No. 11

From Your President . . . Glen A. Portt

As I write this on October 6 in order to meet the 10th deadline, I am happy to report that Boni Boser will be one of the finalists in Wheaties "Search for Champions." To you members and others who went all out to make this possible, my sincere thanks and congratulations for a job well done. Although I am not aware of every person who contributed time and effort, a big share of the credit goes to George Nix, Len Lipovsky, Art Holter and Curt Bestul. After returning from Huntsville, Curt went to work and through a joint effort with his club members turned in over 500 ballots on Aug. 29th.

The National Handicap Tournament (Mail-In) ended on Sept. 30th. The results will be printed in the December Digest but each club which entered will have received a printout before then. The tournament was held to give every person a chance at winning some fairly large cash prizes. The complaint for years has been that the top players receive most of the cash. This tournament gave the poorest players a **better than equal chance** to win. Yet, only 141 entered. The absence of our top players was particularly noticeable. The low percentage players have supported them for years. The top players should have supported the low percentage players even tho' they might have felt they had little chance of winning.

The Pitchin' Palace is coming up with a tournament for January 12-13 which will be unique and a big plus for horseshoes if the states will support it. As I understand the plans at present, each state will be asked to send a team of its 4 best players to compete against all other state teams entered at a cost of \$100 per team. State associations will be asked to sponsor the state team by providing the \$100. Four teams from the Canadian provinces have already pledged to come. Each team will pitch every other team, four against four. The final two teams' games will be televised by Sportsview TV and the matches shown on area television. Prize money is undetermined as yet. Mixed teams will be allowed. Complete details have been sent to each State Association. Start planning to support this effort now.

RAY LOOPER APPOINTED NEW NHPA AUDITOR

Pres. Glen Portt announces the appointment of Ray Looper of N5009 Allen Place, Spokane Washington 99205 to be the new NHPA Auditor, replacing Jim Solomon of Pennsylvania, who has filled this position for the past 10 years.

Ray brings to the NHPA a wealth of experience. He has a BA in accounting and is a CPA with 5 years of public accounting and for the past 11 years has worked as financial manager (controller) for private industry in Spokane.

He is married with two children, a daughter Nicole, 13 and a son Craig 11. Ray and his wife Judy and son are avid horseshoe pitchers, while Nicole assists administratively in all tournaments. Ray has been pitching in organized horseshoes for about 9 years and frankly admits that he still gets excited when he throws a double ringer or has a 50 percent game. To the Looper family...welcome.

COMMENTS FROM SECOND VICE PRES. BARRY CHAPELLE

I would like to thank everyone for your support in electing me NHPA 2nd V.P. I hope I can do a good job and help our sport to continue to grow. One of the tasks assigned to me by our President is to contribute "human interest" stories to the News Digest each month featuring local clubs, state associations or individuals. So if you hear from me asking for information, I hope that you will cooperate and give any suggestions or ideas by dropping me a line.

I would like to comment on the World Tournament at Huntsville. First of all, our sport owes Huntsville a great deal for the tremendous job they did as hosts for the tournament. Thank you to everybody in Huntsville who has helped in supporting our sport.

I was very impressed by the pitching of Phyllis Negaard and Tari Powell, our new Ladies champion, in their three play-off games. The winning percentages in these games were 87%, 87%, and 89%, truly fantastic. I congratulate both of these ladies.

Also to see so many younger men in the top 24 in the men's bracket. Particularly so many who were under 25 years of age. If our sport is to grow, we must show that it is appealing to the younger set.

Finally, congratulations to our new Men's World Champion, Jim Knisley, who after many tries, finally reached the top. Also, Carl Steinfeldt's performance was amazing.

Next month I will have some features on horseshoes in the Pacific Northwest. It is an easy place for me to start because the information is already at hand. Again, please contact me with any ideas you may have on people or organizations concerning our sport.

NOVEMBER NHPA PUBLICITY

Sports Illustrated magazine gave our sport an eleven page write-up in the Sept. 24th issue, with several pictures included. The article was very well written by a feature writer, Bil Gilbert. It is a story of horseshoe pitching in the past and present as seen by the writer.

I have written to the Sports Illustrated circulation department asking if they send out single part issues on request. If they do so, the address will be given in next month's Digest. If they do not send requests, I will ask for permission to print the article in the Digest for the membership.

I believe the article was written primarily because of the writer's acquaintance with our Hall of Fame member, Curt Day. It was written a month or more previous to the World Tournament at Huntsville, Alabama, when Bil Gilbert visited Donnie Roberts in Ohio to receive more information.

Jackie, the lady photographer from the New York office, spent several days at the World Tournament taking many pictures of interest. After looking over the pictures it is likely that Bil Gilbert decided which pictures would go along with his story.

NHPA Publicity continues to request that all members submit write-ups of local horseshoe pitching activity to their newspapers and add the following: **FOR FREE 12 PAGE HORSESHOE FLYER, SEND A LARGE SELF-ADDRESSED ENVELOPE TO NHPA, BOX 810, CIRCLEVILLE, OHIO 43113.** This plan has enabled the NHPA to send information on organized horseshoe pitching to hundreds that have sent in requests from having seen the address in the newspaper.

