President's Message

he first quarter of this year has been an extremely busy one for your NHPA President and Secretary-Treasurer. We have both been bombarded with press, radio and TV inquiries, interviews, calls from sporting goods companies, promoters, magazines, potential sponsors and the general public, all of whom have questions about horseshoe pitching, due in part to President Bush's interest in the game.

In addition, there have been visits to horseshoe manufacturers, the NHPA cruise, a trip to Las Vegas to discuss possible new arrangements for the big annual tournament there, a stop in Mesa for the dedication of the new courts at the "Valley of the Sun" and of course, the normal day to day activities of running the NHPA and getting this magazine up and running.

Last Fall, I wrote letters to some 35-40 large corporations for the sole purpose of introducing the NHPA, the organized area of competitive horseshoe pitching and to see if any interest existed in some sort of sponsorship or promotional activity. I realize that this had been done before by previous NHPA administrations and frankly, my efforts met with the same apparent reply...no thanks; horseshoe pitching does not evoke sufficient interest to invest any promotional dollars. But what was true six months ago may be changing now. At least one of the companies I wrote to is now studying a possible horseshoe related promotion that, if instituted, could assist in bringing National awareness to our sport and the NHPA.

I'm sure most of you realize by now that President Bush has had official horseshoe courts, complete with synthetic clay, installed at the White House and Camp David. In mid-March, I received a personal phone call from President Bush inviting me, Donnie Roberts and a few others to Washington, D.C. The purpose of the proposed April 1st visit is to attend an informal White House party and dedication of the President's new horseshoe court. Naturally, we will be attending and shall report the event in a later issue of *Newsline*.

Also, you might want to stay up late or set your VCR to the evening Pat Sajak Show on April 12th. I have been asked to make a guest appearance to talk about our sport and maybe even pitch a few shoes. If I ever needed to throw a ringer!!!!

Dave's Court Report

by Dave Loucks

n an average year, we are hard pressed to find even one candidate to run for an NHPA office. Maybe it's because people don't want to run against an incumbent, but for whatever reason, this year is going to be different. We are going to have a good old fashioned election, at least for two of the offices. Three candidates are running for the 3rd VP spot and another three for the 5th position. While no one other than the incumbents have yet announced interest in the 1st VP or President offices, there is still time, until the publication of the May issue of *Newsline*, to do so.

It has been reported to us that the White House mail is being overwhelmed with requests from horseshoe pitchers for the President to attend a special local tournament, sign pictures or otherwise assist in some local promotion. I must ask the entire NHPA membership to show some restraint and respect for the office. Just because President Bush enjoys our sport, is not reason to think that he has the time for every little horseshoe whim. Please back off and let the President's schedule dictate what boost he might give our sport.

Tournament Directors have the option of submitting their results direct to *Newsline* or through their Regional Director. Avoid delays as they must be received within 30 days of the event to be published. Provide the tournament date, name, location and sanction number. List the class, participants, W-L and percentage ONLY. All submissions are to be typed with double space and NOT

INCLUDE any additional information. If you think your tournament is worthy of some special text mention, send this to Bob Champion for possible insertion in his "Charter Chatter" column. Any deviation from this format will result in the non-publication of your results.

Don't miss a single issue of *Newsline*. Check the expiration date on your mailing label and renew your subscription direct with the NHPA at least 45 days early. If you delay or fail to notify us of any change in address, and miss a copy or two, it will cost you an additional \$2.00 for each back copy.

"KIDS" ARE PEOPLE TOO

by Donnie Roberts

rior to my trip to the 1988 Las Vegas Horseshoe Tournament, I received copies of material describing a television series on ESPN. An initial call was made to the executive producer of that series and after my return from Las Vegas, another call was made to the producer of the actual programs. The reason I had called these people is that the ESPN series appeared to be using young people from all types of sports and horseshoe, to me, certainly fit the concept of the show.

Sunkist Growers embarked upon its first solo sponsorship of a television program, with *The SUNKIST K.I.D.S.*, a new series which premiered Saturday, November 5 at 10:30 a.m. (ET) on ESPN.

The half-hour series was intended as counterprogramming to the networks' traditional Saturday morning cartoon lineup. The 26 episodes feature a large number of the nation's hottest young athletes, demonstrating their skills in a wide range of sports — from archery to wrestling. In addition to the young sports stars taking part in the series, there is at least one adult expert on each show.

The SUNKIST K.I.D.S. is hosted by Michael Young, a veteran of many television series, notably "Kids Are People, Too." Ron Miziker is the

executive producer.

