ON OUR COVER

NHPA distributors, Dave and Pat Senger of Minnesota do their part for product sales. See profile on page 19.

President's Message

s we start the decade of the nineties, the future for our sport and association looks bright, perhaps brighter than at any other time in recent memory. Several things transpired in the eighties that gave the NHPA a series of gains upon which we have continued to grow and improve.

World Tournament cash and trophy awards increased by over 400% reaching an all time high of over \$80,000 in 1989. This figure is expected to exceed \$100,000 in 1990. Participation in World Tournament play also increased dramatically from an average of around 600 in the early eighties to an average exceeding 1200 for the last 3 years. In fact, two of the last three years now rank as one and

two in entry records.

The NHPA formed an organized Game Related Product Sales group. This sales network of distributors under the direction of Ed Domey, who is National Buyer and provides a warehouse facility, has grown into a mini business with annual sales soon to reach \$200,000. The profit from these sales is all NHPA money and in 1988, a portion was used to purchase four computer systems which are now in use by key NHPA personnel.

Our computers have allowed us to improve the handling of data, from membership and Newsline subscriber lists, all the way to world tournament record keeping. We have a study underway that one day may bring us the development and process of maintaining all NHPA member averages in one central computer system.

Sanctioned tournaments and Sanctioned Club/League play are growing every year. These programs like many others, have been put under the direction of an NHPA Vice President. This not only gives a specific job responsibility to the VP, but ensures a better and quicker line of communication to the Executive Council on all matters relating to the running of programs within the NHPA. Other programs now under the direction of an NHPA Officer include Constitution & By-Laws, Grievance, Rules, Hall of Fame, Regional Directors and Newsline Publication.

Improvements in the way the membership is involved has brought many recent changes and a streamlining of our Constitution & By-Laws. The approval of the "Proxy Vote" at the 1986 convention has increased the scope of interest in NHPA affairs and brought a new level of fairness by allowing all states to voice their full allotment of delegates. The Proxy vote and Liability Insurance may be the two biggest single strides the association has taken in behalf of the membership. This magazine has taken on the challenge to function as a better communication source for the readers, and one day, the entire membership. It is the vehicle by which your voice and opinion can be heard by others. Use it!

Membership in the NHPA nearly doubled in the last decade. With growth being the highest in recent years, there is no reason why we can't double again in the next ten years, or even less. Our association is now finding itself in a position much like that of a successful small business. We are suffering growing pains. Our communication skills have been sharpened. our responsibilities and goals better defined and our future remains bright. However, it is time to take a serious look at how we utilize our talents, how we do our work now and how we will do it in the future.

The amount of time devoted to NHPA work by some of the council is now well beyond what was necessary when the organization was smaller. In particular, your President and Secretary/Treasurer are putting in hours longer than would be expected in most businesses. With elected officers located all across the country, our business and communication is sometimes slow, even with our new computers. Phone and mailing expenses seem to increase monthly as the entire council is asked to give more of their time to the organization. Perhaps in the case of the Vice Presidents, I am to blame for their additional hours because I am the one who assigned them specific job responsibilities. However, I believe a Vice President should be more than just a title. Like the President and Secretary/Treasurer, the membership should be able to see the job function and responsibility of VP's so interested members can measure their qualifications to the job as the offices come up for reelection.

Sometime in this decade, I believe we will reach the time to reconsider the method of how key officers are selected to the organization and how/where they will work. We are already close to needing a central NHPA office in which key officers and personnel will work and members can visit. This is only in step with every other successful sports association. When that time comes, offices like the President and Secretary/Treasurer, which may well have different titles, would be hired positions rather than elected. They would be filled on the basis of hiring the best qualified for the salary offered, far different than electing a basic volunteer as we do today. In a central NHPA office, there would be more efficient use of staff and common office equipment, more professionalism, a better image and more direct lines of communication for the

membership.

While the idea of a central office may be several years from being a reality, it is not too soon to give serious consideration to a better and more growth related method of compensation for the current NHPA officers. I may very well present some thoughts on that to the delegates in 1990.

Dave's Court Report

HPA Regional Director Don Koso was back in his neck brace for the last couple of months due to an old neck injury that continues to nag him. His wife June was hospitalized for additional surgery on her hip. These two lovely people have sure had their share of problems but come the first pitch of Spring,

2nd VP Barry Chapelle decided it was time for a change so he sold his house and bought another, only a matter of blocks away. Seems that he needed more space to store all those Rule change proposals you've been sending him. By the way, Barry says that any proposals for the Rules Committee must be received by March 1st if they are to be considered for discussion at this year's convention. See page 3 for new address.

The March 1st date is also the deadline for submitting any nominations for the Hall of Fame. Details on the categories of nomination can be found in the December 1989 Newsline. Send all information to 1st VP Earl Winston whose address can also be found on page 3.

Bob Dunn, a big supporter of Junior pitching programs and recent assistant to the NHPA for a special Sanctioned Club/League growth push, has announced his intentions to run for President of the Minnesota GSHPA.

NHPA Secretary/Treasurer, Donnie Roberts, has a new phone number. It is 216-923-9949.

Gary Kline, author of the "History of the World Tournament, 1909-1980" has been reappointed NHPA Historian and is one of the 15 members on the NHPA Hall of Fame Committee. Gary is a walking encyclopedia on horseshoe pitching. It's my hope that he will occasionally contribute some interesting articles for Newsline.

