Advanced Design

TOURNAMENT PITCHING HORSESHOES

Both backyard pitchers and pros catch and hold the stake better with DIAMOND's new advanced design "Tournament" Shoe. It features a grip positioner, hardened tips, an increased radius, a dead soft center, and a wider, deeper calk. Same drop-forged solid steel construction as DIAMOND's popular Double Ringer and Super Ringer Regulation Shoes. All American made.

Contact your nearest NHPA club or sporting goods store for DIAMOND pitching horseshoes.

President's Message

World Tournament Items of Interest

by Dave Loucks

By any measure, the 1989 W.T. in Spearfish was a huge success. The initial signup was a record number of 1493 entries but by the time the tournament started, we had some 60 dropouts. While we had a few less people, the problems only increased because the schedule had already been developed on the initial signup and some last minute juggling of classes was necessary to better equalize some sections.

Opening day started with a 2 hour rain delay but we picked up some lost time during play finishing the day only about 1 hour behind schedule. Thereafter, despite some threats, the weather cooperated and the rain held off until the last game of the last day prior to the scheduled TV taping of the Championship Finals. It poured for about 2 hours Saturday afternoon but we did finish play and had to do some special cleanup to prepare for the ESPN television taping that was to start Sunday morning, July 30th.

Sunday dawned a beautiful day and the TV and Video taping went well with the top 3 Women and the top four Men involved in 40 shoe games shortened from the normal 40 points to accommodate TV who requested approximate 20 minute segments for each game. As most of you know by now, Phyllis Negaard won the Women's title for the 5th time while young Alan Francis, only 2 years out of the junior ranks, won the Men's title for the first time.

The NHPA Awards Banquet at the Holiday Inn was attended by a record number of over 400 people. It was a very nice affair with Marion Lange and Phyllis Negaard being inducted into the Hall of Fame while Walter Ray Williams Jr., received the coveted Stokes Award. Gene and Yvonne Ficek of South Dakota and Phil Zozzaro of New Jersey won Achievement Awards while Winnie Winetrou of Washington won the Special Presidential Award.

No firm date has yet been given us for the one hour ESPN showing of the World Tournament. While we have asked for advance notice, it is likely that any notice will not be sufficient to advise everybody through *Newsline*. Sometime in September is expected though it could be October. I suggest you monitor your TV guides closely to pick up the actual date and time of showing. If you miss the first show, we have been told that it will probably be aired at other times. A lot, including TV coverage for next year, could depend upon viewing ratings this year.

In addition to ESPN, we also had a professional video made by Video Chronicles of Brooklyn Park, MN. Terry and Mickey Lovaas were on site for the entire World event filming all sorts of highlights and tournament play. You can order this video for a special price of \$22.95. An order blank can be found elsewhere in this issue.

Perhaps the most important and exciting move for the NHPA was the naming of "Creative Alternatives in Marketing" as the exclusive Sales Marketing and Licensing Agents for our National Association. Located in Minneapolis, MN. Jack and Patti Hagans will be handling all media coordination and national sponsorships, plus the licensing of the official logo and products of the NHPA. Those attending the W.T. got a glimpse of what Creative Alternatives in Marketing was able to do for us on short notice. We had ESPN with Bud Sports paying the production cost, a large electronic reader board from Daktronics with financial support for the board from R.J. Reynolds/Nabisco, a special film and video support program from Kodak and of course, the great support and sponsorship of St. Pierre Manufacturing Corp. A special thanks to Ed and Nanette St. Pierre, who between them, spent the entire two weeks on site assisting us and giving away many, many sets of their "American" horseshoes and hundreds of their T-shirts.

CONVENTION HIGHLIGHTS

Called to order at 8:16 a.m. on 7/24/89 at the Holiday Inn.

GUEST SPEAKER, Lisa Modrick of the Spearfish Chamber of Commerce.

GEORGIA W.T. committee gave slide presentation of Stone Mountain Facilities with question and answer time for 1989 World Tournament.

1988 CONVENTION MINUTES were approved as was the year end NHPA Financial Report.

COMMITTEE REPORTS included: Earl Winston on the Hall of Fame; Barry Chapelle on Rules; Bonnie Seibold on Constitution and By-Laws; Mary Van Sant on RD meeting & activities; Bob Champion on Publicity; Ed Domey on Game Related Items Sales Program; Bev Born on Sanctioned Club/League Program; Walter Ray Williams on 4 perfect game awards.

