Michigan State Finals

In one of the largest entries in the history of the Michigan state association (115 qualifiers) the Roy Smith household of Muskegon, Michigan held all the winning hands. Roy won the Men's championship for 1962. His wife, Dorothy, took the Ladies' crown and his son Tommy captured the Junior Boys' title. Smith pitched 73 and 78% ringers to conquer Ralph Bacon of Grand Rapids in two straight games. Don Kaiser eliminated the defending champion, Ken Jensen 50-45 in the Championship class. In the other divisions, Harry Farmer took top honors in Class A, Frank Nitz won Class B by defeating Joe Hammond 50-37. Chet Jenison defeated Dick Prediger to capture Class C. In the finals of Class D, Jonas Otto came out on top.

COVER PICTURE . . . Robert D. Forte, Trade Relations Manager of the Miller Brewing Company of Milwaukee, Wisconsin, is shown viewing the beautiful trophy that was presented to the 1962 World Champion, Paul Focht at the World Tournament at Greenville, Ohio. This trophy was one of the many trophies that were given throughout the country by the Miller organization. The NHPA and its affiliated state associations are most appreciative of the efforts of the Miller Brewing Company to create goodwill throughout the entire sports world.

In Memoriam

The Indiana State Association has recently been saddened by the death of two of its long time members and the NHPA sends its sincere sympathy to the families.

Clyde Richards suffered a heart attack while playing horseshoe on the courts in his home town of Fowlerton, Ind., and died shortly afterwards. Clyde has played in Indiana tournaments for many years and was always a most cooperative member and could always be depended on to assume score keeping duties. His pleasant personality was always present at Indiana tournaments and a large number of horseshoe players attended his funeral.

Melvin Nickol, a member of the Muncie, Ind., club who had charge of the concession stand at the 1960 and 1961 World Tournaments, died recently after suffering two strokes. His energy and dependable aid will be greatly missed by the Muncie club.

Bradenton Club Hosts For First Winter Season Tournament, Palmetto, Florida

The Florida Horseshoe Pitcher's Association looking forward to an expanded schedule of competitive events during the winter season, announces its first tournament January 21-22-23-24 at Palmetto, Florida, as an added attraction to the Manatee County Fair for 1963. Appropriate trophy awards to the winners and runnerup in each of the four classes, plus cash awards to all participants, and open to all horseshoe pitchers.

Bradenton will again be host to the out of state pitchers who for many years have made the Florida Suncoast Open an outstanding event for this area. Dates for this N.H.P.A. authorized tourney are set for February 14-15-16. Trophies three deep in all classes, plus cash awards, based on the games won schedule, will indeed provide the incentive as it has in the past.

While information on the St. Petersburg Open at St. Petersburg is not available at this time, it is assumed that that event will be scheduled the following week or weekend in February. An open tournament as a part of the Hernando DeSoto Celebration in Bradenton during March is being considered. Announcement of this event in a later issue.

Any northern pitchers who contemplate a winter vacation in the Sunshine State should keep these dates in mind. It is a good deal, when one can enjoy his favorite sport, and at the same time the many other attractions to be found here during the winter season, one of which is the sunny climate of Florida.

For further details you may write the N.H.P.A. State Secretary, Charles Stephens, 118-52nd Ave., Dr. W. Bradenton, Florida.

ART BROWN, WINNER OF AFTON COUNTY FAIR, AFTON, IOWA

The spectators at the annual Afton, Iowa County fair were able to keep close tab on the performance of Art Brown of Patterson, Iowa as he methodically garnered 5 straight wins to take the title. Scoring devices were furnished through the courtesy of the Missouri players in attendance. Ringer percentages took a "beating" due to the strong winds that harrassed the players throughout the tournament. To the Afton County Fair Board and Mr. Lewis Jeter the tournament sponsors, many thanks for all the courtesies extended.

