## Zadroga Edges Out Victory In January Red Mill Open

Al Zadroga of Elizabeth, Pa. managed to defeat all of his opponents to win the toughest Red Mill tournament to date. Each individual in the Championship Class was either a present or former state champion within the past few years, and they all came to win. For the first event of the year, there were many highlights: Zadroga performing at an exceptional level, winning a crucial game over Martz after being behind 40 to 29; over half of all the games with the opponent scoring more than 40 points; Donnie Roberts overcoming Engle's lead of 40 to 28; Dale Carson pushing Engle to 114 shoes before Buck was able to win; Engle with 91 ringers and Martz 85 after 100 shoes, and then Engle finally winning 50 to 48 at 140 shoes; Zadroga's high game of 89.2% against Engle; Carson upsetting Solomon 54 to 47.

Class B ended in a tie between Chuck Semans of Pittsburgh and Gary Roberts of Ohio with both pitchers averaging over 60%. Ottie Reno had the best string in Class B shooting 27 perfect ringers out of 30 shoes. Class C was won by Pete Burkett and Class D by Herman Boyer; both players managing to go undefeated.

## Your Director Reports . . .

By Peter Shepard

Our thanks go out today to Verdan Zelmar, Secretary-Treasurer of the Northern California Horseshoe Pitchers Association for sending me the official 1972-1973 starting percentages. It was such a detailed description of each player and their respective standings that I simply had to comment on it. The last note on Page 5 showed how some people do abide by the NHPA Constitution.

As our World Tournament draws closer let us all pull together and cooperate with one another. Let us put our petty differences to one side, work well together and support the NHPA.

Recently I received a letter from the Regional Director of the NHPA from the State of Texas. I look forward to Mr. Woodson making himself known at the upcoming World Tournaments and letting us share his ideas. The only way we can progress is to work within our constitution and that task alone should give us plenty to do. Just setting up new clubs and getting new members into the NHPA is a full-time job.

The Eastern Pennsylvania Association is anxiously looking forward to starting Spring practice. Gentlemen, you have a beautiful lot of courts and it is no wonder you have a great sense of pride just as I have for having a small part in the building of them.

The State of Rhode Island will have a Rhode Island open tournament on July 7 and 8 at Heritage Horseshoe Courts. We will be proud to have our smallest state take its place with us all in the first open tournament in a long time. Everyone is welcome to pitch in. Was up to the Athol-Orange Horseshoe Club last month and Mr. Domey presented that club with a Plaque for its loyalty and 100% support given to the Heritage Recreation Center.

Again I say, It is not what the NHPA can do for you but What can I do for the NHPA? It is our organization so let us help with our dedication and support.

### Piqua, Ohio Club Is Where The "Action" Is

The Piqua, Ohio Horseshoe Club has two nights of activity, (Monday and Wednesday) as there are twelve teams in the league. Memberships have increased and in addition, they had to install 5 extra courts. This makes 14 courts, enabling the club to function better.

The Piqua Club has been contacted to supervise the new courts at the County Fair. This has been in the process since last year, with the Fair Board and our President, Mr. Asher, kept in verbal sway until now we have things started. The pitchers from the surrounding area have now an extra fair to pitch for prizes, etc. We expect a good attendance and with the Piqua Horseshoe Club's Committee, everything looks good. There's no doubt that the old game of horseshoe around Piqua has been on the upswing. They have 65 or more paid card holders in the club with 10 or more Juniors, and 15 ladies.

### Kabel Tops 1972 Autumn Open At New Albany, Ind.

Wilbur Kabel, New Madison, Ohio, defeated Paul Focht, Dayton, Ohio to win the Autumn Open at New Albany. Kabel went undefeated and averaged 76.7 percent; while Focht's only loss was to Kabel, and he averaged 74.8 percent.

In Class B, at the end of their round robin, there was a five way tie for 1st place. Each player decided that they would rather play another round robin at that percentage, so at the end of the second round robin, there was still a three way tie among Herb McCoskey, Jim Noble, and Bill Flaughner. At the end of their playoff the winner was Herb McCoskey, and Jim Noble, second.