SPECIAL REPORTS from **JUNIOR GIRLS** Rep. Jenny Walters who would like to see Trust Awards given to 3rd or 4th place finishers. No report from **JUNIOR BOYS** Rep. **WOMEN'S** Rep Billie Sue Pennington said Reps should be appointed in advance of W.T.; new court construction should include input from 30 foot pitchers; future facilities should be covered; change name of women "Elders" to "Seniors"; play all women prelim rounds under same time and conditions; consider increasing championship women class to 24 and give women equal ESPN and ladder provisions as the men. **MEN'S** Rep Eldon Sarbaugh talked about the many positives and good things of running a

large W.T. and suggested improvements in only the clay, bleachers, parking and having a play-off game for 1st position in section play.

1991 WORLD TOURNAMENT voting was 182.5 for Mississippi and 134.5 for Wyoming.

NEW BUSINESS...NHPA should more closely monitor new manufactured horseshoes. Art Moran stated that he felt W.T. judges should be paid by the game, not the shift (this was done this year). Walter Ray Williams Jr. wants the computer room people paid more than \$6.00 per shift and feels the pitching schedule should be adjusted so the Championship Men don't always pitch so late at night. Ralph Dykes feels the lower class pitchers should be paid more prize money. Ed Domey said that certain NHPA people should be paid annual salaries as the membership expects too much of people who now are basically volunteers. Wally Shipley said that he felt NHPA officers should not work at a World Tournament but make themselves more available to the complaints and comments of members. Debbie Pickering said the NHPA does a poor job of communicating with the members.

Former NHPA President Glen Portt gave an approximate 15 minute criticism of the Rules Committee format and the current NHPA President who with delegate vote in 1988 had the rules removed from the Constitution and By-Laws. Even though the Rules Committee has been operational only 7 months with no problems or complaints from others, Mr. Portt was worried that a committee of our peers was not qualified to set or amend rules and that legislative power had been taken from the delegates. As such, he presented the following Resolution to the assembly of delegates.

"1. That the 1989 delegates, assembled in convention, do hereby reaffirm Article II, section 1 of the NHPA Constitution which states that all Legislative power herein granted shall be vested in an assembly of delegates.

2. That the so called "laws" made by the playing Rules Committee are hereby declared null and void until submitted to the delegates for lawful action."

This resolution was carried by a voice vote at which time Mr. Portt left the meeting with a lot of unanswered questions that came from the floor and the Rules Committee. Outside of realizing that the vote had just been supportive of going back to day long conventions and a lot of the related problems that plagued Mr. Portt when he was in office, no one seemed to know just how or if the Rules Committee should continue to function. Several expressed displeasure with the new resolution and some Rules Committee members stated that they may now want to be replaced. Chairman Chapelle three times asked the delegates how and when they expected the Rules Committee to act. For the most part there was silence as no one knew what action the proposer of the resolution had envisioned the committee might take. Genevieve Lavett then made a motion that the committee continue to operate and present recommended rule changes, additions or deletions on a yearly basis to the

delegates for vote. After discussion which pointed out that this negated the prime purpose of getting timely updates and changes to the rules, the motion was seconded and carried by a voice vote.

ELECTION OF OFFICERS (total count varies due to some delegates leaving the meeting)

5th Vice President: Gene Ficek 85

Regional Director's Report

1989 World Tournament Regional Directors Meeting

by Mary Van Sant

The meeting was opened at the Holiday Inn on July 20, 1989 at 3:00p.m. There were 39 Regional Directors, Assistant Regional Directors and Representatives in attendance. I thanked all for their support in working with Gene and myself for the past four years. The Regional Directors program has been in effect for over ten years. It started with a few RD's and later the ARD's were added. In 1985, when Gene was elected as 5th VP, the position changed from Regional Director Chairman to the 5th VP in charge of the Regional Directors program. New duties have been assigned such as sanctioning courts, issuing the sanction certificates and numbers, ordering the patches on which the year has been removed from all but the state and the World Tournament patches. We send out with the patch order a description of how the patches are to be used, and in 1989 I reassigned the region numbers, appointed new RD's for the new regions and they appointed new ARD's. We now have 53 regions, 37 RD's, 78 ARD's, better communication and a well established RD program to promote the NHPA. The RD's are the backbone of the NHPA and without you doing your job, we cannot grow.

