FROM YOUR PRESIDENT — DAVE LOUCKS

The NHPA is fortunate to have many dedicated and supportive members within its ranks. Each year we attempt to honor a few of them by induction into our Hall of Fame and the presentation of the Stokes Award.

Our Hall of Fame committee chaired by Ruth Hangen will this summer be voting on those who will be honored at this year's Awards Banquet. There are three categories; player, organizer and, player/organizer. While Ruth already has an extensive list of recommended candidates, any new resumes and histories must be received by her no later than April 30th.

The Stokes Award is given in memory of the late Arch Stokes, a former NHPA president who was responsible for hosting ten WORLD tournaments in Murry, Utah. In an effort to better define the guidelines of this award, your executive council has agreed that the Stokes Award should go to the person who has done the most during the preceding 3-5 years to promote, foster and build the sport of horseshoes. We are aware of some but feel there may be several worthy of this prestigious award. If you know of someone we should consider, please send me your candidates resume and accomplishments during the required time frame.

While on the subject of awards, our Junior World Tournament pitchers should be happy to hear of a change affecting them. In the past, the junior W.T. winners of a scholarship received their prize only after being enrolled in a formal program to further their education. Starting with Ainsworth, the winning prize will become an interest bearing Trust to be awarded on or after the winners 18th birthday. There will be no requirement for enrollment in a higher education program. All previous Junior scholarship winners who have not claimed their award can now expect their prize without interest at their 18th birthday.

Finally: State presidents and Tournament Directors, can I have your attention. Please consider as a prize to be awarded at your tournaments, Gary Kline's book *The Official NHPA History of the World Tournament*. This well written book is a vast storehouse of statistics and history on World Tournaments in the years 1909-1980. It would make a very worthwhile tournament prize that can bring many hours of interesting and informative reading. The book is available through your NHPA Game Related Items Distributor at a new low price of \$9.95. Help support the NHPA and your club at the same time. Buy a book to be given or raffled at each of your 1986 tournaments.

DAVE'S COURT REPORT

Are you ready, have you made your plans? Ainsworth NE, site of the 1986 World Tournament is getting ready for us. With the support of the local business community and a dedicated group of workers, Ainsworth is preparing to host what they hope will be among the best World Tournaments ever.

As NHPA president, I can assure you that your executive council is working hard for the success and support of this tournament. The cash prize list will be one of the largest ever awarded in a horseshoe tournament. Ainsworth bid \$22,000 and I'm preparing a prize list for council approval that will add some \$6,000-\$8,000 further. This will come from qualifying and entry fees plus other NHPA sources. While it will be a couple of months yet before the actual prize list is published, all of you planning to participate should be aware of some changes to previous years format.

1. The Tournament will start on a Monday, July 21st.
2. Entry fees, (registration) for all classes except juniors will be \$25.00.

COURT REPORT — (Continued)

3. Late entries will not be allowed. If not registered and paid by the published deadline, you cannot pitch.

There will be no waiting list!

4. Scorekeepers will receive \$1.00 per game. Each pitcher will pay 50 cents per game to the NHPA office when they pick up their round robin card. Because it worked well in Lafayette with few complaints, turning of courts after games will again be done by the pitchers.

RINGERS REMEMBERED

by KEVIN CONE

The former President of the United States who had horseshoe courts constructed behind the White House was Harry Truman. Harry Truman was an avid horseshoe pitching enthusiast. After he became our 33rd President one of the first things he had done was the set up of the courts. He then was given an honorary lifetime membership to the N.H.P.A.

Here is a list of approved perfect games on record to this date. A perfect game has to consist of at least 10 shoes and of games of at least 21 points. To get a recognized perfect game patch there has to be a document (like official scoresheets signed and witnessed by the tournament director.)

Perfect game patches are categorized as 1-5 star patch games. 10-19 shoe games 1 star patch, 20-29 shoes 2 star patch, 30-39 shoes 3 star patch, 40-49 shoes 4 star patch and 50 shoe on 5 star patch. History of N.H.P.A. perfect games in chronological order.

All patches have been sent out except for Bob West's, the only man to ever pitch a perfect game and have one pitched against him. If Bob or anyone else who knows Bob would send me his address it would be most appreciated. Perfect game certificates are on their way out also. If anyone has pitched a perfect game in a sanctioned tournament and has ample witnesses and record of it and wants it recognized and recorded in our N.H.P.A. history please send it to me at: Kevin Cone, R.R. 1 Box 137, Alta, IA 51002.

Trivia Question: What two current N.H.P.A. officers had perfect records in Boys World Tournament Championship Division play?