## “From Out Of The Mail Bag”

January 25, 1973

Mr. F. Ellis Cobb, Editor  
P. O. Box 1606  
Aurora, Illinois 60507

Dear Sir:

I was reading the results of the various state tournaments and noticed that many states use total points scored by the player as a means of deciding ties.

I would like to point out that this is not only a poor method but also an incorrect method.

The number of points scored by a player depends on how well his opponent played and has little to do with how well he played.

For example: Curt Day is playing Elmer Hohl. At 50 shoes pitched Elmer has 47 ringers. Curt Day cannot score more than 9 points. He couldn't score more than 9 points irregardless of his ringer percentage which could vary from 64-100%. At this point in the game Elmer has 94% ringers. The total number of points that Elmer scores depends upon how well Curt Day is pitching. Elmer's total could vary from 0-50 points.

I believe our NHPA rules should not allow the total points method of breaking ties.

Very truly yours,  
Sol Berman, M. D.

Burlington, Iowa

Mr. Ellis Cobb

Dear Ellis:

Several of us went up to Letts, Iowa in January, to practice. We tried out something that I think we should adopt in horseshoes. We played fifty point games, but we played "live ringers", no cancellation. We counted all dead ringers one point. For example, if I had two ringers, and my opponent had one ringer I got four points, and he got one point. Close shoes didn't count, as you are pitching for ringers. We played a round robin, and counted total points in the five games. Similar to bowling. We also alternated the pitch is as it should be. Another thing, in the old way you were always digging your shoes out of the clay when the other man was ready to pitch. With the alternate pitch, the man who pitches last, lets his shoes lay until the other man has pitched, then he picks up his shoes and pitches, thereby not disturbing the other pitcher. Also you could pitch any number of shoes from ten to fifty, but never over fifty shoes. Why pitch seven or eight hours to see who has the most stamina. No wonder there are not more young pitchers taking up the sport. Just look at the new players you would get if you played shorter games.

We also qualified two men to a court and counted everything and alternated the pitch. Just look at the number of players you could qualify in two or three hours. All games would start and end at the same time or nearly so. I think it is high time we got the sport up on an even keel with other sports. Whether these old timers like it or not it is going to change. There are several states

## Mail Bag — (Continued)

already going to the fifty shoe games: Wisconsin, Massachusetts, Kentucky, Indiana, and several others are leaning that way. When I was up to LaCrosse, Wisconsin last fall, we played that way although they played cancellation on fifty shoes, and counted total points in the seven games. It would have been better to play the way I have mentioned. Then you probably wouldn't have ties to play off. If ties remain at the end of fifty shoes or whatever you play, you could have a "sudden death" play-off. I think a man should have what he pitches. Some of you pitchers think it over, and maybe we can come up with something besides cancellation.

I have gone to many a tournament where we never got done before seven or eight o'clock, whereas you could be done at four or five o'clock. Who has pitched more than I have, and I have never seen it change since they went to cancellation; maybe in the teens when Frank Jackson was champion. Of course you should qualify to get the men where they belong. Another thing I do not like is the idea of sending in your score; what you did two or three months previous is no indication of what you would do later. You do not have to change the scoresheets, or any of that. In pitching fifty shoes you would look up and know right away what your percentage was. Another thing, you could start qualifying as soon as two men were on the courts. Give them fifteen minutes to warm up and they will not be on the court for a long time. Well, that is my idea, let's hear from others.

