With sincere appreciation for outstanding
service and dedication promoting horseshoe
pitching at the state and national levels.

Regional Director Award: Donna Bastel

Award presented by Bill Marvin, 5th Vice President

Other Awards Presented to:

Judy and Herb Heesch, Highest Selling GRS Distributor

Evelyn Zahorchak, National Sanctioned League Director of the Year

Mens Championship

by Dalton Rakestraw

This year's championship class in the "Heart of Dixie" would be a well contested class from the beginning.

Alan Francis would come into this championship class with three preliminary losses to his slate. However, he would start out with a clean one at 0-0, going into the championships. Brian Simmons, winning the Mens A1 prelims, would seem to be the one to come out victorious. Brian was looking good on the courts seeming to have no trouble in his three-day prelim rounds.

Gary Bearpaw would perfect his flip and begin to really establish himself in the championships. Dan Watson would have his "good ole' southern mouth" and continue to dominate and throw darn near perfect games each pitch. The 2016 Mens Championship class would continue to grow and come back to its championship roots of pitching about 25+ years ago.

Going into the final day of competition, Alan would start off pitching Walter Ray Williams Jr. and start out looking like he will be given his first loss. Walter Ray pitched better than he had been that game and was looking good to take Alan's perfect record. However, as you would a couple of open

opportunities for Alan's advantage, and he would take the game.

Gary Bearpaw would have an incident come up in the wee hours of the evening Friday night and would affect his first game of pitching. Pitching his lowest game of the tournament of 66 and losing 35-42 to Kentucky's powerhouse Charlie Meredith, would ease up Alan's mind for a world title. Brian Simmons would handle Rick Howe in a 84 shoe match up. Dan Watson would take ole' Gale Greene from "Ghost town" Vermont in 62 shoes. As the rounds would continue, Dan Watson would have a 100 shoe game against Rick Howe. Gale Greene and Brian Simmons would have a 92 shoe game. Dan Watson and Alan Francis would have a 98 shoe game. And the leaders would contest each other with several 80 + shoe games.

In the final game Alan Francis had the world title in the bag. If he won, he would have the perfect record and another world championship. If he lost, he would have a one loss record and still become the world champion. Alan beat Brian in the final game to 66 shoes. Alan would take first place, and Brian would finish third respectively. In the literal last game and last shoes to be pitched in the world tournament, Gary Bearpaw would get past Dan Watson in 88 shoes to take second place. Congrats to all winners. Look for more top pitchers to take games and names in "Red Rock 2016."

See ya'll in Saint George!

Elders Championships

by Dalton Rakestraw

The 2016 Elder Mens Championship Title was up in the air. Defending champion David Holmes from Charleston, West Virginia, seemed to have more competition than ever. David Jagers from Saint Cloud, Florida, was looking good for a world championship win posting an average of just over 80% in the prelims.

Looking at the championship line up, it was going to be a great event with great games. One game in particular went to 106 shoes. There were several 98 shoe games. Overall the games were pitched to perfection regardless of shoe counts.

Going into the final day of competition. David Holmes, Ron Deckard, David Jagers, and Rich Altis are our focused leaders. Rich had his 106 shoe game the first game of the last day. Jim Culver was going victorious in the beginning stages of the game, and Rich fought his way back and the game would go back and forth until Rich closed the gap and won the game

at 106 shoes. Ron Deckard would cruise on past Virgil Rife in that same round in 74 shoes. David Jagers would fall short to Daniel Dunn.

Rounds would continue to pass and our leaders would continue to rise and fall until the last game when the championship was on the line. Jagers would have to beat Holmes and Deckard would have to beat Dunn in order for a playoff game. Jagers would indeed do that and beat Holmes in the last game, but Deckard would lose his timing and come up short to Dunn. Leaving David Holmes in the leaders seat to win another world championship title.

This would be David's third world championship title in a row. Look for him next year in Saint George, Utah, to see if he can take on a fourth world title in a row.

Womens Championships

by Aleena Lapek

This year was definitely a nail biter, after you clean off the clay and paint of course. With less than 20% separating the championship class, it was anyone's chance to win the ultimate title. The three days were long and well fought.

On day 1, two ladies tied with the highest percentage in a game of an amazing 88.24%! Kathy Brazier of Alabama had hers right off the bat in game one, and Ellen Perry from New York, pitched hers in game four. Many upsets were played that took many shoes. The first game on the third day had the longest game of 82 shoes between Joan Elmore from Tennessee and Jane Cordingley from Alberta. Jane won the game with an amazing 42 to 38 win. For the game, Joan averaged 80.49% and Jane 82.93%. With such high games, everyone could feel the intensity building as they all fought with all they had.

As the final games approached, it was still unclear as to who would be the champion. Both Marlene Ray and Joan Elmore had one loss as they pitched each other in the final game. It was well fought and took 66 shoes, as Joan secured her win 41

to 37. She had just won her 8th World title but was still just as special and exhilarating as her first.

As awards and trophies were given, you could hear a cheer of "Tennessee" as the top 3 finishers: Joan Elmore, Marlene Ray, and Maxine Griffith were proud to represent their state. They must have something special in the water there. All of these 16 magnificent ladies pitched their best and showed what an accomplishment it is to be part of the championship class.

Congratulations to all.

Senior Mens Championship

by Dalton Rakestraw

The 2016 Senior Mens Championship class was seemed a “shoe-in” for Michigander James Dunlap. James cruised right through the preliminary rounds going 15-0 and posting a 70.17 ringer percentage. Dunlap was in cruise control in the championship rounds going all the way through each round and not losing a game.