The candidates for the office of 5th VP were introduced. Unfortunately, Gene Ficek of South Dakota was unable to attend. He was scheduled to pitch at the time. I read a statement which he had given me. Dick Hansen of Wisconsin said a few words, followed by Gary Minnick, Sr. of Arizona. We have three very well qualified people as candidates for the office of 5th VP. Both Gary and Dick were invited to stay for the rest of the meeting.

We discussed a request to put the class letters on the class patch. For instance, Class B, Class C, etc. This would mean that when you order patches you will have to order X # of Class B, X # of Class C, etc. After much discussion, it was voted to

leave the class letter off and leave the patches the way they are now.

I asked "How do you like the new *Newsline*?" All of the comments were in favor and many RD's and ARD's take their copies of *Newsline* to the tournaments they attend and show them to the pitchers. Many who see the magazine take out a subscription. They are proud of the new magazine. We talked about a special issue containing just tournament results to be published in October or November. This is necessary in order to catch up on all of the tournament results that will accumulate as the next issue will be a World Tournament issue containing only World Tournament results and minutes of the various meetings held during the World Tournament. After discussion, it was decided that we recommend a special issue of the tournament results to catch up. The special offer of the NHPA *Newsline* magazines that was contained in the World Tournament schedule was brought to the attention of all attending this meeting. There was discussion on trying to get the *Newsline* to the subscribers sooner. Some recommended that we charge more and send the magazine first class. Also it was suggested that the NHPA dues be raised to include a subscription to *Newsline* so all members receive the NHPA magazine.

It is the recommendation of this body that the delegate packets be mailed to the state secretary by June 1st of each year so the delegates receive them in time to discuss the proposals or election of officers with their membership. As it stands now, many of the delegates do not receive their packets before they leave for the World Tournament, therefore there is not time to have a membership meeting and discuss the way they would like their delegate to vote. This is especially true for the Constitution and By-Law changes.

At last year's meeting, Don Koso requested some of my prior year patches and June Koso made 1989

patches out of 1983 patches. Don brought those patches with him and told any of the RD's and ARD's who would like to use some of them they could get them from him. I recommended that if they used them, just order short on their 1990 patch order. I also asked the RD's not to return patches with no year. Some of the tournament directors and secretaries are returning to Donnie Roberts or myself tournament patches and class patches with no year when they could just keep them for next year. My plan at this time is to have you order your 1990 patches from whoever takes my place. I will get together with my replacement and see how they want to handle this. When you receive your patch order request, please be sure to see where to return the order form.

Some of the Regional Directors had not sent the tournament schedule with the sanction numbers and also some had not sent in Regional Director reports. In order for me to do a Regional Directors Report for *Newsline*, there must be input from the Regional Directors.

Al Sandham told of the progress for the 1990 World Tournament to be held in Georgia. Al recommended anyone wishing campsight reservations to get them early, there are lots of motels available. Anyone wishing to contribute to "Friends of Horseshoes," they would appreciate your contribution early so they can get started on the things that must be purchased.

Game related items were discussed, and it was brought out that there is a difference in prices of items between distributors. This difference seems like it is more than just freight. It was brought out that there is nothing in the rule book that tells you how to run a sanction tournament other than a World Tournament. It was felt that there should be something in the Blue Book to tell you how to run a sanction tournament.

One of the Regional Directors

stated he had sent a letter to the officers recommending that the Secretaries have computers so when you come to a World Tournament your average is already on the computer to be used in the World Tournament.

Tournament results for *Newsline*, as long as they are in the correct format do not have to go through the Regional Director, but can be sent direct to the editor for publication.

There is a problem with players that are 10 or 12 years of age in that they cannot throw 30'. It is felt that there should be a special card to let pitchers below 12 years old pitch from a distance of less than 30'. When they reach 12 years old they seem to be strong enough so they fit our guidelines. This is not recommended for a World Tournament, but according to our Constitution and By-Laws if you can't pitch 30', you can't pitch in a sanction tournament. It was brought up that this was also discussed at the state officers meeting.

A suggestion was made that the women's bracket at the World Tournament be changed from 16 pitchers to a higher number. There are about 18 to 20 women that are capable of pitching 70% this year and if the bracket was changed more women could be involved in the championship round. It was also recommended that the elder women's class name be changed to senior women.

