LEE HORSESHOES

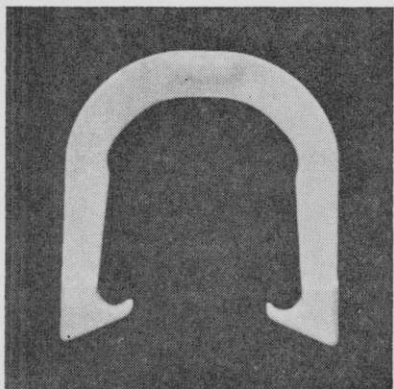

The demand for shoes this year has increased so much that we ran out twice, and had to reorder.

This takes time, and we have to wait our turn at the forging company. This winter we will have a larger supply of shoes made, hoping they will meet the demand.

Those who order now, will be sure of getting shoes when they want them.

Place your order, but **SEND NO MONEY**. This will give us an idea of how many pair to make.

To change a DIE, and put the finger hold in the Lee shoe has been a big expense, but since so many have asked for this, the change has been made. The DIE is now being cut, and we should have shoes by the first of the year. Due to the increase in **POSTAGE, STEEL** and **CHANGE OF DIE**, the price of shoes will be:

1 to 5 pair \$6.50 per pr. post paid
CANADA..... \$7.00 per pr. post paid

Available in 4 TEMPER:

DEAD SOFT — WITH OR WITHOUT HARD POINTS.
MEDIUM SOFT — WITH OR WITHOUT HARD POINTS.
MEDIUM HARD and HARD.

(dead soft with hard points — 25¢ extra)

For larger quantities write for price list

Curt Day, World's Champ, Takes Indiana State Title Again

Indiana State Tournament held on Heekin Park Courts in Muncie over Labor Day week-end. Entries of 144 shattered all-time record for Indiana. The four top classes on Labor Day were hampered by cool and windy weather which reflect in lower ringer percentage. On Saturday night two hour rain caused a week's postponement of six classes.

"I'm glad to find you as you are," said the old friend, "Your great wealth hasn't changed you."

"Well," replied the frank millionaire, "It has changed me in one thing. I'm now eccentric where I used to be impolite, and delightfully witty where I used to be rude."

Wetherbee's "Perseverance" Finally Gains Him

Colorado Title

Perseverance !!! has it's way, even in horseshoes. This was proven an actual fact by Dick Wetherbee, of Colorado Springs . . . back in 1963 he finished in 6th place in the Colorado State meet . . . then in 1964 he was tied for 1st place . . . lost the play-off game to Harvey Ochsner 50-37, then in 1965 he lost another 1st play-off to Roy Radcliff, but NOT TO BE DENIED in 1966, he went thru the entire tournament winning 13 straight games !!! Meet was played on the City park courts in Denver, over Labor Day.

Jim Solomon "Best Mudder" In Fall Ringer Round-up

Jim Solomon of Uniontown turned out to be the "best Mudder" in the "Fall Ringer Round-up" held in New Castle, Pa. Sept. 24-25th at the George Washington Courts. The tournament was sponsored by the New Castle Horseshoe Club. It rained and drizzled all day for Classes A & B.

The most exciting game was the one between Solomon and Harold Tuttle of Youngstown which went an even 100 shoes with each making 76 ringers. Solomon won 52-45.

Valley of the Sun Open Set for February 25-26

To all those planning to spend some time under the Arizona sun, attention is called to the annual Valley of the Sun Open tournament to be played on the Rendezvous park courts in Mesa, Arizona on Saturday and Sunday, February 25 and 26, 1967.

Michigan Upper Peninsula Forms N.H.P.A. Chapter

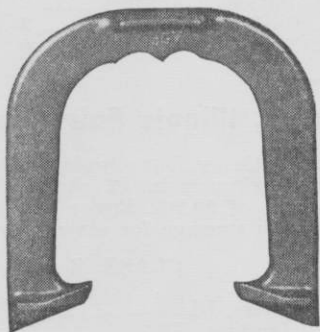

Michigan which is rapidly coming to the front as a horseshoe state now has two NHPA chapters with the formation of a chapter in the Upper Peninsula.

