## NHPA PRESIDENT'S MESSAGE

By Wally Shipley

Congratulations to all State Champions in all divisions.

Deadline for any NHPA Constitution and By-Laws changes will be January 11, 1983. Changes must be clearly written, thought out and easily understood or they will be returned. Send your proposed changes to chairman, John Walker, 570 Parkway, Chula Vista, California 92010. Please include your telephone number and address in case you have to be called.

**ATTENTION: ALL CANDIDATES FOR NHPA PRESIDENT FOR ELECTION IN 1983**

**COMMENT ON 1983 ELECTION:** I will not be seeking nor running for re-election in 1983 at Statesville, N.C. This notice is more than fair. It gives everyone a year to select an outstanding candidate. Also if any Chairman or member of any committee will no longer desire to remain same after the 1983 W.T., please let me know as soon as possible (realizing that the new President can appoint new Chairmen and Committees).

It is my suggestion that in all fairness to the entire NHPA membership, that you announce your intentions and qualifications no later than the January issue of the News Digest. By doing so all State Association members can evaluate, discuss and decide on whom their delegates should vote for at the 1983 Convention at Statesville, North Carolina.

Following are some thank you letters I sent to various individuals involved in making the 1982 World Tournament at Huntsville, Alabama: Mr. Glenn Wallace, Director of Parks and Recreation; Ken Gibson, Supt. of Special Facilities; NHPA Reg. Directors; NHPA Hall of Fame Committee and all World Tournament Division Champions.

Joe W. Davis, Mayor  
 City of Huntsville  
 P.O. Box 308, Huntsville, AL 35804

Aug. 24, 1982

Dear Mayor Davis:

On behalf of the NHPA, thanks for your part in hosting the 1982 World Horseshoe Tournament in Huntsville. Please convey our appreciation to your staff and the Community.

The Recreation Department and Jaycees cooperation and hard work helped to make it a very outstanding successful event. Glen Wallace and his entire staff did an outstanding job.

Your communities' hospitality was again great. Please give my regards. Congratulations on your successful bid in again hosting the World Tournament in 1984. We will look forward to our return visit.

Sincerely,

Wally Shipley,  
 NHPA President

Dear Renee Hix and Alax Francis:

At the 1977 NHPA Convention the delegates voted to award a \$200.00 scholarship each year to the Junior Girl and Boy World Horseshoe Champions effective 1977.

On behalf of the NHPA, congratulations on your accomplishment. We wish you much success in your future and adult life. We hope that your favorite sport will always be horseshoes and that you will do your share in promoting our great sport.

## NEWSPAPER PUBLICITY FOR NHPA

By Bernard Herfurth

NHPA Publicity suggests that all tournament managers ask their trophy winners to give their local newspapers daily and weekly articles concerning how they finished in their class. Also give the winners names in the championship calls.

All members are requested to put an article in their local papers concerning the results of the 1982 World Tournament, held at Huntsville, Alabama. Use the names of the six championship classes as published in the Digest together with the name of the winner in the 75-year old class.

Also tell of the approximate 600 entries that took part in the 12-day tournament playing 8-man round robin schedules using the 50-shoe cancellation method. Also the annual NHPA convention, Hall of Fame ceremonies and the dinner-dance party. Add to that the 1983 W.T. will be held in Statesville, N.C. and again in Huntsville, Alabama, in 1984.

A unique feature to create spectator interest was had at the New England Championships held at Springfield, Vermont over the Labor Day weekend. A FREE contest was held in which the contestants had to pick the top four finishers in order, that is, 1, 2, 3, 4. D. Hansen of Oakdale, Conn. was the only one to pick the top four finishers correctly. They being Norm Rioux who retained his title; of Conn., Bob Domey, Rhode Island, second; Doug Kiene, Maine, third and Mike Pateneau of Maine, fourth.

This was a non-gambling contest there being no charge. Spectators and players alike took part and there were no cash prizes. Pete Shepard, N.E. Director and manager of St. Pierre Mfg. Co. donated four pairs of American shoes on behalf of his company.

It is suggested that other tournament directors try such a contest to create interest during the games and award game-related items as prizes.

## 1982 HALL OF FAME COMMITTEE REPORT

By Ruth Hangen

The NHPA Hall of Fame Committee held its annual meeting in August at Huntsville, Alabama. In attendance were President Wally Shipley, Ruth Hangen, Bernard Herfurth, Ed McFarland, Jack Adams, Red Henton, Jim Weeks, Art Holter, Cletus Chappelle, and Earl Winston.

Wally Shipley thanked the committee for a job well-done. He liked the committees' selection for the 1982 Hall of Fame.

A motion made by Bernard Herfurth and seconded by Red Henton to change the "Over 70-Old Timer" category to "Player/Organizer". This will still encompass those over 70 now listed in this category, but age will not be a major factor, thereby allowing anyone that is an eligible player and organizer to enter this category regardless of his/her age. There were no negative votes on this motion. The committee agreed that a candidate would be inducted only as an individual. Example: no candidate when receiving enough votes for induction could include his spouse as a combination inductee. Each would have to be voted in on his or her own individual qualifications, not just as a help-mate to the inductee.

The committee suggested to Pres. Wally Shipley that NHPA's historian, Gary Kline be added to the Hall of Fame Committee. Mr. Shipley agreed and will ask Gary to join and make it a 15 member committee.

Also discussed was the updating of the older histories of prospective inductees, and encouraging members to send in histories with 15 copies, of new candidates whom are worthy of consideration.