Lafayette, Indiana Club Winds Up Season

By JOE SCHILLING

The Lafayette Horseshoe Club has just completed its sixth year of operation and although due to a lack of membership and league enthusiasm, the club, on the other hand has been fortunate in getting a women's auxiliary started.

The women's auxiliary has been a great booster to the club. This past spring the club had a western invitational to all National card holders and their wives. Two hours of horseshoes, good food and a progressive euchre party under the lights on the courts rounded out a very enjoyable evening. The latter was enjoyed by the women and proved that horseshoes could also be brought around to be a little more of a social affair.

Every other league night our women get together for a meeting, card game and refreshments. Their small annual dues and monthly dues have made them independent of the club.

After our annual city tournament this year, the women held a basket lunch for all the contestants and rounded out the season with new officers for the new year.

NEW, IMPROVED — Ted Allen Horseshoes

A beautiful, smooth, balanced product . . . the way one SHOULD be forged . . . Remember the great ALLEN shoe made before 1958? Letters proclaim it to be about the best ever put out. I thought so too, until now.

If you liked the older model you will like this one even better, with the improvements I have made, having long awaited the opportunity when new dies would be made by a different, but good forging company.

It fulfills the consistent requests made to me by friends at the world's tournaments. Certain dimensions now extend to limits of N.H.P.A. rules. Longer hooks, shoe is $\frac{1}{8}$ " longer and $\frac{1}{4}$ " wider, more slant at opening, better "holding" in front cauls. The best equipment is a "must" for best performance. This is it.

Ask for and get the genuine steel, drop forged, heat treated product. The best you can get for what is needed in a pitching shoe.

Four tempers: Hard, Medium Hard, Medium Soft and Dead Soft. The two softer types have hardened points.

Libby In Playoff Victory For Maine Championship

The annual Maine state tournament was held at Oxford, Maine with the Oxford Club as hosts. The ringer percentages showed a marked improvement over previous years. The addition of a club-house made a big improvement. A vote of thanks goes to Leonard Herrick and those who assisted him in making this possible. N. Libbey became the 1962 Maine state champion followed by Barnes and Porter Clark. Ike Davis took Class D while D. Gibbons won Class C. R. Taker was the fortunate one in Class D. Officers elected for 1963 were Leonard Herrick, president and Clarence Modery as secretary-treasurer.

	W	L	R	SP	%
N. Libby	10	1	404	622	64.9

C. Commeau	2	9	313	694	45.1
R. Swift	0	11	232	604	38.4

The first three players listed above had identical games won and lost. According to state by-laws, in case of a tie like this, their position is judged by the total points scored. Libby, 556 points; Barnes, 532 points; Clark, 518 points. Going by this system N. Libby of Kezar Falls became the Class A State Champ, M. Barnes of Orono was the runner up and P. Clark of Auburn, last year's state champ, came in third.

Ike Davis took Class B honors with Al Lord second and Bob Russell coming in third. Down in Class C, D. Gibbons untangled a tie taking top position with A. Puia clipping second money and R. Brundage picking up the third ribbon. Class D places were decided as follows after play-off, R. Taker, first; K. Thomas, second and S. Whittmore, third.

Special Spring Issue

The News Digest will print a special spring issue devoted entirely to the problems, activities and plans of local horseshoe clubs along with a calendar of the dates of all tournaments for the coming year — open, state and local.

Between now and April first each local club in the country should send a news item to Editor Ellis Cobb, 1307 Solfisburg Avenue, Aurora, Illinois.

The items should contain a brief review of past year with a list of officers and champions as well as plans for the coming season with specific dates. Particular attention should be given to fund raising and promotion methods used.

Each club should list the number and location of courts used and indicate whether they are equipped with lights. This will enable the NHPA to compile a comprehensive list of horseshoe courts throughout the country.

This special issue will be a part of the new Affiliated Membership voted on a one year trial basis at the 1962 NHPA convention and described elsewhere in this issue.

The idea back of this new type of membership is to attract new and beginning players and the less active players who take part only in local club programs.

