ON OUR COVER

Alan Francis concentrates as he lines up his pitch.

President's Message

wo months ago, in the March issue, I touched on the subject of *communication* and how I would like to use this magazine as a means to a better informed membership. There is a proposal to be considered by the delegates this year that would include the magazine as part of each NHPA annual dues. It has been discussed before and I'm sure this year's proposal will bring a lot more heated debate to the convention floor.

There are many ways to exchange information, but for our membership, I cannot think of a better way than through *Newsline*. Certainly there is no less expensive way to stay current of National horseshoe pitching activities on a regular basis. About one half of our charters have some sort of newsletter that is available to state members. Like *Newsline* however, many of these are by individual subscription, which makes it very difficult to convey information to all. These state newsletters do not replace or duplicate the NHPA *Newsline*, but rather support the entire association's need to *communicate*.

Every week brings many letters and phone calls from members who have a question on one subject or another. I am constantly surprised by how many of the questions are on subjects that have been discussed in *Newsline* or are a part of NHPA published rules or our Constitution & By-Laws. When I inquire of the person if they get *Newsline* or have seen our other published data, the answer is almost always NO! Some are not even aware that the NHPA has a publication. Occasionally, I'm able to wrestle a new sub-

scription but more times than not, I'm disappointed by the individual's lack of interest to pursue anything other than their immediate question.

We have just about finished a campaign to ensure that all NHPA Regional Directors are Newsline subscribers. Regional Directors are very important to us and like most NHPA positions, their work pays very little and often goes unnoticed. It is, however, vital to our growth that all RD's stay informed so that the information they impart is the latest available to them. In the same vein, it is just as important that all Charter Officers are informed and in turn, communicate to their members. Unfortunately, there are still many charter officers who do not subscribe to Newsline and even more who do not pass what information they have on to state members. The result is that we try to work with a communication gap that is sometimes very hard to span. This is especially so in the newer charters that have officers who lack longevity in the game and/or the NHPA. Even some of the older charters who find their officers in a constant state of flux, have a continual communication problem.

A *Newsline* magazine to all NHPA members will not solve all communication problems. Certainly, as editor and chief bottle washer, I don't relish having to handle five times as many magazines as I do now. However, the fact remains that no better source is available to us to spread the word and improve the biggest problem in the NHPA...

COMMUNICATION!

Dave's Court Report by Dav

- The Easter Seal fund raising tournament scheduled for May 26-27 in Woodhaven, Michigan has had a change in pitching sites. A very strong windstorm damaged the Wonder Dome beyond repair and the tournament site has been changed to Lincoln Park Community Center. Anyone interested in this worthy event should now contact Shirley Moore, Wayne County Easter Seal Society, 2545 Hyde Park Drive, Inkster, MI 48141, Phone 313-722-3055.
- Gene & Yvonne Ficek, directors of the 1989 Spearfish World Tournament, have reported that the Spearfish Jaycees turned over \$4200 to the local high school Scholarship Fund to be used as a perpetual scholarship bank for Spearfish High School graduates. This money was raised from the beer garden sales at last year's tournament. A special thanks to the Jaycees, Gene & Yvonne, and all the pitchers and supporters who made this possible.
- The 1991 World Police and Fire Games will be held June 22-30, 1991 in Memphis, Tennessee. Horseshoe pitching will be one of the sports and 12 new courts are planned for installation at Challey Farm Park which will remain after the games. Regional Director, Dexter Stallings and some Tennessee State members will be assisting in this project.
- The recent, unexpected deaths of Ted Allen and Will Gullickson, both members of the NHPA Hall of Fame Committee, meant that two replacements had to be found. I'm pleased to announce that the new appointees are

- Ralph Dykes of Illinois and Charles Killgore of Missouri.

 The World Tournament increase to \$50.00 for entry will allow us to put our most prestigious event on a par to reach \$100,000 in prize money and help to attract more media attention. All of the increase will be given back to the respective classes who will find their prize money nearly doubled. None of the increase will go to the championship groups who will still have to pay a finals fee while class finalists will not.
- I wrote to President Bush and extended an invitation to visit us at the 1990 Stone Mountain World Tournament. A personal reply from the president said, "Dear Dave, I've thrown the first pitch at a couple of baseball season openers, but pitching the first shoe at a world tournament would be a new experience. You were great to ask and my scheduling office will let you know if my schedule will permit me to attend."

Editor's note: For security reasons this decision may not be made until the last moment.

For many, an 80% game is only a dream. For Walter Ray Williams, it is commonplace. In a recent tournament in Turlock, CA, Walter's low game was 84%. He lost it and finished 2nd to Don Titcomb. For the tournament, Walter averaged a sizzling 90.8%. His high game was 98% when he threw 49 ringers out of 50 shoes.

Letters to the Editor

Dear Dave,

I have a few comments on the Newsline.

- 1. I like the tournament results, but it takes up a lot of valuable space. Maybe there should be a special issue.
- 2. A pitcher or club featured each month would be nice.
- 3. There should be more pictures.
- 4. The coverage on the Worlds was very good, but I would have liked to have seen more pictures.

I have one last comment. I think it's time for NHPA officers to receive full time pay. They do too much to remain volunteers.

We can't wait for each issue of *Newsline*. We just can't believe that so few pitchers are subscribers.

My wife and I also made the trip to Stone Mountain, GA and Biloxi, MS. We're looking forward to the 1990 and 1991 World Tournaments.

Keep up the good work.

Thank you,

Ken, Mary & the 4 Walters children Troy, Ohio

Mr. Loucks,

In the March issue of Newsline you stated that the NHPA is losing money on the publishing of same. There is an article in Letters to the Editor from Francis White of Erie, PA in regards to tournament results. I'm of the same opinion as Mr. White on 101/2 pages of names and percentage figures - WHO CARES? Every person who pitches in a tournament knows what he/she did, it doesn't need further publication other than major contests such as World and State Championships, elimination of these would have to reduce publishing costs.

As participant in the Showboat Tournament, I do not understand how the NHPA can sanction something that violates their own rules; that being the size of a court. Rule 4, section B states the minimum landing area of a shoe will be 31" wide by 43" long. Rule 9, section A states a shoe hitting the backstop is a foul shoe, NO SCORE, how can we condone using an area of 24" by 24"

with scoring one or more points on shoes that have passed the 40' stake distance and returned off of a backstop to a scoring position. It seems to me this could lead to every local area making their own rules and eventually undermining all the work of the NHPA that has been put forth over the years. Thank you for listening to my complaints.

Sincerely, Ken Sykora Maryland Heights, MO

Dear Dave,

Art Tyson, Joe Schultz of New York and Bill McIntyre of New Jersey, will give a horseshoe pitching exhibition at Metrofit Athletic Club, Pelham Manor, N.Y., on April 29th.

