DIXON PORTABLE HORSESHOE COURTS

2616 49th Street
Des Moines, Iowa

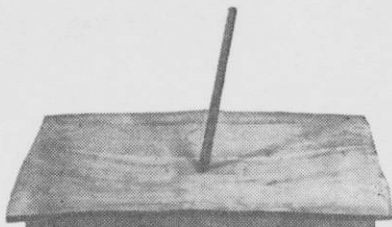

Dixon Portable Horseshoe Courts (Patent Pending) are now available. I have received many inquiries on these courts, but have not been able to present them at a price I felt would be attractive. I have been able to purchase the rubber pads in large quantities and can pass the savings on to you. The new nylon suspension system has eliminated some cost and improves the efficiency of the rubber pad greatly. The life of these pads should be at least ten years and are guaranteed for two years.

I have eliminated painting to keep the price down, so you will have to paint them to suit your own taste.

Each end of the court is boxed separately and weighs approximately 38 pounds - 76 pounds for the complete court. They are available in 2" and 4" heights, and a conversion that can be used to set over your present clay court. The same pad is used on all styles and is interchangeable, which means that it can be used on clay and boxed in the portable for mobility.

Court Without Rubber Pad

Complete Court Ready For Use

The 4" portable will give you maximum performance and can be converted to any desired height by ripping off the top side.

The 2" is not as effective in holding close shoes, but will hold the ringers about the same.

The convertible will be as effective as the 2" portable, but the rigid stake will not hold the ringers nearly as well.

Either of the portables are easily stored in the trunk of your car, and can be set up ready to go in 5 minutes in your yard, on your drive, at the park, on the beach, at the lake while you are waiting for the fish to bite, in your basement (if you have enough room), in the barn (if you are on the farm), in gymnasiums at school, or anyplace where there is enough room.

I qualified on these courts at the state tournament at the Iowa State Fair and threw 84 ringers in 100 shoes and never lost a ringer. Practically every pitcher in the tournament tried them and admitted they were better than clay courts.

I hope these courts will make you a better horseshoe pitcher and I will guarantee the ringers you throw will stay there. Every shoe will feel the same every time you pitch it. No mud - no dirt - no maintenance - no more, "barnyard golf."

Dale E. Dixon

PRICE

4" and 2" portables - \$39.50, f.o.b. Des Moines, Iowa

The special committee on Junior and Ladies' playing rules consisting of McGrath (Ohio) and Winston (Mo.) submitted a code of rules. Discussion from the floor centered around maintaining the amateur status of the junior players and their right to play in the men's divisions. An amendment was added leaving Junior play in the men's divisions up the various state associations and the recommended code of rules was passed. A committee consisting of Reno (Ala.) McGrath and Clancy (Ohio) was appointed to make a further study and report on maintaining the amateur status of Juniors.

ers at the Eastern National and the Midwest "Ringer Round Up" had voiced considerable opposition to testing the proposed rule in these tournaments.

Secretary Robert Pence reported on the temporary membership fee provision with the magazine subscription optional which had been adopted on a one year trial basis at the 1963 convention. He reported that although a full year had not yet passed membership had already exceeded the previous year's total, but that there had apparently been some loss in magazine subscriptions. Marino (Ariz.) moved the trial basis be extended until the next convention. Dixon (Ia.) seconded the motion which carried.

Sealed bids for the 1965 World Tournament were called for. Fish (N.H.) submitted a bid of \$4,000.00 from Keene, N. H. and Cook (Utah) one of \$3,000.00 from Salt Lake County, Utah. A secret ballot vote was taken and the Keene, N. H. bid was accepted by a vote of 41 to 28. The delegates then voted 35 to 33 by secret ballot to ask Utah to resubmit its bid for the 1966 tournament as soon as possible and empowered the Executive Council to accept such a bid if offered.

Hagy (Nev.) moved that the portable rubber composition courts patented by Dale Dixon be approved for use in sanctioned tournaments. Motion was seconded by Dixon and was carried by a standing vote.

Motion by Steinfeldt (N.Y.), seconded by Toole (Ark.) that the top six finishers automatically qualify for the next tournament was defeated by a show of hands.

