An interesting horseshoe personality . . .

Karl Van Sant of Indiana

Karl Van Sant

KARL VAN SANT — Karl Van Sant, Cayuga, Indiana, is a carpenter. He has done this type of work for 15 years and is one of seven brothers engaged in the field of construction.

Karl married Mary Ann Bennett in 1950 and they have one adopted girl, Karla. Both of the Van Sant's love to travel and have been to most of the United States and Canada. This has made horseshoe pitching more fun for them.

Having pitched horseshoes since he was 14, Karl now averages 75% and is gunning for the 80% bracket. He has been an NHPA member since 1958. His practice routine is 300 shoes four times a week counting the final 200 shoes for ringer percentage.

Karl was the winner of the 1969 Miami Open held recently at Miami, Florida.

Goldsmith Ropes Three To Win "Rodeo Days" Meet At Garberville, Calif.

During the weekend of July 19th and 20th our club was asked to assist the city of Garberville to conduct a horseshoe pitching tournament while they conducted their "Rodeo Days."

We held a meeting with their committee on Saturday, the 19th of July. The only area they had was an open field, and the sun was at its best, about 100 degrees. We suggested that they search for an indoor area and we would provide our indoor clay courts. A large building supply warehouse was located on the main street of town. The owner was contacted and he agreed to the use of his building, this building is about 80' x 100' with a 20-22' ceiling. This worked out fine, we set the courts up at 9 A. M. and qualified the pitchers until noon. Because we only had four courts we divided the groups into 4 men in Class "A", 4 men in Class "B", and 2 men in Class "C". The "A"s pitched 50 point cancellation and Class "B" and "C" pitched 50 shoe count-all with handicap.

CLASS A — Floyd Goldsmith, 3-0; Horace Vinsant, 2-1; W. Ray Williams, 1-2; Roy Land, 0-3.

CLASS B — Tom Wilson, 3-0; Dave Corder, 3-1; Doug Wallace, 1-2; Ken Young, 0-3.

CLASS C — Harold James, 2-0; Claude Kerns, 0-2.

Three trophies were donated by the Garberville Chamber of Commerce. A \$50.00 prize fund was donated by the Redwood Empire Horseshoe Pitching Club.

Holly And Whittier In Pleasanton, Calif. Class "D" Wins

Ed Holly and Bill Whittier of Oakland's Mosswood Club prevailed in their respective groups at the Livermore Valley Class D held on the courts at the Pleasanton Fairgrounds. Holly won 7 straight games to take the championship confab, while Whittier annexed the consolation title with 6 wins in 7 games. O. J. Farmer of Sacramento pitched the high percentage for the day, 33.6%, but finished second in the top group, as he lost 2 of his 7 games.

The Livermore club was organized this year and this is their first home tournament. Their membership is growing by leaps and bounds and although most of the members are new to the horseshoe pitching wars, they made a fine showing as 6 members qualified and competed. Bob Blow is the Sec/Treas and the captain of the Livermore battlers. Bill McNally, former president of the No. Calif. Assn, has lent a helping hand to the new club, and his efforts are much appreciated by all.

“From Out Of The Mail Bag”

Mr. F. Ellis Cobb
 Editor, The Horseshoe Pitcher's Digest
 P. O. Box 1606
 Aurora, Illinois 60507

Dear Mr. Cobb:

Am enclosing a copy of our tournament held this month for publication in the News Digest if acceptable and space available.

Your past write-ups of tournaments and local club news was excellent and interesting. About 25% of the San Bernardino Club are NHPA and So. Cal. Assn. members and receive the News Digest.

Personally, I believe every Club in the U. S. should be a News Digest Subscriber to keep current with tourneys, schedules, programs and the many other features therein that no horseshoe pitcher or fan should miss.

This year, So. Cal. Assn. scheduled four (4) San Bernardino tournaments which is conducted and reported by Jim Weeks, Sec-Treas. and published in the News Digest.

Mr. Claude Anderson, Sports Editor, Sun Telegram Newspaper, has always given us good publicity and I gave him some copies of the News Digest which he appreciated for horseshoe pitching familiarity.

Keep up the excellent horseshoe pitching Editorship, for we all are dependent on your publication contents to keep up-dated and consider the News Digest a “must” to our activity.

Sincerely,

Harry Morin,

President,

San Bernardino Horseshoe Pitchers' Club

Henry Shonnohon teamed up with Erving Lloyd of Cambridge to win the doubles, while Park Sturgis of Salisbury and Norman Curron also of Salisbury took second. Burl Vandergraft of Salisbury and Mr. Sommons of Seaford, Delaware took third.

Annual 4-State Championship Won By M. Potts of Kan.

Merlin Potts, Kansas state champion, emerged victorious in the annual 4-State tournament held at Falls City, Nebraska. It was the largest meet ever held there with 104 players divided into 17 classes.

Potts, lost his only game to Lillard Pinion, 4-State champion of a year ago. Potts just couldn't get started as Pinion beat him 50 to 35. Potts had one 93% game. He missed 3 ringers out of 44 shoes. He had a string of 26 straight ringers. He also had a very good close game with Horace Gilmore of Kansas City. He had to come from behind to win that one with a score of 52 to 47. Pinion's only 2 losses were to Gilmore of K.C. (47 to 50) and Cavin of St. Joe. (28-50).

In Class B, Woody Wilson of Red Oak, Iowa, edged out Eddie Frakes of St. Joe. on percentage with 6 wins and 1 loss each.

Despite the 100 degree temperature, no one had to drop out due to the heat. The pitchers and their families consumed about 75 gallons of iced tea.