Art Tyson has been instrumental in having the owners of the club install a fenced-in clay court on their premises. The exhibition is being held in order to promote horseshoes and to have more courts installed, if the number of pitchers attending the club warrants the installation of additional courts.

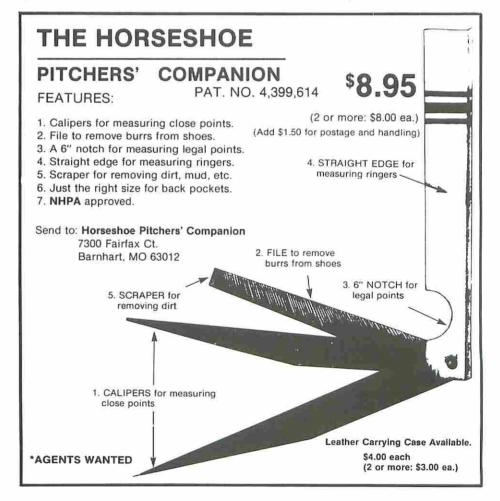

It is our intention to have a desk containing promotional literature, on site, on the day of the exhibition. I would appreciate it if you could send me back issues of the *Newsline* and any other promotional material you have available, so they may be displayed on our desk.

If there is a charge, please let me know.

Also, if possible, it would be greatly appreciated, if a notice of the exhibition could be published in the *Newsline*. Anybody interested can contact me at 806 Dean Ave., Bronx, New York 10465. Phone number 212-892-1017.

Best regards,

John P. Loughery Bronx, NY

Proposed NHPA Rule Changes

by Barry Chapelle

The NHPA Rules Committee, consisting of 15 association members appointed by the president has, during the last year, discussed and considered many proposed changes and additions. Seventeen proposals have been approved to come before the delegates for further discussion and vote. Those 17 are listed below. In each case, the page, rule and section number mentioned is a referral to the yellow NHPA Rules Brochure, last revised 1/1/89.

1. Page 1, Section A Eliminate the second paragraph. Effect - Eliminates the warning.

2. Page 1, Section A

If we vote to keep this paragraph — Move it into Rule 9. **Effect** - Puts it in the proper section of the Rulebook.

3. Page 1, Section G Rewrite it to read — In Regional and State Championships, all first place ties must be played off. Ties for other places shall be decided by playoff, percentage, or who-beat-who. In all other sanctioned tournaments, ties for any position may be settled by playoff, percentage, who-beat-who or, if count-all is used, total points. In any playoff situation, the method of play and length of game shall be decided by the Tournament Committee.

Effect — Defines playoff method for State and Regional events. It also allows local charters more autonomy for their own events when weather and time are important factors.

4. Page 2, Section B Rewrite the first sentence and first part of the second sentence to read —

Pitching stakes for women, juniors, handicapped, and 70+ men who choose to do so shall be 30 feet apart, with a foul line three feet in front of each stake. When 30 foot pitchers play on a court constructed for men...

Effect — Better language.

5. Rule 2, Section C Rewrite to read — A 70+ man shall declare himself to be either a 30 foot pitcher or a 40 foot pitcher and establish his percentage at either one distance or the other.

Effect — Better language and clarification.

6. Rule 4, Section E Rewrite to read — The material in the pit shall be watered (if necessary) and leveled by the contestants before a game begins. (Contestants may have someone do this job for them.) During a contest, contestants cannot mash or move the material around the stake and the material cannot be shoveled unless approved by a tournament official. The only exception to this rule is for courts with sand or sandy loam material. They may be leveled, as needed, throughout the course of the contest.

Effect — Allows contestants to fill in the holes in sand or sandy loam pits.

7. Rule 5, Section B Insert between the first and second sentences in parentheses — If a stake breaks as a result of the fourth shoe in the inning and both pitchers agree as to the results of that inning, then it may be counted.

Effect — Since the frame is completed, it should be counted if there is no doubt as to how it should be scored.

8. Rule 6, Section B Move it to the end of Rule 9 Section A. The wording would change if #1 does not pass. If #1

passes, the wording would stay as it is now. Effect — Puts it in the proper place in the rules.

9. Rule 6, Section C

Move it to become the first sentence of Rule 8 Section C. Effect — Puts it in the proper place in the rules.

10. Rule 7, Section E Rewrite to read — A contestant, while not pitching, shall remain on the opposite side of the stake and behind his/her opponent. A 30 foot pitcher shall remain three feet behind his/her opponent but shall not return to the rear of the court unless the opponent is a 40 foot pitcher. A contestant shall remain stationary and silent while his/her opponent is pitching.

Effect — Does not require a 40 foot pitcher to stay in contact with the opposite platform while the opponent is pitching. Defines proper decorum for a contestant while an opponent is pitching.

11. Rule 8, Section D Change the penalty to read — Both shoes shall be declared foul for that inning.

Effect — Changes to a less severe penalty.

12. Rule 8, Section F Rewrite to read — A shoe which strikes a foreign object (such as an animal) while in flight to or landing in the pit shall be pitched over. A shoe which strikes a tree limb, electrical wire, ceiling of an indoor facility or other object which has been there all along shall not be repitched.

Effect — Better wording.

13. Rule 8, Section H Rewrite the last sentence to read — If the contestants fail to discover the error until after all four shoes have been pitched, the inning shall be scored on the basis of what shoes they pitched. If they fail to come to agreement, the frame shall be repitched. **Effect** — Each contestant is sure to be credited with the shoes he/she pitched.

14. Rule 11 Rewrite to read — An official (legal) shoe shall be NHPA sanctioned and approved. It shall not exceed 7½ inches in width, ... (keep as is) ... not exceed 3½ inches.

Add as a second paragraph — An "altered" shoe is a shoe changed by adding to (or subtracting from) it any feature such as a caulk, notch, weight, etc. that would make it different from its original design. An "altered" shoe is illegal. Penalty — Forfeiture of all games played.

Effect — Further defines legal and illegal shoes. Defines an "altered" shoe and the penalty for using one.

15. Rule 12, Section A Add on —

and shall be made to the closest part of the stake.

Effect — Makes sure the measurement goes to the closest part of the stake and not necessarily parallel to the ground.

16. Rule **12,** Section C Rewrite to read — A ringer is declared when the shoe encircles the stake far enough to allow a straight-edge to touch both heel caulks and clear the stake or when the straight-edge touches both heel caulks and the stake simultaneously.

Effect — Makes the "three-pointer" a ringer.

17. Horseshoe Court Layout on Page 8

Add the forward foul line to it.

Effect — Makes the diagram more complete.

