game changes from everywhere! Alan hits the 90% mark. Brian pitches two of his best games higher than 86.5%. Mike Creek falls to Jim Walters and Gary Bearpaw in his last two matches. Dan Watson pitched his best game of the championships at a 87.5%. Gary has three games in a row at 70%+. Marcus gets shaken up by Jim Walters having a 35.2% game. Tom Williams scored 10 total points his last two games combined. Rick Howe has a rough start but bounces back with two 70%+ games at the end. Jacob Fimbres and Robert Faidley lose every game! We go into day three focusing on these leaders and that one game we all love to watch.

Brian Simmons and Alan Francis at 10-0 Dan Watson and Mike Creek at 8-2 Jim Walters, Gary Bearpaw and Tom Williams at 6-4

The world title is waiting to be claimed going into day three. Who knows who will win? It is anyone's ball game or... horseshoe game. A quiet arena that morning awaited the sound. You could feel the intensity there just before pitching and clanking started. Who was going to win? It seemed, as every year, the last game between Brian Simmons and Alan Francis would be the deciding factor. But the hushed arena was awaiting the sounds for the day. Each shoe clanking against the stake. Horseshoes are fixing to fly! The question still remained... Who was going to win?

The final day of the world championships, Alan Francis was definitely ready for another world title. Averaging 88.41% for the final day of competition would secure his championship win. Brian would have some tough competition! In game 13, he would take Dan Watson to 100 shoes, winning 41-35. Brian had a nice 80% game to Dan's 79% game. In game 14, Brian would come up short and hit a brick wall mentally losing to Mike Creek 23-40. I

guarantee tired was settled in his body by then. But there are no excuses when you just get beat. It happens (take a look at me this year! Haha!) Mike Creek and Jim Walters would go 4-1 for the final day.

That final game that we all look forward too every year! This year would be a different story for both men were not 14-0. One was, but the other had one loss already. So, Brian would have to beat Alan twice (just ad Ruth Rife did to win this year's Senior Women's title) in order to win the World Championships and the World Title. Brian had already beat Alan in the prelims. Brian's nice 90% game would beat him, but that was no match for the 40 point game. Alan would take over and cruise past Brian in only 62 shoes this year! Oh well, Kansas 2015 may be a different story. Here were the Men's Championship class final results...

> World Champion- Alan Francis, OH...15-0...86.21% Runner up- Brian Simmons, VT...13-2...80.00% 3rd place- Mike Creek, PA...12-3...75.78% 4th place- Jim Walter, OH...10-5...75.26% 5th place- Dan Watson, AL...8-7...74.71% 6th place- Gary Bearpaw, OK...8-7...67.32% 7th place- Marcus Santillana, CA...8-7...66.87% 8th place- Tom Williams, MI...8-7...65.27% 9th place- Jerry Dean, MD...7-8...67.09% 10th place- Gale Greene, VT...6-9...68.08% 11th place- Rick Howe, MA...6-9...64.60% 12th place- Jacob Fimbres, AZ...5-10...62.41% 13th place- Tony Hankins, KY...4-11...64.02% 14th place- Kenneth A. I hope to see many of you pitchers next year in the Sunflower State and pitching in Kansas 2015! I leave you all with how not only myself as an FFA member, but other FFA members close a meeting... "As we mingle with others, let us be diligent in labor, just in our dealings, courteous to everyone, and, above all, honest and fair in the game of life..."

WOMEN'S CHAMPIONSHIP REPORT By Phyllis Quist

Sixteen top women pitchers took the courts to vie for the Championship title at the 2014 Hamburg World Tournament.

Joan Elmore started her first game of the day with a 92.3% game and she never looked back. Day one found four with 5-0 records - Joan Elmore, Debra Brown, Marlene Ray and Cindy Hoffman. Cindy also had a 90% game the first day. On day two, three ladies emerged with perfect 10-0 records - Joan, Debra B and Marlene. Doris Hieden had the two closest games with a win by two points against Sharon Chiddister and a loss by two points to Shalee Cason. On day three Cindy Hoffman was able to score 27 points in her game with Joan – the most anyone was able to get. In a perfect 15-0 finish, Joan had racked up 6 games over 90%. Pretty awesome! The high percentage game of the championship rounds was a 92.5% pitched by Debra Brown. Vicki Kunde also had a 90% game on day three.