NHPA PROMOTION COMMITTEE REPORT

By SOL BERMAN, Chr.

At the 1985 Convention 274 delegates were eligible to be seated. Only about 174 delegates were present(seated). That means that many states were not fully represented.

Of the 174 delegates seated about 50 left before the election of officers and the selection of the 1987 Tournament site.

This means that about 125 NHPA control the organization. Actually that number is even smaller since many of the delegates are told how to vote.

We have over 8,000 members. I believe they're all entitled to vote, at least, for the National Officers and Tournament site.

A proxy vote should be tried. We need more members taking an active part in the NHPA affairs.

ABOUT THE COVER PICTURE

VETERANS ADMINISTRATION'S GOLDEN AGE GAMES

By GLEN PORTT

(See cover photo)

The first National Golden Age Games for disabled veterans was held at the Marine Corps Logistic Base, Albany, Georgia, 1-2 November. One hundred eleven in-patient veterans, 55 years and older, who had won in local and regional competitions vied for top honors in numerous events.

Of the 111 contestants, 32 competed for the horseshoe pitching championships. In the 55-64 age group, Carroll Eckenrod, Tennessee, won first place followed by Donald Brenneman, Marion, Indiana and Robert Delmar, Los Angeles, California. George Cain, Canandaigua, N.Y. took first in the 65 year plus group with Emmanuel Williams, Tuskegee, Ala. winning 2nd place and Robert Brusso, Canandaigua, N.Y. taking third.

The Albany, Georgia, Horseshoe Club furnished courts and ran the two day event.

“From Out Of The Mail Bag”

Mr. F. Ellis Cobb, Editor
The Horseshoe Pitcher's News Digest
P.O. Box 1606
Aurora, Illinois 60507

December 31, 1985

Dear Mr. Cobb:

I can't help but express my total disappointment and utter frustration concerning the 1987 World Tournament bid. Many other Northern California clubs and dedicated players share the same feeling.

To begin with, it was during the month of March of 1985 when the newly appointed historian Dave Loucks approached the Northern California executive board and suggested that Northern California make a bid for the world tournament since Springfield, Missouri had dropped out. By the way, what really happened here? Springfield was so eager to have the world tournament for five consecutive years. Their reason that they could not meet the obligations seems valid, but what really brought this about? I guess that I will never really know. To continue, I could see then, that the NHPA was in dire straights to have a new site. I suppose the Northern California could have hosted the world tournament; however, in my opinion we were just not ready to make adequate preparations on such short notice. The General consensus from the other members were of the same opinion, but for a 1987 bid - DEFINITELY YES!

What ensued thereafter is as follows: Dave Loucks was our representative and was given the permission to go full speed ahead and make the bid for 1987 at Lafayette, Indiana. One of the main features was the selection of the fairgrounds in Pleasanton, CA as the proposed site. By now, most all members and clubs were on the band wagon. With excellent facilities at the Pleasanton fairgrounds we were anticipating a super world tournament for 1987. Meantime, to start raising the needed money all of the entry fees for the remaining tournaments in 1985 were raised an additional two dollars. This extra two dollars was earmarked for the 1987 world tournament. If we did get the bid, this was to continue throughout the 1986 season and up to the time of the 1987 tournament. Furthermore, there were many club pledges and individual pledges. There were many players who were willing to donate \$100 and more for this event. In the few months prior to the world tournament in Lafayette approximately \$5000 was raised from the additional entry fee and pledges from the various clubs and players alone!

I do not know exactly what went on at the Lafayette meeting. We had great confidence and trust in our representative Dave Loucks - but what went amiss? Was his proposal inadequate? I don't hold anything against the city that gets the bid for a world tournament - in fact, more success to them. However, in this case how can Eau Claire, Wisconsin's bid of \$25,000 win over Nor-

MAIL BAG — (Continued)

thern California's bid of \$40,000. This just doesn't seem to hold water! It was very disappointing to say the least.

I do not know the exact procedures in making the selection for a world tournament site. To me, it seems proper that sealed bids be submitted and the executive council of the NHPA make the decision. Should this be the case, then it seems only fair that the city chosen should be located in the South one year, the East next year, the Mid-west the third year and in the West the 4th year, etc. Or the use of a system somewhat comparable. If the selection is determined by vote of the delegate, I must go along with the past president Glen Portt's article in the 1985 August Digest issue which mentions the introduction of some type of proxy vote. This would give the Western States and other areas an equal chance. Certain changes should be made. If this means the amending or making some changes in the NHPA Constitution and By-Laws, this should be done. Hopefully, with the new president some changes will be made soon.