1992 World Tournament interest is heating up. Inquiries have been received from Columbus, OH, Kansas City, MO and Dubuque, IA.

Good friend Glen "Red" Henton asked to be relieved from his position as head of the NHPA Grievance Committee. I have appointed 4th VP Bonnie Seibold to chair this Committee of three. Bonnie has selected George Bradfield of Georgia and Don Weaver of Nevada as committee members.

President Bush spent Thanksgiving at his Camp David retreat where the press reported he played several games of horseshoes. He won two matches against his guest Willard Heminway and then did the same against two of his staff. His games were followed by a traditional dinner of roast turkey, stuffing, cranberry sauce, sweet potatoes, green beans, salad and pumpkin & pecan pies.

1989 marked the first showing of NHPA Hall of Fame items, courtesy of the Iowa State Fair, where space for our exhibit was provided free. We have now been advised that the Fair Board would like to continue and even expand the exhibit for 1990. Thanks go to Earl Winston for his efforts in this regard.

NHPA Chaplain, Jerry Holt has accepted a new pastorate moving from Oklahoma to the Atlantic So. Baptist Chapel in Atlantic, Iowa.

Have had several recent exchanges of correspondence with our friends in Canada, in particular, Ed Murray, President of Horseshoe Canada and Rob Richey, President of Nova Scotia Horseshoe Players Association. There are some real fine people and pitchers in Canada as anyone who attends our World and Las Vegas tournaments can attest. Horseshoe Canada had a very successful year with the Canadian Championships being held in Nova Scotia for the first time. Diane Cantin, one of the world's best, won the Women's title for the sixth time with a ringer average of 88.0%. Going undefeated in 17 games, Diane had one game with 18 straight doubles and another, 24 shoe, perfect game. The men's title went to Clayton English who averaged 70.25%.

Not everyone is happy that President Bush pitches horseshoes. Believe it or not, the following note was received from a lady in Canyon Country, California whose name we need not print. However, let me share her note. "Dear Sir, Please send my husband your official rules to horseshoe pitching. Thanks to President Bush, my backyard is now a horseshoe pit. He (husband) might as well have all the proper rules. I'll never get my backyard back. I knew there was a reason I voted for Dukakis."

Dear Editor,

In response to some articles in the October issue, the idea of canceling points in horseshoes, like ringers, seems out of context with horseshoes. The old saying "close only counts in horseshoes" is and should remain the same. Let's not detract from the game, instead let's add to it. If anything changes, let's change ringer pct. to point system as in 40 or 50 shoe Count-All. Ringer pct. can be deceiving according to the number of shoes thrown, where points reflect your true averages. Count all is great for a less ringer pct. pitcher because he receives credit for what he pitched in reality and this encourages him to try again. The art of pitching a shoe (perfectly pitched shoe) per Sol Berman has no more bearing than one who throws a low line, 3/4 reverse. If it hits the stake and stays, it deserves the credit. I have had many perfectly

pitched shoes hit the stake and rebound out of the area for no points. Should I get points for style? Next they will want to take the base hits out of baseball and count only homeruns or take the spares out of bowling and count just strikes. Horseshoes has a certain intangible like other sports, let's not ruin it. The Ohio Governor Horseshoe Tournament has a great scoring system that we should look at for many of our larger tournaments.

Many people compare bowling to horseshoes and even though there are many similarities, one must remember that in bowling you ROLL the ball, not pitch it like a horseshoe. The effort is not needed as much to lay a 14# or 16# ball on the alley for a maximum of 20 balls a game, or 60 in an evening series, compared to pitching a 2#8 shoe approximately 350 to 400 pitches in a tournament. That is why men, women, children have the same place to start in bowling. Also in checking with a Professor of Mathematics at SUNY College, I'm told that 2 people throwing an object (one from 30' and one from 40') both averaging the same percent from their respective distances, with no wind, that NEITHER one has an advantage EXCEPT in a mental state of preparedness. If your concentration is not there, you probably will lose. The averages truly speak for themselves. In closing, Guys, Girls, Children, let's get back together. Close only counts in Horseshoes means not only scoring but the relationship that we have as a group.

Charles Reigles, Pres. NYSHPA

Letter to Editor,

Re: Horseshoes close and within 6" from stake-scoring close one or cancel both.

With present rule, the closest shoe-no measuring is necessary; in the cancellation method, the one questionable of being within 6", does need measuring-which is additional; so rather than shorten the game (as I have been reading in the Newsline) it would lengthen it.

In the article, Casey Jones, Nov. '89 Newsline, at the 1948 World Tournament Jones and Fernando Isais were tied at 49 to 49-the game would have gone on, had it not been for the closest shoe scoring, deciding the outcome. With their good ringer percent and the point cancellation method, that game would have been lengthened. Even in lower class pitching, games would be lengthened, as the points would keep canceling, rather than scoring closest

In considering changing rules in our game, remember, just because the idea is "new" does not mean it is better. First there should be analyzing from different points of view-no decisions made until all are considered. If changes are needed, they should be through NHPA, so rules will be uniform.

I do not advocate games be either shortened nor lengthened, but that rules should be, so as to allow pitchers' competitive talent, to go to its potential.

With the point rule change, the quotation "close only counts in horseshoes" would no longer be

It seems essential to keep the game exciting, as now. With such rule change, the "air of excitement" of scoring only closest shoe, would be lost-one should be careful to leave the suspense of game intact.