The Michigan Wolverine State Association is the fastest growing chapter in the NHPA along with Washington, but geographic distance makes it impractical for players in the peninsula to take part in the activities.

There are many fine players in the Upper Peninsula with a strong well-organized league engaged in team and doubles play.

Wilho Sayering assisted by the Carlson family has been instrumental in signing of enough NHPA members in the area to form the new chapter. Wilho Sayering will act as NHPA representative until permanent officers are chosen. His address is 362 County Road, Negaunee, Mich.

The Michigan Wolverine State Association, which suggested the formation of the Peninsula Chapter, will continue to hold the state tournament, but in the future we are sure "Digest" readers will hear more and more about activities in the Upper Peninsula.

In Memoriam

The Michigan State association was saddened by the passing of Carl Wood of 67 East Grand Circle, Battle Creek, Michigan on Sunday, October 2, Lakeview General Hospital in Battle Creek. He entered the hospital on September 6 following the conclusion of the Michigan state tournament. His passing leaves a great void in the Wolverine state association, where his warm-good-hearted disposition and sunny smile made him countless friends.

He was the general chairman of the Michigan Waterland Open tournament held at Battle Creek for the past two years.

Over the years he won many horseshoe games, in which he gave every pitch the earnest effort which was one of the many capabilities of his exemplary life. He was a splendid gentleman, husband and father of a devoted family.

To his loving family the heartfelt sympathy of the Michigan state association and the Dimondale club and community, together with that of the National Horseshoe Pitchers Association and News Digest staff is extended in their hour of sadness. He is survived by his wife Ethel, three daughters and eight grandchildren. Also five brothers and three sisters. He was laid to rest in Reese cemetery, in Battle Creek, Michigan.

*He walked with us but yesterday.
But yesterday, or so it seems,
We shared each other's joys, our woes,
We shared our wise (or foolish) dreams.*

*Now there is silence where he spoke;
Nor can he hear what we would say.
Yet all he meant is with us still,
And we are glad for having him for yesterday.*

News From Dimondale, Michigan Club

The Dimondale, Michigan club held their weekly tournament at Ray's Recreation at Windsor on Tuesday evening, October 11. These events will be a regular weekly feature of the club during the winter months.

Dean Wolfe of Hillsdale, Michigan won a first place trophy at the annual Wauseon, Ohio Open tournament held in late September. Oscar Hope finished second in Class D of the same meet.

The Dimondale tournament held on October 15 was won by Don Kaiser of Clayton, Michigan. Vern Fuller took a playoff victory over Stiverson to win his group competition while S. D. Rogers who was in extra fine form, cut a close one over Alan Palmer of Lansing.

The popular Charlotte, Michigan veteran, Al Hodgman underwent surgery at St. Lawrence Hospital in Lansing, Michigan for the relief of a kidney ailment. He would appreciate cards from his many friends. Please remember him. His home address is Alton Hodgman, Rte No. 2, Charlotte, Michigan 48813.

Following medical observation for some time, Mrs. Ruth Hammond, a faithful worker in the Wolverine state activities, has been given the "green light" and is now back at work, which is happy news for all her many friends around the state.

It has been suggested that all clubs do some serious thinking about their selection of dates for the Wolverine State Association sponsored tournaments for next season. The earlier these dates are established the sooner next year's schedule can be finalized.

Paglarini In Winner's Circle To Take Sioux Valley Crown

The Sioux Valley Open, Sioux Falls, S. D., conducted by the Sioux Empire Indoor Horseshoe Pitchers Ass'n. and sponsored by the Sioux Empire Fair Ass'n. has now grown to one of the best tournaments in the area. Our entry's went from the usual 55 men to a soaring 92 this year. Just a little extra added effort was given, and the horseshoe players responded with great interest.

Four of the Sioux Falls men pulled out to make room for the incoming men and make an even 10 divisions. Men from North and South Dakota, Minnesota and Iowa were present, and traveled from as far away as 450 miles.