There was a complaint that one of the clubs ordered a master summary sheet from a game related items salesman and paid 10¢ per summary sheet and when it arrived, it was hand typed, partly done on computer and not very professional looking. I brought out the fact that this was not what I had seen purchased from Ed Domey and our game related items salesman. He stated this was not purchased from a western area salesman.

To close the meeting, I thanked them all for coming and for the support for the past two years. I have enjoyed working with all of you and will see you at future tournaments. The Regional Directors and Assistant Regional Directors thanked me for taking over for Gene and for the job I have done.

The meeting was adjourned.

***AGENTS WANTED**

Minutes of 1989 State Officers Meeting

Spearfish, South Dakota

The meeting was called to order on Thursday, July 20, 1989 at 10:30 a.m. by the chairperson, Vicki Winston, in the Gold Rush Room of the Spearfish Holiday Inn. Approximately 50 persons were present, representing at least 23 different NHPA Charters. Those in attendance were advised by the chairman that our meetings do accomplish some goals. As a result of our discussion in 1988, the Executive Council of the NHPA took courage from our remarks, and those of the other groups within our organization, and faced the difficult task of replacing the old magazine with one of a different type and format. All agree that the *Newsline* is an excellent publication. A suggestion was made that at some time the *Newsline* be made available on newstands.

There was much discussion concerning the topic of youngsters who would like to pitch horseshoes, but can't yet reach the 30 foot distance. Most agreed that this should be started on a local level, but they wanted some type of sanctioning from the NHPA for insurance purposes. Perhaps another type of junior card for shorter distance pitchers. There were some persons in attendance who were not in favor of encouraging participation by youngsters of this age, but the majority seemed to feel that we must begin attracting the youth to our sport at a very early age, similar to what some other sports do in the way of changing the game to accommodate the very young.

Mixed pitching was mentioned briefly. There seems to be only two NHPA Charters who do not allow any type of mixed distance pitching. The feeling is great for the pitchers who drive many miles to a tournament to find that there are only four in a class because the director will not mix 30 foot pitchers with 40 foot pitchers. Sometimes there may be only a class of two. Some states mix

women and juniors. Others have juniors pitch with the men. There seems to be greater acceptance each year of the idea that pitchers of equal ability may pitch together when circumstances dictate, regardless of the distance they pitch.

The subject of juniors receiving prize money in tournaments was brought up. Most seem to think it is not the thing to do, but it was suggested that each state look into the rules concerning amateurs within their own state. There was some feeling that a little prize money would not damage any youngsters' amateur standing.

The suggestion was made that when a league or club is constructing new courts in a city park, they consider the beginners or picnic pitchers who might come by and want to pitch a few shoes. It seems that all of the concrete that surrounds a good facility sometimes scares off a newcomer. They do not want anyone to hear or see their shoes when they don't hit the clay area. The suggestion was to have a few dirt or sand courts located nearby, which would be available to beginners, as well as people who happen to want to pitch a few shoes in the park when there is a tournament going on and all of the good courts are being used.

Standardizing how each state figures ringer averages was discussed. Bev Born mentioned that her husband, Floyd, was now in the process of beginning a computer system for storing averages of every pitcher that takes part in an NHPA sanctioned tournament. It will store the three highest averages over a set period of time. Some asked why the highest three averages and it was explained that most pitchers send in the three highest, even if the tournament blank says last three. It was discovered that some don't even read the entry blanks. Other systems of arriving at averages were men-

tioned and there are various ones in use throughout the country. One person suggested that the NHPA should set the standard and mandate that all averages of pitchers in every charter be figured on the same basis.

One person asked how to become a non-profit organization. He was told that each club or charter has to seek that information through their own state government.

A gentleman from California shared that his club had attracted new members with their first annual "Pitch 'N Bowl". They all played a few games of horseshoes and then went to the bowling lanes and bowled three games. All participants had a lot of fun.

The President of the Missouri Charter and the Independence Club reported that his club was participating in Missouri's new "Adopt A Highway" program. The state puts up a large sign at each end of the strip of highway your organization wishes to adopt. Your organization then periodically patrols that stretch of highway picking up trash and bagging it for pickup by state highway trucks. You get free advertising and perform a service for your community at the same time.