I've heard of young boys getting excited and entertained over seeing that occasional spark from shoe hitting stake-we know that will remain!

Walter Busse Appleton, MN

Dear Editor,

December's issue contained an interesting article by Glen Portt. The suggestion to make the foul line at the starting point rather than the current ending point, makes a lot of sense. This change would create two favorable results; 1) Accidental fouling by pitchers would certainly be avoided, 2) Officiation and enforcement of the rule would be consistent and less controversial.

To refer to our current rule as stupid, may not be fair. Those that established our fine sport, deserve much credit. Trial and error will prevail, and only through time and experience can certain things improve. This may be a proper time to reconsider the foul line rule.

The author could have done us a favor by providing a specific proposed rule to consider. Possibly the following would be a rule for the Rules Committee to review. "The foul line shall exist at the 40 foot line (stake) for 40' pitchers, and at the 30 foot line for 30' pitchers. At least one foot must remain behind the foul line until the shoe leaves the pitchers' hand."

Bob Dunn, Brooklyn Park, MN

What is a Foul Line? Funk and Wagnalls dictionary defines it as "any line limiting the area of play or action."

Now, let's move the foul line even with the stake as Mr. Portt suggests. Players stand behind the foul line, step as far over as they please. "Aha!" The pitcher has one or both feet slightly over the foul line before stepping. Is this not a foul? Or why else would we call it a foul line.

The fact they have been trying to change the foul line, as Mr. Portt says, for 50 years, only proves to me they can't find enough support to do so.

Philip Allen, Toledo, Ohio

Dear Editor,

Why doesn't the horseshoe world wake up and play the game as it should be played. Back in 1980-83, I put on an open tournament at the fairgrounds and had a real good tournament. I think they should put qualifying back in the game, it is part of the sport. We qualified at fifty shoes and just counted ringers one point each. No close shoes counted. After all, you are out there to pitch ringers, not close shoes. We played fifty shoe games with alternate pitch which is as it should be. If I pitch a ringer, I want it to count. The winner is decided by total points at the end of the tournament. Ties are decided by sudden death in ten shoes. This gives the poor player a better chance. Whoever started the cancellation didn't know horseshoes. I think if they go to count-all way of

Letters to the Editor

Dear Dave,

One point mentioned in your November *Newsline* that I like is the catching up of tournaments by making a separate issue just for the purpose. I enjoyed the "Results Only" issue, it's a good idea.

Dorothy Yeager, Bishop, CA

Dear Dave,

Thank you for the "Results Only" publication. Those pitchers who cry for statistics should be doubly pleased. I'm sure the compilation and typesetting of all these results is an overwhelming task. Since you request comment, mine is that this type of Special Edition, however well it's done, is not worth your effort.

Stewart Snyder, Cloverdale, CA

Dear Editor,

The new magazine format is great. I like your idea of having a special results edition or section. I think a lot of pitchers like to see their name in a national magazine...even if we're not a top winner!

Concerning the controversy on 40/30 pitching distances, it seems to me that the principle of "pitcher option" has a place in our game. We allow some degree of choice in the weight of the shoes we pitch, why not some flexibility in the distance we throw? I think having a min/max range of 30' and 41.5' would be good. Each pitcher, regardless of age or sex, could then range within this set distance as a matter of personal choice. It would be interesting to observe whether or not pitchers migrated toward the 30' minimum and if pitchers in general improved their overall ringer percentages. My personal feeling is that we would see little overall improvement and

pitching you would have more players than you could handle. I do think this is the way to get more players.

Ernie (Four High) Danielson, West Burlington, Iowa adjustments would be slight. Those who have pitched 30 feet as a youth and continued at the same range would probably have some advantage in the short run. However, while the same mistakes that cause one to now miss at 40' might carry over to a shorter distance, I say again, the pitcher should have an option in pitching distance.

Bill Tedrick, Bryan, TX

Dear Mr. Loucks,

May I give you my opinion of the 30/40' pitchers as this seems to be the biggest problem involved with horseshoes? Personally, I don't believe to mix is the same game. But, I like to pitch so much that I will not let it stop me from playing. What I would like to see done is to go to "Handicap Horseshoes." I think it might help the problem but there is nothing that will be a 100% way to solve the issue.

In Handicap horseshoes, as I envision it, anyone at any age or sex may pitch from a distance between 30 and 40 feet. This becomes a separate game from regular horseshoe which is pitched at 40' only. People declare which game they want and when you buy your card, it specifies which game you play. This way, everybody has a choice and can make their own decision. You could even have this play in State and World competition. One champion in each. Perhaps few will agree with this but I think it would put the burden on each individual.

Jerry Millen, Jasonville, IN

EDITOR NOTE: The two above suggestions have similar thoughts and do parallel an earlier proposal called "Short Shoe Pitching", where one selects their game and distance— either regular horseshoes at 40' or the shorter game at some distance less than that. While the purist may have trouble accepting it, I for one think the option idea has merit.

John Loughery, Regional Director of New York, reports that on Nov. 18, 1989, they held a By-Law Committee Meeting at the Activity Center in Newburgh, NY. All state officers, by-law committee members and representatives from Pine Grove, Floyd, So. Berlin, New Rochelle and Mid-Hudson clubs were present. No changes in the content were made. They thanked the Mid-Hudson Club for hosting the meeting and the great luncheon. They had people resign and some re-appoints were made. The next meeting will be April 7, 1990 in Syracuse, NY.

