Advanced Design

## **TOURNAMENT PITCHING HORSESHOES**

Both backyard pitchers and pros catch and hold the stake better with DIAMOND's new advanced design "Tournament" Shoe. It features a grip positioner, hardened tips, an increased radius, a dead soft center, and a wider, deeper calk. Same drop-forged solid steel construction as DIAMOND's popular Double Ringer and Super Ringer Regulation Shoes. All American made.

Contact your nearest NHPA club or sporting goods store for DIAMOND pitching horseshoes.

# President's Message

## World Tournament Activities and Comments

Interesting might be the best word to describe the 1990 World Tournament. It was not the best nor worse but it did have some related events and incidents that ran the gamut from unexpected and disappointing to exciting and surprising.

Even though we were pitching under roof and the host said one day of rain during the two weeks would be usual, we got more than the expected. Early on, we had rain, thunder and lightning in the afternoons four consecutive days. The best, however, came the second week when a ferocious 2 hour storm hit. That one brought all the noise and an electrical show nearly the equal of the laser light show that is the calling card of Stone Mountain. It also brought wind that drove the heavy rain 100 feet into the court area even though a roof was above. There was some minor flooding to a few end courts but play was not held up too long.

The computer room people and our stats suffered a great deal in the early going when the storms aided events that caused us to lose much of the stored data. Many long hours were spent by volunteers reentering the lost statistical data. This year, we did return to the use of charts as backup and more immediate results posting for the pitchers and spectators. As usual, Ralph Dykes did a fine job on chart layout. Thanks also to Gene Webster of Kentucky and IBM for the free use of two new computer systems.

We had little advance information from the host on the Awards Dinner Banquet other than the location and that an hour ride on a paddlewheeler would be included. While the affair went off nicely, the cost of \$22.00 per person for a buffet style dinner was more than expected and probably had something to do with keeping ticket sales down to 259. The Hall of Fame inductees were Merlin Potts & Deborah Michaud in the active pitchers era, and L.D. Long & Mayme Francisco from the old-timer's era. Don Koso received the Stokes Memorial Award, Len Lipovsky the Regional Director of the Year Award, St. Pierre Manufacturing Corporation the Presidential Award with Achievement Awards going to Bob Dunn and Cathie Loucks.

There was no television coverage of the finals this year. Local TV did do some brief spot filming on a couple of days and there were a few writeups in the newspapers, USA Today being the most notable. We did get new video footage for the NHPA Legends tape with some dozen top pitchers being filmed. This new tape should be available through Sol Berman by October first. The price is in the \$25.00 range. Also, the Video Chronicles team of Terry & Mickey Lovaas again did a complete tournament highlights video which will be nearly 2 hours long in the edited version. It can be purchased for \$22.95. Details can be found in this magazine.

The NHPA Convention promised to be exciting with a number of issues expected to be hotly debated and many anticipating a close vote in the race for NHPA Secretary/Treasurer. What the delegates didn't expect was the distressing news that the Georgia Hosts had come up \$35,500 short in bid money. \$46,000 plus trophies was expected. As it

turned out, the only money we had toward the cash bid was \$10,500 which basically was the bulk of the sponsor contribution of the St. Pierre Manufacturing Corporation arranged by this office. Thanks St. Pierre.

When this news hit the delegates early in the convention, there was stunned silence. There had been rumors of some shortage but the amount left people wondering if they heard correctly. It will do no good to try and place blame for this shortage as several factors played a part. While the bid was in behalf of the Georgia Horseshoe Pitchers Association, Al Sandham and George Bradfield carried the bulk of the workload. It was probably not by choice, but these two individuals appeared to have very little work support, at least at the tournament, from the rest of the Georgia Association. Pulling a World Tournament together is a very big task as past hosts can attest to. It takes a great deal of effort, work and cooperation by many people. You have site preparation, court construction, facility management, fund raising, motel, banquet, NHPA office and meeting accommodations to arrange in addition to a million other administrative details. In their sincere effort to coordinate everything, and enlist community support, the fund raising aspect was primarily left to others. Regrettably, things did not come together as expected and insufficient funds were raised.

