President's Message

visited Syracuse, New York during 4 days in September. Syracuse will be the site of our 1994 World Tournament, to be held on the New York State Fairgrounds starting July 25, 1994. They are very enthusiastic about our event and a gigantic electronic reader board, viewable from the highway, welcomed me to the fairgrounds.

The Pioneer Horseshoe Club is host club and they have 12 indoor courts located on the fairgrounds. These will serve as practice courts during the tournament. The fairgrounds are quite large and will be able to accommodate all our needs. The NHPA portable courts will be set up in the Center of Progress Building, which is a facility some 500' long with 60,000 sq. ft. of floor space. It is larger than the building that housed the tournament in Columbus.

The Center of Progress building is not air conditioned. However, average mean temperatures for July / August in Syracuse are 78-79° and the humidity is mild. Barring any extreme weather pattern, I believe most pitchers will be comfortable in Syracuse. Attached to the Center of Progress Building is a nice two level restaurant complete with full liquor and ice cream bars. The decor is based on heroes and legends and finished in bright colors. It will be a very popular gathering place. Just outside is a covered eating area and less than 200′ away is a full square block of grass, shade trees and picnic tables.

The fairgrounds have space for about 200 RVs, most with water and electric, a few with full hook-ups. Electric connections are on poles, four spaces to a pole, so you may have to run some cord to reach power. Most spaces provide grass

alongside paved road, but shade trees are few.

The Art & Home Center Building is next door to the Center of Progress Building. While we have not yet committed to arrangements, this building contains meeting rooms and the Empire Room, a very nice facility capable of handling our awards banquet with full restaurant and bar services.

No motels are in the immediate area of the fairgrounds. Two large chains, Holiday and Comfort, have inns just off the fairgrounds highway about five minutes drive. The bulk of the motels and restaurants are in the North area on the opposite side of Onondaga Lake from the fairgrounds. However, Syracuse doesn't seem to have any major traffic problems and the commute time to the fairgrounds from the North area motels, even during rush hours was only 10-12 minutes.

The contract for the 1994 World was signed with the Syracuse Sports Corporation, a board set up by the Syracuse Convention and Visitors Bureau to bring sports activities to the city. I met with both the Board President Bill Motto, and Director Andy Jugan. These two gentlemen are very professional and well respected for their work in behalf of the City of Syracuse. Andy spent a great deal of time and energy showing me around so I would have a good feel for what they can offer. I was impressed, not only by their commitment and hospitality but by the city, its people, lakes, countryside and roadways. With all that, plus more than 40 golf courses within an hour drive and the Baseball Hall of Fame in Cooperstown, just 2 hours drive, 1994 should be a very good year.

Dave's Court Report

- The Goldendale Horseshoe Club of Germantown, WI set a performance record in the 1992 State Tournament that will stand for many years. It is possible that it has never been equalled anywhere. 4 of the 5 recently crowned Wisconsin State Horseshoe Champions hail from one club—Goldendale. Don Kangas, Men's champion; Ralph Maylahn, Seniors champion; Lorraine Sternberg, Women's champion and Heidi Sternberg (daughter to Lorraine) Junior Girls' Champions. For the record; the 5th title, Junior Boys, went to Mark Mauthe of Platteville.
- Glen "Red" Henton has been known to attract a crowd when piling the ringers on, but he and others were a bit dumb-founded when their June 13th clinic and tournament in Davenport, Iowa, attracted an elephant. Confused? Well, so was the elephant that wandered over to the courts from a nearby stadium that had a circus underway. After a few minutes delay, the elephant, probably disappointed to see that "Red" has white hair, found its way back to its trainer, who is now busy teaching the elephant to toss horseshoes.
- Spearfish will play host to the 1993 World Tournament starting July 19. The town also has other activities underway just prior to and during the tournament. Make your

reservations early. Motel details are in this issue.

- Less than 2 years ago, Pocatello, Idaho, had no pitching facilities large enough to host an NHPA sanctioned tournament. Idaho member Jerry Williams set out to change that. With a plan and determination, Jerry called on the Pocatello Parks & Recreation Director, asking for about ½ acre of Ross Park. It was unavailable, being part of an expansion plan, but the director offered another possible site. It was 13 acres of grass that now is home to a 34 horseshoe court complex. A lot of people donated to the project and Pocatello is now a hotbed of pitching activity with 322 active pitchers involved in league play. Sanctioned League we hope.
- The NHPA has given approval to another new horseshoe. The "Breckenridge Ringer," manufactured by the Russell Breckenridge Company of Mt. Clemens, Michigan.
- World Champion, Kevin Cone will travel to Japan in the latter part of October as a guest of the Japanese, to take part in the "International Sport For All Fair" in Tokyo. Kevin will put on pitching demonstrations much as Walter Ray Williams did in 1990 and Donnie Roberts in 1991.

Letters to the Editor

To The Editor

I read the article about Sol Berman and his idea of true cancellation, where opponents close shoes within 6 inches will cancel one another regardless of who is closer to the stake.

What is wrong with the way we have always measured close shoes? "Only close points count in Horseshoes," tells it all.

The lower classes of pitchers fight for that point and enjoy getting that point.

Why try to change it? Because someone lost a game or two because of points? Stop that cry-baby attitude, and maybe the next time you will be able to beat your opponent with that extra hard-earned point or two.

My friends and I are firmly against any rule of this type. Thank You.

Robert Snider, Ft. Thomas, KY

To The Editor,

My reason for writing this letter is two fold. First, I would like to tell you about a real ringer, Milton Vinson. Milton recently joined our organization and has taken it by storm.

Fifty-six years ago, Milton won the Georgia Horseshoe Pitcher's Association's state doubles tournament. He was a 40 foot pitcher who threw a beautiful 3 quarter turn whose natural state was flat around the stake.

Now, fifty-six years later, Milton has again won the Georgia State doubles tournament with partner Bud Kurtz. The only difference (other than a few years) is that Milton is a 30' pitcher with the same smooth, natural 3 quarter turn delivery.

In the years between his state doubles champ crowns, Milton did not pitch. So naturally, he began pitching from 40 feet when he joined our organization. The distance was a struggle and Milton was averaging approximately 18%. He was told that at age 70 he could move up to 30'. A wonderful surprise and delight was awaiting him at 30'. Milton found he could pitch like a kid again. Those few years in between did not have as much effect as he found himself pitching like he did from 40'.

Since that time, Milton's average has been on a steady climb. He even took the World Tournament by storm when he won his class pitching 51%.

