## Two NHPA Officials Hospitalized

While attending a tournament at the San Jose fair at San Jose, California, Elmer O. Beller, NHPA vice-president was stricken with a slight heart attack. He was taken to the hospital, but is now convalescing at his home at 15316-B, Bellflower, California. He would enjoy hearing from his many friends. Drop him a card.

Also word has come to the Digest that Mrs. Lucille Hopkins, NHPA 4th vice-president, has entered a hospital in Ottumwa, Iowa for treatment. She too would enjoy hearing from her many friends. Why not set right down and drop her a card at her home, 912 East 2nd St., Ottumwa, Iowa.

## World Tournaments Comments

There was a new world record set at the recent World tournament held at South Gate, California. Fernando Isaacs, of Los Angeles, former world champion, is credited with tossing a total of 3,044 shoes during the course of the tournament. The previous record was held by Ralph Maddox of Poca, West Virginia.

**BEG YOUR PARDON** — It was reported in the September issue that Marines Tamboer of Kansas was one of the three pitchers that defeated John Monasmith, the new world champion. However, we wish to correct that statement to the effect that it was Don Titcomb, of Santa Cruz, California and former world champion who administered one of Monasmith's losses.

## NHPA Membership Survey Completed

Robert Pence, NHPA secretary together with the editor of the News Digest, have spent some time making a complete survey of the NHPA membership and News Digest subscribers' list.

To all those members who have been getting the News Digest regularly, and now may wonder why they do not, perhaps they should look at their latest NHPA card, it may be that they have not renewed their dues card for the ensuing year. Better check that card NOW.

*COVER PICTURE . . . One of the outstanding pitchers in the country is this month's subject for the cover. He is Harvey Koblenberger of Millstadt, Illinois. In a recent tournament held in Washington, Missouri and competing in the Class A bracket, Harvey joined the ranks of those "immortals in horseshoe pitching's Hall of Fame" by pitching a "perfect game". In the game with a gentleman by the name of Meyer, he threw 36 straight ringers out of 36 shoes pitched. Congratulations to this fine pitcher and sportsman.*

## In Memoriam

Joseph Schilling, Lafayette, Ind. died unexpectedly of a heart attack early in July and his loss creates an irreplaceable void in the ranks of the Indiana State Association and his hometown Lafayette Club.

He served as Business Manager of the Lafayette Club and as an officer in the Indiana State Association for many years and has always been a key man in NHPA activities in the Hoosier state. He was instrumental in reorganizing the Lafayette club a few years ago and in getting eight lighted courts with a clubhouse built on private property as a new home for the club. These courts known as the Kingma courts were the scene of several team leagues each year and numerous tournaments directed by him.

Joe was also active in tournaments all over the state and under his leadership the Lafayette club was always well represented. Every year come January the NHPA could count on approximately 20 National members from the Lafayette Club.

His death was a great shock to Indiana members and he will be missed both for his leadership and fellowship and good sportsmanship all of which were a part of his personality. The NHPA extends its sincere sympathy to Mrs. Schilling and to the Lafayette Club.

## Dale Carson, Maryland Ace, Wins Annual Hill City, Va. Open

In a climatic show of skillful horseshoe pitching by both contestants, under the most adverse weather conditions, Dale Carson of Baltimore, Md., outpitched Ralph Maddox, Poca, West Virginia, 50-40 for the Miller Brewing Company trophy and \$50.00 first place prize money. The game went 100 shoes with Carson throwing 80 ringers, to 79 ringers for Maddox.

Other highlights of the tourney were Maddox throwing 35 ringers out of 36 shoes (97.2%) against Cecil Monday of Richmond, Virginia, and Tommy Ballowe's victory over Grover Anderson. This contest went 106 shoes, Ballowe pitching 85 ringers (80.2%) and Anderson recording 80 ringers for a 75.5%.

This tournament climaxed the current season and was played on the Miller park courts in Lynchburg, Virginia. Thirty-two pitchers qualified for the A, Double A and Championship divisions.

## Ohioan Takes West Virginia Centennial Open Crown

Posting 14 wins and 1 loss, Harold Reno of Sabina, Ohio and former world champion, copped the championship of the West Virginia Centennial Open tournament held at the city park courts in Parkersburg, West Virginia. Ralph Maddox of Poca, West Virginia was the only pitcher to out-manuever former champ. The committee in charge of the tournament was well pleased with the successful culmination of the tournament, as commented on by Mrs. Anna Lindquist, secretary of the West Virginia state association.

The tournament, which attracted some 50 pitchers from throughout the country, had state champions from W. Va., Florida, Maryland, Ohio and Pennsylvania. Winners each received a trophy, with top winners, each getting a cash award also.

## NEW, IMPROVED — TED ALLEN HORSESHOES

Congratulations to the winners in every division of the 1963 World's championship. Five out of the six divisions were won with the ALLEN SHOES.

