## "Harry Henn Memorial Open" Title Goes To Johnson

This tournament honored Harry Henn a former state champion. It is the hope of the Kentucky State Association that this tournament can be made into a great tournament on the winter schedule and hope that it will contain a prize list that will attract more and better pitchers. We wish you would mark your calendar for the first week-end in March and reserve this date to participate. It should be noted that two of Harry's sons and a grandson participated in this tourney of which he could justly be proud. Our sincere thanks to Sam Goodlander, Ohio secretary for his help and support.

*Interesting horseshoe personalities . . .***Marvin May of Lynchburg, Va.**

Marvin May, 208 Pearson Drive, Lynchburg, Virginia, is a general contractor. Over the last 16 years he and his crew of ten men have worked on homes, churches and factories. He is a brick mason and feels he can do any phase of building. Among others he built his own home. One of his unusual jobs was that of restoring the barn and stables, carriage house, well house, woodshed and rail fence around Patrick Henry's plantation at Brook Mill, Virginia in 1964.

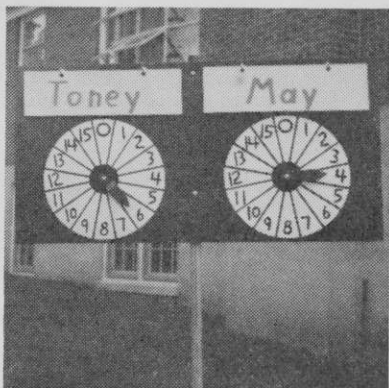

Marvin is 36, has a wife, Fay, and two sons, David, 12, and Kevin, 7.

In 1959 Marvin joined the NHPA and established the Virginia Chapter. He has been State Secretary ever since. He has done much to promote horseshoes in Virginia. So far as his own pitching goes, he turn with Imperial shoes. He won the Tri-County title twice in 1959 and 1960 and was runner-up for the state title in 1960. He would like to some day win the Virginia crown and tries constantly to improve.

An example of his interest is his court in the basement of his home. He drew it into his house plans and built it first. The court is nine feet wide and has an 11 foot ceiling. Lighted with 20 eight foot fluorescent lights the court has a five foot adjacent platform, scoreboard, seats, coffee, radio and lavatory. Temperature? 68° all year long with no breeze.

Marvin has tried all turns, all shoes and switched lead feet. He believes in the theory that practice makes perfect and has provided his own setting. He even designed a scoreboard for a game in which only live ringers count and 15 is the final score.

Anyone who passes through Lynchburg can get into a good horseshoe game winter or summer, night or day, simply by calling Marvin May.

By Ottilie W. Reno, Route 5 - Box 305, Lucasville, Ohio, 45648. Send him your story if you have an interesting occupation or an unusual horseshoe story. He will correspond with you.

Pictured at the left is an example of Marvin May's interest in horseshoe pitching is the court that he built in the basement of his home in Lynchburg, Virginia. Court is nine feet wide and has an 11 foot ceiling. It is lighted with fluorescent lights. Along side is a 5 foot platform with seats, scoreboard, coffee, radio and lavatory. Room temperature is 68 degrees the year around.

## Fourth Washington Winter Classic Brings 4th Different Winner

Jim Malvern Jr., became the fourth different winner in as many classics as he ran off seven straight victories. This Classic had 37 participants, the largest ever as the weather and conditions were just right for a fine Classic. Sig Pederson, making his first Winter Classic appearance, took second place on percentage as it was a very close match.

Mildred Kuhne displayed a great improvement in Class B as she averaged 54.0 plus percent. Keep it up Millie. Second went to the Dutchman from Lyndon, Bill Van Egdom.

Again Oliver Hartzell won a playoff in Class C to capture his second straight trophy here over always tough Mac McDaniel.

Jim Malvern averaged 45.0% in Class D to edge Paul Russell, while the reliable southpaw Frank Kuhn edged Gil Kroetsching from Ellensburg in Class E playoffs to garner all the marbles.

## Sioux Valley, South Dakota Indoor League News

Malcolm Schliemann, President of the Sioux Valley Indoor Horseshoe League, reports they have had a very successful first half of the season. Lately, the flu bug has caused quite a bit of substituting but the competitive spirit, moral, and everything else needed for good clean sportsman-like horseshoe has been in abundance this year. If this continues, this has to be, by far, the most successful season yet.

Certainly the new handicap system is working in such a way one never knows the outcome until the end. This makes it real interesting for the scorekeepers as well as the players. Scorekeepers are showing up in abundance.

The results of the first half of the Sioux Valley Indoor Horseshoe League are as follows:

## J. Larsen Play-Off Victor In No. California Class D

In recent Northern California action, John Larsen, "youthful" 71-year old Santa Rosa, won 6 of 7 games at Ryland Park, then survived a playoff game with Herb Rushing of the Livermore Valley Club 50-40, to capture the first place honors in the Class D tourney. John seemed to get stronger as the day wore on and was pitching in the high 40% bracket for the final three games. George Kinkel, newest member of the Santa Clara County Club, pitching in his first tournament, won 2 of 7 games, was high qualifier in the preliminary competition, and displayed considerable moxie for being under fire for the first time.

## TED ALLEN HORSESHOES

Exclusively designed by Ted Allen in 1938 with all its features, the side notch and weighted ends, included. First to introduce points. Hard hooks for awhile, too. At once became a leading shoe for 29 years. Figured in the top records of all states and the national.

So far ahead of its time that finally, recently, other manufacturers admitted it by trying to copy it.

Ted used it, traveling year round for 33 of the 37 years in all kinds of show business, including the tops of three nations. A truly lifetime career.

THE RELIABLE SHOE. You can't better it, so why not use it?

## In Memoriam

Brooks Denny, long time St. Louis, Missouri left-handed pitcher passed away in November. He was at his greatest in the late 30's and 40's under the guidance of Jack Claves, former NHPA secretary. His brother Jim was state champion in 1937 and another brother, Frank won many trophies. He leaves a family, brothers, and a host of horseshoe friends.

\* \* \* \*

On February 28, 1970 the State of Maine Horseshoe Pitcher's Association lost one of its better players and a great booster of the game. The sudden death of Isaac C. Davis, Sr., of Orrington, Maine as the result of a snowmobile accident came as a great shock to all that knew him.

"Ike" as he was known to all who knew him had been a player and booster of the game of horseshoes for over 30 years having been a member of the old Brewer Club, having played in both A and B classes. Win or lose, Ike always had a happy smile and a cheerful word for all. He was also a member of the American Bowling Congress and carried an average of 185. He will be greatly missed at all tournaments and by all who knew him.

To his loving wife Ethel who traveled with him to all tournaments and to his seven sons, the sincere sympathy of the members of the Maine Horseshoe Pitchers Association and the NHPA is extended.