Horseshoe Pitchers' Lament

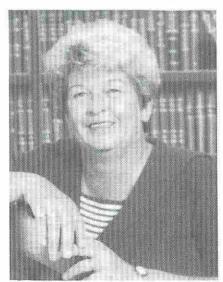

What'll I do with the horseshoe, oh? It won't make a ringer oh Watch that background beyond the stake Don't let it move, for goodness sake For if that background moves to the left That's where the horseshoe comes to rest And if that background moves to the right That's where the horseshoe is bound to light.

Now if that background moves not at all Onto the stake that horseshoe will fall And if that horseshoe is open wide The ringer it makes will give you pride Pride in correcting the errors you make And sharing with others the solutions

The fun of the game is knowing what to do When things aren't going right for you.

BILLIE SUE PENNINGTON For NHPA Sec./Treas.

"Qualified, ready, and willing to serve"

For A Healthy Pitch by Debby Michaud

My knee is bothering me." "My neck is stiff." "I don't pitch well in the morning (or in the evening, cool weather, rain, after a break, after keeping score, etc.) because of my arthritis." "It takes me a long time to warm up." etc., etc., etc. All of these statements and many other like them have one thing in common... Most horseshoe pitchers are, like the general population, not in real terrific physical shape. We tend to expect our bodies to respond to our commands perfectly even if we only pitch shoes at weekend tournaments and even though we do very little else to keep them running smoothly.

How do we fix this with a minimum of effort? It's not that difficult but it does take a little thought and time, which is well worth it, especially when we can see results pretty quickly in some cases.

First, we have to realize that everyone, even young people, should warm up before undertaking any activity. You may think that horseshoe pitching is not strenuous enough to need a warm-up. However, any activity that is repeated literally hundreds of times, such as pitching in a normal tournament, requires a warm-up. Warming up helps get the circulation going and increases the blood supply and the heat in your muscles and joints. That will help prevent muscle strains and pain. So, first of all, we must warm up before we begin pitching. How?

A brisk walk at least twice around the perimeter of the horseshoe courts will help a lot. Swinging those arms back and forth while walking (without the horseshoes) will help. Taking several lunging steps on both legs will also help. Some gentle shallow knee bends while waiting for your court will not look unusual and will help. Any activity after you get out of your car and before you begin pitching is good.

The next thing to think about seriously is trying to get yourself in better physical shape overall. You may have heard of cardiovascular fitness. Cardiovascular fitness is not just muscular strength but it is fitness of the heart, lungs, and circulatory

system. It is accomplished by some kind of continuous exercise such as walking, swimming, or biking which you do for a minimum of 20 minutes at least 3 times a week. By taking the time to do something like this, you are helping yourself to a healthier life, better weight control, perhaps even blood pressure and cholesterol control. In addition, this kind of exercise can relieve stress. People who exercise regularly have more tolerance for the exercise and for the excitement of competition.

What to do about the chronic injury such as a bad back or a bad leg? If you have pain in any area, you should first have it checked out by a physician or a sports medicine clinic to be sure it is not dangerous. Then you should request some exercises to strengthen the muscles around the area of injury or pain. If you get the OK for exercises, and if you do them, you will be increasing the muscular support around the problem area and you will probably notice less discomfort. Best exercises for a simple low back strain are abdominal exercises. However, the old leg lifts are OUT! IN is the exercise in which you lie down on the floor with your knees bent, place your arms across your chest, and curl just your head and shoulders up off the floor. That's all you need to do. Do it as many times as you are able to and even more than once a day if you can — the abdominal muscles are the only muscles that don't need a full day's rest between exercise. Out on the horseshoe court, try to bend your knees to pick up your horseshoes instead of leaning over. That puts a tremendous strain on the back. Also, when your horseshoe is stuck in that clay, use the other horseshoe as a lever to pry it out instead of trying to yank it out with those poorly designed back muscles.

This is a real quick overview of the "getting fit to pitch" pitch. If you have any questions or want some more detail about anything, write to Newsline with your question and I'll try to answer. Our sport has a lot to offer people of all ages, so we have to look and feel as good as possible to be its ambassadors.

A First for Valley of the Sun

by Stewart Snyder

ELDERS: Magic word that brought forth this favorable first. "There never has been a Senior Class. This year was first year for Elders," said Ralph McCarty, AHPA Treasurer. Ralph spoke on behalf of Mesa, Arizona, host club for the popular Valley of the Sun tournament in Mesa this mid-February.

Some two hundred pitchers representing 26 states and several provinces of Canada came in atypical Arizona weather to pitch for tempting cash prizes. Optimistically, it may be assumed that inclusion of *Elders* 30 foot groups for men brought an additional near 10% registration for the tournament.

There are pitchers who feel a 30 foot throw for men takes all masculinity out of horseshoe pitching, that it represents but a shadow of the original game — perhaps rightfully so, for 40 feet has been standard distance for men for so, so long; nonetheless, popularity of this shorter distance tells the game something - that somehow as time goes by things do not stay the same. Time has come to relax 'hard' feelings and accept changes that blend the game to give greater popularity; to accommodate Elders who, perhaps for physical reasons, can no longer pitch 40 feet, now can pitch 30 -for the fun of it!

GEORGIA ON YOUR MIND

It's now decision time for your entry to the 1990 World Tournament.

For those that have not yet made up their minds to come to Stone Mountain, let me assure you that this could be the most memorable tournament to date. This will be the 69th Annual World Tournament and all indications point to the possibility of another record setter.

Sure it's going to be warm in Georgia in July, but don't forget the courts are covered and even the spectator seats are under roof.

The 3000 acre park in which the tournament site is located offers a wonderful change for a family vacation.

40 courts are being built under the coliseum roof and 16 courts are in the woods next to the parking lot that surrounds the coliseum.

President Bush has been invited to be present at our opening ceremonies. We're looking forward to seeing all our old friends and making new ones. in Stone Mountain, Georgia.

This issue of *Newsline* lists two new 800 numbers for hotel and airline hotlines. For those of you who haven't already booked reservations, be sure to use these numbers and tell them you are calling for the horseshoe tournament.

We are still soliciting your support and patronage as a "Friend of Horseshoes." Recognition in the annual program book wil be given and all "Friends" who donate \$35.00 or more will be given a chance to win the original oil painting prepared specifically for the 1990 Tournament.

Sanctioned Club/League News by Bev-Born

The following listed clubs have had their sanctions cancelled, due to no correspondence or reports of any kind, for over one year. I am very sorry to have to cancel any club's sanction, but am left with no other choice. The directors of these clubs did not send in the required reports, did not reply to my inquiries and made no effort to communicate. As such, official notices of cancellation were sent out on 3/23/90.