When I called Ken Marengell, the producer, and told him about my feeling that our young horseshoe pitchers would fit in on the program, he wholeheartedly agreed. The only problem was that time was running out and he already had more young people than he could use. Fortunately, Ken liked the idea and decided promptly that horseshoe would be included on the program. He told me that we had to have someone available in Southern California within a week. I telephone Mary Van Sant who put me on to Kevin Kescskes, the 1988 California State Boys' Champion. With this news, ESPN made contact with Kevin and planned the taping of the program at the Fontana, California courts December 10, 1988. The taping was done and as a result Kevin will appear on ESPN on Saturday, April 15 at 10:30 a.m. Eastern time. Others will have to check local listings for times in your area. There is just one pitfall to watch for and that is that occasionally shows are preempted by significant events. Should this happen it would back up Kevin's appearance by a week. So, watch carefully in case that should happen.

SPEARFISH UPDATE

Spearfish's Place In History

by Glen Portt

t is extremely doubtful if even one member of the NHPA would think of thanking Napoleon Bonaparte for the World Horseshoe Tournament being held in Spearfish, South Dakota...but, looking back at our history, we can say, "Thanks, Napoleon!"

In early 1803, Thomas Jefferson urged Congress to purchase the territory at the mouth of the Mississippi from France in order that the Mississippi River might be the boundary between the two nations...the United States being everything east of the river. France, owning the vast Louisiana Territory (comprising an area which now constitutes 13 states) would be everything west of the river. When the United States emissary made the proposal to Napoleon, he was greeted with a flat no. As the crestfallen representative turned away, Napoleon said, "You'll have to take all or none!" So, for a cost of \$27.5 million, the United States acquired

1.172 million square miles for 3.6¢ per acre...considered by many, at that time, to be an outrageous price. The purchase included the Dakota Territory, named after the Dakota Indian tribe. This portion was later divided into North and South Dakota...with the latter being nine times the size of Massachusetts.

South Dakota can almost be looked upon as two different halves...with the Missouri River making the division. The part "East of the River" is rich prairie land...a land of prosperous farms...the wheat belt of America. The land "West of the River" is a portion of the Great Plains...an area of great ranches and the Black Hills country...which, hopefully, 2000 NHPA members will explore...all, of course, by the courtesy of Napoleon...for without his decision to sell the Louisiana Territory, this area would be French.

Spearfish, South Dakota! Gold! Gunfighters! Deadwood Dick! Wild Bill Hickok!...and the Bad Lands! You'll learn all about them...because its part of the history of this region. Gold was first discovered at French Creek...then later at Lead...made famous by the great Homestake Mine. Wild Bill met his demise with a bullet in his back...while playing poker in a Deadwood saloon...holding aces and eights...now referred to throughout the world as a dead man's hand. (This is equivalent to being on the short end of a 0-39 score.)

In July, Spearfish will take its place in history as being the first city in South Dakota to hold a World Horseshoe Tournament. So, if you want to re-live and savor a part of the old west, see beautiful scenery, and be a part of the 1989 W.T. get your entry in early. Horace Greeley once said, "Go west, NHPA'ers, go west! He did say that, didn't he?

COMMITTEE REPORT

RULES

by Barry Chapelle

am pleased to be working with such a dedicated group of people. We have a challenging task to perform and we might well come up with some decisions that won't please everyone, but we will strive to do what is best for both the current and future welfare of the NHPA.

Issues we are now working on include:

1. Section G on page one of the playing rules. It has been brought to our attention that some charters, or clubs within charters, are not in compliance with the existing rule. This rule deals with settling ties.

2. Rule 6 Sec. D which deals with stepping over the foul line. Some pitchers have a delivery which causes their trailing foot to come down to the ground across the foul line. At present this is legal because the shoe has already been released before the trailing foot hits the ground. A proposed change would make it illegal to cross the foul line in any manner until both shoes have landed and come to rest.

3. Rule 4 Sec. E - the new rule about not working on and fixing up the court once the game is started. It's obvious that this rule should not be enforced on sand and dirt courts because the hole around the peg becomes too large as the material is displaced. Some people are questioning the validity of, or reason for, the rule at all.

4. Mixed pitching in sanctioned tournaments, which involves allowing juniors, women and 70+ 30 foot men to pitch (with their established %) in the comparative % class with the 40 foot men when there are not enough of them to form their own classes. At present, some charters advertise in advance which tournaments will be played under this format (this is the presently accepted procedure), some charters already permit it for all tournaments and some charters don't permit it at all. The arguments in favor of mixed pitching are basically concerned with participation for everyone who wants to play, while the arguments against mixed pitching are basically selfish and chauvinistic. This is rather blunt, but true. This will be a tough one to make a decision on, but we will do it.

Those are the major decisions we are working on right now. One other thing must also be mentioned. If we do make decisions that will bring about changes, we will also have to decide when these changes will go into effect. Some could be immediate while others might not go until 1990. We will correspond with charter officers on any immediate changes that are made, and all decisions will be published in the *Newsline*.

We welcome any suggestions or input you might have.

