NHPA PRESIDENT'S MESSAGE

By Wally Shipley

We are approaching another World Tournament and Convention. My ninth as your President. This past year your efforts were fantastic. You increased the 1981 membership to 7398. This was an additional 1398 new members or 19% over 1980. Congratulations and thanks for an outstanding job well done.

With this type of interest, cooperation, support, hard work and confidence our sport will continue to grow and progress.

Fruit for thought! A great way to promote and help make your area knowledgeable of our sport. DONATE one of Gary Klines or Ottie Reno's books to your local library.

Please think about this and discuss it at your next State and or Club annual meeting. The library will give you credit for the donation. What a small price to pay for great Public Relations and advertizing horsehoes.

NHPA PUBLICITY REPORT

By BERNARD HERFURTH

NHPA FLYER — A 12 panel flyer has been compiled and is planned to include a copy in a future issue of the News Digest. Also copies of this flyer will be available at the Huntsville World Tournament.

PUBLICITY APPRECIATION LETTER — A form letter in appreciation of the publicity given the NHPA by the news media, Newspapers, radio, or television is now available to any member upon request.

INTERNATIONAL DIPLOMACY — Horseshoe pitching in Togo, West Africa is moving along very nicely. Twelve members of the African league marched in their Independence parade last January, displaying horseshoes and stakes as they marched. The parade was viewed by several hundred thousand spectators along the parade route. It will be remembered that the St. Pierre Mfg. Co. of Worcester, Mass. donated 12 pairs of shoes to help promote the game in Togo.

REQUEST FOR PUBLICITY PHOTOS — All members who pitched in the 1981 W.T. Championship classes were requested to send a black and white photo to the NHPA Publicity Director for future newspaper publicity. Several responded to the request.

SCHOOL PARTICIPATION — There has been some progress in having horseshoes in school sports programs, both in Junior High and in High Schools. Mixed tournaments were held at local courts with students being bussed to the courts. It is suggested that all clubs offer their facilities to the school programs.

PITCH HORSESHOES FOR HEALTH MONTH — This is the third year for this type of publicity. It was suggested that clubs and members give their local newspapers publicity during the month of horseshoe activity in their area. It was hoped that novice tournaments would be held to attract new members.

SHOP RECREATION SPORTS — Members are requested to contact their respective shop sports directors to send their names and addresses to the NHPA Publicity Director in that NHPA flyers would be sent to be added to their agenda.

PUBLICITY REPORT — (Continued)

COMMEMORATIVE STAMP — This is the second year that the membership has been asked to write a letter to the Postmaster-General requesting that our sport be honored with a commemorative stamp. All have been assured that their requests have been taken under advisement.

NOVICE TOURNAMENT AT W.T. — NHPA Publicity believes that novice tournaments be held in conjunction with the World Tournament at a future date. The main object would be to attract new prospective members. Such tournaments could be a daily event, during a time when major activity was not going on.

LAST MINUTE TOURNAMENT ENTRIES

By BERNARD HERFURTH

As Publicity Director of the NHPA I believe it to be in the best interest of our sport to admit as many entries as possible in any given tournament. However, I realize that a tournament director has a difficult time and is very often short-handed due to failure of others to help. It seems a bit unfair to turn down last minute entries especially so, when there are courts that are not full.

For many reasons, a family man sometimes does not want to commit himself in advance of the tournament thereby coming in at the last minute. In cases like this with extra players on hand they could fill in where there may have been a cancellation. If a player has cared enough to come to a tournament he should be given every possible chance to play.

For example: If there are four extra players, men, women, juniors they can pay the entry fee and then be put in a special 50-shoe handicap class. They could play a double-round-robin to keep the players on the courts.

This is not an affront to any tournament director but just a suggestion in the best interest of our sport.

REPORT ON PROGRESS OF WHO'S WHO BOOK

By Oattie Reno

On May 28, 1982 I received a letter from the publisher of *Who's Who In Horseshoe Pitching*, Cornwall Books, 4 Cornwell Drive, East Brunswick, New Jersey, 08816, signed by Thomas Yoseloff. I will quote the second sentence of his letter word for word, "The work on *Who's Who In Horseshoe Pitching* is now about 80% complete, and I am very hopeful that we will have this ready to go to the printer within a matter of weeks."

Many of the biographies paid for advance copies and I have sent all money to the publisher as agreed. I regret that the publication has taken so long but I am in the same position as the rest of you with nothing to do but wait. I finished my part of the work a long time ago and paid in all of the money. I would write each person individually but it costs almost \$500.00 to mail one letter to each of 2,000 people. I do answer all people who write.