Motion by Steinfeldt (N.Y.), seconded by Boyer (Ind.) that a Horseshoe Hall of Fame be established was carried. President Craig appointed Steinfeldt chairman of a committee consisting of Chrisman, (Ind.), Roy Smith (Calif.), Mortenson (Ia.) and Pence (Ind.) with powers to set up rules and regulations for the establishment of the Horseshoe Hall of Fame with instructions to employ other NHPA members they thought qualified to serve in an advisory capacity.

Jack Wolfe (Can.) invited the N.H.P.A. to consider Canada as a site for the 1967 World Tournament.

The Nominating Committee of Weeks (Calif.) and Wilmore (Ind.) recommended that 2nd Vice-president, Glen Sebring (Pa.), 4th Vice-president, Lucille Hopkins (Ia.) and Secretary-Treasurer Robert Pence (Ind.) be re-elected. Nominations from the floor were called for by President Craig. There being none, Jensen (Mich.) seconded by Winston (Mo.) moved the nominations be closed and the incumbents be elected by acclamation. The motion carried.

Motion by Sebring (Pa.) seconded by Fish (N.H.) that the city of Greenville, the housing committee, the Greenville Park Board, the Darke County Horseshoe Association, the Miller Brewing Co. and all individuals and groups contributing to the success of the best World championships in history, be given the thanks of the N.H.P.A. for their fine work. The motion carried unanimously.

Marino (Ariz.) seconded by Castine (Mass.) moved for adjournment, the motion carried and the convention stood adjourned.

Congratulations

Congratulations to Mr. and Mrs. Robert Redding of Mt. Sterling, Ohio, who welcomed the arrival of a baby daughter to join the three older brothers in the Redding household. Within three weeks after the joyous event, Bob won three tournaments and was runner-up in the fourth one.

COVER PICTURE . . . In the opening ceremonies of the annual Northwest Pennsylvania Open tournament held at Glenwood park in Erie, Pennsylvania this season, Miss Mary Frances Lupo is shown with Glen Sebring of Erie (holding crown) and Joe Peters of Erie, just before she was crowned queen of the tournament. Miss Lupo was also chosen "Miss Italian Day" of Erie for 1964.

In Memoriam

The members of both California associations were shocked to learn of the sudden passing of Robert E. Stevenson of San Bruno, California, of a heart attack, at the age of 56 years old.

Bob as he was affectionately known, was a staunch supporter of the game in and around the San Bruno area and was always on hand at any of the tournaments. He was a former Regional Director and will be sadly missed by all of those who were associated with him. He is survived by his wife, Marie, a son, Donald and a daughter, Judy, and his mother, Mrs. Robert Carr.

The sympathy of the California associations together with that of the National Horseshoe Pitcher's association officers and members is extended to the bereaved family.

Andy Paglarini New Hibbing, Minnesota Open Champ

For the first time since the inception of the Hibbing, Minnesota Open tournament in 1957, the title was won by a Hibbing player, Andy Paglarini. Andy ran the "gauntlet" picking up 10 wins against 1 loss, while averaging 65.1 percent for ringers. Joe Anzaldi of St. Paul had a like record to claim ownership of the Class B crown. Sig Johnson of Duluth showed the way to title honors in Class C, while down in Class D, Waino Hill directed things for top spot there. Tom Miller of Duluth was the better of the four tied for top place in Class E. Beautiful weather prevailed all through the meet. Orchids go to Charley Strafaccia, general chairman, Walt Charles for a great job on tabulation and to all the help given by all members and officers of the Hibbing club, without which the tournament would not have been the success that it was.

Edgar Landry, Massachusetts Sharpshooter, Tops Field To Win New England Championship

In spite of the fact that the annual New England meet had to be transferred from Moxie's Grove in Massachusetts to the courts in Keene, New Hampshire on just five days notice, it turned out to be a very successful tournament. There were 128 entries in the men's division in addition to the women's division and a senior and junior boys' division. Edgar Landry of Fall River, Massachusetts was the winner of the men's division. The outcome was in doubt until the 15th and final game.