The delegates were briefed on the options available to them. They could vote to cut the published prize list by some 75% or have the NHPA put up additional monies from \$12,500, which would make 50% of the prize list, to the full \$35,500 shortage. Somewhat to the surprise of this officer, the delegates voted 225 to 91, to make up the entire shortage. There was also the delegate request that the NHPA do all possible to collect the balance due from the Georgia Association.

## Convention Highlights

Meeting called to order at 8:03 a.m. on 7/30/90 at Lakeside Center, Stone Mountain. Mississippi gave an update on their 1991 W.T. plans. The delegation was led by the Executive Director of the Coast Coliseum & Convention Center, Mr. Bill Holmes. The Mississippi Association was very well prepared and represented by Mr. Wally Page, who spoke on behalf of the many state members in attendance. The Gulf Coast Convention & Visitors Bureau was represented by Ms. Dianne Bodiford. Mississippi welcomes us July 15, 1991.

Al Sandham gave us the report on the 1990 situation already covered in this article.

1989 Convention Minutes were approved as was the Financial Report.

Committee Reports included Hall of Fame, Rules, Sanctioned League, By-Laws, Regional Directors, Publicity and Game Related Sales. Special Reports were given by Junior Boys Rep., Gary Minnick, Jr., Girls Rep., Jenny Walters

(continued next page)

## Convention Highlights *cont'd.*

and Women's Rep., Lois Webster. No report on Mens.

**Unfinished Business** covered only the question of how and when the Rules Committee shall interface with the delegates. It was approved that they shall continue to bring proposals to the convention floor. The time for this will be in odd numbered years, putting rule changes on an alternating schedule with the Constitution and By-Laws.

**Memorandum of the President** focused on *Newsline* magazine and how the subscription rate could be retained at \$12.00 annually by going to a bi-monthly publication. This idea later became an amended proposal which was approved.

The **Columbus, Ohio** delegation gave a slide presentation on their site and bid for the 1992 World Tournament which was awarded to them with no other competition.

**Voting** on the Rules and By-Laws proposals then took place. 321 votes were represented by delegates from 45 Charters. New proposals or additions needed 161 votes to pass, amendments 214 to pass. The results are at the end of this report.

**Election of Officers:** Barry Chapelle and Bonnie Seibold ran unopposed and were returned to office as 2nd and 4th NHPA Vice Presidents. In the race for Secretary/Treasurer, Donnie Roberts beat Billie Sue Pennington by a vote of 191 to 116 with 14 abstaining.

# Letters to the Editor

Dear Dave,

Those of us at the 1990 convention were informed of the difficulties the Georgia people had with hosting the World Tournament. The delegates voted to absorb the loss of \$35,500. I am sending a check for \$35. If another 1000 or so members would do the same, our loss could be negated. Many thanks to you and the entire board for the outstanding job you all are doing of running our association.

Sincerely,

Art Moran, Webster, MN

Dear Editor,

I wish to extend sincere thanks to everyone who supported me and my campaign for NHPA Secretary/Treasurer. The confidence shown in me was overwhelming and appreciated. Although my effort was unsuccessful, I plan to offer my ideas to the council and to continue my support of the NHPA in every possible way.

Many times I heard it said that the campaign "destroyed" my pitching.

I don't believe that is the case, as my timing and game began to go bad last October, three months before my candidacy was announced. I sincerely hope that my pitching performance will not discourage others from running for NHPA offices. Every organization needs new people with fresh ideas. Ringers to all,

Billie Sue Pennington

A release for Newsline...

I want to thank all the horseshoe pitchers who worked hard for my election as Secretary/Treasurer of the NHPA. I want to thank those delegates who voted for my election. I will work hard during the next two years for the NHPA to prove you made the proper choice for this very important position. It was healthy for the NHPA to see people contending for this office. I hope good people will contend for all NHPA offices in future elections. I congratulate Billie Sue Pennington for her efforts to seek NHPA office.

Donnie Roberts, NHPA Sec/Treas.

Thank You NHPA

Thrills don't always come from pitching ringers. I wish to thank the NHPA for receiving the 1990 Achievement Award. This was indeed a thrill of a lifetime and was most unexpected. There are a lot of NHPA members making tremendous efforts in promotion, recruiting and improving our sport. To be considered part of that group and that effort is an honor and is much appreciated. No individual has total accomplishment alone, there always is support and help from other members. I have had much help and assistance, and there are many individuals that I am grateful to. I wish to thank the NHPA Council for this honor. It sure is great to be part of the sport of horseshoe pitching, and I am proud to be a member of the NHPA.