The reduced fee will make it easier for local clubs to sign up NHPA members and thereby obtain official sanction for their leagues, city, county and local tournaments. NHPA championship insignias will be issued to the winners of all such events.

Gary Roberts Easy Winner In 1962 Ohio Junior Championship

This year the Ohio Association started something new. The last player in each of the four groups was put into a division called the "Sub Junior Championship." This group played round robin games of 35 points each. The winner of this division was Steve McGriff, age 11, of Greenville, Ohio, with 3 straight wins. Les Futrell, Greenville, second; Garry Gibbons, Xenia, age 9, third and Tom McGriff, Greenville, fourth. Each had 1 win and 2 losses, being placed according to ringer percentage.

1963 Membership Cards Now Available

1963 NHPA membership cards are now in the hands of the NHPA State Secretaries and Representatives.

For the first time two types of membership are available.

1. **Full Participating Membership**, the white membership card, \$3.50 plus your state dues in those states where there is an official NHPA chapter.

This membership will bring you the monthly magazine for a full year regardless of the time of year you obtain the membership.

You will also become eligible to enter any sanctioned open tourney anywhere in the U. S. as well as the World Tournament and your state tournament and local tournaments within your own state and area.

2. **Affiliated Membership**, the pink membership card, \$2.00 plus state dues in those states with an official NHPA chapter. Most states have indicated the state dues will be less for this type of membership than the full Participating Membership as this is a new type of membership being offered for the first time on a one year trial basis in an attempt to attract new members into the game and organized horseshoe.

This membership will bring the holder two special issues of the monthly magazine. One a spring issue devoted entirely to news of local clubs and the other a fall issue which will cover all state tournaments in full.

This membership will also make the holder eligible to enter all sanctioned leagues and city, county and other tournaments of a local nature in your area. This membership does not permit entry in sanctioned state tournaments, the big open tournaments and the World Tournament.

Otherwise the same privileges and courtesies are extended to holders of this membership as in the case of the Full Participating membership by the NHPA and affiliated clubs.

The Affiliated Membership can be converted into a Full Participating membership at any time by paying the difference in dues.

Lattray Has Clear Sailing To Win Missouri State

In one of the best Missouri State tournaments on record, Paul Lattray set a terrific pace to win the 1962 state championship. Although his game of 102 shoes and 78.4 per cent ringers with Ray Cavin who had an identical percentage, was the longest game of the tournament, he still managed to come out on top despite the fact that Cavin beat him. Winston came up with the high single game percentage of 83.9 Bob Bale threw the most ringers in the 11 game round robin, racking up 566 ringers.

Everyone was well pleased with the beautiful trophy presented by the Miller Brewing Company and many nice comments were heard around the courts.

FROM HERE AND THERE

At the annual New England horseshoe pitching tournament the players voted to set up a New England board of directors, consisting of each of the State Secretaries in New England. The players elected Ralph Forsstrom (Mass. State Sec.) as chairman of the board of directors for 1963.

World Tournament Films

Films of the 1962 World Tournament are now available to NHPA members and clubs. This is a 16mm color film equipped with a sound narration by Secretary Bob Pence. The film has a one hour showing time.

Considerable time and money have been spent on the film and three copies have been made. Clubs and individuals who show the film must pay a rental fee of \$7.50 and the mailing charges to the next destination. The film is well worth it both as entertainment and as a stimulus to the game wherever shown. The necessary 16mm projector can usually be rented from a camera shop if none is available in the membership, or perhaps borrowed from a local church as most churches possess one.

The film shows all the top ranking players in action along with various tournament highlights. Also there are some fine slow motion shots of World Champ Paul Focht, Wilbur Kabel and former World Champs, Ted Allen and Harold Reno. Other slow motion shows the two 15-year-old girls who made such a fine record in the Women's tournament, World champion Sue Gillespie and Nancy Henton who tied for 2nd. Other highlights include action shots of Junior champ Gary Roberts, Old Timer champ Joe Wilkinson and the exhibition match between Gov. DiSalle of Ohio and Harold Reno.