The women's division wound up in a three-way tie between Pamela Stowell of Bedford, Massachusetts, Gail Robinson of Derby, New Hampshire and Rita Ducharme of Easthampton, Massachusetts. In the play-off, Pamela defeated both of her opponents to win the women's title.

Due to the change in location of the meet, there were only two entries for the senior boys' division. Bob Gore of Orange, Massachusetts won two straight games from Ken Washer of Keene, New Hampshire, in a best two out of three series. Tom Johanson of Connecticut won all his games in the junior boy's division.

Amos Whitaker of Orange pitched a steady brand of horseshoes to walk off with top honors in the Mass. Kickoff Meet at Moxie's Grove courts at Holyoke, Mass. Amos won seven straight games to account for his first big win, in a number of years. Ottie Reno's book on horseshoe pitching and horseshoes were awarded as prizes and the balance of the entry fee money was used to help pay Edgar Landry's expenses to the World meet in Greenville, Ohio.

Joe Helms In Successful Defense Of Valencia County (N. M.) Fair Tournament

Joe Helms, 3-time winner of the New Mexico state champion and 2-time winner of the Valencia County fair tournament again claimed the championship trophy. Helms was tied with Tom Towne at the end of regular play with a total of 437 points each. Helms started the play-off game with 6 doubles in a row with Towne following with 5 doubles in a row. However, Helms put on a full head of steam to defeat Towne by 18 points using an 80 percent game as the "tool." On the overall scoring for the afternoon, Helms totalled 561 points and averaging 68.4 percent in ringers. P. D. Riley ran third.

Another feature of the afternoon was the awarding of the Merit Achievement trophy, which went to Marion Henson for his outstanding accomplishments in promoting and organizing horseshoe pitching both in town and in the high school. Presentation was made by Otis Henson, president of the Belen club.

Massachusetts Open Championship

Carl Steinfeldt of Rochester, N.Y., won the Mass. Open Championship at Moxie's Grove, Holyoke, taking 9 straight games. In spite of the strong winds which cut down everyone's ringer percentage, Carl had an easy time with everyone except Joe Zichella of New York City. Joe was leading 46 to 22 when Carl got hot and Joe could only score one more point before Steinfeldt went out. There were 112 entries in the meet this year with 14 classes competing.

West Virginia Open Tournament

A fine Open Tournament was held at City Park, Parkersburg, W. Va., Aug. 22, and 23, although it was dampened by a heavy rainstorm on Saturday.

We had to group the 16 A class men into two groups due to the lack of time caused by the rainstorm.

Ralph Randall of Barstow, California proved to be the guiding light in the annual San Bernardino County fair tournament held at Victorville, California this fall. He went the entire distance without a loss. Jim Gregson, defending champ, was unbeaten up until the last game, which was with Randall. It was a battle between two of the top pitchers of So. A large crowd of fair visitors witnessed the battle of ringers as Randall hit 52 ringers out of 66 shoes pitched for a 78.8 ringer percentage while Gregson rang up 42 out of 66 for 63.1 percent.

A new class was added this year for those pitchers over 60 years of age. It was played on their day at the fair and started at 5:30 p.m. It was a great day for the members of the Barstow club as they garnered 8 of the 12 trophies that were awarded.

Alvin Gandy, Kansas Ringerman, New Topeka City Champ

Alvin Gandy, a veteran of many world tournaments, is the new Topeka, Kansas city champion for 1964. He was undefeated in the Class A division. Frank Knouft was the runner-up, losing his only game to Gandy, 50-45.

Carl Garner went undefeated in 7 games to win Class "B" A. Smith went undefeated to win Class "C" division. Each pitcher received a beautiful trophy. This tournament which has been sponsored by Capitol Post and the Topeka Horseshoe Ass'n. since 1948 has become a very fine and enjoyable athletic event. Many of the games pitched were over 80 per cent ringers.

A Note of Appreciation . . .

Receiving the 1964 Arch Stokes Memorial Trophy was an experience I will always treasure. The Stokes family does a great service to horseshoe pitching by making an award available which recognizes promotion to be as necessary and valuable to the game as ringers are.

Anyone who wants to know what is meant by sportsmanship and clean, stout-hearted fun needs only to meet Mrs. Stokes. She is a great lady.