Bob Dunn

For Newsline

I was very honored to receive an NHPA Achievement Award at this year's awards banquet. My work for the NHPA the last four years as Insurance and World Tournament Office Coordinator has enabled me to meet and make many more friends among the membership. Many have provided assistance and support which is greatly appreciated. I want to thank all who had part in my selection and especially those who have worked and helped me along the way.

Cathie Loucks

# Regional Director's Report

by Gary K. Minnick

## The 1990 World Tournament Directors Meeting

On 28 July 1990, at 9:00 a.m. in the Lee Room of the Stone Mountain Inn at Stone Mountain, Georgia, the Annual Regional Directors Meeting was held. There were 13 Regional Directors, 3 Assistant Regional Directors and 9 guests in attendance. The meeting was opened by welcoming them all there. I had asked the Georgia, Mississippi and Ohio delegations to present a talk on their respective sites and things to do. Only Ohio was present. They presented a very good report and it was very impressive to all in attendance. I also asked the candidates running for office if they wished to address the meeting. **Barry Chapelle** and **Bonnie Seibold** were both busy with the tournament and were unable to attend. I asked **Donnie Roberts** and **Billie Sue Pennington**, both of whom were running for Secretary/Treasurer if they wished to address the meeting and both did. After this

I had all Regional Directors move to the front of the room. We then discussed the change to the Guidelines done in Jan. '90. Specifically, the *Newsline* subscription requirement and the quarterly reports. I explained that this is the best way to communicate with them. I then discussed the sanctioning of the courts and whether we needed a checklist sheet to do it with. They decided it was good to have one. I'll do them and get them out. Donnie will send me a copy of all sanctioned courts in NHPA.

We then discussed the changes to the Constitution and By-Laws, specifically, compensation for Regional Directors. They expressed concerns that the Assistant Regional Directors are not paid anything.

I then discussed the 1991 patch and sanction program. They took the ordering sheets home with them to fill out and order from me. We then discussed the insurance program and they had so many questions that I asked them to send them to me individually so I can get them to **Cathie Loucks**, our Insurance Coordinator.

There was much discussion on the sanctioning of courts and if the insurance covers a sanctioned tournament

being pitched on unsanctioned courts. Since the majority of the meeting was on these two points, I asked them to send their concerns to me.

R.D.'s would like to get more involved with judging, scorekeeping, checking of horseshoes and anything else at the World Tournament that needs volunteer help. They would like to see each Charter have a scale and shoe checker at the tournaments.

We discussed cards for scorekeepers. It was felt that this program would get a much better scorekeeping job done by the people. It was also felt that the NHPA should hold a judging class at the World Tournament.

There was some discussion on the negative things at the tournament but will not be printed here.

**Mr. Don Koso**, Regional Director from Nebraska was introduced to his peers as this year's winner of the **Stokes Award**. He said a few words.

**Mr. Len Lipovsky**, Regional Director from Minnesota was introduced to his peers as this year's winner of the **Regional Director of the Year** for 1990. He said a few words also.

There being no further discussions, the meeting was adjourned at approximately 11:00 a.m.

# Report of the 1990

The State Officers meeting was called to order at the Stone Mountain Inn on Friday, July 27, 1990 at 2:00 p.m. by the chairman, Vicki Winston, Sec/Treas. of the Missouri Horseshoe Pitchers Association. To the best of my knowledge, we had persons present from 20 different NHPA charters. The chairman explained that ours is a meeting to share ideas or discuss areas that some charters might be having problems with and would like to have advice from others on how they handle like situations.

The first question was from an officer whose state was separating the office of Sec/Treas. into two positions. He wondered if any state had a set of guidelines that outlined the duties of each position. Most charters appear to combine the position, but help was finally found from one person present.

Someone asked what those present would think if the office of NHPA Sec/Treas. was split into two positions. Most felt that at present it would be highly inefficient. Some felt that it would be a positive step if a

central NHPA office, with paid officers, was established.

A suggestion was made that mailings from NHPA headquarters should be sent to more than one charter officer and that the mailing should state to which officers it was sent. It appears we have a lack of communication between charter officers and information from the NHPA often stops at the first mailbox and is not shared with the other charter officers.

