RENO DISPLAYS PERFECT FORM TO WIN CORN BELT OPEN

By HAROLD DARNOLD

Harold Reno of Sabina, Ohio and runner-up in World tournament, displayed almost perfect form in winning 6 straight games to capture the top position and championship trophy in the sixth annual Corn Belt Open held Saturday and Sunday, August 22 and 23 at Burlington, Iowa. His first three games were 89, 88 and 91 percent. Against Milton Tate of Peoria, Illinois he tossed 28 straight ringers. He averaged about 85 percent for the afternoon. Dale Dixon, Iowa state champion gave Reno his closest game with a 50-43 effort. The crowd of 400 people saw Dixon come from behind to knot the count at 42 all. At this point Dixon threw 5 straight doubles but Reno stood up under the pressure and continued to double until the game was over.

Stanley Manker of Martinsville, Ohio copped the trophy in the B division while down in the C section, Herbert Nelson of Galesburg, Illinois was winner of his first trophy in his 50 year career of tossing shoes. All contestants took home merchandise prizes totaling 275.00. A bouquet of roses was presented to the highest qualifier whose wife was present, this being Mrs. Dale Dixon.

DON TITCOMB MAKES APPEAL CONCERNING INFORMATION KITS

I'm asking all horseshoe players and those interested in the game, to help me and my committee in this way. We have formed a group that will collect all available information on the promotion, publicity, league, tournaments, official duties, any type of information that would contribute toward the formation of an informative pamphlet that will be available to anyone that is interested in any phase of the game, whether it be for himself or for a club or a state organization, or a company that would be interested in putting in the game for employees' recreation. This is most important. It is needed by any individual that really loves the game and wants to further it by selling it. I'm asking for any information that you as an individual might have that you believe should be passed on to others.

My committee will attempt to assemble, segregate, evaluate, then submit our findings to the N.H.P.A. board of directors. Send anything you may have in the way of court construction, tips on building them, how you run your tournaments, membership, handicap tournaments, meetings, inter-city team events, uniforms, history of the game, persons of note that belong to the game, names like Truman, Nimitz, whether political, or otherwise. I want this information from everyone, and I want it now. You have all expressed your opinions of the game to the News Digest, or to your friends, please do the same for me and my committee. We want to work for the game, but we need your help.

If you send us what you can, I promise you all, there will be results, immediate results. Things could happen now, things that we were hoping to happen in the next 5 or 10 years will be taking place much, much sooner with your help.

Don Titcomb, Chairman

GREGSONS GIVEN THE ARCH STOKES MEMORIAL TROPHY

The Arch Stokes Memorial Trophy, the annual award symbolizing the outstanding contribution to the game of horseshoe pitching was awarded to Arch and Katie Gregson during the trophy ceremony at the conclusion of the World Tournament in Utah.

The Arch Stokes Memorial Trophy is given by the Stokes family in honor of Arch Stokes, former N.H.P.A. president who established the World Tournament in Murray back in 1947. Last year Elmer Beller of the Baldwin Park, Calif., club was the recipient.

Arch and Katie Gregson have for many years been invaluable to the N.H.P.A. and have served in many official capacities and have always given unstintingly of their time and abilities to the game of horseshoe. Arch was president of the N.H.P.A. this past year and has formerly served as Secretary-Treasurer for many years, been director of the World Tournament, and acted as MC during many tournaments at Murray and related events.

Katie has served as Treasurer of the N.H.P.A. and has for many years been the key worker behind the scenes at Murray doing the book work, keeping the charts and statistics and handling press relations during the World Tourney.

No one is more deserving of the award than Katie and Arch and it is fitting they should share the award together for they have acted as a real team for the benefit of the game.

CORRECTION

The August issue contained an error that needs correcting. Truman Standard's record in Group Two of Class A in the Midwest "Ringer Round Up" should have read seven wins and two defeats, thereby elevating him to second place in the group.

HORSESHOE PUBLICITY

Earl Wilson, feature writer for the New York Post who has a daily syndicated column entitled "It Happened Last Night", which is carried in several hundred newspapers across the country, recently ran a full length article on the game of horseshoe and the National Association. It was a well written article full of information and has resulted in numerous inquiries regarding the game and the N.H.P.A. It was carried in his July 29 column.

On the adverse side of publicity an otherwise fine article on the game in "Holiday Magazine" was spoiled when horseshoe pitching was described as an "alley game lacking in respectability". This article was carried in the September issue and has already evoked a letter of protest from National Secretary, Bob Pence.

N.H.P.A. OFFICERS REQUEST THAT ALL MEMBERS TAKE TWO MINUTES OF THEIR TIME AND FOUR CENTS OF THEIR MONEY AND SEND A POST CARD OR LETTER OF PROTEST. ADDRESS IT TO HOLIDAY MAGAZINE, IN-DEPENDENCE SQUARE, PHILADELPHIA 5, PA.