Member Profile

John Yernberg

A lot of talent abounds in the NHPA and in the cartoon and caricature field, John Yernberg may be at the top. Readers of horseshoe books and publications have long enjoyed the work of John who is a retired offset printer. At the age of 75, John carries a 35% ringer average in the summer Duluth, Minnesota Horseshoe Club. During the winter months John enjoys the warm climate of Mesa, Arizona.

Pitching highlights in John's career include a Minnesota State Championship in 1958, induction to the MGSHPA Hall of Fame in 1977 and the St. Paul City League championships in 1960, 61 and 62 while averaging about 65%. Before retirement, John was an active leader in horseshoe pitching, holding numerous league and state offices. John still enjoys the exercise and sociability of our sport but painting and cartooning are now his main recreational interests.

Newsline is very happy to include John's work for our readers with the introduction of "Clay Cort".

ST. PIERRE

A Manufacturer's Profile

by Dave Loucks

he device we use as the instrument of our sport is quite often taken for granted. The good old horseshoe or new as the case may be, is the tool that propels us to the 80% game or the demon that keeps our percentage from improving. Some change horseshoes as frequently as we attend tournaments while others hang on to that "favorite pair" until they are just unable to take another weld. In either case, our relationship with the pitching horseshoe and the growing awareness of our sport spells "good times" for some of the horseshoe manufacturers.

Among the familiar names of horseshoe manufacturers is St. Pierre Manufacturing Corporation of Worcester, MA. St. Pierre has been producing drop-forged, solid steel pitching horseshoes for over 50 years. Today, they are the world's largest manufacturer of pitching horseshoes with the "American" being a top scale NHPA approved model that can be found in use at just about any sanctioned tournament.

St. Pierre Manufacturing Corporation can trace its history back to 1920 when it was founded as the St. Pierre Chain Corp. by Henry St. Pierre. While the company began as a tire chain making facility, it was only a few years later in 1928, when St. Pierre purchased a plant with drop forging capability and pitching horseshoes were added to the pro-

duct line. Its first professional pitching shoe was called the "Octagon" and it was the type that former President Truman used when pitching on the White House lawn. Our current President Bush has been known to break out the St. Pierre "Americans" when guests gather for a serious game of horseshoes.

During the years of World War II, St. Pierre, like many other manufacturing plants, turned their facilities to the war effort and production concentrated on aircraft parts and anchor chains. Once the war was over, St. Pierre returned to full scale production of its previous product line and began to emphasize our favorite product, the pitching horseshoe. Over the years, the product line has broadened to where St. Pierre now manufactures, in addition to horseshoes, fire escape ladders, industrial chain, slings, hoists and tire chains.

Upon the death of their father in 1966, sons Henry and Edward formed St. Pierre Manufacturing Corporation to carry on the family tradition. Another brother, Richard, and their sister Nanette, later joined the business in management capacities. Henry St. Pierre is the company president, Edward is treasurer, Richard is in industrial sales and Nanette is marketing director. They all work together in a close-knit environment that has helped them become the largest producer of pitching horseshoes and overcome unexpected adversity.

Last year, a plant fire caused millions of dollars in damage to the facility and forge. Production was halted for more than a month but the St. Pierre family hardly slowed down. Today they are ready for a move into a new building that will enable them to maintain their leadership in pitching horseshoe production and be ready for the real emergence and recognition of our sport.

Just as we have competition on the courts, St. Pierre has competitors, foreign and domestic in the horseshoe manufacturing business. While some horseshoes are made of hard rubber and some of cast iron, St. Pierre is proud of their drop-forged solid steel product. The pride of product comes from knowing that a modern day smithy puts a red-hot bar of steel into the jaws of an 87,000 pound forge. A huge die comes crashing down with thousands of pounds of pressure, shaping the steel into a rough approximation of a horseshoe which then has to be trimmed, weighed, measured and painted before the finished product emerges.

The next time you pick up your pair of pitching horseshoes, don't take them for granted. Give a little thought to all the work and care that went into their making and be thankful to the manufacturers of quality horseshoes, especially St. Pierre who has become a major sponsor of the 1989 World Tournament and an advertiser in *Newsline*.

Split State Team Wins Team World Title

by Jim Haupt

ue Snyder of Indiana, Dale Henry, also Indiana, plus Ron Powell and Lois Webster, both of Kentucky teamed up to win the Pitchin' Palace Team World Tourney. They are listed in the results as "Indy #3" with a combined percentage of 69.78. It took two matches but they finally pushed Missouri off the top.

This was just little old Sturtevant, Wisconsin. But the middle of February means Team World Tournament time and horseshoe pitching of the highest caliber. Teams from eight surrounding states and two Canadian provinces gathered again to form the largest ever, eighteen team tournament here. Some teams came a full day early to warm up. Some arrived a day and one-half later and had to catch up. Ralph Dykes came with the first and left with the last. A job is not done until the paper work is done.