*This shoe established more world's records, and many are still standing, in 28 years than all others combined.*

## Special Announcement

The price list has been used for 20 months. It was made up before production started the first of 1962. In the drop forge shop, alone, an underestimate was made in cost and work required, plus a new work contract in February, 1963, plus our own slight increase in costs over 20 months, which we always had to absorb ourselves long before a new list was made. It is regretful that a price raise becomes necessary to remain operational.

Starting September 1st, a \$1.00 raise will be in effect in every price on the list. Just make every figure on your past list, \$1.00 more than it is.

A new printed list is available, if requested, we will send it out.

A steel, drop-forged, heat-treated product.

Made in four tempers: Hard, Medium Hard, Medium Soft and Dead Soft. The two softer types have hardened points for long life effectiveness.

It was just a couple of years ago that a Methodist minister, who was quite a horseshoe enthusiast, and a couple of pitchers from Mineral, Virginia, came to Lynchburg to see how horseshoe tournaments are run and to take such information back to their county and try to get interest in the sport there. Though this minister has left that location, interest still mounts.

## WORLD TOURNAMENT HIGHLIGHTS

ance. The championship division had players from 15 states and 21 states were represented in the round robin play.

Willard West of Miami, Fla traveled the greatest distance to compete. NHPA member Ed Devanney traveled all the way from Massachusetts to watch the tourney. A real horseshoe fan! Other NHPA members who came only as spectators included Joe Robertson of New Mexico.

The tourney also brought out old timers who were top players years ago. Hanford Jackson, son of the legendary Frank Jackson and a great player in his own right, was one of these. Others were Merle Stoner and Roy Gatewood, former California pitching greats.

Floyd Toole and Charlie Carson both looked great on the TV shots of the tournament shown by a Los Angeles station.

The brochure put out by the Southern California Chapter was really attractive and chuck full of interesting pictures.

Larry Lewandowski of Minnesota was again on hand as an official scorekeeper on court 9. That makes about 14 consecutive years now.

Disneyland, Marineland, the Farmer's Market and major league ball games were the chief "tourist" attractions for the players and their families.

Secretary-Treasurer Bob Pence and his family took a month of vacation to attend the tournament. On his return home Aug. 21 he found a houseful of horseshoe mail which will take him all winter to get out from under.

Unbelievable was the demonstration staged by Dale Dixon. On a portable court using a thick pad of spongelike rubber instead of clay. Elmer Hohl, Ralph Maddox and Floyd Toole tossed ringers (they connected for well over 80%) for more than 30 minutes, and NOT A SINGLE RINGER BOUNCED OFF THE STAKE. What would happen when less skillful players try to keep close shoes within counting distance? That remains to be seen, but the NHPA will definitely look into this new setup. It could revolutionize the game.

Floyd Toole was the hard luck man. He lost his glasses enroute to California, obtained a new pair and broke them.

Eddie Packham, outstanding California player of a number of years ago attempted a comeback this year. He failed to make the championship division, but placed 4th in Class "B". Eddie posted good records in past World Tournaments in Murray and Des Moines, but he was so impressed with this one, the caliber of competition, the excitement and color and the way it was run that he donated a large number of special trophies and awards. NHPA officials Harold Craig, Bob Pence and Elmer Beller; tournament aids Katie Gregson and Larry Lewandowski; oldest player, Charlie Carson; youngest in championship class, Clive Wahlin; Southern California and South Gate officials Glenn Brown, Ralph Navarro and Jerry Schneider of Calif. for outstanding sportsmanship were among those who received the special Eddie Packham awards.

"It was the greatest tournament ever," stated Eddie, "and I want to do something for individuals who made it possible and for the game and the National Association which have given me so much pleasure."

Ole Hansen of Seaside, Calif. who was the most tireless scorekeeper of all time—qualifying, Class "C", Class "B", Ladies, Juniors, "Old Timers" and the championship play at night;

Jim Weeks, Norm Smith and all the other officers of the Southern California and South Gate clubs who co-operated so well;

Scorekeepers Jack Ellis, (Fla.); Wilmore, (Ind.); the McPhearsons, (Ky.) Betty Steinfeldt, (N.Y.); Gary Roberts, (Ohio); Bruce Lyon, Les Anderson and Bill Fraser, (N. Calif.) and Hank Durr, Fred Burkhart, Jim Weeks, Jr. and Ross Faulkner (S. Calif.);

Archie Gregson, the tournament's MC, and his wife Katie, who again kept the tournament records along with Janet, Judy, Jerry and Mrs. Pence.

## J. Cipolla, Champ In Hornell, N. Y. Ring-O-Rama Meet

A total of 35 pitchers from surrounding cities, vied for trophies and cash prizes in the first tournament held at the Hornell, N. Y. club courts in connection with the Ring-O-Rama.

In the Class A event 12 men competed for the title. John Cipolla, Mt. Morris club, first; Willard Smith, Almond Hornell club; second: N. Bassett, Hornell club; third: and recent winner of the Class B championship held at Jamestown, N. Y.