Respectfully submitted,
Ernie Kim, 2nd Vice-President
Northern California
Horseshoe Pitcher's Assn.

In Memoriam

It is with sadness that the passing of Mrs. Lorene Holland, loving wife of Joe Holland of 103 Parkwood Estates, 2900 Gulf to Bay, Clearwater, Florida 33519. She passed away suddenly in July of 1985 in Florida. It is with regret that information on her passing has just been received for the Digest.

Mrs. Holland attended many tournaments with her husband held in Michigan, Florida and World Tournaments. her kindly smile and greetings will be sadly missed by all who were acquainted with her down through the years.

The sympathy of the NHPA and that of the Florida State Association is extended her husband and family in the loss of a loved one.

Henry Franke, 85, of Centralia, Illinois a long-time member of the Illinois Horseshoe Pitcher's Association died July 27 while attending his 21st consecutive world horseshoe tournament.

He pitched in his first Illinois state tournament in 1927 and won the 70-year-old division Illinois title in September, 1984. His best finish in the Illinois state tournament open division was third in 1971 at Peoria. He won first place in the 75-year-old division in 1982 and then the 70-year-old division in 1983 and 1984 in Illinois. He also won the 75-year-old division title at the world tournament in 1982 and 1983 winning 19 consecutive games.

He was a member of both the Illinois and NHPA Hall of Fame. His wife, Goldie, who accompanied him to many world tournaments preceded him in death on June 3.

Surviving are a son, Roy, a brother, Reinold, and a sister Florence.

The Nebraska State Association sustained a great loss in the passing of J. F. Anderson of Western Nebraska on October 10, 1985. He was very active in Nebraska winning trophies in many tournaments including the Nebraska State tournaments.

He is survived by his wife and a brother to which the sympathy of the NHPA is extended.

J.H. DAVIS HOPES HIS HS PALADIUM WILL BE A RINGER

By RALPH PAULK

AKRON BEACON STAFF WRITER

Akron businessman John H. Davis. The 65-year-old marketing executive is hoping to escalate horseshoe pitching to such a level that it will rival golf and bowling.

The walls in Davis' office in Munroe Falls, Ohio are covered with awards, reflections of his years of success in marketing. As he reclined in his easy chair, he admitted that his latest project is unlike any he has ever undertaken.

"I'm actually starting a new career," he said. "This, however, is something that has been in the works for the past 10-to-15 years. It's going to be a challenge."

Although Davis insists he does not have any naive ambitions about horseshoe pitching, he nevertheless has grand ideas for its future.

Davis, president of the newly-formed Sports Enterprises, Inc., is already talking about television contracts, increased prized money and huge indoor horseshoe facilities. And early next summer, he says, people will know his talk isn't cheap.

Davis recently contracted a Canton architectural firm to design what he said "will be the largest and most complete horseshoe facility in the world."

The proposed Horseshoe Palladium probably will be located in Stow, Ohio, Davis said. The 60-court arena will cost approximately \$1.5 million.

"This is the first step toward making Ohio the horseshoe pitching capital of the world," Davis said. "There are more than 25 million people in America who play the sport, and nearly 25,000 in this area."

"This is the largest untapped sporting market in the country," he said. "I simply want people to know that horseshoe pitching can be more than something you do on Sunday afternoons."

It wasn't very long ago that both bowling and golf professionals won purses that equal the tax deductions of their current prize money. The reason they are paid more now is a direct result of major corporations sponsoring selected tournaments.

HS PALADIUM — (Continued)

Davis has recognized that, and has begun shopping for sponsors to back the Horseshoe Palladium as well as the sport.

Because the Horseshoe palladium will be the first of its kind — he plans to build others across the country — Davis said there's a possibility that National Horseshoe Association president Dave Loucks might agree to annex a long-planned Hall of Fame to the facility.

MID-HUDSON HORSESHOE ASSOCIATION of NEWBURGH, N.Y. IN SECOND YEAR OF SANCTIONED LEAGUE ACTIVITY

By GARY KULISEK

A new interest. It seems we hit a nerve when we displayed our posters around town. Phone calls, casual conversation, an increase in the horseshoe craze was being noticed. It all related to a new game in town.

Doctors, lawyers, truckers, laborers, taxi drivers, it didn't matter what you did for a living or where you lived. These people all had something in common - Horseshoes!! If you had a court available you played, if you didn't you found one.

Horseshoes has been a sport around Newburgh, New York for sometime. A few area softballers have realized it's time to hang up their spikes and start looking for a new faze of outside entertainment. Some others found their way to the courts, which were scattered around town and mostly empty. It seemed then to these enthusiastic horseshoers it was time to start an organized club.