The twelve courts at the Pitchin' Palace were filled and refilled as the teams marched through fifty-one preliminary games. Beginning Friday evening at 5:30 p.m. and concluding 1:30 p.m. Sunday, they pitched for a position on the five team ladder playoff. Forty shoe limit games and a "starter" Len Meistad, kept the affair pretty much on schedule.

Competition from all angles made it impossible for any one person to go unbeaten; although **Charley Webb**, percentage leader, 79.71, came closest winning sixteen for seventeen games.

Teams were expected to drop a few games on their way to the ladder playoff. Of a possible sixty-eight, Illinois, last year's winner managed forty-three wins for an all-important fourth seed tie. Indiana #1 came on strong Sunday to also figure in the tie. The first playoff game between these two teams resulted in another, two-two tie. Officials collected score sheets and made a ringer count. It was Indiana by one ringer. Up the ladder...

Minnesota had five more prelim wins but Indiana #1 moved them into a final fourth spot advancing themselves to the third step with a four and zero performance. Next opponent, Indiana #3.

The Indy #3 team (half Kentucky) ranked second, put an end to Indiana's run by three to one. Up the ladder to meet Missouri in the finals ...evenly matched, these two teams found themselves tied 2 games each with the championship still undecided. Tournament rules called for a replay. The Indy #3 team earned a three to one edge to become the 1989 Team World Champion.

Missouri's only winner in that last match, Alan Francis, pitched the high ringer game of the entire tournament; only two misses in forty shoes gave him the mark of 95%.

When Ron Powell, Kentucky, accepted the first place money from Tom Roanhouse at the Team World finale, it was with some reluctance. Roanhouse stated that Powell thought some of the competition was angry that he, being from Kentucky was allowed to pitch with an Indiana team. Roanhouse told him, "No, you were approved, we knew you were coming." He went on to explain that one pitcher from another state is encouraged in hopes that he will return the next year with a team from his home state." "But we did not know until the team walked in the door that the Kentucky ladies' champ was coming," Roanhouse said, adding that he knew a last minute substitution was necessary, but he (Roanhouse) thought the sub would naturally be from Indiana. At that time the tournament was already in progress. The committee had to live with the situation and hope others would understand. "We do and we learn. It's our creed," Roanhouse stated.

An array of strange license plates in the lot attested to the stature and the allure of the Team World Tournament. Most belonged to the seventytwo tournament pitchers but at least two shoe buffs drove down from Minnesota just to spectate and be part of the big event.

Bev Nathe, Minnesota State Champ, escorted by her husband wintering in Arizona, flew in for the tournament. Eight from Saskatchewan pitched. Hope they were also flying.

Some competitors (not in the money) indicated their dedication to the Team World in their glowing comments..."It's my favorite tournament." or "I like the way everyone stays around to talk it over." and "God willing, you bet we'll be back next year."

Whether it's the team concept or just plain cabin fever that attracts the February crew to return each year in larger numbers is still a question, but come they do. The only question remaining is — how do you put a limit on such avid participation?

HALL OF HAME

he year 1989 will see changes in the NHPA Hall of Fame Committee. First the committee lost two important members by death in January of this year; namely Frank Stinson and Jim Weeks. Secondly, during the Executive Council meeting in Las Vegas, it was decided to make some changes in the NHPA administration of various duties. Barry Chapelle, the Hall of Fame Chairman for the past two years, was appointed to chair the new Rules Committee and I was asked to assume responsibility as the new Hall of Fame Committee chairman.

As my first official duty, I have surveyed the remaining thirteen members of the committee to see if for various reasons they would or would not like to continue serving in

their positions. Two members have asked to be relieved of their responsibilities as soon as replacements can be found.

After consulting with the past chairman of this committee and obtaining favorable responses from several qualified persons, I recommended to NHPA President, Dave Loucks, that four new appointments be made to keep the Hall of Fame Committee at the previous level of fifteen. The newly appointed committee members are as follows: Will Gullickson, Mn.; Gary Kline, Oh.; Marion Lange, Ia., Ottie Reno, Oh. As the new chairman, I look forward to my association with all committee members, both old and new.

You may wonder how to go about nominating someone for the Hall of Fame. There are three categories; player, organizer or promoter and the combination of player-organizer. You must send a resume of your nominees qualifications and achievements to Earl Winston, RR #2, Box 178, LaMonte, Mo. 65337. The resume must be neat and in form ready for photo copying and distribution to committee members. To be considered for voting in 1989, nominations must be received by April 15.

Anyone elected to the Hall of Fame in 1989 will be installed during ceremonies in Spearfish, S.D. at the annual NHPA Awards Banquet. This is one of the highlights of the World Tournament each year and I hope many of you will plan to attend.