There were some suggestions that one person made which would better our sport and benefit spectators greatly. We should always have scoring devices easily readable by the spectators. This has been lacking at several World Tournaments and has been a problem at the 1989 World Tournament. We should also have see-through backboards. He explained the type of expanded metal backstops that they use in his area of Montana. They are strong enough to stop the shoes and the spectators can see through them.

There was great feeling expressed by those present that scores should be marked on the paper first and then put up on the scoreboard. It

was felt by those present that this would reduce the errors on the scoresheets. One person felt that to mark the score on the machine first was a violation of NHPA rules. The chair has researched the latest NHPA rules pamphlet and can't find such a rule, but the body of state officers present is strongly urging the NHPA Executive Council and World Tournament Committee to refrain from issuing such instructions to scorekeepers at World Tournaments in the future. We think a shift served in the computer room checking scoresheets would serve to support our theory.

Many complaints were voiced about the judging at the World Tournaments. When the chair asked for a show of hands of those who had volunteered to help with judging, there were none. Only four hands went up when asked how many had volunteered to help with office work, computers or checking scoresheets. We are the backbone of the NHPA. If we see problems at the World Tournaments, perhaps we should help fix them.

Pitchers are being asked to please help scorekeepers by using the standardized score calls as printed in the rules and on scoresheets. Our state officers can help by seeing that this is started at home. There are reports of scorekeepers reading newspapers during games at the World Tournament. People were advised to report scorekeeping infractions to the judges.

Desire was expressed for the NHPA to find a way for persons not attending the World Tournament, or those having to leave early, to be advised of who won. The *Newsline* was mentioned, but some felt it would not arrive until long after the event. There are those who want to know right now. We have no solution, but offer the idea for thought.

With discussion seemingly at an end, the meeting adjourned at approximately 11:40 a.m.

Sanctioned Club/League News

The World Tournament was filled with many reunions, the making of new ones to look forward to in future years and also a few very tense, upsetting moments which, I am so happy to say, "all turned out well," for the time being anyway. One so well, that it was truly like being "born again."

I want to tell everyone that attended my meeting, thank you for being there. 38 people from 18 states, including the President of our NHPA. Thank you, Dave, for taking time from your busy schedule to sit in. I'm sure that your input on subjects discussed were important and informative to us all.

I do wish that there had been time for more topics to have been covered and apologize for allowing the lingering on a couple of the subjects—insurance and the one-card proposal. Still it should have cleared up some questions about the insurance and it was good to hear the opinions—pro and con—for doing

away with the CL/LG card. From this and from taking a very unofficial poll/vote, it would seem that installing the "full NHPA membership requirement" would and/or could be accepted sometime in the future. The vote was 27 for and 5 against. I do want to stress that no decision has been made to change and, if or when it is, you will all have ample time to discuss this among your own local clubs and decide if they want to stay in the program or withdraw. I would like to suggest that you do at least begin to talk to your members about this, giving them time to consider their true feelings and to look at all sides of it. Do hope that everyone will keep an open mind.

At the time of my leaving for the W.T. there were 1986 NHPA and 2053 CL/LG card holders that had been reported for 1989, with reports from 111 of the 165 sanctioned clubs. 36 of these clubs are new for this year, 9 being from states that have never had a sanctioned club or that

had dropped out and have now returned. I extend a big welcome to them. There are now 40 states represented, up from 35 last year. All of you that are working so hard for the growth of this program and our sport as a whole, are greatly appreciated and I do hope that none of you will hesitate to call on me if I can be of help in any way.

Your Friend for Horseshoes!
Bev Born

1989 World Tournament

By Bob Champion

Nineteen-year-old Alan Francis from Blytheville, Missouri and four-time Junior World's Champion, won the 1989 Men's World's Championship at Spearfish, South Dakota July 17 through 30 in the 71st Annual Championships. The winner's share was \$3400 of the record \$73,450 prize fund.

Francis went 27-4 to capture the top position in the ladder-type 40-shoe cancellation playoff in Sunday morning ESPN TV taped finals. He qualified for the Number One position following the regular 32-man round robin in the Championship Class. Challenging Francis in the Sunday playoff were defending Champion Jim Knisley from Bremen, Ohio, who finished second on Saturday with a 25-6 record, and Walter Ray and Nathan Williams, both closing with 23-8 marks.