Mr. Dunlap seemed to have hit the breaks in round nine to Ohio native Gary Roberts (also newly elected NHPA 1st VP). Gary hammered Dunlap in 50 shoes. Also in round nine Ray Bedard, MA, beat Larry McAfee, MO, giving Larry his second loss for the tourney.

In round ten, James Dunlap fell short again to Missouri’s own Larry McAfee. Ray Bedard beat Tom Gallina, ON. In the final game against Ray Bedard and James Dunlap things were looking to be in playoff territory. Ray had to beat James or vice versa, and Larry had to beat Paul Bachelor, MI, to have a playoff.

Dunlap, who seemingly was the odds on winner, had fell his third game and did not overcome Ray Bedard. As you would guess, Larry did beat Paul. So to the playoff courts we went to decide who would

become the 2016 Sr. Mens World Champion.

While the playoff game was being created and the players were turning the pit and warming up everyone crowded around the courts to watch the final match.

The playoff game began and it was looking good for Larry McAfee, MO, as he would start off the game putting up some big points to take an early lead. As the game continued, there were several judges calls and Ray Bedard started to catch his second wind, and as you would guess he would be declared the winner. The Senior Mens World Title would travel back to Massachusetts for another year as Ray Bedard would be once again your Senior Mens World Champion.

Look for the competition next year in St. George to be even tougher as we travel out west to see if the west has some contenders for the Senior Mens World Title.

Senior Womens Championships

by Aleena Lapek

These women may be in the senior class, but when you watch them pitch, senior is not an accurate word to describe them. These women show a love and passion for our sport that rivals anyone. They have class and are just outstanding to watch.

With 2 days of competition, all were ready to go and prove they were the best. With a close leaderboard after day 1, everyone was averaging 50% or higher to try and win the title. No one wanted to back down and showed it by pitching 40 shoes or more. With high hopes and spirits everyone got ready for a tough second day.

In the second to last game, Marlene Cooper from Ohio, and Sheila Shepard from Colorado went 72 shoes. Coming down to the last ringer, Sheila won 42 to 39.

With only one game left and no losses thus far, Sheila was ready. She faced Ora Lee Jeardoe from Kansas. This time going 76 shoes and still coming down to the last shoe, it ended at 40 to 38. Sheila Shepard won the 2016 Senior Women's World title averaging 70.05% with a high game of 80.95%.

Hugs were given and smiles were shared as the day ended. Each lady was proud and proved that they are deserving to be in this exclusive group.

Junior & Cadet Championships

by Aleena Lepak

The best words to describe the world tournament this year are intense, fun, hot, and memorable. Even smaller numbers didn't stop these pitchers from bringing their A game. The tournament kicked off with a meet-n-greet on the Wednesday before pitching with 27 juniors and cadets attending a presentation at the planetarium, a cookout, and Knockerball followed by ice cream sundaes. Reunions were had and many new friendships were made. Even with the excitement and fun, all were feeling the intensity building for the competition ahead.

The next 2 days of competition commenced with excitement, tension, and camaraderie. It was anyone's game to win their class and the pressure was on. Cale Matlock (OK) won Cadet A averaging an amazing 75.28%. From North Dakota, Kyler Nielson won Cadet B with no losses. Lillyan Kildahl from Wisconsin won Cadet C by doubling her average. These young cadets had the crowd's

attention with how great each one threw as each cadet is an inspiration to our sport.

The junior classes enhanced the excitement and tension everyone was feeling. With only half a loss, Junior A champion was Seth Onan (KY) averaging 71.39%. Junior B was won by Aaron Hanes (PA) averaging 50.83%. With only 1 loss, Bo Mullis (GA) won Junior C. Junior D had a three way tie for first as Bryce Turner (KS) lost to Seth Johnson in the first game of the step ladder playoff. It then became a battle from Oklahoma as Lexi Taylor won against Seth finishing the last playoff game doubling her entry average. Catrina Edwards (PA) won Juniors E by quadrupling her average. With these intense first two days, we all knew that championships were going to be just as exciting.

As Saturday evening approached, each of our competitors proved they were the best and did us all proud. All classes this year were a race to 40 points and each pitcher showed that they had what it takes to be a champion. With no losses, Cale Matlock (OK) became the 2016 Cadet's World Champion averaging 75.56%. No spectator could sit still as the shoes were thrown.

The Junior Girl's Championship was just as exhilarating to watch. These young ladies showed that they were here to compete and try their hardest to win. In her final year as a junior, Savanna Johnson (MO), went five and zero and won the title averaging 52.55%. She has long awaited this title, and earned it with class and glamour.

The Junior Boy's Championship was just as exhilarating and intense as each young man showed he deserved to be in this elite group. It was clear that no one was going down without a fight as it came down to a tie for the title. With Kentucky at the top of the leader board again this year, Seth Onan and Tyler Howard went head to head. Tyler Howard proved once again that he can handle the pressure as he defended his title and won the 2016

Junior Boy's Championship. He pitched an astounding 88.1% for the playoff and averaged 76.33%.

The host site held a junior party for all players and family during the NHPA banquet and it was a perfect end to their tournament. 37 juniors and cadets got on buses to the Capital zoo and museum. We received a private tour of the animals along with a train ride, ski lift over the animals, and a delicious meal of spaghetti, salad and peach cobbler for dessert. To wind down the day, we toured the Mann Museum with a scavenger hunt to discover and learn about different animals. Each attendant also received a goody bag with items from the gift shop to take home as memorabilia. All the competitors this year let their passion show. Nine of these juniors will be moving on to the Men's and Women's divisions where they will continue to shine. As the fans continue to support those that are up and coming, we all look forward to some great pitching.

See you all in Utah!!!