Donnie Roberts was once heard to say, "Being addicted to horseshoe is a common malady treatable only by 4 hours of daily practice, 2 league nights a week and a tournament every weekend."

Regional Director's Report

by Mary Van Sant

Bud Schardine, Regional Director for Utah reports that he attended the kickoff dinner for the Utah Summer Games. It will be held in four regions this year to qualify for the championships. None of the towns hosting the Games have pits and two of the areas are without any known sanction pitchers. Bud is working with them to install courts and do what is necessary to make the games a success. The hosting of the Games for Logan and Richfield, Utah will expose this area to organized horseshoe pitching for the first time. There is a winter league in Price and the Onion Days league in Payson, Utah that Bud is involved in. He is also installing two pits at Kellys Grove as part of his involvement as project chairman of the

Springville Kiwanis.

John Wilson, Regional Director for Louisiana states, they have held a very successful tournament for "Jerry's Kids", raising \$1,425.00 this year bringing their total for four years to \$5,700.00. Many problems were experienced while trying to hold the 1988 Louisiana State Championships. They had to be postponed for five hours because of rain. This, of course, put them behind and some games had to be held in Jack's Back Yard, and some on into the night. Thanks to everyone, they managed to crown their state champion, Don Holland for the second time. His record was 8-1 with 52.9% for the day. Their ladies champion is Debbie Bott, 5-0, 40.2%, their Junior boys champion is Yogi Fromenthal, 6-0, 43.9% and their Junior girls champion is Grace Parks, 2-0, 20%. The most exciting news that John reports is that the Mississippi charter is very actively seeking city financing and support from Biloxi to bid for the 1991 World Tournament to be held in the Gulf South Auditorium. This would be a major coup for the Gulf South and a chance for every

LSHPA member to attend a World Tournament. Louisiana will be hosting more sanctioned tournaments this year so pitchers can get their three sanctioned tournaments in to qualify for the World Tourna-

ment in Spearfish.

Len Lipovsky, Minnesota Regional Director, had the pleasure of pitching in the Team World event at the Pitchin' Palace near Milwaukee. Their team did well, I'm sure the results will appear from some other source. Len would like to comment on a young team from Saskatchewan, all teenagers, one fellow was 15 and pitched 30 ft. They were all very good pitchers and, very important, good sportsmen on

and off the courts. We wished them well and hopefully will see them in Spearfish at the World Tournament.

Now that there is so much good publicity with our newly elected President George Bush pitching horseshoes, it would be a good time for many of us Horseshoe Pitchers to write to the Postal Dept. for a commemorative Postage Stamp honoring our sport. Len has written several times-if there is enough interest he's sure they will comply. Here's the address -

MISSOURI

Like many State Tournaments, Missouri will hold theirs over the Labor Day Weekend in Independence Missouri, home of Harry Truman...a democrat. However, Missouri has invited Horseshoe pitcher President George Bush to throw out the first shoe. By the way...Truman was also a horseshoe pitcher. He used to sneak out and relax at the courts. The State will be held on 17 courts blessed with the famous blue clay.

Eleven sanctioned tournaments have been scheduled for the state starting May 6-7 and ending September 24. Earl and Vicki Winston begin to work on a Hall of Fame Album containing information and photos of inductees up to the present time.

NEW ENGLAND

A scoresheet sent to me by Publicity Committee member Richard "Bones" Hasting of Orange, Massachusetts, reveals that Linda "Pat" Pateneaude and Debby Michaud pitched eleven consecutive four-deads during a New England Tournament at Lewiston, Maine, September 6, 1981. Linda was in front 47-3 at the time the two women began their string. The final was 50-3. Paterneaude closed with a 91.1 percent to Debby's 80 in the 90 shoe contest. This may be a World record. The World Tournament record is the same number of four-deads pitched by Vicki Winston and Fran Carnahan in the World at Lafayette, Indiana.

Perfect games in the Massachusetts Twin County League are as follows: Melvin Merritt, Orange, July 1968, 14 shoes; Paul Drowne, Gardner, July 1978, 12 shoes; Ed Jepson, Shelburne Falls, July 1978, 16 shoes; Richard Howe, Orange, August 1978, 16 shoes.

WASHINGTON

Thirty-seven hardy souls slip-slided their way to the Everett horseshoe courts on January 8 to open the 1989 Winter Winetrout horseshoe extravaganza. Barney Heller spent all night prior to the tournament snow-shoeing back and forth between the courts to keep the trail open for the pitchers.

Forty-four pitchers competed in the Bluebird Spring

Day. "Mr. Horseshoe", Winnie Winetrout was with the group and laboriously calculated everyone's ringer totals, plus age to determine the special money awards in each class.

34 tournaments are scheduled for 1989, only three unsanctioned. The schedule started March 4, ends November 4.

Winners of Winetrout II were Art Sperber in A; Barney Heller, B; Bob Lee, C; John Byfield, D; Mike Miller, E; and Jerry Pederson, F.