Les Burroughs, Regional Director for Southern California, Eastern Sierra and Hawaii, reports that on Nov. 5, 1989, Bakersfield, CA held their 1st Annual Dennis LaMoureaux Memorial Horseshoe Tournament, A plaque was presented to Mrs. Dennis LaMoureaux by Bill Carroll, President of the Bakersfield Club. A total of 90 horseshoe pitchers participated in the "Draw Partners Handicap" Almost 300 people attended. Some of the pitchers had pitched in the World Tournament in Spearfish, SD and some in the World Senior Games in St. George, UT. Players came from as far as Canada. Bakersfield had 33 players who entered including Diane Lopez and Jesse Gonzales. Bakersfield players captured 1st place in all six groups. They gave away dozens of prizes and had a free barbeque for all players and their families.

Granville H. Palmer

Horseshoe pitcher, freshwater pearl expert and a member of the Indiana Horseshoe Pitchers Hall of Fame, Granville H. "Granny" Palmer of Vincennes, died on December 4, 1989. Born July 7, 1911, he was age 78.

Palmer won many pitching competitions during his life, accumulating 653 trophies during his career. His many years of financial support and personal endeavor to help youth and adults get started in the great sport of horseshoe pitching can never be forgotten.

He was also an authority, dealer and appraiser of Wabash River pearls. As such, he was featured in National Geographic Magazine and in the documentary film, "The Pearl Fisher," which was released in 1986.

The NHPA and Indiana HPA extend sympathy to his wife of 38 years, Bea, son Joe and four grandsons. He will be missed by all.

Jim M. Copenhaver

The Oklahoma Horseshoe Pitchers Association and the NHPA have lost a long-time friend in the passing of Jim M. "Cope" Copenhaver on Sunday, November 19, 1989. Cope enjoyed a long and fullfilling life; he was 85 years of age at the time of his death. He retired from Cities Service Oil and Gas Company as Manager of the Division Order Department in 1969 after 45 years of service.

Jim was a dedicated pitcher, participating in tournaments in surrounding states as well as Oklahoma. He is also remembered as a promoter and officer of the game. He was inducted into the OHPA Hall of Fame in 1985.

Our deepest sympathy is extended to his wife of 61 years, Priscilla, and to other family members.

Georgia On Your Mind

It's 1990 and the excitement is growing for the Stone Mountain World Tournament. Interest in this tournament appears to be generating from all corners of the country.

We would like to remind all pitchers to get their reservations in as early as they can to guarantee their choice in camping or hotel accommodations. Stone Mountain Park Campground advises us that 200 reservations for campsites have already been received.

As we get into the new year, additional information on things to see and do in connection with the World Tournament will be published so that folks can combine this tournament with a vacation in the great state of Georgia.

It's a little premature to give all details for our annual banquet, but we will say that it will be one to put in your books as one of the best.

As in all tournaments, we will rely

upon advertising in the annual Souvenir Program to assist with the tournament funding. We solicit your support in preparing this book which will be of interest to all with a new "look" to be provided.

\$1.00 airline raffle tickets are available for two round-trip tickets anywhere in the continental U.S. Be sure to see our folks at the Vegas Tournament.

Our 1990 Souvenir Program will honor all benefactors and "Friends of Horseshoes" whose support of our tournament is encouraged. Something special is in the works for recognition of these SPECIAL HELPERS.

Horseshoe Promotion in Japan

by Bud Schardine

On November 8, 1989 at 12:20, we departed from San Francisco, nonstop to Osako, Japan. Our group of horseshoe pitchers, pardners and guests numbered 37. This was an historic event, being the first time ever that a horseshoe tournament was conducted with the Japanese people. Our group was from Utah, California and Canada. We were bussed to Hashima City, 60,000 population and Gifu City, 400,000 where we were housed with our host families. The next morning we were greeted officially by a large group of town officials, exchanged gifts, and listened to many speeches.

At the horseshoe courts we were entertained by the Kindergarten 200 Band, complete with two groups of girl cheerleaders. All were in colorful uniforms and they would rate with most of our High School bands. We spent much of our time teaching the men and women to throw horseshoes. More than a thousand turned out to pitch and watch. On Friday, we pitched a tournament to show them how and Saturday we had another tournament with them mixed in. We were followed everywhere by TV cameras and reporters and could watch ourselves on television every night. The newspapers were very generous with our pictures. Japanese NHPA posters were all over town. Every day we met a new group of town officials, exchanged gifts, speeches, and were treated to another super traditional Japanese dinner.

We slept on the floor and used the floor level toilets that were separate from the bathroom. When taking a bath, you sit on a 6 inch plastic stool, lather and then dip hot water from a vat and pour it over you. We sat on the floor with our legs under the table and ate raw fish, rice and a hundred other dishes that I didn't recognize, with chopsticks, of course. You take your shoes off every time you enter the house. I

forgot once and got yelled at and then we all had a good laugh about it.

We had our own royalty and entertainment. We had two Miss Utahs, the Tingey sisters from Salt Lake City. The Japanese men do not show affection to their women. The women will use any excuse to take a picture so the American will put his arm around them and give them a hug. I hugged more women in Japan in five days than ten years in America.