Mr. Andy Paglarini from Hibbing, Minn., was the winner and champ this year. This man is a very fine pitcher and we of Sioux Falls were proud to have a man of his fine caliber in our tournament. He is a grand and determined man, our hats off to a proud champ.

Fargo-Moorhead Group Praised By Minneapolis Park Official

Einar Nelson, Minneapolis Park Board supervisor, lauded Fargo-Moorhead's efforts to land the 1967 World Horseshoe Tournament during the Minneapolis Horseshoe Club's party. "It will serve to give the game a tremendous lift in the entire Upper Midwest area," Nelson said. "We will lend any assistance we possibly can to make the tournament a success."

Nelson works with the Minneapolis Horseshoe League and will help conduct the Minneapolis state tournament next summer.

"We know how much work it take to conduct a state tournament and it takes many times that much work to hold a world event," Henry Filzen, Minneapolis president, commented.

Filzen, a charter member of the Minneapolis League, is also president of the Minneapolis State Horseshoe Pitchers Association. He assured strong backing for the World Tournament.

Many of the 55 members present wore World Tournament buttons which are being sold to boost the tournament fund.

Will Gullickson of Moorhead, secretary of the Red River Valley Horseshoe League, showed films on the 1966 World Tournament and outlined plans for the event which will be held at the Fargo Park District's Oak Grove Park courts, Fargo, N. D.

N.H.P.A. Championship Insignias Issued For Sanctioned Tournaments

Championship insignias are issued to the winners of all classes in all sanctioned tournaments upon request by the State Secretary in which the sanctioned tournament is held.

State Secretaries who have not requested championship insignias for 1966 are requested to write Mrs. Hopkins at once in order that she may place a supplementary order for the insignias.

A sanctioned tournament is one which the State Secretary certifies by letter that all entries were or will be NHPA members. A tournament in which all the players in the top class or classes are NHPA members may be sanctioned for those classes upon request even tho the players in the lower classes are not all NHPA members.

The insignias of championship may be obtained in advance of a tourney or afterwards by a letter of request. These letters of request must be sent to Mrs. Charley Hopkins, NHPA Vice President, 124 South Cherry Street Ottumwa, Iowa 52501, who is in charge of this item for the National Assoc.

The number of sanctioned tournaments and the number of classes has increased tremendously in the past couple of years. The price of insignias has also gone up. Consequently a limit of one to a member has been placed on the awarding of these championship insignias regardless of how many tourney classes an individual has won during the season.

Special Notice To All Digest Subscribers

To clarify a situation beyond the control of the national association and the News Digest staff as to the delay or failure to receive recent issues of the News Digest, the situation is due to a gigantic pile-up of all classes of mail in the Chicago, Illinois post-office. The News Digest comes under the third class mailing and this type of mail will be the last to move out of the jam-up. Some of the September issues are those that are being delayed along with the October issue. We beg your indulgence until this situation rights itself, which we are confident will be soon.

Senatorial Candidate Displays Pitching Ability At Fargo-Moorhead

Robert Forsythe of Minneapolis, candidate for the U.S. Senate in Minnesota, displays his horseshoe-pitching style at the Fargo, N.D., Park District's Oak Grove courts while campaigning in Moorhead, Minn., Sept. 30.

Forsythe, a tall right-hander, pitched three 21-point games against Will Gullickson of Moorhead, the second vice president of the NHPA.

"We may not get any votes, but we are enjoying ourselves," Forsythe piped up during the competition. Forsythe's appearance at the courts drew attention from all the Fargo-Moorhead news media with the television cameramen having a heyday while focusing in on the action.

Forsythe swapped "campaign" pins with Gullickson, Forsythe supplied Gullickson with one of his buttons and Gullickson gave one of the 1967 World Tournament buttons in return. While losing the three matches, Forsythe said he is willing to match shoes with his opponent, Walter Mondale.

Forsythe's interest in the game is not a flash in the pan. He fired an open shoe most of the time with a $1\frac{3}{4}$ turn, and during the afternoon pitched several double ringers.