- Ouachita Club #88-C-6, Story, Arkansas
- Half Moon Bay #87-C-266, Half Moon Bay, California
- Thur. Nite Trav. Lg. #87-L-248, Cahokia, Illinois
- Shelby #87-C-233, Shelbyville, Illinois
- Elgin Northern #84-C-83, Elgin, Illinois
- 6. Cumberland #87-C-264, Cumberland, Illinois
- Pittsfield #88-C-29, Pittsfield, Illinois
- 8. Ossipee Valley #87-C-230, Limerick, Maine
- Elk River #81-C-104, Elk River, Minnesota

- 10. Box Butte County #87-A-25, Alliance, Nebraska
- 11. NE-OS-CO #86-C-227, Sandy Creek, New York
- 12. Genoa Lg of H.S. #87-C-244, Genoa, Ohio
- 13. Sioux Valley #87-C-234, Sioux Falls, South Dakota
- 14. Circle "K" #82-C-87, Sandston, Virginia
- North Texas HPA #89-A-11, Fritch, Texas
- 16. Trenton #89-C-2, Trenton, North Dakota
- 17. Austin #89-C-1, Austin, Texas

Perhaps I should feel a little consolation in the fact that there were 30 sanctions cancelled in 1989, compared to only 18 this year. Helping to offset the cancellations were twelve new clubs joining the program for 1990. One is from the state of Kansas, which has had no sanctioned club for several years. May all the new ones and old ones be with us for many years to come.

With the upcoming change in the program dues structure, the red book (CL/LG Guide Book) will be rewritten sometime this year. Hopefully, it will be available for distribution at the W.T. with a copy of the

new edition being sent to all sanctioned clubs before the first of the year. The membership report forms will be revised to delete the dues column, but all NHPA card numbers of all club members will still be required. Reports received without all card numbers will be returned as incomplete. No patches or awards will be sent to any club until a completed membership report is received for the current year. This verification that all members have paid their current NHPA dues/ins. fees will be mandatory.

Please, encourage your members to order their "full" NHPA cards for the next year as early as possible, so as not to hold up your reports. Your club's first membership report should still be sent to this office, just as early in the year as possible, followed by report #2, 3, etc., as needed to assure that all members are reported. Any pitcher's name that is not on the current member report and comes in on a final stat or top ten form, will not be recognized to receive any awards.

In 1991 all sanctioned club members will pay their NHPA fees to and receive their cards from their state/charter secretaries. Your CL/LG director may arrange with the charter secretary, if they choose, to have cards on hand to sell or just collect the fees and order all cards at once. In any case, the canary copy of the threepart membership report must be sent to the charter secretary, to either have them fill in the NHPA card numbers issued, or get a record of the names and numbers issued by the CL/LG director. This is so the state secretaries can send in their reports and fees owed to the NHPA secretary. If any of you have any questions or need help on this, please contact me. Even though it is still some seven months away, it never hurts to be prepared ahead of time.

May this be the very best season for all with an increase in ringers — for everyone!

Director of the Year

Bart Sargent

St. Moritz Horseshoe Club 78-C-59

first joined the St. Moritz Club in 1973 and the Massachusetts HPA the following year. I was elected president of the St. Moritz Club in 1976, succeeding Russ Gadoury, the originator of the Sanction CL/LG program. In 1978 (our first year of sanction) I became the club's secretary, which I still am, along with being treasurer in 1989. I keep track of player's averages, handicaps and ringer percentages each week. At the end of the season we have a club tournament followed by a member/family cookout, at which we elect new officers and hand out the awards received from the Sanctioned CL/LG

I am vice president of the New England HPA, compiling percentage stats of all players from the six New England states, a copy of which is sent to all club directors in the fall after all tournaments have been completed.

When Ed Domey had his "Heritage Recreation Center" I kept the stats for the Tuesday night league and compiled averages and results for all members of his club, receiving a plaque and certificate for doing this.

At the present, I am compiling a World Tournament record book. This is an attempt to list every player that has pitched in World, their wins, losses, ringers, shoes pitched and percentages, plus all other kinds of records I can think of. These are a set of five volumes, which I hope to have on display at Stone Mountain during the 1990 W.T. and eventually will present them to the

Although my pitching average is quite low, it has not kept me from enjoying this sport. I won my class in the 1976 Mass. Open, the Heritage Club Championship, the 1980 Rhode Island Open and 1989 St. Moritz Club tournament. In 1985, Ed Domey and I were Mass. doubles cham-

I am very honored and proud to have been selected as "Director of the Year" of the Sanctioned Club/League program. This award, along with being elected to the Massachusetts "Hall of Fame" as an organizer, has made 1989 an extra special year for me and I sincerely thank all the persons that chose me for these awards.

HELLO NEWSLINERS

NHPA President and Newsline Publisher, Dave Loucks, has convinced me to share our interesting history with you. At every opportunity possible I will give the source of information.

I would like to praise the efforts of recent historians for the fine job they've done. Dave Loucks, Newsline creator; Kevin Cone, who can forget Ringers Remembered?; Walter Ray Williams Jr., our original modern day statistician; and Bob Champion, creator of Colorado's Double Ringer publication. If their time permits, I will be asking these gentlemen for special help in their field of expertise. I would also like to acknowledge two unofficial historians, Stu Snyder and Glen Portt for the fine features they share with us.

We would like to publish year-by-

year finishes of our star pitchers, like one-sided baseball cards. If you have ever pitched in the Championship Class, send a photo to Newsline with your name on the back. Don't be shy. Retired old timers would also be appreciated.

Many Newsliners would like to improve their pitching performances so we will print pitching tips. Everyone isn't lucky enough to have a Glenn Riffle or Don Titcomb as a tutor. While writing the book on the history of the World Tournament, Ted Allen and I spent many hours on the telephone confirming many historical facts. I mentioned to Ted how I read his many articles on how to pitch horseshoes and would he mind if I shared this information. He told me someday he might write a book and asked me to suppress this information until he died. Soon the lessons will begin. I'm sure Ted

would like it.

In 1928 our first NHPA statistician D.D. Cottrell wrote a book called "Horseshoe Pitching - How to Play the Game." In our first feature, a story of this Hall of Famer will be told. Before we start I'd like to mention our first reference of horseshoe pitching was made by the Duke of Wellington complaining "the Colonial War was lost to pitchers of horse hardware on the village greens!" Both sides in this war pitched horseshoes. While researching Ohio's 1916 State Tournament it was learned Ohio's Joseph Warner was Batallion Champion at Gettysburg. Bill Smith of Stow, Ohio sent me a copy of Civil War horseshoe pitching shown in Time-Life's History of the War. Some of this is mentioned in D.D. Cottrell's "History of Horseshoe Pitching" which I hope you enjoy.