Four-time World Champion Phyllis Negaard from St. Joseph, Minnesota made it five as she survived a four person ladder-type playoff. After Kentucky's Lois Webster had eliminated defending Champion Diane Lopez of Lompoc, California, Negaard nailed 82.5% to defeat Webster, 24-18 off camera just prior to the final contest. She then equaled her previous percentage to defeat Canada's Sandy McLachlin, the 1987 Champion and runner-up last year, 25-15 for the title. Negaard's first place prize money was \$2600. There were 16 finalists in the women's division with McLachlin having a 13-2 mark for top billing.

The Williams brothers battled in the first of three TV games with the veteran Walter Ray an easy winner over Nathan, 31-12. Knisley then eliminated Williams, 15-10, in a battle of four-deads, before the two-time World Champion succumbed to Francis in the final contest, 18-16.

Others in the top ten, who did not qualify for the ESPN finals, were Art Tyson, New York and three-time Champion Dale Lipovsky, Minnesota finishing 5th and 6th with 22-9 records; Ron Powell, Kentucky (21-10) was 7th, followed by Peter Clark, Washington, two-time World Champion Mark Seibold, Indiana,

and Steve Kuchinski, Pennsylvania, all with 20-11 records.

CANTIN FALTERS IN STRETCH

In the Women's Championship, Canada's Diane Cantin, a premier contender the last four years, who was tied for first with a 5-0 record after the first day of competition, faltered in the final going to close at 10-5. Lopez had a 12-4 mark and Beverly Nathe, Negaard's sister, from St. Stephen, Minnesota ended play with 10-5. Closing out the top ten in order were ten-time World Champion Vicki Winston (9-6), Lamonte, Missouri; former Champion Debby Michaud, Raynham, Massachusetts; Margaret Johns (7-8), Canada; and former World Champion Tari Powell, Rankin, Illinois.

WALTERS WINS JUNIOR TITLE

Jim Walters (74.3) and brother John from Troy, Ohio battled to the finish with Jim closing undefeated to capture the Boys' Junior Championship by one game. Little Vance Harren from Minnesota, who captured the hearts of the crowd, was third. Defending Edward Neeb from Canada finished fourth (65.4) 6-5 record after finishing first last year undefeated with an 80-plus percentage.

The Walters family won another first place trophy and World Championship when Jenny also went undefeated (7-0, 49.7) to win the Junior Girls title, two games in front of second place Renee Sternberg from Wisconsin. Julie Walters finished fourth.

HILL TOPS SENIORS

Raymond Hill from Wakefield, Michigan bested Iowa's Red Henton in a Seniors division playoff to regain the title he lost to New York's Carl Steinfeldt last year. The former World Champion did not compete in this year's tournament, Hill's final percentage was 67.5.

WEIDRICH

INTERMEDIATE WINNER

Ben Weidrich of Oregon City, Oregon survived a three-man playoff to win the Intermediate Men's crown, vacated by last year's

winner, Don Titcomb, who competed in the top men's class this year. Ben's overall finals percentage was 70.5.

JEFF WILLIAMS REPEATS

Jeff Williams, San Jose, California successfully defending his Class A title, closing only one-half game in front of Minnesota's Nick Audette and Wisconsin's Mark Stephens. Other winners in some of the major championships were Willard Napier, Seal Beach, California in 70-Plus Elders (40-feet); Roland Stobaugh, Rantoul, Illinois, 70-Plus Elders (30-feet); Cyrena Srenaski, Green Bay, Wisconsin in Elder Womens; Curly Seibold, Huntington, Indiana, Intermediates Class A; Alden Allbaugh, Newton, Kansas, Seniors Class A; Wade Erickson, Mayville, North Dakota, Boys Class A; and Tiffany Gage, St. Paul, Minnesota, Girls Class A. The American **TOURNAMENT SHOE**

LOCKS IN RINGERS!

- Scientifically designed ringer breaker helps rotate shoe to lock in ringers.
- Finger positioner for throwing comfort.
- Heel caulks with more forged steel for better balance.
- Longer hooks to grab the stake better.
- EXCLUSIVE new high-tech powder coat finish for better resistance to chipping, abrasion, corrosion and weathering.
- Classic gold and silver in full outfits (four shoes and two solid-steel stakes) or four shoes only.
- Call or write today! (508) 853-8010