Al Hostak, Former Boxing Great, Member Of Seattle Club

This year the Seattle chapter of the Washington State Association was proud to number among its members Al Hostak, former Middleweight Boxing Champion of the World (1938-1940). After having pitched in his first sanctioned tournament, the Greater Seattle Championship, he commented, "This is tougher than boxing. When you're in the ring and the pressure starts to get to you, you can get mad and take it out on the other guy — but here you can only sweat it out." We hope he keeps just "sweating it out" because he hit so hard, several of his opponent tried to claim he had a horseshoe sewed in his glove. He is one man we don't want to anger. Joking aside, Al is a wonderfully good sport, and while we are not sure where he gained his familiarity, he is no stranger to a horseshoe.

D. Carson Wins Virginia's First Apple Open Tournament

The first Apple Capital Open tournament sponsored by the Winchester Horseshoe Pitchers Association and the Winchester Parks and Recreation Department was won by Dale Carson of Baltimore, Maryland.

In the final round of the Championship Flight, Carson with 13-1 met Darrell Eller of Thomasville, N. C. 14-0. Carson defeated Eller ending regular play with both men tied 14-1. Carson defeated Eller again in the play-off to become the Champion of the First Apple Capital Open, with Eller 2nd. Carson's only defeat came in the 10th round at the hands of Harry Sibert 12-3, of Englewood, Ohio, who tied with Cecil Monday of Richmond, Virginia for 3rd place. Close behind was John Fulton, of Carlisle, Pennsylvania, and Alvin Dahlene of Lawrence, Kansas with a 11-4 record.

Mrs. Cindy Dean, Virginia Ladies Champion won the "A" Class with 4 wins and 0 losses. Charles Price of Stanley, Virginia, came in 2nd with 3-1.

Claude Painter of Waynesboro, Virginia won the "B" Class 4-0 with Ben Michael of West Augusta, Virginia 2nd with 3-1.

"Red" Henton Winner Of 1966 Cornbelt Open

Genial Glen "Red" Henton, state champion of Iowa, added to his laurels by winning the annual Cornbelt Open title the latter part of August at the Crapo park courts in Burlington, Iowa. Paul Focht of Dayton, Ohio and a former world champion was runner-up.

Much credit is to be given to the "Candy-stripe" girls who kept score all during the tournament and to Mrs. Lucille Hopkins for handling the paper work at the desk. Also to Harold Darnold and his family who worked so hard to make this major tournament in the country a success. Also the members of the Burlington, Iowa club for handling other details throughout the big meet.

Clive Wahlin Wins Tenth Utah State Title

Clive Wahlin, for the tenth time in twelve years, won the Utah State Crown. Only twice since 1955 has he reluctantly allowed the top spot to slip through his horseshoe-pitching fingers. He lost once in 1961 when Milton Tate wore the crown and again in 1964 when Roger Parsons took the championship. Class B was won this year by Alma Madsen of American Fork. The C title was pocketed by the old "pro" Oscar Funk and Class D was won by a newcomer from Ogden, Henry Benson.

The top men in the D, C, and B Classes were advanced so that two six-man round robins with a four-man play-off for the championship were held in each class. All contestants were placed in a class in accordance with their performance during the regular season of play. To be eligible to play, a participant had to have a National and State Card and play in a minimum of three tournaments during the regular season.

Horseshoe Pitching Introduced In Keokuk, Iowa Senior High School Gym Classes

By HERMAN GILPIN

Sometimes dates are difficult to remember, but I believe I will always remember Oct. 3, 1966.

On this date Mr. Bruce Van Dever and his assistant Mr. Terry Glasgow started their gym classes on pitching horseshoes. Mr. Van Dever asked me to come to the first class to help explain the game to the boys. He is going to use the NHPA rules and teach only the $1\frac{1}{4}$ and $1\frac{3}{4}$ turns.

He has a copy on Mr. Reno's book and the NHPA book *How To Do It* and Roy Smith's *Science at the Stake*.