Clubs east of the Mississippi will obtain the film from NHPA President Glen Sebring, 1431 West 42nd Street, Erie, Penna.

Clubs west of the Mississippi can order from Donald Koso, NHPA Regional Director, 2124 Wilson Street, Falls City, Nebraska.

Pacific Coast clubs can reserve the film through Elmer Beller, NHPA Vice President, 15316 "B" Cabell Avenue, Bellflower, Calif.

Reservations must be accompanied by the \$7.50 rental fee. Indicate a definite date for showing the film and if possible an alternate date in case the film is booked elsewhere at the time of the first choice. Return the film or send it to the next indicated destination promptly after showing so as not to interrupt the schedule.

8mm films and slides of previous World Tournaments are also available through Glen Sebring without charge.

New State Secretaries

The backbone of organizational work in the game of horseshoe is supplied by the various state secretaries and the NHPA will be represented by seven new secretaries during the coming year.

Joe Elkins, a veteran player who has made his mark in a number of World Tournaments, has succeeded Al Smith in the Missouri Association.

New Mexico is one of the newest states in the NHPA fold and Ralph Brandt of Belen will succeed Pat Riley of Albuquerque as NHPA representative. Organized horseshoe is new in the state but an excellent start has been made.

Ondre Rockwell is the 1963 New York State Secretary. He is a member of the Corning Club where the past two state tournaments have been staged. Bill Hyland also of the Corning club is President of the State Chapter.

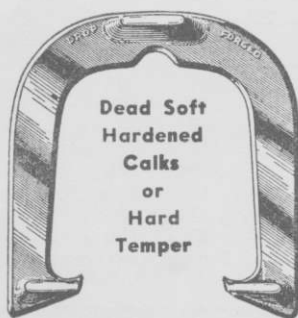

Rudy Lykken of the Kindred club has resigned his post as Secretary of the North Dakota Chapter of which he did such a fine job of organizing and bringing into the NHPA fold. He will be greatly missed, but his successor, Art Engebretson of Fargo is a veteran player and booster of the game.

Clyde Martz of Pittsburgh is the new Pennsylvania scribe, taking the place of Glen Sebring of Erie who is now an NHPA Vice-President. Clyde, a high school teacher, organized the game in the Pittsburgh area with real success two years ago and is an excellent choice for the state post.

Gerald Kahle improved the Oklahoma State Association the past two years as Secretary. He is now the association president and has been succeeded by M. N. "Lefty" Smith of Vinita.

Gary Alexander of Seattle who made his mark as a Junior player several years ago is the new Washington State Secretary taking the place of Chuck Damm of Aberdeen who directed the chapter for many years. Phil Luoto of Seattle remains as President.

Cavin Dethrones Dixon To Win Midland Empire

The Midland Empire horseshoe pitching tournament held in St. Joseph, Mo., was finally completed Sept. 30th after being rained out of a scheduled Sept. 9th date. C and D classes were completed before a heavy rainstorm forced postponement of A and B classes. Sept. 30th found the weather conditions almost the same — but horseshoe pitchers go to tourneys to pitch horseshoes, so with the sun peaking through clouds, the courts were readied and play was on. Ray Cavin found it to his liking and blanked the field to win 7 straight, and take the trophy and title from Dale Dixon of Des Moines, Ia., who had held the title 2 straight years. Cavin fired an 80.3% and 50 to 14 game against Dixon to take the championship. Each had won 6 games up to that point. Harry Strohm of Kansas City, Mo., took B class with a 7-0 score. Vern Nordgren, Omaha, Nebr., and Charles Cook, Corydon, Iowa, tied for 1st place honors in the C class with Nordgren winning the play-off, 50-48. Donald Koso, Falls City, Nebr., was master of the D class, sweeping 5 straight.