All 16 ladies are to be congratulated on showing us all what true champions are made of. It is such a privilege to observe this kind of competition.

And once more Joan Elmore has recaptured her title, averaging 86.91% for the tournament. This year she was untouchable – the Woman's 2014 World Champion. Congratulations!

SENIOR MEN'S CHAMPIONSHIP REPORT By Dalton Rakestraw

The Senior Men's Championship Title was up for grabs this year since defending World Champion, Ron Deckard from Florida was unable to attend this year. Of the twelve competitors in the championship group, there were nine states represented. The lineup included in order of seed...Raymond Bedard, MA; Gary Roberts, OH; James Dunlap, MI; Duncan McKenzie, NS; Paul Bachelor, MI; Bill Navratil, CT; Roy Buhler, UT; Tom Westbrook, SC; Delbert Fourman, OH; Joe Orihood, OH; Pidge Cole, NY and Jerry Roberts, TN. After the first day of competition there was definitely not a clear winner. Yes, there was one pitcher at 6-0, there were three pitchers at 5-1 and one pitcher at 4-2, but the competition was tough and there was no room for much error. Raymond Bedard was 6-0; Paul Bachelor, Gary Roberts and Bill Navratil were all at 5-1 and James Dunlap was 4-2. Raymond continued his wins by beating Bill, Paul and Duncan early on day 2. Paul fell two games then won the next. Gary lost his first then won the next two. Bill got slammed by Raymond then came up short to Gary and then slipped on Paul. The standings were now

at Raymond 9-0, Gary 7-2, Paul and Tom at 6-3 with James, Bill and Duncan close behind at 5-4.

James Dunlap was matched with Raymond Bedard and it seemed as if Raymond hit a slump, losing 28-40 in a 56 shoe match. Paul Bachelor was paired with and beat Gary Roberts in 64 shoes with a score of 41-20. Tom Westbrook handled Joe Orihood and in 50 shoes Bill beat Duncan.

Even with that loss, Raymond still would be champion; he could have lost both of his games and still became the World Champion, but he continued his winnings and beat Gary Roberts 42-24. With that win, Raymond Bedard became the new 2014 Senior Men's World Champion going 10-1 and having a 60.70 ringer percentage.

Paul Bachelor came in second at 8-3 with a 50.54 ringer percent and Gary Roberts placed third at 7-4 with 57.22 percent.

The rest of the class results were as follows...

4th-Tom Westbrook...7-4...50.37

5th-James Dunlap...7-4...50.00

6th-Roy Buhler...6-5...51.36

7th-Bill Navratil...6-5...46.96

8th-Duncan McKenzie...5-6...55.09

9th-Delbert Fourman...4-7...39.42

10th-Jerry Roberts...3-8...38.87

11th-Pidge Cole...2-9...45.88

12th-Joe Orihood...1-10...41.84

Congratulations to all Senior Men's Championship class pitchers. We wish you the best of luck at your state tournaments and hope to see you in this class again next year in TOPEKA, KANSAS.

SENIOR WOMEN'S CHAMPIONSHIP REPORT By Phyllis Quist

Eight senior women entered championship competition on Thursday, July 24th. Ruth Rife was seeded #1 at 72.67%, #2 Sheila Shepard at 71.73%, #3 Marlene Cooper - 64.83%, #4 Peggy Stitt -58.17%, #5 Janet Anzalone - 53.46%, #6 Audra Craven - 52.17% #7 Georgia McCormick - 50.19% and #8 Carolyn Slaughter at 49.42%.

At the end of four games on day one, Sheila and Marlene were both undefeated. Marlene had the high game of the day at 81.25% with Ruth close behind with a 79.17% game. Ruth and Peggy had only one loss each. Day two came to an exciting finish in the last

game as Ruth pitched the highest game of the tournament with an 81.48% game against defending champion, Sheila Shepard. This forced a playoff game with Sheila, as each then had only one loss. And what an exciting nail biter it was. This also was the longest game of the tournament at 76 shoes. Ruth Rife emerged as the new Senior Women's Champion, winning the match with a score of 42/36.

