NHPA PRESIDENT'S MESSAGE

By Wally Shipley

This message is devoted to four letters written by me, they are self-explanatory.

Claude White
68 Stockton Place
E. Orange, NJ 07017

Dear Claude

I am happy to tell you the Council has approved your appointment as NHPA Regional Director Chairman by a 4 to 2 vote. Congratulations!

Your initial appointment will run through the 1979 World Tournament, at which time you will or will not be reappointed by the NHPA President with the approval of the Executive Council. The Regional Directors Chairman's term is for two years using the same fiscal year as the NHPA President.

In addition to being chairman, you will remain as the Director over your present area; Maryland, Delaware and New Jersey.

I will notify the other directors of your appointment. Claude, thanks for accepting this very important position, for as you know, you are also part of the NHPA Executive Council. Good Luck.

By the way, Bob Graham will remain as director of his area. He sent me the minutes of the Regional Directors meeting held in Des Moines, which I have enclosed. Also have enclosed copy of the Regional Directors guidelines. If you have any suggestions to improve them, by all means let me know.

Pete Shepard
317 E. Mountain St.
Worcester, Mass. 01606

Dear Pete:

I am happy to announce the NHPA Executive Council has approved your appointment to represent the NHPA on the Horseshoe Manufacturers Committee. At this time I am making you chairman of the committee until such time the manufacturers can select a representative; have a meeting and select a chairman as a body.

PRESIDENT — (Continued)

I would appreciate your suggestions in writing as to your thoughts for some guidelines and purpose of the committee. My suggestions would be ways and ideas for the manufacturers and the NHPA to work closer together in promoting and progressing our sport of horseshoes and membership. By accomplishing my suggestions both parties will benefit. For if we can double our membership, then more horseshoes will be sold. Maybe all the manufacturers and the NHPA could even have an annual invitational money tournament.

After you and I have established the rules and guidelines, I will write all manufacturers explaining the program and ask for the name of their representative and their cooperation.

Appreciate your accepting this position, Pete. Hope to hear from you soon.

Marge Ouellette
President Ringer World
Emporium Inc.
60 East 42nd Street
Suite 625
New York, New York 10017

Dear Marge:

On behalf of the NHPA, thanks for the tape on the Challenge of the Sexes program, donated by Ringer World Emporium Inc. The NHPA will make good use of it in promoting our sport of horseshoes.

Marge, the NHPA Executive Council has decided to replace you as the NHPA Information Officer. Since you are President of the Ringer World, we feel there is, and has been, a conflict of interest in the two areas of responsibility. After all, both organizations are in the sales of horseshoe game related items. We even realize now you possibly set up most of your company's mailing list with the addresses you acquired while NHPA Information Officer, and without permission.

Donnie Roberts will be the new Information Officer. Please forward the NHPA mail to him and close out the NHPA Post Office box.

These changes are effective immediately.

On behalf of the NHPA, we appreciate and thank you for all your hard work, support and efforts as the NHPA Information Officer.

Ose Veesev
3214 Bayless Dr. S.W.
Huntsville, Ala. 35805

Dear Ose:

Regards to your letter in obtaining a sponsor for the 1980 World Tournament in Huntsville.

You certainly have the NHPA's permission and blessing. If you are successful, and I hope you are, I am certain the NHPA will cooperate fully with any sponsor and Huntsville's needs and wishes. (Keep in mind I may not be president in 1980).

I would like to talk openly and honestly a little. As we both realize, at a W.T. the NHPA furnishes the entertainment (as far as the pitchers in all divisions), office workers with all the stats, knowledge on the workings of conducting a World Tournament and last but not least, leaves a

vast amount of revenue in the Host city. So personally I feel the time will come, (soon I hope?) when the NHPA and the Host could share percentage wise in any revenue derived from concessions, parking, admission fees, sponsors or T.V. rights. On the concession side I feel both parties should be able to receive a percentage of the take even if neither the NHPA nor the Host club run the concession.

By the way, if the NHPA were to get revenues from a sponsor or T.V. rights then I feel in all fairness a percentage should be given to the Host club.

I am sure you can understand and appreciate my thoughts and wishes. What are your thoughts on the subject?

Please give my regards to your Mayor with my assurance that the NHPA will certify any sponsor you come up with.

Sincerely,

Wally Shipley
NHPA President

In Memoriam

The Kansas State Association was saddened by the sudden passing of Alvin Dahlene on September 1 at his home, 947½ Illinois Street, Lawrence, Kansas.