This brings me to the second reason

I am writing this letter. Alot of 70 year olds attach an astigmatism to moving up to 30'. Just look at Milton, however, and all the fun he and you would miss without this consideration. Your pride in your accomplishments and your enjoyment of the sport is what is important. Not where you plant your feet. Where is the satisfaction in struggling. More people should step up to 30' when 40' gets too rough. As we grow older, we have to make allowances for the things that get a little harder. Some of us get glasses, some get slower, and some of us pitch horseshoes from 30'. It is such a minor adjustment for the ringer in us all. Keep on pitching,

Iris Sandham, Georgia

Dear Dave,

I have read, heard, and experienced some of the frustration that exists between 30 and 40 foot pitchers when they compete against each other. It seems to me the 30 foot

rules were adopted to compensate for physical strength mandated by sex or age. Physical strength may not have much to do with accuracy. The 30 foot pitcher also has a 25% advantage in accuracy.

You can do some geometry and discover a simple ratio of shoe openings will make the accuracy of pitching from 30 feet the same as pitching from 40 feet. A simple solution is to adopt a 30 foot shoe with an opening of 2.6 inches. The 40 foot shoe has an opening of 3.5 inches. This would equalize the accuracy factor. If the 30 foot shoe was made with a 2.6 inch opening then any could pitch 30 feet if they have the correct shoes.

I believe the 2.6 inch opening for the 30 foot shoe has enough merit to be researched and would open up some very interesting and challenging aspects to the game of horseshoes.

Summer School by Bob Dunn

Junior promotion efforts are becoming more and more widespread. Many individuals are devoting considerable time and effort to conduct Junior leagues, clinics and other events. This Junior Window spotlights two summer programs that are excelling and prove, if individuals have time and wish to devote the involvement, tremendous results will occur.

In its second year, the "Learn to Pitch Horseshoes" Clinic at the Dormont Horseshoe Club in Pittsburgh has grown beyond expectations.

By adding horseshoe pitching to the summer activities of the Boys and Girls Clubs of Western Pennsylvania, 73 boys and girls, age 8 to 16, enrolled in the first session after school let out for the summer. Another 24 children came to the second session held in mid-summer.

A third session will be held this fall for 16 Boy Scouts of the Allegheny Trails Council of Pittsburgh. This will be a first for the Boy Scouts in this area.

In addition to the program director, Judge John G. Brosky, the instructors from the Dormont Horseshoe Club are; Joe Pagnanelli, George Bercini, Harry Clement, John Raffa, Joe Kichty, Robert Horton, Vaughn Grady, Dick James, and Ron Weiss, WPHPA President.

After being given the basic rules of safety on the courts, the teaching of "Learning How To Pitch" is structured to pitch at various distances according to age and ability. The emphasis is on holding the shoe and pitching with accuracy. A tournament at the close of the clinic is not the traditional horseshoe game, but a competition of getting ringers and close points in twenty pitches. It is hoped that next year, regular horseshoe pitching games will be added to the program.

Editor's Note: The Honorable Judge John G. Brosky has been a member of the Dormont Horseshoe Club since 1989. More notable, Judge Brosky sits on the Superior Court of Pennsylvania, is listed in Who's Who in American Law, International Who's Who of Intellectuals, and Board Chairman of the Boys and Girls Clubs of Western Pennsylvania.

Jane Smith, Balsam Lake, Wisconsin, is the director of the Unity School summer program on horseshoe pitching. The program is now in its third year and many students have taken the class each year it has been offered. The summer school classes are offered to 3rd through 8th graders-most students ranging in age from 9 to 12 years old. This season's enrollment was 75 students.

Some of the students also join the Close Doesn't Count Junior League.

In the summer school classes, students learn the proper pitching form, countall play and scoring, cancellation play and scoring, and doubles play/competition. Rainy day lesson plans include videos of past World Tournaments, featuring the Junior pitchers, and videos

of local pitchers at various tournaments. Records are kept of each pitcher and at the end of the school session, students are rewarded certificates of participation with trophies going to the top 3 or 4 pitchers in each class based on their winning percentage. The goal is to reward at least 25% of the students in the program. Sportsmanship trophies are also given to each class with students choosing this person. Students compete against all pitchers for the top three awards; best ringer average, lowest handicap and most points in one game. Only one trophy is allowed a student, which allows for more winning students. The trophies are used awards donated by members of the Close Doesn't Count Club, Eau Claire Club, and Boyceville Horseshoe Club. A special thanks is due all these members who share their memories with our pitchers of the future.

Editor's Note: Jane Smith, director of this program has been a Home Economics teacher for 22 years. Jane also has been Wisconsin State Champion five times. For her years of promotion and significant pitching accomplishments, Jane Smith is a 1992 inductee to the WHPA Hall of Fame.

Perhaps others will share their programs with us and eventually we will be able to involve more schools and community education programs in promoting a very healthy sport.

Junior Jottings

■ David Anderson, Moline, Illinois, Ponyshoe Junior League Director, reports the 2nd annual 1992 Ponyshoe Classic was held August 1. This sanctioned event had 12 participants, all members of the Moline Junior League. In 1993, a home and away series will be held with the Junior league established by Frank Yohn in Priceton, Illinois. That new league, in its first year, has 17 members.

This year's Moline champion is 8 year old Matthew Miller, who was undefeated. He scored a major victory in edging past defending champion, Justin Anderson in the final match. Erica Anderson and Nathan Miller finished 2nd and 3rd respectively. Nathan Miller and Aurora Boyd earned Sportsmanship Awards.

■ The 2nd annual sanctioned Junior Only Open with Jessica Dunn as Director, was held at the West St. Paul (Minnesota) sheltered courts. Thirty three Junior pitchers participated with two starter groups (less than 20′ pitchers). Starter group A was won by Carla Steber—8.6%, and the Starter Group B champion was Beth Fish—6.6%. The Starter Groups were 6 pitcher classes, with trophies presented to the top three finishers and "Participation Awards" given to the other pitchers.

The Class A champion was Mike Casalenda, 9-1 and 27%. Class B was dominated by the Tuhy family; 1st place—Clinton Tuhy 6-1, 13.8%; 2nd place—Michael Tuhy 6-1, 10%; and 3rd place—Joshua Tuhy 6-1, 9.6%. Jim Buechner won Class C, 6-1, 10.7%.

Monogrammed souvenir pitching towels were provided to each entry. The West St. Paul Junior Horseshoe League had 44 members this year, and 10 more have already been signed up for the 1993 season.