The question of mixed pitching was brought up. How have the states accepted it? Most reported that having mixed tournaments has increased the involvement of women pitchers, or those who would have a very small or uneven class, if left to pitch by themselves. I believe that all agreed that mixed tournaments should be announced in advance. Those not caring for mixed tournaments could then refrain from entering. It was reported that the one year California experiment of a 27 foot foul line for all pitchers has met with mixed emotions. The grumbling is down but very few pitchers have moved up.

Some persons stated that they use a handicapping system to compensate for uneven average classes and then mixing 30 foot and 40 foot pitchers is not necessary.

Those present were asked if they charge entry fees to juniors or pay them cash prizes. There seemed to be a mixture of responses. Some charge entry fees, some don't. Some charge no state dues for juniors, others do. Some pay juniors cash prizes in violation of NHPA rules while others call it travel expense money. Most give no cash to juniors.

As an alternative to the clutter of accumulated trophies, a few states are using a plaque system. Once a plaque is won, engraved plates are issued for the next several victories, until the plaque is full. Indiana reported giving players a choice of a trophy or a certain amount of credit toward NHPA merchandise, since they have a game related items distributor in their state.

The officers present were asked what is the average entry fee for tournaments in their areas? Figures between \$5.00 and \$10.00 seemed to be most common.

We were asked how shoe games, instead of point games, go over in our respective areas. It seems to be common practice, in several of the states represented, to use shoe games all through a tournament, or at least in lower percentage classes. Some use a combination of a set number of shoes or points, whichever comes first.

There seems to be a problem yet with southern states selling cards to snowbirds. It was explained that all pitchers should buy their NHPA cards in the state of their legal residence, from their own state secretary or a person who handles membership cards. If a state collects dues from an out of state pitcher, they should not issue a card, but should send the dues to the secretary of the pitcher's home state and a card will be mailed to the member. Card numbers are registered to each charter when they are distributed by the NHPA headquarters. A player should have a card with a number registered to his home state. Lists of charter officers and state dues charged by each charter are available from NHPA headquarters to assist all secretaries in following pro-

# State Officers Meeting

per procedures. It would appear that some states popular to winter visitors may have inflated memberships due to improper issuance of NHPA cards.

The subject of being non-profit and incorporated was mentioned. We were reminded that each state must pursue this matter in their own behalf.

A question was raised concerning availability of sanctioned tournaments. No one who spoke had less than 20 in a twelve month period. Most had two or three times that number. It would appear that plenty of sanctioned tournaments are available to pitchers in a lot of locations, if they make the effort to attend. Some are close by, across state lines. Someone wondered out loud why a pitcher, who could not drive 40 miles to a sanctioned tournament, would want to drive one or two thousand miles to a World Tournament.

It was pointed out that a standardized system for determining averages is up for consideration at this year's convention. If this passes, then all charters will be required to determine averages using the same method. It was felt that if any universal system is adopted, the NHPA should enforce its use.

There are mixed feelings on the NHPA establishing a computerized storage center for averages. Would it be worth the cost in order to check averages for just the World Tournament and one or two others during the year? Would tournament directors send results in a timely fashion, so that current information would be available? The concept sounds inviting, but would it be practical? Some like the idea, others have doubts.

The subject of how to entice junior pitchers was mentioned. It seems there are so many sports available now that horseshoe pitching takes a back seat. One state mentioned they've established a scholarship fund for their Junior Champion. Another mentioned giving free jackets to junior winners. It was also pointed out that we can't have junior pitchers without dedicated parents to bring them to the events.

One way that clubs can help promote horseshoe pitching is to see that all of their local libraries have copies of horseshoe books. Very little material is available to the general

public. Clubs should purchase and distribute the written material whenever possible and then go back periodically to see if the books are still there. School and college libraries are also good places to distribute material on horseshoes.

Someone wanted to know if many state officers are paid for their work. It would appear that most aren't. We do what we do for the love of the game and because we want to, not for any financial reward. Most charters could not pay us what we are worth. One gentleman shared his feelings that he would gladly pay someone to take his place in his state. It appears we sometimes inherit a job for life.