I do not look at the Arch Stokes Memorial Trophy as a monument to something done in the past but as an inspiration to do something in the future.

Putt Mossman, Former World Champ In Auto Accident

Putt Mossman was severely injured in an auto accident recently.

The former motorcycle rider, stuntman and world champion horseshoe pitcher, believing his car was running out of gas, leaned over to turn on the reserve tank.

The motor locked and he was thrown against the gear shift handle. The result was a ruptured large intestine.

So this daredevil was almost killed on the highway instead of while doing one of his dangerous stunts.

He is anxious to receive letters. His address is General Hosp., Des Arc, Arkansas.

Throughout the competition Ohler was in rare form, averaging 83.2% and losing only to Albert Zadroga. Six of the eight pitchers in Class A averaged over the 70% mark, thus setting a very high precedent for what is hoped to become an annual event.

John Clingan captured the Class B honors, losing only to Robert Werner. The sportsman award went to Robert Hummell for his energetic support and promotion of this tournament. The Washington Horseshoe Club is certainly to be congratulated on promoting not only this event, but the revival of organized horseshoes in the southwestern corner of our state.

Solomon Unseats Zadroga To Take Crown In The Jefferson, Pa. Open Tournament

Outpitching the outstanding pitchers of four states, Jim Solomon, a classy pitcher from Uniontown, Pa. won the 3rd annual Jefferson Open tournament. This tournament, sponsored annually by the firemen of little Jefferson, tucked away in the hills of Greene county in southwestern Pennsylvania, but a mecca for horseshoe pitchers, was conducted on September 19 and 20 and rung down the curtain for the state's big tournaments for the season. The title was not decided until the final game of the tournament, when Solomon defeated Zadroga of Elizabeth, Pa., the defending champion.

Matt Voithofer downed Joe Wohar to take Class B honors. Barrett won the Class title by being undefeated. Russ Wade of West Virginia beat Phil Lovetere in a play-off for Class D, thereby retaining his title in that class. Oliverio bested Comstock for the Class E title, while in a 3-way play-off in Class F, Ball was the victor.

The carrying case advertised in previous issues will be forthcoming in the future. At the present it has reached an unfortunate snag. This ad may be discontinued for the time being until a large supply of cases are made.

The shop which is to make them, became involved in a good money making project of a business machine. It was to make the cases in spare time, but is too busy at the present. All we can do is wait.

Homer Moefield of California is the defending champion of the Class A section.

More details will be published in the December and January issues of the News Digest. In the meantime start making plans to be on hand when this annual wintertime "ringerama" starts.

Dear Sir,

I want to take this opportunity of expressing my congratulations and appreciation to the Topeka, Kansas Horseshoe club, especially Perl Pepple, Alvin Gandy and H. G. Collett and all the others that had a part in making "The Heart of Kansas" tournament the success that it was. No one ever treated me any better than they did. I want to especially thank the women for the way they handled the refreshments at the stands. Everyone treated you fine.

The courts were in wonderful shape. The grounds keepers deserve a great deal of credit. They were really "on the ball."

I have never attended a better tournament, and I have been around a lot. This being my forty-fourth year. God willing I expect to be there again next year.

Sincerely,

Ernie Danielson

F. Ellis Cobb,
Editor
The Horseshoe Pitchers' News Digest
1307 Solfisburg Avenue
Aurora, Illinois

Dear Sir:

In reading the past July and August issues of the News Digest, my interest was intermittantly dampened by the lack of ringer percentages in various tournament summaries. One of the most disappointing cases for me was the summary of the "Heart of Kansas Tournament" (August, page 18). Starting in January 1964, announcements for this July 4th event required space in every issue of the Digest through June. Then the big letdown — complete results of probably the classiest tournament in the "Big 8" states in many years were not published.

The inclusion of ringer percentages not only gives credit to the toil of the champion and loser alike, but undeniably classifies the caliber of pitching in the tournament and the area.

I believe so strongly in the importance of percentages to the progress of the game that a policy should be established for the magazine whereby no summary shall be published without them.

A mediocre pitcher,

G. R. Kahle
