HAROLD RENO, 1961 WORLD CHAMPION, AIDS IN SUCCESS OF NATIONAL RURAL FAMILY RECREATION SEMINAR

At the recent National Rural Family Recreation Seminar held the early part of August at the Thor Research Farm Center at Huntley, Illinois, Harold Reno, 1961 World Champion, was one of those invited to demonstrate horse-shoe pitching as one of the sports for which the seminar was being held. He was assisted in the demonstration by Ellis Cobb, News Digest Editor. As was revealed in a letter to the News Digest editor, Mr. Robert Budler, Public Relations official of the Thor Power Tool Company, Aurora, Illinois, expressed his thanks for the splendid job that was done and the many favorable comments received.

In attendance were recreation specialists from government, industry, education and news media. The two-day seminar concluded with the drafting of reports from the different sessions.

Seminar participants considered several major implications of the sociological impact of the cutback in farm acreage for production and the flood of citizens seeking recreational areas outdoors.

The development of wholesome family activities on areas already available to farm families was stressed to the seminar by Neil C. Hurley, Jr., in his remarks at the opening session of the seminar. Hurley is the president of the Thor Company and founder of the research center.

A huge cookout supper capped the day's activities for seminar participants on the shore of the eight-acre lake at the center, where many of the ideas developed have been placed into practice.

Authorities from different areas brought together for the seminar who were heard included Dr. Marshall O. Watkins, University of Florida; Dr. William Smith, Jr., Penn State University; Leslie Clark, Society for Protection of New Hampshire Forests; Reynold Carlson, University of Indiana; Prof. Arthur Wileden, University of Wisconsin; Donald Brick, recreation specialist, Walworth County, Wis.; Mrs. Jeanne S. Moehn, University of Maryland; Miss Bernice Scott, Cornell University; Charles Martin, University of Minnesota.

THE FLORIDA STATE TOURNEY — SUNSHINE PARK, ORLANDO NOVEMBER 23-24, 1962

Through negotiations between our National Association and the Miller Brewing Company, Milwaukee, Wisc., the 1962 State Tournament will be sponsored by the Miller Company and also the Florida Horseshoe Pitchers Assn. The Orlando Club is our host, and its President, Frank P. Wise, extends an invitation to all Florida horseshoe pitchers to participate in the event. The Championship Class A, will be N.H.P.A. sanctioned, and contestants in that class will be required to have his 1962 N.H.P.A. membership card. While Class B and C contestants will not be required to be National Assn. members, it is hoped and recommended that they become affiliated. Florida State Assn. cards will be required of contestants in all classes. National \$3.50, and State \$1.50 membership cards will be available Nov. 23 at tourney site, or can be acquired at any time by writing your State Secretary.

We plan 3 classes, 10 men Class in A, 6 in Class B, and 6 in Class C. If entries permit, the two lower classes will be enlarged to accommodate everyone wishing to enter. Class A will play 4 games while Class C is playing 5 games Friday afternoon and evening, Nov. 23. On Saturday Nov. 24, Class A will play their remaining 5 games, while Class B is playing 5 games. All ties involving 1st, 2nd, 3rd and 4th place in Class A, and 1st and 2nd place in Classes B and C will require a playoff. Other ties will be broken by percentage points. Controversial points of play will be settled by the tournament manager and committee.

Entry fee will be \$3.00, that fee will include the 100 shoe qualifying round. A second 100 shoe round will be permissible if desired, on payment of an additional \$2.00, the higher score to be the classifying factor. For convenience of out of town entries, qualifying rounds may be taken on your home or available courts where supervision is maintained, prior to tournament time. It is expected that these qualifying rounds be perfectly honest and supervised by local club members or officials, and the entry fees to be paid at time of qualifying. Score cards and entry fees to be forwarded to Frank Wise, 10 Church St., Orlando, prior to 2:00 p.m. Friday, Nov. 23, the deadline. This is a closed tournament and entries will be restricted to Florida residents only. Eligibility requirements: (1) At least 6 months residence in state during calendar year 1962, (2) a Florida drivers license, (3) and shall not have played in any other closed state tournament during 1962. All games will be 50 point cancellation horseshoes, and any contestant not completing all his scheduled games will be considered forfeit. Rules of play will be those laid down by the National Association of Horseshoe Pitchers. Every effort will be made to notify entrants of their classification, however, this responsibility lies in contestants being available at a specified time, and committee will not be responsible in cases where contestants cannot be readily contacted.

The Championship Trophy will be furnished by the Miller Co., a handsome piece, selected with all good taste. Winners of 2nd, 3rd and 4th place in Class A, and 1st and 2nd place in Classes B and C will also receive handsome, carefully selected trophies. The latter awards will be furnished by the Florida Horseshoe Pitcher's Assn. Remember, **this 1962 State Tourney is for all Florida Horseshoe Pitchers.** There is a class for everyone. Let's make it the best tournament ever.