■ Ted Van Pelt (JPD Eastern Pennsylvania) reports the charter's first Junior member, Neil Barnes. Neil joined the York County Doubles League after pitching with his father and friends and got hooked on the competition. He hopes to help recruit more Junior pitchers. Barnes should be an influential force, as he was named the 1992 York County Wrestler of the Year, with a 33-2

record and a third place finish in the state wrestling tournament.

As our feature article covered two summer clinic programs directed by NHPA members, there is evidence of other programs being established. School systems are setting up their own clinics as part of physical education programs. Our organization and available brochures are listed in various publications. When received, copies of requests will be forwarded to JPDs in hope that arrangements can be made for NHPA members in the local area to provide demonstrations or volunteer time for coaching etc. These instances are prime time for the establishing of new Junior leagues, expanding existing clubs and recruiting Junior members.

Schools recently requesting information on our sport: Hager Family School (Hamilin, West Virginia), Hope Smith (Red Lodge, Montana), Del Rosa Elementary School (San Bernardino, California), Monticello

Occupational Education Center (Monticello, Arizona).

- Vi and Woody Wilson (Iowa) got the urge to contribute to Junior promotion. They purchased a gift subscription of *Newsline* for Joseph Smith, the 1992 Iowa Junior State Champion. In his first year of pitching he accomplished a state championship and a 45% average. Congratulations to Joseph and a thank you to the Wilsons.
- Welcome new Junior Program Directors: Paul Stewart (North Carolina), Ron Vogal (New Jersey), and Barb Taylor (South Carolina).

Regional Tournaments Will Lead To National Championship

by Dave Loucks

The NHPA has revised the Regional Tournament Contract and once again seeks interested sites to bid for a Regional Tournament. The ultimate goal of the program is to bring Regional winners together to play for the National Championship. For this to happen, the Regional concept must be supported at the Charter level with each zone hosting the required two Regional events. Following is a reprint of the actual contract details. Copies of the contract can be obtained from Dave Loucks or Donnie Roberts.

Bidder Information

- 1. There will be four regions in the United States, each bound by the 4 normal time zones, Eastern, Central, Mountain and Pacific.
- 2. Each zone can have two annual Regional Tournaments. The northern most selected site in each zone will be called the North-(zone) Regional while the southern site will be the South-(zone) Regional.
- **3.** Any site with twelve (12) of more NHPA sanctioned courts can bid for a Regional. This can be a new tournament or an established event which the tournament directors allow to be called a Regional.
- **4.** There is no minimum dollar bid amount imposed for bidding purposes. The total cash bid is important but not a selection guarantee. No more than \$25.00 can be charged for entry and at least 80% of entry fees must be returned as cash prizes *in addition to any added purse*.
- 5. Regionals shall include the same age divisions of play as specified in the NHPA Revised Bylaws, Article X except that Junior and Senior Women play is optional. Juniors, if scheduled, shall mix boys with girls into one Junior Division. The Junior and Elder age divisions shall be the only ones to allow mixed play.
- **6.** Division winners automatically qualify for the National Championship which will be scheduled in the following year. For Divisions having less than six winners represented, the NHPA reserves the right to exclude that Division from the National Tournament.
- 7. Bids must be presented in writing to the NHPA Secretary. They should be presented with as much advance notice as possible, normally in the Fall of the year prior to the year of expected play.
- **8.** All Regionals are to be Preregister and must be played by the end of the calendar year prior to the scheduled tournament where the Regional Division winners will later meet for the National Championships.
- **9.** Bid information must include the dates of play, site location, number of courts, scheduled divisions, entry fee, any added purse, tournament director and some details about the site and event that will aid the NHPA Executive Council in the selection process.
- 10. Bidders will normally be notified by year end if they have been selected. In the event two sites per zone have not bid or been selected by year end, the NHPA Executive Council has the authority to waive these conditions and award at any time, a Regional to any site deemed suitable.

Rules of Entry and Play

1. Regionals are open to any NHPA member holding a valid

- card of a U.S. Charter in accord with Article III, Section 7 of the Revised Bylaws.
- **2.** A player may enter any number of Regionals until they win a Division, at which time they can enter no more Regionals in that calendar year.
- **3.** All entrants must have pitched in at least 4 sanctioned tournaments in the 12 months prior to submitting their Regional entry form. Entering average shall be in accord with the NHPA Bylaws.
- **4.** All Division finals games shall be 40 point cancellation. Any class or division prelim play shall be 40 shoe cancellation or count-all.
- **5.** Each Division winner in a Regional tournament qualifies to become one of the finalists in the National Championships which will be held the following year at an NHPA determined site.
- **6.** All Regional Division winners must advise the NHPA no later than 90 days prior to the National Tournament of their intention to play or not to play in the National Championships.
- 7. In the event that a Regional Division winner elects not to pitch in the National Championship, the 2nd place finisher will be invited, then the 3rd and so on until a division representative is confirmed. If less than six representatives are confirmed for a division, the NHPA reserves the right to exclude that Division from the National Tournament.

NatStat Center Update

In the last issue I announced the plan of the NHPA to set up a central statistical base where pitching averages on all members would be kept. We have purchased the equipment and are now in the final stages of program design. By the first of the year, we expect to have a good deal of past tournament data in storage. This information, along with new tournament results will give us a basic, but not complete, check point on most 1993 World Tournament entrants.

Unfortunately, communication in the NHPA is not as good as we would like to see. It will therefore take some time before all the various and changing tournament directors get the word that they must promptly report all sanctioned tournament results to the NatStat Center. Since only one member in five subscribes to Newsline, it is fair to assume that only 20% of our pitchers have any idea of this data keeping plan. We will be sending

letters to all the Charters and Regional Directors by year end. They will be asked to put out the word to all members and, in particular, to the tournament directors or statisticians who have the responsibility of reporting tournament results.

Every member reading this article is asked to take part in spreading the word. The reason is that you and your fellow pitchers could be adversely affected if the tournaments you pitch in are not reported. How could you be hurt you might ask? I stated in the last issue that the NatStat data base information will be used fully by 1994 to determine entrance eligibility and pitching average for the World Tournament. When we get your registration form, the data in NatStats will tell us if you have pitched in the required minimum four tournaments and it will tell us your average. If your tournaments are not reported, we may not have complete data on you

and entry could be denied.

Another benefit of NatStats is that we will be able to compile data on all your tournaments, not just those that you pitch in the home state. Snowbirds or other traveling pitchers who pitch in other states will have this information reported and overall, much more accurate data should be available on all our pitching members.