Dave Thom, the founder of the first organized league in Newburgh, was ready to build and expand the game. Dave started his experiences with a league at the Twilight Tavern then to a larger league at Lockwood's Bar, then to Uncle Joe's Place, from there to a group that has surpassed all his expectations.

Jack Carney and Gary Kulisek were pitchers in Dave's leagues for the later part of his single handed ordeal. Conversations aroused the three of us and hence the start of the Mid-Hudson Horseshoe Pitchers Association. Dave maintained the command, Jack at the treasury duties and myself at the secretarial job.

We put our mark on the calendar on March 6th 1984 with a start of 22 members. The first year of existence could have been listed as the busiest year of our lives. Accomplishments of 17 different local tournaments were publicized, held and directed by our 3 man staff. We started and ran a total of 13 different leagues (with all becoming sanctioned the following year), our 1st Muscular Dystrophy Horseshoe-A-Thon was held with a total of \$2600.00 for Jerry's kids. (Our 2nd MDA Horseshoe-A-Thon brought that total to an unexpected \$7200.00). We applied and received our NHPA Sanction on November 3rd, 1984, just in time to sanction our 1st league. On November 17th we opened up at the New York State Armory with 40 pitchers on a make shift complex of 4 courts. Without the help of Col. Glen Losel of Saugerties, N.Y. and Merton Tidd, Superintendent, we could not have completed the first sanction league.

Our 2nd year started with an agreement with the Orange County Fair committee to set up and systematize the county tournament. With the help of some hearty people - 10 courts were installed (6 of the counties and 4 of the MHHPA). The qualifying and tournament play were a big success. We scheduled 160 pitchers (single and doubles play) in one weekend. This was a great confidence builder of us. We know now we have a great interest in Newburgh and surrounding towns of this fast growing sport. We now have 3 officers and 7 coordinators, 2 of which are female pitchers. Sanction 85A3.

Our local governments have also taken interest in the sport. They have honored our request of a piece of land to set our Association's roots. Blue prints have been submitted and at this time are being reviewed. The Orange county Parks Dept. has proved to the M.H.H.P.A. that they would like to promote games in this area. The Town of Newburgh Recreation Dept. has also expressed their concern for a senior citizen league, a youth program, and monthly tournaments. Our club now accommodates 13 local leagues and over 250 pitchers.

The Mid-Hudson Horseshoe Pitchers Association is thankful for all the help given to us.

Terrance Dougherty, our NHPA league Coordinator, has given us more than is required. He has taken our club and fed us all the information needed to make our club what it is. Thank you Doc, from the M.H.H.P.A..

Walt Hooley, our fellow pitcher, advisor, and friend (who is our Assistant Regional Director for the Southern District of N.Y.) has been a great help. Thanks Walt.

Ernie Graham, our State Secretary, has gone beyond his call of duty to make us successful. We are proud and honored to have you a part of the N.Y.S.H.P.A..

Without the help of these key people and many, many others we could not have become the largest NHPA Sanctioned Club in the United States.

HACIENDA EXTRAVAGANZA LAS VEGAS

By Dennis R. Ohms

The third Las Vegas Tournament has been the best so far. Yes, they still play on indoor courts, but most everyone realized that one game you were the one that lost a ringer or two, but maybe that next game the player you played lost a ringer or more. Sure, there was still talk about indoor courts such as: whose shoe does what, and which one is the best... But, even this has become part of the mystique of the tournament, as everyone was treated the same by the courts.

One of the hi-lites is the four to five days spent tossing and talking horseshoes in a setting unlike anywhere else. Since we were all in the same hotel, we met players and friends often in elevators and walk ways, cafeterias and restaurants. Not only do you get to play against some of the finest people in the game, but also you know, it didn't "rain" once-not even any wind (except a little hot air when a shoe came off the peg). I didn't even have to turn a court over, and the pitching surface was the same on every court.

Then, there is the time that someone hits a jackpot and all of us come around to pat the player on the back and we want to know how he grips that handle to have such success. Was that a 1 1/4 pull or.....?

For the final night's dinner, everyone dressed up. Some horseshoes were talked among the people, but most time was spent getting to know one another even more. Then there was dancing and you wonder how that guy that takes forever to toss a shoe can move the shoes on his feet so smooth and fast. The only sad part comes the next day when everyone is off to all parts of the world. Sure, some can say we have had this type of fun at other tournaments, but there is nothing quite like the Hacienda Las Vegas Open. The dates are set for next year-November 9-13, 1986. If you are a sour grapes player, don't plan on taking the time off work to go to Vegas. But if you want fun and extravaganza plan now to attend. I am.