A buffet luncheon will be served by the Orlando and Bradenton ladies, with an assist by the State Assn., for out of town contestants and their families and local club members and their families. This will be served promptly at 12:00 noon, Friday, Nov. 23.

It is hoped that all local entries will be qualified Friday morning or prior to that date, in order that all qualifying rounds may be completed by deadline time, 2:00 p.m., Friday, Nov. 23.

CANADIAN HORSESHOE PITCHERS ASSOCIATION NEWS

By BAYLESS BRYANT

I am sure that I express the feeling of all Canadian Horseshoe pitchers, when I extend the heartiest congratulations to ELMER HOHL for the splendid showing he made at the World Championships by coming in THIRD. I do not know how many entered the tournament, but the top 36 played off for World Honours. Just qualifying for a tournament of this magnitude is mighty fine pitching.

The results of the Ontario Open, Senior and Intermediate Championships are as follows: there were 48 entries in the tournament, so the six-man grouping for qualifying worked out perfectly for eight groups.

Bert Stahle, Waterloo; George Miles, Barrie; George Schummer, New Hamburg; Elmer Hohl, Wellesley; Jack Boa, Goderich; Lorne Gould, Woodbridge and Clayton Neeb, Wellesley, all qualified for the open. Jack Boa made the finals with Elmer Hohl and they played a terrific game to decide the Championship. Elmer won with his slightly higher ringer average of 78% to Jack's 70%.

In the Senior we see some new names coming up along with the well-known ones we have seen before. Fred Harburn, Dublin; Elmer Dench, Stratford; Norm Black, Willowdale; Wray Faint, Midland; John Boswell, Hamilton; Roy Hore, Welland; Ed Davies, Auburn and Reno Commanda, Toronto, all qualified for the Senior. Elmer Dench and Roy Hore made the finals with Dench taking the honours. Dench had to beat such fellows as Fred Harburn and Wray Faint to get there, so here's a lad to reckon with.

Ken Reeb, Port Credit; Logan Cruise, Midland; Verd Wreford, Stratford; Bill Wrightson, Kitchener; Wink Elliott, Toronto; Joe Forwell, Waterloo; El Willis, Port Credit; and Bill Stewart, Ridgeway, made Intermediate with Joe Forwell playing Logan Cruise in the final and taking the honours in that Class.

NEW, IMPROVED — Ted Allen Horseshoes

A beautiful, smooth, balanced product . . . the way one SHOULD be forged . . . Remember the great ALLEN shoe made before 1958? Letters proclaim it to be about the best ever put out. I thought so too, until now.

If you liked the older model you will like this one even better, with the improvements I have made, having long awaited the opportunity when new dies would be made by a different, but good forging company.

It fulfills the consistent requests made to me by friends at the world's tournaments. Certain dimensions now extend to limits of N.H.P.A. rules. Longer hooks, shoe is $\frac{1}{8}$ " longer and $\frac{1}{4}$ " wider, more slant at opening, better "holding" in front caulks. The best equipment is a "must" for best performance. This is it.

Ask for and get the genuine steel, drop forged, heat treated product. The best you can get for what is needed in a pitching shoe.

Four tempers: Hard, Medium Hard, Medium Soft and Dead Soft. The two softer types have hardened points.

In Memoriam

The Penna. horseshoe pitchers were saddened to learn of the sudden death on August 22 of Regis Riley. Regis was an ardent competitor and an avid horseshoe pitcher. His fellow players presented Mrs. Riley with a plaque honoring his memory.

Word was also received that former Pa. State Champion George Curry has died following a short illness. George was state champion in the late 1930's and had competed in his last Penna. State tournament at Mt. Pleasant in 1958.

DENVER CITY HORSESHOE TOURNAMENT

Keith Kelsey dethroned Roy Radcliff in a surprise game by the score of 50-0. Ward Berg won second place by defeating Kelsey in a round robin and tying for first place with one defeat against them. Kelsey won the playoff game. Sal Palese was third and Roy Radcliff fourth, Dan Zelmar fifth, Stan Eitelgeorge sixth. Sal Palese also defeated Radcliff to keep him from a three way tie.

In Class B a newcomer, Milo Bishop, won over a host of pitchers. It sure was gratifying to see so many Class B players show up. It's a good sign that we will have all of these men improved for Class A in the future.

MONTANA-DAKOTA TITLE GOES TO PHIL PRESCOTT

Phil Prescott of Poplar, Montana, pitched consistent horseshoes to capture the 4th annual Montana-Dakota tournament held at Wibaux, Montana. Eugene Lykken of Kindred, North Dakota suffered only one loss to take second place. William Lybeck of Kindred, North Dakota, the defending champion, placed third.

Most of the tournament records were broken in this tournament with Eugene Lykken setting new records as he pitched 238 points and 74% ringers for his qualifying score. He also pitched 261 ringers, 77 double ringers and 60.9% ringers for the tournament. Phil Prescott of Poplar, Montana pitched a 72.5% game for the single game record. Ernest McChesney of Sidney, Montana pitched 48 ringers to win and Olger Lundin of Poplar, Montana pitched 45 ringers for a loser in a single game. The shortest game was pitched between John Neubauer of Wolf Point, Montana and Henry Stenseth of Ekalaka, Montana, when they pitched only 28 shoes. These are all new records.