Pete as he was known was state champion of Kansas in 1941 and 1942. He was inducted into the Kansas State Hall of Fame in September of 1977. He began his pitching career in 1920 and established a number of records during that time. He finished in fifth place in the 1941 World Tournament and was a regular spectator in World Tournament scenes since then his latest being at the 1978 World Tournament at Des Moines, Iowa in August.

Our sincere sympathy is extended to his family in their bereavement.

* * * * *

The Illinois State Association lost an ardent player and supporter of the game in the passing of Irving Eilers of Chandlerville, Illinois. Irv was active in Illinois tournaments until his health began to fail. He always conducted a tournament every year in his home town. He promoted other small tournaments around Chandlerville.

He and his wife spent their winters in Florida where he would be active in pitching as his health permitted.

His genial smile and friendly handshake will be sorely missed by his host of friends both in Illinois and Florida.

The heartfelt sympathy of the Illinois Association is extended to his loving wife and family in their sad hour.

Harold Blackman, Brougham, Ontario, Canada, passed away August 20, 1978. Harold was an active player for more than 50 years. He served the NHPA as Canadian Liaison member during the 1950's and also wrote articles for the Toronto Daily Star on the sport of Horseshoe Pitching during that time. He competed in the Intermediate Class at the 1977 World Tournament in Greenville. He will be missed by his many companions, especially in and around the Toronto, Ontario, area. Our deepest sympathy goes to his family at this time.

Alton Burke, Charlottetown, Prince Edward Is., Canada, died June 12, 1978, at the age of 91. He was a keen horseshoe player throughout his life and won the Maritime Horseshoe Players Association Senior Men's Championship Class in 1977 at the age of 90 with a 6 win 0 loss record and 12% ringer average. He will be missed by his many companions, especially in Prince Edward Island. Our deepest sympathy goes to his family at this time.

COVER PICTURE:...Ed wing, founder of the Goldendale Horseshoe Club of Germantown, Wisconsin who was inducted into the Wisconsin State Hall of Fame is shown this month as he posed with his grandson Bret Pritzlaff. Also displayed in his Hall of Fame plaque. Bret, age 10, has won the Class A Junior title for the past three years.

JESSE GONZALES WINS CALIFORNIA STATE TITLE

Jesse "Flip Flop" Gonzales won his first California Championship with a perfect record of 15 wins and no defeats, and received a standing ovation from the spectators and players. Jonathan Williams remained the state Junior Champ also with a perfect record. Sharon Paddock defeated Marisela Mauricio in a playoff for the Womens Championship. Ralph Randall held his senior year.

Trophies were donated for the state by the Arena Bowl, Class 'A'. TTC Trophy Co. Class 'B' by Wally Shipley, Womens. Jim Weeks, Seniors and Hal Slagg, Class 'D' while the South Gate Horseshoe Club donated \$50.00. The officers and players want to thank everyone who took part in the State Tournament, from ground keepers on down. A special thanks to the Kloefer family for all they did to make this a great tournament. Also the city of South Gate.

OFFICIAL NOTICE OF NHPA MEMBER'S SUSPENSION

From **DONNIE ROBERTS, Secretary**

This is official notification that a pitcher from Illinois has been suspended from participation in the 1979 World Horseshoe Tournament under ARTICLE 11 - Section 1 which reads "other conduct unbecoming a member."

The violation was that of withdrawing from a sanctioned tournament without a valid reason.

"KENTUCKY" JACK FAHEY, 1978 KENTUCKY STATE TITLIST

Ten years ago, Jack Fahey of Lexington, Kentucky was totally unfamiliar with a pair of horseshoes. However, since that time, he has spent many hours of solid practice and dedication where now he stands tall among the top pitchers in the country having finished in sixth place in the 1978 World Tournament and in the recent Kentucky state tournament proved what practice will do by winning the Kentucky state championship with a 10-1 record and averaging 74.7 percent for the tournament.

Dallas Walters walked away from everybody, losing only one game to lay claim to the Class B trophy. Curtis Lainhart had an easy time in Class C with 7 in a row. Johnny Downs, the red flash from Bardstown had his own way in Class D to win top spot while Bob Simpson run second. John Streible won the playoff over Jim Henderson for Class E honors. Lee Stansbury, who hasn't pitched in several years came back to win Class F with a 6 and 1 record. Mike Donahue looked like a pro as he won Class G. Tom Zint went undefeated to win Class H. Nathan Kelley had a good day at the stakes as he won Class I.