They drive on the left side of the road and outside of the downtown business district the roads are very narrow, no sidewalks and the houses are within two feet of the road. Almost all cars are white compacts. No junkers and the cars are always clean. No visible gas pumps anywhere, the hoses are lowered down from the ceiling. They drive like race car drivers and have very few accidents. The first time out I held my hand over my eyes. The busses are equipped with chandeliers, TV sets and telephones. The drivers wear white gloves. The public telephones are equipped to accept only cards that can be purchased for any amount.

All available ground is in rice patties, vegetables or fruit, even in front of the skyscrapers and banks. It rains almost every night and earthquakes are common. The people are hard working, honest, humble, courteous, considerate, polite, well-educated, very happy and have a good sense of humor. The crime rate is almost zero and you see no graffiti. Tradition is very prominent and the school kids wear identical uniforms, different for each division of school. The boys' and girls' uniforms are different in design or color. The senior boys and girls all ride bicycles to school equipped with umbrellas and baskets for their lunch.

After the horseshoe tournaments we were challenged to a softball

game. They showed up in full uniform including the umps. We had a few great moments of outstanding play, but they worked real hard to make sure that we won the game 23-17. They furnished us with a dozen new gloves, canned coffee, soft drinks, cookies, cake and individual wrapped towels. We lined up at the beginning and shook hands and did the same at the end with a bow.

We accomplished our mission to introduce horseshoe pitching with friendship and peace and a better understanding of our distant neighbor. Some people have said, "so what", and are still bitter with the Japanese. I say we had better take a good hard look at ourselves and our system and take a page or two out of their book before it's too late.

Bob Champion's Charter Chatter

Now that the busy summer season has been completed, most of the pitching will be done indoors until June rolls around. This means that many of the Charters will not have current newsletters available to "pick" out the news for Charter Chatter.

May we urge charters to send in news notes from time to time during the "off" season to give *Newsline* readers an insight on happenings around the circuit. My address is 5505 Valmont #176, Boulder, Colorado 80301.

CALIFORNIA

The Ukiah Horseshoe Club put on their annual twoday Scotty Turner tournament with 52 pitchers participating. Format of play followed much the same that has been proven successful in the Annual Las Vegas tournaments of late.

The 1990 Valley of the Sun Tournament in Mesa, Arizona will be Wally Shipley's 25th consecutive year in attendance. Dates are Feb. 12 thru 18th. He is adding \$250 to the cash prizes—\$100 & \$25 to the first and second place winners in the men's and women's Class A.

He also gives \$300 to the Wally Shipley Championship Doubles at Riverside and \$400 to the Wally Shipley Championship Doubles January 27 at Yuma, Arizona. Budweiser offers beautiful red jackets to the winners in addition to trophies by the YHPA at Yuma.

CANADA

Clayton English of Manatoba and Diane Cantin of Quebec are the Canadian National Champions for 1989. 1988 World Champion Edward Neeb was the Junior Boys winner.

Cantin is the big news. In her eighth game she pitched a perfect game against Shirley Ann Fisher of Manitoba—24 shoes. This is Diane's 6th Canadian Women's title in seven years. Sister Angeline, Margaret Johns, Myrna Kissick, Sandy McLachlin and Doris Bilodeau have all tried, but her niece Sylvianne Moisan has been the only one to beat her. That was in 1988 in Calgary.

Diane's 88.0% in 1989 is another record, along with the perfect game.

COLORADO

The Denver Metro Horseshoe Club won the third annual State League Championship, defeating North Weld Club, 7-2, in the finals. The last event was held at the Pitchin' Post in Commerce City, an indoor facility that uses the court boxes purchased from Eau Claire Club after the 1987 World Tournament.

Members of the winning team were Dave O'Dell, Ray D. McGrady and Keith Whittemore. Other teams competing were Strasburg, Boulder, Loveland, Fort Collins, Woodward Governor, Ault and Colorado Springs.

GEORGIA

Tommy Lawson of Acworth finished first in Class A to win the Brooks Fall Fling at Alpharetta. It was a 50-shoe count all 80% handicap event. Claude Fender of Powder Springs was second, A.W. Wetherford of Braselton was third. J.E. Brooks of Alpharetta won the Class B crown.

ILLINOIS

Tari Powell of Rossville and Bob Switzer of Peoria were inducted into the Illinois Hall of Fame in 1989. Bob has been the Secretary-Treasurer for the State for many years.

Tari has been the only World Champion from Illinois, being the Junior girl's champion in 1976 with 7-0, 57.3, and the Women's World Champion in 1984 at Huntsville, Alabama, 10-0, 80.6.

Tari and Cliff Baker are the 1989 State Champions.

MINNESOTA

Phyllis Negaard added the State title again to her World Championship victory and induction into the NHPA Hall of Fame. Former World Champion Dale Lipovsky added another State title to his long string. Father Len finished fourth behind second place Dave Hughes. Jack O'Connor was third.

Bev Nathe, who was impressive at the World this year, was second at State. Phyllis closed with a 5-0, 74.80, Bev had 3-2 and 67.6.

There were 49 classes in the 1989 State Tournament. Vance Harren nosed out brother Chris to win the Boy's crown and Christie Cave topped the girls. Everyone hopes the Harren boys compete again at the World...they are super.

NEBRASKA

Dick Hanshew of Scottsbluff was reelected president of the Western Nebraska Charter for 1990. In addition to his presidential duties, Hanshew runs two tournaments each year, one in May and one in August.