An inquiry was made as to how much it would cost for the proposed salary increase for the NHPA Executive Council? The only council member present at the time had no figures available for us.

A question was asked concerning why World Tournament courts are allowed to violate certain requirements each year and the players are not. At this point, Donnie Roberts

appeared and tried to answer this question. The NHPA has been unable to do on site court inspection at those locations where temporary courts are being constructed at the last minute. His recommendation was that the NHPA build its own courts to be made available to a host not having the necessary facilities. The cost of shipping would be far less than construction. Scoring devices should also be considered and better nameplates.

A gentleman asked how he could register complaints with the NHPA. It was pointed out that addresses and phone numbers of all council members are in *Newsline*. They are ready to listen to all suggestions, complaints and even compliments that might come their way.

As the meeting had been in session for two hours, the chairman called for adjournment at 4:00 p.m. This report touches on the topics discussed as much as I can make out from my notes. There would be no way to include all of the discussion involved, other than listening to a two hour tape.

—Vicki Winston, Chairman

# Sanctioned League/Club News

Another W.T. has come and gone, with some disappointments, some tense and some great moments, many long hours of work, but all in all a success.

Seeing, once again, old friends and meeting new ones, even if only for fleeting moments, made the time and work spent there well worthwhile to me.

There were twenty nice people, from ten states, representing fifteen sanctioned clubs present at the CL/LG meeting. How different clubs got their starts, their courts/facilities, different ways they raised money, the new ruling of full NHPA cards required for 1991, were some of the main items of discussion, along with some general visiting and question and answer period.

The question of who made the decision about the full NHPA requirement was asked. For the benefit of all not able to attend the

meeting and to place blame or give credit where it is due, the answer is that, I, myself, yours truly, made this decision. Although the NHPA council was polled and all clubs were given a chance to speak for or against it, the final decision was mine, alone.

I am pleased that a large majority seem to accept this change and are trying hard to encourage more members to become full NHPA, so that your clubs can remain sanctioned. Try is all anyone can do and perhaps some that do drop out will re-organize and in a year or so wish to re-sanction and we will welcome them back.

Three weeks away from my desk has again put me behind, but hopefully all will be caught up by the time you read this. I do thank all of you who have had to wait on awards etc. for your patience.

*Your friend for horseshoes,*

## ON TOP OF THE WORLD

by Ed Quigley

### *Wasn't Georgia Georgious!*

Stone Mountain Park...what a great location for a World Horseshoe Tournament. A 3200 acre world of entertainment, recreation, leisure and education. The perfect setting for a reunion of old horseshoe friends and making new ones.

Conversations often start with the weather. Georgia was no exception. The heat and humidity reminded me of Marine boot camp near Savannah in 1943. At Stone Mountain, we saw horses sweat, men and boys perspire and women and girls glow. And how about those fierce rainstorms? The thunder and lightning were awesome. Perhaps the rain god had a temper tantrum.

The Georgia highway system is superb but a wrong turn could put you in Chattanooga. Ralph Dykes can tell you all about that.

A World Tournament is full of special moments. We celebrated a 50th wedding anniversary (Bill and Lois Smith, FL) congratulated a recent bride and groom (Mr. and Mrs. Jonathan Williams) and couldn't help but smile when we noticed proud Kevin Hollister carrying his weeks old newborn child. We took a ride on a train and witnessed some derailments on the horseshoe courts. Watched the laser light show accentuate the massive stone carving of Confederate Generals. Ate lotsa catfish.

We played the "Game of the Name." Witnessed "Saint" Francis defrock "Preacher" Holt; "Tiger" Tyson maul "Shotgun" Seibold; "Knight" Kapnis melt "Ice Cream" Cone and "Big Mac" Intyre realign "Deadeye" Williams.

Enjoyed a pleasant boat ride and banquet dinner. Joined in tribute to new Hall of Fame, Stokes and other award winners. Attended a well organized and smoothly run convention. Spent some quiet moments in a rocking chair on the front porch of the Stone Mountain Inn. Especially enjoyable was the camaraderie of the ever growing family of horseshoe pitchers.

I'll have Georgia clay in my shoes for quite awhile...and Georgia on my mind for longer still. Georgia was Georgious!