Norma Johnson emerged victorious in the Ladies Class with Mabel Hornback finishing in second place. Rickie Bell eased through the Junior Boys Class A undefeated as did Danny Durham in the Boys Class B.

ED DOMEY AND DEBBY MICHAUD REPEAT AS MASS. STATE CHAMPIONS — NEW BOYS CHAMP CROWNED

A record breaking 99 players competed for 1978 state championship honors at Heritage Recreation Center in Massachusetts. Ed Domey and Debby Michaud successfully defended their titles. With Rick Howe moving up to the Mens Division the Boys championship was wide open. Gary Dumont outduelled Wayne Robinson for the title. Fran Norman and Chris Borglund became the first doubles pairing to win that title twice, duplicating their victory of 1976. Lacking other entries Janice Domey was declared Girls champion.

Ed Domey wrapped up an undefeated title by winning over Bernard Herfurth 41-22 in the final round, pitching 75.0% for the day and 78.1% in that decisive game. As expected, Debby Michaud easily won the Women's title, averaging 68.5%. Sweeps were also recorded by Bob Nugent in Class I. Val Tessier in Class J. Gary Dumont in Boys A, and Donna McMeniman in Women's B. Bob Fitzwilliams in Class D and Al Hamel in Class E also won their titles outright.

All other classes had to play off ties. It was Amos Whitaker over Charlie Bonani in Class B. Angie Cieslak over Joe Pepi and Joe Merritt in C; Dick Shepard over Ed Harrington in F; Harry Schricker over Bob Butler in G; Moe Farmer over Andy Dominique in H; and Keith Howe over Mark Bassett and Mike O'Keefe in Boys B.

The record 99 entries included 80 men, seven women, nine boys, and one girl. In addition 19 doubles teams entered competition. All this despite the fact, or because of it, that the entry fee was raised to \$10 so that prize money could be awarded in all adult classes. The Massachusetts Association added \$12 to each class. Payoffs were \$15 for 1st Place, \$10 for 2nd, and \$6 for 3rd, plus the usual trophies. An additional \$5 was awarded to the pitcher in each class who had the high game of Jerry Loconte, George St. Pierre, Dale Stauffer, Red Cote, Jim Taverna, and Walter Mason received the solace for their lowly finishes.

The entire tournament was played on the indoor courts of Heritage Recreation Center in Sutton. As usual, every Class began with the playing of our National Anthem.

WYO. COWBOY RAYMOND IN COMEBACK, WINS WYO. STATE

The 1978 Wyo. State Tournament was held in Cheyenne under ideal weather conditions. Fifty one pitchers participated in the two day event over Labor Day weekend.

Raymond, former state champ, trailed a lot of cattle that ended with saddle scores but never has he been on a rougher comeback trail when he tossed with German, last year's champ. Raymond's score was five wins and no losses at the end of round five. In the sixth round the cowboy appeared to falter for he trailed German 9-48 after 36 shoes were pitched. The double fever hit and the saddle setter threw nine doubles, a single ringer and a lone point to win the round. That win was too much for the maverick chaser; he lost the last round to fellow townsman Stemple.

Warren, a rapidly improving pitcher from Laramie easily captured the mens' Class B title. The Class C title went to Pickel of Cheyenne, his first state tournament competition. Garcia of Rawlins and Corbet of Big Piney tied for first in Class D but Garcia dominated the playoff. Dinius of Cheyenne won Class E and Vigil of Casper had one defeat in his domination of Class F. Harris of Laramie went undefeated in Class G.

Evelyn Smith of Laramie was declared ladies State Champ as a result of no challenger. Four ladies competed in Class B with Yvonne Steege of Burns winning all of her contests. Glen Woolington of Burns repeated as junior state champion, however brother Jerry won one round from Glen during the tournament.

The Merle Palmer Improved Player Award was presented to Gary Richard of Laramie. His 1978 ringer percentage at the State Tournament which exceeded the 1977 percentage by 13.7; a healthy increase.

REPORT OF THE 1978 HALL OF FAME COMMITTEE MEETING

By **BERNARD HERFURTH**, Chairman

The following are the minutes of our annual Hall of Fame Meeting which was held on Tuesday morning 11:00 AM on August 1st at Des Moines.

We were fortunate to have all members in attendance except Curt Day. He was unable to pitch this year due to previous illness but attended the last few days of the Meet.