Other officers are Arnie Fankhauser, Chadron, 1st vice president; Glen Bale, Lodgepole, 2nd vice president; John Gardner, Scottsbluff, 3rd vice president; Darrell Robertson, Bridgeport, 4th vice president; and Frank Madison, Harrisburg, secretary-treasurer.

NEW JERSEY

Lou "Sonny" Durando, the former Nutley native now residing in Lyndhurst is the New Jersey State 1989 Champion. This guy gets more rings around the stake than Wisk gets around the collar. He started pitching four years ago, and before that used to fly kites. The first year he was second in Class B, then was third in Class A, and finished second last year. He uses Clydesdale Deadeye shoes.

OREGON

At the state singles horseshoe pitching championships Labor Day weekend, Leonard Christiansen went undefeated to gain a purse of \$50. Between this tournament and the Rogue River competition September 9th he celebrated his 75th birthday, and continues to work as a carpenter in Harrisburg from his lifelong home on Diamond Hill Drive.

To Christiansen—who placed sixth in his age group last July at the 1989 World Tournament at Spearfish, S.D.—his 75-80 trophies for horseshoe pitching simply reflect his longstanding love of the sport. He won seven of eleven at Spearfish, and during his pitching days has garnered as high at 77.7.

Elder Class World Champion Spud Napier won the Rogue River Open in Class A 7-0, 67.8.

SOUTHERN UTAH

Lorin Condie really hit the jackpot of horseshoe pitching in the Southern Utah area winning the SUHPA Championship at Cedar City, 6-1, 47.9; the Autumn Open, 7-0, 60.0; Kane Long Valley Open, 3-1, 45.0; and the Ray Ohms Memorial, 19-3, 49.1.

He ended up as the top money winner (\$261), with J.J. Steffen of Monticello finishing second (\$238.17).

The two top moneymen were also 1-2 in the ringer percentage for the year, 50.2 to 49.7 for Steffen and John Bracken.

Gabe Ohms was the top Junior in percentage with 42.0, and Penny Bundy was the most improved in the Juniors with an increase of 11.5.

TEXAS

Roger Vogel went 7-0 (63.1) to win the Archie Roach Classic at Arlington in September, and Ken Jones 6-0 (58.0) topped all Class A pitchers to win the Tumbleweed Classic in Lubbock.

At Tumbleweed, Texas, President Shorty Fry was 4-0 (48.8) to win the Women's Championship division.

In the Roach Classic, the Vogels were the top family. In the women's group they had Debbie and Melissa, and in the juniors were Nate and Justin. I'll bet they fight over who will read the *Newsline* first in their family.

The Riverside Classic was won by Ken Jones 7-0 (56.0) while Diana Polak was the women's winner 4-1, 64.8.

WASHINGTON

Following zone events for the Summer Centennial Games, these pitchers emerged as Gold Medal winners: Class A-Art Sperber; B-Skip Schilperoort; Class C-Darwin Platz; Women's A-Michelle Ives; Women's B-Joleen Broderick; and Handicap-Ivan Utt. In the men's Class A Hank Knauft was the silver medal winner and Mike Thorniley took the bronze.

Sperber added three more Class A titles to his long list—Capital City, 6-1, 68.71; Brumfield Open, 7-0, 66.77; Tacoma Turkey Shoot, 7-0, 69.31. Ben Wiedrich sneaked in ahead of Art to win the Pacific Northwest Open.

WEST VIRGINIA

Ralph Maddox of Poco won his 30th Men's West Virginia title in a three-way playoff against Rick Cale of Masontown and Joe Cochran of Ronceverte. Cale defeated Cochran 40-25 in the first playoff game and Maddox downed Cale 41-29. Maddox finished the 14-man round robin with a 69.2 average.

Carol Fortner of Lashmeet won the women's title by also winning in a three-way playoff. Kathy Maze of Monongah defeated Brenda McLaughlin 41-11, before Fortner took the final game 45-17. Fortner finished with a 62.2 percent average. Ray Allman won the Boys Junior crown in a three-person playoff.

WYOMING

Ken Raymond, who has been president of the Wyoming Association for many years is relaxing at his large Ferris Mountain Ranch. The new 1990 officers are J.H. Jacobs, president; Ray Johnston, first vice president; Darrell Perkins, second vice president; Larry Hopkins, third vice president; Rick Vandersloot, fourth vice president and Ed Archer secretary-treasurer. Wanda Archer is the Regional Director assisted by Don Jones and Harold Wolfe.

Special Note: NHPA members planning to vacation in another state should contact their own State Regional Director and inform him/her as to what state they plan to vacation in. Through the R.D., they should be able to get the name, address and telephone number of the R.D. in the state to which they will visit. All NHPA Regional Directors have details on any sanctioned tournament in their state. If you don't know the number of your R.D., contact your State Secretary for a referral.

Sanctioned Club/League News by Bev Born

Another New Year and decade is now upon us, whether we are ready for it or not. If someone would have told me three years ago that I'd be the National Club Director and an officer in the NHPA, I'm sure that I would not have believed them. Time sure does change everything and I want to start this new era by telling all of you how very much your support, confidence and kindnesses over the past two years has meant to me. It has changed my life for the better, by putting substance and new meaning into it, giving me self confidence and something important to work for-all of you, the NHPA and our terrific sport. Thank you!