# Here and There at the W.T.

by Glen Portt

**T**he greatest women's game ever pitched? My vote goes to the playoff game between Diane Cantin, the lady from Quebec and Tari Powell, the 'Prairie State' queen from Rossville, Illinois. The stands were full and as one spectator remarked..."Even I can feel the pressure...and I'm not pitching!"

Pressure? You wouldn't think so by the way these two pros started. Powell with 9 straight doubles, Cantin with 14 to take a 9-0 lead. At the end of 52 shoes, Diane led 24-12 and Tari's chances were dimming... but then came some of the greatest pitching ever by a woman. I marked her down for 18 straight doubles and a 90.3% game but I was later told she missed one in that string and ended with an 88+%. Diane finished with 84.7% and lost 42-27 — a very tough loss, but she'll be back and she *will* win a world tournament.

The world record for scorekeeping at world horseshoe tournaments? How about Helen Gunyon from Frankfort, Indiana? Helen started keeping score in Keene, N.H. in 1974 and has missed only one year through 1989. She was inducted in the Indiana Hall of Fame in 1986, an honor well deserved. And yes, she was at Stone Mountain this year... just doing her thing.

From 1940 thru 1982, the men's W.T. champions averaged 80% or better. From '83-'89, a period of 7 years, only 3 made that magic figure. For 1990, only two — Jim Knisley and Walter Ray Williams. Congratulations to both.

Did you know there was one W.T. where only *one* person averaged 80%? Who? Phyllis Negaard in 1989, Spearfish, S. Dakota.

Yes, it does happen. Two of the best pitched their worst tournament ever. Can you believe Mark Seibold getting off to a 0-7 start? Or Sandy McLachlin with a 2-6? There was just no way to recover, and they didn't, but like Diane, they'll be back so don't count them out. Both are great competitors!

A real tough battle was expected in the Seniors 66+ division between Carl Steinfeldt and Ray Hill the DC, but Ray developed chest pains and had to withdraw. Carl won with an unusually low 65.6% (for him).

Henry Hostetler, a 60% pitcher from 40 feet, hit 75.6% from the 30' mark to win the Elder Men while California's 'Spud' Napier made it two championships in a row from 40'. Spud has one of the smoothest deliveries around. And let's not forget Len Lipovsky, the Intermediate Champ, with his very fine 69.5% ringers.

Kevin Cone! Kevin just kinda disappeared the past two years from the top pitchers' list. He had shoulder problems and even tried a 1 1/4 turn. Now he's back, with his old 1 1/4 turn and a near 80% average. Welcome back, Kevin.

The Juniors? What can one say about two young men who fought it out to the bitter end. It's too bad one of them had to lose...but that's the way life is. Jim Walters hit 84.9% to Doug Moon's 85.3 to claim the championship. Great pitching! The 66.4% ringers rung up by Celeste Polak is the 3rd highest of all time in the Girl's Division. Celeste went 14-0 in taking home her first World Championship to Texas.

Fran Carnahan, one of our real pros, has gone to a 1 1/4 turn. Give her another year of practice and she'll be fighting it out for the '91 W.T. championship trophy.

I like a good horseshoe game. I was watching Larry Morton and Ed Domey. Larry threw a wild one...I mean *real* wild...it missed the pit. Larry asked, "What ever happened to *that* shoe?" Ed: "It just malfunctioned."

## ANNOUNCEMENT

In the Men's Open classes, move up to the finals came from the three sections in each class. The ten move up spots were determined as follows: Each of the 3 section winners advanced. The next 4 spots went to the best W-L records remaining in all the sections, percentage broke ties. The last 3 spots were taken by the best percentages still left. This gave pitchers two chances to make the finals. On games won or percentage.

# 1990 World Tournament

by Bob Champion

It was a photo finish in both the men's and women's championship classes as veteran Jim Knisley bested Walter Ray Williams, 43-24, and Tari Powell controlled Canada's Diane Cantin, 42-27, in which both titles were decided in the final game of round-robin play.

Only two defending champions repeated with California's Willard (Spud) Napier, winning the 70 and over 40 foot championship and Jim Walters from Troy, Ohio making it two-in-a-row in the junior boys division. Napier was again consistent going undefeated (5-0) with a 65.4 figure. Walters also has gone undefeated in the past two years, repeating his 11-0 record. However, Walters increased his overall percentage by 10% with an 84.9 effort. He was 74.3 at Spearfish last year. Walters edged another Ohio pitcher, Doug Moon, by one game, with Moon pitching the final's high percent of 85.3.