For this to happen, tournament information is going to have to be reported in a different and more complete manner than it is now. Each report of sanctioned tournament results will have to include at least the following tournament and pitcher information.

Tournament...Sanction Number
Date

Location Contact person... name, address and phone number

Pitcher...NHPA card #

Name, first and last Home Charter (list only if not from host charter) Category designation... none=40' man pitcher

30=30' man pitcher W=Lady pitcher B=Junior Boy G=Junior Girl

R...Total ringers pitched SP..Total shoes pitched

The above information can be listed across the page in a format familiar to most all tournament directors. After the header info, sanction #, date and location, one line for each pitcher starting with NHPA Card #, Name, Charter (if no host), Category, R, SP. At the bottom or top of the report, wherever you prefer, list the contact person information.

No results should be sent to Newsline, Dave Loucks or Donnie Roberts. They should all go direct to:

NatStat Center, Oliver Smith, Director

2031 Ridgewood Road Alamo, CA 94507 Telephone 510-935-2643

Eventually, Oliver would like to hear from each charter as to whether they use a computer and might want to transmit tournament data on a disk.

Here and There

Dave Loucks reports happenings around the NHPA

KANSAS There is no question that the Washburn family of Alton, Kansas enjoys horseshoe pitching. Harvey and Letta and sons travel to a lot of tournaments and are quickly recognized when they are seen carrying the "Washburn bucket." As long time NHPA members, the Washburns want to be remembered as supporters of the game and our association. With that in mind, Harvey and Letta have already prepared the stone that will one day mark their passage to "Horseshoe Heaven."

MARYLAND

Two members have found a good use for old pitching shoes. Pete Shomette of Ijamsville took broken horseshoes and welded them to a steel bar, which became a coat rack

in the building that houses two indoor courts on Pete's property. Alton Runkles of Mt. Airy took old "Deadeye" horseshoes and made a support for his mail box.

MICHIGAN From Regional Director John Decker comes word that the Auburn Horseshoe Club dedicated 12 new courts on May 23, 1992. The Bay Area Community Foundation provided a grant for the courts and Wickes Corp. of Auburn donated materials and a storage building for the courts.

The dedication was attended by several Michigan state officers, some 60 pitchers from around the state and representatives of the city and Wickes Corp. Pictured left to right are ARD Ron Kohn, RD John Decker, Kurt Rudolff of the Wickes Corp., WSHPA President Fred Smith Jr. and Auburn City Clerk Lucy Weisenauer.

MINNESOTA The Cokato Horseshoe Club plays a lot of doubles. Members were seemingly always having their games interrupted by questions as to the score, shoes remaining, etc., and the inability of accurately keeping individual ringers since scorekeepers to keep written records were tough to find. The problem was solved by the design of a special scoring board which uses golf tees to record each pitcher's points, ringers and shoes pitched. Now, paper is needed only at the end to record the final scores for league officials.

TENNESSEE August marked the anniversary date for the 2nd annual "Horseshoe Pitch for Epilepsy" held in conjunction with the Tennessee Walking Horse National Celebration in Shelbyville. Last year at the 1st Annual event, the Tennessee HPA

held a fund raiser during the nine day run of the pitch. Participants paid \$2.00 as a donation to the foundation to pitch four shoes, competing for points and prizes donated by various local businesses. T-shirts were sold and several elected officials from the area appeared daily to pitch and help promote the event. When it was over, \$1400 was raised for the Epilepsy Foundation. Several businesses and organizations made donations or took ads for the horseshoe event program. St. Pierre Manufacturing Corp., maker of the "American" horseshoe was one who made contributions. Perhaps the biggest contributor was NHPA member Marvin Bastian who supplied the court, tools and many days of dedicated labor. For his effort, a plaque was presented reading The Epilepsy Foundation of Middle Tennessee hereby recognizes the outstanding contributions of Marvin Bastian for exceptional service in advancing opportunities for persons with epilepsy.'

Bob Champion's Charter Chatter

If you are wondering why your charter is not represented in Charter Chatter, only one answer reaches the mind. In this case no news is bad news.

It doesn't take a fancy newsletter to get news in this column. Just a letter with a news note will do the trick, just like a visit to the newspaper will get your charter, your club and your tournament some local news coverage.

The publicity committee prepares scrapbooks each year with clippings received from pitchers all over the United States. Of the 1700 releases sent out to all World participants each year, only a few proof of publications has been sent to me. A copy will do.

Send to Bob Champion, 5505 Valmont #176, Boulder, Colorado 80301.

CALIFORNIA

The Southern Association has produced a newsletter published by Tom Tiedeman from Escondido. It all started in October 1991 and Tom just wanted to get information to anyone interested in horseshoe pitching. The newsletter is called Shoe Talk.

He started out by asking for information from clubs, individuals, etc. and sent a copy to each pitching location asking them to make copies and send them out.

This is one way to start your newsletter. It is hoped that more charters will publish horseshoe news in the future. Only about half of them have a publication—as far as I know.

COLORADO

Since 1979 only two names were on top as the Colorado Class A Champions—Paul LaCrosse and Rich Pintor until 1992.

Colorado has a new Champion. He is Jerry Comstock from Pueblo, who bested the 7-man field for the first time. Jerry has been knocking on the door for several years, and finally made the grade.

Elected to the Hall of Fame for 1992 was Pintor, 3-time state champion, and Orville Lauer, nephew of the Legend Ted Allen, who won the State title in 1941. H.R. Phillips from Fort Collins was inducted for Service to Horseshoe Pitching in the State. Phillips was the driving force behind the 16-court facility in Edora Park, Fort Collins at an estimated cost of \$80,000.

IDAHO

The official Idaho HIGH FIVE percentage pitchers as of August 1 are as follows: Dean Curry, Lewiston-60.28; Jim Taylor, Caldwell—55.15; Les Myers, Post Falls—52.94; Norman Watson, Kellog-52.47; and Jess Lyda, Orofino-

The brand new Brick Thompson Horseshoe Complex was the scene for the second annual doubles tournament in Pocatello.

Like many charters, Idaho has decided to use a computer to register percentages.

ILLINOIS

Entrant and spectators at the Danville tournament in August had a rare treat, a chance to see five-time champion Walter williams in action, so rare that Danville Horseshoe Club secretary Leo Bratland added a day to the tournament so Williams could compete. He added some of the better players in the area to put on the show.

The local newspaper sent a writer and photographer out and they had a lot of the top bowlers in the area come out to watch Williams perform in his usual manner.

The step-ladder finals for bowling's Summer Pro Tour allows Williams to compete in area horseshoe tournaments nearly every weekend. "Deadeye" bowls to make a living and pitches his favorite sport for relaxation and fun.