It was Jim Week's first visit east in some years. Jim has been a great promoter of our sport for many years. He's been Southern California's right arm for a long time.

The meeting was called to order on schedule with Wally Shipley thanking the Committee for their work and interest in the Committee. He requested the committee to stay intact for the coming year.

It was voted to send our Hall of Fame plaque to Statesville, the site of the 1979 World's Meet, directly from Des Moines Meet.

The Chairman presented each Committee Member a complimentary copy of our new miniature Hall of Fame book. This was done with the permission of President Shipley. The Executive Council has sanctioned the book for sale to anyone interested, for \$3.00 plus postage.

Our Committee has started an N.H.P.A. States Hall of Fame Record Book. It contains the name, address, category, and year that each State Member was inducted.

Lloyd Fredrickson was invited to sit in on the meeting relating to the Hall of Fame Book which was compiled by him. He requested funds to get the hall of Fame Book recopied, in the event the original was lost or destroyed. He promised to have this job done by next summer.

There was discussion of whether or not a Committee Member be allowed to give themselves a vote, in the event they were a candidate to the Hall of Fame. This item positively was in no reflection of any Committee Member. This subject was previously discussed. The subject was tabled until the next meeting.

Discussion was held on whether or not we should continue to induct four members or perhaps cut back one. As the plaques for 1979 were already engraved the subject was tabled until next meeting.

This subject was not voted on, that the Chairman send his ballot to the President. It need not be opened unless there happens to be a tie vote, if his vote also caused a tie, the President of the N.H.P.A. would cast the deciding vote. We will vote by correspondence whether or not to accept this plan. _____ Yes _____ No

It was voted in favor, that no new candidate shall be recognized or receive votes until their history is in the hands of each Committee Member. Anyone that has been a candidate shall remain, whether or not there has been a history. An effort should be made to have a history for all previous candidates.

The minutes read: At next year's meeting we will set guidelines regarding, that a candidate to the Hall of Fame must receive a minimum amount of votes to be elected.

Starting next election a Committee Member may vote only for candidates listed by the Chair-

COMMITTEE MEETING — (Continued)

man at election time. The list will include all candidates that have been on the ballot. The Chairman will not list any new candidates unless they have a history presented to each Committee Member. The Chairman will list each candidate in their respective category. A candidate will be listed only in one category. This will eliminate voting for a candidate more than once. I will try to go over the list early and write to the Committee concerning anyone that there should be a question, regarding which category they should be listed.

Lee Davis suggested that we have a special small plaque with names of the 1920 era members that were prominent but perhaps would not be elected to the Hall of Fame. Lee was asked to prepare a list of these members with the subject again to be discussed at the next meeting.

It was suggested that future candidates be checked in the N.H.P.A. States Hall of Fame Record Book and be given special consideration, if deserving.

President Shipley asked the Committee to give thought towards giving a personal gift to all past and future Hall of Fame Members. It was suggested that the item be the same for both men and women members. Committee Members were asked to send the Chairman suggestions. The subject will be further discussed at the next annual meeting.

Although several subjects were to be held over to next year's meeting, it is not because the Committee is indecisive, but because time was needed to give them more thought.

This meeting was thought to be the most constructive to date. The Chairman again thanks President Shipley and the Committee for their meeting attendance and interest.

REPORT OF N.H.P.A. BUILDING COMMITTEE

By Ed Downey, Chairman

ORIGIN: The N.H.P.A. Building Committee was appointed as a result of the vote taken at the 1977 Convention held in Greenville, Ohio.

COMMITTEE MEMBERS: The Committee appointed by Wally Shipley was as follows: Edward Domey, Chairman; Donnie Roberts; Jim Woodson; d Jim Solomon; Donald Moore; Jerry Wood; Jim Weeks and Marian Lange.

FINDINGS: The Committee received several proposals in regards to purchasing existing buildings including a fine proposal from Joe Morgan for an existing building in Scottsburg, Indiana; an excellent proposal from Layre Ambrose on a building in Genola, Minnesota; along with many sites available proposals from various people in different parts of the Country. In as much as the Committee was charged with bringing these findings to the 1978 Convention, no action was taken on any site.

At the suggestion of Wally Shipley and the request of Edward Domey, a poll was conducted by Donnie Roberts in regards to the N.H.P.A. acquiring property. The results of that poll are as follows:

Should the N.H.P.A. invest in a building Yes 24 No 17.

Geographical locations varied according to one's area of influence. The above poll was conducted by contacting State Secretaries.