Indoor courts in Green Bay will be the winter home of the Green Bay Club. Tim Brunette, the proprietor, is very sports minded handling over 270 volleyball teams in his summer and winter leagues.

It was through the efforts of Wally Srenaski and a few other members who first approached Tim about outdoor courts a year and a half ago, and soon had plans for 5 courts above the bar. Local pitchers are urged to see the set-up to appreciate how nice they are.

Good Pitching To You

Pitching a few 'shoes' is a lot of fun.

Good fellowship, exercise and enjoyin' the sun.

Ring a few, miss a few, a handshake is laid.

A thank you, a good luck wish, a friend is made.

Horseshoe pitching is a link to us all.

It matters not to win or lose...what matters most is "Hi-Y'all"!

For to share a smile and handshake,

the real meaning of horseshoe pitching we should make.

Life is too short for fusses and frowns.

Lift up your head, smile, and enjoy the sounds.

Share a good time and earn a good name.

Make a friend...then you have won the game!

Valley of the Sun

by Bob Champion

regon's reigning State Champion and Northwest Regional Champion Ben Wiedrich successfully met the challenge of defending champion Don Gregson, California, young Nathan Williams from Tucson and Colorado's State Champion Rich Rintor to win the 31st Annual Valley of the Sun tournament February 15-19, 1989 in Mesa, Arizona.

Wiedrich closed with a 12-2 record after going 7-0 the first day in the double round-robin tournament, top ping all percentages with 72.52.

Gregson (11-3) and Pintor (10-4) lost two games on Saturday which put them behind the eightball for the final seven games. Gregson's final percentage was 70.49. Williams (10-4) closed with 68.13, Pintor fell to 66.21.

Canada's Myrna Kissick pitched 72.06 to win the two-person Class A Women's crown, winning 6, losing 1 against Minnesota's Bev Nathe. Ed Aronius, California gained a one game victory over Nebraska's Duane Brechbill to win Class B. His 11-3 record and 67.61 percentage was tops for the class.

Norm Cone of California easily won the Class C title with a 10-2 record, two games in front of Arizona's Jeff Williams. Jeff's 56.14 topped the field.

Other class winners are as follows: D -Rolland Swenson, Minnesota: E -Fred Lavett, California; F - Clayton Gage, Wisconsin; G - Bruce Stuart, California; K - Skip Schileroort, Washington; L - Marvin Karet, Kansas; M -Larry Robbins, Illinois; N - Richard Lee, Arizona; O - Ted Anthony, Arizona; P - Mike Urban, Canada; Q - Eivand Eggen, Canada; R - Dale Higgins, Minnesota; S -Gerald Foss, California; T - Ed Moilan, Arizona; U -Tom Francis, Arizona; 70-Plus Men - Floyd Voyce, Arizona; Women's B (Handicap) -Grace Wenger, Oregon; Women's C -Genevieve Lavett, California.

The tournament was played on the newly constructed 12-court facility in Pioneer Park which was newly reno-

vated after last year's tournament. The project was done by the Mesa Parks and Recreation Department with the aid of the Community Block Development Government grant, projects which fit into low income requirements. It included brick paving, steel lined boxes, concrete pitching platforms, new five-foot fence and lined areas for 30-foot pitchers. The area was completed by the city with the aid of the local club, who furnished specifications for the courts.

All cities have these funds available. Individual clubs could urge their parks and recreation departments to use available funds for court improvement and development. It is estimated that the cost of the project was in the neighborhood of \$200,000. The Arizona Horseshoe Pitchers Association hopes to host an NHPA Regional Tournament in the near future.

The 1989 Valley of the Sun Tournament drew 190 pitchers. The largest turnout was two years ago when they hosted 240. This year's prize fund totalled \$2300.

By now everyone should be getting a good case of spring fever - at least ones like me, that are not fortunate enough to have indoor courts or balmy winters. As it is every spring, I wonder if I can even pitch a shoe, but can hardly wait to try.

The following question was sent in to the editor and on to me although it is covered in the red CL/LG Guide Book, on page 4, Article IV, paragraph C. I will answer it here.

Ouestion: How much will it cost and how does a person change from a CL/LG Only membership to a "full" NHPA membership.

Answer: Any person that has a current CL/LG membership card and later decides they want a "Full" NHPA membership must send their CL/LG card and \$4.00, (difference in the cost of the two cards) plus their state dues to their state/charter secretary. The secretary would then send this person their "Full" NHPA/ State card.