History of Horseshoe Pitching

by D.D. Cottrell
Part 1, edited and condensed for
Newsline by Dave Loucks

The Encyclopedia Britannica says that as early as the second century before the Christian Era, iron plates or rings for shoes were nailed on horses' feet in western Asia and eastern Europe. This practice however, did not find its way to western Europe until the fifth century A.D. and was not in regular use until the Middle Ages.

In Greece and Rome, athletic contests of different kinds generally formed some part of a religious observance or festival. One of the four Grecian national festivals was the Olympian games which was established in very early times and today is still called by the same

These Grecian games consisted of boxing, putting the weight, archery, chariot races and discus throwing. The discus was similar to the modern quoit but not in size and weight. It originally was a circular plate of metal or stone, 10-12 inches in diameter, and was pitched or thrown with a strap or thong passed through a hole in the center, the strap being released by the player as he swung it so the discus would go to the greatest possible distance.

Camp followers of the Grecian armies who could not afford the discus took discarded horseshoes and pounded them together in the shape of a discus and used them in games like their more well-to-do superiors. The camp followers are believed to have gotten too lazy to pound their old horseshoes together in the form of a discus to throw and set up a stake and began throwing just the old horseshoe rings at it. Somewhere along the line, the game was changed to include two stakes but the time of this change is undocumented. We do know that horseshoe pitching had its origin in the game of quoits and that quoits is a modification of the old Grecian game of discus throwing.

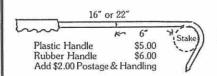

The rules of the game of quoits seemed to vary greatly until the mid 19th century. In 1869, the game

became very popular in England and a set of rules were drawn up to govern the game. The distance between the pegs was 19 yards and the player stood level with the peg and had to deliver his quoit with his first step. While no requirement for weight was established, the outside diameter could not be more than 8 inches. All measurements for points were taken between the nearest parts of both the quoit and peg. Each player delivered both his quoits, followed by his opponent. These became the rules under which the game was played in the United States but it was much easier to find discarded horseshoes and pitch them. Thus, horseshoe pitching became the more popular game.

During the Revolutionary War, horseshoe pitching became a favorite sport of both the British soldiers and the Continental Army. This is documented by historic pictures of blacksmith shops showing a game of horseshoes being played. The game seems to have been a favorite among

soldiers in most wars, but during the Civil War, it was played in earnest as many a company had its champion pitcher. Contests between the best pitchers of different companies and regiments were common. The Spanish American War soldiers took up the game and it became one of their more popular sports. These soldiers, returning home to all parts of the country, kept the interest in the game going and soon horseshoe courts were being laid out in cities, villages and farming communities all over the land. The hot bed of horseshoe pitching at the start of this century seemed to be centered in the Kansas City area with every hamlet or village within 100 miles having its local champion. Horseshoe pitching was getting serious as contests were staged between teams representing different cities as they got together on the clay courts in Convention Hall, Kansas City, MO., in 1900 and again at Independence, MO., in 1902. To be continued.....

Alan Francis

by Bob Champion

ost of us have heard the expression "Youth must be served." In the case of Alan Francis from Blythedale, Missouri, youth served up a batch of ringers last year to defeat defending champion Jim Knisley, of Ohio, on ESPN TV and win the 1989 men's World Horseshoe pitching championship at Spearfish, South Dakota.

Had Buddy Ebson of television's Beverly Hillbillies been around at Pleasanton when Alan defeated former World champions Knisley, Walter Ray Williams, Jr. and Mark Seibold in succession in 1988, he probably would have remarked: "I're reckon this kid's a hoss shoe pitcher to be reckoned with in the future." So right! A dream come true for Francis, who had all the top pitchers looking over their shoulders at Spearfish.

In winning the 1989 title, Francis became the fifth pitcher in the history of World Championship competition to win the junior crown and follow in later years with the Championship.

At 19, he became the youngest pitcher to win the "big one" since Williams won his first crown in 1978 at the age of 18. In 1967 Danny Kuchcinski was 17 when he won his first championship, Putt Mossman in 1924 was 18 and Harold Falor, the 15-year old youngster won in 1923.

All of these youthful flingers continued to show their ability except Falor, whose parents decided that schoolwork was more important than pitching shoes. In the case of the 1989 champion, Francis plans to continue pitching, handling schoolwork, work on the farm and all the other activities and interests in his life.

During the interview after the TV finals in Spearfish, Alan said, "hopefully, I'll be back, I might win, I might lose. Don't know." He added: "I was speechless after the win. It was a great thing to happen to me. Jim (Knisley) is a great player, and it was a privilege to pitch against him and come out a winner.

Reminiscing a little, the other four pitchers who have won both the junior and the men's or women's titles have been Seibold from Indiana, Williams from California, Sandy McLachlin from Canada and Tari Powell, Illinois. All four of them will be in Georgia in quest of yet another title.

Francis missed a chance to be alone in total junior championships but lost on his fifth try at Ainsworth, Nebraska. He is currently tied at four straight with Gary Roberts of Ohio, who won from 1961-1964. Three other former juniors have won three titles: Dave Loucks (1951-1952-1953), Walter Ray Williams Jr. (1971-1972-1975) and Mark Dyson (1979-1980-1981).

Alan graduated from the junior ranks with honors. His ability carried him to 12th in his first men's championship effort, boosted him to fifth in 1988 at Pleasanton, before his top, pressure-packed victory carried him to his first place at Spearfish.

Alan Francis is a winner. You don't have to ask this lanky Northwest State University sophomore how he became that way...Competition. Just look at the impressive record in horseshoe pitching and the results in basketball, his second favorite sport.

He played junior high and varsity basketball, mostly as a guard, receiving most valuable player selection, best free throw percentage award, all-conference and all-district honors. His most memorable high school experience was in his senior year when he helped to lead the North Harrison Shamrocks to a third place finish in the State Tournament. Alan made All-State second team, averaged 16.4 points per game and hit 86% of his free throws. Seems like that same percentage follows him in horseshoe pitching tournaments.

Other sports playing a big part in his life include baseball and softball. Francis played little league and senior league baseball for nine years as a pitcher and doubling as shortstop when not pitching. He was selected for the Harrison County All-Starteam several times. In softball he played first and third base.

One may wonder how a youngster can be so active in sports and still have time to help around the farm. The Francis family farms 500 acres, raising corn and soy beans. His mother says that "Alan certainly enjoys helping with the field work, does a very good job, and is very helpful to us." Parents Larry and Joyce Francis must have spent many

hours of "taxi" service to and from games. The Francis family is closeknit with older brother, Tom, and younger brother, Brett, helping to furnish competition for the new champion through the years.