Congratulations to each competitor in this Championship class. And to Ruth Rife we say 'Great Pitching!' and welcome to the ranks of Senior Women's 2014 World Champion.

JUNIOR'S **CHAMPIONSHIP** REPORT By Aleena Cook

The Stars of New York

This year's World Tournament began for the juniors with a party at Skyzone. There, 52 juniors, cadets and friends had hours of fun jumping on trampolines, diving into foam pits, and playing dodgeball. Everyone made new friends and rekindled old friendships to make for a great start.

The competition began on Thursday between 67 juniors and 20 cadets. Crowds spread all over the arena attempting to see every game and watch every pitcher. Many ringers were pitched and everyone tried their hardest to outplay their competitors.

As day two came along, every class had intense moments. Ryan Schepers from Missouri won Cadets A, going eight and one, averaging 53.06%. Aaron Hanes from Pennsylvania won Cadets B with no losses. Seth Doctor from New York won Juniors G almost doubling his entry percentage with no losses. Damon Beatty from Oklahoma won Juniors F by half a win. Going 9-0, Michael McCarthy from Washington won Juniors E. Mike Marshall from Ontario won Juniors D with eight wins and two losses. D.J. Mullis from Georgia won Juniors C with only half a loss. With no losses, Blaiz Berndt from Michigan won Juniors B. Juniors A had a playoff game between Ben Webb from Kentucky and Brandon Pearl from New Hampshire. Both had seven wins and two losses going into the game. It was exciting to see who would pull out the win, and in the end Brandon took the lead and the game. With so many amazing pitchers and tough competition, the outcome for the championship was unpredictable.

The cadet championship group again pitched the fastest and had some of the closest games I have seen. The bleachers were full with spectators including parents, siblings and grandparents, as everyone was eager to see these young men. Every cadet in the championship class had at least two games above 50%! In the end Ryan Schepers (MO) took another title and trophy home as the 2014 Cadet's World Champion averaging 63.54%. Many people were impressed at how well all of the cadets pitched.

The games for the junior boy's championship were long and nerve wracking. Everyone pitched their best and put their heart into each game. With a 3-way tie for first, Hayden Lee from California and Ben Webb (KY) had all eyes on them while Brandon Pearl (NH) waited to see who he would face for the title. Hayden won against Ben in an intense game that left him facing

Brandon. The courts were so quiet you could hear a pin drop as everyone was feeling the concentration and passion coming from the players. Taking 72 shoes and winning by only three points, Hayden Lee became the 2014 Junior Boys World Champion averaging an impressive 76.78%.

The junior girl's championship play was fierce as these six girls battled it out. With some longer and some shorter games, each competitor pitched their very best. Hugs were given and smiles were shared as Lindsay Hodgins from British Columbia regained her title for the second year in a row as the 2014 Junior Girls World Champion averaging 53.77%!

To wind down after such an amazing tournament, the junior party that took place on Sunday was a blast as the juniors and cadets that remained played backyard games, had a cookout, and a water balloon toss that ended in a water balloon fight. Everyone had full stomachs, smiles, and some left in drenched clothes, cherishing memories of times with friends.

Every single junior and cadet pitcher did so well this year and fans all around had compliments for everyone. The passion and dedication these young adults show for this sport is heartwarming and inspiring to all who watch. The support from all of their fans, families and peers show how much we look forward to them as the future of this sport. I can't wait to see you all in Kansas next year. Congratulations to you all and thank you for making this the best tournament yet!

ELDER MEN'S CHAMPIONSHIP REPORT By Dalton Rakestraw

The Elder Men's Championship class was tough pitching right from the start! The class of the "Sweet Sixteen" Elder Men in the world consisted of twelve states. In class order they were...David Holmes, WV; Virgil Rife, OH; Herschel Walter, IN; Rich Pintor, CO; Richard Altis, MO; Roger Vogel, KS; Tom Hall, FL; Russ Phillips, WA; Sig Armitage, MN; Gregg Craven, MO; Bobby Fields, TN; Lawrence Hinton, MI; Paul McGee, MD; Roy Dugger, OH; Charles Gray, TN and JD Drake, MI.