PIKE COUNTY, OHIO CONCLUDES TWO TOURNAMENTS

By OTTIE RENO

The Pike County (Ohio) Horseshoe Club conducted two sanctioned tournaments on the Pike County Fish & Game Farm courts at Waverly during the past ten days. On August 16th, the County tournament was played, and on August 23rd the Southeastern Ohio District.

Donnie Roberts, who won the Junior World Championship at Murray City this summer, added the Pike County championship to his laurels. Little brother Gary, who is only twelve years old, took second place. Gene Reno finished in a three way tie with the Roberts boys, but was nosed out in the playoffs.

In the District tournament, Gary turned the tables on Donnie and on several "old warhorses" as well, winning the Class A division with nine straight victories. In the final game against Walter Allison of Jackson, Gary pitched 72.2% ringers. In the game between Gary and Donnie, the boys went 96 shoes with Gary getting 64 ringers. Donnie had eight consecutive doubles in his losing effort and there were 12 four-deads. Leslie Alban had a game of 71.7%.

In last year's county tournament we had six members, and this time it doubled with twelve participating. The district tournament was the first one held in the southeastern district in a number of years, but it attracted twenty-two players. Twelve new NHPA members were signed in both events.

While most of the players were in the below 50% bracket, they fought like tigers, and the interest is high. It seems to me that too much emphasis can not be placed on providing competition for the low men. It is from the little acorns that the big oaks grow, and I can see some of them sprouting here.

The County Class B title went to Jim Christman of Waverly, the District Class B title to Ottie Reno, and the District Class C title to Buddy Christman of Waverly.

Sam Goodlander and Tibby Woods of the Buckeye State Association were on hand to conduct both tournaments.

INFORMATION KITS

Pursuant with a motion adopted at the annual convention in Murray during the World Tournament a comprehensive kit of information is being assembled by a special committee which will be invaluable in promoting the game.

The kit will contain written material, diagrams, pictures and charts on how to conduct tournaments, qualifying rounds, league play, handicap leagues, round robin schedules, how to build courts, including the costs and materials needed, basic requirements for a World Tournament bid, what such a tournament will mean to the community, etc. In short it will answer all questions by those seeking to promote the game or organize club activities on any level.

Copies of the kit will be made available to State Secretaries and to club presidents and new clubs seeking to get started. The committee in charge of this valuable piece work are Claude Benedict of Ohio, Ray Ohms of Utah, Don Titcomb of California and Alfred Smith of Missouri. Your ideas and suggestions are needed by this committee which should have everyone's support and cooperation.

NORTHERN INDIANA TOURNAMENT

Clarence Bellman retained his Northern Indiana title, losing only to John Coble. Dean Chiddister, a star of the 1930's proved they can come back by taking second and having Bellman on the ropes for a while in the key game. The tournament had 56 entries and all classes were closely contested.

LAFAYETTE, IND. LEAGUE ENDS SUCCESSFUL SEASON

By JOSEPH SCHILLING

The Lafayette, Ind. Tuesday night horseshoe league enjoyed its 1959 season of ten weeks of play, employing six teams of four men each and also ending the league with a doubles handicap tournament of 28 men.

This is the second year for our handicap league and tournament which have proved very successful.

Our Eagles' Lodge No. 347 also had a Wednesday night handicap league patterned after the Tuesday night league. Both leagues employed 40 men.

All leagues were self supporting as for trophies and prize money with the club benefitting as well.

The averages for 50 shoes varied from 96 down to 30 points over a span of 40 games. In keeping tab of our own qualifiers around the State in tournaments I found that a man would qualify 10 to 20 points higher for 50 shoes. No opposition and walking proved to help the situation. I feel these averages could be used in any part of the country and well tell the story of the player.

The doubles handicap tournament was determined by any two players not averaging over a 150 point ave. This brought the low and high man more together.

The club gave State and Nat'l. Cards as prizes, besides the trophies, instead of cash in hoping to create and build up more interest in the club.

The winners of the team league were G. Kingma, J. Bramlett, S. Kingma and P. Reeves. Of the doubles were W. Reed and R. McKinniss.

Our club is purchasing a clubhouse which we hope to complete this year, proving that the little man is a big factor in making any club a success.