1989 had a total of 209 sanctioned clubs, running over 280 leagues, with 3392 full NHPA members and 3579 CL/LG members, a difference of 187 and a total membership of 6971. This is as of December 23rd. from the 179 clubs reporting, with 30 clubs not yet reporting. Notices have been sent to all of these, with hopes that all directors will fulfill their obligations to their members by the time this issue is out. 163 old clubs, 23 not reported, 46 new '89 sanctions, 7 not reported. Delinquent clubs are from the following states:

Alaska 1, Arkansas 2, California 2, Illinois 8, Louisiana 1, Maine 1, Minnesota 1, Nebraska 1, New York 2, Ohio 2, S. Dakota 1, Mississippi 1, Virginia 2, New Jersey 1, Texas 2, N. Dakota 1 and Arizona 1.

The following awards/patches, etc. have been sent out: Most Improved 344, Lg. Champ. 699, Class Champ. 453, High Avg. 304, High Game 322, Hg. Over Avg. 310, Sportsmanship 267 Rookie 245, 4775 Cert. of Achievement and 2988 High Game Percent patches.

The following clubs are to receive plaques for continuous years of sanction:

Five Years:

Mat-Shuu #85C48, Alaska
N.W. Ark. HPA #85A11, Arkansas
Hot Springs #85C97, Arkansas

We can add the AVF-Berwyn HPA, IL, 5 yrs. and Hooperston HPA, IL, 10 yrs., if they get their 1989 membership reports and dues/ins. fees paid quickly! Also getting one for five years, which will be the first ever to go to a total junior league, will be the Riverside Jr. Lg. #85Jr.1, Texas.

My sincere congratulations and thanks for their dedication goes to all of these clubs and their members.

There are now 39 states with sanctioned clubs, up from 34 last year, one in Canada and one in the Philippines. Floyd (Bev's husband) and I want to extend our best wishes to each and everyone for the best New Year ever and may the good Lord bless and keep you all.

Our club/league activities were concluded with a year-end tournament, played on Tuesday and Wednesday nights and Sunday morning, followed by a cookout, election of officers and awarding of prizes. Winners of the tournament were Class A, John DiCalogero; B, Dianne Mosher; C, Bart Sargent; D, Tony Grassia and Class E, by new member Brian Mosher. Charles Bonani was recog-

nized as the unopposed Club Champion. Receiving the Charley Jokinen Memorial Plaque for "Player of the Year" was George Davenport. Ralph Mosher earned Most Improved.

George Davenport was elected as our new President and Bart Sargent remains as Sec/Treas. and CL/LG Director. Bart can be reached at 127 Edgewood Road, Westwood, MA., 617-762-6134.

TEXAS ARLINGTON IRON BENDERS #85-C-77

The Iron Benders held their annual Christmas party December 15th, with about 35 people braving the cold winds off Lake Arlington to enjoy the event.

When it came time to carve the turkey we were confronted with a power outage. Luckily, **Rob Dunnam** had made horseshoe motif candles for table centerpieces, which we put in use for illumination. The electricity was restored, however, in time to finish our feast and pass out the following awards.

Spring League Champions were Archie Roach, Jeff Gaston and Coke Bowker, with High Game for spring and the year going to Coke, who was also given a new award, "Ironbender of the Decade", since the 80's was the first full decade for the club and Coke the first Ironbender.

Summer League Champs. were Henry Sims, Bennie Underwood and a tie for third between John McCabe and Ken Wilcutt. High Game League and High Game over Average went to Wes Adell.

Fall League Champs. were Russ Schneider, Rob Dunnam, with a tie for third between Coke Bowker and Ron Thomas. Also a tie for Fall High Game between Ray Mooney and Russ Schneider. Ironbender of the Year, Jeff Gaston, Rookie of the Year, Kathy Mize, Sportsmanship, Charles Posey and Most Improved in 89, Arch Fergerson. Al Heim and Ron Thomas tied for the most games pitched. Our outgoing president, Mike Stephens, inducted Chet Bingham and Wally Weiler as life members of the club.

Officers for 1990 were installed and are, President, Bennie Underwood,

First VP, Al Heim, Second VP, Arch Fergerson, Treasurer, Ron and Jane Thomas, Statistician, Charles Posey, Tourn. Dir./ Historian, Rob Dunnam and Secretary, to be announced.

We are all looking forward to a great New Year and decade.

WEST VIRGINIA TRI-COUNTY H.S. CLUB #82-C-116

After twenty-four weeks (3-each eight week cycles), the Tri-County Horseshoe Club - Marion County YWCA ended its 1989 season by having forty-nine (49) individuals involved in both once weekly leagues and/or one monthly tournaments.

The League Championship was taken by Mike Stout by winning two of the 8-each eight week cycles, whereas Rick Cale took second place. Guy Casey won the "B" Class, and Ken Stevenson won the "C" Class. There were three separate winners in each of the "C" Class 8-week cycles and after Anderson defeated Kerens, Stevenson became the winner after defeating Anderson.

The Most Improved Award went to Nick Carter due to the fact he increased his ringer percent average by 13.7%.

The Individual High Ringer Percent Patch was issued to Rick Cale. High Ringer Percent Award went to Mike Stout. Rookie of the Year was awarded to Jim Carpenter. Bev Tiano, an Honorary Member, and also the Assistant Director, was awarded the Sportsmanship Patch.

Winners and second place players were awarded trophies from the club membership dues at the end of each 8-week period. Lastly, a Walking Doubles tournament was held after each 8-week cycle, and the teams were paired by placing the highest ringer percent player with the lowest percent player.