## Third Title for Knisley

Two former World champions reigned supreme in the 72nd Annual National Horseshoe Pitchers Association annual tournament at Georgia's Stone Mountain Coliseum July 23 through August 3.

Knisley from Bremen, Ohio won his third men's title in the last six years besting Stockton, California's Williams in the 28-man round-robin play.

Powell from Rankin, Illinois, also a winner at Huntsville, Alabama when Knisley won his first title, topped Cantin in the final game to win her second championship.

Knisley squared off against the four-time World champion Williams, who last won the title at Lafayette, Indiana in 1985. Jim dropped behind, 6-0, before closing the gap at 6-6. They battled to 12-12 before the eventual winner took a 22-21 lead, then moved quickly toward victory, jumping to a 31-21 lead before Williams scored his last points. Three innings later, Knisley had captured his third title.

To set the stage for the final contest, two outstanding pitchers had defeated the two finalists. Knisley was breezing along until Ohio's Elden Sarbaugh caught the champion on a low 73.5 game, 42-31, and New Jersey's Bill MacIntyre defeated the lanky former World Champion, 40-27, as Williams registered his low individual game of 77.0. Steady John Kapnis, from Salem, Massachusetts, handed Iowa's Kevin Cone his first loss, 41-30. Cone dropped his last three to Williams, Knisley and defending Champion Alan Francis. Coming back after shoulder problems, which curtailed his effectiveness, Cone finished third, three games from the top. Francis from Blythedale, Missouri was one game behind Cone with a 22-5 record. New York's Art Tyson was fifth on his 21-6 mark.

Knisley's 27-game percentage was 82.6, but this was well below Williams' 85.8. Williams sparked to an incredible 92.2% in the preliminaries to register the top seed in the pairings.

Only three pitchers passed the 80% mark with Francis' 81.4 taking third.

Others in the top ten were Ron Powell, Kentucky; Sarbaugh; Kapnis; Mike DiMartino, New York; and Doug Kienia, Maine.

"I don't put pressure on myself," said Knisley, the 47-year old champion. "If you beat me, you beat me. I don't beat myself." Knisley now has 489 career wins in the championship class, which places him sixth for all-time. Ted Allen leads the parade with 771. Elmer Hohl has 657, Fernando Isais collected 519, Frank Jackson 517 and Curt Day 495. Knisley should pass Day next year and possibly reach the fourth spot in 1992 in Columbus, Ohio.

Knisley has competed in 22 World Championships, winning three, finishing second five times and third twice. His top percentage was 83.8 in 1977 when he finished sixth. His 83.7 was recorded in 1981 at Genola, Minnesota. In his first World in 1968 he was 82.8.

Jim's grand total of World Tournaments is 27. He competed in Class B from 1964 through 1967 and in 1972.

## **Powell Finished Strong**

Powell staked her claim to the title against Cantin when she broke a 24-24 tie midway through the heated contest. The duo started the game with nine straight four deads and totalled 23 four deads in the 92-shoe contest.

An enthusiastic crowd watched as Powell pulled away after the 24-all tie, jumping to a 39 point total before Cantin overcame the pressure to climb within 12 points before the 1990 champion closed out the game on a three-ringers- three.

Powell pitched a hot 88% (81-92) in the final game to Cantin's 82.6. The winner had 36 doubles to 31 for the Canadian. Diane has finished in the top ten the last six years, and her unique rocking and almost flawless style always rates her as one of the top contenders in the sport.

Powell won the 1984 title with an 80.6 performance. Her 83.1 figure this year is the fourth highest winning percentage in NHPA history. Canada's

Sandy McLachlin, the 1987 women's champion, won at Eau Claire, Wisconsin, with an 88.2 all-time record figure. This year's defending Champion Phyllis Negaard from St. Joseph, Minnesota, had an 84.1 in 1983 and Diane Lopez from Lampoc, California was 83.4 in 1988 at Pleasanton.

## **McLachlin: A Disappointing Last**

Nineteen year old Sandy McLachlin finished a disappointing last in the 16 women field with a sinking 66.3 percentage. 10-time World Champion Vicki Winston from LaMonte, Missouri finished out of the top ten for the first time in several years.