KRAFT IN RARE FORM

Roland Kraft was in rare form as he defeated Alvin Dahlene at the Riverside Park Courts in Iola, Kansas, on Sunday July 26. The special match was for the Eastern Kansas Championship and Kraft hit the pegs to the tune of 76% to Dahlene 66%. Kraft and Dahlene are competing in their 30th Summer of shoe pitching — dating back to the summer of 1930. Kraft has been Champion of Kansas 8 times and Dahlene 3 times and they hold many State records — but pitching together for 30 consecutive years is quite a record in itself. Kraft won this match 4 to 0 and he showed the Iolans just why he is TOP PITCHER IN KANSAS. Kraft won a beautiful plaque given by the Iola C of C and Dahlene won the plaque donated by the Capitol Federal Savings of Lawrence, for second spot.

KNOX COUNTY (ILLINOIS) OPEN WON BY BUCKEYE STATE CHAMP

The rains came to beautiful Lincoln park in Galesburg, Illinois on Sunday, August 16, but over 60 pitchers from all over the middlewest waited patiently for the skies to clear so that they might take part in the first annual Knox County Open tournament. Harold Reno, Sabina, Ohio, current Ohio State champion copped top honors for the day. The rain finally gave way to the sun at 2:30 in the afternoon, too late to do any qualifying so the tournament committee decided to seed the remaining players so that some kind of competition could be enjoyed. 32 men took part and each man winning some cash for his efforts and perseverance. This being the promoter, Andy Horn's first venture into tournament promotion proved beyond a doubt his great devotion to the game, and his strong desire to have a tournament that would bring all those who attended back next year to the newest and best courts in the midwest. Orchids to Andy Horn for the wonderful job done under almost unsurmountable odds. Following is the order in which they finished: 1, Reno; 2, Tate; 3, Dugle. 4, Bettisworth; 5, Van Dusen; 6, Paxton; 7, Manker; 8, Danielson, Sr.; 9, Plautz; 10, Long; 11, Drager; 12, Shaw; 13, Standard; 14, F. WASHINGTON'S SEAFAIR INVITATIONAL TITLE

GOES TO OREGONIAN

By TED BOSTWICK

The third annual Seafair Invitational tournament was held on August 3 on four especially constructed courts at the waters' edge of beautiful Lake Washington at Seattle, Washington. Bob West of McMinnville, Oregon set a terrific pace of 73.8 percent to win all of his 7 games and the trophy.

This tournament is sponsored by and held in connection with the "Pow-Wow" celebration of Seattle's Rainer district held each year at Seward park which borders the now famous "Gold Cup" hydroplane course. This year our Washington pride suffered a great blow because all 3 trophies went home with the "web feet" down from Oregon way.

1959 EASTERN NATIONAL

CLEARFIELD, PA., AUGUST 7, 8 AND 9

The best array of ringer tossers in the history of the Eastern National was washed out by the weatherman before the tournament could be completed. Both Class A and B attempted to complete the playing schedule but had to call it quits after playing a number of games in a drizzle on rain soaked courts.

Harold Reno of Ohio, the defending champ with his reverse turn, and Carl Steinfeldt, the Rochester, N. Y. left hander were tied for the lead at end with Paul Focht of Ohio and Ellis Griggs only one game back and still in the running.

Reno had averaged an amazing 85.4% ringers the first day in nine games. His only loss was to Steinfeldt who had lost earlier to Bill Porter who was making his first tournament start.

The affair drew a record field of entrants including six from Canada and it took 73% ringers to qualify for Class A and 65% to make Class B. Ginger Natale threw 91 ringers in 100 shoes to lead the qualifiers.

Wilbur Kabel of Ohio copped Class B with an average of 70.4%, dropping only one game when National Secretary Bob Pence of Indiana tossed 81 ringers in 106 shoes at him.

Tournament director Stan Thurston and his aids, Alex Zebrun, Dick Kinkead and Steward Straw deserve credit for a fine job performed under very difficult conditions.

ALVIN GANDY, KANSAS STAR, RETIRES FROM PITCHING SCENE

The "big 4" in Kansas, who have dominated the horseshoe game in that state for the last 25 years, has now become the "big 3". The reason being that Alvin Gandy of Topeka, long a power in Kansas ringer circles has retired from the game and has quit pitching. Gandy will be remembered by many of those who have attended the World Tournaments as the man who stood erect with arms high above his head in preparation for his delivery. Gandy was holder of the Kansas state title in 1935-38-39 and 40. Still on the scene are Roland Kraft, Marines Tamboer and Alvin Dahlene. Dahlene was winner of state honors in 1941 and 1942. Marines Tamboer held it in 1944-45-46-50 thru 1954. Kraft rode the crest of victory in 1947-48-49 and again in 1955 and is still holder of title. Garold Brown stepped into the picture in 1937 and again in 1943.

The fact remains that there are not any younger players being developed in Kansas so as a result, the old timers keep on winning the title. There has not been a state tournament in Kansas since 1957. It is hoped that activity can again be resumed in some capacity in 1960. There was an open meet held at Manhattan, Kansas, but no title was at stake.