Members, when you see such a program as this started, you can see what a need there is for good material along this line. Mr. Van Dever is to be commended for such an understanding.

Mr. Van Dever and Mr. Glasgow handle these young boys as only two men of their profession and skill can do. K.H.S. boys again prove their skill and training by catching on very well. Classes are 20 to 60 boys.

None of the boys were allowed to handle the shoes until the safety rules were explained around the courts. Then the $1\frac{1}{4}$ turn grip and swing were explained. Movements were made without throwing the shoe by the students. Then the same for the $1\frac{3}{4}$ turn way. The students then took over the 5 courts and it was a picture to see these teachers walking up and down the line of boys helping with their problems. It could only have been done by two professional teachers as smoothly as Mr. Van Dever and Mr. Glasgow. The boys tell me they are firm, but fair, "We like them."

As usual, I was the first to panic. At court 4 or 5 the boys really yelled. I thought something serious had happened. And I guess it had. One young boy was pitching ringers on like Isais, but not nearly as often. It was amazing what a good start these boys started with.

If more of this kind of training were done in the schools, I am certain we would have a lot more good young pitchers.

The boys were told about conduct on the court. Now they know that this is one game where sportsmanship is the highest and that nothing is done to hinder the other man's pitching and a hand shake is almost always given — win or lose.

Back to the kids. At the end of each class, the shoes are placed in a certain area for the next class. Don't you older kids wish you were back to school at Keokuk Senior High?

As a lot of you know, there is a great deal of work in getting a program of any kind like this started.

We wish to thank Dale Dixon, Carl Steinfelt, Dr. Billy Williamson, George Collins and you, the pitchers of NHPA, too.

Mr. Peters, principal of Keokuk High School, was one of the first to see the need of a game like this, realizing all boys don't make football and basketball due to size, handicaps and etc.

Yet here is a game of skill, science, psychology, and sportsmanship at its best. Mr. Peters has long known and still believes there is something in all game besides winning. He too is to be commended.

When these boys progress a little more in the game, I am going to give the coaches a trophy to give a boy.

It was explained to me that some other clubs or members might want to give a trophy, book or something for this program.

If you do, please write to Herman E. Gilpin, 1717 Johnson St. Keokuk, Iowa 52632.

Many letters and phone calls have been made to different members and the shoe manufacturers. Some I haven't heard from and some I just can't catch at home.

There are many of you who have more experience than I and I hope to hear some of your ideas and suggestions.

Will see you at Fargo 1967.

Al Zadroga Wins 1966 Jefferson Open Undefeated

Al Zadroga of Elizabeth, Pa., won the fourth annual Jefferson Open Horseshoe tournament sponsored annually by the Jefferson firemen. Pitching a steady brand of Horseshoes, Zadroga determinedly repelled attack after attack to go down to the wire undefeated; no stranger was he as Al won the first Jefferson championship in 1963 in a playoff with Buck Eagle of Pittsburgh. Jimmy Solomon came in second place with his usual brilliant pitching with the highest percentage in the tournament, averaging 80.53% and losing only to Zadroga and Wohar. Howard Shriver, Wadestown, West Virginia sharpshooter, shaded defending champion Jim Ohler of Scottsdale and Sam Sutton of Washington for third position, averaging 76.16%.

In a round robin pitch-off, Clair Bruce of New Wilmington, Pa., won the Class B championship from Pete Sowa, Versailles, Pa., Albert Booth of Washington and Jack Rainbow of Monaca who finished in the order as above, Sowa being the runnerup.

Class C was strictly a West Virginia affair with Tom Husty of Rivesville downing Russell Wade of Wadestown 50-13 in a play-off game as both went through their class with identical 5-1 marks.

In Class D Harry Johnson of Garards Fort, Pa., went undefeated to edge out Harley Hennen of Burton, West Virginia; while in Classes E and F Wilbur Barnhart of West Finley and Charles Sowa of Ardara were like bulls in a china shop to demolish their helpless and hapless competition.

In Memoriam

Alvin J. Nelson, 40, past president of the Red River Valley Horseshoe League, passed away Oct. 10 in Fargo, North Dakota. He had been ill for some time.