Yours truly,

Ernest Danielson

Artie Gates of Seaside was 3rd in the championship group. Lou Fontaine led 6 straight competitors down the primrose path but had to withstand a gutty effort by Larry Mrkvicka to rack up his 7th win and the tourney Group II title. Mrkvicka, Santa Clara County first year pitcher had won six straight and pitched the high percentage game of Group II, 67.6%. Rick Bothwell continued the Santa Clara County domination of 1st place spots by winning playoff games over Joe Jozowich and Greg Haaland. Rick finished with 4 wins and 1 loss. ## **Lee Fells Crabtree In 1972 Grass Valley Fair Open (Northern California)**

The Grass Valley Fair spectators were numerous, the caliber of pitching excellent, and Rueben Lee superb in winning seven straight tough games to dethrone defending champ Al Crabtree at the annual Fair Open. Monty Jones, genial promoter of the colorful event, stated that spectators were 3 and 4 deep all around the courts and thoroughly enjoyed the spectacle. Jack Seymour returned to action in Northern California tournament play to place 3rd. Crabtree pitched the high percentage game of 72.5% and continued his fine pitching to edge ever closer to Class AA.

## Iris Kiley Klamps Los Gatos Women's Title — Ken Fraser Tops Junior Boys (Northern California)

Portraying a pitching style reminiscent of former World Champ Sue Gillespie, pretty Iris Kiley parlayed 5 wins in 6 games to win her 1st tournament. Iris, first year pitcher from the Golden Gate Club never lacks for pitching tutoring, with husband Mike and Ron Tonneson successfully directing her pitching progress. After placing 2nd twice in Northern California competition, the former Holcottville, New York brownette won the big ones to rack up a 5 win, 1 loss record and step into the winners circle ahead of Lucie Hanlon who lost twice to Iris in the 4-gal round robin. Lucie had the top percentage of the day of 34.3% and pitched the high game of 46%. Barbara Hicok of Stockton was 3rd. Ken Fraser pitching in only his second tournament, completed the Golden Gate Club's tournament sweep by winning 6 straight games and averaging 35% ringers to take the Junior Boys title over newcomer Greg Haaland, who showed a lot of know how. Ken practices 4 or 5 times a week and tosses a 1½ reverse twist. He is the son of a former California State Champion, the late Bill Fraser.

**WOMEN'S GROUP** — I. Kiley, Golden Gate, 5-1-25.3; L. Hanlon, Sonoma Co., 4-2-34.3; B. Hicok, Stockton, 2-4-20.7; S. Gates, Seaside, 1-5-27.0.

## *In Memoriam*

The Wyoming Horseshoe Pitchers' Association has lost forever its favorite State Champion, Merle C. Palmer. Merle, at the age of 65 years, passed away January 22, 1973 during an apparent heart attack. His record as Wyoming state champion for a total of 24 years will stand unchallenged for many years and perhaps forever. Merle was an avid pitcher and not only a super-champion but a true sportsman, a friend, a gentleman and an ardent booster of the sport.

Merle retired in July 1972 after 40 years as a postal employee. He is survived by his wife, Ardeth, three married children, six grand children, five sisters and four brothers. Merle and his kinsman, Lee Laughlin were instrumental in getting the City of Cheyenne, Wyoming to construct the 12 lighted courts at Holliday Park. For many years Merle managed the Tri-State Tournament, one of the long standing, major Rocky mountain region NHPA sanctioned tournaments.

Members of the Wyoming Horseshoe Pitchers' Association cherished and will miss this native cowboy's guidance, enthusiasm and competitive spirit.

It is with regret that we report the passing of one of our horseshoe pitching brothers — Oliver Monasmith of Abilene, Kansas. He died December 9, 1972. He had retired from the Riverside generating station where he was foreman, in 1970. Oliver was 67 years old. His brother John, of Yakima, Washington is a former World's champion. ## Still Yelling For Scorekeepers? Try This System!

### PHASE ONE — 12 COURTS

A-B-C                      A. M. group

D-E-F                      P. M. group

Join the A. M. and P. M. groups together, on single placques, to read as follows:

A-D	A-D	B-E	B-E	C-F	C-F etc.
1	2	1	2	1	2

In this set-up men in Class A will score only in Class D; men in Class D will score only in Class A.

In the past, scorekeepers drifted all over the courts. Now both player and scorekeeper will be locked into one group only. Also, now you will score the man who will score you.