In Memoriam

*No one bears the door that opens
When they pass beyond our call.
Soft as loosened leaves of roses
One by one our loved ones fall.*

*From our chain these links have fallen
In our land their stars have set:
But enshrined in Memories tablet
Their true worth we'll n'er forget.*

The Kansas State Association was shocked to learn of the sudden passing of Alvin C. Gandy of 501 Gage Court, Topeka, Kansas on September 26 at his home in Topeka, of a heart attack.

He began his pitching career at the age of 12 and competed in many contests throughout the Manhattan, Kansas area, where he lived at the time. He later went on to win the Kansas championship in 1935-38-39 and 1940. He was Topeka city champion for many years. He was member of the NHPA and Kansas Association for many years.

His greatest triumph was in the 1940 World tournament when he defeated Fernando Isais and by so doing prevented Isais from winning his 11th World title. In that same year, Alvin set a world record at 16 consecutive double ringers which was broken later in the same event. He also established a record for a Kansas pitcher playing in a world tournament of 90 ringers in 100 shoes.

Mr. Gandy made many friends around the country through his highly competitive pitching. He was one who adhered to every rule explicitly and played hard to win but by the same token was a true sportsman when he lost.

In his last competition, which was the Kansas State meet held over the Labor Day weekend in Topeka, he finished in third place.

He was a great credit to the game and keen wit and friendly manner will be greatly missed by all who knew him.

To his loving wife, Irene, who travelled to many tournaments with him, and family, the sincere sympathy of the Kansas State Association together with that of the National Horseshoe Pitcher's Association is extended in this, their hour of sorrow.

Charles Palm, 78, one of Wyoming's foremost players died August 19, 1969 in Memorial Hospital, Cheyenne, Wyoming. This popular, congenial cowpoke succumbed to a pulmonary ailment which apparently was of a non-lingering nature.

Charley was among those few who acquired or developed a lovable personality, superb sportsmanship and an unmatched friendliness towards everybody including his adversaries on and off the courts. "Charming Charley" loved the game and you could always figure when he stepped up to the plate every ounce of effort was going to be directed at the peg and your skill was on test. In judgments at the peg you could trust fairness and praise and no feeling of adverse concern were apparent when Charley stood there.

Players will miss visiting and playing with Charley on the tournament circuit for not only was he an outstanding player, but an inspiration and as a result acquired a unique popularity among local, regional and national pitchers.

Tournament managers certainly will miss Charley and his wife, Hazel, for they were an unusual couple who came to the contests to create interest in the sport, encourage participation and sportsmanship, and to unselfishly assist in scorekeeping burdens.

Charley is survived by lovable Hazel, his wife, and one son and family who live near Albin, Wyoming. The Wyoming Association extends its deepest feelings of sympathy to the family in their hour of bereavement.

In Memoriam

Horseshoe pitchers of Connecticut lost a fellow horseshoe pitcher, Donald "Mac" MacDonell on Sept. 9, 1969. His sudden passing was a shock — especially to those with him at the New England Horseshoe Tournament the previous week.

"Mac", an active pitcher in the last five years, went to all Connecticut tournaments and tournaments in the New England States open to out-of-staters. He was, also, interested in promoting horseshoe activity in the area in which he lived, Washington, Connecticut.

Don actually started pitching horseshoes in 1941 at the age of twenty-one when he entered the State Horseshoe League. World War II came along and he joined the Navy.

His sportmanship and friendship will be a fond memory for many of us. To Adele, his wife and four daughters we extend our most sincere sympathy in their hour of sorrow.

Woodson In Clean Sweep of Annual Texas Open Meet

Jim Woodson of San Antonio, Texas was the winner of the annual Texas Open tournament, held on the courts of the Lakeside club of San Antonio, Texas. The tournament was a huge success. A surprisingly large turnout of 52 men and 14 ladies competed in the contest.

The large turnout was made possible by the strong support given by the VFW Post 4815 of San Antonio, the Lake Placid Club of Seguin, and the old reliable group, plus two, from Houston. Most surprising part of the whole tournament however, was the showing by the women. Fourteen ladies came out in the 101 degree temperature. Linda McGuffin took first in the Ladies tournament with Bobby Jean Johnson in runner-up spot.

Forty-seven of the horseshoe players in Ontario competed in this tournament at London, Ontario. The tournament was a great success and witnessed by several hundred spectators. It was the first time that a horseshoe tournament has been included as part of the entertainment at the Western Fair and judging by comments received from spectators, it will undoubtedly become an annual event. The tournament was conducted in the Ontario Arena and the playing conditions as well as the viewing conditions can only be described as excellent. Once again, all games in this tournament were played under the Schummer scoring system of counting ringers only, no cancellations and each contestant throwing fifty shoes only in each game.

Canadian Horseshoe Pitching Championship

The Canadian championship tournament for 1969 was a terrific success with forty-eight players playing in eight classes. Once again the highlight of this tournament involved former world champion Elmer Hohl who was also Canadian champion defending that title. At the end of four games in a six man round robin series both Elmer Hohl and former Canadian champion, Dean McLaughlin of Oshawa, Ontario were undefeated. These two champions met in the fifth and final game which resulted in a battle from the beginning to end with Dean McLaughlin dethroning Elmer Hohl to capture the Canadian championship by the narrowest of margins 78 to 77. All games in this tournament were played under the Schummer scoring system of counting ringers only, no cancellations and each contestant throwing fifty shoes except in the Master, AA & A classes which used the one hundred shoe system.