Alan was six years old when he was introduced to horseshoes by his father and grandfather Leonard Francis. He went to his first tournament at age 9. He placed third in 1979 and was determined to be the best in the "Show Me State." He is the best in Missouri, having won 10 consecutive championships, six times as a Junior and four in the men's division. He entered the men's division at age 16, although he could have competed as a junior one more year. In his first encounter with the "big Missouri boys" he won and set a new tournament record of 79.6%.

His best tournament ever came in the Fall Independence, Missouri Open when he tossed 112 ringers in 118 shoes (94.9%) As a junior Alan pitched five perfect games in sanctioned tournaments, one was 32 shoes. "I owe a lot of my success to my brother, Tom, who was a great pitcher as a junior. It took a lot of hard work and practice to beat him at home and did prepare me for the championship seasons to follow."

By now, readers are wondering how this World Class star finds the time for all his activities...May we add that Alan is an avid hunter, enjoys hunting quail, pheasant, turkey and deer. Alan especially likes bow hunting deer.

During the winter months, like Knisley, Alan rarely pitches horse-shoes, feeling the need to rest and be able to renew energy and excitement for the game. Let's not forget, he has schoolwork to occupy time during the winter. More activities include the Future Farmers of America, student council, and a member of the Mt. Pleasant Baptist Church, a small country church near his home in Blythedale.

As we drift through the life of Alan Francis, we must admire the master of the ¾ turn, and wish him luck in his manipulation of his Deadeye horseshoes, which have so successfully been a part of his strong right hand since 1981.

This cool, lanky six-footer with the smooth style will have the "old-timers" scheduling more practice time before they head for Stone Mountain this year.

It will not be lonely at the top for Alan Francis. He will have several former World Champions just aching to repeat the World Championship of horseshoes. However, this busy 19-year old Champion will always give a good account of himself.

MGSHPA Teams Up For Missing Children by Bob Dunn

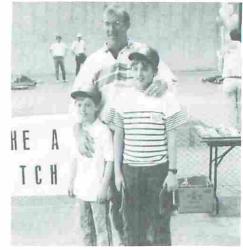

he Jacob Wetterling abduction in October 89, brought not only a state-wide alert, but national attention. The hope and search continues, with much of the effort prompted through Missing Children Minnesota. As in most states, Missing Children Minnesota is funded primarily through private donations. On March 3rd, prominent Minnesota Gopher State Horseshoe Pitchers' Association members paired off with Twin Cities celebrities to benefit Missing Children Minnesota.

The single elimination doubles tournament was successful, with 1989 Junior Boys' State Champion, Vance Harren and former Minnesota Viking "Benchwarmer" Bob Lurtsema winning the championship. The runner-up team consisted of Dave Hughes and Jack Kelly, U.S. Olympic Festival Executive Director. The tournament spotlight was continually on the Harren/Lurtsema team, as Vance shook off the off-season rust, and a

six-hour drive, to pitch 66% ringers over three games.

While the audience applauded in amazement at the skills of the topranked pitchers, they were also entertained by the showmanship of Lurtsema and former heavyweight contender, Scott LeDoux. Barry Zevan "The Weatherman" and local emcee personality, served as guest announcer and brought much color to the event. Jack Kelly added to the promotion by announcing all participants and those making donations would receive a 1990 U.S. Olympic Festival T-shirt.

The remainder of the field included: Chris Harren (1988 State Junior Boy's Champion), Dale Lipovsky (three-time Men's World Chamion), Len Lipovsky, Ralph Marcks (1989 State Senior Men's Champion), Boni Boser (former Junior Girl's World Champion), Gordy Schmidt, and on the celebrity side: Joe Schmit (KSTP sports announcer), Marge Romero (Missing

Children Minnesota President), and Allan Merrick (former coach of the Minnesota Strikers).

This event was made possible by the Boat Buyers Boat Show, who donated an 80' by 30' space to set up the two-court arena. As in all tournaments, the personnel behind the scenes allow for the success, and a big thank you goes out to: June and George Nick (official scorekeepers), Pat and Dave Senger, Dean Heng (MGSHPA Secretary/Treasurer), Jessica Dunn, Bill Orman (photography), and Len Lipovsky and Ralph Marcks, who helped to construct the pitching arena.

A Profile: Leigh Dunker

There have been 59 South Dakota state horseshoe tournaments, and Leigh Dunker has pitched in nearly every one of them. That is amazing, but more amazing, is the fact that Leigh Dunker has won 33 state championships. His 25th state title came in 1975, which also earned him South Dakota Athlete of the Year honors as voted by the South Dakota Sports Writers Association.

The first championship came in 1934 when Leigh was 19 years old. It was his first state tournament, and a rather spur of the moment notion, for he had not planned to attend until neighbors encouraged him to go to Brookings and they even offered to drive.

Since then, 32 more state championships and a record that may not be matched by any other pitcher. Leigh Dunker has been winning state titles over five decades.

Leigh is now 74 years old and he

and his sister, Elenora, still live on the farm that their parents homesteaded, near Warner. His horseshoe pitching began at the age of eight, when he pitched mule shoes with his father, John. Life and a career on the farm have kept Leigh from participating in world tournaments, due to harvest time coinciding with tournament dates. Yet he has faired well in other tournaments, against proven greats of our sport. Many of his 200 trophies have been earned against the likes of Frank Stinson, Andy Paglarini, Jerry Black, Lee Scharff, Floyd Swarthout, and Art Engebretson, and there is talk about an exhibition victory over Ted

Age and arthritis have placed limits on his pitching now, but already there are accomplishments that may never be achieved by another pitcher. Leigh Dunker is a living legend in South Dakota.

I WON IT!

by Glen Portt

Practically all my life I've had the American dream of striking it rich. (Just like you. Right?) The last few years I've had millions of chances so it seems to win millions of dollars. Like you, I receive all those notices from Publishers Clearing House, Reader's Digest and others stating in great big bold letters...G. PORTT, YOU HAVE WON \$10,000,000. My heart jumps (just like yours). Then I read the fine print which always says something like..."if you do umpteen things exactly right and if you have the winning number."

Just the other day I received a very official envelope with...WARNING! Please sit down, Mr. Portt, before you open this...and, if your family is present, have them sit down also. I knew this was it. I knew I'd won. But somehow it didn't quite work out that way. So through the years, the winning number always eluded me. But I never gave up. I always felt that someday I'd get lucky and win something worthwhile.

Pictured here is an antique 1936

Bentley. It has a 4-cycle engine, no radiator, and gets 25 miles on a gallon of premium gasoline. This 4 passenger touring car has a fiberglass top, plastic and leather side flaps, radio, heater, and voltage regulator. The engine is air cooled, starts with a mini-battery and has 4 manual shifts. The car has a special two-toned horn and weighs 1875 pounds. It is valued at \$65,000.