IOWA

Chatter wishes to personally congratulate George West from Honey Creek for his World victory in Class Q at Columbus. George and Champ were involved in a 4 a.m. playoff to decide position in the finals. George is 75 and his opponent "Champ," is 74. The winner was heard to say, "What are we doing out here a 4 in the morning." He was pitching and Chatter was walking from stake to stake. Another "Old Timer," Earl Winston, NHPA VP was the scorekeeper.

The state now has 10 regional districts, a historian, and a NHPA sanctioned league promotion director. Tom Smock, a member of the NHPA publicity committee, is the charter president. Cliff Kenney is the secretary-treasurer.

MARYLAND

The Frederick Horseshoe Association sponsored a benefit tournament to help raise money to buy T-shirts for the participants in the Cardiac Fitness program. Membership chairman Bill Mabry of the Frederick Club suffered a heart attack last year and participated in the Cardiac Fitness program.

Dean Jacks, exercise physiologist agreed that pitching horseshoes was a wonderful sport to increase muscles and is an overall good passive exercise, was very therapeutic, increasing mobility and flexibility. A good solid exercise...and what's more...it's fun.

MICHIGAN

Over a third of the Wolverine state's membership competed at the World Tournament in Columbus in 1992. Maybe a lot of them will travel I-90 to get to Spearfish in 1993. There will be pitching in Spearfish, gambling in Deadwood and sightseeing at Mt. Rushmore and other places.

Michigan ranked 22nd in membership among all states with 284. This was a 31% increase over the 1990 figure.

MINNESOTA

MGSHPA President Jack Loeffen and wife Judy were inducted into the Minnesota Hall of Fame as promoters. Jack says "It really is an honor and we hope to enjoy many more years promoting the sport. Loeffen also won the 1992 Appreciation Award.

1992 Recognition Awards went to Dean Heng (Newsetter); Bob Chavie, Bob Dunn (Brooklyn Park), Bud Helman (Roseville) and Roy Reed (Cokato) for junior league promotion; Dan Dowling (Spring Lake) sanctioned league and tournament; Dick David (Montgomery) promotion; Herb Swanson (Little Falls) MGSHPA State Tournament promotion; and Harry Fillafer (Moorhead) promotion dating back to 1967 World Tournament held in Fargo.

MISSOURI

An exciting game to watch at the Marshall Tournament was the 110 shoe game by Vicki Winston and Alan Francis. Vicki was the winner, 42-37.

Missouri state president Wayne Henderson recently had a few choice words for horseshoe pitchers. "With all the pitching I try to do, I'm learning to lose more and more gracefully. Now I know, every game has to have a winner and a loser, so therefore the losing side is just as important as the winning. For without the losers we would not have winners, so my game plays an important part for those winners, and makes me feel I have contributed. Therefore, when pitchers receive that first place trophy, I know I have done my part for your success."

NEW JERSEY

George Egel is the 41st pitcher in state history to have a complete tournament over 60%. He had a 63% event, and is tied for 24th. Topping the list is Bill MacIntyre with 82.8 in 1989.

Ed Quigley, from Pompton Plains is the new member of the NHPA speaker's bureau. If anyone can really tell it like it is, it is Ed. He is currently an assistant RD, director of a sanctioned club, and a member of the publicity committee.

The late Art Scolari was the subject of the Jersey Jargon's recent Hall of Fame inductees. Art entered the "Hall" in 1975, was the 1936 junior champion, won State "B" in 1937, and was the 1942 state champion with a 70.4%. Art once defeated Ted Allen with a 94% game.

Honored in the most recent copy of the Jargon is Hall of Famer Jack Giddes, who was inducted in 1974. He was the five-time state champion. For a time, Jack held the record of high game of 94.4%.

Jack did a great deal of work on the installation of the 24 courts at Middlesex. He has made the championship class at the World Tournament twice, in 1965 and 1971.

NEW MEXICO

President David Valdez and members have resurrected six courts and added four in Albuquerque with the assistance of the city council, parks and recreation.

Charles Knotts, with assistance from members from Tucumcari, built 12 courts at the Quay County Fairgrounds just west of the city. They held their first sanctioned tournament in June.

Membership in the state is up 11% over 1991 and entries in tournaments has increased an average of 20% with the addition of members from Socorro, Raton, Moriarty and Rosewell.

Hal Mineer reports they have TV, radio and newspaper coverage, and has been visiting groups in the state and helping them to start leagues.

OREGON

Like some charters who sponsor bowling tournaments in the Spring, the Oregon group sponsored a golf tournament at the Gresham Golf Course. Ex-champ Lauren Hill won with a nice 83, and Ben Goodling won handicap honors with a neat 72.

Ben Weidrich defeated George McCleod for the Class A title at the annual Old Timers Open in Oregon City.

He closed with a high game of 77.5.

Bob West is an Oregon Legend, much like Ted Allen is in Colorado and the NHPA. Bob is 69 now, a lean spare man. He never won a World title, but has been the Oregon Champion 15 times in 23 attempts. During the period between 1957 and 1979, Bob finished third once and fourth twice in the World Championships.

PENNSYLVANIA

For the first time in the history of the Eastern National tournament, Erie pitchers won the men's Class A, women's Class A, Junior Class A, the women's Class B and Junior's Class B titles.

Steve Kichcinski took the men's crown with 7-1, 78.6%; Aileen Drayer was the women's "A" winner, 6-1, 53.9; Paul Butcher took Junior "A," 4-1, 44.4; Maria Siegal was the Women's "B" titleholder, 6-1, 41.5; and Marc DiFiori won Junior Class B.

Drayer has lost only one game in two years as the champion, and Butcher has lost only one game in three years as junior champion.

TEXAS

As of September the top five men pitchers in Texas are headed by Ed Arionus with 67%, followed by Charlie Posey 65.3, Coke Bowker 64.9, Bob Graham 64.6 and Will Wade 62.8.

Top five in women's circles finds Mary Ann Kramr on top with 74.4, followed by Diana Polak 62.3, Jeanne Stewart 60.3, Dot Crane 55.7, and Brenda Engelhardt 55.3.

As expected Celeste Polak, the World Champion, tops the juniors with 64.2, Rusty Badillo rates second with 54.9, followed by Damien Moore 54.5, Doug Macha 53.5 and Jeff Henderson 46.8.

UTAH

Bruce Crane of South Jordan won his second straight State title beating J.J. Steffen of Monticello in a playoff. Shirley Steffen won her third straight title.