Nelson was one of the leading pitchers for the Arthur team, a consistent winner in the league for many years. He was also a regular competitor in the Red River Valley Open and North Dakota state tournament.

Nelson attended Arthur schools and was active as a basketball and football official. He is survived by his wife, Mary; son, Allan, and daughter, Mary Jane, and his mother, Mrs. Ida Nelson, all of Arthur, North Dakota.

Indoor Courts Installed In Fargo-Moorhead YMCA

"The distance appears shorter indoors," one horseshoe pitcher observed. "It's just like daylight," said another. "And no rain or mosquitoes either," said still another.

These are the observations of horseshoe pitchers who have headed for cover for the winter in Fargo-Moorhead, Minnesota.

Two regulation clay courts with sideboards have been constructed in the basement of the Fargo-Moorhead YMCA. They are in use for six hours a week — every Monday and Thursday night. Interest in the indoor game has caught on fast with some of the pitchers switching their bowling nights to have an opportunity to keep their pitching arms in shape. "It's really going to help us for a fast start in the spring," Harold McDonald of Moorhead said. "I'll be down here every chance I get." McDonald and Gust Magnuson, also of Moorhead, along with Henry Wisness of Fargo went to work to build the courts after hearing of the possibility of having a place to play.

Idea for the indoor courts came about as interest builds for the 1967 World Horseshoe Tournament to be held at the Fargo Park District's Oak Grove courts, Fargo, N. D., July 30 - Aug. 8, 1967.

A couple of the regular pitchers in the Red River Valley League have not joined the indoor league because of a fear their shoes might hit the 11-foot ceiling or lights. Most of the pitchers have made the transition and seldom have a shoe leaving the box. It's a rarity when one of the shoes bounces onto the concrete after hitting the peg.

Dick Sisler, general secretary of the 'Y' said he believes it is the first time horseshoe has been played in a YMCA in the United States. Horseshoe league members pay a club fee to the 'Y' or receive pitching privileges by becoming full-fledged YMCA members.

Outstanding Horseshoe Publicity Job Being Done By Hal Porter of Bradenton, Florida

Hal Porter of the Bradenton, Fla. Horseshoe Club is doing an outstanding job of obtaining horseshoe publicity in that area and his work could serve as a model for other clubs in a phase of the game where we are the weakest.

Each week Hal runs a horseshoe column in the Bradenton Daily Herald and it is an excellent one with lots of good pictures.

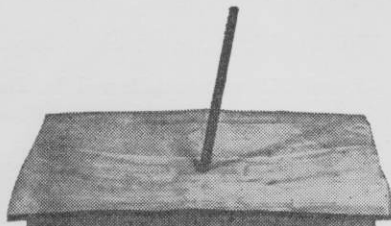

The outstanding example was a full page of pictures and news July 10th covering many aspects of the upcoming World Tournament. It had lots of news stories and pictures of Elmer Hohl, Sue Gillespie, Dan Kuchcinski, the Murray courts. This was placed on display at the World Tourney and attracted much comment.

Other features Hal has run include a three column picture and article on Guy Zimmerman's perfect game of 1948; picture and story of Curt Day winning the 1966 title; pictures and stories of Florida players in this year's World Tournament; and special articles on the history and various aspects of the game. All this in addition to coverage of purely local events.

Every horseshoe club in the country could use a Hal Porter.

W. K. Snyder New Idaho Secretary

Bill Snyder of 2502 Hayden Way, Boise, Idaho is the new N.H.P.A. Secretary in that state.

He succeeds Dan Birks of Lewiston whose work with the Salvation Army has made it necessary to move to Colorado. The Lewiston club is a fairly recently organized group and the retiring secretary had much to do with its success. The N.H.P.A. sincerely hopes it continues to function as one of the leading clubs not only in Idaho but in the Pacific Northwest.

Serving as officers with the Idaho association along with the new secretary will be President E. J. Riley of Nampa, probably the best known player in the state for many years, and Vice President Melvin Stround of Boise.