In February, I decided to take a trip to Florida and pitch in Herman

Wieser's Lake Worth tournament. I won it

In reviewing this article before submission, I came to the conclusion there was a faint possibility that you could misinterpret the word 'it'. As I would never intentionally mislead you, I felt I should clarify that little word. When I said, "I won it," I meant the trophy and the tournament.

You didn't think I won the car, did you?

Bob Champion's Charter Chat

CALIFORNIA—NORTHERN CHARTER

The latest newsletter to publish is the Northern News. Volume 1, Issue 1 was sent to members in March. It is produced and paid for by the NCHPA. It was assigned to Jerry D. Smith, 3rd vice president, who wrote and edited the first edition on a trial basis.

Columns included The President's Pen, What's New, Activities, Achievements, National Notes, Club News, Announcements and schedules.

Your writer urges more charters to have newsletters. There is always someone in your membership who can carry the ball and help to inform your membership. All people are egotists and sure like to see their names in print.

Winners in the first Yolo Tournament by groups were as follows: A-1, Jack Fravel; A-2, Steve Kynard; A-3, Ray Beardall; A-4, Tony Moreno; A-5, Greg White; A-6, John Kincheloe, A-7, Ray Sherbino; A-8, Bob Watkins; A-9, Vicky Campbell; A-10, Jeff Campbell. High average percentage, Billie Sue Pennington 70.14.

CANADA

The high percentage high game All-Time as follows: Men-Andre LeClerc, 1985, 95.8; Women-Diane Cantin, 1989, 100%; Boys-(tie) Stephen Hohl, 1978 and Eric Beaudoin, 1983, 94.1; Girls-Janice Ross, 1981, 78.9; Intermediate Men-Howard Weitzel, 1983, 79.4; Intermediate Women-Elsie Cooke, 1989, 75.0; Senior Men-Howard Weitzel, 1988, 88.4; Men, 30 foot-Bud Price, 1988, 72.7.

FLORIDA

A fine story in the February 10 Tampa, Florida Tribune with color pictures of the excellent layout in Clearwater and feature paragraphs on Carl Steinfeldt.

Horseshoe remains a popular participation sport in Florida — played in back yards, mobile home parks, churches, schools, community centers and horseshoe

Steinfeldt won the overall World title in 1976. He captured the intermediate World title in 1978 and the Seniors title in 1988, the only pitcher to capture all three titles.

Other honors for the 72-year-old lefty include World runner-up five times, New York State Champion 22 times and Florida State Champion 10 times. He is the reigning Florida State Champion, and is in the NHPA, New York and Florida Halls of Fame.

In his competitive career, Steinfeldt has pitched five perfect games. His career average is over 80% ringers.

GEORGIA

Regional Director Al Sandham writes in the latest newsletter out of the Peach State that 1990 should be a year for all Georgians to remember. It will be the first time the World Horseshoe Tournament will be held in their state.

"It is our chance to give the thousands of people who will be in Stone Mountain a real taste of Southern hospitality. The members of the Georgia Association are the hosts and it is our responsibility to put our best foot forward and to show all the visitors to our area a wonderful time."

As usual with World Tournament hosts, a lot of help is needed to make the tournament a success. Sandham asks that the locals keep the schedule of work days in mind, and be there to help.

IOWA

Hardin County's Board of Supervisors took action recently at their regular meeting to support the efforts of the Hardin County Agricultural Society (Fair Board) in an attempt to construct a new indoor horseshoe pitching facility on the fairgrounds. The Supervisors agreed to provide a maximum of \$45,000 toward the new structure, with payments stretched over a threeyear period.

Don Koso from Nebraska writes that Bob Walters is a member of the Fair Board. Koso placed Walters on as chairman of the Iowa Regional Directors in 1988. He reports that Bob is a good horseshoe man.

The building will be utilized first and foremost for horseshoe pitching with county activities worked in as the schedule permits. Contributions from horseshoe pitchers and their friends are still needed to complete the fund-raising efforts. The building will be called the Putt Mossman Indoor Arena.

MICHIGAN

The Wolverine State Horseshoe Pitchers Association is offering a contest to increase membership. All current members need to do is submit the names of potential members to receive an invitation to join the WSHPA. If the name you submit buys a full National and State membership card, your name will be entered in a drawing to be held at the state tournament. If you buy a membership as a gift, the donor's name will become eligible to win the prize. Only one prize per individual.

The prizes are as follows: First-\$50 savings bond, 2nd-NHPA sweater, 3rd and 4th-WSHPA hat, 5thhorseshoe pitching towel. The more people each member signs, the more chances they have to win.

Just an idea that other states might use to increase membership.

MINNESOTA

Another new newsletter published Volume 1, Issue 1 in March called the MGSHPA Newsletter. The editor is Art Moran, Box 98, Webster, Minnesota 55088. His phone number is (612) 652-2609. Coordinator for the publication is Dean Heng of Brooklyn Park.

Information included a President's Column by Jim Holland plus writings from Regional Director Len Lipovsky; Don Roggenkamp, Northwest District; Bob Dunn, Metro District; Steve Stensgaard, Auditor's Report; and Dean Heng, Secretary-Treasurer.

The coverage includes future sanctioned tournaments and a pitch-in for missing Minnesota Children.

NEW YORK

The Pioneer Horseshoe Club of Syracuse, N.Y. successfully completed its '89 season last November. Over sixty pitchers participated in three leagues, beginning in early May and ending in late October. The club has 12 top-flight indoor clay courts and is located at the N.Y. State Fairgrounds.

Highlight of the pitching season was our annual Pioneer Open held the 1st week of June. Over 100 players pitched in the tournament. The entrees included top A-Class players such as Glen Burris, Art Tyson, Mike DiMartino, Kevin Hollister and Ruth Hangen

PA State Champ Glen Burris captured 1st place with a blistering 76.8%. Mike DiMartino was second with 74.2%. Kevin Hollister finished 3rd with 76.6%. DiMartino took high percentage game honors, when he fired on 30 out of 34 ringers for a lights-out 88.2%! Horseshoe great, Ruth Hangen, won Women's A-Class with 72.8%.

The Pioneer Club plans to usher in the decade of the '90s with another well-run Open this June. We welcome all past participants to return to the Fairgrounds to help get their pitching game ready for 1990! The club is hopeful that horseshoe legend, Carl Steinfeldt, will also return to further bolster the fine field.

The next big event on our Pioneer calendar will be the Senior Olympics which our club will host in the summer of 1991!