ORLANDO, FLA. CLUB OPENS SEASON ON 12 NEW COURTS

Starting with its first tournament of the season, November 24, the Orlando Horseshoe Club will be offering winter visitors 12 new lighted courts at the new site provided by the City's Bureau of Recreation on the old Delaney School grounds at Orange Avenue, Gore Street, and Delaney Street.

Only a short distance south of the old courts at Sunshine Park on Livingston Street, the new courts are easily accessible from major highways crossing Florida through Orlando; north-south routes US 441, US 17-92, Florida Turnpike, and east-west arteries Interstate 4 and SR 50. They will be used for Orlando's later tournaments also (February 16 and April 6). All are sanctioned tournaments and open to anyone with a NHPA card.

REPORT OF NHPA MEMBERSHIP COMMITTEE

By HERMAN WIESER

As Membership Chairman I wish to congratulate all those who labored so diligently during 1983. Their efforts enhanced the membership of the NHPA by more than 12 percent over a similar period in 1982. Result was 8230 members.

At the Hall of Fame banquet held during the World Tournament at Huntsville, Alabama, Membership Achievement plaques were presented to representatives of Northern California, Missouri, Ohio and New York covering four categories, to wit:

1. Largest number of members in 1983...Northern California...500 plus.
2. Greatest increase in membership over previous year...Missouri...194.
3. Largest ADULT membership in 1983...Ohio...455.
4. Largest JUNIOR membership in 1983...New York...69.

We are proud of these winners and hope that they will continue in their winning ways. Perhaps in 1985 at the W.T. in Springfield, Missouri, your state will receive an award for membership promotion in one or more of the aforementioned categories.

There are numerous ways to attract new members to our fine sport. More publicity and support is surfacing. The 1984 W.T. at Huntsville, Alabama received attention by the media and especially an 11-page article in the September issue of Sports Illustrated. Let us all work towards a greater membership. Remember the following:

- a. The sport of horseshoes can be pursued by young and old.
- b. It is challenging and interesting.
- c. Pitching horseshoes is good exercise and conducive to good health.
- d. Competition provides excitement and incentive to pitch.
- e. Our present leadership promotes confidence in our sport.
- f. Pitching clinics for juniors and seniors is a must.
- g. Indoor courts are more prevalent and will attract new members.
- h. Encourage local clubs to join State and National Associations.
- i. Participate in as many tournaments as possible.

2ND ANNUAL LAS VEGAS/HACIENDA PRO/AM CELEBRITY HORSESHOE CHAMPIONSHIP TOURNAMENT

The tournament will be held in the Matador Horseshoe Arena (indoors) on Modified Port-A-Courts.

FORMAT OF PLAY — Last year's format has been dropped. All entrants will play a minimum of two days, pitching eleven 40-point cancellation games and possibly more depending on the number of entries.

FOR REGISTRATION AND ENTRY FORM SEE PAGE 22 OF OCTOBER ISSUE.

In Memoriam

The Massachusetts Horseshoe Pitchers Association was saddened with the loss of its State Secretary Donald Harrison. Don was stricken while pitching in his favorite Sport in the Keene Open. Don was an active participant in both the Connecticut Association in his early years in organized horseshoes and later with the Massachusetts Association where he held the office of President and Secretary at various times.

He was also active in The New England Horseshoe Pitchers Association where he held the office of Secretary at the time of his passing. The many friends of Don and the Associations that he served will miss him. The Massachusetts Association expresses their sympathy to Don's wife Martha and his children. Don had the uncanny ability to always smile even though some of the tasks that he was performing in his various horseshoe functions were not always easy.

P.S. ENTRIES are still open. The deadline date stated in the October issue was for ROOM RESERVATION ONLY.

To all concerned horseshoe pitchers:

As per my last letter I was told that I was running away from what I believe. Well I'm not running, I'll fight for equal rights for all pitchers. I can't work for NHPA when I feel they are wrong. I can work for horseshoes and treat all pitchers equal. I realize the top pitchers should be recognized and I do recognize them in their place. "As pitchers that all low percent shooters would like to be" But I don't forget the ones that do the work and foot 85% of the bills.

I feel that if a group of pitchers put in so much money for that class they deserve to get it back out. To the top three in that class. Let the host club raise the money for the top pitchers, don't take it from the lower classes.

Also I feel that the NHPA is cheating a lot of the Juniors by making the cut off Jan. 1st. This means that if a Junior becomes 17 Dec. 31st he/she can't pitch the following year. But if he/she becomes 17 Jan. 1st they can pitch the whole year. For one day some are being cheated.

I proposed the following and it never even got to be voted on.

"A player is a Junior until his/her 18th birthday and is a Senior after his/her birthday with the only exception being that if his/her birthday comes during an event he/she will be permitted to finish that event."

This would delete the rule the NHPA has now which reads:

"A player will be considered a Junior for the entire season of his/her 17th birthday occurs on or after the start of the calendar year, Jan. 1st."

Let's not cheat the Juniors anymore. Let's hear it from you fellows, girls and Juniors. Let's get my proposal back in front of the council.

Sincerely,
Ernie Graham
New York State Secretary