One NHPA/Club tournament was held so as to help raise funds for the Wood County Horseshoe Pitchers Association located in Parkersburg, West Virginia, which is attempting to have a roof constructed over their 10-court facility.

Why Game Related Sales?

Edward A. Domey NHPA National Buyer

What are we doing? What does it mean to you? What does the future hold? What are we working so hard to accomplish? All valid questions, all worth an answer. This article will address the questions if you will just read on.

Game Related Sales was organized to help all the horseshoe pitchers in the NHPA to obtain the required pitching shoes and other game related items. These items are not always obtainable at sporting goods stores. Our network of distributers and sub-distributers aim to make them available to you at various tournament sites as well as through the mail. Everyone in the NHPA should know by now that we carry a full line of products. The NHPA network purchases direct from the manufacturers and distributes to you, the pitcher, as rapidly as possible. The specifications on horseshoes are dictated by the NHPA and its various committees. Official horseshoe gauges are now available from Game Related Sales people. Other products are directly related to our game and we choose quality first as best

The small profits that we achieve from the sale of our products goes directly to the NHPA. At this time we have earned monies to purchase computer systems for four NHPA offices. Money has been spent on promotions in various sections of the country. I might add that these have been successful and usually result in direct benefits to our NHPA. Our West Coast Distributer, Wally Shipley, has seen fit to donate prize money to several California tournaments as well as the "Valley of the Sun" tournament in Meza, Arizona. This is one of the results of Wally's hard work in his area of the country. Our advertising in national magazines has helped our sales and introduced our game and organization to many others.

Our "future" holds many promises of new and better things to come. We hope to establish a research and development process that could lead to synthetic stakes to reduce the noise level of horseshoe

pitching, especially indoors. We could see different materials in the make-up of pitching shoes. We may discover new and better materials to pitch horseshoes into. Some of you may have an idea that we could explore or incorporate. Who knows?

Do we have some goals? Do we dare "dream"? Do we continue to expand? You bet! The NHPA Game Related National office is a fully staffed, computer equipped, FAX equipped modern office to serve you the "Horseshoe Enthusiast". We are currently approaching a quarter of a million dollar annual sales volume of business. We now have the capacity to handle a half million dollars in sales. Our NHPA telephone number is 509-865-9477, our FAX number is the same. My "dream" is to earn

enough money to help equip the National President and Secretary office with full-time paid people working for you. With your help we will achieve that goal. Just remember that only products purchased from an official NHPA distributer or subdistributer contributes to the support of the NHPA.

If you read this article to this point you will, no doubt, get the message. I saved a little surprise for the end. The year 1990 will find NHPA game related people looking at tournament winners that are well dressed wearing "official" NHPA clothing. It could mean some extra money for you. I suggest you look good, pitch your best and "support your organization". There is no other like it in the entire world.

NHPA MEMBER PROFILE

Dave and Pat Senger

NHPA Distributors of Game Related Items

by Bob Dunn MGSHPA Vice President

This interesting couple, who have recently joined the ranks of NHPA Authorized Dealers, have had a late, but very enthusiastic start to horseshoes. Dave is originally from Erie, PA and Pat from Detroit, Michigan. Dave's father has been a horseshoe pitcher for more than 40 years, but it wasn't until the 1987 World Tournament that the Sengers got the urge to participate. They went to Eau Claire to watch Dick Senger pitch and from that experience decided to join the NHPA.

The next summer, they planned a trip to Pennsylvania to attend the Eastern National Tournament. Because they had had difficulty in purchasing shoes and game supplies, a contact was made to Donnie Roberts for an appointment as they traveled through Ohio. That appointment turned into a full day visit and tour with Donnie, and began the Senger's venture as NHPA Authorized Dealers. The trip did continue to Erie, where Dave won Class "P", and his first trophy.

Being newcomers to the sport and not yet posting the highest of averages, the involvement in game related sales, brings much pleasure and satisfaction. There is no doubt that the Sengers are providing a service to the MGSHPA members in Minnesota. During each of the past two seasons, over 10,000 miles have been traveled to attend tournaments, spring club meetings, and to visit leagues, to be available to the pitchers. During 1989 the Sengers attended and pitched in over 20 tournaments.

Through all the time and effort invested to provide supplies and service to Minnesota horseshoe pitchers, the Sengers can be viewed as volunteers to the NHPA organization. There has been no real profit, however the travel and operation costs have been recouped and that satisfies Dave and Pat.

It isn't fair to mention Dave's trophy without commenting that Pat earned a 2nd place trophy in the Brooklyn Park Club class tournament, was a member of the league championship team, and had the thrill of winning a 3rd place medallion in the 1989 Minnesota Star of the North Games. Let's hope the enthusiasm and energy stays with this couple, for their enjoyment of our sport, and for continued fine service to our membership.

Don't want to cut up your magazine?

Many of you are concerned about cutting out pieces of your Newsline in order to use the forms included. A suggestion: take your issue to your local copy establishment and have copies made.

ATTENTION Tournament Directors

If you want the results of your sanctioned tournaments published in these Newsline columns, they must be sent direct to the Editor in a specific double spaced typed or neatly printed format within 30 days of the tournament date. Any deviation or extra information will result in delays or nonpublication of your submission.

Your submission must include your Charter, Tournament Name, Date, and Sanction number. List each class in columnar form with the name, W-L record and percentage in order of finish. If you have a pitcher from out of state, mention the state abbreviation next to their name.