John Bracken of St. George won the men's senior crown. Bracken had the highest percentage for all classes—62.7. Gabe Ohms of Cedar City won the boys' title winning all 8 games and tossing 41.1%. Stacey Glendon, Washington, won the girls' title.

The State doubles championship went to Clint Gentry,

St. George and Glen McAllister of Gunlock.

To date Lorinn Condie has the high percentage with 64.5, John Bracken is second with 63.0 and Lee Jones follows with 62.4. Stan Simpson is the most improved with a 8.4 increase.

WASHINGTON

How's this for generosity? All members who pitched in the 1991 Winetrout Tournaments had their 1992 State and National dues paid by Winnie Winetrout. Many charters should have someone like Winnie, who likes

Charter Chatter continued...

horseshoes and people who pitch horseshoes.

The Pacific Northwest Open was established in 1946 through the efforts of John Monasmith, Gene Patrick and Cletus Chapelle, in conjunction with the Yakima, WA Fair Board. John and Gene lived in the area and Cletus, father of ten-time World Champion Vicki Winston and Barry Chapelle, was there to represent Oregon.

Although the site has changed, this annual tournament is one of the oldest annual events on the NHPA calendar.

By the way, Cletus was the opponent of Ted Allen, when the "Legend" pitched 72 straight ringers at the 1955 World Tournament.

WEST VIRGINIA

As usual, Charles Bunner of Fairmont has been very busy. Many readers know that Bunner succeeded in getting an NHPA Hall of Fame bill passed by the state Legislature and signed by the governor. This bill, if funds can be found, enable Fairmont to construct the Hall of Fame Building and a separate structure that will accommodate 18 courts under roof. The NHPA has not committed to this location pending inquiries from other locations and the lack of funding in West Virginia.

Bunner was given an Achievement Award by NHPA for his continued support, promotion and dedication to horseshoes.

Chatter had the pleasure to meet and talk with Bunner in Columbus, and still receives more clippings from him than all the other charters combined. He talks to the media.

In the last Newsline issue, I mentioned that a new Final Stat form had been developed that would assist in the keeping of good league records. Some of these have already been turned in and I'm happy to see the idea is apparently working. In addition, these new forms make it possible for me to transmit sanctioned club and league pitching results directly on to the new NHPA NatStat Center where averages on all members are being compiled.

With the new requirement for World Tournament entry to have 4 tournaments completed in the previous twelve months, one of which can be sanctioned club/league play of 400 or more shoes, it is important that all your play is reported accurately and

promptly.

I feel that league averages, obtained over a long period of weekly play, are a very true indication of one's ability. It's not easy to sandbag each week with most clubs using a handicap. A good player must pitch extra well in order to win their games over a high handicap opponent and likewise for the lower average pitcher. Not all pitchers who thrive on pressure conditions are able to do their best in club or league play due to the sometimes very relaxed, carefree and social atmosphere. On the other hand, there are those who find circumstances of league play leading to better pitching because the stress is removed. Whatever way it effects you, sanctioned club/league play is an opportunity to support your club, state charter and the NHPA. Now, as full NHPA members, in addition to the many club/league awards available, you can have this program count 400 or more shoes, as a sanctioned tournament pitched. Who knows, it may be your best pitching of the year and if so, it will now be recognized.

On the lighter side, Floyd and I will be going to Maui, Hawaii for Christmas. To visit his son who works over there for Rockwell International, before he is tranferred to somewhere else. A motive to this is it will also save us an enormous amount of money, being able to stay

with him and not pay those outrageous hotel fees. We are sure looking forward to pitching with the members of the Maui Charter and will be returning just in time to pitch with all our friends at the Vegas event.

I may not fully succeed, but will try hard to have all Top Ten, Jr. Scholarships and Continuous Sanction plaques, at least figured and ordered before we depart on Dec. 19th so I can get them in the mail as soon as we return around mid January. You can all help with this by getting all the required paper work for these to me ASAP, please and thank you.

This year will mark the 15th anniversary of this program, which also means the first year for 15 year Continuous Sanction Plaques for all Charter (1978) clubs. This is something we can all brag about and be proud of and you are the ones that have made it all possible with your support and dedication. I, for one, am extremely proud of each and every one of you, who have stuck with the program through thick and thin and all of the transitions made in the program throughout the years.

Please, be sure that your club's annual membership report and any other reports that are required for any of these recognitions have been sent in before their respective deadlines.

Here's wishing all a very happy holiday season and prosperous, healthy new year.

Your Friend for Horseshoes!

Hoof-Note: As you may know, the office of NHPA 3rd Vice President and National Sanctioned CL/LG Director, will be up for election at the 1993 Convention in Spearfish, South Dakota. I do plan to keep my name in the hat for these positions, as I do VERY MUCH wish to continue working both with and for the NHPA, all of the members and our great CL/LG program. Even though my formal announcement will be made in a later issue, I would appreciate you beginning now to consider me for reelection.

Please, inform your fellow Charter members and Delegates of your wishes, whether they be pro or con. My deep desire to continue serving you is still very dependent on your desires to have me do so. As each and every one of you are the NHPA and whether reelected or not, I sincerely want it to be what YOU want and will respect your decision. Just be sincere, serious and honest. Thanks for support already given.

Jim Shilling, RD from Indiana reports that there are several heated indoor courts in Indiana. Harrison County Ringers have 10 indoor courts in Corydon. The Johnson County Indoor Horseshoe Club near Edinburg and the 18 courts at Camp Atterbury are well lighted and indoor. The Marion Horseshoe Club has 2 courts, Frankfort has 2 privately owned. Near Spencerville, IN Jim Shilling has 6 courts which are also the home of the Classic City Indoor Horseshoe Club. The pitching palace in Stroh has 4 courts, and in the Northwest corner of Indiana, the Whiting Horseshoe Club has 4 courts. Membership runs as high as 100 people pitching in sanction leagues and/or tournaments.

John Decker, RD from Michigan reports that the Auburn Horseshoe

Club dedicated their courts on May 23, 1992. The Wickes Corp. of Auburn donated materials and a storage building.

George St. Pierre, RD from Massachusetts reports that from May to October, all states have tournaments except Rhode Island, which doesn't have a charter. Ben Vasques of VT and Bob Gratton of MA each have a good Junior program going with each having approximately 25 juniors.

having approximately 25 juniors. Marie Wetzel, RD from Pennsylvania reports that ARD, Alvin Long reported that the Dallas Club added 2 new courts last year and they now have 6 outdoors and 2 indoors. The State Championships were held over labor day and Glen Burris won the men's championship, Grace Rugg, the women's, Tony Dawson, the junior's and George Blehi the senior's.