OHIO

Elden Sarbaugh of Adamsville finished with a 6-1 record and a 77.1 percentage to win the 8th Annual March Open Tournament at Hickory Lake Inn in Newbury.

Former World Champion Walter Ray Williams, Jr. of Stockton, California posted a 5-2 record and 83.5% for second. Williams twice pitched 37 ringers out of 40 shoes for high percent games of 92.5.

Oscar Manns of Painesville was 3-4 (80.3) good for sixth. A total of 99 pitchers entered the tournament to share in the approximately \$2400 in prize money.

TEXAS

State president Shorty Fry has been appointed to the NHPA Publicity Committee. She has been very active in the Texas Association. She is from Austin. Other officers are Louis Engelhardt, Rosenberg, 1st vice president; Jerry Zigrang, Houston, 2nd vice president and publicity. Diana Polak, 3rd vice president;

Dwayne Polak, Houston, secretary; Joe Sullins, Houston, treasurer.

WASHINGTON

The Winetrout series of sanctioned tournaments are in full swing with the results of the first two posted in their fine newsletter. The January 14 results are as follows: A-Art Sperber, Bremerton; B-Robert Hansen, Lynnwood; C-Jim Malvern, Sr., Marysville; D-Verna Hisey, Lake Stevens; E-James Quist, Bellingham.

Tournament #2 on January 27 found Peter Clark, Port Orchard, winning in Class A. Other winners were: B-Mac Huson, Seattle; C-Larry Lowitz, Seattle; and D-James Quist, Bellingham.

The Winetrout mileage trophy will be presented to the pitcher who: 1-travels the most miles one way; 2-participates in at least five of the six series; and 3-has not previously won it.

Tournament #3 on February 11 also produced Peter Clark as the Class A winner. B winner was Robert Clark, Port Orchard; C-Gary Bowlby, Silverdale; and James Quist, who won Class D for the third time in a row.

Ray Hall's Dream

This is the story of smoking Ray Who liked to play horseshoes every day

He was married to the fair lady, Irene Who, on their wedding night, had this dream

She saw many visions of a ringing machine And woke up Ray to ask, what did it mean

He was sleepy and groggy and did not know But thought the answer might be in Buffalo

They packed their van and off they went Laughing and joking about a night well spent

It was about noon when they pulled in Just three hours before the games would begin

Ray drank liquids to quench his thirst As he wondered who he'd play first

Irene told him to relax and settle down You'll probably play some nameless clown

With that in mind, and shoes in hand His first match read "The Buffalo Man"

Had he know it would come to that Back in Corning he would have sat

Now it was too late and this was the hour That he'd be stung by the Buffalo's power

Smoking Ray shot well as he played his best But he was not up to the Buffalo test

He packed up his shoes, after wiping them clean Saying to Bob, it was you I saw in my dream

When I get home, I will call my son, Dan And tell him all about the Buffalo man...

Regional Director's Report

by Gary Minnick

Bob Wells, Past Regional Director for Michigan reports that in 1989 the Michigan horseshoe pitchers raised \$1,631 for the St. Jude Children Research Hospital in Memphis Tenn. In 1990, Michigan will be conducting a contest to increase membership. Mr. John Decker has been appointed the new Regional Director for Michigan.

Phil Zozzaro, Regional Director for New Jersey reports that NJSHPA will run a total of 30 sanctioned tournaments this year. They have three indoor courts in Pottersville and have had people from New York over to play on them (Joe Schultz, Helen and Leo Quellette and Art Tyson) as well as their own people.

The NHPA has approved another award. This one is for Regional Director of the Year. It will be called the "Gene and Mary Van Sant Memorial Award." It will be "given each year to the Regional Director who displays the attitude and initiative of fulfilling his/her duties of upholding the image and extending the recognition of the National Horseshoe Pitchers Association". The winner for 1990 is Len Lipovsky, Minnesota. Congratulations Len. You deserve it. You have done an outstanding job. Keep up the good work. This award is given by the 5th Vice President and Regional Director Chairman but it is really given by the whole NHPA Council, and all the NHPA members. This award will be presented at the Awards Banquet during the World Tournament.

RAY COCHRAN

Ray "Lefty" Cochran of Fredericktown, Ohio, recently died at his home after a long illness. Born in Pomeroy, Ohio, in 1911, Lefty was 78 years old and had been a Fredericktown resident for more than 60 years. Mr. Cochran was a long time member of the NHPA and well known in Ohio pitching circles. He leaves a wife, Ruby, of 52 years, two children and two grandchildren.

MILO FAHSE

Milo Fahse was age 67 at his recent passing in January. A horseshoe pitcher from Waconia, Minnesota, Milo pitched in many of the local tournaments and took part in the 1987 Eau Claire World Tournament.

CARL HEXUM

Failing health kept Carl from pitching shoes but he showed up regularly to keep score at the Fergus Falls Horseshoe League in Minnesota. Carl was a dedicated pitcher who always could be counted on to help out in some way at tournaments. He died December 3, 1989 and will be missed by all his League members, friends and relatives.

GUS KRAUSE

Longtime horseshoe pitcher, Gus Krause of Syracuse, New York, passed away suddenly in the late fall of 1989. He was a member of the Pioneer Horseshoe Club who began pitching in 1960. Gus averaged 65-70% during his best years and participated in many New York State Tournaments at the Class "A" and "B" levels. A dedicated natural pitcher with picture perfect delivery, Gus and his fine form will be missed by his family and all horseshoe friends. Surviving are his wife, daughter and two sons.

RON LUNDBERG

At the young age of 43, Ronnie Lundberg passed away on December 18, 1989. A former member of the Minneapolis, Minnesota Horseshoe Club, Ron most recently lived in Maple Plain where he was associated with the Wayzata Horseshoe Club. Ron, who was past

editor of the Minnesota Newsletter, Ringer Digest, leaves his wife Mary Ann and daughters Anna and Erica.

GORD McLEOD

Horseshoe Ontario, affiliated with Horseshoe Canada, lost a faithful member with the January death of Gord McLeod who suffered a massive heart attack. Gord often pitched in the U.S. including a few World Tournaments. In addition to many friends on both sides of the border, Gord is survived by wife Pat, a son and daughter and four grandchildren.

JOHN STROMGREN

John Henry Stromgren, better known as Henry, died November 22, 1989 at age of 90. A long time pitcher in Minnesota, Henry was a member of the Fridley Horseshoe Club and one of the area's favorite pitchers. Even last year, Henry was still toss'n ringers and took first place in the Senior Mens 30' Class B at the Minnesota State championships. With a beautiful voice, many loved to hear Henry sing the National Anthem which he did at many State horseshoe events. He was a member of the Nordkap Male Chorus and the Anoka Chorallaires.