The committee also talked about the debt of thanks and our appreciation to Lloyd Frederickson for all the effort and work he put into the Hall of Fame Book and Plaque.

The meeting ended with a renewed commitment to put forth our very best, conscientious efforts in selecting inductees to the Hall of Fame, as to all candidates this would be the most meaningful outstanding event in one's career.

## SCHULTZ, WEEKS, PAXTON, HEADL

**Caroline (Schultz) Decker**

**James Weeks**

**CAROLINE (SCHULTZ) DECKER** was a marvel in her time. She won the Women World title two times. The first being in 1933 pitching an average of 73.8 ringers for the entire tournament. This was a World record, the previous record being 54.5 percent. The following year, 1934, she broke her own record, pitching an amazing 81.3 percent ringers for the entire tournament. This remarkable record held for 30 years, until 1964 when Sue Gillespie tied it. These two great ladies still hold this record for a seven game World Tournament. In 1935 Miss Schultz (not married at that time) was 2nd high qualifier with 256 points having 82 ringers out of 100 shoes pitched. Because of inclement weather she did not defend her title as Ladies World Champion.

Although Caroline did not enter any more World Tournaments, she continued to pitch in many other meets. She claimed the Illinois State Championship for many years. She never lost a match in any tournament.

With her sisters Charlotte and Helen, Caroline put on many exhibitions, visiting hundreds of places and performing before thousands of spectators. In all her exhibitions and tournament matches, she came in first and her sister Charlotte took second. Her sister Helen was their manager.

Among Caroline's treasured memories is the 50-38 win over Frank Jackson and a 50-18 win over C.C. Davis. In exhibitions she also defeated Carol Jackson, Hansford Jackson and Putt Mossman.

Caroline pitched a one and one-quarter turn using the Ohio shoe. Spectators were astonished at her skill. The Schultz sisters contributed much to the exposure of the horseshoe sport and will long be remembered for their great exhibitions.

In 1951 she had to give up her pitching due to ill health. She now resides in a nursing home in Cincinnati, Ohio. When Wally Shipley informed her of being selected for the NHPA Hall of Fame she tearfully told him it was "the happiest moment of her life."

Caroline Schultz is truly a legend in her time.

**JAMES WEEKS — ORGANIZER.** In Southern California he is affectionately known as "Mr. Secretary/Treasurer." For over forty years Jim has been the viable force in that area.

In 1928 Jim began his career of horseshoe pitching in the Los Angeles City League. In 1952 Jim became a close friend of the late Elmer Beller. Elmer convinced him to join the NHPA. From then on Jim had a long love affair with horseshoes.

Jim has been a club officer, past president of the Southern California State Association and was elected Secretary/Treasurer in the mid-fifties. He is also one of the greatest statisticians in the NHPA. Many claim that his mind works like a computer in giving up-to-date averages.

In 1959 this talented pitcher won the California State Championship. As a player Jim has averaged over 70 percent ringers.

Over the past 25 years, Jim has with the help of his wife Emily has attended most of the Southern Calif. tournament.

Jim was inducted into the Southern Calif. Hall of Fame which he started in 1970. He is now

## DOUGH NAMED TO 1982 HALL OF FAME ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

honored to be a member of the National Horseshoe Pitchers Hall of Fame.

Jim Weeks career has been truly marked with uncommon dedication, persistence and commitment.

**JOHN PAXTON — OLD TIMER, IOWA.** John Paxton of Ottumwa, Iowa, began his horseshoe pitching in the 1920's. He was a farmer and pitcher in the What Cheer area which at that time was a hot-bed of horseshoe pitching. Later he began competing in tournaments with two Iowa greats, Frank Lundin and Frank Jackson, both former World champions.

In 1939 after some controversy with the Iowa State Fair, the State Championship also known at that time as the Midwest National was held at Ellis Park in Cedar Rapids. John won that championship.

During the 1950's John participated in five World Tournaments when they were held in Murray, Utah. In these he averaged in the high sixties. His greatest claim to fame came when he won five consecutive Senior World championships beginning with the year 1966 through 1970. In doing so he established a World record.

From 1966 - 1982, John ranks number one in the Senior World Tournament all time Victory Standings compiled by Gary Kline.

John is a member of the Iowa Hawkeye State Hall of Fame and is now greatly honored to be in the National Hall of Fame.

★ ★ ★ ★ ★ ★ ★ ★ ★ ★

**ARTHUR HEADLOUGH — OLD TIMER, OHIO —** Mr. Headlough was born in 1884 and passed away in 1944. He was National Secretary in the formative years of the NHPA. He represented the early golden years of the World Tournaments during the great winter meets held in St. Petersburg, FL. Art also managed to persuade the Akronites to hold a summer meet in Akron, OH.

In the 1920's, Art wrote "The Official Horseshoe Guide and Blueprint." This was the earliest assembled horseshoe pitching history. He also originated the first magazine entitled, "Barnyard Golf."

On May 21, 1921, Arthur Headlough incorporated the National Horseshoe Pitchers Association in the state of Ohio. This truly makes him the founding father of the NHPA.

In the 1930's, Mr. Headlough, who then was an Akron, Ohio Fire Chief, became President of the Greater Akron Horseshoe Pitching Association. This election was the first step toward rehabilitating horseshoe pitching as a popular pastime in the Akron area.

The credentials of this great man were somehow overlooked. He was worthy of being a charter member of the National Hall of Fame. However, due to the search of Gary Kline, Mr. Headlough's history was made known to the Hall of Fame Committee who acted favorably. This outstanding pioneer of horseshoe pitching award will be presented to the City of Akron, Ohio.