Clint Bryson, RD from **South Dakota** reports that there is much work there to interest juniors. They hope to see some results soon.

Jerry Shifflet, RD from Virginia reports they are having a good year. They have had some news coverage. Earl Waggy, ARD for VA reports that D.W. Strickler of Churchville, VA was inducted into the VAHPA Hall of Fame for his dedication to sanctioned clubs.

Jack Adams, RD from Canada reports that the 1992 Canadian Championships were held at Manitou Beach, Saskatchewan from August 5-8 with 221 entries. Winners were: Men's—Andre LeClerc; Women's—Myrna Kissick; Junior Boys—Richard Hayes; and Junior Girls—Crystal Curtis.

Canada had 82 entries in the 1992 World Tournament.

GUIDELINES FOR

Regional Directors and Assistant Regional Directors

EFFECTIVE JANUARY 1, 1993.

Regional and Assistant Regional Directors shall be elected by the State/Charter Association which they represent, with the approval of the 5th Vice President. RD and ARDs shall be elected for a (2) year term, said election to be held on even numbered years. State/Charter Associations shall report all RD and ARD balloting to the 5th Vice President by December 1st of said election year. The State/Charter Association Officers shall sign and validate the results of the election of RD and ARDs within their charter only. The 5th VP shall compile and tabulate election results in multi-charter regions, for an accumulative result within each region. In the event in which none or only a partial count of State/Charters report election results to the 5th VP, the 5th VP shall appoint and RD/ARD for the region and/or deem a partial State/Charter election result as final. There is no limit on the number of years one may serve.

A Regional Director/Assistant Regional Director shall be directly responsible to the 5th Vice President and shall perform those activities requested by the 5th Vice President as well as those duties spelled out in this document.

A Regional Director and/or Assistant Regional Director shall be responsible for the distribution of NHPA patches to the winners of all sanctioned tournaments according to procedures established by the 5th VP and approved by the NHPA Executive Committee.

A Regional Director shall assign the sanction certificate numbers. A supply of sanction certificates will be mailed to each along with NHPA patches. As requested the RD will fill in the appropriate numbers, etc., and either deliver or mail to the tournament directors in time for the certificate to be displayed at the event. The numbers you have issued certify that National Rules will be followed, legal shoes will be used, and all participants are members of the NHPA and a Charter.

A Regional Director is appointed to

cover a specific region. Each region is numbered. A numbering system has been developed to identify tournaments in your region. These numbers should be in chronological order to facilitate the NHPA Stat Center. The first number denotes your region, the second two digits denote the year, and the third three digits denote the numbering sequence for that year. Example: Region 1 would be: 01-93-001 for the first one and 01-93-002 for the second, etc. 999 certificates could be issued in a given calendar year. As soon as possible, a copy of the register will be mailed to the 5th VP, NHPA Stat Center and your State/Charter Secretary. Additional numbers issued during the year are mailed on an updated basis as the situation dictates.

A Regional Director shall have the Tournament Director submit the tournament results to *Newsline*/NHPA Stat Center making sure they are in proper format. Results are to be typed in double space. First and last names, NHPA Card #, State, Wins, Losses, Ringers, Shoes Pitched and Ringer Percentage. Also, whether they were Men, Women, Juniors or 30' Elders. Some may not have a typewriter. In that case, print the results legibly following the same format. Remember, always include the sanction number.

A Regional Director shall be responsible for certifying that any courts that are to be sanctioned meet the NHPA Sanctioning Certificate requirements and will sign same before the 5th Vice President will issue a certificate. RDs shall make every effort possible to see that construction of new courts by local clubs meets the NHPA specifications for sanctioning.

Regional Directors/Assistant Regional Directors shall report at least semi-annually to the 5th Vice President summarizing regional activities and submit at least two *Newsline* articles each year. Copies of these reports shall also be mailed to the Charter Secretaries in their regions.

A Regional Director shall attempt to bring together all officers of the Charters in their regions, along with their Assistant Regional Directors, at least once a year to discuss subjects of general interest. Subject matter covered and conclusions reached should be documented for publication to members within their region and the 5th Vice President will forward such items to *Newsline* for publication.

A Regional Director shall make every attempt to attend the World Tournament, or name in writing, to the 5th VP, one of the Assistant Regional Directors to attend the Annual Meeting.

A Regional Director shall have a commitment to every State/Charter Association in his/her region, not just the State/Charter of his/her residence.

A Regional Director will act as an advisor in interpreting the ByLaws and Rules of the NHPA.

Regional Directors/Assistant Regional Directors shall maintain a schedule of all tournaments and other activities within their respective area, keeping each other, as well as the 5th Vice President, informed.

Regional Directors/Assistant Regional Directors shall encourage the Charters within their region to pay their dues, promote *Newsline* subscriptions and membership in the NHPA. As representatives of the NHPA, they should push for NHPA sanctioning of all tournaments.

Regional Directors/Assistant Regional Directors shall attend as many tournaments in their region as possible and attempt to honor specific requests by their charters for their presence either at tournaments or ceremonies.

Regional Directors/Assistant Regional Directors shall work together within their regions to eliminate conflicting dates (tournaments, etc.) to effect maximum participation by the pitchers. They shall seek out and attempt to enroll active clubs and pitchers not presently affiliated with the NHPA, assist clubs and tournament directors in finding ways to publicize their activities, and shall work with and keep all tournament directors in their areas informed

Our direction is toward horseshoe perfection.

NHPA Approved

\$79.00 per pair postpaid

ALL STARS ARE DEAD AND SOFT AND THEY WEIGHT 2 LBS. 8 OZ.

When you're pitching against the pros, the difference between winning or losing can be just a few thousandths of an inch.

If consistent pitching accuracy is what you're looking for, you'll only find it in a STAR. No one else measures up. Precision-crafted to afford you the competitive edge.

- * When pitching are high quality stainless steel horseshoe, you will find there is less warping out of shape and less burring.
- * The original STAR horseshoe was hand-crafted to achieve a center balance allowing each player to pitch a flatter, more open shoe. ie: Higher ringer averages.
- * If the World Tournament officials ground your current shoe down last year because it was too wide, too long, or too heavy, pitch precisionmade STARS this year.

Guidelines for RD/ARDs

of current and future events.

Regional Directors shall compile a list (names, addresses, and telephone numbers) of their State/Charter Officers immediately following their State/Charter elections and forward it to the 5th Vice President. Any changes in their officers will be forwarded as they occur during the year.