At the same time, by reversing the placques you can use the above set-up for your Saturday games. To make it really easy, you should have all Saturday groups on one side of the placque to read:

A-D	B-E	C-F
1	1	1 etc.
G-J	H-K	I-L

12 courts now using the 48 placques should find using only 12 placques somewhat of a relief.

### PHASE TWO

Your tournament schedules containing your class and number ranging from number one to eight:

So, men in Class A:

No. 1 scores on court 1

No. 2 scores on court 2

No. 3 scores on court 3

No. 4 scores on court 4

No. 5 scores on court 1

No. 6 scores on court 2

No. 7 scores on court 3

No. 8 scores on court 4

A. M. group scores first 4 games during first half, also A. M. group scores last 3 games second half. P. M. group scores first 3 games first half, also P. M. group scores second 4 games second half.

**Example:** Scorekeeper needed on court No. 2 Class D scorekeeper in Class A No. 2 missing. The master tournament schedule pin-points the missing scorekeeper.

### PHASE THREE

Men traveling the longest distance should be given one of the top four numbers on the schedule cards.

In an open game, your top groups should play first giving the out-of-state players a chance to come in—start at 9 a.m.—finish around 1 p.m., score first three games in the p.m. and leave around 4 p.m. and still have part of Saturday or Sunday left for the family. Those lucky enough to have 20 courts should use 16 for play and 4 for practice. 4-16 men scoring; 4-16 men for second relief playing on the open 4 courts. This breaks the long grind of waiting and can also start you off fresh for the tourney.

*COVER PICTURE . . . The court scene shown on this month's cover is that of the new court layout in the City Park in Fairbury, Nebraska. The annual Fairbury Open tournament will be staged here on June 3. It will be the site for the 1973 Nebraska State tournament on August 25 and 26. Jacob Isaac is the tournament manager.*

## Donnie Roberts In Clean Sweep Of January Open Meet At Day-Bell Indoor Courts — Dayton, Kentucky

In the first 50 Shoe-Count All Tournament held at Day-Bell Indoor Courts, five classes, plus two classes for the ladies, found this type of tournament interesting, especially to the lower class pitchers. Winner of Class "A" was Donnie Roberts, who averaged 77.3%, while posting a 7-0 record. His high game was 84%, with a total of 130 points out of a possible 150. This came on the tail of, what is believed to be the first perfect game pitched at Day-Bell, or elsewhere, during the 1972 season. Roberts defeated Ernie Danielson, of Iowa, 50 to 0, pitching 32 straight ringers in the December Tournament at Day-Bell. Ernie, taking the defeat in his jovial, good-sportsman manner, promised Roberts it would not happen again. Runner up in the January tournament was Harold Anthony with his usual consistency of better than 7 out of ten around the peg. Local favorite Bill Henn, was a shade under 70 percent to take third place. No ties were allowed, as total points were the determining factor in winning.

### Histories Of NHPA Members Wanted

This year the NHPA Hall of Fame Committee is making a special effort to collect histories of members that the membership thinks should be candidates for the Hall of Fame, now, or in the future, as a player or a promoter of the game. Chairman Bernard Herfurth is requesting his committee, officers of all state associations, and the membership in general to send in histories of their favorite choices so that the committee can have them on record. A copy should be sent to the chairman and to the regional committee man.

It is possible that the committee will nominate in 1973 all remaining deserving members of the "Old Timers" era, from 1920 to 1945. Special consideration of this group will be given to members mostly retired from the game since 1945. In case of a deserving member being overlooked this year, the door would be open to induct the member next year. This would be in addition to the "now members" which allow two players and one promoter to be inducted yearly.

The committee needs the help of the membership to collect histories of their choices. The committee will not accept any gripe that anyone was overlooked as each member can be responsible for not sending in their history.

The history should include all highlights of their activities, year's active, championships, percentage, etc.

Due consideration will be given players and promoters who have done a good job in their local regions as well as nationally known members.