## **Spray: Senior Women's Champion**

Marge Spray of Florida compiled a 5-0 record and 69.7 per cent to cop the senior women's championship, two games in front of Georgia's Iris Sandham (62.3).

## **Snyder: Wins Women's "A"**

Sue Snyder of Indiana, who fell short in percentage to qualify for the championship flight, recorded an impressive 80.7 per cent to win the women's Class A title. Her record of 11-0 was two games in front of Wisconsin's Jane Smith.

In men's Class A action, Colorado's Rich Pintor went undefeated with a 71.4 figure and 9-0 record. Jack Freeman of Tennessee won the Class B crown.

In the other championship flights — junior girls, men's intermediate, seniors, elders 40 and elders 30 foot plus the women's seniors — NHPA honored four new champions, except Carl Steinfeldt of Largo, Florida, who came back after winning the title two years ago in the seniors division. Steinfeldt reigned supreme with a 10-1 and 65.6 effort. He had previously

won the intermediate and World Championship (1976) and is the only member to win in three divisions. Should he elect to pitch in the 70 and older 40 foot someday, he might add a fourth. For him it is too late to win the junior boys crown.

## **Lipovsky: Intermediate Champion**

Len Lipovsky of Bloomington, Minnesota went undefeated (11-0) with an impressive 69.5 to capture the intermediate crown. Len defeated Karl VanSant from Indiana in the final game to nail the title. VanSant had 70.9, over 10% ahead of third place Harold Darmold from Iowa.

## **Hostetler Nails 97.5**

Henry Hostetler from Williamsfeld, Ohio not only went undefeated in the elder men 30 foot group, but he fired the highest game of the tournament with a 97.5 game including 18 doubles in a row and 39 ringers out of 40 shoes.

The 72nd Annual event drew 1068 entries with a record \$95,100 in prize money offered. 46 states and Canada were represented on the firing line. 132 pitchers from Ohio headed the list, with 60 each from Illinois and Wisconsin, 55 from host state Georgia and 54 from Indiana. Canada sent 20 pitchers.

**Belt Buckle**

An attractive way to dress up your appearance is to wear a Belt Buckle showing your support of the NHPA. Approximately 3" x 2½", it is made of antique silver colored metal. The NHPA logo is surrounded by a horseshoe and the words "National Horseshoe Pitchers Association." A banner on the horseshoe carries the phrase, "Inc. 1921."

# Videotaping The 1990 World Tournament

by Terry and Mickey Lovaas of Video Chronicles, Inc.

## What's New This Year...

For the 1990 Highlights Video, we'll be offering a longer videotape. We estimate that to be about 90:00 to 120:00 minutes long. There will also be more commentary / narration, more interviews and more pitchin'.

You'll be able to order a video on-site this year and your VISA/MC will be accepted. *(Remember, this video makes an excellent gift — for that pitcher in your family that's hard to buy for or that special club member.)*

## You Can Help...

It doesn't do us — or the NHPA — any good to produce a Highlights Video that no one cares to see. We need your feedback on what you want to have included in this tape. So, when you see us at the tournament, stop and talk to us — let us know what you want to see on the tape.

Last month, we sent a questionnaire to everyone that ordered a video from last year. We'll be incorporating their suggestions — along with yours — into producing the 1990 Highlights Video.

## About Last Year...

In Spearfish, SD, we got to work with the nicest group of people we've ever been associated with, had fun doing it and learned a little about pitching horseshoes.

As you may know, we also had a problem with delivering the videotapes on time. That occurred due to a variety of circumstances—none of which were the fault of the NHPA or VIDEO CHRONICLES, INC. *Those circumstances will not be a factor this year!*

## Unforgettable Memories...

I honestly believe that having your own copy of the 1990 NHPA World Tournament is the best way to remember all the fun and excitement that this event offers. You'll get a chance to see some friends, some club members — and perhaps even yourself. You'll also get a chance to see some of the best pitching in the world!

If you can't make it to the World Tournament, then this video is the next best thing to being there.

### Here's the basic information for the order form:

Price.....\$19.95  
S & H.....\$ 3.00  
**Total.....\$22.95**

(MN residents must add \$1.20 sales tax)