The first day of competition began with David Holmes shooting an 88.8% game from the start. Virgil Rife had an 83.3% game. Lawrence Hinton had a 79.50% game. Herschel Walters had a 77.2% game. From the very beginning, the Elder Men's Championship class was shaping up to be a great one! After the first day of competition the leaders were...Virgil Rife and David Holmes at 5-0; Russ Phillips, Rich Pintor, Tom Hall and Roger Vogel at 4-1 and Gregg Craven and Herschel Walters at 3-2.

The second day of competition begins with Virgil Rife having a 94.4% game followed by a 90.4% game. David Holmes had an 86.9% game followed by an 88.1% game. Several other pitchers had mid to low 80% games as well. David went ahead after day two going 10-0. Virgil ran into a snag in game 9 losing to Tom Hall 27-40, but pitching a nice 75.7% game. Rich Pintor fell to Gregg Craven and Bobby Fields. Tom came up short to Rich and a pitcher we have yet to mention...JD Drake. JD went on to go 4-1 for the second day of competition, jumping up a few spots from yesterday's 2-3 performance. Also, let's not forget the skunker games!!! Lawrence Hinton beat Charles Gray in a 28 shoe match. Lawrence threw 27 ringers for a 96.4% game and beat Charles 40-0. Needless

to say, he wanted pitchers to know he was not going to leave unnoticed. Lawrence will be receiving his 90% championship game patch and will go into the record books for having a one missed ringer game. Gregg Craven and Virgil Rife should as well be receiving that same patch. At the end of day two the leaders would be...David Holmes 10-0; Virgil Rife 9-1; Russ Phillips 8-2; Rich Pintor and Tom Hall 7-3 and Roger Vogel, JD Drake and Gregg Craven

The final day of competition we would see some of the best and longest games yet! In game 11, Tom Hall would take David Holmes to 94 shoes and lose 38-41 but pitching an outstanding 81.9% game! Very pleasing to lose throwing that average! In game 12, Roy Dugger would sneak past Lawrence Hinton in an 86 shoe match winning 40-38. In round 13, Rich would take David to 74 shoes and lose 21-42. In that same round in the same amount of shoes with the same score, Russ Phillips would come up short to Richard Altis. In round 14, Virgil Rife would let the game slip from his fingers to Rich Pintor in 92 shoes, with a score of 35-45. I also do not want to forget to mention that Roy Dugger went 5-0 his last day of competition, sneaking up a couple of spots after his earlier great performances!

Here it is final round, David Holmes is already the

champion even if he loses his last game, but Virgil Rife wanted to put on a good show and that is exactly what happened. The final game between David Holmes- Charleston, West Virginia and Virgil Rife- Weston, Ohio. The game lasted 104 shoes. David Holmes would cruise past Virgil Rife with a score of 40-34; David having 89 ringers for an 85.5% game and Virgil having 86 ringers for an 82.6% game. The world championship would leave Pflugerville, TX and travel to Charleston, WV.

The final results of the Elder Men's Championship Class were... Word Champion- David Holmes, WV...15-0...83.55%

Runner-up- Virgil Rife, OH...12-3...81.36%

3rd place- Rich Pintor, CO...11-4...74.36%

4th place- Russ Phillips, WA...10-5...74.25%

5th place- JD Drake, MI...10-5...72.30%

6th place- Tom Hall, FL...9-6...71.66%

7th place- Gregg Craven, MO...8-7...71.97%

8th place- Roy Dugger, OH...7-8...71.06%

9th place- Roger Vogel, KS...6-9...69.72%

10th place- Herschel Walters, IN...6-9...67.09%

11th place- Richard Altis, MO...5-10...70.29%

12th place- Bobby Fields, TN...5-10...67.80%

13th place- Sig Armitage, MN...5-10...67.54%

14th place- Lawrence Hinton, MI...4-11...66.75%

15th place- Paul McGee, MD...4-11...66.44%

16th place- Charles Gray, TN...3-12...64.10%

I congratulate each one of these men and I look forward to seeing you all "Ringing the Sunflowers" in Topeka, KS 2015! Good Luck at state and "keep calm and throw a ringer!"