One final point worth making is that the NHPA is in no way responsible for putting the book together. I am not an officer or representative, so I hope none of you will blame the NHPA, or Ellis Cobb, or any of the NHPA officers for any delay in the publication.

FARGO-MOORHEAD, MINN. TO BID FOR 1984 W. T.

By WILL GULLICKSON

Fargo-Moorhead will make an official bid to host the 1984 NHPA World Tournament Aug. 3 when the NHPA convention is held at Huntsville, Ala.

A tentative bid to host the 1984 tourney was well received last year at the convention held at Genola, Minn. If successful, the cities of Fargo, N.D., and Moorhead, Minn., will host the event for the first time since 1967.

It was unanimously passed at a meeting held June 21 that F-M will present the bid at Huntsville. Members of the Fargo and Moorhead men's and women's leagues were in attendance at the meeting conducted by Burl Ingebretson, president of the Fargo men's league.

It was announced that plans are underway to construct a 24-court indoor complex in Fargo in time for the 1984 tourney. The complex would become the best in the nation and would be a natural site for state and open tourneys also.

Presently, Fargo has 18 outdoor courts at Oak Grove Park where the 1967 tourney was held. Moorhead, just across the Red River, has 12 courts.

The Fargo-Moorhead leagues have over 120 active pitchers. Fargo will host the North Dakota tournament this year. Fargo annually hosts the Art Engebretson Open and Moorhead hosts the Allard Open and Moorhead American Legion Open.

Vince Lindstrom, manager of the Fargo-Moorhead Convention Bureau, will be at Huntsville to supply interested persons with information on the two cities and to assist in making the 1984 bid.

The central location of Fargo-Moorhead makes it accessible for those coming from all directions of the nation and Canada.

“From Out Of The Mail Bag”

Dear Mr. Cobb,

I've been pitching horseshoes for 55 years and been a member of the N.H.P.A. for about 40 years. I love the game and have competed in N.H.P.A. sponsored tournaments whenever possible. Now, after so many years, I am asked to change my style because a few so called professionals deem it necessary to alter our starting point by drawing a line parallel with the stake. How silly can we get? If that is passed, I predict at least a 35% loss of payed up members to the N.H.P.A. Many of us will be unable to compete in tournaments so why belong? We have 43 members in our club and although many of them are beginners and don't belong as yet, I assure you they are fully in accord with me. I say, raise the foul line to keep the offenders from stepping over but don't tell them where they have to start. It should be our privilege whether to take a long or short step providing we don't foul. I, for one will be forced to quit the N.H.P.A. after so many years as it will be impossible for me to complete. I broke my wrist 6 months ago and am having enough trouble trying to reach the peg as it is. Lets think of something constructive for our game and not just make it better for just a few disgruntled players.

A TRIBUTE TO JIM WEEKS TOURNAMENT

We, as outsiders to the Southern California Association were invited and attended this special Tournament held in San Bernadino, California on June 20th.

This was a surprise for Jim Weeks and he was overwhelmed and speechless when he and his wife, Emily, arrived at the Tournament, especially when he sees his daughter, 2 sons and their families, plus about 100 pitchers and friends.

Jim has been involved in Horseshoes for over 30 years, and although he hasn't pitched much since the early 1960's, he keeps very busy being the Southern California State Secretary and Statistician, and seldom misses a Tournament in his area.

The Southern California Clubs and Members held this special Tournament to help Jim purchase a special chair he needs, so he can sit up to sleep, due to his health. So many pitchers, unable to attend, due to previous commitments, sent greetings, cards and momentos. Gerry Kloefer and his wife Nancy, from Yucaipa were the directors, and they did a great job.

We're sure the turn-out was much greater than anyone ever expected, so a Doubles Handicap Tournament with 25 teams competed having 3 groups. The winners being Mrs. Barbara Dow and Mr. Pete Cathalinah, whom by the way will be 81 in September. The pitchers ranged from 18 to 80 years old.

We feel all the Southern California area Clubs and Members need to be commended on such a wonderful way to show their appreciation to a fellow pitcher. It took each and every one of them to cooperate very closely to put this on. Harold Slagg gave up a Tournament that was scheduled that day in Pomona, so this could take place. There aren't too many thoughtful people anymore, but this just proves there aren't a few, but hundreds in one area to have such a wonderful event like this, for a well-deserved person.

We would like to Thank each and every Club and its members for doing this and also for inviting us to attend and help share this special occasion. We're sure Jim will never forget any of this, and what you did to help. Don and Marilyn Hanes