Class B honors went to Elmer Smith, Corning club, first: W. Gramick, Corning club; second: C. Henshaw, Hornell club, third.

It was a most successful tournament due to the fact that our club is brand new and has not been known until this year. Some of our club members have won honors in previous years and have competed this year.

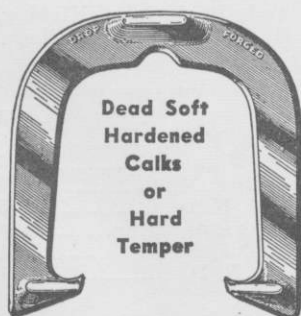

We have also completed our tournaments for the young set in our newly created recreation program this year. Trophies and pop and ice cream took the interest of the younger group.

The club wishes to express its thanks to those who had any part in bringing the New York state tournament for 1964 to Hornell, N. Y. We will make every effort to make it one of the outstanding tournaments in the state.

## Rockville, Conn. Championship Goes To Stawicki

T. Stawicki copped the Rockville, Connecticut tournament with 7 straight wins, followed by P. Dobosz in second spot. E. Dickinson was third with 4 and 3. In Class B play-off, S. Knebel took the measure of S. Kolanko in straight games of 50-46 and 50-43.

## North Carolina Dominates 1963 National AAU Meet

North Carolina players dominated the annual National AAU tournament held in Salisbury, Maryland over the Labor Day weekend. A good portion of all competing players are members of the NHPA.

Walter King of Asheboro, North Carolina took the singles title with 15 wins and no losses and an average ringer percentage of 71.8%.

North Carolina had six players entered in the tournament and after the first round eliminations all six of the Tar Heels moved into the final 8 man round robin. The other two finalists were William Kolb of Belleville, New Jersey and Leroy Hill of Broadway, Ohio.

In addition to Kings Gold Medal First Place, Conrad Murphy of Winston-Salem, N. C. took the second place Silver Medal and Ed Stancik of Durham, N. C. took the third place Bronze Medal. Darrell Eller of Thomasville, N. C. finished fourth.

Not being satisfied with a clean sweep in the singles competition, the North Carolina players then teamed for another clean sweep in the Doubles. Walter King teamed with Glyden Moore of Burlington, N. C. and went undefeated to take the first place Gold Medal. Stancik and Murphy suffered only one loss, to King & Moore, for the second place Silver Medal. Eller teamed with Don Longton of High Point, N. C., lost only to the other two North Carolina teams and won the third place Bronze Medal.

The only trophy which was not won by North Carolina went to William Kolb for the highest qualifying score.

At no time in the history of the National A.A.U. has one state so completely dominated this tournament.

## LET'S GET ACQUAINTED

I live at 920 Wright Avenue, Yakima, Washington, with my wife Irma, son Phil, 19, daughter Dianne, 17, and have a son Gary, 22, married and living close by with a grandson and a granddaughter.

I have resided here since 1946, coming here from Abilene, Kansas.

Being a stranger, I joined the Yakima Horseshoe Club in the summer of 1947 mostly to meet people and make friends. I had not played horseshoes for at least fifteen years. At that time there was at least 40 members in the club so I soon had friends and didn't feel like a stranger anymore. Some of my best friends today I met on the horseshoe courts that first season.

In 1948 I subbed to make the third man from Yakima in an Oregon vs Washington meet at Portland, Oregon. I lost 4 out of 5 games in that event but had the good fortune to meet our Washington State Secretary and he wanted me to come to Bremerton, Washington, Labor Day for our State Tournament.

Well, as the story goes, I haven't missed since and hope to attend many more. It's almost like a family reunion when we get together for this event. By the way, in this first State Tournament I was "skunked" 50-0 by Gene Patrick. And today we own a summer home together on Chinook Pass near Mount Rainier, where we also have horseshoe courts.

In 1950 I traveled to Salt Lake City (Murray, Utah) for the National Tournament and in so doing I became the first Washington player to enter the Nationals. I returned in 1951 and again in 1953. In these I placed 11th, 13th, and 6th.

From 5 3to 62 I played in most of the tournaments throughout the Northwest and enjoyed a gradual rise in ringer percentage. So in 1963 I returned to the World's Tournament at South Gate, California with a "Rabbit's Foot A Mile Long" and it carried me to the title of World Champion, something beyond all expectations.

I use a set pitch, standing approximately 40 inches from the foul line and pitch a one and one-quarter turn.

At this time I want to say "Thanks" to everyone for the telegrams I received and for the many letters and cards that are coming in every day.

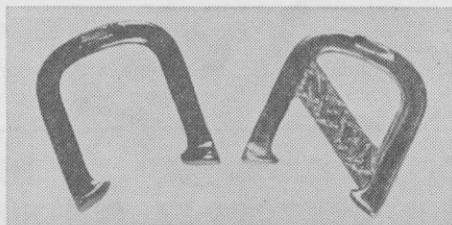

Here again as in all my travels playing our favorite sport of Horseshoes, I met and made many friends and acquaintances.

World Champion, John Monasmith