Regional Directors/Asst. Regional Directors who wish to have NHPA items available to sell to members. must buy their supplies from an NHPA distributor and sell them at no profit.

Regional Directors/Asst. Regional Directors shall be subecribers to Newsline.

NHPA Regional Directors shall annually receive \$50.00 plus 20 cents per member per year within their region, based on the year-end membership report of the NHPA Secretary/Treasurer. The full-year must be completed to receive this compensation. Exceptions will be approved by the NHPA President and 5th Vice President. In addition, each Regional Director may be reimbursed for telephone calls and miscellaneous expenses with approval of the 5th Vice President. Any large expense MUST have prior approval of the Executive Council.

Regional Directors/Asst. Regional Directors shall be responsible for weighing and measuring all shoes pitched at the World Tournament.

Regional Directors/Asst. Regional Directors shall also have the responsibility of working with the NHPA council to oversee the tournament activities, including adherence to the Dress Code, Playing Rules, Tobacco and Alcohol Rules by all Contestants, Scorekeepers, and Judges.

The Regional Director of the region in which the World Tournament is held shall have the reponsibility of SANCTIONING the World Tournament for that year.

AMENDMENTS

These Guidelines may be amended by a majority vote of the Regional Directors/Assistant Regional Directors present at the Annual Meeting during the World Tournament, with the approval of the Executive Council.

Respectively Submitted, GARY K. MINNICK 5th Vice President and Chairman of the Regional Directors

The Toll of Time

LOUIS O. BAYER

The Northern California members were saddened to hear of the 4/21/92 passing of Lou Bayer, long time promoter of the sport and member of the Stockton club for many years. Lou in recent years, traveled extensively with the Air Stream RV club where he continued to enjoy and teach the game. Born in Hooper, Nebraska, Lou was 86 years of age when he died.

JIM DUNKERLY

Jim Dunkerly, 72, of Lancaster Ohio, died May 27, 1992 after a short illness.

He was a member of the NHPA for 29 years and the Lancaster Horseshoe Club for 24 years.

Jim was always there to help at local tournaments and pitched in numerous other tournaments over the years, mainly in the central Ohio area.

He will be greatly missed by all who knew him. He is survived by his wife, daughter and son-in-law and 5 children.

The Ohio Buckeye Horseshoe Pitchers Association extends their sympathy to the family.

WALT FOREMAN

Walt Foreman was a very popular member of the San Jose Club and Northern California Association. Born in 1914, Walt died June 22, 1992 after a long fight with cancer. For many years, Walt was considered one of the better pitchers in the area. He always attended as many events as possible and made many friends along the way. Walt was motivated, competitive and attentive. He won many tournaments but the welfare of fellow members was primary with Walt. He will be missed.

RICHARD B. HASTINGS, SR.

Known to everyone as "Bones," Richard Hastings of Orange, Massachusetts died suddenly June 27, 1992 at the age of 57. A long time NHPA member, Bones was always promoting the sport. For several recent years he was a worker in the World Tournament NHPA publicity booth. Just this year he was elected to the Massachusetts Horseshoe Pitchers Hall of Fame as an organizer. He received many other awards for his tireless

work on behalf of the game, among them, the 1992 plaque for outstanding contributions as publicity director for the New England HPA.

Bones, who was a self-employed painter, leaves his wife Beverly, son Richard Jr. and numerous other family members. Like all dedicated workers in the NHPA, his contributions and presence will be hard to replace.

J.R. MONTROSS

Nebraska pitchers were sorry to hear of the 2/25/92 death of J.R. Montross, who was a charter member of the Platte Valley Horseshoe Club. Born in Kearney, J.R. was 73 years old. He farmed in the North Platte area before retiring in 1975. He was an active leader in 4-H clubs for twelve years and the past director of the Lincoln County Fair Board.

GEORGE HENRY PALMER

George Palmer was instrumental in the formation of the Stockton, CA horseshoe club, for many years the site of the California State Championships. A native of Eyota, MN, George passed away March 2, 1992 at the age of 79.

OTIS SIDNEY PLOTT

Louisiana member Otis Plott passed away March 28, 1992 at the age of 85. He was married for 62 years to Leona, who died in 1990. Otis was a retired train dispatcher for the Kansas City Southern, where he worked for some 40 years. As a long time NHPA member, he attended about 30 World Tournaments, the last being in Biloxi in 1991, where he visited old friends. His last W.T. pitching was in Lafayette in 1985 where he won Class C, 30' Elders. In 1959, Otis won the World Class B championship. He was a member of the Louisiana Horseshoe Pitchers Hall of Fame.

ANDREW STOLARIK

The Ohio association and members were saddened by the recent passing Andy Stolarik, age 82 of Alliance. For years, Andy was an active pitcher and promoter in the sport. He was past president of the Canton Horseshoe

Club, Ohio charter treasurer in 1942 and inducted into the Ohio Hall of Fame in 1987. In 1946, Andy finished 12th in the Championship division of the World Tournament.

LEO WASER

Leo Waser, age 66, a long time resident of St. Louis, MO, passed away on July 19, 1992 after suffering a heart attack while competing in the World Tournament at Columbus, Ohio.

Leo had been an active member of the NHPA and the Greater St. Louis Horseshoe Club for the last ten years. He participated in leagues and tournaments sponsored by his club, as well as serving on committees and helping with many activities pertaining to the support of his club. He was always willing to give of himself to those who requested his assistance. Leo also participated in several State and World Tournaments, in addition to many in the local area.

He enjoyed square dancing and outdoor activities, such as float trips. He was an active volunteer in several Senior Citizen programs in his area.

Leo is survived by his wife Delores, three daughters, three granchildren and many friends.

BARAK CHARLES WRIGHT

California native Barak Wright, age 85, died on July 30, 1992 of a heart attack, while doing what he loved most, pitching horseshoes on the courts in Ukiah, a club he founded in 1981. Barak was still a 50% pitcher at his age, due in part to the NHPA sanctioned "D & B" no caulk horseshoe, which he developed. Cut from steel plate, this lighter horseshoe greatly assisted Barak and other older pitchers who preferred to stay at 40 feet instead of moving up. Barak was also the promoter behind a very popular Ukiah Invitational tournament which he ran for several years. Age and distance did not seem to slow Barak down, as he was always traveling to attend and pitch in horseshoe tournaments throughout the West. His pleasant manner will be greatly missed by all his friends. The Northern California association extends heartfelt condolences to his wife Irene, who was always with him.