At the close of the tournament, Susanne Bordsen, the 1961 tournament Queen, crowned Avis Gail Zophi as the 1962 Tournament Queen. Avis was voted in over three other lovely queen candidates by the players. She was also presented with a beautiful trophy.

Trophies were awarded to the top two place winners in each class and to the player pitching the highest qualifying score. Medals were awarded to the players who qualified for Class "A" but failed to place. The awards were presented by Roger J. Barnaby, tournament manager.

For the players and their wives who arrived on Saturday, a lovely supper was served at the Palace Cafe.

This tournament was sponsored by the Wibaux County Horseshoe Ass'n and sanctioned by the National Horseshoe Pitcher's Ass'n of America.

FORMER NATIONAL SECRETARY HAS MOBILE HOME AT HIS DISPOSAL

To the many Northern folks who spend the winter in sunny Florida, Mr. Harvey Clear, former NHPA secretary, has a good buy in a trailer home located in the Bradenton Trailer Park, in Bradenton, Florida. He describes it as follows; it is at present unoccupied and immediate possession can be had:

This trailer is located one-half block from the Auditorium. It is just three minutes walk to the Horseshoe Courts and consists of the following: Trailer, Cabana and Cemented Car Port. It is all under cover, furnished fully for housekeeping, sleeps five, modern plumbing and portable television and stand. I am going to let this all go for \$1,250.00. Twelve hundred and fifty dollars. I would like if you see fit to get this in the September issue as they will soon be coming down here and I would much rather give some horseshoe pitcher the benefit of this bargain.

GREETINGS TO ALL HORSESHOE MEN IN THIS 1962-63 WINTER SEASON

At this time of year when folks up north, hang up their shoes preparing for a long hard winter, our horseshoe pitching season is just coming into bloom. A number of new contacts assure me that our 1962-63 season will be a successful one. The 1962 State Tournament is scheduled for Nov. 23-24 to take advantage of the more stable weather prevailing at that time. Information concerning that event in detail, is included in this letter. The new year will include an Open Tournament early after the new year at Orlando. The Florida Suncoast Open at Bradenton, Manatee County Fair Open at Palmetto, and the St. Petersburg Open at St. Petersburg, in that order, during February. An open event in connection with the DeSoto Celebration at Bradenton during March is also being considered. These events, along with regularly scheduled inter-club matched games between St. Petersburg, Bradenton, Orlando, Ft. Lauderdale, and possibly Leesburg, should round out a good winter season for everyone who enjoys horseshoe pitching. Details of all these events will be published at a later date. Watch for them. A timely reminder that your state and national memberships expire December 31, 1962, and can be renewed by writing your Secretary-Treasurer, Charles Stephens, 118-52nd Ave. Dr. W., Bradenton, Fla. We hope that everyone will keep this in mind, and continue to support horseshoe pitching on both the state and national level.

FRAN BUSSEY SHUTS OUT FIELD IN 2ND ANNUAL HIBBING, MINN. BOYS' MEET

In winning the second annual Hibbing, Minnesota Boys' tournament, Fran Bussey had a 70 percent game and ended up the tournament with a neat 50 percent average for all his games. The state association president, Charles Strafaccia was most proud of the showing that all the boys made. It is the enthusiasm that is shown in these tournaments that makes our pitchers of tomorrow. Congratulations.

JOE COMEAU IS NEW ENGLAND STATES CHAMPION

Joe Comeau of Lynn, Mass., with a 14-1 record, went home with the New England States Championship title. His only loss was to Willie Paradis, the defending champion from Bristol, Conn. The high game of the matches was tossed by Charles Richardson of Orange, Mass., an 84.4% game. He also pitched in the longest game against Willie Paradis, which lasted for 110 shoes.

There were 108 entries with all six states being well represented, making this the largest New England tournament ever held. A large gallery of spectators kept the four sets of bleacher stands pretty well filled throughout the two-day event. Trophies were awarded to the three top finishers in each class. First place ties were decided by a play-off game, all other ties being decided by ringer percentage. The meet was sponsored by The Keene Horseshoe Club, at Wheelock Park in Keene, N. H. The Keene Club will also sponsor the next New England Meet, Sept. 1 & 2, 1963.

HOWIE GANZ, "FRONT RUNNER" IN HIBBING, MINNESOTA OPEN

Howie Ganz of Backus, Minnesota streaked through the entire field with 7 straight wins to rack up the annual Hibbing, Minnesota Open Tournament. Although tournament play was beset with intermittent rains, Charlie Strafacia and his lusty gang of assistants kept themselves busy drying up the courts so that the tournament could continue. On the last day the sun slowly burst forth and the meet was brought to a successful conclusion. There were five classes with three trophies awarded.