Many interesting replies were received which seems to imply that more study is required before a building venture is undertaken. Nobody had any specific site in mind other than centrally located and near an active large chapter.

The Chairman requested a report from the N.H.P.A. in regards to the amount of capital that could be safely spent on an annual basis for the support of a building. The N.H.P.A. answered that \$6,000 to \$7,200 was practical at this time. After receiving this report a financial summary sheet was prepared using Heritage Recreation statistics. That report is enclosed with this report. (entitled reference No. 1)

It is the opinion of the Building Committee that many more questions must be answered before affirmative action is taken, such as: Is investing in a pitching facility a profitable investment? Or should the N.H.P.A. invest in an office facility with potential outdoor pitching facilities? What provisions are provided in our constitution for the hiring of workers at an indoor facility? Should we have a salaried National President and National Secretary before a building venture?

Among the many letters received no one said it any better than the following one. It is the

BUILDING COMMITTEE — (Continued)

opinion of the chairman that this letter reflects excellent thinking and serious thought should be given to what it says. (entitled reference No. 2)

REFERENCE No. 1**FOR THE NHPA INVESTMENT COMMITTEE TO COMMENT TO THE CHAIRMAN**

Fact sheet on Commercial Loan figures based on the property in Scottsburg, Indiana as presented to the NHPA Investment Committee.

Borrow \$115,000.00:

10 Year Plan:

Repay \$1,584.14 monthly

Average daily income to pay note \$52.08

*Average daily operating expense 68.08

Average daily intake \$120.08

15 Year Plan:

Repay \$1,307.09 monthly

Less \$9.24

18 courts must generate \$6.67 daily (Scottsburg property has room for 14 indoor courts)

14 courts must generate \$8.58 daily

Borrow \$175,000.00

10 Year Plan:

Repay \$2,410.64 monthly

*Average daily operating expense same as above

Average daily income to pay note \$80.36

15 Year Plan:

Repay \$1,989.05 monthly

Less \$14.06

18 courts must generate \$8.24 daily

14 courts must generate \$10.60 daily

Figures do not take taxes into account which will vary from place to place.

*Based on a manager (\$12,000) and 1 employee (\$8,000) operating an average of 8 hours daily. Includes fuel and light charge from statistics at Heritage Recreation Center.

Commercial loans are usually limited to 15 years duration; Banks prefer 10 year notes.

If snack bar is used, additional labor must be added and the profit, if any, would lower the daily use requirements of the courts.

Figures are based on 360 operating days. When summer play outdoors is considered, the court income must be increased by the amount lost.

Loan rates are based upon 2% above prime borrowing. May vary at the time a loan is negotiated.

The loan figure will drop by the amount INVESTED by the N.H.P.A. on an annual basis if moneys are designated to be spent in this manner.

REFERENCE No. 2

NO. — The initial cost and annual operating costs would be a veritable millstone around National's neck.

It has to be a much larger and wealthier organization before it can carry such costs.

Existing cash would be much better used to increase membership. Funds at this time should be thought of as seed money to attract membership (and automatically more money).

I see only 2 benefits. 1. A national address. Of what real value is it if the secretary is not there? 2. An indoor place to play. Fine. Playing the World Tournament where it is safe against the rains would solve a problem, but it is to the best interests of the organization to let the World Tournament "float" around the country, even though sometimes it might literally be in water.

The trend to covered courts is there. Minnesota's great good fortune is in Henry Preimesberger at Genola. I am in close touch with him and his wife. An 80 x 220 building with 18 courts built under especially favorable conditions easily bypasses the \$100,000 figure.

COURT LOCATIONS MAPS AVAILABLE TO FLORIDA VISITORS

Maps showing the location of the horseshoe courts in every one of the 11 towns and cities in Florida that have organized horseshoe clubs and tournaments open to visitors are now available for the first time in a Directory put out by the Florida Horseshoe Pitchers Association.

In addition to the local maps, the Directory also includes the name, address, and phone number of the local club officers to enable visitors to find someone to pitch against.

A third help for out-of-state horseshoe pitchers is a page listing every one of the 33 tournaments scheduled in Florida this season starting with New Smyrna Beach, October 15 and ending at Sarasota, April 14. Name and address of who to contact for each tournament is included.

For copies of the Florida Directory for 1978-79 write, Ken Reeb, Pres., Florida Horseshoe Pitchers Association, 1911-19th St., N.W. Winter Haven, Florida 33880.