Example: \$3.00 sanction dues + \$2.00 insurance fee =\$5.00 (the cost of an adult CL/LG Only card)

"Full" NHPA: \$7.00 dues + \$2.00 insurance fee = \$9.00 (\$9.00 minus \$5.00 = \$4.00 difference + your state

To aid state secretaries in this transition — the canary copy of the 3-part membership form furnished to all sanctioned clubs by this office, should be sent to your state/charter secretary. This gives them a record of who has paid what and shows that anyone wishing to change cards has paid \$3.00 toward the NHPA dues and the \$2.00 for insurance. No one is to pay the insurance twice in any given year. The state secretary would then report the change on their report to Donnie Roberts, sending only \$4.00 to him, instead of the usual \$9.00.

The above question points out some confusion and is a good opening for a poll that I would like all to respond to. Your opinions are wanted and will be considered in making the final decision.

Having already heard from some that are in favor, a change is being discussed as possible to go into effect for 1990. It would be: to do away with the CL/LG membership card completely and have only one card -which would be a "Full" NHPA card for all sanctioned club members at the normal fees of \$9.00, which would include insurance. It seems that there has always been considerable confusion with the two card system and what the CL/LG card was good for. If approved, this change would do away with all such confusion and every member would be able to participate in any NHPA sanctioned or open event, anywhere, or just continue to pitch in sanctioned club/league events only if they so desired. The sanction program would still be run from this office, but all dues/ins, fees would be paid to and membership cards purchased from your state charter secretary. An annual membership report and all other required forms would still be sent to me and all sanction CL/LG awards still come from here.

I will look forward to receiving comments on this matter. Let me hear from you.

I'll be glad when it's Spring so I can get in the swing of pitching horseshoes once again. Though I'm getting long in the tooth. to tell you the truth, wanting ringers each pitch is no sin. So I hope that next summer will not be a bummer, and I'll make lots of ringersand grin.

INDEPENDENCE H.S. CLUB MISSOURI#83-C-108

We joined the sanctioned club/league program in May of 1983, being the first in Missouri. Starting with a membership of 48, in 1988 we had grown to 94, all of whom were "Full" NHPA members. We hold two leagues per week from May to Sept. playing 50 Shoe Countall. Awards were given to:

League Champs: Bob Johnson, Ken Holmes, David Henderson and Lonnie Massey. Individual Champs: Al Gwinn and Bob Johnson. Sportsmanship: Pam Henderson and Ted Young. Rookie: Ken Holmes and Grant Allen. High over Avg.: Pam Henderson & Marvin Johnson. High Game & High Avg.: Lorie Meier and Ron Frakes. Most Improved: Lonna Louderback and Estell Clevenger.

TRI-COUNTY #82-C-116 WEST VIRGINIA

The YWCA, of Marion County, is co-sponsoring NHPA sanctioned league play, along with the Tri-County Club. In addition to weekly league play, monthly tournaments are scheduled on their indoor courts. Anyone interested in either/or both of these should contact the club director, Charles Bunner at 366-7986, or drop by the multipurpose YWCA building, on Pleasant Valley Road, on Thursday evenings. Spectators are always welcome. Having membership in the NHPA sanctioned club/league program provides an opportunity for each member to compete for NHPA awards and national recognition.

One cannot find a less expensive recreational activity, one that does not require the use of paid umpires or referees and yet a sport for the entire family that encourages playing together and requires mild exercise. Rewritten from an article by Charles Bunner and published in the Times-West Virginia 12/29/88

RAYNHAM HORSESHOE CLUB #85-C-63 MASSACHUSETTS

The Raynham Horseshoe Club is small and only has 4 horseshoe courts but after its fourth year, it is showing more strength and cohesiveness than ever before. Small groups have an advantage in that everyone is visible and more seem to help out. The 1989 season promises to be the most active with new president **Joe Duarte** and new treasurer **Ernie Correia** leading the way.

The 1988 co-champions were Roy Robertson and Ernie Correia who won lined jackets for their winning efforts. They defeated runners-up Jane Dutra and Debby Michaud by one point in the final game of the season to break a tie. Roy also received the High Average award for the league with a 30.1% while Ernie easily earned the Most Improved award. Rookie of the year was a new NHPA member, Bob Ouellette and the Sportsmanship award went to Debby Michaud.

All awards were presented at a banquet held on October 15, 1988.

The Toll of Time

James P. Styles

With deepest sorrow, the members of the Merrimack Horse-shoe Club report the passing of James P. Styles, at the age of 66, on February 17, 1989, following a brief illness due to cancer. Jim was proud to have served as a World War II Marine who fought in the Battle of Okinawa.

In 1980, the NHPA accorded national recognition to Jim when he received the Sanctioned Club Program's Sportsmanship Award. An avid pitcher and supporter of the NHPA, Jim had converted his former auto-body shop into two indoor courts. During the past decade, as frequently as four nights a week and Sunday afternoons, many pitchers from the NH-Mass. area have been fortunate to pitch on a regular basis during the inclement winter months.

Jim served as both President and Treasurer of the NHHPA. For many years the Merrimack, NH and Nashua, NH leagues benefited from Jim's unstinting devotion as treasurer and statistician. He was also their Tournament Director. Jim's

Not bad for a district that is seldom in the news. Oscar Manns leads the group with a 126 point average, high game of 140 pts. and high ringer of 90%. The Wooster Club ended up first after a play-off with the Solon Club. Most improved went to Bill Smith, Stow, High Game over Avg: Charlie Stiles, Newton Falls.

countless craftsmanship contributions to both leagues, including 12 additional Nashua courts will perpetuate his memory.

Jim gave freely of his skill and interest in fostering our sport, and he will be long-remembered and muchmissed by his many friends and associates. To his sons James, Timothy, and Philip, and to his daughter Patricia, the NHPA and the NHHPA extend their sympathy and deepest condolences.

Mabel Nelson

Minnesota Horseshoe Pitchers were saddened to hear of the sudden passing of Mabel Nelson, who passed away January 19, 1989 at the age of 57 years, during an Angiogram test in a hospital. Mabel was one of the earlier Lady Pitchers who pitched both in the Minneapolis and Bloomington leagues. Her 1st World Tourney was in Iowa in 1978 and she pitched in Huntsville, AL twice and was Minnesota Secretary and Treasurer at the World Tournament in Genola in 1981. Also on the Friends of Horseshoes Committee, she pitched in the Minnesota Farmfest in 1976 and had the pleasure of practicing with Ruth Hangen, the Ladies Tournament winner.

The heartfelt sympathy of the NHPA and the MGSHPA is extended to her loving husband, Dwaine, and many bereaved loved ones.

More Hopeful Candidates

Candidates for Fifth Vice President

Gary K. Minnick Sr.

It is with great pleasure that I announce my candidacy for the position of NHPA 5th Vice President.

I have pitched horseshoes for many years and been actively involved with the NHPA and Arizona State horseshoe business for the last ten. In 1981, I was tasked with writing the Constitution and By-Laws for our State Association and in 1983, established the Arizona Horseshoe Pitchers Hall of Fame. I am a past president and current vice president of the Arizona HPA and have been State Champion 7 times. I enjoy the sport and meeting "Horseshoe People" immensely.

Along with the late Bud Fenimore, I organized the Tucson Horseshoe Club, rebuilt their courts and organized a Summer League Program. Two years ago after moving to Flagstaff, I got the county government to install six courts at the Fairgrounds and established a Summer League there as well as some good tournaments. Over the years, I have been involved with the "Valley of the Sun" tournament in Mesa and seen it grow to 200 participants and 6 days of pitching with yet bigger and better things planned for this event in the future.

The NHPA has taken great strides to solidify all Charters into one organization doing things the same way. I feel there is still room for improvement and would like to help with it. With 15 years of administrative and clerical background as a member of the Arizona Army National Guard, I feel my experience in communication, meetings, organizing and problem solving would serve me well if elected.

The 5th Vice President position is a most important task and I pledge to you, my support and efforts to accomplish the goals of the NHPA. I'd appreciate your vote in Spearfish.

Gary K. Minnick, Sr.

Dick Hansen

I wish to announce that I will be a candidate for the office of 5th Vice President of the NHPA.

I am currently the President of the Wisconsin Horseshoe Pitchers Association and have been active in the sport both as a player and promoter for the past 20 years. I have been running 4 or more tournaments a year for the past 5 years and now our Wisconsin State Tournament for the third time.

As 5th Vice President, I believe that I can work well with the Regional Directors and relate back to the NHPA board their needs and ideas. The R.D.'s are the NHPA's best outlet to get information back to all local horseshoe pitchers. I have the desire to be a part in the promotion of our sport. The best way for me to do this is as 5th Vice President and Director of all Regional Directors.

Gene Ficek

At this time I am announcing my candidacy for the 5th Vice President of the NHPA.

I firmly believe that hard work and determination will always create positive results. I also feel qualified for this position and will do my best to constantly improve our sport.

My qualifications include:

- 1989 World Horseshoe Tournament Coordinator and promoter
- Organizer and promoter of the Spearfish sanctioned league and sanctioned tournaments in western S. D.
- Director of the 1983 State Tournament
- Instrumental in many S.D. State constitutional changes
- Previous work experience with regional directors
- · Past officer of local and state associations
- College graduate
- U.S. Navy Seabees and Vietnam Veteran
- Horseshoe pitcher in organized play for the past 15 years.
- Self-employed businessman for the past 17 years

Yvonne and I have been married for 21 years and have 2 daughters, Suzanne and Lisa, who are in college.

I have worked in all aspects relating to the sport of horseshoes including court construction, promotion and mountains of paperwork. I am a strong supporter of NHPA and ask for your vote in Spearfish so I can continue to help NHPA in its constant promotion and progress.

Thank you,

· Ar . " in a f.
